PRELIMINARY—SUBJECT TO COMPLETION, DATED AUGUST 5, 2024

PROXY STATEMENT/PROSPECTUS MERGER PROPOSED—YOUR VOTE IS VERY IMPORTANT

On behalf of the board of directors of Dril-Quip, Inc. (“Dril-Quip”), we are pleased to enclose the accompanying proxy statement/prospectus relating to the business combination of Dril-Quip and Innovex Downhole Solutions, Inc. (“Innovex”). We are requesting that you take certain actions as a Dril-Quip stockholder.

On March 18, 2024, Dril-Quip entered into an Agreement and Plan of Merger (as amended from time to time, the “merger agreement”) with Innovex and certain subsidiaries of Dril-Quip that provides for the combination of Dril-Quip and Innovex. Pursuant to the merger agreement, (i) Ironman Merger Sub, Inc., a direct wholly owned subsidiary of Dril-Quip (“Merger Sub Inc.”), will merge with and into Innovex, with Innovex continuing as the surviving company (the “first merger” and the surviving company, the “surviving corporation”), and (ii) immediately following the first merger, the surviving corporation will merge with and into DQ Merger Sub, LLC, a direct wholly owned subsidiary of Dril-Quip (“Merger Sub LLC”), with Merger Sub LLC surviving the merger as a direct wholly owned subsidiary of Dril-Quip (the “second merger” and, together with the first merger, the “mergers”).

If the mergers are completed, subject to certain exceptions, the aggregate merger consideration paid at the effective time of the first merger (the “effective time”) to the holders of common stock, par value \$0.01 per share, of Innovex (“Innovex common stock”) then issued and outstanding (including each Innovex stock option and restricted stock unit) will be a number of shares of common stock, par value \$0.01 per share, of Dril-Quip (“Dril-Quip common stock”) (including restricted stock awards) equal to the product of (i) 48% multiplied by (ii) the quotient of (x) the number of shares of Dril-Quip common stock outstanding immediately prior to the effective time of the mergers, calculated on a fully diluted basis, divided by (y) 52% (the “aggregate merger consideration”). Each holder of Innovex common stock, other than holders who are entitled to demand, and properly demand, appraisal of their shares of Innovex common stock (“dissenting shares”), will be entitled to receive, for each share of Innovex common stock, a number of shares of Dril-Quip common stock equal to the aggregate merger consideration divided by the number of shares of Innovex common stock outstanding immediately prior to the effective time calculated on a fully diluted basis (the “per share merger consideration”), plus the cash value of any fractional shares of Dril-Quip common stock that would otherwise be payable. Each share of Innovex common stock held in treasury by Innovex or owned directly or indirectly by Dril-Quip, Merger Sub Inc. or Merger Sub LLC immediately before the effective time (“disregarded shares”) will be automatically cancelled for no consideration. Upon consummation of the mergers and the other transactions contemplated by the merger agreement, Innovex will be a wholly owned subsidiary of Dril-Quip and the name of Dril-Quip will be changed to Innovex International, Inc. The common stock of the combined company will remain listed on the New York Stock Exchange (the “NYSE”) following the completion of the mergers and is expected to trade under a new ticker symbol, “INVX”.

Following the closing of the mergers, it is anticipated that persons who were stockholders of Dril-Quip and Innovex immediately prior to the mergers will own approximately 52% and 48% of the combined company, respectively.

Dril-Quip will hold a special meeting of its stockholders in connection with the mergers (as may be adjourned or postponed from time to time, the “special meeting”).

At the special meeting, Dril-Quip stockholders will be asked to consider and vote on proposals to (1) approve the issuance of Dril-Quip common stock to Innovex stockholders pursuant to the merger agreement (the “stock issuance proposal”), (2) approve an amendment of Dril-Quip’s restated certificate of incorporation (the “charter amendment proposal” and, together with the stock issuance proposal, the “merger proposals”), (3) on a non-binding advisory basis, approve six separately presented proposals to approve certain governance provisions in the charter amendment, to, among other things, (i) increase the number of authorized shares of Dril-Quip’s common stock from 100 million to 200 million, (ii) limit the personal liability of corporate officers for money damages for breaches of their fiduciary duty of care in accordance with Section 102(b)(7) of the General Corporation Law of the State of Delaware (the “DGCL”) and (iii) waive corporate opportunities obligations with respect to Amberjack Capital Partners, L.P. (“Amberjack”) and certain of its affiliates (collectively, the “non-binding governance proposals”), (4) approve the Innovex 2024 long-term incentive plan (the “2024 LTIP”), which provides for the issuance of up to a number of shares of Dril-Quip common stock equal to 5% of the fully-diluted shares of Dril-Quip common stock outstanding at the time the 2024 LTIP becomes effective (the “2024 LTIP proposal”), (5) on a non-binding advisory basis, approve the compensation that may be paid or become payable to Dril-Quip’s named executive officers that is based on or otherwise relates to the mergers (the “non-binding compensation proposal”) and (6) approve the adjournment of the special meeting to solicit additional proxies if there are not sufficient votes cast at the special meeting to approve the merger proposals. **The Dril-Quip Board unanimously recommends that Dril-Quip stockholders vote “FOR” each of the proposals to be considered at the special meeting. Completion of the mergers is conditioned on approval of the merger proposals.**

Dril-Quip common stock is traded on the NYSE under the symbol “DRQ”. The market price of Dril-Quip common stock will fluctuate before the mergers, and you should obtain a current stock price quotation for the Dril-Quip common stock. Innovex common stock is not currently traded on a national securities exchange.

Your vote is very important. We cannot complete the mergers unless the Dril-Quip stockholders vote to approve the merger proposals.

This document is a prospectus relating to the Dril-Quip common stock to be issued to Innovex stockholders pursuant to the mergers and a proxy statement for Dril-Quip to solicit proxies for the special meeting. It contains answers to frequently asked questions and a summary of the important terms of the mergers, the merger agreement and related transactions, followed by a more detailed discussion.

Please carefully read this entire document, including “[Risk Factors](#)” beginning on page 31, for a discussion of the risks relating to Dril-Quip, Innovex and the mergers.

Sincerely,

Jeffrey J. Bird
President and Chief Executive Officer

1. to vote on a proposal to approve the issuance of shares of Dril-Quip's common stock, par value \$0.01 per share ("Dril-Quip common stock"), to stockholders of Innovex Downhole Solutions, Inc. ("Innovex") in the mergers contemplated by the Agreement and Plan of Merger, dated as of March 18, 2024, by and among Dril-Quip, Innovex, Ironman Merger Sub, Inc., a wholly owned subsidiary of Dril-Quip ("Merger Sub Inc."), and DQ Merger Sub, LLC, a wholly owned subsidiary of Dril-Quip ("Merger Sub LLC") (as that agreement may be amended from time to time, the "merger agreement"), a copy of which is included as *Annex A* to the proxy statement/prospectus of which this notice is a part, for purposes of complying with Section 312.03(c) of the NYSE's Listed Company Manual and, in the event such issuance constitutes a change of control, Section 312.03(d) of the NYSE's Listed Company Manual (the "stock issuance proposal");
2. to vote on a proposal to approve an amendment of Dril-Quip's restated certificate of incorporation (such amendment, the "charter amendment" and such proposal, the "charter amendment proposal," and the charter amendment proposal together with the stock issuance proposal, the "merger proposals");
3. to vote, on a non-binding advisory basis, upon six separately presented proposals to approve certain governance provisions in the charter amendment to, among other things, (i) increase the number of authorized shares of Dril-Quip's common stock from 100 million to 200 million, (ii) limit the personal liability of corporate officers for money damages for breaches of their fiduciary duty of care in accordance with Section 102(b)(7) of the General Corporation Law of the State of Delaware (the "DGCL") and (iii) waive corporate opportunities obligations with respect to Amberjack and certain of its affiliates (collectively, the "non-binding governance proposals");
4. to vote on a proposal to approve the Innovex 2024 long-term incentive plan (the "2024 LTIP"), which provides for the issuance of up to a number of shares of Dril-Quip common stock equal to 5% of the fully-diluted shares of Dril-Quip common stock outstanding at the time the 2024 LTIP becomes effective (the "2024 LTIP proposal");
5. to vote, on a non-binding advisory basis, on the compensation that may be paid or become payable to Dril-Quip's named executive officers ("NEOs") that is based on or otherwise relates to the mergers (the "non-binding compensation proposal"); and
6. to vote on a proposal to approve the adjournment of the special meeting to solicit additional proxies if there are not sufficient votes at the time of the special meeting to approve the merger proposals (the "adjournment proposal").

Dril-Quip will transact no other business at the special meeting except such business as may properly be brought before the special meeting by or at the direction of the Dril-Quip board of directors (the "Dril-Quip Board"). References to the special meeting in the proxy statement/prospectus are to such special meeting as

adjourned or postponed. Please refer to the proxy statement/prospectus of which this notice is a part for further information with respect to the business to be transacted at the special meeting.

The Dril-Quip Board has fixed the close of business on August 5, 2024 as the record date for the special meeting. Only Dril-Quip stockholders of record at that time are entitled to receive notice of, and to vote at, the special meeting. The eligible Dril-Quip stockholder list will be available at the special meeting for examination by any stockholder present at such meeting.

Completion of the mergers is conditioned on approval of the merger proposals. Approval of the stock issuance proposal requires the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of votes properly cast on such proposal. Approval of the charter amendment proposal requires the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of the outstanding shares of Dril-Quip common stock.

The approval of the non-binding governance proposals, the 2024 LTIP proposal, the non-binding compensation proposal and the adjournment proposal are not conditions to the completion of the mergers. Approval of each of the non-binding governance proposals, the 2024 LTIP proposal and the non-binding compensation proposal requires the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of votes properly cast on such proposal. The adjournment proposal requires the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of the outstanding shares of Dril-Quip common stock present in person or represented by proxy at the special meeting and entitled to vote on the proposal, regardless of whether there is a quorum.

The Dril-Quip Board unanimously (a) determined that the merger agreement and the transactions contemplated by the merger agreement are fair to, and in the best interests of, Dril-Quip and the holders of shares of Dril-Quip common stock, and (b) approved and declared advisable the merger agreement and the transactions contemplated by the merger agreement on the terms and subject to the conditions set forth in the merger agreement. **The Dril-Quip Board unanimously recommends that Dril-Quip stockholders vote “FOR” the stock issuance proposal, “FOR” the charter amendment proposal, “FOR” the non-binding governance proposals, “FOR” the 2024 LTIP proposal, “FOR” the non-binding compensation proposal and “FOR” the adjournment proposal.**

Your vote is very important regardless of the number of shares that you own. Whether or not you expect to attend the special meeting in person, to ensure your representation at the special meeting, we urge you to submit a proxy to vote your shares as promptly as possible by (i) accessing the internet site listed on the Dril-Quip proxy card, (ii) calling the toll-free number listed on the Dril-Quip proxy card or (iii) submitting your Dril-Quip proxy card by mail by using the provided self-addressed, stamped envelope. Submitting a proxy will not prevent you from voting in person, but it will help to secure a quorum and avoid added solicitation costs. Any eligible holder of Dril-Quip common stock who is present at the special meeting may vote in person, thereby canceling any previous proxy. In any event, a proxy may be revoked at any time before the special meeting in the manner described in the accompanying proxy statement/prospectus. If your shares are held in the name of a bank, broker or other nominee, please follow the instructions on the voting instruction card furnished by such bank, broker or other nominee.

The enclosed proxy statement/prospectus provides a detailed description of the mergers, the merger agreement and the other matters to be considered at the special meeting. We urge you to carefully read the proxy statement/prospectus, including any documents incorporated by reference, and the annexes in their entirety. QUESTIONS AND ANSWERS ABOUT THE MEETING

The following are some questions that you, as a stockholder of Dril-Quip, may have regarding the mergers and the other matters being considered at the special meeting of Dril-Quip stockholders, and brief answers to those questions. You are urged to carefully read this proxy statement/prospectus and the other documents referred to in this proxy statement/prospectus in their entirety. Additional important information is contained in the annexes to, and the documents incorporated by reference into, this proxy statement/prospectus. You may obtain the information incorporated by reference in this proxy statement/prospectus for free by following the instructions in "Additional Information."

Q: Why am I receiving this proxy statement/prospectus?

A: You are receiving this proxy statement/prospectus because Dril-Quip and Innovex have entered into the merger agreement, pursuant to which, upon the terms and subject to the conditions set forth in the merger agreement, (i) Merger Sub Inc. will merge with and into Innovex, with Innovex continuing as the surviving corporation, and (ii) immediately following the first merger, the surviving corporation will merge with and into Merger Sub LLC, with Merger Sub LLC continuing as the surviving company. Upon consummation of the mergers and the other transactions contemplated by the merger agreement, Innovex will be a wholly owned subsidiary of Dril-Quip. Your vote is required in connection with the mergers. The merger agreement, which governs the terms of the mergers, is attached to this proxy statement/prospectus as *Annex A*.

In order to complete the mergers, Dril-Quip stockholders must approve (a) in accordance with the rules of the NYSE, the issuance of shares of Dril-Quip common stock in the mergers pursuant to the terms of the merger agreement (the "stock issuance proposal"), and (b) an amendment to Dril-Quip's certificate of incorporation (the "charter amendment proposal" and, together with the stock issuance proposal, the "merger proposals"). In addition, Dril-Quip stockholders will be asked to consider and vote on proposals to (a) on a non-binding advisory basis, consider and vote upon six separately presented proposals to approve certain governance provisions in the charter amendment to, among other things, (i) increase the number of authorized shares of Dril-Quip's common stock from 100 million to 200 million, (ii) limit the personal liability of corporate officers for money damages for breaches of their fiduciary duty of care in accordance with Section 102(b)(7) of the DGCL and (iii) waive corporate opportunities obligations, with respect to Amberjack and certain of its affiliates (collectively, the "non-binding governance proposals"), (b) approve the Innovex 2024 long term incentive plan (the "2024 LTIP"), which provides for the issuance of up to a number of shares of Dril-Quip common stock equal to 5% of the fully-diluted shares of Dril-Quip common stock outstanding at the time the 2024 LTIP becomes effective (the "2024 LTIP proposal"), (c) on a non-binding advisory basis, consider and vote upon the compensation that may be paid or become payable to Dril-Quip's named executive officers ("NEOs") that is based on or otherwise relates to the mergers (the "non-binding compensation proposal") and (d) approve the adjournment of the special meeting to solicit additional proxies if there are not sufficient votes at the time of the special meeting to approve the merger proposals (the "adjournment proposal").

This proxy statement/prospectus serves as the proxy statement through which Dril-Quip will solicit proxies to obtain the necessary stockholder approval for the mergers. It also serves as the prospectus by which Dril-Quip will issue shares of its common stock as consideration in the mergers.

This proxy statement/prospectus, which you should carefully read in its entirety, contains important information about the mergers and the other matters being considered at the special meeting.

Q: When and where is the special meeting?

A: The special meeting of Dril-Quip stockholders will be held at Dril-Quip's executive offices at 2050 West Sam Houston Parkway S., Suite 1100, Houston, Texas 77042, on September 5, 2024, at 9:30 a.m., local time.

Q: What will Innovex stockholders receive for their shares of Innovex common stock in the mergers?

- A: At the effective time, subject to certain exceptions, the holders of Innovex common stock issued and outstanding immediately prior to the effective time (including each Innovex stock option and restricted stock unit), in accordance with the terms of the merger agreement, will be entitled to receive a number of shares of Dril-Quip common stock (including restricted stock awards) equal to the aggregate merger consideration. Each holder of Innovex common stock, other than holders of dissenting shares, will be entitled to receive, for each share of Innovex common stock, a number of shares of Dril-Quip common stock equal to the aggregate merger consideration divided by the number of shares of Innovex common stock outstanding immediately prior to the effective time calculated on a fully diluted basis (the “per share merger consideration”), plus the cash value of any fractional shares of Dril-Quip common stock that would otherwise be payable. Each disregarded share will be automatically cancelled and will cease to exist, and no consideration will be issued therefor.

In addition, Innovex and Dril-Quip will take, or cause to be taken, all actions necessary so that, at the effective time, each Innovex stock option award that is outstanding immediately prior to the effective time, whether vested or unvested (each, an “Innovex stock option”) and restricted stock unit awards will be treated as described in “*The Merger Agreement—Treatment of Innovex Equity-Based Awards.*”

For additional information regarding the consideration to be received in the mergers, please see “*The Merger Agreement—Merger Consideration.*”

Q: What will holders of Innovex equity awards receive in the mergers?

- A: The merger agreement provides for the treatment set forth below with respect to the awards held by Innovex’s non-employee directors, executive officers and other employees at the effective time:

Innovex Stock Option Awards: Each Innovex stock option will, at the effective time, be converted into the right to receive a number of shares of Dril-Quip common stock, equal to (a) (i) the product of (1) the number of shares of Innovex common stock subject to such Innovex stock option immediately prior to the effective time, (2) the per share merger consideration and (3) the average Dril-Quip stock price less (ii) the aggregate exercise price of the shares of Innovex common stock subject to such Innovex stock option immediately prior to the effective time (clause (i) and (ii), the “Innovex option cash equivalent”) divided by (b) the average Dril-Quip stock price (rounded up to the nearest whole cent), reduced by applicable tax withholding.

Innovex Time-Based Restricted Stock Unit Awards: Innovex time-based restricted stock unit awards covering approximately 311,206 shares of Innovex common stock and outstanding immediately prior to the effective time and held by certain Innovex employees and non-employee directors, whether vested or unvested (each, a “continuing RSU” and, collectively, the “continuing RSUs”) will each, at the effective time, be converted into an award covering a number of shares of Dril-Quip common stock, rounded down to the nearest whole share, equal to the product of (a) the number of shares of Innovex common stock subject to such award and (b) the per share merger consideration. If Dril-Quip stockholders approve the 2024 LTIP, the continuing RSUs will be considered substitute awards under the 2024 LTIP, subject to vesting over the same time period as was applicable under the respective continuing RSUs, but otherwise subject to the terms and conditions set forth in the 2024 LTIP. If Dril-Quip stockholders do not approve the 2024 LTIP, the continuing RSUs will be assumed by Dril-Quip on the same terms and conditions as were applicable to such awards as of immediately prior to the effective time (including vesting restrictions). Each Innovex time-based restricted stock unit award that is outstanding immediately prior to the effective time, whether vested or unvested, that is not a continuing RSU (each, an “Innovex RSU”) will be entitled to receive that number of shares of Dril-Quip common stock equal to the number of shares of Innovex common stock subject to such Innovex RSU multiplied by the per share merger consideration reduced by applicable tax withholding.

For additional information regarding the treatment of Innovex equity awards, please see “*The Merger Agreement—Treatment of Innovex Equity-Based Awards.*”

Q: Who will own Dril-Quip immediately following the mergers?

A: It is anticipated that, upon the closing of the mergers, current Dril-Quip stockholders will hold approximately 52%, and current Innovex stockholders will hold approximately 48% of the combined company. The exact equity stake of Dril-Quip stockholders and Innovex stockholders in the combined company immediately following the effective time will depend on the number of shares of Dril-Quip common stock and Innovex common stock issued and outstanding, in each case on a fully diluted basis, immediately prior to the effective time.

Q: What will be the composition of the board of directors and management of the combined company following the completion of the mergers?

A: The combined company board will have nine members, including (a) four directors designated by Dril-Quip (the “Dril-Quip designees”), (b) four directors designated by Innovex (the “Innovex designees”) and (c) the Chief Executive Officer of Innovex as of immediately prior to the effective time. The Chairperson of the Dril-Quip Board as of immediately prior to the effective time will serve as Chairperson of the combined company board.

In addition, at the effective time, (i) a Dril-Quip designee will be appointed as Chairperson of the Audit Committee, the Nomination & Corporate Governance Committee and the Compensation Committee of the combined company board and (ii) certain Innovex designees will be appointed to the Nomination & Corporate Governance Committee and the Compensation Committee of the combined company board.

At the effective time, the following individuals will be appointed as executive officers of the combined company: Adam Anderson as Chief Executive Officer, Kendal Reed as Chief Financial Officer and Mark Reddout as President of North America. For additional information, please see “*The Mergers—Board of Directors and Management of the Combined Company.*”

Q: How important is my vote?

A: Your vote “**FOR**” each proposal presented at the special meeting is very important and you are encouraged to submit a proxy as soon as possible. The mergers cannot be completed without, among other things, the approval of the merger proposals by Dril-Quip stockholders.

Approval of the stock issuance proposal requires the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of votes properly cast on such proposal. Assuming a quorum is present, shares that are not present in person or by proxy, abstentions and broker non-votes (if any) will have no effect on the vote for this proposal.

Approval of the charter amendment proposal requires the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of the outstanding shares of Dril-Quip common stock. Shares that are not present in person or by proxy, abstentions and broker non-votes (if any) will have the same effect as a vote “**AGAINST**” the approval of such proposal.

Approval of the non-binding governance proposals requires the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of votes properly cast on such proposal. Assuming a quorum is present, shares that are not present in person or by proxy, abstentions and broker non-votes (if any) will have no effect on the vote for such proposal.

Approval of the 2024 LTIP proposal requires the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of votes properly cast on such proposal. Assuming a quorum is present, shares that are not present in person or by proxy, abstentions and broker non-votes (if any) will have no effect on the vote for such proposal.

Approval of the non-binding compensation proposal requires the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of votes properly cast on such proposal. Assuming a quorum is present, shares that are not present in person or by proxy, abstentions and broker non-votes (if any) will have no effect on the vote for such proposal.

The adjournment proposal requires the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of the outstanding shares of Dril-Quip common stock present in person or represented by proxy at the special meeting and entitled to vote on the proposal, regardless of whether there is a quorum. Shares that are not present in person or by proxy and broker non-votes (if any) will have no effect on the vote for this proposal; however, abstentions will have the same effect as a vote “AGAINST” the approval of such proposal.

Regardless of whether there is a quorum, the Chairperson of the special meeting may also adjourn the special meeting.

Q: How does the Dril-Quip Board recommend that I vote?

A: The Dril-Quip Board unanimously recommends that Dril-Quip stockholders vote “FOR” the stock issuance proposal, “FOR” the charter amendment proposal, “FOR” the non-binding governance proposals, “FOR” the 2024 LTIP proposal, “FOR” the non-binding compensation proposal and “FOR” the adjournment proposal. For additional information regarding how the Dril-Quip Board recommends that Dril-Quip stockholders vote, see the section titled “*The Mergers—Recommendation of the Dril-Quip Board and Reasons for the Mergers.*”

Q: Will the shares of Dril-Quip common stock that I acquire in the mergers receive a dividend?

A: After the closing of the mergers, as a holder of Dril-Quip common stock, you will receive the same dividends on shares of Dril-Quip common stock that all other holders of Dril-Quip common stock will receive for any dividend with a record date that occurs after the effective time.

Q: Will the shares of Dril-Quip common stock received at the time of completion of the mergers be traded on an exchange?

A: Yes. It is a condition to the consummation of the mergers that the shares of Dril-Quip common stock issuable to Innovex stockholders in the mergers be approved for listing on the NYSE, upon official notice of issuance. Dril-Quip common stock currently trades on the NYSE under the stock symbol “DRQ”. Following the completion of the mergers, it is expected that the common stock of the combined company will trade under a new ticker symbol, “INVX”.

Q: How will Dril-Quip stockholders be affected by the mergers?

A: Upon completion of the mergers, each Dril-Quip stockholder will hold the same number of shares of Dril-Quip common stock that such stockholder held immediately prior to completion of the mergers. As a result of the mergers, Dril-Quip stockholders will own shares in a larger company with more assets. However, because Dril-Quip will be issuing additional shares of Dril-Quip common stock to Innovex stockholders in exchange for their eligible shares of Innovex common stock in the mergers, each share of Dril-Quip common stock issued and outstanding immediately prior to the mergers will represent a smaller percentage of the aggregate number of shares of Dril-Quip common stock issued and outstanding after the mergers.

Q: What are the material U.S. federal income tax consequences of the integrated mergers to Innovex stockholders?

A: The mergers, taken together, are intended to qualify as a “reorganization” within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the “Code”), and Dril-Quip and Innovex intend to report the mergers consistent with such qualification. Dril-Quip and Innovex have not sought, and do not intend to seek, any ruling from the U.S. Internal Revenue Service (the “IRS”) regarding the qualification of the integrated mergers as a “reorganization” within the meaning of Section 368(a) of the Code. As a result, there can be no assurance that the IRS would not assert, or that a court would not sustain,

a position contrary to the treatment of the integrated mergers as a “reorganization” within the meaning of Section 368(a) of the Code. Assuming that the integrated mergers, taken together, qualify as a “reorganization” within the meaning of Section 368(a) of the Code, U.S. holders (as defined in “*The Mergers—Material U.S. Federal Income Tax Consequences*”) generally will not recognize gain or loss for U.S. federal income tax purposes upon the exchange of Innovex common stock for shares of Dril-Quip common stock pursuant to the first merger, except with respect to cash paid in lieu of fractional shares of Dril-Quip common stock. If the integrated mergers do not qualify as a “reorganization,” the integrated mergers generally would be a taxable transaction to U.S. holders, and each U.S. holder generally would recognize gain or loss in an amount equal to the difference, if any, between (i) the sum of the fair market value of the Dril-Quip common stock it receives in the first merger plus the amount of any cash paid in lieu of fractional shares of Dril-Quip common stock and (ii) such holder’s adjusted tax basis in its shares of Innovex common stock exchanged in the first merger.

The U.S. federal income tax consequences described above may not apply to all holders of Innovex common stock. Each Innovex stockholder should read “*The Mergers—Material U.S. Federal Income Tax Consequences*” for a more complete discussion of the U.S. federal income tax consequences of the integrated mergers to U.S. holders. Tax matters can be complicated and the tax consequences of the integrated mergers to an Innovex stockholder will depend on its particular tax situation. Each Innovex stockholder is strongly urged to consult with a tax advisor to determine the particular U.S. federal, state or local or non-U.S. income or other tax consequences of the integrated mergers to it.

Q: When do Dril-Quip and Innovex expect to complete the mergers?

A: Dril-Quip and Innovex currently expect to complete the mergers in the third quarter of 2024. However, neither Dril-Quip nor Innovex can predict the actual date on which the mergers will be completed, nor can the parties ensure that the mergers will be completed, because completion is subject to conditions beyond the control of either company. Please see “*The Mergers—Regulatory Approvals*” and “*The Merger Agreement—Conditions to the Completion of the Mergers*.”

Q: What happens if the mergers are not completed?

A: If the merger proposals are not approved by Dril-Quip stockholders or the mergers are not otherwise completed for any other reason, Innovex stockholders will not receive any consideration for shares of Innovex common stock they own. Instead, Innovex common stock will remain outstanding and the separate existence of Innovex will continue apart from Dril-Quip.

Under specified circumstances, Dril-Quip or Innovex may be required to reimburse the other party’s expenses or pay a termination fee upon or subsequent to termination of the merger agreement, as described in “*The Merger Agreement—Termination Fees and Expense Reimbursement*.”

Q: Who can vote at, and what is the record date of, the special meeting?

A: All Dril-Quip stockholders who hold shares of Dril-Quip common stock of record at the close of business on August 5, 2024, the record date for the special meeting (the “record date”), are entitled to receive notice of and to vote at the special meeting.

Q: How many votes may I cast?

A: Each issued and outstanding share of Dril-Quip common stock entitles its holder of record to one vote on each matter to be considered at the special meeting. The Dril-Quip stockholders of record on the record date are the only Dril-Quip stockholders that are entitled to receive notice of, and to vote at, the special meeting.

Q: What constitutes a quorum at the special meeting?

A: In order for business to be conducted at the special meeting, a quorum must be present.

Holders of shares of Dril-Quip common stock entitling them to exercise a majority of the voting power of Dril-Quip entitled to vote at the special meeting, present in person or represented by proxy, will constitute a quorum for the transaction of business to be considered at such meeting.

Abstentions and broker non-votes will be included in determining whether a quorum is present at the special meeting. A “broker non-vote” occurs when a nominee (such as a broker) holding shares for a beneficial owner abstains from voting on a particular proposal because the nominee does not have discretionary voting power for that proposal and has not received instructions from the beneficial owner on how to vote those shares.

Q: What do I need to do now?

A: After you have carefully read and considered the information contained in or incorporated by reference into this proxy statement/prospectus, please submit your proxy via the internet or by telephone in accordance with the instructions set forth on the applicable proxy card or voting instruction form you received, or complete, sign, date, and return the applicable proxy card or voting instruction form in the self-addressed, stamped envelope provided as soon as possible so that your shares will be represented and voted at the special meeting.

For additional information on voting procedures, please see “*Special Meeting*.”

Q: How will my proxy be voted?

A: If you submit your proxy via the internet, by telephone, or by completing, signing, dating, and returning the applicable proxy card or voting instruction form, your proxy will be voted in accordance with your instructions. If you sign your proxy card and return it without indicating how you would like to vote your shares, your proxy card will be voted in accordance with the recommendation of the Dril-Quip Board.

For additional information on voting procedures, please see “*Special Meeting*.”

Q: What should I do if I receive more than one set of voting materials for the special meeting?

A: You may receive more than one set of voting materials for the special meeting, including multiple copies of this proxy statement/prospectus and multiple proxy cards or voting instruction forms. For example, if you hold your shares of Dril-Quip common stock in more than one brokerage account, you will receive a separate voting instruction form for each brokerage account in which you hold shares. If you are a holder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please submit each separate proxy or voting instruction form that you receive by following the instructions set forth in each separate proxy or voting instruction form. If you fail to submit each separate proxy or voting instruction form that you receive, not all of your shares will be voted.

Q: What is the difference between holding shares of record and holding shares as a beneficial owner of shares of Dril-Quip common stock?

A: If your shares of Dril-Quip common stock are registered directly in your name with Dril-Quip’s registrar and transfer agent, Computershare Trust Company, N.A. (“Computershare”), you are considered, with respect to those shares, to be the stockholder of record. If you are a stockholder of record, then this proxy statement/prospectus and your proxy card have been sent directly to you by Dril-Quip.

If your shares of Dril-Quip common stock are held through a bank, broker or other nominee, you are considered, with respect to those shares, the beneficial owner, and those shares are held in “street name” by

your bank, broker or other nominee. In that case, this proxy statement/prospectus has been forwarded to you by your bank, broker or other nominee. As the beneficial owner, you have the right to direct your bank, broker or other nominee how to vote your shares by following their instructions for voting, and you are also invited to attend the special meeting.

Q: If my shares of Dril-Quip common stock are held in “street name” by my bank, broker or other nominee, will my bank, broker or other nominee automatically vote my shares for me?

A: No. If your shares of Dril-Quip common stock are held in the name of a bank, broker or other nominee, you will receive separate instructions from your bank, broker or other nominee describing how to vote your shares. The availability of internet or telephonic voting will depend on the nominee’s voting process. Please check with your bank, broker or other nominee and follow the voting procedures provided by your bank, broker or other nominee on your voting instruction form.

You should instruct your bank, broker or other nominee how to vote your shares of Dril-Quip common stock. Under the rules applicable to broker-dealers, your bank, broker or other nominee does not have discretionary authority to vote your shares on any of the proposals scheduled to be voted on at the special meeting. A so-called “broker non-vote” results when banks, brokers and other nominees return a valid proxy but do not vote on a particular proposal because they do not have discretionary authority to vote on the matter and have not received specific voting instructions from the beneficial owner of such shares. Dril-Quip does not expect any broker non-votes at the special meeting because the rules applicable to banks, brokers and other nominees only provide brokers with discretionary authority to vote on proposals that are considered routine. As a result, no broker will be permitted to vote your shares of Dril-Quip common stock at the special meeting without receiving instructions. Failure to instruct your broker on how to vote your shares will have (i) no effect on the stock issuance proposal, the non-binding governance proposals, the 2024 LTIP proposal or the non-binding compensation proposal and (ii) the same effect as a vote “AGAINST” the approval of the charter amendment and the adjournment proposal.

For additional information on voting procedures, please see “*Special Meeting*.”

Q: What do I do if I am a Dril-Quip stockholder and I want to revoke my proxy?

A: Dril-Quip stockholders of record may revoke their proxies at any time before their shares of Dril-Quip common stock are voted at the special meeting in any of the following ways:

- delivering written notice of revocation of the proxy to Dril-Quip’s corporate secretary at Dril-Quip’s principal executive offices at 2050 West Sam Houston Pkwy S., Suite 1100, Houston, Texas 77042, by no later than 10:59 p.m. local time on September 4, 2024;
- delivering another proxy with a later date to Dril-Quip’s corporate secretary at Dril-Quip’s principal executive offices at 2050 West Sam Houston Pkwy S., Suite 1100, Houston, Texas 77042, by no later than 10:59 p.m. local time on September 4, 2024 (in which case only the later-dated proxy is counted and the earlier proxy is revoked);
- submitting another proxy again via the internet or by telephone at a later date, by no later than 10:59 p.m. local time on September 4, 2024 (in which case only the later-dated proxy is counted and the earlier proxy is revoked); or
- attending the special meeting in person and voting his, her or its shares during the meeting; attendance at the special meeting will not, in and of itself, revoke a valid proxy that was previously delivered unless you give written notice of revocation to the Dril-Quip corporate secretary before the proxy is exercised or unless you vote your shares in person during the special meeting.

If your shares are held in “street name” through a broker, bank or other nominee and deliver voting instructions to the record holder of those shares, you may only revoke the voting of those shares in

accordance with your instruction if the record holder revokes the original proxy as directed above and either resubmits a proxy reflecting your voting instructions or delivers to you a legal proxy giving you the right to vote the shares.

For additional information, please see “*Special Meeting*.”

Q: Are there any risks that I should consider as a Dril-Quip stockholder in deciding how to vote?

A: Yes. You should read and carefully consider the risks set forth in “*Risk Factors*.” You also should read and carefully consider the risk factors of Dril-Quip contained in the documents that are incorporated by reference into this proxy statement/prospectus.

Q: What happens if I sell or otherwise transfer my shares of Dril-Quip common stock before the special meeting?

A: The record date is prior to the date of the special meeting. If you sell or otherwise transfer your shares of Dril-Quip common stock after the record date but before the special meeting, unless special arrangements (such as provision of a proxy) are made between you and the person to whom you transfer your shares of Dril-Quip common stock, you will retain your right to vote such shares at the special meeting but will otherwise transfer ownership of and the economic interest in your shares of Dril-Quip common stock.

Q: What happens if I sell or otherwise transfer my shares of Innovex common stock before the completion of the mergers?

A: Only Innovex stockholders as of immediately prior to the effective time will become entitled to receive the merger consideration. If you sell your shares of Innovex common stock prior to the completion of the mergers, you will not be entitled to receive the merger consideration by virtue of the mergers.

Q: Do any of the officers or directors of Dril-Quip have interests in the mergers that may differ from or be in addition to my interests as a Dril-Quip stockholder?

A: Yes. In considering the recommendation of the Dril-Quip Board that Dril-Quip stockholders vote to approve the merger proposals, Dril-Quip stockholders should be aware that, aside from their interests as stockholders of Dril-Quip, Dril-Quip’s directors and executive officers have interests in the mergers that may be different from, or in addition to, the interests of Dril-Quip stockholders generally. The Dril-Quip Board was aware of and considered these interests, among other matters, in evaluating and negotiating the merger agreement and the transactions contemplated therein, in approving the mergers, and in recommending the approval of the merger proposals.

For more information on these interests and quantification of certain of these interests, please see “*The Mergers—Interests of Dril-Quip Directors and Executive Officers in the Mergers*.”

Each holder of Innovex common stock, other than holders of dissenting shares, will be entitled to receive, for each share of Innovex common stock, a number of shares of Dril-Quip common stock equal to the aggregate merger consideration divided by the number of shares of Innovex common stock outstanding immediately prior to the effective time calculated on a fully diluted basis, plus the cash value of any fractional shares of Dril-Quip common stock that would otherwise be payable. In addition, Innovex and Dril-Quip will take, or cause to be taken, all actions necessary so that at the effective time, each issued and outstanding Innovex stock option, Innovex RSU and continuing RSU will be treated as described in “*The Merger Agreement—Treatment of Innovex Equity-Based Awards.*”

Special Meeting

The special meeting of Dril-Quip stockholders will be held at Dril-Quip’s executive offices at 2050 West Sam Houston Parkway S., Suite 1100, Houston, Texas 77042 on September 5, 2024 at 9:30 a.m., local time. The special meeting of Dril-Quip stockholders is being held to consider and vote on:

1. a proposal to approve the issuance of shares of Dril-Quip common stock to Innovex stockholders in the mergers contemplated by the merger agreement for purposes of complying with Section 312.03(c) of the NYSE’s Listed Company Manual and, in the event such issuance constitutes a change of control, Section 312.03(d) of the NYSE’s Listed Company Manual;
2. a proposal to approve an amendment of Dril-Quip’s certificate of incorporation;
3. a non-binding advisory basis, upon six separately presented proposals to approve certain governance provisions in the charter amendment to, among other things, (i) increase the number of authorized shares of Dril-Quip’s common stock from 100 million to 200 million, (ii) limit the personal liability of corporate officers for money damages for breaches of their fiduciary duty of care in accordance with Section 102(b)(7) of the DGCL and (iii) waive corporate opportunities obligations, with respect to Amberjack and certain of its affiliates;
4. a proposal to approve the Innovex 2024 long-term incentive plan;
5. a non-binding advisory basis, the compensation that may be paid or become payable to Dril-Quip’s named executive officers that is based on or otherwise relates to the mergers; and
6. a proposal to approve the adjournment of the special meeting to solicit additional proxies if there are not sufficient votes at the time of the special meeting to approve the merger proposals.

Completion of the mergers is conditioned on approval by Dril-Quip stockholders of the merger proposals, but not the non-binding governance proposals, the 2024 LTIP proposal, the non-binding compensation proposal or the adjournment proposal.

Only record holders of shares of Dril-Quip common stock at the close of business on August 5, 2024, the record date for the special meeting, are entitled to notice of, and to vote at, the special meeting. At the close of

business on the record date, the only outstanding voting securities of Dril-Quip were common stock, and 34,452,230 shares of Dril-Quip common stock were issued and outstanding, of which approximately 513,813 were owned and entitled to be voted by Dril-Quip directors and executive officers. The Dril-Quip directors and executive officers are currently expected to vote their shares in favor of each proposal listed above.

With respect to each proposal listed above, Dril-Quip stockholders may cast one vote for each share of Dril-Quip common stock that they own as of the record date. Approval of the stock issuance proposal requires the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of votes properly cast on such proposal. Approval of the charter amendment proposal requires the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of the outstanding shares of Dril-Quip common stock. Approval of each of the non-binding governance proposals, the 2024 LTIP proposal and the non-binding compensation proposal requires the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of votes properly cast on each such proposal. The adjournment proposal requires the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of the outstanding shares of Dril-Quip common stock present in person or represented by proxy at the special meeting and entitled to vote on the proposal, regardless of whether there is a quorum.

No business may be transacted at the special meeting unless a quorum is present. If a quorum is not present at the special meeting, or if a quorum is present at the special meeting but there are not sufficient votes at the time of the special meeting to approve the merger proposals, then the Chairperson of the meeting has the power to adjourn the meeting, or, alternatively, Dril-Quip stockholders may be asked to approve a proposal to adjourn the special meeting in order to permit the further solicitation of proxies. No notice of an adjourned meeting need be given unless the date, time and place of the resumption of the meeting are not announced at the adjourned meeting, the adjournment is for more than 30 days or, if after the adjournment, a new record date is fixed for the adjourned meeting, in which case a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

The Dril-Quip Board unanimously recommends that the Dril-Quip stockholders vote “FOR” the stock issuance proposal, “FOR” the charter amendment proposal, “FOR” the non-binding governance proposals, “FOR” the 2024 LTIP proposal, “FOR” the non-binding compensation proposal and “FOR” the adjournment proposal.

