Transaction is immediately and significantly accretive on all core metrics to Dril-Quip stockholders and will materially enhance Dril-Quip’s strategic positioning

Dril-Quip Board unanimously recommends stockholders vote “FOR” transaction at the special meeting on September 5, 2024

HOUSTON--(BUSINESS WIRE)--Sep. 4, 2024-- The Dril-Quip, Inc. (NYSE: DRQ) (“Dril-Quip” or the “Company”) Board of Directors unanimously recommends and urges Dril-Quip stockholders to vote “FOR” the proposed merger with Innovex Downhole Solutions, Inc. (“Innovex”) and each of the proposals to be considered at the **special meeting on Thursday, September 5, 2024, at 9:30 a.m. Central Time.**

The merger of Dril-Quip and Innovex is immediately and significantly accretive on all core metrics to Dril-Quip stockholders and offers the following strategic merits:

- Positions the Company with a scaled and diversified global market presence
- Establishes a curated portfolio of complementary, mission-critical products
- Enables key market expansion through cross-selling and accelerated penetration – lower 48, Canada, Saudi Arabia and global offshore
- Unlocks significant and achievable cost synergies of approximately \$30 million per year
- Improves earnings stability, resilience and growth
- Maintains a net cash position for future investment and acquisitions
- Facilitates best-in-class practices and leadership from the respective companies

Cautionary Statement Regarding Forward-Looking Statements

Statements contained herein relating to future operations and financial results or that are otherwise not limited to historical facts are forward-looking statements within the meaning of the Securities Act of 1933, as amended (the “Securities Act”), and the Securities Exchange Act of 1934, as amended, including, but not limited to, those related to projections as to the anticipated benefits of the proposed transaction, the impact of the proposed transaction on Dril-Quip’s and Innovex’s businesses and future financial and operating results, the amount and timing of synergies from the proposed transaction, the combined company’s projected revenues, adjusted EBITDA and free cash flow, accretion, business and expansion opportunities, plans and amounts of any future dividends or return of capital to stockholders and the closing date for the proposed transaction, are based on management’s estimates, assumptions and projections, and are subject to significant uncertainties and other factors, many of which are beyond Dril-Quip’s and Innovex’s control. These factors and risks include, but are not limited to: the impact of actions taken by the Organization of Petroleum Exporting Countries (OPEC) and non-OPEC nations to adjust their production levels, risks related to the proposed transaction, including, the prompt and effective integration of Dril-Quip’s and Innovex’s businesses and the ability to achieve the anticipated synergies and value-creation contemplated by the proposed transaction; the risk associated with Dril-Quip’s ability to obtain the approval of the proposed transaction by its stockholders required to consummate the proposed transaction and the timing of the closing of the proposed transaction, including the risk that the conditions to the transaction are not satisfied on a timely basis or at all and the failure of the transaction to close for any other reason; the risk that a

consent or authorization that may be a required approval for the proposed transaction is not obtained or is obtained subject to conditions that are not anticipated; unanticipated difficulties or expenditures relating to the transaction, the response of business partners and retention as a result of the announcement and pendency of the transaction; and the diversion of management time on transaction related issues, the impact of general economic conditions, including inflation, on economic activity and on Dril-Quip's and Innovex's operations, the general volatility of oil and natural gas prices and cyclicity of the oil and gas industry, declines in investor and lender sentiment with respect to, and new capital investments in, the oil and gas industry, project terminations, suspensions or scope adjustments to contracts, uncertainties regarding the effects of new governmental regulations, Dril-Quip's and Innovex's international operations, operating risks, the impact of our customers and the global energy sector shifting some of their asset allocation from fossil fuel production to renewable energy resources, and other factors detailed in Dril-Quip's public filings with the Securities and Exchange Commission (the "SEC"). Investors are cautioned that any such statements are not guarantees of future performance and actual outcomes may vary materially from those indicated.