For additional information on the recommendation of the Dril-Quip Board, please see “*The Mergers—Recommendation of the Dril-Quip Board and Reasons for the Mergers.*”

Opinion of Dril-Quip’s Financial Advisor

Dril-Quip has engaged Citigroup Global Markets Inc. (“Citi”) as Dril-Quip’s financial advisor in connection with the proposed mergers. In connection with this engagement, Citi delivered a written opinion, dated March 17, 2024, to the Dril-Quip Board as to the fairness, from a financial point of view and as of the date of the opinion, to Dril-Quip of the aggregate merger consideration provided for pursuant to the merger agreement, which aggregate merger consideration Citi was advised implies a pro forma equity ownership interest in Dril-Quip upon consummation of the first merger by the securityholders of Innovex immediately prior to consummation of the first merger of 48% on a fully-diluted basis. The full text of Citi’s written opinion, dated March 17, 2024, which describes the assumptions made, procedures followed, matters considered and limitations and qualifications on the review undertaken, is attached as *Annex B* to this proxy statement/prospectus and is incorporated into this proxy statement/prospectus by reference. The description of Citi’s opinion set forth below is qualified in its entirety by reference to the full text of Citi’s opinion. **Citi’s opinion was provided for the information of the Dril-Quip Board (in its capacity as such) in connection with its evaluation of the aggregate merger consideration from a financial point of view to Dril-Quip and did not address any other terms, aspects or**

implications of the mergers. Citi expressed no view as to, and its opinion did not address, the underlying business decision of Dril-Quip to effect or enter into the mergers, the relative merits of the mergers as compared to any alternative business strategies that might exist for Dril-Quip or the effect of any other transaction that Dril-Quip might engage in or consider. Citi's opinion was not intended to be and did not constitute a recommendation as to how the Dril-Quip Board, and is not intended to be and does not constitute a recommendation as to how any securityholder, should vote or act on any matters relating to the proposed mergers or otherwise.

For a further discussion of Citi's opinion, see "*The Mergers—Opinion of Dril-Quip's Financial Advisor.*"

Board of Directors and Management of the Combined Company

The combined company board will have nine members, including (a) four Dril-Quip designees, (b) four Innovex designees and (c) the Chief Executive Officer of Innovex as of immediately prior to the effective time. The Chairperson of the Dril-Quip Board as of immediately prior to the effective time will serve as Chairperson of the combined company board.

The combined company will take all actions necessary such that one of the Innovex designees will serve in the class of directors to be elected at the 2024 annual meeting of Dril-Quip stockholders, one of the Innovex designees will serve in the class of directors to be elected at the 2025 annual meeting of Dril-Quip stockholders and two of the Innovex designees will serve in the class of directors to be elected at the 2026 annual meeting of Dril-Quip stockholders. In addition, at the effective time, (i) a Dril-Quip designee will be appointed as Chairperson of the Audit Committee, the Nomination & Corporate Governance Committee and the Compensation Committee of the combined company board and (ii) certain Innovex designees will be appointed to the Nomination & Corporate Governance Committee and the Compensation Committee of the combined company board.

At the effective time, the following individuals will be appointed as executive officers of the combined company: Adam Anderson as Chief Executive Officer, Kendal Reed as Chief Financial Officer and Mark Reddout as President of North America. For additional information, please see "*The Mergers—Board of Directors and Management of the Combined Company.*"

Appraisal Rights or Dissenters' Rights

Under Delaware law, Dril-Quip stockholders are not entitled to dissenters' or appraisal rights in connection with any of the proposals as contemplated by the merger agreement. Innovex stockholders are entitled to appraisal rights in connection with the mergers under Section 262 of the DGCL. For more information regarding appraisal rights, please see "*The Mergers—Appraisal Rights or Dissenters' Rights.*"

Material U.S. Federal Income Tax Consequences

The mergers, taken together, are intended to qualify as a "reorganization" within the meaning of Section 368(a) of the Code, and Dril-Quip and Innovex intend to report the integrated mergers consistent with such qualification. Dril-Quip and Innovex have not sought, and do not intend to seek, any ruling from the IRS regarding the qualification of the integrated mergers as a "reorganization" within the meaning of Section 368(a) of the Code. As a result, there can be no assurance that the IRS would not assert, or that a court would not sustain, a position contrary to the treatment of the integrated mergers as a "reorganization" within the meaning of Section 368(a) of the Code. Assuming that the integrated mergers, taken together, qualify as a "reorganization" within the meaning of Section 368(a) of the Code, U.S. holders (as defined in "*The Mergers—Material U.S. Federal Income Tax Consequences*") generally will not recognize gain or loss for U.S. federal income tax

purposes upon the exchange of Innovex common stock for shares of Dril-Quip common stock pursuant to the first merger, except with respect to cash proceeds received from the sale of fractional shares of Dril-Quip common stock. If the integrated mergers do not qualify as a “reorganization,” the integrated mergers generally would be a taxable transaction to U.S. holders, and each U.S. holder generally would recognize gain or loss in an amount equal to the difference, if any, between (i) the sum of the fair market value of the Dril-Quip common stock it receives in the first merger plus the amount of any cash proceeds received from the sale of fractional shares of Dril-Quip common stock and (ii) such holder’s adjusted tax basis in its shares of Innovex common stock exchanged in the first merger.

The U.S. federal income tax consequences described above may not apply to all holders of Innovex common stock. Each Innovex stockholder should read “*The Mergers—Material U.S. Federal Income Tax Consequences*” for a more complete discussion of the U.S. federal income tax consequences of the integrated mergers to U.S. holders. Tax matters can be complicated and the tax consequences of the integrated mergers will depend on each Innovex stockholder’s particular tax situation. Each Innovex stockholder is strongly urged to consult with a tax advisor to determine the particular U.S. federal, state or local or non-U.S. income or other tax consequences of the integrated mergers to it.

Accounting Treatment of the Mergers

Dril-Quip prepares its financial statements in accordance with GAAP. The mergers will be accounted for as a business combination and as a reverse acquisition pursuant to Accounting Standards Codification Topic 805, *Business Combinations* (“ASC 805”), where Innovex, the legal acquiree, is determined to be the accounting acquirer of Dril-Quip. Under the reverse acquisition method of accounting, the assets and liabilities of Dril-Quip as of the closing date will be consolidated by Innovex at their respective fair values, and the excess or shortfall of the purchase price consideration over the fair value of Dril-Quip’s net assets will be recognized as goodwill or gain on bargain purchase, respectively.

Regulatory Approvals

Antitrust Clearance

To complete the mergers, Dril-Quip, Innovex and Amberjack (or its affiliates) must make filings with and obtain authorizations, approvals or consents from a number of regulatory authorities in accordance with applicable antitrust and foreign investment laws. The completion of the mergers is subject to antitrust review in the United States. Under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the “HSR Act”), and the rules promulgated thereunder, the mergers cannot be completed until the parties to the merger agreement have given notification and furnished information to the Federal Trade Commission (the “FTC”) and the United States Department of Justice (the “DOJ”), and until the applicable waiting period has expired or has been terminated. Dril-Quip and Innovex each filed an HSR Act notification with the FTC and the DOJ on April 1, 2024. Dril-Quip and Innovex derive revenues in other jurisdictions where antitrust/foreign investment clearances are or may be required, including Saudi Arabia, Colombia and Ecuador. Filings were submitted with the Superintendency of Economic Competition of Ecuador on March 25, 2024 and April 24, 2024, with the General Authority for Competition for the Kingdom of Saudi Arabia on May 2, 2024 and with the Superintendency of Industry and Commerce of Colombia on May 10, 2024 in order to obtain their approvals. Approval for the transaction was granted by the Superintendency of Economic Competition of Ecuador on June 10, 2024 and by the General Authority for Competition for the Kingdom of Saudi Arabia on May 26, 2024.

Dril-Quip and Innovex cannot assure you that all of the regulatory approvals described above will be obtained, and, if obtained, Dril-Quip and Innovex cannot assure you as to the date of any approvals (or conditions placed thereon) or the absence of any litigation challenging such approvals. At any time before or after consummation of the mergers, the FTC, the DOJ or any state could take such action under antitrust laws as it deems necessary or desirable in the public interest, including seeking to enjoin the completion of the mergers or

seeking the divestiture of substantial assets of Dril-Quip or Innovex or their respective subsidiaries. Private parties may also seek to take legal action under antitrust laws under certain circumstances.

Dril-Quip and Innovex are not currently aware of any material governmental approvals or actions that are required for completion of the transaction other than those described above. It is presently contemplated that if any such additional governmental approvals or actions are required, those approvals or actions will be sought. There can be no assurance, however, that any additional approvals or actions will be obtained.

Securities and Exchange Commission

Dril-Quip has filed a registration statement on Form S-4 with the SEC under the Securities Act, of which this proxy statement/prospectus forms a part, that must be declared effective by the SEC and pursuant to which the issuance of shares of Dril-Quip common stock issuable at the effective time, other than the shares of Dril-Quip common stock issuable to the consenting stockholders, will be registered with the SEC.

NYSE

In addition, the completion of the mergers is subject to approval for listing on the NYSE of the shares of Dril-Quip common stock to be issued in the mergers, subject to official notice of issuance.

Litigation Relating to the Mergers

As of June 13, 2024, one complaint has been filed by a purported Dril-Quip stockholder in the Delaware Court of Chancery against Dril-Quip and the members of the Dril-Quip Board captioned *Steamfitters Local 449 Pension Fund v. Dril-Quip, Inc., et al.*, C.A. No. 2024-0284-LWW (Del. Ch.) (the “Steamfitters Complaint”). The Steamfitters Complaint alleges that members of the Dril-Quip Board breached their fiduciary duties by agreeing, in connection with the proposed merger with Innovex, to enter into a stockholders agreement with Amberjack and certain of its affiliates requiring Amberjack and certain of its affiliates to vote in favor of the combined company board nominees at the combined company’s 2025 annual meeting of stockholders and prohibiting certain transfers from Amberjack and certain of its affiliates directly to activist stockholders not through public market sales. The Steamfitters Complaint further alleges that Innovex and Amberjack aided and abetted the directors’ alleged breaches of fiduciary duties. The Steamfitters Complaint seeks an order certifying a class of Dril-Quip’s stockholders, finding that the Dril-Quip directors breached their fiduciary duties and that Innovex and Amberjack aided and abetted the directors’ breaches of fiduciary duties, enjoining enforcement of the challenged provisions of the stockholders agreement, and awarding the plaintiff its reasonable attorneys’ and experts’ witness fees and other costs.

Although Dril-Quip and the Dril-Quip Board believe that the stockholders agreement complies fully with all applicable law and deny the allegations in the Steamfitters Complaint, in order to moot the plaintiff’s claims, and avoid nuisance and possible expense, Dril-Quip and Amberjack amended the stockholders agreement to eliminate the requirement for Amberjack and certain of its affiliates to vote in favor of the combined company board nominees at the combined company’s 2025 annual meeting of stockholders, the prohibition against certain transfers from Amberjack and certain of its affiliates directly to activist stockholders not through public market sales and a provision entitling Amberjack to designate four director designees for election at the combined company’s 2025 annual meeting of stockholders irrespective of Amberjack’s and certain of its affiliates’ beneficial ownership of combined company common stock at that time. On May 21, 2024, the court dismissed the Steamfitters Complaint as moot.

Dril-Quip has also received letters from additional purported Dril-Quip stockholders who contend that the registration statement on Form S-4 of which this proxy statement/prospectus forms a part fails to disclose certain allegedly material information and demands that Dril-Quip make supplemental disclosures. While Dril-Quip believes that the contentions made in each of the letters described above are without merit, each of these matters is at a preliminary stage and defendants have not yet answered or otherwise responded to the letters.

It is possible that additional, similar complaints may be filed, and that additional, similar letters may be received by Dril-Quip, regarding the mergers. Absent new or different allegations that are material or constitute a disclosure obligation under the U.S. federal securities laws, Dril-Quip will not necessarily disclose such additional complaints or letters. Litigation is inherently uncertain, and there can be no assurance regarding the likelihood that Dril-Quip's defense of these claims (or any lawsuits related to the mergers that may be filed in the future) will be successful, nor can Dril-Quip predict the amount of time and expense that will be required to resolve these matters.

For additional information, see the section entitled "*The Mergers—Litigation Relating to the Mergers.*"

Treatment of Innovex Equity-Based Awards

The merger agreement provides for the treatment set forth below with respect to the awards held by Innovex's non-employee directors, executive officers and other employees at the effective time:

Innovex Stock Option Awards: Each Innovex stock option award that is outstanding immediately prior to the effective time will, at the effective time, be converted into the right to receive a number of shares of Dril-Quip common stock, equal to (a) the Innovex option cash equivalent divided by (b) the average Dril-Quip stock price (rounded up to the nearest whole cent), reduced by applicable tax withholding.

Innovex Time-Based Restricted Stock Unit Awards: Each continuing RSU will, at the effective time, be converted into an award covering a number of shares of Dril-Quip common stock, rounded down to the nearest whole share, equal to the product of (a) the number of shares of Innovex common stock subject to such award and (b) the per share merger consideration. If Dril-Quip stockholders approve the 2024 LTIP, the continuing RSUs will be considered substitute awards under the 2024 LTIP, subject to vesting over the same time period as was applicable under the respective continuing RSUs, but otherwise subject to the terms and conditions set forth in the 2024 LTIP. If Dril-Quip stockholders do not approve the 2024 LTIP, the continuing RSUs will be assumed by Dril-Quip on the same terms and conditions as were applicable to such awards as of immediately prior to the effective time (including vesting restrictions). Each Innovex RSU will be entitled to receive the number of shares of Dril-Quip common stock equal to the number of shares of Innovex common stock subject to such Innovex RSU multiplied by the per share merger consideration reduced by applicable tax withholding.

For additional information regarding the treatment of Innovex equity awards, please see "*The Merger Agreement—Treatment of Innovex Equity-Based Awards.*"

Listing of Dril-Quip Common Stock

It is a condition to the consummation of the mergers that the shares of Dril-Quip common stock issuable to Innovex stockholders in the mergers be approved for listing on the NYSE, subject to official notice of issuance.

Shares of Dril-Quip common stock currently trade on the NYSE under the stock symbol "DRQ". The common stock of the combined company will remain listed on the NYSE following the completion of the mergers and is expected to trade under a new ticker symbol, "INVX".

No Solicitation; Recommendations

Subject to certain exceptions, each of Dril-Quip and Innovex has agreed that it will not, and will cause its subsidiaries not to, and will use its reasonable best efforts to cause its and their respective subsidiaries' directors, officers, employees, financial advisors, accountants and other advisors, agents or representatives not to, directly or indirectly initiate, solicit, knowingly encourage or knowingly facilitate or discuss or negotiate with any person, or furnish any nonpublic information or data to any person, with respect to an alternative proposal (as defined herein). For a more detailed discussion of the ability of Dril-Quip and Innovex to consider other proposals, please see "*The Merger Agreement—Covenants—No Solicitation of Alternative Proposals.*"

The obligations of Innovex to effect the mergers are also subject to the satisfaction, or waiver by Innovex, at or prior to the effective time of the following additional conditions:

- the accuracy of the representations and warranties of Dril-Quip as follows:
 - the representations and warranties of Dril-Quip regarding qualification and organization, stock issuances, corporate authority and approval must have been true and correct in all material respects as of the date of the merger agreement and must be true and correct in all material respects as of the closing date (except to the extent that any such representation and warranty expressly relate to an earlier date, in which case such representation and warranty must have been true and correct as of such earlier date);
 - the representation of Dril-Quip regarding capital structure, no conflict or breach of organizational documents, compliance with anti-corruption laws, absence of certain changes and finders or brokers must have been true and correct in all respects as of the date of the merger agreement and must be true and correct in all respects as of the closing date (except to the extent that any such representation and warranty expressly relate to an earlier date, in which case such representation and warranty must have been true and correct as of such earlier date), other than, in each case, de minimis inaccuracies; and
 - each other representation and warranty of Dril-Quip set forth in the merger agreement must be true and correct in all respects (without giving effect to any qualification by materiality or material adverse effect contained in the merger agreement) as of the date of the merger agreement and as of the closing date (except to the extent that any such representation and warranty expressly relate to an earlier date, in which case such representation and warranty must have been true and correct as of such earlier date), except for inaccuracies of such representation and warranty the circumstances giving rise to which would not have, and would not reasonably be expected to have, individually or in the aggregate, a material adverse effect with respect to Dril-Quip (without giving effect to any qualification by materiality or material adverse effect contained in the merger agreement);

- the performance by Dril-Quip, Merger Sub Inc. and Merger Sub LLC, in all material respects, of their obligations under the merger agreement required to be performed at or prior to the closing date; and
- the receipt by Innovex of a certificate of the Chief Executive Officer or Chief Financial Officer of Dril-Quip certifying that the conditions in the immediately preceding bullets with respect to representations and warranties and performance of obligations have been satisfied;

- the receipt by Innovex of the stockholders agreement duly executed by Dril-Quip;
- the receipt by Innovex of a certificate of the Chief Financial Officer of Dril-Quip setting forth, as of immediately prior to the effective time, a detailed report containing all data necessary to calculate the fully diluted shares of Dril-Quip;
- Dril-Quip having taken the specified actions regarding the appointment of directors and executive officers of the combined company as provided in the merger agreement;
- the filing of the charter amendment with the Secretary of State of the State of Delaware; and
- effective as of (and contingent on) the closing, the adoption by the Dril-Quip Board, subject to the approval of the 2024 LTIP proposal by Dril-Quip stockholders, of the 2024 LTIP in substantially the form attached as Exhibit F to the merger agreement.

As further discussed under the section titled “*Risk Factors*,” neither Dril-Quip nor Innovex can be certain when, or if, the conditions to the mergers will be satisfied or waived, or that the mergers will be completed.

Termination of the Merger Agreement

Dril-Quip and Innovex may mutually agree in writing to terminate the merger agreement before consummating the mergers.

In addition, either Dril-Quip or Innovex may terminate the merger agreement if:

- the mergers have not been completed by December 18, 2024, which date will be automatically extended until March 18, 2025 (as applicable, the “outside date”) if certain conditions relating to regulatory filings (including under the HSR Act and other antitrust and foreign investment laws) have not been satisfied or waived on or prior to the outside date but all other conditions to closing have been satisfied or are capable of being satisfied at that time or waived, although such right to terminate will not be available to any party whose breach of the merger agreement has been the primary cause of the failure of the mergers to occur on or before such date (such termination, an “outside date termination”);
- a governmental order permanently enjoining or otherwise prohibiting consummation of the mergers has become final and non-appealable, and the party seeking to terminate the merger agreement as described in this bullet point has used reasonable best efforts to prevent, oppose and to remove such governmental order in accordance with the merger agreement (such termination, a “regulatory restraint termination event”); or
- the Dril-Quip required vote has not been obtained at the special meeting (or, if the special meeting has been adjourned or postponed in accordance with the merger agreement, at the final adjournment or postponement thereof) at which a vote on the merger proposals was taken (such termination, a “Dril-Quip no vote termination”).

In addition, Innovex may terminate the merger agreement prior to the effective time:

- prior to the receipt of the Dril-Quip required vote, if the Dril-Quip Board has made a change of recommendation;

- if at any time prior to the effective time, there has been a breach or failure to perform by Dril-Quip, Merger Sub Inc. or Merger Sub LLC of any of their representations, warranties, covenants or agreements set forth in the merger agreement such that (i) the conditions to closing relating to accuracy of representations and warranties and performance of covenants would not be satisfied (“terminable breach”) and (ii) such breach or failure cannot be cured by the outside date, or, if curable, is not cured within 30 days of receipt by Dril-Quip of written notice of such breach or failure by Innovex, except that this right to terminate the merger agreement is not available if Innovex is then in terminable breach of any of its representations, warranties, covenants or agreements set forth in the merger agreement; or
- if at any time prior to the effective time, there has been a material breach by Dril-Quip or any of its subsidiaries of its non-solicitation covenant.

In addition, Dril-Quip may terminate the merger agreement prior to the effective time:

- if at any time prior to the effective time, Innovex is (i) in terminable breach of any of its representations, warranties, covenants or agreements set forth in the merger agreement and (ii) such breach or failure cannot be cured by the outside date, or, if curable, is not cured within 30 days of receipt by Innovex of written notice of such breach or failure by Dril-Quip, except that this right to terminate the merger agreement is not available if Dril-Quip is then in terminable breach of any of its representations, warranties, covenants or agreements set forth in the merger agreement; or
- if, in accordance with Dril-Quip’s non-solicitation covenant, (i) the Dril-Quip Board has authorized Dril-Quip to enter into an alternative acquisition agreement with respect to a superior proposal, (ii) prior to or concurrently with such termination, Dril-Quip has paid the termination fee to Innovex as set forth in the merger agreement and (iii) concurrently with the termination of the merger agreement, Dril-Quip enters into an alternative acquisition agreement with respect to such superior proposal (such termination, a “Dril-Quip superior proposal termination”).

Termination Fees and Expense Reimbursement

Termination Fees Payable by Dril-Quip

Dril-Quip will be required to pay to Innovex a termination fee of \$31,895,000 if the merger agreement is terminated:

- by either party pursuant to an outside date termination or a Dril-Quip no vote termination, or by Innovex pursuant to a Dril-Quip terminable breach, and, in each case:
 - a bona fide acquisition proposal with respect to Dril-Quip has been publicly disclosed or announced after the date of the merger agreement and at least five days prior to the stockholder meeting (in the case of a Dril-Quip no vote termination), the date of termination (in the case of an outside date termination) or prior to a material breach that gives rise to Innovex’s termination rights (in the case of a Dril-Quip terminable breach); and
 - within twelve months after such termination, (i) Dril-Quip or any of its subsidiaries has entered into an alternative acquisition agreement with respect to any superior proposal with respect to Dril-Quip (which is thereafter consummated) or (ii) there has been consummated any superior proposal with respect to Dril-Quip (in each case of clauses (i) and (ii), with 50% being substituted in lieu of 20% in each instance thereof in the definition of “alternative proposal”);
- by Innovex following a material breach by Dril-Quip of its non-solicitation obligations under the merger agreement or a change of recommendation by Dril-Quip; or
- by Dril-Quip pursuant to a Dril-Quip superior proposal termination.

Expenses

If the merger agreement had been terminated by either Innovex or Dril-Quip for a failure to obtain Innovex required vote, then within two business days after the date of such termination, Innovex would have had to pay to Dril-Quip all of the reasonable and documented out-of-pocket transaction expenses of Dril-Quip up to a maximum amount equal to \$4,253,000. The Innovex required vote was received on March 18, 2024.

If the merger agreement is terminated by either Innovex or Dril-Quip pursuant to a Dril-Quip no vote termination and the Dril-Quip termination fee is not otherwise payable by Dril-Quip, then within two business days after the date of such termination, Dril-Quip will pay to Innovex all of the reasonable and documented out-of-pocket transaction expenses of Innovex up to a maximum amount equal to \$4,253,000 (provided that any such amounts paid will be credited (without interest) against any termination fee paid by Dril-Quip to Innovex pursuant to the terms of the merger agreement).

Specific Performance

In addition to any other available remedies a party may have in equity or at law, each party will be entitled to enforce specifically the terms and provisions of the merger agreement and to obtain an injunction restraining any breach or violation or threatened breach or violation of the provisions of the merger agreement.

Closing and Effective Time of the Mergers

Unless Dril-Quip and Innovex otherwise agree, the closing of the mergers will take place on the third business day following the day on which the last to be satisfied or (to the extent permissible) waived of the conditions for completion of the mergers set forth in the merger agreement (other than those conditions that by their nature must be satisfied or (to the extent permissible) waived at the closing, but subject to the satisfaction or waiver of those conditions) is satisfied or (to the extent permissible) waived in accordance with the merger agreement.

Upon the terms and subject to the provisions of the merger agreement and in accordance with the DGCL and the Delaware Limited Liability Company Act (the "DLLCA"), as applicable, as soon as practicable on the closing date, the applicable parties will (i) file a certificate of merger with the Secretary of State of the State of Delaware, executed in accordance with the relevant provisions of the DGCL, to effect the first merger and (ii) file a certificate of merger, executed in accordance with the relevant provisions of the DGCL and DLLCA, to effect the second merger, which will be effective one minute after the effectiveness of the first merger.

Dril-Quip and Innovex are working to complete the merger prior to the outside date of December 18, 2024 (subject to extension in certain circumstances to March 18, 2025 pursuant to the terms of the merger agreement). It is possible that factors outside the control of both companies could result in the mergers being completed at a different time, or not at all. Please see "*The Merger Agreement—Conditions to the Completion of the Mergers*".

Comparison of Stockholders' Rights

Innovex stockholders receiving Dril-Quip common stock in the mergers will have different rights once they become stockholders of the combined company due to differences between the governing documents of Dril-Quip and Innovex. These differences are described in more detail in "*Comparison of Stockholders' Rights*."

The following table presents summary information regarding Dril-Quip's preliminary financial results:

(1) Adjusted EBITDA does not measure financial performance under GAAP and, accordingly, should not be considered as an alternative to net income as an indicator of operating performance.

Revenues. Revenues increased by \$30.7 million, or approximately 34%, to \$120.3 million for the three months ended June 30, 2024 from \$89.6 million for the three months ended June 30, 2023. The increase in Revenues by \$50.1 million, or approximately 28%, to \$230.6 million for the six months ended June 30, 2024 from \$180.5 million for the six months ended June 30, 2023. The increase in revenue for both the three and six months ended June 30, 2024, as compared to the same periods ended June 30, 2023 are primarily driven by an increase in demand for Dril-Quip's offshore drilling products and services and the acquisition of Great North.

Income from Operations. Income from operations for the three months ended June 30, 2024 was \$(4.7) million, a decrease of \$8.3 million, or (229)%, compared to the three months ended June 30, 2023, primarily due to costs incurred by Dril-Quip in connection with the proposed merger with Innovex and foreign currency losses, partially offset by an increase in Revenues as described above. Income from operations for the six months ended June 30, 2024 was \$(23.5) million, a decrease of \$30.3 million, or (445)%, compared to the six months ended June 30, 2023, primarily driven by costs incurred by Dril-Quip in connection with the proposed merger with Innovex and foreign currency losses, offset by an increase in Revenues as described above for the six months ended June 30, 2024 as compared to the same period ended June 30, 2023.

Net Income. Net income for the three months ended June 30, 2024 was \$(1.8) million, a decrease of \$5.3 million, or (152)%, compared to the three months ended June 30, 2023. Net income for the six months ended June 30, 2024 was \$(21.8) million, representing a decrease of \$27.6 million, or (476)%, compared to the six months ended June 30, 2023. These decreases in net income were primarily a result of the factors discussed above.

Cash Flows. Net cash used by operating activities for the six months ended June 30, 2024 was \$13.4 million, compared to net cash used by operating activities of \$41.6 million for the six months ended June 30, 2023. The decrease in cash used by operating activities was primarily driven by a reduction in the use of cash related to working capital items.

Adjusted EBITDA. Adjusted EBITDA totaled \$16.5 million for the second quarter of 2024, an increase of \$7.7 million, or 88% compared to the three months ended June 30, 2023, primarily due to demand for our offshore drilling products and services and the acquisition of Great North. Adjusted EBITDA for the six months ended

June 30, 2024 was \$26.7 million, an increase of \$9.1 million, or 51% compared to the six months ended June 30, 2023 due to demand for Dril-Quip's offshore drilling products and services and the acquisition of Great North.

Non-GAAP Financial Measures

Dril-Quip calculates Adjusted EBITDA (earnings before interest, taxes, depreciation and amortization, as well as other significant non-cash items and other adjustments for certain charges and credits) as one of the indicators to evaluate and compare the results of its operations from period to period by removing the effect of its capital structure from its operating structure and certain other items, including those that affect the comparability of operating results. This measurement is used in concert with operating income, its most directly comparable financial measure, and net cash from operating activities, which measures actual cash generated in the period. In addition, Dril-Quip believes that Adjusted EBITDA is a supplemental measurement tool used by analysts and investors to help evaluate overall operating performance, ability to pursue and service possible debt opportunities and analyze possible future capital expenditures. Adjusted EBITDA does not represent funds available for Dril-Quip's discretionary use and is not intended to represent or to be used as a substitute for net income, as measured under U.S. generally accepted accounting principles. The items excluded from Adjusted EBITDA, but included in the calculation of reported net income, are significant components of the consolidated statements of income (loss) and must be considered in performing a comprehensive assessment of overall financial performance. Dril-Quip's calculation of Adjusted EBITDA may not be consistent with calculations of Adjusted EBITDA used by other companies.

The following table reconciles Dril-Quip's reported net income to Adjusted EBITDA for each of the respective periods:

	Three months ended		Six months ended

Preliminary Financial Results of Innovex

The preliminary financial data of Innovex for the quarter ended June 30, 2024 included in this proxy statement/prospectus has been prepared by, and is the responsibility of, Innovex's management. Grant Thornton has not audited, reviewed, examined, compiled, nor applied agreed-upon procedures with respect to the preliminary financial data of Innovex. Accordingly, Grant Thornton does not express an opinion or any other form of assurance with respect thereto.

The following table presents summary information regarding Innovex's preliminary financial results:

(in thousands)	Three Months Ended June 30,		\$ Change	% Change	Six Months Ended June 30,		\$ Change	% Change

Revenues. Revenues for the three months ended June 30, 2024 were \$130.3 million, representing a decrease of \$17.3 million, or 12%, compared to the three months ended June 30, 2023. Revenues for the six months ended June 30, 2024 were \$258.3 million, representing a decrease of \$25.0 million, or 9%, compared to the six months ended June 30, 2023. The decline in revenue for both the three and six months ended June 30, 2024 as compared to the same periods ended June 30, 2023 were primarily driven by a decrease in drilling activity in North America due to a decrease in the North American land rig count during the comparative periods.

Income from Operations. Income from operations for the three months ended June 30, 2024 was \$13.1 million, a decrease of \$14.6 million, or 53%, compared to the three months ended June 30, 2023, primarily due to a decrease in revenue as described above as well as increased costs due to non-cash impairments of long-lived assets of \$3.5 million during the three months ended June 30, 2024 and an increase in acquisition costs of \$3.9 million during the three months ended June 30, 2024 as compared to the same period ended June 30, 2023. Income from operations for the six months ended June 30, 2024 was \$35.4 million, a decrease of \$14.6 million, or 29%, compared to the six months ended June 30, 2023, primarily driven by a decline in revenue as described above as well as increased costs due to non-cash impairments of long-lived assets of \$3.5 million during the six months ended June 30, 2024 and an increase of acquisition costs of \$4.1 million during the six months ended June 30, 2024 as compared to the same period ended June 30, 2023. The increase in acquisition costs for both the three and six months ended June 30, 2024 as compared to the same periods ended June 30, 2023 were due to the costs incurred by Innovex in connection with the proposed merger with Drill-Quip.

Net Income. Net income for the three months ended June 30, 2024 was \$9.5 million, a decrease of \$11.1 million, or 54%, compared to the three months ended June 30, 2023. Net income for the six months ended June 30, 2024 was \$26.0 million, representing a decrease of \$14.2 million, or 35%, compared to the six months ended June 30, 2023. These decreases in net income were primarily a result of the factors discussed above.

Cash Flows. Net cash provided by operating activities for the six months ended June 30, 2024 was \$35.4 million, compared to net cash provided by operating activities of \$22.5 million for the six months ended June 30, 2023. The increase in cash provided by operating activities was primarily driven by a \$22.0 million reduction in the use of cash related to working capital items, including a \$15.7 million decrease in the use of cash due to changes in the accounts receivable balances, along with other working capital changes, offset by a decrease of \$14.2 million of net income during the comparative periods.

Adjusted EBITDA and Adjusted EBITDA Margin

See the section "Innovex Management's Discussion and Analysis of Financial Condition and Results of Operations—How Innovex Evaluates its Results of Operations" for a definition of Innovex's non-GAAP financial measures.

Adjusted EBITDA for the three months ended June 30, 2024 was \$29.5 million, a decrease of \$7.1 million, or 19%, compared to the three months ended June 30, 2023. Adjusted EBITDA for the six months ended June 30, 2024 was \$62.0 million, a decrease of \$4.1 million, or 6%, compared to the six months ended June 30, 2023. These decreases in Adjusted EBITDA were primarily due to a decline in revenue related to a decrease in drilling activity in North America due to a decrease in the North American land rig count during the comparative periods.

The following table presents a reconciliation of the GAAP financial measure of net income (loss) and net income (loss) as a percentage of revenue to Adjusted EBITDA and Adjusted EBITDA Margin, respectively, for each of the periods indicated:

- (2) For the six months ended June 30, 2024, transaction related expenses consisted of legal and accounting advisory fees associated with the merger with Dril-Quip. For the six months ended June 30, 2023, transaction related expenses consisted of legal and accounting advisory fees associated with the acquisition of Innovex's ownership interest in Downhole Well Solutions, LLC ("DWS"). These transaction expenses are one-time in nature and are expenses that Innovex does not view as normal operating expenses necessary to operate Innovex's business.
- (3) Reflects the elimination of Innovex's percentage of interest expense, depreciation, amortization and other non-recurring expenses included within equity method earnings relating to Innovex's unconsolidated investment in DWS.
- (4) Reflects legal, consulting and accounting fees and expenses related to IPO preparation.
- (5) Reflects primarily facility shut-down and integration costs for Rubicon facilities after the acquisition. The remaining expenses are related to multiple immaterial integration fees for the Rubicon and Pride acquisitions. These acquisition integration expenses are one time in nature and expenses that Innovex does not view as normal operating expenses necessary to operate Innovex's business.

The foregoing is only a summary and is not intended to be a comprehensive statement of Innovex's unaudited preliminary financial results.

Risk Factors

The transactions contemplated by the merger agreement, including the mergers, involve risks. In considering the mergers, including whether to vote for the merger proposals, the non-binding governance proposals, the 2024 LTIP proposal, the non-binding compensation proposal and the adjournment proposal, you should carefully consider the information about these risks set forth under the section entitled “Risk Factors,” a summary of which is set forth below, together with the other information included or incorporated by reference in this proxy statement/prospectus.

Risks Relating to the Mergers

- Because the market price of Dril-Quip common stock will fluctuate, Innovex stockholders cannot be sure of the value of the shares of Dril-Quip common stock they will receive in connection with the mergers. The per share merger consideration will not be adjusted in the event of any change in the stock price of Dril-Quip.
- The market price for Dril-Quip common stock following the closing may be affected by factors different from those that historically have affected or currently affect Dril-Quip common stock.
- Dril-Quip stockholders and Innovex stockholders, in each case as of immediately prior to the mergers, will have reduced ownership in the combined company.
- Dril-Quip and Innovex must obtain certain regulatory approvals and clearances to consummate the mergers, which, if delayed, not granted or granted with unacceptable conditions, could prevent, substantially delay or impair consummation of the mergers, result in additional expenditures of money and resources or reduce the anticipated benefits of the mergers.
- The mergers are subject to a number of conditions to the obligations of both Dril-Quip and Innovex to complete the mergers, which, if not fulfilled, or not fulfilled in a timely manner, may delay completion of the mergers or result in termination of the merger agreement.
- If the integrated mergers, taken together, do not qualify as a “reorganization” within the meaning of Section 368(a) of the Code, Innovex stockholders may be required to pay substantial taxes.
- Dril-Quip’s ability to utilize its historic U.S. net operating loss carryforwards may be impacted as a result of the completion of the mergers.
- Uncertainties associated with the mergers may cause a loss of management personnel and other key employees of Dril-Quip or Innovex, which could adversely affect the future business and operations of the combined company.
- The business relationships of Dril-Quip and Innovex may be subject to disruption due to uncertainty associated with the mergers, which could have a material adverse effect on the results of operations, cash flows and financial position of Dril-Quip or Innovex pending and following the mergers.
- The merger agreement subjects Dril-Quip and Innovex to restrictions on their respective business activities prior to the effective time.
- Directors and executive officers of Dril-Quip have interests in the mergers that may be different from, or in addition to, the interests of the Dril-Quip stockholders generally.
- The merger agreement limits Dril-Quip’s and Innovex’s respective ability to pursue alternatives to the mergers, may discourage other companies from making a favorable alternative transaction proposal and, in specified circumstances, could require Dril-Quip to pay Innovex a termination fee.
- The financial forecasts are based on various assumptions that may not be realized.
- Failure to complete the mergers could negatively impact Dril-Quip’s stock price and have a material adverse effect on its results of operations, cash flows and financial position.

- The shares of common stock of the combined company to be received by Innovex stockholders upon completion of the mergers will have different rights from shares of Innovex common stock.

Risks Relating to the Combined Company

- Dril-Quip may be unable to integrate the businesses of Innovex successfully or realize the anticipated benefits or synergies of the mergers.
- Legal proceedings and governmental investigations could have a negative impact on the business, financial condition and results of operations of the combined company.
- The future results of the combined company following the mergers will suffer if the combined company does not effectively manage its expanded operations.
- The mergers may result in a loss of customers, distributors, suppliers, vendors, landlords, joint venture partners and other business partners and may result in the modification or termination of existing contracts.
- The market price of the combined company's common stock may be volatile, and holders of the combined company's common stock could lose a significant portion of their investment due to drops in the market price of the combined company's common stock following completion of the mergers.
- Certain of the stockholders of the combined company will have the ability to exercise significant influence over certain corporate actions following completion of the mergers.

Other Risks Relating to Dril-Quip

- Dril-Quip has identified a material weakness in Dril-Quip's internal control over financial reporting which, if not corrected, could affect the reliability of the combined company's financial statements and have other adverse consequences. Additional material weaknesses in internal controls over financial reporting may be identified, which may not be remedied in a timely manner.

Other Risks Relating to Innovex

- Innovex's business and financial performance depend primarily upon the general level of activity in the oil and natural gas industry. A decline in prices for oil and natural gas may have an adverse effect on Innovex's revenue, cash flows, profitability and growth.
- The cyclical nature of the oil and natural gas industry may cause Innovex's operating results to fluctuate.
- Innovex is subject to risks relating to existing international operations and expansion into new geographical markets.
- Innovex has identified material weaknesses in Innovex's internal control over financial reporting which, if not corrected, could affect the reliability of the combined company's financial statements and have other adverse consequences. Additional material weaknesses in internal controls over financial reporting may be identified, which may not be remedied in a timely manner.
- Innovex's operations and the operations of Innovex's customers are subject to environmental, health and safety laws and regulations, and future compliance, claims, and liabilities relating to such matters may have a material adverse effect on Innovex's results of operations, financial position or cash flows.
- To compete in its industry, Innovex must continue to develop new technologies and products to support its operations, secure and maintain patents related to Innovex's current and new technologies and products and protect and enforce Innovex's intellectual property rights.

Because the per share merger consideration will not be adjusted for changes in the market price of Dril-Quip common stock, the market value of Dril-Quip common stock that Innovex stockholders will have the right to receive on the date the mergers are completed may vary significantly from the market value of the Dril-Quip common stock that Innovex stockholders would receive if the mergers were completed on the date of this proxy statement/prospectus. As a result, you are encouraged to obtain current market quotations for Dril-Quip common stock and to review carefully the other information contained in this proxy statement/prospectus or incorporated by reference herein. No assurance can be given concerning the market price of Dril-Quip common stock before or after the effective date of the mergers. Please see "*Risk Factors*" and "*Where You Can Find More Information*" for the location of information incorporated by reference into this proxy statement/prospectus.

Statements in this proxy statement/prospectus and the documents incorporated by reference herein that are not historical facts are hereby identified as "forward-looking statements" for the purpose of the safe harbor provided by Section 21E of the Exchange Act and Section 27A of the Securities Act. Words such as "may," "will," "could," "should," "expect," "plan," "project," "intend," "anticipate," "believe," "estimate," "predict," "potential," "pursue," "target," "continue," and similar expressions are intended to identify such forward-looking statements. These forward-looking statements include, without limitation, Dril-Quip's and/or Innovex's expectations with respect to the synergies, costs and other anticipated financial impacts of the mergers; future financial and operating results of the combined company; the combined company's plans, objectives, expectations and intentions with respect to future operations and services; approval of the mergers by stockholders; the satisfaction of the closing conditions to the mergers; and the timing of the completion of the mergers.

Although Dril-Quip and Innovex believe the expectations reflected in such forward-looking statements are reasonable, such expectations may not occur. These forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements of the combined company to be materially different from actual future results expressed or implied by the forward-looking statements. These risks and uncertainties also include those set forth under "Risk Factors" included in this proxy statement/prospectus, as well as, among others, risks and uncertainties relating to:

- the receipt of approval of Dril-Quip stockholders;
- the time required to complete the mergers;
- uncertainty as to whether the conditions to closing the mergers will be satisfied or whether the mergers will be completed;
- the risk that a regulatory approval, consent or authorization that may be required for the transaction is not obtained in a timely manner or at all, or is obtained subject to conditions that are not anticipated;
- the occurrence of any event, change or other circumstances that could give rise to the termination of the merger agreement;
- the diversion of management time on merger-related issues;
- the ultimate timing, outcome and results of integrating the operations of Dril-Quip and Innovex;
- the effects of the business combination on Dril-Quip and Innovex, including the combined company's future financial condition, results of operations, strategy and plans;
- potential adverse reactions or changes to business relationships resulting from the announcement or completion of the mergers;
- the prompt and effective integration of Dril-Quip's and Innovex's businesses;
- expected benefits from the mergers and the ability of Dril-Quip to realize those benefits;
- the significant costs required to complete the mergers and integrate operations of Dril-Quip and Innovex;
- whether merger-related litigation will occur and, if so, the results of any litigation, settlements and investigations;
- the risks relating to Dril-Quip's, Innovex's and the combined company's operating results and businesses generally; and

- other financial, operational and legal risks and uncertainties detailed from time to time in Dril-Quip's SEC filings.

Dril-Quip cautions that the foregoing list of factors is not exclusive. Additional information concerning these and other risk factors is contained in Dril-Quip's most recently filed Annual Reports on Form 10-K, as amended, subsequent Quarterly Report on Form 10-Q, as amended, recent Current Reports on Form 8-K and other SEC filings and in "Risk Factors" included elsewhere in this proxy statement/prospectus. The forward-looking statements speak only as of the date made and, other than as required by law, neither Dril-Quip nor Innovex undertake any obligation to update publicly or revise any of these forward-looking statements, whether as a result of new information, future events or otherwise. In the event that a party does update any forward-looking statement, no inference should be made that the parties will make additional updates with respect to that statement, related matters or any other forward-looking statements. All subsequent written and oral forward-looking statements concerning Dril-Quip, Innovex, the mergers or other matters and attributable to Dril-Quip, Innovex or any person acting on Dril-Quip's or Innovex's behalf are expressly qualified in their entirety by the cautionary statements above.

RISK FACTORS

In addition to the other information included or incorporated by reference in this proxy statement/prospectus, including the matters addressed in "Cautionary Statement Regarding Forward-Looking Statements," you should carefully consider the following risks before deciding how to vote. In addition, you should read and carefully consider the risks associated with Dril-Quip and its business. These risks can be found in Dril-Quip's Annual Report on Form 10-K, as amended, for the year ended December 31, 2023, which is filed with the SEC and incorporated by reference into this proxy statement/prospectus. For further information regarding the documents incorporated into this proxy statement/prospectus by reference, please see the section titled "Where You Can Find More Information." Realization of any of the risks described below, any of the events described under "Cautionary Statement Regarding Forward-Looking Statements" or any of the risks or events described elsewhere in this proxy statement/prospectus in the documents incorporated by reference could have a material adverse effect on Dril-Quip's, Innovex's or the combined company's businesses, financial condition, cash flows and results of operations.

Risks Relating to the Mergers

Because the market price of Dril-Quip common stock will fluctuate, Innovex stockholders cannot be sure of the value of the shares of Dril-Quip common stock they will receive in connection with the mergers. The per share merger consideration will not be adjusted in the event of any change in the stock price of Dril-Quip.

At the effective time, the holders of Innovex common stock issued and outstanding immediately prior to the effective time (including each Innovex stock option and restricted stock unit) will be entitled to receive a number of shares of Dril-Quip common stock (including restricted stock awards) equal to the aggregate merger consideration. Each holder of Innovex common stock, other than holders of dissenting shares, will be entitled to receive, for each share of Innovex common stock, a number of shares of Dril-Quip common stock equal to the aggregate merger consideration divided by the number of shares of Innovex common stock outstanding immediately prior to the effective time calculated on a fully diluted basis, plus the cash value of any fractional shares of Dril-Quip common stock that would otherwise be payable. The per share merger consideration will not be adjusted for changes in the market price of Dril-Quip common stock between the date of signing the merger agreement and completion of the mergers. Changes in the price of Dril-Quip common stock prior to the mergers will affect the value of Dril-Quip common stock that Innovex stockholders will receive on the date of the mergers. Stock price changes may result from a variety of factors (many of which are out of our control), including the following:

- changes in the respective businesses, operations and prospects of Dril-Quip and Innovex;
- changes in market assessments of the business, operations and prospects of Dril-Quip and Innovex;
- investor behavior and strategies, including market assessments of the likelihood that the mergers will be completed;
- interest rates, general market and economic conditions and other factors generally affecting the price of Dril-Quip common stock; and
- legislation, governmental regulation and legal developments in the businesses in which Dril-Quip and Innovex operate.

The price of Dril-Quip common stock at the closing may vary from its price on the date the merger agreement was executed, on the date of this proxy statement/prospectus and on the date of the special meeting. As a result, the value represented by the per share merger consideration will also vary, and you will not know or be able to calculate at the time of the special meeting the market value of the per share merger consideration Innovex stockholders will receive upon completion of the mergers. For example, based on the closing price of Dril-Quip common stock during the period from March 15, 2024, the last trading day before public announcement of the mergers, through August 2, 2024, the latest practicable trading date before the date of

this proxy statement/prospectus, and assuming the issuance of 33.0 million shares of Dril-Quip common stock in the mergers, the per share merger consideration, calculated on a fully diluted basis, represented a value ranging from a high of \$48.28 to a low of \$29.50 for each share of Innovex common stock. Neither Dril-Quip nor Innovex is permitted to terminate the merger agreement solely because of changes in the market price or value of Dril-Quip's common stock or the value of Innovex's equity securities.

The market price for Dril-Quip common stock following the closing may be affected by factors different from those that historically have affected or currently affect Dril-Quip common stock.

Upon completion of the mergers, Innovex stockholders will receive shares of Dril-Quip common stock. Dril-Quip's financial position may differ from its financial position before the completion of the mergers, and the results of operations of the combined company may be affected by factors that are different from those currently affecting the results of operations of Dril-Quip and those currently affecting the results of operations of Innovex. Accordingly, the market price and performance of Dril-Quip common stock is likely to be different from the performance of Dril-Quip common stock in the absence of the mergers. In addition, general fluctuations in trading activity and prices on the NYSE could have a material adverse effect on the market for, or liquidity of, Dril-Quip common stock, regardless of Dril-Quip's actual operating performance. For a discussion of the businesses of Dril-Quip and Innovex and important factors to consider in connection with those businesses, see the documents incorporated by reference herein and referred to in "Where You Can Find More Information."

Dril-Quip stockholders and Innovex stockholders, in each case as of immediately prior to the mergers, will have reduced ownership in the combined company.

Based on the number of issued and outstanding shares of Innovex common stock as of August 5, 2024 and the number of issued and outstanding Innovex equity awards currently estimated to be payable in shares of Dril-Quip common stock in connection with the mergers, Dril-Quip anticipates issuing approximately 33.0 million shares of Dril-Quip common stock pursuant to the merger agreement. The actual number of shares of Dril-Quip common stock to be issued pursuant to the merger agreement will be determined at the completion of the mergers based on the number of shares of Dril-Quip common stock outstanding immediately prior to such time, calculated on a fully diluted basis and the number of shares of Innovex common stock issued and outstanding immediately prior to such time, calculated on a fully diluted basis. The issuance of these new shares could have the effect of depressing the market price of Dril-Quip common stock, through dilution of earnings per share or otherwise. Any dilution of, or delay of any accretion to, Dril-Quip's earnings per share could cause the price of Dril-Quip common stock to decline or increase at a reduced rate.

Immediately after the completion of the mergers, it is expected that Dril-Quip stockholders as of immediately prior to the mergers will own approximately 52%, and Innovex stockholders as of immediately prior to the mergers will own approximately 48% of the issued and outstanding shares of Dril-Quip common stock. As a result, Dril-Quip's current stockholders and Innovex's current stockholders will have less influence on the policies of the combined company than they currently have on the policies of Dril-Quip and Innovex, respectively.

Dril-Quip and Innovex must obtain certain regulatory approvals and clearances to consummate the mergers, which, if delayed, not granted or granted with unacceptable conditions, could prevent, substantially delay or impair consummation of the mergers, result in additional expenditures of money and resources or reduce the anticipated benefits of the mergers.

The completion of the mergers is subject to antitrust review in the United States and approval under certain other antitrust and foreign investment laws. Dril-Quip and Innovex derive revenues in other jurisdictions where antitrust/foreign investment clearances are or may be required, including Saudi Arabia, Colombia and Ecuador. Filings were submitted with the Superintendency of Economic Competition of Ecuador on March 25, 2024 and April 24, 2024, with the General Authority for Competition for the Kingdom of Saudi Arabia on May 2, 2024

and with the Superintendency of Industry and Commerce of Colombia on May 10, 2024 in order to obtain their approvals. Approval for the transaction was granted by the Superintendency of Economic Competition of Ecuador on June 10, 2024 and by the General Authority for Competition for the Kingdom of Saudi Arabia on May 26, 2024. Regulatory entities may impose certain requirements or obligations as conditions for their approval or in connection with their review. Neither Dril-Quip nor Innovex can provide any assurance that they will obtain the necessary clearances or approvals, or that any required conditions will not have a material adverse effect on the combined company following the mergers or result in the abandonment of the mergers. Under the HSR Act and the rules promulgated thereunder, the mergers cannot be completed until the parties to the merger agreement have given notification and furnished information to the FTC and the DOJ, and until the applicable waiting period has expired or has been terminated.

Dril-Quip and Innovex each filed an HSR Act notification with the FTC and the DOJ on April 1, 2024. The 30-day HSR waiting period with respect to the mergers expired at 11:59 p.m. EDT on May 1, 2024.

At any time before or after consummation of the mergers, notwithstanding the expiration of the applicable waiting period under the HSR Act, the FTC, the DOJ or any state could take such action under the antitrust laws as it deems necessary or desirable in the public interest, including seeking to enjoin the completion of the mergers or seeking the divestiture of substantial assets of Dril-Quip or Innovex or their respective subsidiaries or requiring Dril-Quip or Innovex to license, or hold separate, assets or terminate existing relationships and contractual rights. At any time before or after the completion of the mergers, and notwithstanding the expiration of the applicable waiting period under the HSR Act, any state could take such action under the antitrust laws as it deems necessary or desirable in the public interest. Such action could include seeking to enjoin the completion of the mergers or seeking divestiture of substantial assets of Dril-Quip or Innovex. Private parties may also seek to take legal action under the antitrust laws under certain circumstances.

The mergers are subject to a number of conditions to the obligations of both Dril-Quip and Innovex to complete the mergers, which, if not fulfilled, or not fulfilled in a timely manner, may delay completion of the mergers or result in termination of the merger agreement.

The mergers are subject to a number of conditions beyond the control of Dril-Quip or Innovex that may prevent, delay or otherwise materially adversely affect its completion. Neither Dril-Quip nor Innovex can predict when, or if, these conditions will be satisfied. If any of these conditions are not satisfied or waived prior to the outside date, it is possible that the merger agreement may be terminated. Although Dril-Quip and Innovex have agreed in the merger agreement to use reasonable best efforts, subject to certain limitations, to complete the mergers as promptly as reasonably practicable, these and other conditions to the completion of the mergers may fail to be satisfied. In addition, satisfying the conditions to and completing the mergers may take longer, and could cost more, than Dril-Quip and Innovex expect. Furthermore, the requirements for obtaining the required clearances and approvals could delay the completion of the mergers for a significant period of time or prevent them from occurring. Any delay in completing the mergers may adversely affect the cost savings and other benefits that Dril-Quip and Innovex expect to achieve if the mergers and the integration of the companies' respective businesses are completed within the expected timeframe. There can be no assurance that all required regulatory approvals will be obtained or obtained prior to the termination date. For additional information, please see "*The Merger Agreement—Conditions to the Completion of the Mergers.*"

If the integrated mergers, taken together, do not qualify as a "reorganization" within the meaning of Section 368(a) of the Code, Innovex stockholders may be required to pay substantial taxes.

The integrated mergers are intended to qualify as a "reorganization" within the meaning of Section 368(a) of the Code, and Dril-Quip and Innovex intend to report the integrated mergers consistent with such qualification. Dril-Quip and Innovex have not sought, and will not seek, any ruling from the IRS regarding any matters relating to the transactions, and, as a result, there can be no assurance that the IRS would not assert, or that a court would not sustain, a position contrary to the treatment of the integrated mergers as a "reorganization" within the

meaning of Section 368(a) of the Code. If the IRS or a court determines that the integrated mergers, taken together, do not qualify as a “reorganization” within the meaning of Section 368(a) of the Code, a U.S. holder of Innovex common stock generally would recognize taxable gain or loss upon the exchange of Innovex common stock for Dril-Quip common stock pursuant to the integrated mergers. See “*The Mergers—Material U.S. Federal Income Tax Consequences.*”

Dril-Quip’s ability to utilize its historic U.S. net operating loss carryforwards may be impacted as a result of the completion of the mergers.

As of December 31, 2023, Dril-Quip had approximately \$135.5 million of gross U.S. federal net operating losses (“NOLs”). Most of Dril-Quip’s U.S. federal NOLs were generated after 2017 and can be carried forward indefinitely.

Section 382 of the Code (“Section 382”) generally imposes an annual limitation on the amount of NOLs that may be used to offset taxable income when a corporation has undergone an “ownership change” (as determined under Section 382). An ownership change generally occurs if one or more stockholders (or groups of stockholders) who are each deemed to own at least 5% of such corporation’s stock has increased their ownership by more than 50 percentage points over their lowest ownership percentage within a rolling three-year period. In the event that an ownership change occurs, utilization of the relevant corporation’s NOLs would be subject to an annual limitation under Section 382, generally determined, subject to certain adjustments, by multiplying (i) the fair market value of such corporation’s stock outstanding at the time of the ownership change by (ii) a percentage approximately equivalent to the yield on long-term tax-exempt bonds during the month in which the ownership change occurs. Any unused annual limitation may be carried over to later years.

We may experience an ownership change (under Section 382) as a result of the closing of the mergers. If the closing of the mergers causes an ownership change, our ability to utilize our available NOLs and other tax attributes to reduce future taxable income following this “ownership change” would depend on many factors, including our future income, which cannot be assured. An ownership change may also require NOLs to be utilized later than they otherwise would be able to be utilized, increasing cash taxes payable in earlier years.

Uncertainties associated with the mergers may cause a loss of management personnel and other key employees of Dril-Quip or Innovex, which could adversely affect the future business and operations of the combined company.

Dril-Quip and Innovex are dependent on the experience and industry knowledge of their officers and other key employees to execute their business plans. The combined company’s success after the mergers will depend in part upon its ability to retain key management personnel and other key employees. Current and prospective employees of Dril-Quip or Innovex may experience uncertainty about their roles within the combined company following the mergers or other concerns regarding the timing and completion of the mergers or the operations of the combined company following the mergers, any of which may have an adverse effect on the ability of Dril-Quip or Innovex to retain or attract key management and other key personnel. In addition, the loss of key Dril-Quip or Innovex personnel could diminish the anticipated benefits of the mergers and the integration of the companies may be more difficult. Furthermore, the combined company may have to incur significant costs in identifying, hiring and retaining replacements for departing employees and may lose significant expertise and talent relating to the business of each of Dril-Quip and Innovex. No assurance can be given that the combined company will be able to retain or attract key management personnel and other key employees of Dril-Quip or Innovex to the same extent that Dril-Quip and Innovex have previously been able to retain or attract their own employees.

The business relationships of Dril-Quip and Innovex may be subject to disruption due to uncertainty associated with the mergers, which could have a material adverse effect on the results of operations, cash flows and financial position of Dril-Quip or Innovex pending and following the mergers.

Parties with which Dril-Quip or Innovex do business may experience uncertainty associated with the mergers, including with respect to current or future business relationships with the combined company following the mergers. Dril-Quip's and Innovex's business relationships may be subject to disruption as customers, distributors, suppliers, vendors, landlords, joint venture partners and other business partners may attempt to delay or defer entering into new business relationships, negotiate changes in existing business relationships or consider entering into business relationships with parties other than Dril-Quip or Innovex prior to or following the mergers. These disruptions could have a material and adverse effect on the results of operations, cash flows and financial position of Dril-Quip or Innovex, regardless of whether the mergers are completed, as well as a material and adverse effect on Dril-Quip's ability to realize the expected cost savings and other benefits of the mergers. The risk, and adverse effect, of any disruption could be exacerbated by a delay in completion of the mergers or termination of the merger agreement.

The merger agreement subjects Dril-Quip and Innovex to restrictions on their respective business activities prior to the effective time.

The merger agreement subjects Dril-Quip and Innovex to restrictions on their respective business activities prior to the effective time. The merger agreement obligates each of Dril-Quip and Innovex to use its commercially reasonable efforts to carry on its business in the ordinary course in all material respects, and the merger agreement obligates each of Dril-Quip and Innovex to use its commercially reasonable efforts to conduct its business in the ordinary course of business in all material respects and preserve substantially intact its present business organization, except as otherwise expressly contemplated by the merger agreement. These restrictions could prevent Dril-Quip and Innovex from pursuing certain business opportunities that arise prior to the effective time and are outside the ordinary course of business. See "*The Merger Agreement—Covenants—Conduct of Business Prior to the Effective Time*" for additional details.

Directors and executive officers of Dril-Quip have interests in the mergers that may be different from, or in addition to, the interests of the Dril-Quip stockholders generally.

In considering the recommendation of the Dril-Quip Board that Dril-Quip stockholders vote in favor of the merger proposals, Dril-Quip stockholders should be aware of and take into account the fact that Dril-Quip directors and executive officers have interests in the mergers that may be different from, or in addition to, the interests of Dril-Quip stockholders generally. These interests include, among others, severance rights, rights to continuing indemnification and directors' and officers' liability insurance and accelerated vesting of outstanding equity awards held by non-employee directors. See "*The Mergers—Interests of Dril-Quip Directors and Executive Officers in the Mergers*" for a more detailed description of these interests. The Dril-Quip Board was aware of and carefully considered these interests, among other matters, in evaluating the terms and structure, and overseeing the negotiation, of the mergers, in approving the merger agreement and the transactions contemplated thereby, including the mergers, and in recommending that the Dril-Quip stockholders approve the merger proposals and the non-binding compensation proposal.

The merger agreement limits Dril-Quip's and Innovex's respective ability to pursue alternatives to the mergers, may discourage other companies from making a favorable alternative transaction proposal and, in specified circumstances, could require Dril-Quip to pay Innovex a termination fee.

The merger agreement contains certain provisions that restrict each of Dril-Quip's and Innovex's ability to initiate, solicit, propose, knowingly encourage or knowingly facilitate any inquiry regarding, or the making of any inquiry, proposal or offer that constitutes or could reasonably be expected to lead to, an acquisition proposal with respect to Dril-Quip or Innovex, as applicable, and Dril-Quip and Innovex have each agreed to certain terms

and conditions relating to their ability to engage, continue or otherwise participate in any discussions or negotiations regarding, or furnish to a third party any non-public information with respect to, or otherwise knowingly facilitate any effort or attempt to make, any acquisition proposal. Further, even if the Dril-Quip Board withdraws, modifies or qualifies in any manner adverse to Innovex its recommendation with respect to the merger proposals, unless the merger agreement has been terminated in accordance with its terms, Dril-Quip will still be required to submit the merger proposals to a vote at the Dril-Quip special meeting. In addition, Innovex generally has an opportunity to offer to modify the terms of the merger agreement in response to any competing acquisition proposals or intervening events before the Dril-Quip Board may withdraw, modify or qualify its recommendations. The merger agreement further provides that, under specified circumstances, including in the event that the Dril-Quip Board has authorized Dril-Quip to enter into an alternative acquisition agreement with respect to a superior proposal to Dril-Quip and concurrently with the termination of the merger agreement, Dril-Quip enters into an acquisition agreement with respect to such superior proposal, Dril-Quip is required to pay Innovex a termination fee equal to \$31,895,000. See “*The Merger Agreement—Covenants*” and “*The Merger Agreement—Termination Fees and Expense Reimbursement*” for additional details.

These provisions could discourage a potential third-party acquirer or other strategic transaction partner that might have an interest in acquiring all or a significant portion of Dril-Quip from considering or pursuing an alternative transaction with Dril-Quip or proposing such a transaction, even if it were prepared to pay consideration with a higher per share value than the total value proposed to be paid or received in the mergers. These provisions might also result in a potential third-party acquirer or other strategic transaction partner proposing to pay a lower price than it might otherwise have proposed to pay because of the added expense of the termination fee that may become payable in certain circumstances.

The financial forecasts are based on various assumptions that may not be realized.

The unaudited prospective financial information set forth in the forecasts included under the sections “*The Mergers—Unaudited Prospective Financial Information*” were prepared solely for internal use and are subjective in many respects. Dril-Quip’s and Innovex’s prospective financial information was based solely upon assumptions of, and information available to Dril-Quip’s and Innovex’s management when prepared, and these estimates and assumptions are subject to uncertainties, many of which are beyond Dril-Quip’s or Innovex’s control and may not be realized. Many factors mentioned in this proxy statement/prospectus, including the risks outlined in this “*Risk Factors*” section and the events or circumstances described under “*Cautionary Statement Regarding Forward-Looking Statements*,” will be important in determining the combined company’s future results. As a result of these contingencies, actual future results may vary materially from Dril-Quip’s and Innovex’s estimates. In view of these uncertainties, the inclusion of prospective financial information in this proxy statement/prospectus is not and should not be viewed as a representation that the forecasted results will necessarily be predictive of actual future results.

The unaudited prospective financial information set forth in the forecasts included under the sections “*The Mergers—Unaudited Prospective Financial Information*” was not prepared with a view toward compliance with published guidelines of the SEC or the guidelines established by the American Institute of Certified Public Accountants for preparation or presentation of prospective financial information. Further, any forward-looking statement speaks only as of the date on which it is made, and each of Dril-Quip and Innovex undertake no obligation, other than as required by applicable law, to update, correct or otherwise revise the unaudited prospective financial information herein to reflect events or circumstances after the date those prospective financial information were prepared or to reflect the occurrence of anticipated or unanticipated events or circumstances, even in the event that any or all of the assumptions underlying any such prospective financial information are no longer appropriate (even in the short term).

The unaudited prospective financial information of Dril-Quip and Innovex included in this proxy statement/prospectus has been prepared by, and is the responsibility of, the management of Dril-Quip or the management of Innovex, as applicable. Neither PricewaterhouseCoopers LLP (“PwC”), the independent registered accountant of

Dril-Quip, nor Grant Thornton LLP (“Grant Thornton”), the independent certified public accountants of Innovex, has audited, reviewed, examined, compiled or applied agreed-upon procedures with respect to the accompanying unaudited prospective financial information and, accordingly, neither PwC nor Grant Thornton expresses an opinion or any other form of assurance with respect thereto. The report of PwC with respect to Dril-Quip, incorporated by reference in this proxy statement/prospectus relates to the historical financial statements of Dril-Quip, does not extend to the unaudited prospective financial information of Dril-Quip and should not be read to do so. The report of Grant Thornton with respect to Innovex’s audited financial statements included elsewhere in this proxy statement/prospectus, relates to the historical financial statements of Innovex, does not extend to the unaudited prospective financial information of Innovex and should not be read to do so. Failure to complete the mergers could negatively impact Dril-Quip’s stock price and have a material adverse effect on its results of operations, cash flows and financial position.

If the mergers are not completed for any reason, including as a result of failure to obtain all requisite regulatory approvals or if the Dril-Quip stockholders fail to approve the applicable proposals, the ongoing business of Dril-Quip may be materially adversely affected and, without realizing any of the benefits of having completed the mergers, Dril-Quip would be subject to a number of risks, including the following:

- Dril-Quip may experience negative reactions from the financial markets, including negative impacts on Dril-Quip’s stock prices;
- Dril-Quip and its subsidiaries may experience negative reactions from their respective customers, distributors, suppliers, vendors, landlords, joint venture partners and other business partners;
- Dril-Quip will still be required to pay certain significant costs relating to the mergers, such as legal, accounting, consulting, financial advisor and printing fees;
- Dril-Quip may be required to pay a termination fee or expense reimbursement fee as required by the merger agreement;
- the merger agreement places certain restrictions on the conduct of Dril-Quip’s business pursuant to the terms of the merger agreement, which may delay or prevent Dril-Quip from undertaking business opportunities that, absent the merger agreement, may have been pursued;
- matters relating to the mergers (including integration planning) require substantial commitments of time and resources by Dril-Quip’s management, which may have resulted in the distraction of each company’s management from ongoing business operations and pursuing other opportunities that could have been beneficial to the companies; and
- litigation related to any failure to complete the mergers or related to any enforcement proceeding commenced against Dril-Quip to perform its obligations pursuant to the merger agreement.

If the mergers are not completed, the risks described above may materialize and they may have a material adverse effect on Dril-Quip’s results of operations, cash flows, financial position and stock price.

The shares of common stock of the combined company to be received by Innovex stockholders upon completion of the mergers will have different rights from shares of Innovex common stock.

Upon completion of the mergers, Innovex stockholders will no longer be stockholders of Innovex. Instead, former Innovex stockholders will become stockholders of the combined company, and, while their rights as stockholders of the combined company will continue to be governed by the laws of the state of Delaware, their rights will be subject to and governed by the terms of the certificate of incorporation and the bylaws of the combined company. The laws of the state of Delaware and terms of the certificate of incorporation and bylaws of the combined company are in some respects different than the terms of the Innovex certificate of incorporation

and the Innovex bylaws, which currently govern the rights of Innovex stockholders. See “*Comparison of Stockholders’ Rights*” for a discussion of the different rights associated with shares of Innovex common stock, shares of Dril-Quip common stock and shares of the combined company’s common stock.

Dril-Quip and Innovex are expected to incur significant transaction costs in connection with the mergers, which may be in excess of those anticipated by them.

Dril-Quip and Innovex have incurred and are expected to continue to incur significant non-recurring costs associated with negotiating and completing the mergers, combining the operations of the two companies and achieving desired synergies. These costs have been, and will continue to be, substantial and, in many cases, will be borne by Dril-Quip and Innovex whether or not the mergers are completed. A substantial majority of non-recurring expenses will consist of transaction costs and include, among others, fees paid to financial, legal, accounting and other advisors, employee retention, severance and benefit costs and filing fees. Dril-Quip will also incur costs related to formulating and implementing integration plans, including facilities and systems consolidation costs and other employment-related costs. Dril-Quip and Innovex will continue to assess the magnitude of these costs, and additional unanticipated costs may be incurred in connection with the mergers and the integration of the two companies’ businesses. While Dril-Quip and Innovex have assumed that a certain level of expenses would be incurred, there are many factors beyond their control that could affect the total amount or the timing of the expenses. The elimination of duplicative costs, as well as the realization of other efficiencies related to the integration of the businesses, may not offset integration-related costs and achieve a net benefit in the near term, or at all. The costs described above and any unanticipated costs and expenses, many of which will be borne by Dril-Quip or Innovex even if the mergers are not completed, could have an adverse effect on Dril-Quip’s or Innovex’s financial condition and operating results.

Litigation relating to the mergers could result in an injunction preventing the completion of the mergers and/or substantial costs to Dril-Quip and Innovex.

Since the public announcement of the mergers, one putative stockholder lawsuit related to the mergers has been filed against Dril-Quip and Dril-Quip has received letters from additional purported Dril-Quip stockholders who contend that the registration statement on Form S-4 of which this proxy statement/prospectus forms a part fails to disclose certain allegedly material information. For additional information, see the section entitled “*The Mergers—Litigation Relating to the Mergers.*”

Securities class action lawsuits and derivative lawsuits are often brought against companies that have entered into acquisition, merger, or other business combination agreements. Even if such a lawsuit is without merit, defending against these claims can result in substantial costs and divert management time and resources. An adverse judgment could result in monetary damages, which could have a negative impact on Dril-Quip’s and Innovex’s respective liquidity and financial condition.

Lawsuits that have been or may be brought against Dril-Quip, Innovex or their respective directors could also seek, among other things, injunctive relief or other equitable relief, including a request to rescind parts of the merger agreement already implemented and to otherwise enjoin the parties from consummating the mergers. One of the conditions to the closing of the mergers is that no law or governmental order is in effect that restrains, enjoins, makes illegal or otherwise prohibits the closing of the mergers. Consequently, if a plaintiff is successful in obtaining an injunction prohibiting completion of the mergers, that injunction may delay or prevent the mergers from being completed within the expected timeframe or at all, which may adversely affect Dril-Quip’s and Innovex’s respective business, financial position and results of operation. Either Dril-Quip or Innovex may terminate the merger agreement if any governmental order permanently restraining, enjoining or otherwise prohibiting the consummation of the transactions contemplated by the merger agreement becomes final and nonappealable, so long as the party seeking to terminate the merger agreement has used its reasonable best efforts prevent the entry of and to remove such governmental order in accordance with the terms of the merger agreement.

There can be no assurance that any of the defendants will be successful in the outcome of any current or future lawsuits. The defense or settlement of any lawsuit or claim that remains unresolved at the time the mergers are completed may adversely affect Dril-Quip's or Innovex's business, financial condition, results of operations and cash flows.

The mergers may be completed even though material adverse changes subsequent to the announcement of the mergers, such as industry-wide changes or other events, may occur.

In general, either party can refuse to complete the mergers if there is a material adverse change affecting the other party. However, some types of changes do not permit either party to refuse to complete the transaction, even if such changes would have a material adverse effect on either of the parties. For example, a worsening of Dril-Quip's or Innovex's financial condition or results of operations due to a decrease in commodity prices or general economic conditions would not give the other party the right to refuse to complete the mergers. In addition, the parties have the ability, but are under no obligation, to waive any material adverse change that results in the failure of a closing condition and instead proceed with completing the mergers. If adverse changes occur that affect either party, but the parties are still required or voluntarily decide to complete the transaction, Dril-Quip's share price, business and financial results after the mergers may suffer.

Risks Relating to the Combined Company

Dril-Quip may be unable to integrate the businesses of Innovex successfully or realize the anticipated benefits of the mergers.

The mergers involve the combination of companies that currently operate as independent companies, in the case of Dril-Quip and Innovex. The combination of independent businesses is complex, costly and time consuming, and each of Dril-Quip and Innovex will be required to devote significant management attention and resources to integrating the respective business practices and operations of the companies. Potential difficulties that the companies may encounter as part of the integration process include the following:

- the inability to successfully combine the businesses of Innovex with Dril-Quip in a manner that permits the combined company to achieve, on a timely basis or at all, the enhanced revenue opportunities and cost savings and other benefits anticipated to result from the mergers;
- complexities associated with managing the combined businesses, including difficulty addressing possible differences in operational philosophies and the challenge of integrating complex systems, technology, networks and other assets of each of the companies in a seamless manner that minimizes any adverse impact on customers, suppliers, employees and other constituencies;
- the assumption of contractual obligations with less favorable or more restrictive terms; and
- potential unknown liabilities and unforeseen increased expenses or delays associated with the mergers.

In addition, Dril-Quip and Innovex have previously operated and, until the completion of the mergers, will continue to operate, independently. It is possible that the integration process could result in:

- diversion of the attention of each company's management; and
- the disruption of, or the loss of momentum in, each company's ongoing businesses or inconsistencies in standards, controls, procedures and policies.

Any of these issues could adversely affect each company's ability to maintain relationships with customers, suppliers, employees and other constituencies or achieve the anticipated benefits of the mergers or could reduce each company's earnings or otherwise adversely affect the business and financial results of the combined company following the mergers.

The synergies attributable to the mergers may vary from expectations.

Dril-Quip may fail to realize the anticipated benefits and synergies expected from the mergers, which could adversely affect the combined company's business, financial condition and operating results. The success of the mergers will depend, in significant part, on Dril-Quip's ability to successfully integrate the acquired business and realize the anticipated strategic benefits and synergies from the combination. The anticipated benefits of the transaction may not be realized fully or at all, or may take longer to realize than expected. Actual operating, technological, strategic and revenue opportunities, if achieved at all, may be less significant than expected or may take longer to achieve than anticipated. If the combined company is not able to achieve these objectives and realize the anticipated benefits and synergies expected from the mergers within the anticipated timing or at all, the combined company's business, financial condition and operating results may be adversely affected.

Legal proceedings and governmental investigations could have a negative impact on the business, financial condition and results of operations of the combined company.

The nature of the business of the combined company will make it susceptible to legal proceedings and governmental investigations from time to time. Lawsuits or claims against the combined company, including pending lawsuits and claims against Dril-Quip and Innovex, could have a material adverse effect on the combined company's business, financial condition and results of operations. Any legal proceedings or claims, even if fully indemnified or insured, could negatively affect the combined company reputation among its customers and the public, and make it more difficult for the combined company to compete effectively or obtain adequate insurance in the future.

The future results of the combined company following the mergers will suffer if the combined company does not effectively manage its expanded operations.

Following the mergers, the size and geographic footprint of the business of the combined company will increase. The combined company's future success will depend, in part, upon its ability to manage this expanded business, which may pose substantial challenges for management, including challenges related to the management and monitoring of new operations and geographies and associated increased costs and complexity. The combined company may also face increased scrutiny from governmental authorities as a result of the increase in the size of its business. There can be no assurances that the combined company will be successful or that it will realize the expected operating efficiencies, cost savings, revenue enhancements or other benefits currently anticipated from the mergers.

The mergers may result in a loss of customers, distributors, suppliers, vendors, landlords, joint venture partners and other business partners and may result in the modification or termination of existing contracts.

Following the mergers, some of the customers, distributors, suppliers, vendors, landlords, joint venture partners and other business partners of Dril-Quip or Innovex may modify, terminate or scale back their current or prospective business relationships with the combined company. Some customers may not wish to source a larger percentage of their needs from a single company or may feel that the combined company is too closely allied with one of their competitors. In addition, Dril-Quip and Innovex have contracts with customers, distributors, suppliers, vendors, landlords, joint venture partners and other business partners that may require Dril-Quip or Innovex to obtain consents from these other parties in connection with the mergers, which may not be obtained on favorable terms or at all. If relationships with customers, distributors, suppliers, vendors, landlords, joint venture partners and other business partners are adversely affected by the mergers, or if the combined company loses the benefits of the contracts of Dril-Quip or Innovex, the combined company's business and financial performance could suffer.

The market price of the combined company's common stock may be volatile, and holders of the combined company's common stock could lose a significant portion of their investment due to drops in the market price of the combined company's common stock following completion of the mergers.

The market price of the combined company's common stock may be volatile due to factors unrelated to the combined company's operating performance or prospects. Specific factors that may have a significant effect on the market price for the combined company's common stock include, among others, the following:

- changes in stock market analyst recommendations or earnings estimates regarding the combined company, other companies comparable to it or companies in the industries they serve;
- actual or anticipated fluctuations in the combined company's operating results or future prospects;
- reaction to public announcements by the combined company;
- strategic actions taken by the combined company or its competitors, such as acquisitions, divestitures or restructurings;
- failure of the combined company to achieve the perceived benefits of the mergers, including financial results and anticipated synergies, as rapidly as or to the extent anticipated by financial or industry analysts;
- adverse conditions in the financial market or general U.S. or international economic conditions, including those resulting from war, incidents of terrorism and response to such events; and
- sales of the combined company's common stock by members of its management team or significant stockholders.

Additionally, current stockholders of Dril-Quip and Innovex may reduce or eliminate their investment in the combined company for various reasons, including in order to comply with institutional investing guidelines, to increase diversification, to track any rebalancing of stock indices in which Dril-Quip's common stock is included, to respond to the risk profile of the combined company or to realize a gain. If, following the mergers, large amounts of the combined company's common stock are sold, the price could decline.

The unaudited pro forma financial information included in this document is presented for illustrative purposes only and may not be an indication of the combined company's financial condition or results of operations following the mergers.

The unaudited pro forma financial information contained in this document is presented for illustrative purposes only, is based on various adjustments, assumptions and preliminary estimates and may not be an indication of the combined company's financial condition or results of operations following the mergers for several reasons. The actual financial condition and results of operations of the combined company following the mergers may not be consistent with—or evident from—this unaudited pro forma financial information. In addition, the assumptions used in preparing the unaudited pro forma financial information may prove to be inaccurate, and other factors may affect the combined company's financial condition or results of operations following the mergers. Any potential decline in the combined company's financial condition or results of operations may cause significant variations in the stock price of the combined company. See "Unaudited Pro Forma Condensed Combined Financial Statements."

Business issues currently faced by Dril-Quip or Innovex may be imputed to the operations of the other.

To the extent that either Dril-Quip or Innovex currently has or is perceived by customers to have operational challenges, such as service performance, safety issues or workforce issues, those challenges may raise concerns by existing customers of the other company following the mergers, which may limit or impede the combined company's future ability to obtain additional work from those customers.

Certain of the stockholders of the combined company will have the ability to exercise significant influence over certain corporate actions following completion of the mergers.

Following the mergers, Amberjack and its affiliates are expected to collectively own approximately 43% of the combined company's outstanding common stock. As a result, these stockholders could have significant influence over the outcome of matters requiring a stockholder vote, including the election of directors, the adoption of any amendment to the combined company's bylaws and the approval of mergers and other significant corporate transactions. Their influence over the combined company may have the effect of delaying or preventing a change of control or may adversely affect the voting and other rights of other stockholders. In addition, pursuant to the stockholders agreement, subject to certain exceptions, Amberjack and its affiliates are expected to have the right to designate four nominees for election to the combined company's nine-member board of directors. Finally, if these stockholders were in the future to sell all or a material number of shares of common stock, the market price of the combined company's common stock could be negatively impacted.

The bylaws of the combined company provide that the Court of Chancery of the State of Delaware and the federal district courts of the United States are the exclusive forums for substantially all disputes between the combined company and its stockholders, which could limit the combined company's stockholders' ability to obtain a favorable judicial forum for disputes with the combined company or its directors, officers or employees.

It is anticipated that the combined company will adopt an amendment to the Dril-Quip bylaws in substantially the form included in the proxy statement/prospectus as *Annex D* (the "amended bylaws"), which will provide that, to the fullest extent permitted by law, the Court of Chancery of the State of Delaware (or, if the Court of Chancery does not have, or declines to accept, jurisdiction, another state court or a federal court located within the State of Delaware) is the exclusive forum for any claims, including claims in the right of the combined company: (a) that are based upon a violation of a duty by a current or former director, officer, employee or stockholder in such capacity, or (b) as to which the DGCL confers jurisdiction upon the Court of Chancery. This provision would not apply to suits brought to enforce a duty or liability created by the Exchange Act or any other claim for which the U.S. federal courts have exclusive jurisdiction. The amended bylaws further provide that the sole and exclusive forum for any complaint asserting a cause of action arising under the Securities Act, to the fullest extent permitted by law, shall be the federal district courts of the United States. The enforceability of similar exclusive federal forum provisions in other companies' organizational documents has been challenged in legal proceedings, and while the Delaware Supreme Court has ruled that this type of exclusive federal forum provision is facially valid under Delaware law, there is uncertainty as to whether other courts would enforce such provisions and that investors cannot waive compliance with the federal securities laws and the rules and regulations thereunder. These exclusive forum provisions may limit a stockholder's ability to bring a claim in a judicial forum that it finds favorable for disputes with the combined company or its directors, officers or other employees, which may discourage such lawsuits against the combined company and its directors, officers and other employees. Alternatively, if a court were to find either exclusive forum provision in the combined company's bylaws to be inapplicable or unenforceable in an action, the combined company may incur additional costs associated with resolving such action in other jurisdictions, which could have a material adverse effect on its business, financial condition, and results of operations.

Other Risks Relating to Dril-Quip

Dril-Quip has identified a material weakness in Dril-Quip's internal control over financial reporting which, if not corrected, could affect the reliability of the combined company's financial statements and have other adverse consequences. Additional material weaknesses in internal controls over financial reporting may be identified, which may not be remedied in a timely manner.

Dril-Quip identified material weaknesses in its internal control over financial reporting during the year ended December 31, 2023. A "material weakness" is a deficiency, or combination of deficiencies, in internal control over financial reporting such that there is a reasonable possibility that a material misstatement of the annual or interim financial statements will not be prevented or detected on a timely basis.

A material weakness in Dril-Quip's internal control over financial reporting existed due to a classification error associated with an inventory write-down. As a result, Dril-Quip's management concluded that its internal control over financial reporting, as well as its disclosure controls and procedures, were not effective as of December 31, 2023. The specific factors leading to this conclusion are described in Part II, Item 9A. "Controls and Procedures" of Dril-Quip's Annual Report on Form 10-K/A, filed with the SEC on July 8, 2024. The material weakness identified by Dril-Quip's management relates to the design of internal controls over the financial statement classification of inventory write-downs. As a result of this deficiency, Dril-Quip's management classified the write-downs as Restructuring and other charges instead of Cost of goods sold. The material weakness led to an overstatement in Restructuring and other charges and an understatement of Cost of goods sold. As of December 31, 2023, this material weakness had not been remediated.

During the third quarter of 2024, Dril-Quip is implementing a remediation plan to update the design and implementation of controls to remediate the above-mentioned deficiency and enhance Dril-Quip's internal control environment.

Effective internal controls are necessary for the combined company to provide reliable financial reports, prevent fraud and operate successfully. Dril-Quip cannot assure that it has identified all, or that it will not in the future have additional, material weaknesses. If the material weaknesses are not remediated, any future material weaknesses related to financial reporting are identified or there are difficulties in implementing or improving internal controls or a failure to develop and maintain effective internal control over financial reporting, then the combined company's reputation and operating results could be harmed, the combined company could fail to meet its reporting obligations or it may have a restatement of its financial statements. Ineffective internal control over financial reporting could also cause investors to lose confidence in the combined company's reported financial information, which would harm the combined company's business and likely have a negative effect on the trading price of the combined company's shares of common stock.

As a result of entering into the merger agreement, Dril-Quip's business is and will be subject to the risks described above. In addition, Dril-Quip is, and following completion of the mergers, the combined company will be, subject to the risks described in Dril-Quip's Annual Report on Form 10-K, as amended, for the year ended December 31, 2023 as updated by subsequent Quarterly Reports on Form 10-Q, as amended, and Current Reports on Form 8-K, which are filed with the SEC and incorporated by reference into this proxy statement/prospectus. See "Where You Can Find More Information" for the location of information incorporated by reference into this proxy statement/prospectus.

Other Risks Relating to Innovex

As a result of entering into the merger agreement, Innovex's business is and will be subject to the risks described above. In addition, Innovex is, and following completion of the mergers, the combined company will be, subject to the following risks:

Innovex's business and financial performance depend primarily upon the general level of activity in the oil and natural gas industry, including the number of drilling rigs in operation, the number of oil and natural gas wells being drilled, the volume of production, the number of well completions and the level of well remediation activity and the corresponding capital expenditures by oil and natural gas companies within North America, the Middle East, Latin America and Europe, among other global markets. A decline in prices for oil and natural gas may have an adverse effect on Innovex's revenue, cash flows, profitability and growth.

Demand for most of Innovex's products and services depends primarily on the level of activity in the oil and natural gas industry in North America, the Middle East, Latin America and Europe, among other global markets. As a result, Innovex's operations are dependent on the levels of activity and capital spending in oil and natural gas exploration, development and production. A prolonged reduction in oil and natural gas prices would generally depress the level of oil and natural gas exploration, development, production, and well completion activity and would result in a corresponding decline in the demand for the products and services that Innovex

provides. The significant decline in oil and natural gas prices that occurred in 2020 caused a reduction in Innovex customers' spending and associated drilling and completion activities, which had an adverse effect on its revenue. While oil and natural gas prices have since increased, should prices again decline, similar declines in Innovex customers' spending would have an adverse effect on Innovex's revenue. In addition, a worsening of these conditions may result in a material adverse impact on certain of Innovex customers' liquidity and financial position resulting in further spending reductions, delays in the collection of amounts owing to Innovex and other similar impacts.

Many factors over which Innovex has no control affect the supply of and demand for, and Innovex customers' willingness to explore, develop and produce oil and natural gas, and therefore, influence the volumes Innovex can sell and the prices Innovex can charge for its products and services, including:

- the global supply of, and demand for, oil and natural gas;
- the level of prices, and expectations about future prices, of oil and natural gas;
- the level of global oil and natural gas exploration and production;
- the cost of exploring for, developing, producing and delivering oil and natural gas;
- the supply of and demand for Innovex's products and services;
- global or national health concerns, including health epidemics such as the COVID-19 pandemic;
- the expected decline rates of current production;
- inability to acquire or maintain necessary permits or mining or water rights;
- the price and quantity of foreign imports;
- political and economic conditions in oil and natural gas producing countries and regions, including the United States, the Middle East, Africa, Europe, Latin America and Russia;
- actions by the members of the Organization of the Petroleum Exporting Countries, Russia and other oil producing countries with respect to oil production levels and announcements of potential changes in such levels;
- speculative trading in crude oil and natural gas derivative contracts;
- the level of consumer product demand;
- the discovery rates of new oil and natural gas reserves;
- contractions in the credit market;
- the strength or weakness of the U.S. dollar;
- available pipeline and other transportation capacity;
- the levels of oil and natural gas storage;
- the proximity and capacity of oil and natural gas pipelines and other transportation facilities;
- adverse weather conditions and other natural disasters;
- U.S. and non-U.S. tax policy;
- U.S. and non-U.S. governmental approvals and regulatory requirements and conditions;
- the continued threat of terrorism and the impact of military and other action, including military action in the Middle East and the Russia-Ukraine war;
- technical advances affecting energy consumption;
- the price and availability of alternative fuels and energy sources;

- uncertainty in commodities markets and the ability of oil and natural gas producers to raise equity capital and debt financing;
- acquisition and divestiture activity among oil and natural gas producers;
- cyclical/seasonal business and dependence upon spending of Innovex customers;
- competition among oilfield service and equipment providers;
- changes in transportation regulations that result in increased costs or administrative burdens; and
- overall domestic and global economic conditions.

These factors and the volatility of the energy markets make it extremely difficult to predict future oil and natural gas price movements with any certainty. A decline in oil and natural gas prices may have a material adverse effect on Innovex's business, results of operations and financial condition.

The cyclical nature of the oil and natural gas industry may cause Innovex's operating results to fluctuate.

Innovex derives its revenues from companies in the oil and natural gas exploration and production and oilfield services industry, a historically cyclical industry with levels of activity that are significantly affected by the levels and volatility of oil and natural gas prices. Innovex has experienced, and may in the future experience, significant fluctuations in operating results as a result of the reactions of its customers to changes in oil and natural gas prices. For example, prolonged low commodity prices experienced by the oil and natural gas industry during 2015, 2016 and 2020, combined with adverse changes in the capital and credit markets, caused many exploration and production companies to reduce their capital budgets and drilling activity. This resulted in a significant decline in demand for oilfield services and products and adversely impacted the volume of products and services oilfield services companies could sell, and the prices oilfield services companies could charge for their products and services. In addition, a majority of the revenue Innovex earns is based upon product sales at market pricing. By selling its products at market pricing, Innovex is exposed to the risks of a rapid reduction in prices and resulting volatility in Innovex's revenues.

Innovex is subject to risks relating to existing international operations and expansion into new geographical markets.

Innovex continues to focus on expanding sales globally as part of its overall growth strategy and expects sales from outside the United States to continue to represent a significant and growing portion of its revenue. Innovex's international operations and global expansion strategy are subject to general risks related to such operations, including:

- political, social and economic instability and disruptions;
- export controls, economic sanctions, embargoes, import controls, duties and tariffs, and other trade restrictions;
- the imposition of duties and tariffs and other trade barriers;
- limitations on ownership and on repatriation or dividend of earnings;
- transportation delays and interruptions;
- labor unrest and current and changing regulatory environments;
- increased compliance costs, including costs associated with disclosure requirements and related due diligence;
- difficulties in staffing and managing multi-national operations;
- limitations on Innovex's ability to enforce legal rights and remedies;

- access to or control of networks and confidential information due to local government controls and vulnerability of local networks to cyber risks; and
- fluctuations in foreign currency exchange rates.

If Innovex is unable to successfully manage the risks associated with expanding its global business or adequately manage operational risks of its existing international operations, these risks could have a material adverse effect on Innovex's growth strategy into new geographical markets, its reputation, its business, results of operations, financial condition and cash flows.

Innovex often sells and rents products to International Oil Companies ("IOCs") and National Oil Companies ("NOCs"). Many IOCs and NOCs require products to undergo extensive registration and qualification processes before such product can be purchased or rented. This process can take several years to complete. Innovex will seek to undergo these registration and qualification processes for its current and future products, and there is no guarantee Innovex's products will successfully complete these processes, or if Innovex does, that such IOCs or NOCs will purchase or rent such products in the future.

Innovex must comply with export and import controls, economic sanctions and embargoes, and other international trade laws and regulations and any failure to comply with such laws and regulations could subject Innovex to liability and have a material adverse impact on its business, financial condition and results of operations.

Innovex conducts business globally, and its business activities and services are subject to import and export control laws and regulations, as well as economic sanctions and other international trade laws of the United States and other countries. Innovex must comply with U.S. export and import controls, economic sanctions, embargoes and other international trade laws, including the U.S. Commerce Department's Export Administration Regulations and economic sanctions regulations administered by the U.S. Department of the Treasury's Office of Foreign Assets Control and the U.S. Department of State. Although Innovex has instituted policies and procedures designed to promote compliance with such laws and regulations, violations of import or export control laws and regulations or economic sanctions, embargoes or other international trade laws could result in negative consequences to Innovex, including government investigations, sanctions, criminal or civil fines or penalties, more onerous compliance requirements, loss of authorizations or licenses needed to conduct aspects of its business, default under debt, reputational harm and other adverse consequences. Moreover, if any of Innovex's counterparties or jurisdictions where it conducts business becomes the target of economic sanctions, Innovex may face an array of issues, including, but not limited to, having to abandon the related project, being unable to recoup prior invested time and capital or being subject to lawsuits, investigations or regulatory proceedings that could be time consuming and expensive to respond to, and which could lead to criminal or civil fines or penalties. Furthermore, the laws and regulations concerning import activity, export recordkeeping and reporting, export control and economic sanctions are complex and constantly changing. These laws and regulations can cause delays in shipments and unscheduled operational downtime.

Innovex's operations outside the United States must comply with a number of U.S. and international regulations, violations of which could have a material adverse effect on Innovex's business, results of operations, and financial condition.

Innovex's operations outside the United States must comply with a number of U.S. and international regulations. For example, Innovex's operations in countries outside the United States are subject to the U.S. Foreign Corrupt Practices Act ("FCPA"), which prohibits U.S. companies and their agents and employees from providing anything of value to a foreign official for the purposes of influencing any act or decision of these individuals in their official capacity to help obtain or retain business, direct business to any person or corporate entity, or obtain any unfair advantage. Innovex's activities create the risk of unauthorized payments or offers of payments by Innovex's employees or agents that could be in violation of anti-corruption laws, even though some of these parties are not subject to Innovex's control. Innovex has internal control policies and procedures and has

implemented training and compliance programs for its employees and agents to promote and achieve compliance with the FCPA and other similar laws. However, Innovex cannot assure that its compliance policies, procedures and programs will always protect Innovex from unlawful acts committed by its employees or agents. Innovex is also subject to the risks that its employees and agents outside of the United States may fail to comply with other applicable laws. Violations of anti-corruption laws may result in severe criminal or civil sanctions, and Innovex may be subject to other liabilities, which could have a material adverse effect on its business, results of operations and financial condition. In addition, any major violations could have a significant effect on Innovex's reputation and consequently on Innovex's ability to win future business and maintain existing customer and supplier relationships.

Innovex is also required to comply with various complex U.S. and foreign tax laws, regulations and treaties. These laws, regulations and treaties can change frequently and significantly, and it is reasonable to expect changes in the future. If Innovex fails to comply with any of these tax laws, regulations or treaties, it could be subject to, among other things, civil and criminal prosecution, fines, penalties and confiscation of Innovex's assets, which could disrupt its ability to provide its products and services to its customers. Any of these events could have a material adverse effect on Innovex's business, financial condition, results of operations and cash flows.

The scope of Innovex's international operations subjects Innovex to risks from currency fluctuations that could adversely affect Innovex's liquidity, financial position and results of operations.

Innovex's non-U.S. operations generate significant revenues and earnings. Fluctuations in foreign currency exchange rates may affect product demand and may adversely affect the profitability in U.S. dollars of the products Innovex provides in international markets where payment for Innovex's products is made in the local currency. Innovex has significant operations in several key international and offshore markets, including the Middle East, Latin America and Europe, among others (together "International and Offshore markets"), where Innovex earned approximately 34% of its revenues in 2023. Although not all revenue is priced in local currency, Innovex's financial results are affected by currency fluctuations, and the impact of those currency fluctuations on the underlying economies. Innovex generally does not use financial instruments that exposes Innovex to significant risk involving foreign currency transactions; however, the relative size of Innovex's non-U.S. activities has a significant impact on reported operating results and its net assets. Therefore, as exchange rates change, Innovex's results can be materially affected.

Also, Innovex has a diverse supply chain that utilizes international vendors to provide certain services, including machining services, and source raw materials, component parts and finished products from countries other than that of the intended sale. This practice can give rise to foreign exchange risk.

Policy changes affecting international trade could adversely impact the demand for Innovex's products and its competitive position.

Changes in government policies on foreign trade and investment can affect the demand for Innovex's products and services, impact the competitive position of Innovex's products and services or prevent Innovex from being able to sell products and services in certain countries. Innovex's business benefits from free trade agreements, and efforts to withdraw from, or substantially modify such agreements, in addition to the implementation of more restrictive trade policies, such as more detailed inspections, higher tariffs, import or export licensing requirements, economic sanctions, anti-boycott laws, exchange controls or new barriers to entry, could have a material adverse effect on Innovex's results of operations, financial condition or cash flows. For example, Innovex is experiencing increased tariffs on certain of its products and product components from China, and dissolved its Russian subsidiary following the imposition of economic sanctions and export controls by the U.S. and other governments and counter measures by Russia. However, these tariffs and other trade policies have not ultimately had a material adverse effect on Innovex's results due to, among other reasons, the implementation of various mitigation efforts in conjunction with Innovex's supply chain and end market partners.

Innovex's business, financial condition and results of operations may be affected by economic sanctions and export controls, including those targeting Russia.

During 2014, the United States, the European Union and the United Kingdom and certain other countries imposed sanctions on certain sectors of the Russian economy, and on certain individuals and entities, and additional sanctions have been imposed since 2014, including with respect to the energy sector. In response to Russia's military action in Ukraine in 2022, the United States, the European Union and the United Kingdom, among others, have imposed significant economic sanctions and export control measures on Russia and others supporting Russia's military and political actions in Ukraine, including blocking or "asset freezing" sanctions on designated entities and individuals; restrictions on the Russian energy and financial sectors; blocking economic activity in certain areas of Ukraine not controlled by the Ukrainian government; prohibitions in relation to investment in Russia; prohibitions and restrictions relating to Russian origin oil and oil products; and export controls limiting the export of a wide range of goods and technical assistance to Russia. In response, Russia has implemented counter-sanctions, including restrictions on the divestment from Russian assets by foreign investors and restrictions on the payments of dividends and transfers of funds out of Russia by foreign investors. Existing and future economic sanctions, export controls, import controls and other measures, as well as the existing and potential further responses from Russia or other countries to such economic sanctions, and further tensions and military actions, could adversely affect the global economy and financial markets and could adversely affect Innovex's business, financial condition and results of operations.

Changes in U.S. and international tax rules and regulations, or interpretations thereof, may materially and adversely affect Innovex's cash flows, results of operations and financial condition.

Innovex is subject to income- and non-income-based taxes in the United States under federal, state and local jurisdictions and in the foreign jurisdictions in which it operates. Tax laws, regulations and administrative practices in various jurisdictions may be subject to significant change, with or without advance notice, due to economic, political and other conditions, and significant judgment is required in evaluating and estimating Innovex's provision and accruals for these taxes. Innovex's tax liabilities could be affected by numerous factors, such as changes in tax, accounting and other laws, regulations, administrative practices, principles and interpretations, the mix and level of earnings in a given taxing jurisdiction or Innovex's ownership or capital structure. For example, on August 16, 2022, the United States enacted the Inflation Reduction Act ("IRA"), which is highly complex, subject to interpretation, and contains significant changes to U.S. tax law. The U.S. Department of the Treasury and the IRS are expected to release further regulations and interpretive guidance implementing the legislation contained in the IRA, but the details and timing of such regulations are subject to uncertainty at this time. It is possible that the enactment of changes in the U.S. corporate tax system, including in connection with the IRA, could have a material effect on Innovex's consolidated cash taxes in the future.

Innovex faces significant competition that may cause Innovex to lose market share.

The oilfield services industry is highly competitive. The principal competitive factors impacting sales of Innovex's products are technology, service quality, safety track record and price. The market is also fragmented and includes numerous small companies capable of competing effectively in Innovex's markets on a local basis, as well as several large companies that possess substantially greater financial and other resources than Innovex does. Innovex's larger competitors' greater resources could allow those competitors to compete more effectively than Innovex can. For instance, Innovex's larger competitors may offer products at below-market prices or bundle ancillary products and services at no additional cost to Innovex's customers. Innovex competes with large national and multi-national companies that have longer operating histories, greater financial, technical and other resources and greater name recognition than Innovex does. Several of Innovex's competitors provide a broader array of products and services and have a stronger presence in more geographic markets.

Some jobs are awarded on a bid basis, which further increases competition based on price. Pricing is one of the primary factors in determining which qualified contractor is awarded a job. The competitive environment may be further intensified by mergers and acquisitions among oil and natural gas companies or other events that

have the effect of reducing the number of available customers. If competition remains the same or increases as a result of future industry downturns, Innovex may be required to lower its prices, which would adversely affect Innovex's results of operations. In the future, Innovex may lose market share or be unable to maintain or increase prices for its present products or to acquire additional business opportunities, which could have a material adverse effect on its business, financial condition, results of operations and cash flows.

Innovex's competitors may be able to respond more quickly to new or emerging technologies and services and changes in customer requirements. The amount of equipment available may exceed demand, which could result in active price competition.

In addition, competition among oilfield equipment providers is affected by each provider's reputation for safety and quality. Innovex cannot assure that it will be able to maintain its competitive position.

Innovex's business depends upon Innovex's ability to obtain specialized equipment, parts and key raw materials from third-party suppliers, and Innovex may be vulnerable to delayed deliveries and future price increases.

Innovex purchases certain parts and raw materials, as well as specialized equipment from third-party suppliers and affiliates. At times during the commodity price cycle, there is a high demand for oilfield services and extended lead times to obtain raw materials needed to provide these services. Even if Innovex has multiple suppliers of a particular raw material, there are occasionally shortages which lead to price increases. Any significant disruption in supply could affect Innovex's ability to obtain raw materials or satisfactory substitutes or could increase the cost of such raw materials or substitutes, which could have a material adverse effect on Innovex's liquidity, financial position and results of operations. Should Innovex's current suppliers be unable or unwilling to provide the necessary parts, raw materials or equipment or otherwise fail to deliver the products timely and in the quantities required, any resulting delays in the provision of Innovex's products could have a material adverse effect on Innovex's business, financial condition, results of operations and cash flows. In addition, future price increases for this type of parts, raw materials and equipment could negatively impact Innovex's ability to meet the current demands of its customers.

Innovex is subject to the risk of supplier concentration for certain product lines.

Certain of Innovex's product lines, including frac plugs and well intervention tools, depend on a limited number of third-party suppliers and vendors, including for supplies of certain raw materials. As a result of this concentration in some of its supply chains, Innovex's business and operations could be negatively affected if Innovex's key suppliers were to experience significant disruptions affecting the price, quality, availability or timely delivery of its products. The partial or complete loss of any one of Innovex's key suppliers, or a significant adverse change in the relationship with any of these suppliers, through consolidation or otherwise, would limit Innovex's ability to manufacture or sell certain of Innovex's products, or require Innovex to depend on costly alternatives, which may impact financial performance.

Innovex could lose customers or generate lower revenue, operating profits and cash flows if there are significant increases in the cost of raw materials or if Innovex is unable to obtain raw materials.

Innovex purchases raw materials, sub-assemblies and components for use in manufacturing operations, which exposes it to volatility in prices for certain commodities. Significant price increases for these commodities could adversely affect Innovex's operating profits. Additionally, like others in Innovex's industry, in 2023, Innovex faced, and continues to face considerable inflation in raw materials cost. In addition to general inflationary pressures relating to the global economy reopening, adverse weather may also result in raw materials supply chain disruptions, that can lead to short-term raw material cost inflation. International conflicts or other geopolitical events, such as the continuing Russia-Ukraine war, may also cause upward pressure on raw materials costs due to transportation disruptions, higher manufacturing costs, disruptions in supply chains and availability

of raw materials, interruptions in manufacturing operation, and heightened inflation. While Innovex will generally attempt to mitigate the impact of increased raw material prices by endeavoring to make strategic purchasing decisions, broadening its supplier base and passing along increased costs to customers, there may be a time delay between the increased raw material prices and the ability to increase the prices of Innovex's products. For example, one of Innovex's product families depends on alloying elements such as magnesium, with China providing the majority of the world supply. Prices for alloying elements like magnesium are subject to constant volatility and may increase significantly from time to time. The inability to obtain necessary raw materials on acceptable terms could affect Innovex's ability to meet customer commitments and satisfy demand for certain products. Public health threats, such as the COVID-19 pandemic, severe influenza and other highly communicable viruses or diseases, in addition to international conflicts or other geopolitical events or extreme weather events could limit access to vendors and its facilities, or the ability to transport raw materials from Innovex's vendors, which would adversely affect Innovex's ability to obtain necessary raw materials for certain of its products or increase the costs of such materials. A significant price increase in or the unavailability of raw materials may result in a loss of customers and adversely impact Innovex's business, results of operations, financial condition and cash flows, and could result in asset impairments, including an impairment of the carrying value of Innovex's goodwill.

Innovex is exposed to counterparty credit risk. Nonpayment and nonperformance by Innovex's customers, suppliers or vendors could adversely impact Innovex's operations, cash flows and financial condition.

Weak economic conditions, volatility in the banking sector and/or widespread financial distress could reduce the liquidity of Innovex's customers, suppliers or vendors, making it more difficult for them to meet their obligations to Innovex. Severe financial problems encountered by Innovex customers, suppliers and vendors could limit Innovex's ability to collect amounts owed to it or to enforce the performance of obligations owed to it under contractual arrangements and/or limit its ability to enter into future contractual arrangements with such customers, suppliers or vendors. In the event that any of Innovex's customers were to enter into bankruptcy, Innovex could lose all or a portion of the amounts owed to it by such customer, and Innovex may be forced to cancel all or a portion of its contracts with such customer at significant expense to Innovex.

In addition, nonperformance by suppliers or vendors who have committed to provide Innovex with critical products or services could raise Innovex's costs or interfere with its ability to successfully conduct its business. These factors, combined with volatile prices of oil and natural gas, may precipitate a continued economic slowdown and/or a recession.

Growth in drilling and completion activity, and Innovex's ability to benefit from such growth, could be adversely affected by any significant constraints in equipment, labor or takeaway capacity in the regions in which Innovex operates.

Growth in drilling and completion activity may be impacted by, among other things, the availability and cost of oil country tubular goods, pipeline capacity, and material and labor shortages. Should significant growth in activity occur there could be concerns over availability of the equipment, materials and labor required to drill and complete a well, together with the ability to move the produced oil and natural gas to market. Should significant constraints develop that materially impact the efficiency and economics of oil and natural gas producers, growth in drilling and completion activity could be adversely affected. This would have an adverse impact on the demand for Innovex's products, which could have a material adverse effect on Innovex's business, results of operations and cash flows.

Equipment failures or production curtailments or shutdowns at Innovex's manufacturing and production facilities could adversely affect Innovex's manufacturing capability.

Innovex's manufacturing capacity is subject to equipment failures and the risk of catastrophic loss due to unanticipated events, such as fires, explosions and adverse weather conditions. Innovex's manufacturing processes depend on critical pieces of equipment. Such equipment may, on occasion, be out of service as a result

of unanticipated failures, which could require Innovex to close part or all of the relevant manufacturing and production facility or cause it to reduce production on one or more of Innovex's product lines. Any interruption in manufacturing capability may require Innovex to make significant and unanticipated capital expenditures to effect repairs, which could have a negative effect on Innovex's profitability and cash flows. Innovex carries extra expense coverage; however, recoveries under insurance coverage that it currently maintains or may obtain in the future may not be sufficient to completely offset the lost revenues or increased costs resulting from a disruption of Innovex's operations. A sustained disruption to Innovex's business could also result in delays to or cancellations of customer orders and contractual penalties, which may also negatively impact Innovex's reputation among its customers. Any or all of these occurrences could have a material adverse effect on Innovex's business, results of operations, financial condition and prospects.

Innovex relies on a few key employees whose absence or loss could adversely affect Innovex's business.

Many key responsibilities within Innovex's business have been assigned to a small number of employees. Innovex depends on its current senior management for the implementation of Innovex's strategy and the supervision of its day-to-day activities. However, there can be no assurance that these individuals will continue to make their services available to Innovex in the future. The loss of their services could adversely affect Innovex's business. In particular, the loss of the services of one or more members of Innovex's senior management team could disrupt Innovex's operations. The loss or diminution of the services of Innovex's senior management or an inability to attract and retain additional senior management personnel could have a material adverse effect on Innovex's business, financial condition, results of operations and prospects. Further, competition in Innovex's industry for personnel with relevant expertise is intense due to the relatively small number of qualified individuals, and this competition could affect Innovex's ability to retain its existing senior management and attract additional suitably qualified senior management personnel. As a result, the departure of key managers could have a material adverse effect on Innovex's business, financial condition, results of operations and prospects. Innovex does not maintain "key person" life insurance policies on any of Innovex's employees. As a result, Innovex is not insured against any losses resulting from the death of Innovex's key employees.

If Innovex is unable to employ a sufficient number of skilled and qualified workers, Innovex's capacity and profitability could be diminished and Innovex's growth potential could be impaired.

Many of Innovex's products are mechanically complex and often must perform in extremely challenging conditions. The design and delivery of Innovex's products requires skilled and qualified technical personnel with specialized skills and experience, and Innovex's ability to be productive and profitable will depend upon Innovex's ability to employ and retain skilled workers. In addition, Innovex's ability to expand its operations depends in part on its ability to increase the size of its skilled labor force. The demand for skilled workers is high, and the supply is limited. As a result, competition for experienced personnel is intense, and Innovex faces significant challenges in competing for crews and management with large and well-established competitors. A significant increase in the wages paid by competing employers could result in a reduction of Innovex's skilled labor force, increases in the wage rates that Innovex must pay, or both. If either of these events were to occur, Innovex's capacity and profitability could be diminished and its growth potential could be impaired.

A negative shift in investor sentiment of the oil and natural gas industry has had and could in the future have adverse effects on Innovex's customers' operations, its business and on its access to investors and financing.

Certain segments of the investor community have developed negative sentiment towards investing in Innovex's industry. Equity returns over the last decade in the sector versus other industry sectors have led to lower oil and natural gas and related services representation in certain key equity market indices. Investors and lenders may factor historical returns into future investment and financing decisions. In addition, some investors, including investment advisors and certain sovereign wealth funds, pension funds, university endowments and family foundations, have stated policies to disinvest in the oil and natural gas sector based on their social and environmental considerations. Certain other stakeholders have also pressured commercial and investment banks and other lenders and investors to stop financing oil and natural gas production and related infrastructure.

projects, which adversely affects Innovex's customers. Such developments, including environmental activism and initiatives aimed at limiting climate change and reducing air pollution, could result in downward pressure on the stock prices of oilfield service companies, including Innovex's stock price. While a substantial number of banks and financing sources remain active in investments related to the oil and natural gas and oilfield services industries, it is possible that the investment avoidance or limitation theme could expand in the future and restrict access to capital for Innovex's customers and for companies like Innovex.

In addition, organizations that provide information to investors on corporate governance and related matters have developed ratings processes for evaluating companies on their approach to environmental, social and governance matters. Such ratings are used by some investors to inform their investment and voting decisions. Unfavorable environmental, social and governance ratings and recent activism directed at shifting funding away from companies with fossil fuel-related assets could lead to increased negative investor sentiment toward Innovex and its customers and to the diversion of investment to other industries, which could have a negative impact on Innovex's business and both Innovex's and its customers' access to and cost of capital. Also, institutional lenders may decide not to provide funding for fossil fuel energy companies based on climate change-related concerns, which could affect Innovex's or its customers' access to capital for potential growth projects. Reputational value is based in large part on perceptions of subjective qualities, and even isolated incidents may erode trust and confidence and have adverse effects on Innovex's business and financial results, particularly if it results in adverse publicity or widespread reaction on social media.

Innovex's ability to access capital and credit markets or borrow on affordable terms to obtain additional capital could be limited.

From time to time, Innovex may need to access capital or credit markets to obtain financing. Innovex's ability to access capital or credit markets for financing could be limited by oil and natural gas prices, its capital structure, its credit ratings, the state of the economy, the health or market perceptions of the oil and natural gas industry, the liquidity or instability of the capital markets, regional banks or other lending institutions and environmental, social and governance considerations and other factors. Many of the factors that affect Innovex's ability to access capital and credit markets are outside of Innovex's control. Among other things, Innovex's lenders may seek to increase interest rates, enact tighter lending standards, refuse to refinance existing debt at maturity at favorable terms or at all and may reduce or cease to provide funding to Innovex. While Innovex seeks to diversify, and evaluate the risk exposure of, the financial institutions with which it does business, Innovex cannot guarantee that any such institution will not be placed into receivership or otherwise be negatively impacted by the current volatility in the banking sector. No assurance can be given that Innovex will be able to access capital or credit markets on terms acceptable to Innovex when required to do so, which could have a material adverse impact on Innovex's business, financial condition and results of operations.

The growth of Innovex's business through recently completed acquisitions and potential future acquisitions may expose Innovex to various risks, including those relating to difficulties in identifying suitable, accretive acquisition opportunities and integrating businesses, assets and personnel, as well as difficulties in obtaining financing for targeted acquisitions.

Innovex has pursued and intends to continue to pursue selected, accretive acquisitions of complementary assets and businesses. Acquisitions involve numerous risks, including:

- unanticipated costs and exposure to liabilities assumed in connection with the acquired business or assets, including, but not limited to, environmental liabilities and title issues;
- difficulties in integrating the operations and assets of the acquired business and the acquired personnel;
- complexities associated with managing a larger, more complex, integrated business;
- limitations on Innovex's ability to properly assess and maintain an effective internal control environment over an acquired business;
- potential losses of key employees, customers and business partners of the acquired business;

- performance shortfalls at one or both of the companies as a result of the diversion of management’s attention from their day-to-day responsibilities caused by completing an acquisition and integrating an acquired business;
- risks of entering markets in which Innovex has limited prior experience; and
- increases in Innovex’s expenses and working capital requirements.

The process of integrating an acquired business may involve unforeseen costs and delays or other operational, technical and financial difficulties, and may require a significant amount of time and resources. Difficulties may arise when integrating an acquired business’s operations and in realizing expected benefits and synergies from acquisitions. The integration process may involve unforeseen difficulties and may require a disproportionate amount of managerial and financial resources. The inability to successfully integrate the operations of acquired businesses may prevent consolidation savings and result in the incurrence of unanticipated costs and liabilities.

Failure to incorporate acquired businesses and assets into its existing operations successfully or to minimize any unforeseen operational difficulties could have a material adverse effect on the business, liquidity position, financial condition, prospects and results of operations. Furthermore, competition for acquisitions may increase the cost of or otherwise impede the completion of acquisitions.

In addition, insufficient capital resources would prevent the completion of any acquisitions. Historically, Innovex has financed its acquisitions primarily with funding from its equity investors, commercial borrowings and cash generated by operations, as well as equity consideration and debt financing arrangements. The combined company may incur substantial indebtedness to finance any future acquisitions and also may issue equity, debt or convertible securities in connection with such acquisitions. Debt service requirements could represent a significant burden on the combined company’s results of operations and financial condition, and the issuance of additional equity or convertible securities could be dilutive to the combined company’s stockholders. Furthermore, the combined company may not be able to obtain additional financing as needed or on satisfactory terms.

The combined company’s ability to continue to grow through acquisitions and manage growth will require the combined company to continue to invest in operational, financial and management information systems and to attract, retain, motivate and effectively manage its employees. The inability to effectively manage the integration of acquisitions could reduce the combined company’s focus on operations, which, in turn, could negatively impact its earnings and growth. The combined company’s financial position and results of operations may fluctuate significantly from period to period, based on whether or not significant acquisitions are completed in particular periods.

Inflation could adversely impact Innovex’s ability to control costs, including operating expenses and capital costs.

Although inflation has been relatively low in recent years, it rose significantly in the second half of 2021 and continued through 2023. In addition, global and industry-wide supply chain disruptions have resulted in shortages in labor, materials and services. Such shortages have resulted in inflationary cost increases for labor, materials and services and could continue to cause costs to increase, as well as a scarcity of certain products and raw materials. To the extent inflation remains elevated, Innovex may experience further cost increases for its operations, as well as increased labor costs. Innovex cannot predict any future trends in the rate of inflation, and a significant increase in inflation could negatively impact its business, financial condition and results of operations.

Disruptions in Innovex’s supply chain for materials and components and the resulting increase in equipment and logistics costs could adversely affect Innovex’s financial performance.

Innovex is subject to risk from fluctuating manufacturing costs of its products based on surging consumer demand. Prices of these manufacturing costs, including the components and materials of Innovex’s products,

may be affected by supply restrictions or other market factors from time to time. Innovex cannot predict whether the countries in which the components and materials are sourced, or may be sourced in the future, will be subject to new or additional trade restrictions, including the likelihood, type or effect of any such restrictions. Trade restrictions, including embargoes, safeguards and customs restrictions against certain components and materials, as well as labor strikes and work stoppages or boycotts, could increase the cost or reduce or delay the supply of components and materials available to Innovex and its vendors, which could delay or adversely affect the scope of Innovex's projects under development or construction and adversely affect its business, financial condition or results of operations.

Innovex's indebtedness and liquidity needs could restrict its operations and make Innovex more vulnerable to adverse economic conditions.

Innovex's existing and future indebtedness, whether incurred in connection with acquisitions, operations or otherwise, and limited access to liquidity may adversely affect Innovex's operations and limit its growth, and Innovex may have difficulty making debt service payments on such indebtedness as payments become due. Innovex's level of indebtedness may affect its operations in several ways, including the following:

- increasing Innovex's vulnerability to general adverse economic and industry conditions;
- the covenants that are contained in the agreements governing Innovex's indebtedness could limit its ability to borrow funds, dispose of assets, pay dividends and make certain investments;
- Innovex's debt covenants could also affect its flexibility in planning for, and reacting to, changes in the economy and in its industry;
- any failure to comply with the financial or other debt covenants, including covenants that impose requirements to maintain certain financial ratios, could result in an event of default, which could result in some or all of Innovex's indebtedness becoming immediately due and payable;
- Innovex's level of debt could impair its ability to obtain additional financing, or obtain additional financing on favorable terms, in the future for working capital, capital expenditures, acquisitions or other general corporate purposes; and
- Innovex's business may not generate sufficient cash flow from operations to enable Innovex to meet its obligations under its indebtedness.

Restrictions in Innovex's debt agreements and any future financing agreements may limit Innovex's ability to finance future operations, meet capital needs or capitalize on potential acquisitions and other business opportunities.

The operating and financial restrictions and covenants in existing and future debt agreements could restrict Innovex's ability to finance future operations, meet capital needs or expand or pursue its business activities. For example, Innovex's debt agreements restrict or limit its ability to:

- grant liens;
- incur additional indebtedness;
- engage in a merger, consolidation or dissolution;
- enter into transactions with affiliates;
- sell or otherwise dispose of assets, businesses and operations;
- substantially change the nature of Innovex's business as conducted at the closing of the mergers; and
- make acquisitions, capital expenditures or other investments and make dividends or repurchase Innovex's stock.

Furthermore, Innovex's debt agreements contain certain other operating and financial covenants, including the obligation to satisfy a certain fixed charge coverage ratio, a leverage ratio and a liquidity requirement. Innovex's ability to comply with the covenants and restrictions contained in its debt agreements may be affected by events beyond Innovex's control, including prevailing economic, financial and industry conditions. If market or other economic conditions deteriorate, Innovex's ability to comply with these covenants may be impaired. If Innovex violates any of the restrictions, covenants, ratios or tests in its debt agreements, all or a significant portion of Innovex's indebtedness may become immediately due and payable, and its lenders' commitment to make further loans to Innovex may terminate. Innovex might not have, or be able to obtain, sufficient funds to make these accelerated payments. Innovex's credit facility is secured by liens on substantially all of Innovex's assets and certain of its future subsidiaries and guarantees from certain of its future subsidiaries, and any acceleration of its debt obligations could result in a foreclosure on the collateral securing such debt. Innovex's debt agreements also require Innovex to make mandatory prepayments in certain circumstances, including a requirement to make a prepayment of the term loans with a certain percentage of Innovex's excess cash flow each year. This excess cash flow payment, and other future required prepayments, will reduce Innovex's cash available for investment in Innovex's business. Any subsequent replacement of Innovex's debt agreements or any new indebtedness could have similar or greater restrictions. Please see "*Innovex Management's Discussion and Analysis of Financial Condition and Results of Operations—Liquidity and Capital Resources—Credit Agreement.*"

An increase in interest rates would increase the cost of servicing Innovex's indebtedness and could reduce its profitability, decrease its liquidity and impact its solvency.

A number of Innovex's existing debt agreements provide for, and its future debt agreements may provide for, debt incurred thereunder to bear interest at variable rates. As a result, increases in interest rates could increase the cost of servicing such indebtedness and materially reduce Innovex's profitability and cash flows.

Innovex's operations and its customers' operations are subject to unforeseen interruptions and hazards inherent in the oil and natural gas industry, for which Innovex and its customers may not be adequately insured and which could cause Innovex to lose customers and substantial revenue.

Innovex's operations and its customers' operations are exposed to the risks inherent to its industry, such as equipment defects, vehicle accidents, fires, explosions, blowouts, surface cratering, uncontrollable flows of gas or well fluids, pipe or pipeline failures, abnormally pressured formations and various environmental hazards, such as oil spills and releases of, and exposure to, hazardous substances. In addition, Innovex's operations and its customers' operations are exposed to potential natural disasters, including blizzards, tornadoes, storms, floods, other adverse weather conditions and earthquakes. The occurrence of any of these events could result in substantial losses to Innovex or its customers due to injury or loss of life, severe damage to or destruction of property, natural resources and equipment, pollution or other environmental damage, clean-up responsibilities, regulatory investigations and penalties or other damage resulting in curtailment or suspension of Innovex's operations or its customers' operations. The cost of managing such risks may be significant. The frequency and severity of such incidents may affect operating costs, insurability and relationships with customers, employees and regulators. Innovex's customers may elect not to purchase Innovex's products and services if they view its environmental or safety record as unacceptable, which could cause Innovex to lose customers and substantial revenues.

Innovex's insurance may not be adequate to cover all losses or liabilities it may suffer. Furthermore, Innovex may be unable to maintain or obtain insurance of the type and amount it desires at reasonable rates. As a result of market conditions, premiums and deductibles for certain of Innovex's insurance policies have increased and could escalate further. In addition, sub-limits have been imposed for certain risks. In some instances, certain insurance could become unavailable or available only for reduced amounts of coverage. If Innovex was to incur a significant liability for which it is not fully insured, it could have a material adverse effect on Innovex's business, results of operations and financial condition. In addition, Innovex may not be able to secure additional insurance or bonding that might be required by new governmental regulations. This may cause Innovex to restrict its operations, which might severely impact its financial position.

A terrorist attack or armed conflict could harm Innovex's business.

Terrorist activities, anti-terrorist efforts and other armed conflicts involving the United States could adversely affect the U.S. and global economies and could prevent Innovex from meeting financial and other obligations. Innovex could experience loss of business, delays or defaults in payments from payors or disruptions of fuel supplies and markets if pipelines, production facilities, processing plants, refineries or transportation facilities are direct targets or indirect casualties of an act of terror or war. Such activities could reduce the overall demand for oil and natural gas, which, in turn, could also reduce the demand for Innovex's products. Terrorist activities and the threat of potential terrorist activities and any resulting economic downturn could adversely affect Innovex's results of operations, impair its ability to raise capital or otherwise adversely impact its ability to realize certain business strategies.

Innovex designs, manufactures, sells, rents and installs products that are used in oil and natural gas exploration, development and production activities, which may subject Innovex to liability, including claims for personal injury, property damage, environmental contamination and other regulatory fines and penalties should such equipment fail to perform to specifications.

Innovex provides products and systems to customers involved in oil and natural gas exploration, development and production. Some of Innovex's equipment is designed to operate in high-temperature and/or high-pressure environments, and some equipment is designed for use in hydraulic fracturing operations. Because of applications to which Innovex's products are exposed, particularly those involving high pressure environments, a failure of such equipment, or a failure of Innovex's customers or its contractors to maintain or operate the equipment properly, could cause damage to the equipment, damage to the property of customers and others, personal injury and environmental contamination and could negatively impact customer relationships, which could subsequently have an adverse effect on Innovex's business, results of operations and cash flows.

Innovex's customers typically assume responsibility for, including control and removal of, all pollution or contamination which may occur during operations, including that which may result from seepage or any other uncontrolled flow of drilling fluids. Losses due to catastrophic events, such as blowouts, are generally the responsibility of the customer. However, Innovex may have liability in such cases if it is negligent or commits willful acts. In addition, Innovex typically has mutual indemnification agreements with customers on a "knock-for-knock" basis, which generally means that Innovex and its customers assume liability for Innovex's respective personnel, subcontractors and property. As a result of this allocation of risk, Innovex may be liable for certain losses, which could be substantial. Furthermore, despite the general allocation of risk whereby Innovex customers have agreed to assume responsibility for or indemnify Innovex against certain liabilities, Innovex might not succeed in enforcing such contractual allocation or might incur an unforeseen liability falling outside the scope of such allocation. Litigation arising from a catastrophic occurrence at a location where Innovex's products and equipment are being used may result in Innovex being named as a defendant in lawsuits asserting large claims. In addition, Innovex's customers may be unable to satisfy indemnification claims against them. As a result, Innovex may incur substantial losses which could materially and adversely affect Innovex's financial condition and results of operations.

In addition, Innovex relies on third-party insurance as part of Innovex's risk mitigation strategy. However, Innovex's insurance may not be adequate to cover its liabilities. Further, insurance companies may refuse to honor its policies, or insurance may not generally be available in the future, or if available, premiums may not be commercially justifiable. Innovex could incur substantial liabilities and damages that are either not covered by insurance or that are in excess of policy limits, or incur liability at a time when it is not able to obtain liability insurance. Such potential liabilities could have a material adverse effect on Innovex's business, results of operations and cash flows.

Oilfield anti-indemnity provisions enacted by many U.S. states may restrict or prohibit a party's indemnification of Innovex.

Innovex typically enters into agreements with its customers governing the provision of Innovex's services, which usually include certain indemnification provisions for losses resulting from operations. Such agreements may require each party to indemnify the other against certain claims regardless of the negligence or other fault of the indemnified party; however, many states place limitations on contractual indemnity agreements, particularly agreements that indemnify a party against the consequences of its own negligence. Furthermore, certain states, including Louisiana, New Mexico, Texas and Wyoming, have enacted statutes generally referred to as "oilfield anti-indemnity acts" expressly prohibiting certain indemnity agreements contained in or related to oilfield services agreements. Such oilfield anti-indemnity acts may restrict or void a party's indemnification of Innovex, which could have a material adverse effect on Innovex's business, results of operations and cash flows.

Innovex does not carry insurance against all potential risks and losses, and Innovex's insurance might be inadequate to cover all of its losses or liabilities or may not be available on commercially reasonable terms.

Innovex has a limited, and potentially insufficient, insurance coverage for expenses and losses that may arise in connection with the quality of Innovex's products, property damage, work-related accidents and occupational illnesses, natural disasters and environmental contamination. Innovex does not have insurance coverage for loss of profits or other losses caused by the death or incapacitation of Innovex's senior management. Losses or liabilities arising from these or other such events could increase Innovex's costs and could have a material adverse effect on its business, financial condition, results of operations and prospects.

Seasonal weather conditions, natural disasters, public health crises, and other catastrophic events outside of Innovex's control could severely disrupt normal operations and harm Innovex's business.

Innovex's operations are located in different regions of the United States and around the world. Some of these areas are adversely affected by seasonal weather conditions, primarily in the winter and spring. However, as evidenced by the severe winter weather experienced in the southern United States and Canada during February 2021, weather-related hazards can exist in almost all the areas where Innovex operates. During periods of heavy snow, ice or rain, Innovex may be unable to obtain adequate supplies of raw material or fuel or receive products shipped by a third party, and its employees may be unable to travel to supervise and manage implementation of Innovex's products and services, thereby reducing Innovex's ability to provide its products and technologies and generate revenues. The exploration activities of Innovex's customers may also be affected during such periods of adverse weather conditions. Additionally, extended drought conditions in Innovex's operating regions could impact Innovex's or its customers' ability to source sufficient water or increase the cost for such water. As a result, a natural disaster or inclement weather conditions could severely disrupt the normal operation of Innovex's business and adversely impact Innovex's financial condition and results of operations. Climate change may exacerbate the likelihood or intensity of such natural disasters or inclement weather conditions. Furthermore, if the area in which Innovex operates or the market demand for oil and natural gas is affected by a public health crisis, such as the COVID-19 pandemic, or other similar catastrophic events outside of Innovex's control, its business and results of operations could suffer.

Innovex's estimates of market opportunity and forecasts of market growth may prove to be inaccurate.

Even if Innovex's total addressable market ("TAM") estimates are accurate or the markets in which Innovex competes achieve the forecasted growth, Innovex's business could fail to grow at similar rates, if at all. Market estimates and growth forecasts, including those of Rystad Energy and Innovex's management, are uncertain and based on assumptions and estimates that may be inaccurate. The size of Innovex's TAM depends on a number of factors, including changes in the competitive landscape, technological changes, customer budgetary constraints, changes in business practices, changes in the regulatory environment, changes in economic conditions and the price Innovex can charge for its products and services. Innovex's estimates relating to the size of Innovex's TAM may prove to be inaccurate. Even if the markets in which Innovex competes meet the size estimates and growth

rates it estimates or forecasts, Innovex's business could fail to grow at similar rates, if at all, which could cause the trading price of its common stock to decline or be volatile.

Innovex has identified material weaknesses in Innovex's internal control over financial reporting which, if not corrected, could affect the reliability of the combined company's financial statements and have other adverse consequences. Additional material weaknesses in internal controls over financial reporting may be identified, which may not be remedied in a timely manner.

Innovex identified material weaknesses in its internal control over financial reporting during the year ended December 31, 2023. A "material weakness" is a deficiency, or combination of deficiencies, in internal control over financial reporting such that there is a reasonable possibility that a material misstatement of the annual or interim financial statements will not be prevented or detected on a timely basis.

Innovex did not design and maintain effective controls related to the accounting for income taxes at a sufficient level of precision or rigor to prepare, review and reconcile the income tax provision, related income tax assets and liabilities and corresponding valuation allowance and the income tax disclosures in Innovex's consolidated financial statements. In addition, Innovex did not design and maintain effective controls related to the review of the accounting for income taxes as a result of its failure to employ personnel with adequate expertise to identify and evaluate complex income tax accounting matters. These findings resulted in material weaknesses in Innovex's internal control over financial reporting during the year ended December 31, 2023. The material weaknesses described above resulted in audit adjustments to deferred tax assets and liabilities, the income tax valuation allowance and related disclosures as of and for the year ended December 31, 2023.

Innovex has taken steps towards remediating these material weaknesses primarily by designing and implementing additional internal controls, including those related to (i) the preparation and review of the income tax provision, related income tax assets and liabilities and corresponding valuation allowance, and the income tax disclosures in Innovex's consolidated financial statements to ensure the mathematical accuracy and completeness of information underlying the income tax provision conclusions are sufficient to timely identify potential misstatements, and (ii) the employment of personnel with adequate expertise to identify and evaluate complex income tax accounting matters. Although Innovex has been in the process of remedial action to address the internal control deficiencies that led to the material weaknesses, Innovex was not able to fully remediate these deficiencies in 2023 and is unable to assure that the measures it has taken to date and it expects to take in the future will be sufficient to remediate the material weaknesses it identified or avoid the identification of additional material weaknesses in the future.

Effective internal controls are necessary for the combined company to provide reliable financial reports, prevent fraud and operate successfully. Innovex cannot assure that it has identified all, or that it will not in the future have additional, material weaknesses. If the material weaknesses are not remediated, any future material weaknesses related to financial reporting are identified or there are difficulties in implementing or improving internal controls or a failure to develop and maintain effective internal control over financial reporting, then the combined company's reputation and operating results could be harmed, the combined company could fail to meet its reporting obligations or it may have a restatement of its financial statements. Ineffective internal control over financial reporting could also cause investors to lose confidence in the combined company's reported financial information, which would harm the combined company's business and likely have a negative effect on the trading price of the combined company's shares of common stock.

Risks Related to Environmental and Regulatory Matters

Innovex's operations and the operations of Innovex's customers are subject to environmental, health and safety laws and regulations, and future compliance, claims, and liabilities relating to such matters may have a material adverse effect on Innovex's results of operations, financial position or cash flows.

The nature of Innovex's customers' operations, including the sourcing, handling, transporting and disposing of a variety of fluids and substances, including hydraulic fracturing fluids, such as produced water, and other

regulated substances, air emissions, and wastewater discharges exposes Innovex's customers to some risk of environmental liability, including the release of pollutants from oil and natural gas wells and associated equipment to the environment. Failure of Innovex's customers to properly handle, transport or dispose of these materials or otherwise conduct its operations in accordance with environmental, health and safety laws could expose such customers to substantial liability for administrative, civil and criminal penalties, cleanup and site restoration costs and liability associated with the release of such materials, damages to natural resources and other damages, which could have an adverse effect on Innovex's business, results of operations and cash flows. Innovex is also subject to laws and regulations associated with equipment manufacturing operations, including the processing, and the related storage, handling, transportation and disposal of raw materials, products and wastes. The cost of compliance with these laws can be significant.

Additionally, environmental, health and safety laws and regulations have changed in the past, and they may change in the future and become more stringent. Current and future claims and liabilities with respect to environmental, health and safety laws may have a material adverse effect on both Innovex and its customers because of potential adverse outcomes, defense costs, diversion of management resources, unavailability of insurance coverage and other factors. If existing environmental, health and safety requirements or enforcement policies change, Innovex may be required to make significant unanticipated operating expenditures.

Innovex's operations, and those of its customers, are subject to a series of risks arising from climate change.

Climate change continues to attract considerable public and scientific attention. As a result, numerous proposals have been made and are likely to continue to be made at the international, national, regional and state levels of government to monitor and limit emissions of carbon dioxide, methane and other greenhouse gases ("GHGs"). These efforts have included consideration of cap-and-trade programs, carbon taxes, GHG reporting and tracking programs and regulations that directly limit GHG emissions from certain sources.

In the United States, no comprehensive climate change legislation has been implemented at the federal level. However, President Biden has established addressing climate change as a priority of his administration and has issued several executive orders addressing climate change. Additionally, in 2021 and 2022, President Biden signed into law the Infrastructure Investment and Jobs Act and the Inflation Reduction Act, which contain billions of dollars in incentives and other provisions to advance the investment, development, and deployment of alternative energy sources and technologies. Moreover, following the U.S. Supreme Court finding that GHG emissions constitute a pollutant under the federal Clean Air Act ("CAA"), the U.S. Environmental Protection Agency (the "EPA") has adopted regulations that, among other things, establish construction and operating permit reviews for GHG emissions from certain large stationary sources, require the monitoring and annual reporting of GHG emissions from certain petroleum and natural gas system sources in the United States, and together with the Department of Transportation, set GHG emissions and fuel economy standards for vehicles in the United States. The regulation of methane from oil and natural gas facilities has been subject to uncertainty in recent years. The EPA previously had promulgated new source performance standards ("NSPS") imposing limitations on methane emissions from sources in the oil and natural gas sector. Subsequently, in September 2020, the Trump Administration rescinded those methane standards and removed the transmission and storage segments from the oil and natural gas source category under the CAA's NSPS. However, in June 2021, President Biden signed a resolution passed by the U.S. Congress under the Congressional Review Act nullifying the September 2020 rule, effectively reinstating the prior standards. In December 2023, the EPA announced new, final regulations to expand NSPS requirements for oil and natural gas sector sources and establish comprehensive standards of performance and emission guidelines for methane and volatile organic compound emissions from existing operations in the oil and natural gas sector, including the exploration and production, transmission, processing, and storage segments. Once finalized, the regulations are likely to be subject to legal challenge and will also need to be incorporated into the states' implementation plans, which will need to be approved by the EPA in individual rulemakings that could also be subject to legal challenge. These new standards, to the extent implemented, could result in increased costs for Innovex customers and consequently adversely affect demand for Innovex products.

Separately, various states and groups of states have adopted or are considering adopting legislation, regulation or other regulatory initiatives that are focused on such areas as GHG cap and trade programs, carbon taxes, reporting and tracking programs, and restriction of emissions. For example, several states, including Pennsylvania and New Mexico, have proposed or adopted regulations restricting the emission of methane from exploration and production activities. At the international level, in December 2015, the United States participated in the 21st Conference of the Parties of the United Nations Framework Convention on Climate Change in Paris, France. The resulting “Paris Agreement” requires member states to submit non-binding, individually determined reduction goals known as “Nationally Determined Contributions” every five years after 2020. In April 2021, President Biden announced a goal of reducing the U.S.’s emissions by 50-52% below 2005 levels by 2030. In November 2021, in connection with the 26th Conference of the Parties in Glasgow, Scotland, the United States and other world leaders made further commitments to reduce greenhouse gas emissions, including reducing global methane emissions by at least 30% by 2030 from 2020 levels. More than 150 countries have now signed on to this pledge. Most recently, at the 28th Conference of the Parties in the United Arab Emirates, world leaders agreed to transition away from fossil fuels in a just, orderly and equitable manner and to triple renewables and double energy efficiency globally by 2030. The impacts of these orders, pledges, agreements, and any legislation or regulation promulgated to fulfill the United States’ commitments under the Paris Agreement, cannot be predicted at this time.

Governmental, scientific, and public concern over the threat of climate change arising from GHG emissions has resulted in increasing political risks in the United States, including climate change related pledges made by certain candidates now in public office. On January 27, 2021, President Biden issued an executive order that calls for substantial action on climate change, including, among other things, the increased use of zero-emission vehicles by the federal government, the elimination of subsidies provided to the fossil fuel industry, and increased emphasis on climate-related risks across government agencies and economic sectors. The Biden Administration has also issued orders temporarily suspending the issuance of authorizations, and suspending the issuance of new leases pending a study, for oil and natural gas development on federal lands. As a result, Innovex cannot predict the full impact of these developments or whether the Biden Administration may pursue further restrictions. Other actions that could be pursued by the Biden Administration may include the imposition of more restrictive requirements for the establishment of pipeline infrastructure or the permitting of liquefied natural gas (“LNG”) export facilities, as well as more restrictive GHG emission limitations for oil and natural gas facilities. Litigation risks are also increasing as a number of entities have sought to bring suit against various oil and natural gas companies in state or federal court, alleging among other things, that such companies created public nuisances by producing fuels that contributed to climate change or alleging that the companies have been aware of the adverse effects of climate change for some time but defrauded their investors or customers by failing to adequately disclose those impacts.

There are also increasing financial risks for fossil fuel producers as stockholders currently invested in fossil fuel energy companies may elect in the future to shift some or all of their investments into non-fossil fuel related sectors. Institutional lenders who provide financing to fossil fuel energy companies also have become more attentive to sustainable lending practices and some of them may elect not to provide funding for fossil fuel energy companies. There is also a risk that financial institutions will be required to adopt policies that have the effect of reducing the funding provided to the fossil fuel sector. Limitation of investments in and financing for fossil fuel energy companies could result in the restriction, delay or cancellation of drilling programs or development or production activities. Additionally, the SEC recently proposed new rules relating to the disclosure of a range of climate-related risks. Innovex is currently assessing this rule but at this time it cannot predict the costs of implementation or any potential adverse impacts resulting from the rule. To the extent this rule is finalized as proposed, Innovex or its customers could incur increased costs related to the assessment and disclosure of climate-related risks. In addition, enhanced climate disclosure requirements could accelerate the trend of certain stakeholders and lenders restricting or seeking more stringent conditions with respect to its investments in certain carbon intensive sectors.

The adoption and implementation of new or more stringent international, federal or state legislation, regulations or other regulatory initiatives that impose more stringent standards for GHG emissions from the oil and natural gas sector or otherwise restrict the areas in which this sector may produce oil and natural gas or generate the GHG emissions could result in increased costs of compliance or costs of consuming, and thereby reduce demand for oil and natural gas, which could reduce demand for Innovex's products. Additionally, litigation and financial risks may result in Innovex customers restricting or cancelling production activities, incurring liability for infrastructure damages as a result of climatic changes, or impairing its ability to continue to operate in an economic manner, which also could reduce the demand for its products. One or more of these developments could have a material adverse effect on Innovex's business, financial condition and results of operations.

Finally, many scientists have concluded that increasing concentrations of GHG in the atmosphere may produce climate changes that have significant physical effects, such as increased frequency and severity of storms, droughts, and floods and other climate events that could have an adverse effect on Innovex's and its customers' operations.

Federal, state and local legislative and regulatory initiatives relating to hydraulic fracturing as well as governmental reviews and investment practices for such activities may serve to limit future oil and natural gas exploration and production activities and could have a material adverse effect on Innovex's results of operations and business.

Various federal, state and local legislative and regulatory initiatives have been, or could be undertaken which could result in additional requirements or restrictions being imposed on hydraulic fracturing operations. Currently, hydraulic fracturing is generally exempt from federal regulation under the Safe Drinking Water Act Underground Injection Control (the "SDWA UIC") program and is typically regulated by state oil and natural gas commissions or similar agencies. However, certain federal agencies have increased scrutiny and regulation. For example, in late 2016, the EPA released a final report on the potential impacts of hydraulic fracturing on drinking water resources, concluding that "water cycle" activities associated with hydraulic fracturing may impact drinking water resources under certain limited circumstances. Additionally, the EPA has asserted regulatory authority pursuant to the SDWA UIC program over hydraulic fracturing activities involving the use of diesel fuel in the fracturing fluid and issued guidance of such activities. Furthermore, the U.S. Bureau of Land Management (the "BLM") published a final rule in 2015 that established stringent standards relating to hydraulic fracturing on federal and Native American lands. The rule was rescinded by the BLM under the Trump Administration in 2017, but the rescission is currently on appeal to the U.S. Court of Appeals for the Ninth Circuit and new or more stringent regulations may be promulgated by the Biden administration. Similarly, the EPA has adopted rules on the capture of methane and other emissions released during hydraulic fracturing. In addition to federal regulatory actions, legislation has been introduced, but not enacted, in U.S. Congress to provide for federal regulation of hydraulic fracturing and to require disclosure of the chemicals used in the hydraulic fracturing process.

Separately, the Biden Administration has taken action to restrict exploration and production activities, including hydraulic fracturing, on public lands. Many states and local governments have also adopted regulations that impose more stringent permitting, disclosure, disposal and well-construction requirements on hydraulic fracturing operations, including states where Innovex or its customers operate, such as Texas, Colorado and North Dakota. States could also elect to place prohibitions on hydraulic fracturing, as several states have already done. In addition, some states have adopted broader sets of requirements related to oil and natural gas development more generally that could impact hydraulic fracturing activities. Separately, state and federal regulatory agencies have at times focused on a possible connection between hydraulic fracturing related activities, including the underground injection of wastewater into disposal wells, and the increased occurrence of seismic activity. Regulators in some states have imposed, or are considering imposing, additional requirements in the permitting of produced water disposal wells or otherwise to assess any relationship between seismicity and

the use of such wells. To the extent any new regulations are adopted to restrict hydraulic fracturing activities or the disposal of fluids associated with such activities, it may adversely affect Innovex customers and, as a result, demand for its products.

Increased regulation and attention given to the hydraulic fracturing process could lead to greater opposition to, and litigation concerning, oil and natural gas production activities using hydraulic fracturing techniques. Additional legislation or regulation could also lead to operational delays for Innovex customers or increased operating costs in the production of oil and natural gas, including from the developing shale plays, or could make it more difficult for Innovex customers to perform hydraulic fracturing. The adoption of any additional laws or regulations regarding hydraulic fracturing or further restrictions on the availability of capital for hydraulic fracturing could potentially cause a decrease in the completion of new oil and natural gas wells, increased compliance costs and time and an associated decrease in demand for Innovex's products. Such a decrease could have a material adverse effect on Innovex's liquidity, consolidated results of operations, and consolidated financial condition. Moreover, the increased competitiveness of alternative energy sources (such as wind, solar, geothermal, nuclear, tidal and biofuels) or increased focus on reducing the use of combustion engines in transportation (such as governmental mandates that ban the sale of new gasoline-powered automobiles) could reduce demand for hydrocarbons and therefore for Innovex products, which would lead to a reduction in its revenues and adversely affect its financial performance.

Conservation measures, commercial development and technological advances could reduce demand for oil and natural gas and Innovex's products.

Fuel conservation measures, alternative fuel requirements, increasing consumer demand for alternatives to oil and natural gas, technological advances in fuel economy and energy generation devices could reduce demand for oil and natural gas, resulting in reduced demand for oilfield services. The impact of the changing demand for oil and natural gas services and products may have a material adverse effect on Innovex's business, financial condition, results of operations and cash flows.

The commercial development of economically viable alternative energy sources and related products (such as electric vehicles, wind, solar, geothermal, nuclear, tidal, fuel cells and biofuels) could have a similar effect. In addition, certain U.S. federal income tax deductions currently available with respect to oil and natural gas exploration and development, including the allowance of percentage depletion for oil and natural gas properties, may be eliminated as a result of proposed legislation. Any future decreases in the rate at which oil and natural gas reserves are discovered or developed, whether due to the passage of legislation, increased governmental regulation leading to limitations, or prohibitions on exploration and drilling activity, including hydraulic fracturing, or other factors, could have a material adverse effect on Innovex's business and financial condition, even in a stronger oil and natural gas price environment.

Additional restrictions on drilling activities intended to protect certain species of wildlife may adversely affect Innovex's ability to conduct completion activities.

In the United States, the Endangered Species Act (the "ESA") restricts activities that may affect endangered or threatened species or their habitats. Similar protections are offered to migratory birds under the Migratory Bird Treaty Act (the "MBTA"). To the extent species that are listed under the ESA or similar state laws, or are protected under the MBTA, inhabit the areas where Innovex customers operate, the operations of its customers could be adversely impacted. Moreover, drilling activities may be delayed, restricted or precluded in protected habitat areas or during certain seasons, such as breeding and nesting seasons. The listing of new species under the ESA in the areas where Innovex customers operate similarly has the potential to adversely impact its operations and demand for its products as a result of restrictions on oil and natural gas activities. The U.S. Fish and Wildlife Service and similar state agencies may also designate critical or suitable habitat areas that they believe are necessary for the survival of threatened or endangered species. The designation of previously unidentified endangered or threatened species or their habitat could cause the operations of Innovex customers to become subject to operating restrictions or bans, and limit future development activity in affected areas.

Risks Related to Technology Advancement

New technology may cause Innovex to become less competitive.

The oilfield services industry is subject to the introduction of new drilling and completions techniques and services using new technologies, some of which may be subject to patent or other intellectual property protections. Although Innovex believes its products and technologies currently give it a competitive advantage, as competitors and others use or develop new or comparable technologies in the future, Innovex may lose market share or be placed at a competitive disadvantage. Further, Innovex may face competitive pressure to develop, implement or acquire certain new technologies at a substantial cost. Some of Innovex's competitors have greater financial, technical and personnel resources that may allow them to enjoy various competitive advantages in the development and implementation of new technologies. Innovex cannot be certain that it will be able to continue to develop and implement new technologies or products. Limits on Innovex's ability to develop, bring to market, effectively use and implement new and emerging technologies may have a material adverse effect on Innovex's business, results of operations and financial condition, including a reduction in the value of assets replaced by new technologies.

To compete in its industry, Innovex must continue to develop new technologies and products to support its operations, secure and maintain patents related to Innovex's current and new technologies and products and protect and enforce Innovex's intellectual property rights.

The markets for Innovex's products are characterized by continual technological developments. Innovex may face competition in the future from companies using new technologies and new systems. If Innovex cannot continue to develop and market innovative technologies to meet customers' requirements, its business may not expand and grow as planned. For Innovex to keep pace with technological changes and remain competitive, it will need to continue to make significant investments in new technologies and research and development, including to design and launch new products and services. New technologies may also be protected by third party patents or other intellectual property rights and therefore may not be available for Innovex's use or protection. Further, alternative products and services may be developed which may compete with or displace Innovex's products. Innovex may not be able to successfully differentiate its products from those of its competitors. Innovex's clients may not consider its proposed products to be of value to them; or if the proposed products are of a competitive nature, Innovex's clients may not view them as superior to its competitors' products. If Innovex is not able to develop commercially competitive products in a timely manner in response, Innovex's ability to service its customers' demands may be adversely affected. Innovex's future ability to develop new products and technologies in order to support its operations depends on Innovex's ability to design and produce products that allow it to meet the needs of Innovex customers and third parties on an integrated basis and obtain and maintain patent protection.

Innovex may encounter resource constraints, technical barriers, or other difficulties that would delay introduction of new products in the future. Innovex's competitors may introduce new products or obtain patents before Innovex does and achieves a competitive advantage. Additionally, the time and expense invested in product development may not result in commercial applications. In addition, continuing development or acquisition of new products inherently carries the risk of inventory obsolescence with respect to Innovex's older products.

While Innovex believes that it is not dependent on any one patent to protect its material technology, obtaining patent protection for Innovex's products is an important component of its overall competitive business strategy. Innovex holds, as of December 31, 2023, approximately 300 U.S. and international patent properties, which give the owner of a patent the right to exclude third parties from making, using, selling, and offering for sale the inventions claimed in the patents in the applicable country. Patent rights do not necessarily grant the owner of a patent the right to practice the invention claimed in a patent, but merely the right to exclude others from practicing the invention claimed in the patent. Patent laws and their implementation vary throughout the world. Some foreign countries do not protect intellectual property rights to the same extent as U.S. laws. Further, policing the unauthorized use of Innovex's intellectual property in foreign jurisdictions may be difficult.

Therefore, Innovex's intellectual property rights may not be as strong or as easily enforced outside of the United States. It may also be possible for a third party to design around Innovex's patents. Furthermore, patent rights have territorial limits. Some of Innovex's work will be conducted in international waters and would, therefore, not fall within the scope of any country's patent jurisdiction. Innovex may not be able to enforce its patents against infringement occurring in international waters and other "non-covered" territories. Also, Innovex does not have patents in every jurisdiction in which it conducts business and its patent portfolio will not protect all aspects of its business and may relate to obsolete or unusual methods, which would not prevent third parties from entering the same market.

Innovex's attempt to limit access to and distribution of its technology and trade secrets by customarily entering into confidentiality agreements with Innovex's employees, customers and potential customers and suppliers. However, Innovex's rights in its confidential information, trade secrets, and confidential know-how will not prevent third parties from independently developing similar information. Publicly available information (for example, information in expired issued patents, published patent applications, and scientific literature) can also be used by third parties to independently develop technology. Innovex cannot provide assurance that this independently developed technology will not be equivalent or superior to Innovex's proprietary technology.

In addition, Innovex may become involved in legal proceedings from time to time to protect and enforce its intellectual property rights. Further, Innovex's intellectual property rights may not have the value that management believes it to have and such value may change over time as Innovex and others develop new product designs and improvements.

If Innovex is unable to obtain patents, licenses and other intellectual property rights covering its products, Innovex's operating results may be adversely affected.

Innovex's success depends, in part, on Innovex's ability to obtain patents, licenses and other intellectual property rights covering its products. To that end, Innovex has obtained certain patents and intends to continue to seek patents on some of its inventions, technologies and products. While Innovex has patented some of its key technologies, it does not patent all of its proprietary technology, even when regarded as patentable. The process of seeking patent protection can be long and expensive. Further, there can be no assurance that patents will be issued from currently pending or future applications or that, if patents are issued, they will be of sufficient scope or strength to provide meaningful protection or any commercial advantage to Innovex. In addition, effective copyright and trade secret protection may be unavailable or limited in certain countries. Litigation, which could demand significant financial and management resources, may be necessary to enforce Innovex's patents or other intellectual property rights. Also, there can be no assurance that Innovex can obtain licenses or other rights to necessary intellectual property on acceptable terms. Failure to secure adequate protection for Innovex's intellectual property rights could result in its competitors offering similar services and products, potentially resulting in the loss of some of Innovex's competitive advantage, which could adversely affect its business, prospects, financial condition and operating results.

Technology disputes could negatively impact Innovex's operations or increase its costs.

Innovex's products use proprietary technology and equipment, which can involve potential infringement of a third party's rights, or a third party's infringement of Innovex's rights, including patent rights. The majority of the intellectual property rights relating to Innovex's products are owned by Innovex. However, in the event that Innovex or one of its customers becomes involved in a dispute over infringement of intellectual property rights relating to equipment or technology owned or used by Innovex, services performed by Innovex or products provided by Innovex, it may lose access to important equipment or technology or its ability to provide its products, or it could be required to cease use of some equipment or technology or forced to modify Innovex's equipment, technology or products. Innovex could also be required to pay license fees or royalties for the use of equipment or technology or products. In addition, Innovex may lose a competitive advantage in the event it is unsuccessful in enforcing its rights against third parties. Regardless of the merits, any such claims may result in significant legal and other costs, including reputational harm, and may strain Innovex's resources. Some of

Innovex's competitors and current and potential vendors have a substantial amount of intellectual property related to new equipment and technologies. Innovex cannot guarantee that its equipment, technology or products will not be determined to infringe currently issued or future issued patents or other intellectual property rights belonging to others, including, without limitation, situations in which Innovex's equipment, technology or products may be covered by patent applications filed by other parties. Technology disputes involving Innovex or its customers or supplying vendors could have a material adverse impact on Innovex's business, financial condition, cash flows and results of operations.

Innovex's failure to protect its proprietary information and any successful intellectual property challenges against Innovex could materially and adversely affect Innovex's competitive position.

The protection of Innovex's intellectual property rights is essential to maintaining Innovex's competitive position and recognizing the value of Innovex's investments in technology and intellectual property in its existing and future products. Innovex relies on patent and trade secret protection for certain aspects of Innovex's technology, in part through confidentiality and other written agreements with Innovex's employees, consultants and third parties. Through these and other written agreements, Innovex attempts to control access to and distribution of its intellectual property documentation and other proprietary technology information. Despite Innovex's efforts to protect its proprietary rights, former employees, consultants or third parties may, in an unauthorized manner, attempt to use, copy or otherwise obtain and market or distribute Innovex's intellectual property rights or technology or otherwise develop a product with the same functionality as Innovex's technology. Policing unauthorized use of Innovex's intellectual property rights is difficult, and nearly impossible on a worldwide basis. Therefore, Innovex cannot be certain that the steps it has taken or will take in the future will prevent misappropriation of its technology or intellectual property rights.

Innovex also actively pursues patent protection for its proprietary technology and intellectual property. The process of seeking patent protection can be long and expensive and Innovex cannot be certain that any currently pending or future applications will actually result in issued patents, or that, even if patents are issued, they will be respected by third parties. In addition, Innovex's competitors may be able to develop technology independently that is similar to Innovex's without infringing on Innovex's patents or gaining access to Innovex's trade secrets, and this could have a similar effect on Innovex's competitive position.

Intellectual property litigation and threats of litigation are becoming more common in the oilfield services industry. Innovex may in the future be involved in litigation, in the United States or abroad, to enforce Innovex's patents or other intellectual property rights or to protect its trade secrets and know-how. These actions can require multiple years to come to resolution or settlement, and even if Innovex ultimately prevails, it may be unable to realize adequate protection of Innovex's competitive position. In addition, these actions commonly result in counteractions by the affected third parties to attack the validity of Innovex's patents. While Innovex intends to prosecute these actions vigorously, there is no guarantee of success, and such effort takes significant financial and management resources from Innovex. In the event that one or more of Innovex's patents are challenged, a court or the United States Patent and Trademark Office ("USPTO") may invalidate the patent(s) or determine that the patent(s) is not enforceable, which could harm Innovex's competitive position. If Innovex's patents are invalidated, or if the scope of the claims in any of these patents is limited by a court or USPTO decision, Innovex could be prevented from pursuing certain litigation matters or licensing the invalidated or limited portion of such patents. Such adverse decisions could negatively impact Innovex's future, expected revenue. Patent litigation, if necessary or when instituted against Innovex, could result in substantial costs and divert Innovex's management's attention and resources.

Innovex may be subject to claims that its employees, consultants, or advisors have wrongfully used or disclosed alleged trade secrets of its current or former employers or claims asserting ownership of what Innovex regard as its own intellectual property.

Many of Innovex's employees and consultants are currently or were previously employed at other companies in Innovex's field, including its competitors or potential competitors. Although Innovex tries to

ensure that its employees and consultants do not use the proprietary information or know-how of others in their work for Innovex, Innovex may be subject to claims that it or these individuals have used or disclosed intellectual property, including trade secrets or other proprietary information, of any such individual's current or former employer. Litigation may be necessary to defend against these claims. If Innovex fails in defending any such claims, in addition to paying monetary damages, it may lose valuable intellectual property rights or personnel. Even if Innovex is successful in defending against such claims, litigation could result in substantial costs and be a distraction to management.

In addition, while it is Innovex's policy to require its employees and contractors who may be involved in the conception or development of intellectual property to execute agreements assigning such intellectual property to Innovex, Innovex may be unsuccessful in executing such an agreement with each party who, in fact, conceives or develops intellectual property that it regards as its own. The assignment of intellectual property rights may not be self-executing, or the assignment agreements may be breached, and Innovex may be forced to bring claims against third parties or defend claims that they may bring against it to determine the ownership of what Innovex regards as its intellectual property. Any of the foregoing could have a material adverse effect on Innovex's business, financial condition, results of operations and prospects.

Innovex may be adversely affected by disputes regarding intellectual property rights of third parties.

Third parties from time to time may initiate litigation against Innovex by asserting that the conduct of Innovex's business infringes, misappropriates or otherwise violates intellectual property rights. Innovex may not prevail in any such legal proceedings related to such claims, and Innovex's products and services may be found to infringe, impair, misappropriate, dilute or otherwise violate the intellectual property rights of others. If Innovex is sued for infringement and loses, it could be required to pay substantial damages and/ or be enjoined from using or selling the infringing products or technology. Any legal proceeding concerning intellectual property could be protracted and costly regardless of the merits of any claim and is inherently unpredictable and could have a material adverse effect on Innovex's financial condition, regardless of its outcome.

If Innovex was to discover that its technologies or products infringe valid intellectual property rights of third parties, it may need to obtain licenses from these parties or substantially re-engineer Innovex's products in order to avoid infringement. Innovex may not be able to obtain the necessary licenses on acceptable terms, or at all, or be able to re-engineer Innovex's products successfully. If Innovex's inability to obtain required licenses for Innovex's technologies or products prevents it from selling Innovex's products, that could adversely impact Innovex's financial condition and results of operations.

Additionally, Innovex currently licenses certain third-party intellectual property in connection with Innovex's business, and the loss of any such license could adversely impact Innovex's financial condition and results of operations.

If Innovex is not able to design, develop, and produce commercially competitive products, Innovex's business and consolidated results of operations and the value of Innovex's intellectual property could be materially and adversely affected.

The market for Innovex's products is characterized by continual technological developments to provide better and more reliable performance and enhanced product offerings. If Innovex is not able to design, develop, and produce commercially competitive products in a timely manner in response to changes in the market, customer requirements, competitive pressures, and technology trends, Innovex's business and consolidated results of operations and the value of Innovex's intellectual property could be materially and adversely affected. Likewise, if Innovex's proprietary technologies, equipment, facilities, or work processes become obsolete, Innovex's business may no longer be competitive, and Innovex's consolidated results of operations could be materially and adversely affected.

Innovex is subject to cyber security risks. A cyber incident could occur and result in information theft, data corruption, operational disruption and/or financial loss.

The oil and natural gas industry has become increasingly dependent on digital technologies to conduct certain processing activities. At the same time, cyber incidents, including deliberate attacks or unintentional events, have increased. The U.S. government has issued public warnings that indicate that energy assets might be specific targets of cyber security threats. Innovex's technologies, systems and networks, and those of Innovex's customers, vendors, suppliers and other business partners, may become the target of cyberattacks or information security breaches that could result in the unauthorized release, gathering, monitoring, misuse, loss or destruction of proprietary and other information, or other disruption of Innovex's business operations. In addition, certain cyber incidents, such as surveillance, may remain undetected for an extended period. Innovex's systems for protecting against cyber security risks may not be sufficient. As cyber incidents continue to evolve, Innovex may be required to expend additional resources to continue to modify or enhance Innovex's protective measures or to investigate and remediate any vulnerability to cyber incidents.

Innovex has experienced IT system disruptions and cyberattacks in the past, and a failure of Innovex's IT infrastructure and cyberattacks could adversely impact it in the future.

Innovex depends on its IT systems for the efficient operation of its business. Accordingly, Innovex relies upon the capacity, reliability and security of Innovex's IT hardware and software infrastructure and Innovex's ability to expand and update this infrastructure in response to Innovex's changing needs. Despite Innovex's implementation of security measures, Innovex's systems are vulnerable to damage from computer viruses, natural disasters, incursions by intruders or hackers, failures in hardware or software, power fluctuations, cyber terrorists and other similar disruptions. Additionally, Innovex relies on third parties to support the operation of its IT hardware and software infrastructure, and in certain instances, utilize web-based applications. Innovex routinely monitors its systems for IT disruptions and cyberattacks and has processes in place to detect and remediate vulnerabilities. Nevertheless, Innovex has experienced occasional IT disruptions, cyberattacks and attempted breaches, including attacks resulting from phishing emails. Innovex responded to and mitigated the impact of these incidents. The failure of Innovex's IT systems or those of its vendors to perform as anticipated for any reason or any significant breach of security could disrupt Innovex's business and result in numerous adverse consequences, including reduced effectiveness and efficiency of operations, inappropriate disclosure of confidential and proprietary information, reputational harm, increased overhead costs, loss of important information, theft or misappropriation of funds, violation of privacy or other laws, and exposure to litigation or indemnity claims, including resulting from customer-imposed cybersecurity controls or other related contractual obligations, which could have a material adverse effect on Innovex's business and results of operations. In addition, Innovex may be required to incur significant costs to protect against damage caused by these disruptions or security breaches in the future.

SPECIAL MEETING

General

This proxy statement/prospectus is being provided to Dril-Quip stockholders as part of a solicitation of proxies by the Dril-Quip Board for use at the special meeting. This proxy statement/prospectus provides Dril-Quip stockholders with important information about the special meeting and should be read carefully in its entirety.

Date, Time and Place of the Special Meeting

The special meeting of Dril-Quip stockholders will be held at Dril-Quip's executive offices at 2050 West Sam Houston Parkway S., Suite 1100, Houston, Texas 77042, on September 5, 2024, at 9:30 a.m., local time.

Purpose of the Special Meeting

The special meeting of Dril-Quip stockholders is being held to consider and vote on:

1. a proposal to approve the issuance of shares of Dril-Quip common stock to Innovex stockholders in the mergers contemplated by the merger agreement for purposes of complying with Section 312.03(c) of the NYSE's Listed Company Manual and, in the event such issuance constitutes a change of control, Section 312.03(d) of the NYSE's Listed Company Manual;
2. a proposal to approve an amendment of Dril-Quip's certificate of incorporation;
3. a non-binding advisory basis, upon six separately presented proposals to approve certain governance provisions in the charter amendment to, among other things, (i) increase the number of authorized shares of Dril-Quip's common stock from 100 million to 200 million, (ii) limit the personal liability of corporate officers for money damages for breaches of their fiduciary duty of care in accordance with Section 102(b)(7) of the DGCL and (iii) waive corporate opportunities obligations, with respect to Amberjack and certain of its affiliates;
4. a proposal to approve the Innovex 2024 long-term incentive plan;
5. a non-binding advisory basis, the compensation that may be paid or become payable to Dril-Quip's named executive officers that is based on or otherwise relates to the mergers; and
6. a proposal to approve the adjournment of the special meeting to solicit additional proxies if there are not sufficient votes at the time of the special meeting to approve the merger proposals.

Completion of the mergers is conditioned on approval by Dril-Quip stockholders of the merger proposals, but not the 2024 LTIP proposal, the non-binding compensation proposal or the adjournment proposal.

Recommendation of the Dril-Quip Board

The Dril-Quip Board unanimously recommends that Dril-Quip stockholders vote "FOR" the stock issuance proposal, "FOR" the charter amendment proposal, "FOR" the non-binding governance proposals, "FOR" the 2024 LTIP proposal, "FOR" the non-binding compensation proposal and "FOR" the adjournment proposal.

This proxy statement/prospectus contains important information regarding the merger proposals, the 2024 LTIP proposal, the non-binding compensation proposal and the adjournment proposal and factors that Dril-Quip stockholders should consider when deciding how to cast their votes. Dril-Quip stockholders are encouraged to read the entire document carefully, including the annexes to and documents incorporated by reference into this proxy statement/prospectus, for more detailed information regarding the merger agreement, including the mergers and other transactions contemplated by the merger agreement, and the merger proposals, the non-binding compensation proposal and the adjournment proposal.

Voting by Directors and Executive Officers

On the record date, Dril-Quip directors and executive officers, as a group, beneficially owned and were entitled to vote 513,813 shares of Dril-Quip common stock, or approximately 1.5% of the issued and outstanding shares of Dril-Quip common stock. Although none of them has entered into any agreement obligating them to do so as a director or executive officer of Dril-Quip, Dril-Quip currently expects that all of its directors and executive officers will vote their shares “**FOR**” the stock issuance proposal, “**FOR**” the charter amendment proposal, “**FOR**” the non-binding governance proposals, “**FOR**” the 2024 LTIP proposal, “**FOR**” the non-binding compensation proposal and “**FOR**” the adjournment proposal.

Record Date

The Dril-Quip Board has fixed the close of business on August 5, 2024 as the record date for the determination of the Dril-Quip stockholders entitled to receive notice of, and to vote at, the special meeting. The Dril-Quip stockholders of record on the record date are the only Dril-Quip stockholders that are entitled to receive notice of, and to vote at, the special meeting.

Outstanding Shares and Voting Rights of Dril-Quip Stockholders

At the close of business on the record date, 34,452,230 shares of Dril-Quip common stock were issued and outstanding, held of record by 16 holders. Each share of Dril-Quip common stock outstanding on the record date is entitled to one vote on each proposal and any other matter coming before the special meeting.

Stockholder List

A list of the Dril-Quip stockholders of record who are entitled to vote at the special meeting will be available at the special meeting for examination by any stockholder present at such meeting.

Quorum

No business may be transacted at the special meeting unless a quorum is present. Holders of shares of Dril-Quip common stock entitling them to exercise a majority of the voting power of Dril-Quip entitled to vote at the special meeting, present in person or represented by proxy, will constitute a quorum for the transaction of business to be considered at such meeting. Abstentions and broker non-votes will be included in determining whether a quorum is present at the special meeting. A “broker non-vote” occurs when a nominee (such as a broker) holding shares for a beneficial owner abstains from voting on a particular proposal because the nominee does not have discretionary voting power for that proposal and has not received instructions from the beneficial owner on how to vote those shares.

Adjournment

The special meeting may be adjourned from time to time by the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of the outstanding shares of Dril-Quip common stock, present in person or represented by proxy at the special meeting and entitled to vote thereon, regardless of whether there is a quorum, without further notice other than by an announcement made at the special meeting. If a quorum is not present at the special meeting, or if a quorum is present at the special meeting but there are not sufficient votes at the time of the special meeting to approve the merger proposals, then Dril-Quip stockholders may be asked to approve the adjournment proposal to adjourn the special meeting in order to permit the further solicitation of proxies. Regardless of whether there is a quorum, the Chairperson of the special meeting may also adjourn the special meeting.

No notice of the reconvened meeting is required to be given if the date, time and place are announced at the special meeting unless the reconvened meeting is more than 30 days after the date for which notice was

originally given. At any reconvened special meeting at which a quorum is present, (i) any business may be transacted that may have been transacted at the special meeting had a quorum been present and (ii) all proxies will be voted in the same manner as the manner in which such proxies would have been voted at the original convening of the special meeting, except for any proxies that have been validly revoked or withdrawn prior to the subsequent meeting.

Vote Required

The required votes to approve the proposals are as follows:

- The stock issuance proposal requires the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of votes properly cast on such proposal. Assuming a quorum is present, shares that are not present in person or by proxy, abstentions and broker non-votes (if any) will have no effect on the vote for this proposal.
- The charter amendment proposal requires the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of the outstanding shares of Dril-Quip common stock. Assuming a quorum is present, shares that are not present in person or by proxy, abstentions and broker non-votes (if any) will have the same effect as a vote "AGAINST" the approval of such proposal.
- The non-binding governance proposals requires the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of votes properly cast on such proposal. Assuming a quorum is present, shares that are not present in person or by proxy, abstentions and broker non-votes (if any) will have no effect on the vote for such proposal.
- The 2024 LTIP proposal requires the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of votes properly cast on such proposal. Assuming a quorum is present, shares that are not present in person or by proxy, abstentions and broker non-votes (if any) will have no effect on the vote for this proposal.
- The non-binding compensation proposal requires the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of votes properly cast on such proposal. Assuming a quorum is present, shares that are not present in person or by proxy, abstentions and broker non-votes (if any) will have no effect on the vote for this proposal.
- The adjournment proposal requires the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of the outstanding shares of Dril-Quip common stock present in person or represented by proxy at the special meeting and entitled to vote on the proposal, regardless of whether there is a quorum. Shares that are not present in person or by proxy and broker non-votes (if any) will have no effect on the vote for this proposal; however, abstentions will have the same effect as a vote "AGAINST" the approval of such proposal.

Voting of Proxies by Holders of Record

If you were a record holder of Dril-Quip common stock at the close of business on the record date for the special meeting, a proxy card is enclosed for your use. Dril-Quip requests that you vote your shares as promptly as possible by (i) accessing the internet site listed on the Dril-Quip proxy card, (ii) calling the toll-free number listed on the Dril-Quip proxy card or (iii) submitting your Dril-Quip proxy card by mail by using the provided self-addressed, stamped envelope. Information and applicable deadlines for voting through the internet or by telephone are set forth on the enclosed proxy card. When the accompanying proxy is returned properly executed, the shares of Dril-Quip common stock represented by it will be voted at the special meeting in accordance with the instructions contained in the proxy card. Your internet or telephone vote authorizes the named proxies to vote your shares in the same manner as if you had marked, signed and returned a proxy card.

If a proxy is returned without an indication as to how the shares of Dril-Quip common stock represented are to be voted with regard to a particular proposal, the Dril-Quip common stock represented by the proxy will be

voted in accordance with the recommendation of the Dril-Quip Board of directors and, therefore, “**FOR**” the stock issuance proposal, “**FOR**” the charter amendment proposal, “**FOR**” the non-binding governance proposals, “**FOR**” the 2024 LTIP proposal, “**FOR**” the non-binding compensation proposal and “**FOR**” the adjournment proposal.

At the date hereof, the Dril-Quip Board of directors has no knowledge of any business that will be presented for consideration at the special meeting and that would be required to be set forth in this proxy statement/prospectus or the related proxy card other than the matters set forth in Dril-Quip’s notice of special meeting of stockholders. If any other matter is properly presented at the special meeting for consideration, it is intended that the persons named in the enclosed form of proxy and acting thereunder will vote in accordance with their best judgment on such matter.

Your vote is important. Accordingly, if you were a record holder of Dril-Quip common stock on the record date for the special meeting, please sign and return the enclosed proxy card or vote via the internet or telephone regardless of whether you plan to attend the special meeting in person. Proxies submitted through the specified internet website or by phone must be received by 10:59 p.m., local time, on September 4, 2024 to ensure that the proxies are voted.

Shares Held in Street Name

If you hold shares of Dril-Quip common stock through a broker, bank or other nominee, you are considered the “beneficial holder” of the shares held for you in what is known as “street name.” The “record holder” of such shares is your broker, bank or other nominee, and not you, and you must provide the record holder of your shares with instructions on how to vote your shares. Please follow the voting instructions provided by your broker, bank or other nominee. Please note that you may not vote shares held in street name by returning a proxy card directly to Dril-Quip or by voting in person at the special meeting unless you have a “legal proxy,” which you must obtain from your broker, bank or other nominee. Furthermore, brokers, banks or other nominees who hold shares of Dril-Quip common stock on behalf of their customers may not give a proxy to Dril-Quip to vote those shares without specific instructions from their customers.

If you are a Dril-Quip stockholder and you do not instruct your broker, bank or other nominee on how to vote your shares, your broker, bank or other nominee may not vote your shares on any of the proposals.

Voting in Person

If you plan to attend the special meeting and wish to vote in person, you will be given a ballot at the special meeting. If you are a registered stockholder, please be prepared to provide proper identification, such as a driver’s license, at the special meeting. If your shares are held in “street name,” you must bring to the special meeting a proxy executed in your favor from the record holder (your broker, bank or other nominee) of the shares authorizing you to vote at the special meeting.

Proxies and Revocation

Dril-Quip stockholders of record may revoke their proxies at any time before their shares of Dril-Quip common stock are voted at the special meeting in any of the following ways:

- delivering written notice of revocation of the proxy to Dril-Quip’s corporate secretary at Dril-Quip’s principal executive offices at 2050 West Sam Houston Pkwy S., Suite 1100, Houston, Texas 77042, by no later than 10:59 pm local time on September 4, 2024;
- delivering another proxy with a later date to Dril-Quip’s corporate secretary at Dril-Quip’s principal executive offices at 2050 West Sam Houston Pkwy S., Suite 1100, Houston, Texas 77042, by no later than 10:59 pm local time on September 4, 2024 (in which case only the later-dated proxy is counted and the earlier proxy is revoked);

- submitting another proxy again via the internet or by telephone at a later date, by no later than 10:59 pm local time on September 4, 2024 (in which case only the later-dated proxy is counted and the earlier proxy is revoked); or
- attending the special meeting in person and voting his, her or its shares during the meeting; attendance at the special meeting will not, in and of itself, revoke a valid proxy that was previously delivered unless you give written notice of revocation to the Dril-Quip corporate secretary before the proxy is exercised or unless you vote your shares in person during the special meeting.

If your shares are held in “street name” through a broker, bank or other nominee and deliver voting instructions to the record holder of those shares, you may only revoke the voting of those shares in accordance with your instruction if the record holder revokes the original proxy as directed above and either resubmits a proxy reflecting your voting instructions or delivers to you a legal proxy giving you the right to vote the shares.

Solicitation of Proxies

Dril-Quip will pay for the proxy solicitation costs related to the special meeting. In addition to sending and making available these materials, some of Dril-Quip’s directors, officers and other employees may solicit proxies by contacting Dril-Quip stockholders by telephone, by mail, by e-mail or online. Dril-Quip stockholders may also be solicited by, among others, news releases issued by Dril-Quip and/or Innovex, postings on Dril-Quip’s or Innovex’s websites and social media accounts and advertisements in periodicals. None of Dril-Quip’s directors, officers or employees will receive any extra compensation for their solicitation services. Dril-Quip has also retained Morrow Sodali LLC as its proxy solicitor to assist in the solicitation of proxies. For these proxy solicitation services, Morrow Sodali LLC will receive an estimated fee of approximately \$20,000, plus reasonable out-of-pocket expenses and fees for any additional services. Dril-Quip will also reimburse banks, brokers, and other nominees for their expenses in sending proxy solicitation materials to the beneficial owners of shares of Dril-Quip common stock and obtaining their proxies.

Other Matters

At this time, Dril-Quip knows of no other matters to be submitted at the special meeting.

THE STOCK ISSUANCE PROPOSAL

This proxy statement/prospectus is being furnished to you as a stockholder of Dril-Quip as part of the solicitation of proxies by the Dril-Quip Board for use at the special meeting to consider and vote upon a proposal to approve the issuance of shares of Dril-Quip common stock in the mergers pursuant to the terms of the merger agreement, which is attached as *Annex A* to this proxy statement/prospectus.

Under the NYSE rules, a company listed on the NYSE is required to obtain stockholder approval prior to the issuance of common stock if (i) the number of shares of common stock to be issued in such transaction is equal to or in excess of 20% of the number of shares of common stock outstanding before the issuance of the common stock under Section 312.03(c) of the NYSE's Listed Company Manual or (ii) such issuance constitutes a change of control under Section 312.03(d) of the NYSE's Listed Company Manual. If the mergers are completed, it is currently estimated that Dril-Quip will issue approximately 33.0 million shares of Dril-Quip common stock in the mergers (including approximately 28.2 million shares of Dril-Quip common stock to Amberjack and its affiliates), which will exceed 20% of the shares of Dril-Quip common stock outstanding before such issuance, and such issuance may also constitute a change of control, and for these reasons Dril-Quip must obtain the approval of Dril-Quip stockholders for that issuance. The actual number of shares of Dril-Quip common stock to be issued pursuant to the merger agreement will be determined at the completion of the mergers based on the number of shares of Dril-Quip common stock outstanding immediately prior to such time, calculated on a fully diluted basis and the number of shares of Innovex common stock issued and outstanding immediately prior to such time, calculated on a fully diluted basis.

In the event the stock issuance proposal is approved by the Dril-Quip stockholders, but the merger agreement is terminated (without the mergers being completed) prior to the issuance of shares of Dril-Quip common stock pursuant to the merger agreement, Dril-Quip will not issue any shares of Dril-Quip common stock as a result of the approval of the stock issuance proposal.

THE DRIL-QUIP BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE STOCK ISSUANCE PROPOSAL.

THE CHARTER AMENDMENT PROPOSAL

Dril-Quip stockholders are being asked at the special meeting to consider and vote upon a proposal to approve an amendment to Dril-Quip's certificate of incorporation. If adopted by the Dril-Quip stockholders, the amendment would become effective upon filing of an appropriate certificate of amendment with the Secretary of State of the State of Delaware. The following is a summary of the key changes effected by the charter amendment, but this summary is qualified in its entirety by reference to the full text of the charter amendment, a copy of which is included as *Annex C*:

- **Increase to Authorized Capital Stock**—Dril-Quip's certificate of incorporation authorizes Dril-Quip to issue 110,000,000 shares of capital stock, consisting of (i) 100,000,000 shares of common stock, par value \$0.01 per share, and (ii) 10,000,000 shares of preferred stock, par value \$0.01 per share. The charter amendment authorizes the issuance of 210,000,000 shares of capital stock of the combined company, divided into 200,000,000 shares of common stock, par value \$0.01 per share, and 10,000,000 shares of preferred stock, par value \$0.01 per share. See "*Comparison of Stockholders' Rights—Authorized Capital Stock*" for additional information.
- **Composition of the Board of Directors**—Dril-Quip's certificate of incorporation provides that the number of directors of the Dril-Quip Board will not be less than three nor more than twelve. The charter amendment provides that the number of directors of the combined company board will not be less than three nor more than nine and requires that, so long as Amberjack has the right to designate one or more individuals for nomination to the combined company board (an "Amberjack Designee"), it shall be a director qualification that one of the members of the combined company board will be the person who is then serving as the Chief Executive Officer of the combined company (the "CEO Director"). See "*Comparison of Stockholders' Rights—Number of Directors and Size of Board*" for additional information.
- **Vacancies**—Dril-Quip's certificate of incorporation provides that newly created directorships resulting from any increase in the number of directors and any vacancies on the Dril-Quip Board resulting from death, disability, retirement, resignation, removal or other cause will be filled by the affirmative vote of a majority of the remaining directors then in office, even though less than a quorum of the Dril-Quip Board. The charter amendment provides that, so long as Amberjack has the right to designate at least one individual for nomination to the combined company board and a vacancy is created by the death, disability, retirement, resignation, removal or other cause of any designee of Amberjack, then such vacancy will be filled by the affirmative vote of a majority of the voting power of the directors then in office, even though less than a quorum of the combined company board, with each Amberjack Designee then in office entitled to cast a number of votes (or fractions thereof) equal to a majority of the votes entitled to be cast by all then serving members of the combined company board divided by the number of Amberjack Designees then in office; provided that if no Amberjack Designees are then in office, Amberjack shall have the right to fill such vacancy (i) at a meeting, special or otherwise, of the stockholders of the combined company or (ii) by written consent. See "*Comparison of Stockholders' Rights—Vacancies*" for additional information.
- **Restrictions on Amendments**—The charter amendment provides that, so long as Amberjack has the right to designate at least one individual for nomination to the combined company board, the combined company may not (i) amend the combined company's certificate of incorporation or the combined company's bylaws in any manner that would disproportionately and adversely affect the rights of Amberjack or certain of its affiliates, (ii) amend clause (b) of Article FIFTH, clause (d) of Article FIFTH, clause (b) of Article NINTH, Article ELEVENTH or Article TWELFTH of the combined company's certificate of incorporation or Sections 3.1, 3.3, 3.4, 3.6, 3.14, 4.3, 7.1 or 7.9 or Article VI or Article VIII of the combined company's bylaws, or (iii) form any new committee of the combined company board involving a material delegation of authority from the combined company board or amend the charter of any committee of the combined company, in either case, in a manner that would disproportionately and adversely affect the rights of the Amberjack or certain of its affiliates. See

“*Comparison of Stockholders’ Rights—Amendment of Governing Documents*” for additional information.

- **Officer Exculpation**—The charter amendment would add a provision exculpating certain of the combined company’s officers from liability in specific circumstances, as permitted by Delaware law. See “*Comparison of Stockholders’ Rights—Limitation of Liability of Officers*” for additional information.
- **Renouncement of Corporate Opportunities**—The charter amendment provides that Amberjack and its affiliates (including those who may serve as directors, officers or agents of the combined company) will not have any duty to refrain from directly or indirectly (i) engaging in the same or similar business activities or lines of business in which the combined company or any of its affiliates now engages or proposes to engage or (ii) otherwise competing with the combined company or any of its affiliates, including: (a) investing in, carrying on and conducting any business of any kind, nature or description, whether or not such business is competitive with or in the same or similar lines of business as the combined company or any of its subsidiaries, (b) doing business with any client, customer, vendor or lessor of any of the combined company or its affiliates or (c) making investments in any kind of property in which the combined company or its subsidiaries may make investments. The combined company will, to the fullest extent permitted by applicable law, indemnify Amberjack and its affiliates against any claim for breach of any fiduciary duty or otherwise solely by reason of the fact that Amberjack or its affiliates take any of the foregoing actions. See “*Comparison of Stockholders’ Rights—Renouncement of Corporate Opportunities*” for additional information.

Reasons for the Charter Amendment

Increase to Authorized Capital Stock

As of August 5, 2024, Dril-Quip had 100.0 million authorized shares of Dril-Quip common stock, with approximately 34.5 million shares of Dril-Quip common stock outstanding and approximately 2.1 million shares of Dril-Quip common stock either underlying awards outstanding or still available for grant under Dril-Quip’s equity incentive plans. In addition, if the mergers are completed, it is currently estimated that Dril-Quip will issue approximately 33.0 million shares of Dril-Quip common stock in the mergers.

Approval of the charter amendment proposal is a condition to the completion of the mergers. The Dril-Quip Board believes that the increased number of authorized shares of common stock of the combined company contemplated by the charter amendment proposal is important to the combined company in order for additional shares to be available for issuance from time to time, without further action or authorization by the combined company stockholders (except as required by applicable law or NYSE rules), for such corporate purposes as may be determined by the combined company board, including, but not limited to, financings, potential strategic transactions, including mergers, acquisitions and business combinations, grants under equity compensation plans, stock dividends, and stock splits, as well as other general corporate purposes. The additional 100 million shares authorized would be a part of the existing class of Dril-Quip common stock and, if issued, would have the same rights and privileges as the shares of Dril-Quip common stock presently issued and outstanding.

Other than payment of the merger consideration, the issuance of shares available for grant under Dril-Quip’s equity incentive plans, Dril-Quip has no current plan, commitment, arrangement, understanding or agreement regarding the issuance of the additional shares of Dril-Quip common stock that will result from Dril-Quip’s adoption of the proposed charter amendment. While adoption of the proposed charter amendment would not have any immediate dilutive effect on the proportionate voting power or other rights of Dril-Quip’s existing stockholders, any future issuance of additional authorized shares of Dril-Quip common stock may, among other things, dilute the earnings per share of the Dril-Quip common stock and the equity and voting rights of those holding Dril-Quip common stock at the time the additional shares are issued.

In addition to the corporate purposes mentioned above, an increase in the number of authorized shares of Dril-Quip common stock may make it more difficult to, or discourage an attempt to, obtain control of Dril-Quip by means of a takeover bid that the Dril-Quip Board determines is not in the best interest of Dril-Quip and its stockholders. However, the Dril-Quip Board does not intend or view the proposed increase in the number of authorized shares of Dril-Quip common stock as an anti-takeover measure and is not aware of any attempt or plan to obtain control of Dril-Quip.

Composition of Board of Directors

The combined company board will have nine members, including (a) four Dril-Quip designees, (b) four Innovex designees and (c) the Chief Executive Officer of Innovex as of immediately prior to the effective time and the proposed charter amendment changes the maximum number of directors that constitute the entire board to align with the number of directors on the combined company board. This proposed amendment was a negotiated governance right in connection with the mergers.

Vacancies

Amberjack and its affiliates will own substantial equity interests in the combined company following the mergers, and Amberjack will have certain rights to fill a vacancy on the combined company board created by the death, disability, retirement, resignation, removal or other cause of any designee of Amberjack, provided that their ownership percentages are maintained pursuant to the terms of the stockholders agreement. See “*Agreements Related to the Mergers—Stockholders Agreement*” for additional information.

This proposed charter amendment was a negotiated governance right in connection with the mergers.

Restrictions on Amendments

Amberjack and its affiliates will own substantial equity interests in the combined company following the mergers, and amendments to the combined company’s charter, bylaws or committees of the combined company board that would disproportionately and adversely affect the rights of Amberjack or its affiliates will generally require their approval, provided that their ownership percentages are maintained pursuant to the terms of the stockholders agreement. See “*Agreements Related to the Mergers—Stockholders Agreement*” for additional information.

This proposed charter amendment was a negotiated governance right in connection with the mergers. The charter amendment does not affect the Dril-Quip stockholders’ right to remove a director from office for cause as provided in Dril-Quip’s certificate of incorporation.

Officer Exculpation

The Dril-Quip Board believes that it is important to extend exculpation protection to officers, to the fullest extent permitted by Delaware law, in order to better position the combined company to attract and retain qualified and experienced officers. In the absence of such protection, such individuals might be deterred from serving as officers due to exposure to personal liability and the risk of incurring substantial expense in defending lawsuits, regardless of merit. The nature of their role often requires officers to make decisions on crucial matters and frequently in response to time-sensitive opportunities and challenges, which can create substantial risk of lawsuits seeking to impose liability with the benefit of hindsight and regardless of merit. Aligning the protections available to the combined company’s officers with those available to our directors to the extent permitted by Delaware law would empower officers to exercise their business judgment in furtherance of stockholder interests without the potential for distraction posed by the risk of personal liability.

The Dril-Quip Board also believes that the charter amendment would strike the appropriate balance between furthering the combined company’s goals of attracting and retaining quality officers with promoting stockholder

accountability because, consistent with the update to Delaware law, the charter amendment would only permit, exculpation for direct claims (as opposed to derivative claims made by stockholders on behalf of the corporation) and would not apply to breaches of the duty of loyalty, acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, or any transaction in which the officer derived an improper personal benefit.

Taking into account the narrow class and type of claims for which officers' liability would be exculpated, and the benefits we believe would accrue to the combined company and its stockholders in the form of an enhanced ability to attract and retain talented officers, the Dril-Quip Board believes that it is in the best interests of Dril-Quip and its stockholders to amend the Dril-Quip certificate of incorporation as described above.

Renouncement of Corporate Opportunities

Amberjack and its affiliates (including those who may serve as directors, officers or agents of the combined company) own and will own substantial equity interests in other entities (existing and future) that participate in the energy industry ("portfolio companies") and may make investments and enter into advisory service agreements and other agreements from time to time with those portfolio companies. Certain members of the Dril-Quip Board may also serve as directors, principals, members, officers, associated funds, employees or other representatives of Amberjack, its affiliates or any of their respective portfolio companies and, at any given time, Amberjack, its affiliates or their respective portfolio companies may be in direct or indirect competition with the combined company and/or its subsidiaries.

This proposed charter amendment was a negotiated governance right in connection with the mergers.

The effect of the charter amendment would be that the combined company would waive, to the maximum extent permitted by law, the application of the doctrine of corporate opportunity (or any analogous doctrine) with respect to the combined company, to Amberjack and its affiliates, or any of their respective portfolio companies or any directors or officers of the combined company who are also directors, principals, members, officers, associated funds, employees or other representatives of any of Amberjack, its affiliates or their respective portfolio companies.

In the event the charter amendment proposal is approved by the Dril-Quip stockholders, but the merger agreement is terminated (without the mergers being completed) prior to the issuance of shares of Dril-Quip common stock pursuant to the merger agreement, Dril-Quip will not file the certificate of amendment with the Secretary of State of the State of Delaware as a result of the approval of the charter amendment proposal and will abandon the charter amendment.

THE DRIL-QUIP BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE CHARTER AMENDMENT PROPOSAL.

THE NON-BINDING GOVERNANCE PROPOSALS

Dril-Quip stockholders are also being asked to vote on a separate proposal with respect to certain governance provisions in the charter amendment, which are separately being presented in accordance with SEC guidance and which will be voted upon on a non-binding advisory basis. Dril-Quip believes these provisions are necessary to adequately address the needs of the combined company. Accordingly, regardless of the outcome of the non-binding advisory vote on these proposals, Dril-Quip and Innovex intend that the charter amendment in the form set forth on *Annex C* will take effect at consummation of the mergers, assuming adoption of the charter amendment proposal. All stockholders are encouraged to read the section entitled “*Comparison of Stockholders’ Rights*” and the charter amendment in their entirety for a more complete understanding of the proposed changes.

Vote Required for Approval

If the stock issuance proposal is not approved, the non-binding governance proposals will not be presented at the special meeting. Approval of the non-binding governance proposals requires the affirmative vote of the holders of shares of Dril-Quip common stock representing a majority of votes properly cast on such proposal. Assuming a quorum is present, shares that are not present in person or by proxy, abstentions and broker non-votes (if any) will have no effect on the vote for such proposal.

The mergers are not conditioned upon the approval of the non-binding governance proposals. Notwithstanding the approval of the non-binding governance proposals, if the mergers are not consummated for any reason, the actions contemplated by the non-binding governance proposals will not be effected.

Resolution

The full text of the resolution to be passed is as follows:

“RESOLVED, that the charter amendment, attached to the joint proxy statement/consent solicitation statement/prospectus as *Annex C*, as set forth in Proposals No. 4A through 4F, respectively, and the amendments set forth therein, are hereby approved.”

Recommendation of the Board of Directors

THE DRIL-QUIP BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE APPROVAL OF EACH OF THE NON-BINDING GOVERNANCE PROPOSALS.

THE 2024 LTIP PROPOSAL

We are seeking stockholder approval for the adoption of the 2024 LTIP, which provides for the issuance of up to a number of shares of common stock of the combined company equal to 5% of the fully-diluted shares of common stock of the combined company outstanding at the time the 2024 LTIP becomes effective. The purpose of the 2024 LTIP is to promote and closely align the interests of our employees, officers, directors, and consultants and our stockholders by providing stock-based compensation and other incentive compensation. The Dril-Quip Board believes that the 2024 LTIP will allow the combined company to remain competitive among its peers and to continue to promote these interests. The 2024 LTIP was approved by the Dril-Quip Board on March 17, 2024, subject to approval by stockholders at the Special Meeting. If approved by the Dril-Quip stockholders, the 2024 LTIP would become effective on the closing date (the “LTIP Effective Date”).

Reasons to Vote for the Proposal

Long-term equity is a key component of our compensation programs. The Dril-Quip Board believes that equity awards help to attract, motivate, and retain talented employees and directors.

Equity awards align participant and stockholder interests. Equity awards, whose value depends on our stock performance and which require continued service over time before any value can be realized, link participant compensation to company performance, maintain a culture based on employee stock ownership, and retain talented employees in a highly competitive labor market.

Limitations on our ability to grant equity awards would have significant negative consequences to us and our stockholders. One alternative to using equity awards would be to significantly increase cash compensation. Any significant increase in cash compensation in lieu of equity awards would reduce the cash otherwise available for operations and investment in our business and would negatively impact our ability to attract, motivate, and retain employees and directors, in addition to weakening the link between the incentives of our equity award recipients and our stockholders.

We manage our equity compensation program thoughtfully. We manage our long-term stockholder dilution by limiting the number of equity awards granted annually and limiting what we grant to what we believe is an appropriate amount of equity necessary to attract, reward, and retain employees.

Description of the 2024 LTIP

A summary description of the material features of the 2024 LTIP is set forth below. This summary does not purport to be a complete description of all the provisions of the 2024 LTIP and is qualified in its entirety by reference to the 2024 LTIP, which is attached as *Appendix G* to the joint proxy statement/prospectus and incorporated by reference herein. The purpose of the 2024 LTIP is to provide incentives to our employees, directors and consultants in order to induce them to work for the benefit of, and to promote the success of, the combined company and its affiliates and to attract, reward and retain key personnel.

2024 LTIP Share Limits

If approved by stockholders, a total number of shares of common stock of the combined company equal to 5% of the fully-diluted shares of outstanding combined company common stock when 2024 LTIP is adopted would be available for awards under the 2024 LTIP (the “2024 LTIP Shares”). It is anticipated that as of the LTIP Effective Date, a total of approximately 68.7 million shares of common stock of the combined company will be outstanding (on a fully-diluted basis). As a result, if approved, the 2024 LTIP will increase dilution by approximately 5%. Shares issued under the 2024 LTIP may consist, in whole or in part, of previously unissued shares, treasury shares or shares purchased on the open market. As of August 2, 2024, the closing price per share of Dril-Quip common stock as reported on the New York Stock Exchange was 15.22. The number of

2024 LTIP Shares will not be reduced by shares issued pursuant to awards issued or assumed in connection with the mergers. In addition, the following shares will again be available for grant or issuance under the 2024 LTIP: (i) shares subject to awards granted under the 2024 LTIP that are required to be paid in cash pursuant to their terms; (ii) shares subject to awards granted under the 2024 LTIP that terminate, expire, or are cash-settled, canceled, forfeited, exchanged, or surrendered without having been exercised, vested or settled; (iii) shares tendered by participants or withheld by the combined company as full or partial payment to the combined company upon exercise of options; (iv) shares reserved for issuance upon the grant of stock appreciation rights ("SARs"), to the extent the number of reserved shares exceeds the number of shares actually issued upon the exercise of the SARs; and (v) shares of common stock of the combined company withheld or otherwise remitted to the combined company to satisfy withholding obligation upon the exercise, lapse of restrictions or settlement of awards.

Under the 2024 LTIP, the aggregate dollar value of all cash and equity-based compensation (whether granted under the 2024 LTIP or otherwise) to non-employee directors of the combined company for services in such capacity may not exceed \$1,000,000 during any calendar year.

If the Dril-Quip stockholders approve the 2024 LTIP, the combined company intend to promptly file, pursuant to the Securities Act of 1933, as amended (the "Securities Act"), a registration statement on Form S-8 to register the 2024 LTIP Shares.

Administration

The 2024 LTIP is administered by the combined company board, the Compensation Committee, or such other committee designated by the combined company board to administer the plan, which we refer to herein as the "Administrator". The Administrator has broad authority, subject to the provisions of the 2024 LTIP, to administer and interpret the 2024 LTIP and awards granted thereunder. All decisions and actions of the Administrator are final. The Administrator may also accelerate the vesting or exercise of any award and make all other determinations and take all other actions necessary or advisable for the administration of the 2024 LTIP.

Eligibility

Any individual who is our officer or employee or an officer or employee of any of our affiliates, any individual who has been offered employment by us or any of our affiliates, and any other person who provides services to us or our affiliates, including members of the combined company board, are eligible to receive awards under the 2024 LTIP at the discretion of the Administrator. Following the consummation of the mergers, we expect the combined company to have approximately 2,700 officers and employees, nine members of the combined company board and 20 consultants who will be eligible to receive awards under the 2024 LTIP.

Types of Awards

The 2024 LTIP provides for the grant of stock options, restricted stock, restricted stock units ("RSUs"), SARs and other stock-based awards. All awards under the 2024 LTIP will be set forth in award agreements, which will detail the terms and conditions of the awards, including any applicable vesting and payment terms and post-termination exercise limitations. A brief description of each award type follows:

Stock Options. The award agreement evidencing the stock options will provide, among other things, whether the option is intended to be an incentive stock option or a non-qualified stock option, the number of shares subject to the stock option, the exercise price, exercisability (or vesting), the term of the stock option, which may not generally exceed 10 years, and other terms and conditions. Subject to the express provisions of the 2024 LTIP, stock options generally may be exercised over such period, in installments or otherwise, as the Administrator may determine. The exercise price for any stock option granted may not generally be less than the fair market value of the common stock subject to that stock option on the grant date. The exercise price may be paid in cash or such other method as determined by the Administrator, including an irrevocable commitment by a

broker to pay over such amount from a sale of the shares issuable under a stock option, the delivery of previously owned shares or withholding of shares deliverable upon exercise. Other than in connection with a change in our capitalization, we will not, without stockholder approval, reduce the exercise price of a previously awarded stock option, and at any time when the exercise price of a previously awarded stock option is above the fair market value of a share of common stock, we will not, without stockholder approval, cancel and re-grant or exchange such stock option for cash or a new award with a lower (or no) exercise price. No dividend or dividend equivalent rights shall be paid out on stock options.

Restricted Stock and RSUs. Awards of restricted stock consist of shares of stock that are transferred to the participant subject to restrictions that may result in forfeiture if specified conditions are not satisfied. RSUs are notional units representing the right to receive one share of our common stock (or the cash value of one share of our common stock) on a specified settlement date only after specified conditions are satisfied. The Administrator will determine the restrictions and conditions applicable to each award of restricted stock or RSUs, which may include performance vesting conditions.

Stock Appreciation Rights. The Administrator will determine the restrictions and conditions applicable to each award of SARs. Upon exercising a SAR, the participant is entitled to receive the amount by which the fair market value of the common stock at the time of exercise exceeds the exercise price of the SAR. This amount is payable in common stock, cash, or as otherwise specified in the SAR agreement or determined by the Administrator. No dividends or dividend equivalents shall be paid on SARs.

Other Stock-Based Awards. Subject to limitations under applicable law and the terms of the 2024 LTIP, the Administrator may grant awards denominated in or payable in, valued in whole or in part by reference to, or otherwise based on or related to, the value of common stock. The Administrator may also grant common stock as a bonus and grant awards in lieu of our or our affiliates obligations to pay cash or deliver property under the 2024 LTIP or other plans or compensatory arrangements.

Adjustment; Change in Control

In the event of changes in the outstanding common stock or in the capital structure of the combined company by reason of stock dividends, extraordinary cash dividends, stock splits, reverse stock splits, recapitalizations, reorganizations, mergers, amalgamations, consolidations, combinations, exchanges, or other relevant changes in capitalization, in connection with any extraordinary dividend declared and paid in respect of shares of common stock, in the event of any change in applicable laws or circumstances or as otherwise set forth in the 2024 LTIP, in each case, that results in or could result in, in either case, as determined by the Administrator in its sole discretion, any substantial dilution or enlargement of the rights intended to be granted to, or available for, participants in the 2024 LTIP, awards shall be equitably and proportionally adjusted or substituted, as determined by the Administrator, in its sole discretion, as to the number, price, or kind of a share of common stock, other securities or other consideration subject to such awards.

Generally, except as otherwise provided by the Administrator in an award agreement or otherwise, in connection with certain corporate events, including but not limited to a "change in control" (as defined in the 2024 LTIP), the Administrator may provide for any one or more of the following (i) the assumption or substitution of any or all awards in connection therewith, with awards that vest based on performance criteria being deemed earned at the target level (or if no target is specified, the maximum level) and converted into solely service-based vesting awards, (ii) the acceleration of vesting of any or all awards not assumed or substituted in connection with the corporate event (with vesting of performance-based awards deemed earned at the target level (or if no target is specified, the maximum level), unless otherwise specified in the applicable award agreement), (iii) the cancellation of any or all awards not assumed or substituted in connection with such corporate event (whether vested or unvested) together with the payment to participants holding vested awards so canceled of an amount in respect of cancellation based on the per-share consideration being paid for our common stock in connection with such corporate event, (iv) the cancellation or any or all options, SARs, and other awards subject

to exercise not assumed or substituted in connection with any such corporate event (whether vested or unvested) after providing the holder thereof with a period of at least 10 days to exercise such awards, and (v) the replacement of any and all awards (subject to certain limitations) with a cash incentive program that preserves the value of the awards so replaced.

Clawback

All awards granted under the 2024 LTIP are subject to recoupment in accordance with any written clawback policy that the combined company adopts or is required to adopt, including the Dril-Quip, Inc. Clawback Policy adopted in 2023 pursuant to the requirements of Rule 10D-1 promulgated under the Exchange Act and the applicable NYSE listing standards. No recovery of compensation under any clawback policy will be an event giving rise to a right to resign for “good reason” or be deemed a “constructive termination” (or any similar term) as such terms are used in any agreement between any participant and the combined company.

Amendment and Termination

Unless earlier terminated by the combined company board, the 2024 LTIP will automatically expire on the day before the tenth anniversary of the LTIP Effective Date. The combined company board has the right to amend, alter, suspend or terminate the 2024 LTIP at any time, provided that no amendment or alteration to the 2024 LTIP or an award or award agreement will be made that would materially impair the rights of the holder, without such holder’s consent. No awards may be granted under the 2024 LTIP while it is suspended.

U.S. Federal Income Tax Consequences

The following discussion is for general information only and is intended to summarize briefly the United States federal income tax consequences to participants arising from participation in the 2024 LTIP. This description is based on current law, which is subject to change (possibly retroactively). The tax treatment of a participant in the 2024 LTIP may vary depending on the participant’s particular situation and may, therefore, be subject to special rules not discussed below. No attempt has been made to discuss any potential foreign, state, or local tax consequences. In addition, nonqualified stock options and SARs with an exercise price less than the fair market value of shares of common stock on the date of grant, SARs payable in cash, restricted stock units, and certain other awards that may be granted pursuant to the 2024 LTIP, could be subject to additional taxes unless they are designed to comply with certain restrictions set forth in Section 409A of the Code and guidance promulgated thereunder. Therefore, each participant is urged to consult a tax advisor before exercising any award or before disposing of any shares acquired under the 2024 LTIP.

Incentive Stock Options

Options granted under the 2024 LTIP may be either incentive stock options, which satisfy the requirements of Section 422 of the Code, or non-qualified stock options, which are not intended to meet such requirements.

No taxable income is recognized by the participant at the time of the option grant, and no taxable income is recognized for ordinary income tax purposes at the time the option is exercised, although taxable income may arise at that time for alternative minimum tax purposes. Unless there is a “disqualifying disposition,” as described below, the participant will recognize long-term capital gain in an amount equal to the excess of (i) the amount realized upon the sale or other disposition of the purchased shares over (ii) the exercise price paid for the shares. A disqualifying disposition occurs if the disposition is less than two years after the date of grant or less than one year after the exercise date. If there is a disqualifying disposition of the shares, then the excess of (i) the fair market value of those shares on the exercise date or (if less) the amount realized upon such sale or disposition over (ii) the exercise price paid for the shares will be taxable as ordinary income to the participant. Any additional gain or loss recognized upon the disposition will be a capital gain or loss.

If the participant makes a disqualifying disposition of the purchased shares, then Dril-Quip will be entitled to an income tax deduction for the taxable year in which such disposition occurs equal to the amount of ordinary income recognized by the participant as a result of the disposition. Dril-Quip will not be entitled to any income tax deduction if the participant makes a qualifying disposition of the shares.

Nonqualified Stock Options

No taxable income is recognized by a participant upon the grant of a non-qualified stock option. The participant in general will recognize ordinary income, in the year in which the option is exercised, equal to the excess of the fair market value of the purchased shares on the exercise date over the exercise price paid for the shares, and the participant will be required to satisfy the tax withholding requirements applicable to such income. Dril-Quip will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the participant with respect to the exercised non-qualified stock option.

Stock Appreciation Rights

No taxable income is recognized upon receipt of a SAR. The participant will recognize ordinary income in the year in which the SAR is exercised, in an amount equal to the excess of the fair market value of the underlying shares of common stock on the exercise date over the exercise price in effect for the exercised right, and the participant will be required to satisfy the tax withholding requirements applicable to such income. Dril-Quip will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the participant in connection with the exercise of the SAR.

Restricted Stock Awards

A participant who receives unvested shares of common stock will not recognize any taxable income at the time those shares are granted but will have to report as ordinary income, as and when those shares subsequently vest, an amount equal to the excess of (i) the fair market value of the shares on the vesting date over (ii) the cash consideration (if any) paid for the shares. The participant may, however, elect under Section 83(b) of the Code to include as ordinary income in the year the unvested shares are issued an amount equal to the excess of (a) the fair market value of those shares on the issue date over (b) the cash consideration (if any) paid for such shares. If the Section 83(b) election is made, the participant will not recognize any additional income as and when the shares subsequently vest. Dril-Quip will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the participant at the time such ordinary income is recognized by the participant.

Restricted Stock Units and Other Stock-Based or Cash-Based Awards

Generally, no taxable income is recognized upon the grant of RSUs or other-stock based or cash-based awards. The participant will recognize ordinary income in the year in which the award is settled in shares or cash. The amount of that income will be equal to the fair market value of the shares on the date of issuance or the amount of the cash paid in settlement of the award, and the participant will be required to satisfy the tax withholding requirements applicable to the income. Dril-Quip will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the participant at the time the shares are issued or the cash amount is paid.

Deductibility of Executive Compensation

Section 162(m) of the Code limits the deductibility for federal income tax purposes of certain compensation paid to any "covered employee" in excess of \$1 million. For purposes of Section 162(m), the term "covered employee" includes any individual who serves as chief executive officer, chief financial officer, or one of the other three most highly compensated executive officers for any calendar year. It is expected that compensation deductions for any covered employee with respect to awards granted under the 2024 LTIP will be subject to the

\$1 million annual deduction limitation. The Administrator may grant awards under the 2024 LTIP that are or may become non-deductible when it believes doing so is in the best interests of Dril-Quip and the Dril-Quip stockholders.

New Plan Benefits

Because awards granted under the 2024 LTIP are at the discretion of the Administrator, it is not possible to determine the benefits or amounts that will be received by or allocated to participants under the 2024 LTIP. Therefore, the New Plan Benefits Table is not provided.

Accordingly, the Dril-Quip Board unanimously recommends that the Dril-Quip stockholders to vote “FOR” the adoption of the following resolution.

“RESOLVED, that Dril-Quip stockholders approve the 2024 LTIP, which is attached as *Appendix G* to the joint proxy statement/prospectus.”

THE DRIL-QUIP BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE 2024 LTIP PROPOSAL.

THE NON-BINDING COMPENSATION PROPOSAL

Pursuant to Section 14A of the Exchange Act and Rule 14a-21(c) thereunder, Dril-Quip is seeking a non-binding advisory approval of the compensation of Dril-Quip's named executive officers that is based on or otherwise relates to the mergers as disclosed in "*The Mergers—Interests of Dril-Quip Directors and Executive Officers in the Mergers*." The non-binding compensation proposal gives the Dril-Quip stockholders the opportunity to express their views on the merger-related compensation of Dril-Quip's named executive officers.

Accordingly, the Dril-Quip Board unanimously recommends that the Dril-Quip stockholders vote "FOR" the adoption of the following resolution, on an advisory (non-binding) basis:

"RESOLVED, that Dril-Quip stockholders approve, on an advisory (non-binding) basis, the compensation that may be paid or become payable to Dril-Quip's named executive officers in connection with the mergers, as disclosed pursuant to Item 402(t) of Regulation S-K under "*The Mergers—Interests of Dril-Quip Directors and Executive Officers in the Merger*" of the joint proxy statement/prospectus (which disclosure includes the compensation table and related narrative named executive officer compensation disclosures required pursuant to Item 402(t) of Regulation S-K)."

The vote on the advisory non-binding compensation proposal is a vote separate and apart from the vote to approve the merger proposals. Accordingly, the Dril-Quip stockholders of record may vote for the approval of the merger proposals and against the approval of the non-binding compensation proposal, and vice versa. If the mergers are completed, the merger-related compensation may be paid to Dril-Quip's named executive officers to the extent payable in accordance with the terms of the compensation agreements and arrangements even if the Dril-Quip stockholders vote against the approval of the advisory vote regarding merger-related compensation.

THE DRIL-QUIP BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE NON-BINDING COMPENSATION PROPOSAL.

THE ADJOURNMENT PROPOSAL

Dril-Quip stockholders are being asked at the special meeting to consider and vote upon a proposal to adjourn the special meeting to another time and place if necessary to permit solicitation of additional proxies if there are not sufficient votes to approve the merger proposals.

THE DRIL-QUIP BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE ADJOURNMENT PROPOSAL.

Innovex agreed with the governance structure proposed in Dril-Quip's January 22, 2024 response, except that Amberjack would have the right to four director nominees in 2025 (regardless of its share ownership) and Amberjack would be permitted to request guest attendees for the combined company board meetings. The closing price of Dril-Quip common stock on January 25, 2024 was \$21.79 per share.

From January 28, 2024 through March 17, 2024, the parties conducted reciprocal legal, financial and operational due diligence.

On January 31, 2024, Messrs. Connelly, Anderson and Lovoi discussed certain governance matters for the combined company, including executive officers, headquarters location and name. Representatives of Gibson Dunn, Akin, Citi and Goldman Sachs also were in attendance.

On February 13, 2024, Akin provided Gibson Dunn an initial draft of the merger agreement. The draft contemplated, among other things, (a) that certain Innovex stockholders would exercise their drag-along rights in accordance with the Innovex stockholders agreement; (b) that the combined company board would include nine directors in total, with four directors of the combined company board to be designated by Innovex ("Innovex designees"), one director of the combined company board to be the Innovex CEO, and four directors of the combined company board to be designated by Dril-Quip ("Dril-Quip designees") and that the Chairperson of the combined company board be appointed by Dril-Quip; (c) largely reciprocal representations and warranties and interim operating covenants; (d) no-shop covenants applicable to Dril-Quip and Innovex, with Dril-Quip's covenant subject to customary fiduciary out exceptions; (e) a termination fee of 4.0% of the equity value of Dril-Quip payable by Dril-Quip in the event the merger agreement was terminated in certain situations; (f) an undetermined outside date for the transaction, with one automatic extension for an undetermined period, if clearance under the HSR Act and all consents, waivers, approvals, licenses, permits, orders or authorizations, if any, required to be obtained under antitrust laws and foreign investment laws had not been obtained on that date,

but all other conditions to the completion of the mergers were then satisfied or waived (or in the case of conditions that were to be satisfied at the closing, were reasonably capable of being satisfied); (g) a provision requiring Dril-Quip to hold a vote of its stockholders regardless of whether the Dril-Quip Board changed its recommendation for the proposed transaction; (h) a condition to closing for the benefit of Dril-Quip that Innovex's net debt as of closing did not exceed \$125,000,000; (i) a covenant providing for a special cash dividend payable by Innovex in an amount not to exceed \$75,000,000 prior to closing; and (j) aggregate merger consideration to be issued to the Innovex equity holders equal to a number shares of Dril-Quip common stock (including restricted stock units) equal to 48% of the Dril-Quip fully diluted stock to be outstanding after the closing of the mergers.

On February 15, 2024, the Transaction Committee met, with Dril-Quip management in attendance, for an update on negotiations with Innovex and to further discuss the buyer outreach. Dril-Quip management discussed the initial draft of the merger agreement, the status of due diligence activities and the industry participants that were selected by the Dril-Quip Board for the buyer outreach with input from Dril-Quip management, Citi and Morgan Stanley. Dril-Quip management noted that the list focused on well-capitalized strategic buyers with the potential to achieve meaningful synergies.

On February 16, 2024, representatives of Gibson Dunn sent to Akin initial drafts of the registration rights agreement and stockholders agreement. The draft stockholders agreement provided for the governance rights agreed to by the parties, including director nomination rights, information rights and standstill and transfer restrictions.

From February 20, 2024 to February 25, 2024, at the direction of the Transaction Committee, representatives of Citi and Morgan Stanley commenced, on behalf of Dril-Quip, an outreach to potential third parties regarding a potential transaction involving Dril-Quip.

On February 21, 2024, representatives from Gibson Dunn sent a revised draft of the merger agreement to Akin, which included, among other things, the following changes to the draft of the merger agreement received from Akin on February 13, 2024: (a) that the Chairperson of the combined company's (i) Audit Committee, (ii) Nomination and Governance Committee and (iii) Compensation Committee be appointed by Dril-Quip; (c) requiring at least two Innovex designees to be independent under applicable rules of the NYSE and SEC; (d) revisions to the treatment of certain equity awards in connection with the proposed transaction; (e) modification to the scope of representations and warranties and interim operating covenants, including restrictions on the ability of each of the parties to engage in certain transactions between signing and closing; (f) a revision to lower the termination fee payable by Dril-Quip in certain circumstances to 2.5% of the equity value of Dril-Quip in addition to revisions as to when such termination fee is payable; (g) changes to the no-shop covenants applicable to Dril-Quip and Innovex; (h) the addition of a covenant requiring Innovex to seek the adoption of the merger agreement by the Innovex stockholders prior to closing other than the Innovex stockholders executing a written consent with respect to the merger agreement; and (i) changes to conditions to closing for the benefit of the respective parties, including a condition to closing for the benefit of Dril-Quip that no stockholder of Innovex would have exercised any dissenters' rights or rights of appraisal with respect to the mergers.

On February 24, 2024, the Dril-Quip Board held a regular meeting with members of Dril-Quip management and representatives of Gibson Dunn, Citi and Morgan Stanley in attendance. At this meeting, among other things, Citi discussed with the Dril-Quip Board certain preliminary financial information regarding Innovex and representatives of Citi and Morgan Stanley updated the Dril-Quip Board on the buyer outreach. A representative of Gibson Dunn next updated the Dril-Quip Board on the legal due diligence, provided a summary of the merger agreement, the stockholders agreement and the registration rights agreement, along with open commercial items, including the amounts of the termination fee and expense reimbursement and the post-closing name, ticker symbol and headquarters location, and discussed the overall transaction timeline and the timeline for regulatory approvals. Messrs. Bird and McClure then updated the Dril-Quip Board on Dril-Quip's due diligence review on

Innovex, including site visits, tax and financial due diligence and synergies, along with retention plans and communications strategy.

On March 1, 2024, representatives of Akin sent to Gibson Dunn a revised draft of the merger agreement, which included, among other things, the following changes to the draft of the merger agreement received from Gibson Dunn on February 21, 2024: (a) a requirement that all Dril-Quip designees and at least one Innovex designee be independent under applicable rules of the NYSE and SEC; (b) changes to the no-shop covenants applicable to Dril-Quip and Innovex; (c) deletion of the covenant requiring Innovex to seek stockholder approval of the merger agreement from 100% of its stockholders and addition of a covenant requiring Innovex, at the direction of its majority stockholders, to deliver a drag-along notice (as permitted in the Innovex stockholders agreement); (d) deletion of the condition to closing for the benefit of Dril-Quip that no stockholder of Innovex would have exercised any dissenters' rights or rights of appraisal with respect to the mergers; (e) increasing the termination fee payable by Dril-Quip in certain circumstances to 3.75% of the equity value of Dril-Quip in addition to revisions as to when such termination fee was payable; and (f) modification to the scope of representations and warranties and interim operating covenants, including additional restrictions on the ability of Dril-Quip to engage in certain transactions between signing and closing.

On March 6, 2024, representatives of Gibson Dunn sent to Akin an initial draft of the Dril-Quip disclosure letter under the merger agreement.

On March 8, 2024, representatives of Gibson Dunn sent to Akin a revised draft of the merger agreement, which included, among other things, a revised transaction structure to include two separate mergers, changes to the no-shop covenant applicable to Dril-Quip and a lower termination fee payable by Dril-Quip in certain circumstances equal to 2.75% of the equity value of Dril-Quip in addition to revisions as to when such termination fee was payable.

Also on March 8, 2024, representatives of Akin shared with Gibson Dunn an initial draft of the Innovex disclosure letter under the merger agreement. Between March 8, 2024, and March 17, 2024, representatives of Gibson Dunn and Akin exchanged various revised drafts of the disclosure letters.

On March 13, 2024, representatives of Akin sent to Gibson Dunn a revised draft of the merger agreement, which included, among other things, the following changes to the draft of the merger agreement received from Gibson Dunn on March 8, 2024: (a) an increase in the termination fee payable by Dril-Quip in certain circumstances to 3.95% of the equity value of Dril-Quip in addition to revisions as to when such termination fee was payable; (b) a covenant, and a condition to closing of Innovex that, Dril-Quip adopt the 2024 LTIP, subject to the adoption by the stockholders of the 2024 LTIP proposal (the "2024 LTIP Adoption"); (c) a requirement that Dril-Quip, at the closing, cause certain Innovex designees to be appointed to the Audit Committee, Nomination and Governance Committee and the Compensation Committee of the combined company board; (d) modifications to the scope of representations and warranties; and (e) changes to the no-shop covenant applicable to Dril-Quip.

On March 15, 2024, the Dril-Quip Board held a special meeting with members of Dril-Quip management and representatives of Gibson Dunn, Citi and Morgan Stanley in attendance. At this meeting, Citi reviewed with the Dril-Quip Board Citi's preliminary financial analysis of the aggregate merger consideration provided for pursuant to the merger agreement. A representative of Gibson Dunn next discussed with the Dril-Quip Board, among other things, the key terms of the merger agreement, including the merger consideration calculation, the proposed combined company board and executive team, along with open commercial items, including the amounts of the termination fee and expense reimbursement, the end date and the post-closing name and ticker symbol. The Gibson Dunn representative also discussed the disclosure letters, stockholders agreement, registration rights agreement, the 2024 LTIP and the amendments to the Dril-Quip certificate of incorporation and bylaws attached to the merger agreement. Representatives of Citi and Morgan Stanley also updated the Dril-Quip Board on the buyer outreach. Of the five contacted parties, three had declined to pursue the opportunity without submitting an indication of interest or executing a confidentiality agreement and the two parties that executed confidentiality agreements and received preliminary information declined to pursue the opportunity. Both of the confidentiality agreements included customary mutual non-disclosure and non-use provisions and contained customary "standstill" provisions with a duration of either six months or one year and included a customary "fall-away" provision rendering the standstill inapplicable to such party following its entry into a definitive agreement relating to an acquisition of a majority of such party's voting securities or substantially all of its assets, or any third party commencing a tender offer for a majority of such party's outstanding voting securities. In addition, both confidentiality agreements prohibit the counterparty from requesting a waiver. The standstill provisions of the confidentiality agreements were still in force and effect upon entry into the merger agreement.

On March 15, 2024, representatives of Akin sent to Gibson Dunn a revised draft of the merger agreement, which included, among other things, a termination fee payable by Dril-Quip in certain circumstances equal to 3.75% of the equity value of Dril-Quip, the deletion of the 2024 LTIP Adoption as a condition to closing for the benefit of Innovex, December 18, 2024 as the outside date for completion of the transaction and March 18, 2025 as the end of the automatic extension for HSR Act and other regulatory clearance. Representatives of Gibson Dunn and Akin held various calls to discuss, and exchanged various revised drafts of, the merger agreement between March 15, 2024 and the finalization of the merger agreement on the evening of March 17, 2024.

On March 17, 2024, Citi provided to the Dril-Quip Board certain information regarding Citi's material investment banking relationships with Dril-Quip, Innovex and Amberjack, which, other than serving as an underwriter for Innovex's contemplated initial public offering (for which no compensation was received), indicated no material investment banking relationships with such parties during the preceding two-year period.

During the evening on March 17, 2024, the Dril-Quip Board held a special meeting, with members of Dril-Quip management and representatives of Gibson Dunn, Citi and Morgan Stanley in attendance, to consider the final terms of the proposed merger with Innovex. Dril-Quip management noted that the Innovex Board was meeting during the morning of March 18, 2024 to consider approval of the proposed transaction. A representative of Gibson Dunn discussed, among other things, the changes to the merger agreement and other transaction documents since the Dril-Quip Board had last convened, including resolution of the end date, the post-closing name, ticker symbol and the dollar amounts of the termination fee and expense reimbursement. Also at this meeting, Citi reviewed with the Dril-Quip Board Citi's financial analysis of the aggregate merger consideration provided for pursuant to the merger agreement and rendered an oral opinion, confirmed by delivery of a written opinion dated March 17, 2024 to the Dril-Quip Board, to the effect that, as of such date and based on and subject to various assumptions made, procedures followed, matters considered and limitations and qualifications on the review undertaken by Citi, the aggregate merger consideration provided for pursuant to the merger agreement was fair, from a financial point of view, to Dril-Quip. After further discussion and consideration of the factors described in the section entitled "*Recommendation of the Dril-Quip Board and Reasons for the Mergers*" by the

Dril-Quip Board, the Dril-Quip Board unanimously (i) determined that the merger agreement and the transactions contemplated thereby are fair to, and in the best interests of, Dril-Quip and the Dril-Quip stockholders, (ii) approved and declared advisable the merger agreement, the transactions contemplated thereby and the charter amendment, (iii) directed the merger proposals be submitted to the holders of Dril-Quip common stock for their approval, and (iv) resolved to recommend that the holders of Dril-Quip common stock vote in favor of the merger proposals.

On March 18, 2024, the Innovex Board held a special meeting, with members of Innovex management in attendance to consider and approve the final terms of the proposed merger with Dril-Quip. After discussion and review of such factors that the Innovex Board considered to be relevant to its review of the merger agreement, the Innovex Board unanimously (i) determined that the merger agreement and the transactions contemplated thereby are advisable, fair to and in the best interests of Innovex and its stockholders, (ii) approved and declared advisable the merger agreement and the transactions contemplated thereby, and (iii) resolved to submit and recommend the adoption of the merger agreement by Innovex stockholders and the approval of the consummation of the mergers and the transactions contemplated thereby.

Later on March 18, 2024, the parties executed the merger agreement and Innovex delivered a written consent of Innovex stockholders, signed by the consenting stockholders, approving, among other things, the merger agreement and the transactions contemplated thereby. Immediately after the market close on March 18, 2024, the parties issued a joint press release announcing the transaction and, on the morning of March 19, 2024, held a joint investor conference call.

On April 25, 2024, the Dril-Quip Board held a special meeting, with members of Dril-Quip management as well as representatives of Gibson Dunn in attendance. At the meeting, representatives of Gibson Dunn discussed the pending stockholder complaint filed with the Delaware Court of Chancery alleging that members of the Dril-Quip Board breached their fiduciary duties by agreeing to certain provisions in the stockholders agreement to be entered into in connection with the mergers and potential amendments to the stockholders agreement to address the claims.

On April 26, 2024, Messrs. Lovoi and Connelly discussed potential amendments to the stockholders agreement to address the stockholder's claims in the pending complaint.

On June 12, 2024, by unanimous written consent, the Dril-Quip Board approved an amendment to the merger agreement to implement changes to the stockholders agreement to address the stockholders' claims. The parties executed the amendment on June 12, 2024.

Recommendation of the Dril-Quip Board and Reasons for the Mergers

At a meeting held on March 17, 2024, the Dril-Quip Board unanimously determined that the merger agreement and the transactions contemplated by the merger agreement were fair to, and in the best interests of, Dril-Quip and its stockholders, approved and declared advisable the merger agreement and the charter amendment and the transactions contemplated by the merger agreement, on the terms and subject to the conditions set forth in the merger agreement, directed that the merger proposals be submitted to Dril-Quip stockholders for approval and resolved to recommend that the Dril-Quip stockholders vote in favor of the merger proposals. **The Dril-Quip Board unanimously recommends that Dril-Quip stockholders vote "FOR" the stock issuance proposal and "FOR" the charter amendment proposal.**

In evaluating the mergers, the Dril-Quip Board consulted with Dril-Quip's management and legal and financial advisors and, in determining to approve the merger agreement and to recommend that Dril-Quip stockholders approve the merger proposals, the Dril-Quip Board considered a number of factors, many of which support the Dril-Quip Board's determination that the merger agreement and the transactions contemplated by the

merger agreement were fair to, and in the best interests of, Dril-Quip and its stockholders. The Dril-Quip Board considered these factors as a whole without assigning relative weights to each such factor, and overall considered the relevant factors to be favorable to, and in support of, its determinations and recommendations. These factors included:

- the belief that the mergers will be immediately accretive on key financial metrics, including earnings per share and free cash flow per share;
- the belief that the combined company will have an enhanced financial position, with a strong balance sheet capable of enabling opportunities for further innovation and financial flexibility;
- the belief that the mergers will provide Dril-Quip stockholders with the opportunity to benefit from expected annual cost savings of approximately \$30 million through operational efficiencies and reductions in sales, general and administrative expenses as well as significant improvements in supply chain and R&D management;
- the potential of a higher market valuation of the combined company through greater scale and the creation of a company that would deliver strong EBITDA and free cash flow generation and consistent high return of capital to stockholders;
- the expectation that the mergers will enhance the combined company's global scale and footprint;
- the structure of the transaction as a merger of equals with terms negotiated in the merger agreement providing that:
 - the combined company board will include designees of Dril-Quip and designees of Innovex;
 - the Chairman of the Dril-Quip Board prior to the effective time will serve as the chairman of the combined company board as of the effective time;
 - the Chair of each committee of the combined company board will include a designee of Dril-Quip;
- that the mergers and the all-stock consideration offered in connection therewith will provide Dril-Quip stockholders with ownership of approximately 52% of the combined company (based on fully diluted shares outstanding of the combined company) and therefore allow Dril-Quip stockholders to participate in the equity value of the combined company, including future growth and the cost synergies expected to result from the mergers;
- the information from and discussions with Dril-Quip's management and outside legal and financial advisors regarding each of Dril-Quip's and Innovex's businesses, assets, financial condition, results of operations, current business strategy and prospects, including the projected long-term financial results of each of Dril-Quip and Innovex as a stand-alone company, the size and breadth of the combined company and the expected pro forma effect of the mergers on the combined company and its ability to achieve future growth and generate additional returns for Dril-Quip stockholders;
- the alignment of complementary cultures and operating philosophies, including, for illustrative purposes, a shared commitment to safety and integrity, employee development, partnerships with blue-chip customers, operating efficiency and service quality and technological innovation;
- the expectation that the combined company will be able to better serve Dril-Quip's and Innovex's customers in critical growth markets with a larger footprint and broader service offering;
- the expectation that the breadth of the combined company will provide cost saving opportunities with its current and potential supplier base;
- the expectation that the combined company will share Dril-Quip's and Innovex's best practices and leverage its combined team and resources to provide even better services for its customers;
- the opinion, dated March 17, 2024, of Citi to the Dril-Quip Board as to the fairness, from a financial point of view and as of the date of the opinion, to Dril-Quip of the aggregate merger consideration

provided for pursuant to the merger agreement, which opinion was based on and subject to various assumptions made, procedures followed, matters considered and limitations and qualifications on the review undertaken by Citi as more fully described below under the heading “—*Opinion of Dril-Quip’s Financial Advisor.*”

- the Dril-Quip Board’s view, after consultation with Dril-Quip’s management and outside counsel, concerning the likelihood that regulatory approvals and clearances necessary to consummate the mergers would be obtained, without the imposition of conditions sufficiently material to preclude the mergers;
- the nature of the closing conditions included in the merger agreement, including the reciprocal exceptions to the events that would constitute a material adverse effect on either Dril-Quip or Innovex for purposes of the merger agreement, and the likelihood of satisfaction of all conditions to completion of the transactions contemplated by the merger agreement;
- that Dril-Quip stockholders will have the opportunity to vote on the merger proposals, which are conditions precedent to the mergers;
- that the representations and warranties of Dril-Quip and Innovex in the merger agreement, as well as the interim operating covenants requiring the parties to conduct their respective businesses in the ordinary course prior to completion of the mergers, subject to specific limitations, are generally reciprocal;
- the restrictions in the merger agreement on Innovex’s ability to respond to and negotiate alternative transaction proposals from third parties, the inability of Innovex to terminate the merger agreement to enter into a superior proposal and the receipt of the approval of the Innovex stockholders on March 18, 2024;
- Dril-Quip’s right to engage in negotiations with, and provide information to, a third party that makes an unsolicited written bona fide proposal relating to an alternative proposal, if the Dril-Quip Board has determined in good faith (i) after consultation with Dril-Quip’s outside legal counsel and financial advisor that, based on the information then available, such proposal constitutes or could reasonably be expected to result in a transaction that is superior to the mergers with Innovex and (ii) and after consultation with Dril-Quip’s outside legal counsel, failure to engage in such activities would reasonably be expected to be inconsistent with the Dril-Quip Board’s fiduciary duties under applicable law;
- the results of the buyer outreach process by Dril-Quip;
- the fact that the Dril-Quip Board has the ability to terminate the merger agreement under certain circumstances, including by entering into an agreement relating to a superior proposal, subject to certain conditions (including payment of a termination fee); and
- the right of the Dril-Quip Board to change its recommendation to Dril-Quip stockholders to vote “FOR” the merger proposals if a superior proposal is available or an intervening event has occurred, subject to certain conditions and fee obligations.

The Dril-Quip Board also considered a variety of risks and other potentially negative factors concerning the merger agreement and the related transactions contemplated thereby. These factors included:

- the possibility that the mergers may not be completed or that completion may be unduly delayed for reasons beyond the control of Dril-Quip or Innovex, including the failure to obtain stockholder approval of the merger proposals;
- that there are significant risks inherent in integrating the operations of Innovex with Dril-Quip, including that the expected synergies may not be realized, and that successful integration will require the dedication of significant management resources, which will temporarily detract attention from the day-to-day businesses of the combined company;

- the substantial costs to be incurred in the mergers, including those incurred regardless of whether the mergers are consummated and the costs of integrating the businesses of Dril-Quip and Innovex;
- that the merger agreement provides that, in certain circumstances, Dril-Quip could be required to pay a termination fee of \$31,895,000 to Innovex or an expense reimbursement fee of \$4,253,000;
- the possibility that the \$4,253,000 expense reimbursement fee that Innovex would be required to pay under the merger agreement upon termination of the merger agreement under certain circumstances would be insufficient to compensate Dril-Quip for its costs incurred in connection with the merger agreement;
- that the mergers might not be completed as a result of a failure to satisfy the conditions contained in the merger agreement, including failure to receive necessary regulatory approvals;
- the potential for litigation relating to the mergers and the associated costs, burden and inconvenience involved in defending those proceedings;
- that the restrictions on the conduct of Dril-Quip's business prior to the consummation of the mergers, although believed to be reasonable and not unduly burdensome, may delay or prevent Dril-Quip from undertaking business opportunities that may arise or other actions it would otherwise take with respect to the operations of Dril-Quip pending the consummation of the mergers;
- that the merger agreement restricts Dril-Quip's ability to entertain other acquisition proposals and to terminate the merger agreement to enter into a superior proposal unless certain conditions are satisfied, and requires that Dril-Quip hold the special meeting even if the Dril-Quip Board changes its recommendation;
- the possibility of losing key employees and skilled workers as a result of the expected consolidation of Dril-Quip's and Innovex's personnel when the mergers are completed; and
- other risks of the type and nature described in the sections titled "*Risk Factors*" and "*Cautionary Statement Regarding Forward-Looking Statements*."

This discussion of the information and factors considered by the Dril-Quip Board in reaching its conclusion and recommendations is intended to include all of the material factors considered by the Dril-Quip Board but is not intended to be exhaustive and is not provided in any specific order or ranking. In view of the wide variety of factors considered by the Dril-Quip Board in evaluating the merger agreement and the related transactions contemplated thereby, and the complexity of these matters, the Dril-Quip Board did not find it practicable to, and did not attempt to, quantify, rank or otherwise assign relative weight to those factors. In addition, different members of the Dril-Quip Board may have given different weight to different factors. The Dril-Quip Board did not reach any specific conclusion with respect to any of the factors considered and instead conducted an overall analysis of such factors and determined that, in the aggregate, the potential benefits considered outweighed the potential risks or possible negative consequences of approving the merger agreement and the transactions contemplated thereby.

It should be noted that this explanation of the reasoning of the Dril-Quip Board and all other information presented in this section is forward-looking in nature and, therefore, should be read in light of the factors discussed in the section titled "*Cautionary Statement Regarding Forward-Looking Statements*."

Innovex's Reasons for the Mergers

Innovex considered a number of key factors in entering into the merger agreement, including, among others:

- Innovex's belief that the breadth and diversity of the combined company's portfolio of products and services will create the opportunity to cross-sell Innovex's products alongside select Dril-Quip offerings and to facilitate further market penetration of Innovex's existing deepwater well construction portfolio;

- Innovex’s belief that the combined company’s complementary customer relationships, services and solutions will increase the combined company’s global scale and footprint across several growing markets (including Saudi Arabia, Mexico, South America and the Asia Pacific region);
- Innovex’s belief that the combined company can enable the growth of Innovex’s broad downhole tools portfolio across the large Canadian onshore market through Dril-Quip’s strong Canadian footprint and customer relationships and accelerate the marketing of Dril-Quip’s leading onshore Canadian wellhead business in the U.S. onshore market through Innovex’s operational and sales infrastructure;
- Innovex’s expectation that the combined company will achieve annual cost synergies of approximately \$30 million within 24 months after the mergers close;
- Innovex’s expectation that the combined company will provide greater opportunities for research and development related to Dril-Quip’s and Innovex’s respective commitments to the continued development of technologies that will utilize best-in-class research and development capabilities to deliver next-generation, innovative products and to position the combined company at the forefront of energy technologies and solutions;
- Innovex’s expectation that the mergers will result in a combined company that is superior operationally due to increased scale and scope, and in terms of enhancing value for Innovex’s stockholders than if Innovex continued to operate as an independent, standalone company;
- Innovex’s expectation that the combined company will create a more flexible and lean manufacturing footprint to deliver cost-effective and high-quality mission-critical products;
- Innovex’s belief that the combined company will have increased access to sources of capital and a broader range of investors to support the development and increased capacity for the combined company’s product and service offerings as compared to Innovex continuing to operate as a privately held company;
- Innovex’s belief that the mergers will provide the existing stockholders of Innovex with greater liquidity by exchanging their Innovex shares of common stock for Dril-Quip’s publicly traded stock, which could also provide the combined company with an enhanced ability to pursue acquisitions and other synergies-focused consolidation opportunities in the future; and
- Innovex’s belief that the combined company board, which immediately after the closing of the mergers will have nine members, including four directors designated by Innovex, Adam Anderson, the current Chief Executive Officer of Innovex (and who will serve as the Chief Executive Officer of the combined company), and four directors designated by Dril-Quip, will provide continuity as to strategy, operational focus and financial discipline and opportunities for organizational advancement.

Unaudited Prospective Financial Information

Dril-Quip and Innovex do not as a matter of course make public long-term forecasts or internal projections as to future performance, revenues, earnings or other results given, among other reasons, the uncertainty of the underlying assumptions and estimates. However, Dril-Quip and Innovex are including certain unaudited prospective financial information in this section of this proxy statement/prospectus because it was among the financial information made available in connection with the Dril-Quip Board’s and the Innovex Board’s, as applicable, valuation of the mergers and the other transactions contemplated by the merger agreement. Certain of the unaudited prospective financial information also was provided to Citi for its use and reliance in connection with its financial analyses and opinion described in the section titled “—*Opinion of Dril-Quip’s Financial Advisor.*” The inclusion of this information should not be regarded as an indication that any of Dril-Quip, Innovex, any of their respective affiliates, officers, directors, advisors or other representatives or any other recipient of this information considered or now considers it to be necessarily predictive of actual future performance or events, or that it should be construed as financial guidance. Actual future results could vary

materially from such prospective financial information. As such, Dril-Quip stockholders are cautioned not to place undue reliance on the unaudited prospective financial information, including whether to vote for the merger proposals or any other matter.

This information was prepared solely for internal use and is subjective in many respects. The Dril-Quip projections (as defined below) were based solely upon information available to Dril-Quip's management and the Innovex projections (as defined below) were based solely upon information available to Innovex's management, in each case at the time of preparation.

While presented with numerical specificity, the Dril-Quip projections and the Innovex projections reflect numerous estimates and assumptions that were deemed to be reasonable as of the respective dates the estimates and assumptions were made but are inherently uncertain and may be beyond the control of Dril-Quip's and Innovex's management, as applicable. These assumptions include, but are not limited to, Dril-Quip's and Innovex's future results, oilfield services industry activity, commodity prices, demand for natural gas and crude oil, capital availability, general economic and regulatory conditions and other matters described in the sections entitled "*Cautionary Note Regarding Forward-Looking Statements*" and "*Risk Factors*." The Dril-Quip projections, with respect to Dril-Quip, and the Innovex projections, with respect to Innovex, reflect both assumptions as to certain business decisions that are subject to change and, in many respects, subjective judgment, and thus are susceptible to multiple interpretations and periodic revisions based on actual experience and business developments. Dril-Quip and Innovex can give no assurance that their respective unaudited prospective financial information and the underlying estimates and assumptions will be realized.

In addition, since the Dril-Quip projections and the Innovex projections are inherently forward looking and cover multiple years, such information by its nature becomes less predictive with each successive year. Actual results may differ materially from those set forth below, and important factors that may affect actual results and cause the Dril-Quip projections or the Innovex projections not to be realized include, but are not limited to, risks and uncertainties relating to Dril-Quip's and Innovex's business, industry performance, the regulatory environment, general business and economic conditions and other matters described under the section of this proxy statement/prospectus entitled "*Risk Factors*." Dril-Quip's Projections

In preparing the Dril-Quip projections described below, Dril-Quip management made numerous assumptions regarding Dril-Quip business, including, but not limited to:

- Market growth assumptions during the forecast period, which were based published industry information from reputable sources such as Rystad Energy and Spears & Associates, including deepwater and land wells drilled;

- Revenue growth relied on a combination of the aforementioned market growth over the period as well as continued expansion and market share gains of existing product lines, including growth due to product sales related to energy transition;
- Any inflation in costs incurred would be passed through to customers;
- Capital expenditures during the projection period would be a consistent percentage of revenue;
- Additional margin expansion would occur as a consequence of improved operating efficiency during the projection period; and
- An effective tax rate of 30% during the projection period.

The following table presents selected unaudited prospective financial data of Dril-Quip (referred to herein as the “Dril-Quip projections”):

	Year Ended December 31,				
	2024E	2025E	2026E	2027E	2028E
	(in millions)				
Total Revenues	\$505	\$585	\$616	\$639	\$661
Adjusted EBITDA (1)	\$71	\$118	\$127	\$132	\$137
Capital Expenditures	(\$19)	(\$18)	(\$18)	(\$19)	(\$20)
Free Cash Flow (2)	\$57	\$36	\$71	\$80	\$86

- (1) Adjusted EBITDA is defined as net income excluding income taxes, interest income and expense, depreciation and amortization expense, stock-based compensation, non-cash gains or losses from foreign currency exchange rate changes as well as other significant non-cash items and other adjustments for certain charges and credits. Adjusted EBITDA is not a measure of financial performance under GAAP. Accordingly, it should not be considered as a substitute for income (loss) or other measures prepared in accordance with GAAP.
- (2) Free Cash Flow is defined as cash flow from operating activities less capital expenditures.

Innovex’s Projections

In preparing the Innovex’s projections described below, Innovex’s management made numerous assumptions regarding Innovex’s business, including, but not limited to:

- Market growth assumptions during the forecast period, including NAM and International and Offshore rig count levels, which were based on management’s views of macro-economic patterns that influence the industry, including oil and gas commodity prices, drilling and completion spending and activity levels, and spending for intervention and other production enhancement services. Management’s view was informed by interactions with customers and from published industry information from reputable sources;
- Revenue growth relied on a combination of the aforementioned market growth over the forecast period as well as continued expansion and market share gains;
- Pricing levels were assumed to remain relatively stable throughout the forecast period and that any inflation in costs incurred would be passed through to customers;
- Capital expenditures during the projection period were forecast to be sufficient to cover the maintenance capital needs of the organization as well as the capital needs required to achieve the forecasted growth in revenue;
- Additional margin expansion would occur as a consequence of improved operating efficiency during the projection period; and
- No material changes in domestic or international tax regimes would be experienced during the projection period and the effective tax rate would remain generally constant as a percentage of revenue.

The following table presents selected unaudited prospective financial data of Innovex (referred to herein as the “Innovex projections”):

	Year Ended December 31,				
	2024E	2025E	2026E	2027E	2028E
	(in millions)				
Total Revenues	\$560	\$639	\$677	\$718	\$761
Adjusted EBITDA (1)	\$124	\$144	\$154	\$163	\$173
Capital Expenditures	(\$17)	(\$19)	(\$20)	(\$22)	(\$23)
Free Cash Flow (2)	\$82	\$76	\$92	\$97	\$102

- (1) Solely for the purposes of the Innovex projections, Adjusted EBITDA is defined as net income excluding income taxes, interest income and expense, depreciation and amortization expense, stock-based compensation as well as other significant non-cash items and other adjustments for certain charges and credits and excludes the impact of Innovex’s equity method investment in DWS.
- (2) Solely for purposes of the Innovex projections, Free Cash Flow is defined as operating cash flow less capital expenditures plus distributions received from Innovex’s minority investment in DWS.

Certain of the measures included in the Dril-Quip projections and the Innovex projections are non-GAAP financial measures, including Adjusted EBITDA and Free Cash Flow. Non-GAAP financial measures should not be considered in isolation from, or as a substitute for, financial information presented in compliance with GAAP, and non-GAAP financial measures as used by Dril-Quip and Innovex are not reported by all of their competitors and may not be comparable to similarly titled amounts used by other companies.

DRIL-QUIP AND INNOVEX DO NOT INTEND TO, AND DISCLAIM ANY OBLIGATION TO, UPDATE, CORRECT OR OTHERWISE REVISE THE DRIL-QUIP PROJECTIONS OR THE INNOVEX PROJECTIONS, AS APPLICABLE, TO REFLECT CIRCUMSTANCES EXISTING AFTER THE DATE OF THE MERGER AGREEMENT OR TO REFLECT THE OCCURRENCE OF FUTURE EVENTS, EVEN IN THE EVENT THAT ANY OR ALL OF THE ASSUMPTIONS UNDERLYING ANY SUCH PROJECTIONS ARE NO LONGER APPROPRIATE (EVEN IN THE SHORT TERM).

Non-GAAP Financial Information

The non-GAAP measures presented above were used by each of the Dril-Quip Board and the Innovex Board in connection with its consideration of the mergers and relied upon by Citi, at the direction of the Dril-Quip Board, in connection with its financial analyses and opinion. Financial measures provided to a financial advisor in connection with a business combination such as the mergers are excluded from the definition of non-GAAP financial measures and therefore are not subject to SEC rules regarding disclosures of non-GAAP financial measures, which would otherwise require a reconciliation of a non-GAAP financial measure to a GAAP financial measure. Reconciliations of these non-GAAP financial measures were not provided to or relied upon by the Dril-Quip Board or the Innovex Board in connection with their respective consideration of the mergers or by Citi in connection with its financial analyses or opinion. Accordingly, no reconciliations of the non-GAAP financial measures included in the financial projections is provided in this proxy statement/prospectus.

Opinion of Dril-Quip’s Financial Advisor

Dril-Quip has engaged Citi as Dril-Quip’s financial advisor in connection with the proposed mergers. In connection with Citi’s engagement, the Dril-Quip Board requested that Citi evaluate the fairness, from a financial point of view, to Dril-Quip of the aggregate merger consideration provided for pursuant to the merger agreement, which aggregate merger consideration Citi was advised implies a pro forma equity ownership interest in Dril-Quip upon consummation of the first merger by the securityholders of Innovex immediately prior to consummation of the first merger of 48% on a fully-diluted basis. On March 17, 2024, at a meeting of the

Dril-Quip Board held to evaluate the proposed mergers, Citi rendered an oral opinion, confirmed by delivery of a written opinion dated March 17, 2024, to the Dril-Quip Board to the effect that, as of such date and based on and subject to various assumptions made, procedures followed, matters considered and limitations and qualifications on the review undertaken by Citi, the aggregate merger consideration provided for pursuant to the merger agreement was fair, from a financial point of view, to Dril-Quip.

The full text of Citi's written opinion, dated March 17, 2024, which describes the assumptions made, procedures followed, matters considered and limitations and qualifications on the review undertaken, is attached as *Annex B* to this proxy statement/prospectus and is incorporated into this proxy statement/prospectus by reference. The description of Citi's opinion set forth below is qualified in its entirety by reference to the full text of Citi's opinion. **Citi's opinion was provided for the information of the Dril-Quip Board (in its capacity as such) in connection with its evaluation of the aggregate merger consideration from a financial point of view to Dril-Quip and did not address any other terms, aspects or implications of the mergers. Citi expressed no view as to, and its opinion did not address, the underlying business decision of Dril-Quip to effect or enter into the mergers, the relative merits of the mergers as compared to any alternative business strategies that might exist for Dril-Quip or the effect of any other transaction that Dril-Quip might engage in or consider. Citi's opinion was not intended to be and did not constitute a recommendation as to how the Dril-Quip Board, and is not intended to be and does not constitute a recommendation as to how any securityholder, should vote or act on any matters relating to the proposed mergers or otherwise.**

In arriving at its opinion, Citi:

- reviewed a draft, dated March 17, 2024, of the merger agreement;
- held discussions with certain senior officers, directors and other representatives of Dril-Quip and certain senior officers and other representatives of Innovex concerning the businesses, operations and prospects of Dril-Quip and Innovex;
- reviewed certain publicly available and other business and financial information relating to Dril-Quip and Innovex provided to or discussed with Citi by the managements of Dril-Quip and Innovex, including certain financial forecasts and other information and data relating to Dril-Quip prepared by the management of Dril-Quip and certain financial forecasts and other information and data relating to Innovex prepared by the management of Innovex as approved by the management of Dril-Quip;
- reviewed certain information and data provided to or discussed with Citi by the managements of Dril-Quip and Innovex relating to the potential strategic implications and financial and operational benefits (including the amount, timing and achievability thereof) anticipated by such managements to result from the mergers;
- reviewed the financial terms of the mergers as set forth in the merger agreement in relation to, among other things, current and historical market prices of Dril-Quip common stock, the financial condition and certain historical and projected financial and operating data of Dril-Quip and Innovex, and the capitalization of Dril-Quip and Innovex;
- reviewed certain financial, stock market and other publicly available information relating to the businesses of certain other companies whose operations Citi considered relevant in evaluating those of Dril-Quip and Innovex;
- reviewed certain potential pro forma financial effects of the mergers utilizing the financial forecasts and other information and data and potential strategic implications and financial and operational benefits referred to above; and
- conducted such other analyses and examinations and considered such other information and financial, economic and market criteria as Citi deemed appropriate in arriving at its opinion.

In connection with Citi's engagement, at the request of Dril-Quip, Citi held discussions with certain third parties regarding a potential transaction involving Dril-Quip.

In rendering its opinion, Citi assumed and relied, without independent verification, upon the accuracy and completeness of all financial and other information and data publicly available or provided to or otherwise reviewed by or discussed with Citi and upon the assurances of the managements and other representatives of Dril-Quip and Innovex that they were not aware of any relevant information that was omitted or that remained undisclosed to Citi. With respect to the financial forecasts and other information and data that Citi was directed to utilize in its analyses, Citi was advised by the managements of Dril-Quip and Innovex and Citi assumed, with Dril-Quip's consent, that they were reasonably prepared on bases reflecting the best currently available estimates and judgments of such managements, as the case may be, as to, and were a reasonable basis upon which to evaluate, the future financial performance of Dril-Quip and Innovex, the potential strategic implications and financial and operational benefits (including the amount, timing and achievability thereof) anticipated by such managements to result from, and other potential pro forma financial effects of, the mergers and the other matters covered thereby. Citi expressed no view or opinion as to any financial forecasts and other information or data (or underlying assumptions on which they were based) provided to or otherwise reviewed by or discussed with Citi and Citi assumed, with Dril-Quip's consent, that the financial results, including with respect to the potential strategic implications and financial and operational benefits anticipated to result from the mergers, reflected in such financial forecasts and other information and data would be realized in the amounts and at the times projected.

Citi relied, at Dril-Quip's direction, upon the assessments of the managements of Dril-Quip and Innovex, as the case may be, as to, among other things, (i) the potential impact on Dril-Quip and Innovex of macroeconomic, geopolitical, market, competitive, seasonal and other conditions, trends and developments in and prospects for, and governmental, regulatory and legislative matters relating to or otherwise affecting, the energy equipment and services industry, including with respect to the availability and pricing of commodities, raw materials and finished goods and supply and demand for oil and natural gas, which are subject to significant volatility and which, if different than as assumed, could have a material impact on Citi's analyses or opinion, (ii) Innovex's disclosure controls and procedures, including implications of material weaknesses identified in Innovex's internal control over financial reporting and the remediation of such material weaknesses, (iii) Dril-Quip's and Innovex's completed acquisitions, including financial and other aspects involved and the ability to integrate acquired businesses and realize the potential benefits thereof, (iv) the existing and future products and intellectual property of Dril-Quip and Innovex, (v) existing and future agreements and other arrangements involving, and the ability to attract, retain and/or replace, key employees, customers, suppliers, service providers and other commercial relationships of Dril-Quip and Innovex, and (vi) the ability of Dril-Quip to integrate the operations of Dril-Quip and Innovex and to realize the potential strategic implications and financial and operational benefits as contemplated. Citi assumed, with Dril-Quip's consent, that there would be no developments with respect to any such matters that would have an adverse effect on Dril-Quip, Innovex or the mergers (including the contemplated benefits thereof) or that otherwise would be meaningful in any respect to Citi's analyses or opinion.

Citi did not make and was not provided with an independent evaluation or appraisal of the assets or liabilities (contingent, accrued, derivative, off-balance sheet or otherwise) of Dril-Quip, Innovex or any other entity nor did Citi make any physical inspection of the properties or assets of Dril-Quip, Innovex or any other entity. Citi did not evaluate the solvency or fair value of Dril-Quip, Innovex or any other entity under any state, federal, provincial or other laws relating to bankruptcy, insolvency or similar matters. Citi expressed no view or opinion as to any actual or potential litigation, claims or governmental, regulatory or other proceedings, enforcement actions, consent decrees or other orders, audits or investigations or the potential impact thereof on Dril-Quip, Innovex or any other entity or the mergers.

Citi assumed, with Dril-Quip's consent, that the mergers would be consummated in accordance with their respective terms and in compliance with all applicable laws, documents and other requirements, without waiver, modification or amendment of any material term, condition or agreement, and that, in the course of obtaining the necessary governmental, regulatory or third party approvals, consents, releases, waivers and agreements for the mergers or otherwise, no delay, limitation, restriction, condition or other action, including any divestiture or other

requirements, amendments or modifications, would be imposed or occur that would have an adverse effect on Dril-Quip, Innovex or the mergers (including the contemplated benefits thereof) or that otherwise would be meaningful in any respect to Citi's analyses or opinion. Citi also assumed, with Dril-Quip's consent, that the mergers will qualify for the intended tax treatment contemplated by the merger agreement. Representatives of Dril-Quip advised Citi, and Citi further assumed, that the final terms of the merger agreement would not vary materially from those set forth in the draft reviewed by Citi. Citi's opinion, as set forth therein, related to the relative values of Dril-Quip and Innovex (after taking into account the Innovex special cash dividend to holders of Innovex common stock). Citi did not express any view or opinion as to the actual value of Dril-Quip common stock when issued in connection with the first merger or the prices at which Dril-Quip common stock, Innovex common stock or any other securities of Dril-Quip or Innovex may trade or otherwise be transferable at any time, including following the announcement or consummation of the mergers. Citi also did not express any view or opinion with respect to accounting, tax, regulatory, legal or similar matters, including, without limitation, as to tax or other consequences of the mergers or otherwise or changes in, or the impact of, accounting standards or tax and other laws, regulations and governmental and legislative policies affecting Dril-Quip, Innovex or the mergers (including the contemplated benefits thereof), and Citi relied, with Dril-Quip's consent, upon the assessments of representatives of Dril-Quip as to such matters.

Citi's opinion addressed only the fairness, from a financial point of view and as of the date of such opinion, to Dril-Quip of the aggregate merger consideration (to the extent expressly specified herein), and did not address any other terms, aspects or implications of the mergers, including, without limitation, the form or structure of the mergers, the exercise of any drag-along rights by consenting stockholders of Innovex, any governance arrangements or any terms, aspects or implications of any registration rights or stockholders agreements or any other agreement, arrangement or understanding to be entered into in connection with or contemplated by the mergers or otherwise. Citi expressed no view as to, and its opinion did not address, the underlying business decision of Dril-Quip to effect or enter into the mergers, the relative merits of the mergers as compared to any alternative business strategies that might exist for Dril-Quip or the effect of any other transaction that Dril-Quip might engage in or consider. Citi also expressed no view as to, and its opinion did not address, the fairness (financial or otherwise) of the amount or nature or any other aspect of any compensation or other consideration to any officers, directors or employees of any parties to the mergers, or any class of such persons, relative to the aggregate merger consideration or otherwise. Citi's opinion was necessarily based upon information available, and financial, stock market and other conditions and circumstances existing and disclosed, to Citi as of the date of its opinion. Although subsequent developments may affect its opinion, Citi has no obligation to update, revise or reaffirm its opinion. As the Dril-Quip Board was aware, the industries in which Dril-Quip and Innovex operate (including commodity prices related to such industries) and the securities of Dril-Quip have experienced and may continue to experience volatility and disruptions, and Citi expressed no view or opinion as to any potential effects of such volatility or disruptions on Dril-Quip, Innovex or the mergers (including the contemplated benefits thereof). The issuance of Citi's opinion was authorized by Citi's fairness opinion committee.

In preparing its opinion, Citi performed a variety of financial and comparative analyses, including those described below. The summary of the analyses below is not a complete description of Citi's opinion or the analyses underlying, and factors considered in connection with, Citi's opinion. The preparation of a financial opinion is a complex analytical process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, a financial opinion is not readily susceptible to summary description. Citi arrived at its ultimate opinion based on the results of all analyses and factors assessed as a whole, and it did not draw, in isolation, conclusions from or with regard to any one factor or method of analysis. Accordingly, Citi believes that the analyses must be considered as a whole and that selecting portions of its analyses and factors or focusing on information presented in tabular format, without considering all analyses and factors or the narrative description of the analyses, could create a misleading or incomplete view of the processes underlying such analyses and its opinion.

In its analyses, Citi considered industry performance, general business, economic, market and financial conditions and other matters existing as of the date of its opinion, many of which are beyond the control of

Dril-Quip and Innovex. No company or business reviewed is identical or directly comparable to Dril-Quip or Innovex and an evaluation of these analyses is not entirely mathematical; rather, the analyses involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the public trading or other values of the companies or businesses reviewed or the results of any particular analysis.

The estimates contained in Citi's analyses and the ranges resulting from any particular analysis are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than those suggested by such analyses. In addition, analyses relating to the value of businesses or securities do not purport to be appraisals or to reflect the prices at which businesses or securities actually may be sold or acquired. Accordingly, the estimates used in, and the results derived from, Citi's analyses are inherently subject to substantial uncertainty.

Citi was not requested to, and it did not, recommend or determine the specific consideration payable in the mergers. The type and amount of consideration payable in the mergers were determined through negotiations between Dril-Quip and Innovex and the decision to enter into the merger agreement was solely that of the Dril-Quip Board. Citi's opinion was only one of many factors considered by the Dril-Quip Board in its evaluation of the mergers and should not be viewed as determinative of the views of the Dril-Quip Board or Dril-Quip management with respect to the mergers or the aggregate merger consideration.

Financial Analyses

The summary of the financial analyses described below under this heading "*Financial Analyses*" is a summary of the material financial analyses reviewed with the Dril-Quip Board and performed by Citi in connection with Citi's opinion, dated March 17, 2024. **The summary set forth below does not purport to be a complete description of the financial analyses performed by, and underlying the opinion of, Citi, nor does the order of the financial analyses described represent the relative importance or weight given to those financial analyses by Citi. Certain financial analyses summarized below include information presented in tabular format. In order to fully understand the financial analyses, the tables must be read together with the text of each summary as the tables alone do not constitute a complete description of the financial analyses. Considering the data in the tables below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the financial analyses, could create a misleading or incomplete view of such financial analyses. Future results may be different from those described and such differences may be material.** Approximate implied equity value reference ranges derived from the financial analyses described below for Innovex and Dril-Quip were rounded to the nearest \$5 million and approximate implied per share equity value reference ranges derived from the financial analyses described below for Dril-Quip were rounded to the nearest \$0.10. For purposes of the financial analyses described below, (i) the term "adjusted EBITDA" generally refers to earnings before interest, taxes, depreciation, amortization and equity method investments, adjusted for certain non-recurring and non-cash items, and (ii) the term "adjusted EBITDA-Capex" generally refers to adjusted EBITDA, less capital expenditures.

In calculating implied fully-diluted equity ownership percentage reference ranges as reflected in the financial analyses described below, Citi divided (i) the low-ends (or high-ends, as the case may be) of the approximate implied equity value reference ranges derived for Innovex from such analyses by (ii) the sum of (a) the high-ends (or low-ends, as the case may be) of the approximate implied equity value reference ranges derived for Dril-Quip from such analyses and (b) the low-ends (or high ends, as the case may be) of the approximate implied equity value reference ranges derived for Innovex from such analyses in order to calculate the low-ends (or high-ends) of such fully-diluted equity ownership percentage reference ranges.

Discounted Cash Flow Analyses. Citi performed separate discounted cash flow analyses of Innovex and Dril-Quip.

Innovex. Citi performed a discounted cash flow analysis of Innovex by calculating the estimated present value of the standalone unlevered, after-tax free cash flows that Innovex was forecasted to generate during the fiscal years ending December 31, 2024 through December 31, 2028 based on financial forecasts and other information and data provided by the management of Innovex. For purposes of this analysis, stock-based compensation was treated as a cash expense. Citi calculated terminal values for Innovex by applying to the fiscal year 2028 estimated adjusted EBITDA of Innovex (inclusive of Innovex’s pro rata portion of estimated adjusted EBITDA attributable to unconsolidated affiliates) a selected range of adjusted EBITDA multiples of 5.0x to 7.0x. The present values (as of December 31, 2023) of the cash flows and terminal values were then calculated using a selected range of discount rates of 13.1% to 14.5%. This analysis indicated an approximate implied equity value reference range for Innovex of \$665 million to \$900 million.

Dril-Quip. Citi performed a discounted cash flow analysis of Dril-Quip by calculating the estimated present value of the standalone unlevered, after-tax free cash flows that Dril-Quip was forecasted to generate during the fiscal years ending December 31, 2024 through December 31, 2028 based on financial forecasts and other information and data provided by the management of Dril-Quip. For purposes of this analysis, stock-based compensation was treated as a cash expense. Citi calculated terminal values for Dril-Quip by applying to the fiscal year 2028 estimated adjusted EBITDA of Dril-Quip a selected range of adjusted EBITDA multiples of 5.0x to 7.0x. The present values (as of December 31, 2023) of the cash flows and terminal values were then calculated using a selected range of discount rates of 12.5% to 13.8%. This analysis indicated an approximate implied equity value reference range for Dril-Quip of \$735 million to \$910 million (or approximately \$20.70 to \$25.70 per share).

Utilizing the approximate implied equity value reference ranges derived for Innovex and Dril-Quip as described above, Citi calculated the following approximate implied fully-diluted pro forma equity ownership reference range for Innovex, as compared to Innovex's fully-diluted pro forma equity ownership in the combined company upon consummation of the mergers based on the aggregate merger consideration:

<u>Implied Fully-Diluted Pro Forma Equity Ownership Reference Range</u>	<u>Innovex Fully-Diluted Pro Forma Equity Ownership in the Mergers</u>

Certain Additional Information

Citi also observed certain additional information that was not considered part of its financial analyses with respect to its opinion but was noted for informational purposes, including the following:

Illustrative Accretion (Dilution). Citi observed the illustrative potential pro forma financial effects of the mergers on Dril-Quip's fiscal years 2025, 2026 and 2027 estimated earnings per share, estimated operating cash flow per share and estimated free cash flow per share based on financial forecasts and other information and data relating to Dril-Quip and Innovex provided by the managements of Dril-Quip and Innovex, public filings and other publicly available information after taking into account potential net synergies, the Innovex special cash dividend and transaction-related expenses anticipated by the managements of Dril-Quip and Innovex to result from the mergers, which indicated that the mergers could be accretive to Dril-Quip's fiscal years 2025, 2026 and 2027 estimated earnings per share, estimated operating cash flow per share and estimated free cash flow per share relative to Dril-Quip on a standalone basis. Actual results achieved by Dril-Quip may vary from forecasted results and variations may be material.

Illustrative Has/Gets. Citi compared the approximate implied per share equity value reference ranges derived for Dril-Quip on a standalone basis as described above under "*Discounted Cash Flow Analyses—Dril-Quip*" relative to the illustrative approximate implied per share equity value reference range for Dril-Quip pro forma for the mergers utilizing a selected range of adjusted EBITDA multiples of 5.0x to 7.0x and a selected range of discount rates of 11.8% to 13.1%, after taking into account potential net synergies, the Innovex special cash dividend and transaction-related expenses anticipated by the managements of Dril-Quip and Innovex to result from the mergers. Citi observed that the mergers could result in an approximate implied equity value reference range for Dril-Quip of \$22.80 to \$29.70 per share relative to the approximate implied equity value reference range for Dril-Quip on a standalone basis of \$20.70 to \$25.70 per share. Actual results achieved by Dril-Quip may vary from forecasted results and variations may be material.

Other. Citi also observed the following:

- undiscounted publicly available Wall Street research analysts' price targets for Dril-Quip common stock of \$22.00, \$24.00 and \$40.00 per share.

Miscellaneous

Dril-Quip has agreed to pay Citi for its services in connection with the proposed mergers an aggregate fee of \$9 million, of which a portion was payable upon delivery of Citi's opinion and \$7 million is payable contingent upon consummation of the mergers. In addition, Dril-Quip agreed to reimburse Citi for its expenses, including fees and expenses of counsel, and to indemnify Citi and related parties against certain liabilities, including liabilities under federal securities laws, arising out of Citi's engagement.

As the Dril-Quip Board was aware, Citi and its affiliates in the past have provided, currently are providing and in the future may provide investment banking, commercial banking and other similar financial services to Innovex and/or certain of its affiliates, including, during the approximate two-year period prior to the date of Citi's opinion, having acted or acting as an underwriter for Innovex's contemplated initial public offering. Citi and its affiliates did not receive any compensation from Innovex during the approximate two-year period prior to the date of Citi's opinion, including in connection with Innovex's contemplated (but un consummated) initial public offering. Although Citi and its affiliates did not provide investment banking, commercial banking or other similar financial services during the two-year period prior to the date of Citi's opinion to Dril-Quip unrelated to the mergers or to Amberjack (the principal stockholder of Innovex) for which services Citi or its affiliates received or expect to receive compensation, Citi and its affiliates in the future may provide such services to Dril-Quip and/or its affiliates or Amberjack and/or its affiliates or portfolio companies for which services Citi and its affiliates would expect to receive compensation. In the ordinary course of business, Citi and its affiliates may actively trade or hold the securities or financial instruments (including loans and other obligations) of Dril-Quip, Innovex and their respective affiliates for their own account or for the account of customers and, accordingly, may at any time hold a long or short position or otherwise effect transactions in such securities or financial instruments. In addition, Citi and its affiliates (including Citigroup Inc. and its affiliates) may maintain relationships with Dril-Quip, Innovex and their respective affiliates.

Dril-Quip selected Citi to act as Dril-Quip's financial advisor in connection with the proposed mergers based on Citi's reputation, experience and familiarity with Dril-Quip, Innovex and their respective businesses. Citi is an internationally recognized investment banking firm that regularly engages in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive bids, secondary distributions of listed and unlisted securities, private placements and valuations for estate, corporate and other purposes.

For additional information regarding treatment of awards held by Innovex’s executive officers upon certain terminations of employment or following the mergers, see “*Change in Control Payments and Benefits*” below.

The following table sets forth, for each of Innovex’s executive officers and non-employee directors who have served at any time since January 1, 2023, the aggregate number of shares of Innovex common stock subject to outstanding stock options held by such executive officers and non-employee directors, as applicable, as of April 30, 2024.

If Dril-Quip stockholders approve the 2024 LTIP, the continuing RSUs will be considered substitute awards under the 2024 LTIP, subject to vesting over the same time period as was applicable under the respective continuing RSUs, but otherwise subject to the terms and conditions set forth in the 2024 LTIP. If Dril-Quip stockholders do not approve the 2024 LTIP, the continuing RSUs will be assumed by Dril-Quip on the same terms and conditions as were applicable to such awards as of immediately prior to the effective time (including vesting restrictions). Indemnification and Insurance

Dril-Quip has agreed that it and the surviving company will indemnify and hold harmless to the fullest extent permitted by applicable law, each person who is now, or who has been at any time prior to the date hereof

or who becomes prior to the effective time, a director and officer of Innovex or any of its subsidiaries (each, an “indemnified party,” and collectively the “indemnified parties”), against all losses, claims, damages, costs, expenses, liabilities or judgments or amounts that are paid in settlement of or in connection with any claim, action, suit, proceeding or investigation based in whole or in part on or arising in whole or in part out of the fact that such person is or was a director or officer of Innovex or any subsidiary of Innovex, and pertaining to any matter existing or occurring, or any acts or omissions occurring, at or prior to the effective time, whether asserted or claimed prior to, or at or after, the effective time, including in connection with the merger agreement, the mergers or the other transactions contemplated by the merger agreement, and Dril-Quip and the surviving company will also advance expenses as incurred to the fullest extent permitted under applicable law for a period of six years from the effective time, except that any person to whom expenses are advanced provides an undertaking to repay such advances if it is ultimately determined by final adjudication that such person is not entitled to indemnification.

For a period of six years after the effective time, Dril-Quip will cause the surviving company to maintain in effect the current policies of directors’ and officers’ liability insurance maintained by Innovex, provided that that surviving company may substitute such existing policies with policies from a substantially comparable insurer of at least the same coverage and amounts containing terms and conditions that are no less advantageous to the insured for claims arising from facts or events that occurred at or prior to the effective time (including in connection with the merger agreement or the mergers and other transactions contemplated by the merger agreement); provided that Dril-Quip shall not be required to pay annual premiums in excess of 300% of the last annual premium paid by Innovex prior to the date of the merger agreement in respect of the coverage required to be obtained pursuant to the merger agreement but in such case shall purchase as much coverage as reasonably practicable for such amount. However, prior to the effective time, Innovex may (or, if requested by Dril-Quip, will) purchase (and pay in full the aggregate premium for) a six year “tail” insurance policy on terms and conditions providing substantially equivalent benefits as the current policies of the directors’ and officers’ liability insurance maintained by Innovex with respect to claims arising from facts or events that occurred at or before the effective time (including in connection with the negotiation and execution of the merger agreement and the consummation of the transactions contemplated by the merger agreement) for a maximum cost of 300% of the last annual premium paid by Innovex prior to the date of the merger agreement in respect of the current policies of directors’ and officers’ liability insurance maintained by Innovex, which prepaid “tail” policy will include as much coverage as reasonably practicable for such amount. If Innovex obtains such prepaid “tail” policy prior to the effective time, Dril-Quip will maintain such policy for its full term and cause all obligations thereunder to be honored by the surviving company, and no other party will have any further obligation to purchase or pay for insurance under the merger agreement.

All rights to indemnification and exculpation from liabilities for acts or omissions occurring at or prior to the effective time and rights to advancement of expenses relating thereto existing at or prior to the time of the merger agreement in favor of any indemnified party as provided in the organizational documents of Innovex and its subsidiaries or any indemnification agreement between such indemnified party and Innovex or any of its subsidiaries, in each case will survive the merger and other transactions contemplated by the merger agreement unchanged and will not be amended, restated, repealed or otherwise modified in any manner that would adversely affect any right thereunder of any such indemnified party.

The indemnification, exculpation and insurance provisions in the merger agreement are for the benefit of and enforceable by each of the indemnified parties, who are third-party beneficiaries of such provisions. For additional information, please see “*The Merger Agreement—Covenants—Indemnification; Directors’ and Officers’ Insurance.*”

Interests of Dril-Quip Directors and Executive Officers in the Mergers

In considering the recommendation of the Dril-Quip Board that stockholders vote “FOR” the merger proposals, Dril-Quip stockholders should be aware that the executive officers and directors of Dril-Quip have interests in the mergers that may be different from, or in addition to, those of Dril-Quip stockholders generally.

These interests are described below. The Dril-Quip Board was aware of and considered these interests, among other matters, in evaluating and negotiating the merger agreement and the mergers, in approving the merger agreement, and in recommending the approval of the merger proposals.

Dril-Quip Non-Employee Director Restricted Stock Awards

For purposes of the 2017 Omnibus Incentive Plan of Dril-Quip, Inc., as amended (the “2017 Omnibus Incentive Plan”), the completion of the mergers will constitute a “change in control.” As a result, all time-based restricted stock awards held by Dril-Quip’s non-employee directors will become automatically vested upon the completion of the mergers.

The following table sets forth, for each Dril-Quip non-employee director, the aggregate number of shares of Dril-Quip common stock subject to time-based restricted stock awards held by such non-employee director as of December 31, 2023.

Non-Employee Director Name	Number of Shares Subject to Outstanding Dril-Quip Non-Employee Director Restricted Stock Awards (#)

Dril-Quip Executive Officers

Change in Control Payments and Benefits

For purposes of the agreements described below, the completion of the mergers will constitute a “change in control” as defined within the applicable documents.

Dril-Quip has entered into an employment agreement with each of its NEOs, Jeffrey J. Bird, Kyle F. McClure, James C. Webster and Donald M. Underwood (as each may be amended from time to time, the “Dril-Quip employment agreements”), pursuant to which the executive officers may become eligible to receive severance benefits upon a qualifying termination of employment following the mergers.

If Mr. Bird’s employment is terminated by Dril-Quip without “cause” or by Mr. Bird for “good reason” (each term as defined in the employment agreement) prior to the end of the “employment term” (as defined in the employment agreement) and not during the period commencing on the occurrence of a Change of Control (as defined in the employment agreement) and ending on the third anniversary of such date (the “change of control period”), Mr. Bird will receive the following severance payments and benefits: (i) a lump sum cash payment equal to two times Mr. Bird’s annual base salary and (ii) continued medical, dental, vision and life insurance coverage until the earlier of Mr. Bird’s receipt of equivalent coverage and benefits under the plans of a subsequent employer or two years after the date of termination. Mr. Bird’s receipt of these payments and benefits is subject to his execution and non-revocation of a release of claims and his continued compliance with the confidentiality, non-competition and non-solicitation covenants set forth in the employment agreement as well as any post-separation obligations included in any other agreement between Dril-Quip and Mr. Bird.

If Mr. Bird’s employment is terminated prior to the end of the employment term and during a change of control period by Dril-Quip without cause or by Mr. Bird for good reason, Mr. Bird will receive the following change of control severance payments and benefits: (i) a lump sum cash payment equal to three times Mr. Bird’s annual base salary, (ii) a lump sum cash payment equal to a pro rata portion of the greater of the target annual bonus for the year of termination or the average annual bonus amount paid for the three most recent

“performance periods” (as defined in the employment agreement), (iii) a lump sum cash payment in an amount equal to three times the greater of the target annual bonus for the year of termination or the average annual bonus amount paid for the three most recent performance periods, (iv) unless greater benefits are otherwise provided under the applicable award agreements, immediate vesting of any stock options, restricted stock awards or performance stock units (with performance awards vesting at target) previously granted to Mr. Bird and outstanding as of the time immediately prior to the date of his termination and the extension of the exercise period (if applicable to an award) until the earlier of the first anniversary of the date of termination and the expiration date of the award and (v) continued medical, dental, vision and life insurance coverage until the earlier of Mr. Bird’s receipt of equivalent coverage and benefits under the plans of a subsequent employer or three years after the date of termination. Mr. Bird’s receipt of these payments and benefits is subject to his execution and non-revocation of a release of claims and his continued compliance with the confidentiality, non-competition and non-solicitation covenants set forth in the employment agreement as well as any post-separation obligations included in any other agreement between Dril-Quip and Mr. Bird.

In addition, Mr. Bird is subject to a perpetual covenant not to use or disclose Dril-Quip’s trade secrets or confidential information and non-competition and non-solicitation covenants during the term of his employment and for 12 months following his termination.

The employment agreements with Messrs. McClure, Webster and Underwood include similar termination and severance provisions. If the executive’s employment is terminated by Dril-Quip without “cause” or by the executive for “good reason” (each term as defined in the applicable employment agreement) prior to the end of the “employment term” and not during a “change of control period” (each term as defined in the applicable employment agreement), the executive will receive the following payments and benefits: (i) a lump sum cash payment equal to one times the executive’s annual base salary and (ii) continued medical, dental, vision and life insurance coverage until the earlier of the executive’s receipt of equivalent coverage and benefits under the plans of a subsequent employer or one year after the date of termination.

The executive’s receipt of these payments and benefits is subject to his execution and non-revocation of a release of claims and his continued compliance with the confidentiality, non-competition and non-solicitation covenants set forth in the employment agreement as well as any post-separation obligations included in any other agreement between Dril-Quip and the executive.

The employment agreements with Messrs. McClure, Webster and Underwood include similar change of control severance provisions. If the executive’s employment is terminated prior to the end of the employment term and during a change of control period by Dril-Quip without cause or by the executive for good reason, the executive will receive the following payments and benefits: (i) a lump sum cash payment equal to two times annual base salary, (ii) a lump sum cash payment equal to a pro rata portion of the greater of the target annual bonus for the year of termination or the average annual bonus amount paid for the three most recent “performance periods” (as defined in the employment agreement), (iii) a lump sum cash payment in an amount equal to two times the greater of the target annual bonus for the year of termination or the average annual bonus amount paid for the three most recent performance periods, (iv) unless greater benefits are otherwise provided under the applicable award agreements, immediate vesting of any stock options, restricted stock awards or performance stock units (with performance awards vesting at target) previously granted to the executive and outstanding as of the time immediately prior to the date of his termination and the extension of the exercise period (if applicable to an award) until the earlier of the first anniversary of the date of termination and the expiration date of the award and (v) continued medical, dental, vision and life insurance coverage until the earlier of the executive receipt of equivalent coverage and benefits under the plans of a subsequent employer or two years after the date of termination. The executive’s receipt of these payments and benefits is subject to his execution and non-revocation of a release of claims and his continued compliance with the confidentiality, non-competition and non-solicitation covenants set forth in the employment agreement as well as any post-separation obligations included in any other agreement between Dril-Quip and the executive.

In addition, the executive is subject to a perpetual covenant not to use or disclose Dril-Quip’s trade secrets or confidential information and non-competition and non-solicitation covenants during the term of his employment and for 12 months following his termination.

Quantification of Potential Payments and Benefits to Dril-Quip’s Executive Officers

The information set forth below is required by Item 402(t) of Regulation S-K regarding compensation that is based on or otherwise relates to the mergers that the Dril-Quip NEOs could receive in connection with the mergers. Such amounts have been calculated assuming that (a) the mergers closed on the latest practicable date of April 30, 2024, (b) the value per share of Innovex common stock on the completion of the mergers is \$24.50 (which, in accordance with SEC requirements, is the average closing price of Dril-Quip common stock over the first five business days following the first public announcement of the mergers), (c) none of the Dril-Quip NEOs receives any additional equity-based awards following the date hereof, (d) each Dril-Quip NEOs is terminated by Dril-Quip immediately following the completion of the mergers (making all payments and benefits below attributable to a “double-trigger” arrangement), and (e) each Dril-Quip NEO has properly executed any required releases and complied with all requirements (including any applicable restrictive covenants) necessary in order to receive all payments and benefits. Some of the assumptions used in the table below are based upon information not currently available and, as a result, the actual amounts to be received by any of the Dril-Quip NEOs below may materially differ from the amounts set forth below.

For purposes of the following, the mergers will constitute a “change in control” under the Dril-Quip employment agreements and the 2017 Omnibus Incentive Plan.

Change in Control Compensation				
Name	Cash (S) (1)	Equity (S) (2)	Perquisites/ Benefits (S) (3)	Total (S)
Jeffrey J. Bird	4,114,500	6,268,913	55,268	10,438,681
Kyle F. McClure	1,661,520	3,346,406	36,185	5,044,111
James C. Webster	1,545,600	2,628,973	32,767	4,207,340
Don Underwood	1,121,340	996,195	32,767	2,150,302

- (1) These amounts reflect the cash severance payment payable under the employment agreements with each Dril-Quip NEO described under “—*Change in Control Payments and Benefits*” above in the event of a qualifying termination of his employment during a change in control period. Such cash severance is “double-trigger,” which means that a Dril-Quip NEO must experience a qualifying termination on or within three years following a change in control of Dril-Quip. Details of the cash payments are shown in the following supplemental table:

Name	Cash Severance (S) (a)	Bonus (S) (b)	Cash Total (S)
Jeffrey J. Bird	3,900,000	214,500	4,114,500
Kyle F. McClure	1,548,000	113,520	1,661,520
James C. Webster	1,440,000	105,600	1,545,600
Don Underwood	1,056,000	65,340	1,121,340

- (a) These amounts reflect the total cash severance payments, which is equal to (i) three times the sum of Mr. Bird’s base salary and target annual bonus and (ii) two times the sum of base salary and target annual bonus for all other Dril-Quip NEOs.
- (b) The pro-rated target bonus is calculated assuming a termination date of April 30, 2024.
- (2) These amounts reflect the value of Dril-Quip Restricted Stock and Dril-Quip Performance Units, as described under “—*Dril-Quip Executive Officers Restricted Stock Awards*” and “—*Dril-Quip Executive Officers Performance Unit Awards*.” The 2021 Dril-Quip Restricted Stock Awards and Performance Unit

Awards outstanding as of the date of the merger agreement that remain outstanding as of the closing of the mergers will fully vest upon the mergers (and such vesting is therefore pursuant to a “single-trigger” arrangement), with Performance Units deemed earned based on target performance levels pursuant to the terms of the employment agreements. The 2022 and 2023 Dril-Quip Restricted Stock Awards and Performance Unit Awards are “double-trigger,” with Performance Units deemed earned based on target performance levels. The amount is based on a per share value of Dril-Quip common stock of \$24.50. Details of the equity award payments are shown below under “—*Dril-Quip Executive Officers Restricted Stock Awards*” and “—*Dril-Quip Executive Officers Performance Unit Awards*.”

- (3) These amounts reflect the estimated value of perquisites and benefits payable or provided under the employment agreements with each Dril-Quip NEO described under “—*Change in Control Payments and Benefits*” above in the event of a qualifying termination of his employment during a change in control period. Such perquisites and benefits are “double-trigger,” which means that a Dril-Quip NEO must experience a qualifying termination on or within three years following a change in control of Dril-Quip. These amounts reflect the estimated cost of continued medical coverage at no cost to Mr. Bird for 36 months and all other Dril-Quip NEOs for 24 months.

Dril-Quip Executive Officers Restricted Stock Awards

For purposes of the 2017 Omnibus Incentive Plan, the completion of the mergers will constitute a “change in control.” As a result, all restricted shares of Dril-Quip common stock held by Dril-Quip’s executive officers will become automatically vested upon the completion of the mergers.

The following table sets forth, for each Dril-Quip executive officer, the aggregate number of shares of Dril-Quip common stock subject to restricted shares held by such executive as of April 30, 2024.

<u>Executive Officer Name</u>	<u>Number of Shares Subject to Outstanding Dril-Quip Restricted Stock Awards (#)</u>	<u>Value of Outstanding Dril-Quip Restricted Stock Awards (\$)</u>

Dril-Quip Executive Officers Performance Unit Awards

For purposes of the 2017 Omnibus Incentive Plan, the completion of the mergers will constitute a “change in control.” As a result, the performance units of Dril-Quip common stock, deemed to be achieved at the target level, held by Dril-Quip’s executive officers will become automatically vested upon the completion of the mergers.

The following table sets forth, for each Dril-Quip executive officer, the aggregate number of shares of Dril-Quip common stock subject to performance units held by such executive as of April 30, 2024.

Material U.S. Federal Income Tax Consequences

The following general discussion sets forth the material U.S. federal income tax consequences of the integrated mergers to U.S. holders (as defined below) of Innovex common stock that exchange their shares of Innovex common stock for Dril-Quip common stock in the first merger. This discussion does not address any tax consequences arising under the laws of any U.S. state or local or non-U.S. jurisdiction, or under any U.S. federal laws other than those pertaining to income tax. In addition, it does not address any alternative minimum tax consequences of the integrated mergers or the potential application of the Medicare contribution tax on net investment income. This discussion is based upon the regulations promulgated under the Code and court and administrative rulings and decisions, all as in effect on the date hereof. These laws may change, possibly retroactively, and any such change could affect the accuracy of the statements and conclusions set forth in this discussion.

This discussion addresses only consequences to those U.S. holders that hold their shares of Innovex common stock as a “capital asset” within the meaning of Section 1221 of the Code (generally, property held for investment). Further, this discussion does not address all aspects of U.S. federal income taxation that may be relevant to U.S. holders in light of their particular circumstances or that may be applicable to U.S. holders that are subject to special treatment under the U.S. federal income tax laws, such as:

- a financial institution;
- a tax-exempt organization;
- an S corporation or other pass-through entity (or an investor in an S corporation or other pass-through entity);
- an insurance company;
- a mutual fund;
- a dealer or broker in stocks and securities, or currencies;
- a trader in securities elects mark-to-market treatment;
- a holder of Innovex common stock or Innovex equity awards that received Innovex common stock or Innovex equity awards through a tax-qualified retirement plan or otherwise as compensation;
- a person that is not a U.S. holder (as defined below);
- a person that has a functional currency other than the U.S. dollar;
- a holder of Innovex common stock that holds Innovex common stock as part of a hedge, straddle, constructive sale, conversion or other integrated transaction;
- a person subject to special tax accounting rules (including rules requiring recognition of gross income based on a taxpayer’s applicable financial statement); or
- a United States expatriate.

THE TAX CONSEQUENCES OF THE INTEGRATED MERGERS TO AN INNOVEX STOCKHOLDER MAY BE COMPLEX AND WILL DEPEND ON SUCH HOLDER’S SPECIFIC SITUATION AND FACTORS NOT WITHIN DRIL-QUIP’S OR INNOVEX’S CONTROL. ALL INNOVEX STOCKHOLDERS SHOULD CONSULT THEIR TAX ADVISORS AS TO THE SPECIFIC TAX CONSEQUENCES OF THE INTEGRATED MERGERS TO THEM IN THEIR PARTICULAR CIRCUMSTANCES, INCLUDING THE APPLICABILITY AND EFFECT OF THE ALTERNATIVE MINIMUM TAX AND ANY U.S. FEDERAL, U.S. STATE OR LOCAL, NON-U.S. OR OTHER TAX LAWS AND OF POTENTIAL CHANGES IN SUCH LAWS.

U.S. Holder Defined

For purposes of this discussion, a “U.S. holder” is a beneficial owner of Innovex common stock that, for U.S. federal income tax purposes, is:

- an individual who is a citizen or resident of the United States;
- a corporation (or other entity treated as a corporation for U.S. federal income tax purposes), created or organized in or under the laws of the United States, any state thereof or the District of Columbia;
- an estate the income of which is subject to U.S. federal income tax regardless of its source; or
- a trust (i) the administration of which is subject to the primary supervision of a U.S. court and which has one or more “United States persons” (within the meaning of Section 7701(a)(30) of the Code) who have the authority to control all substantial decisions of the trust or (ii) which has made a valid election under applicable U.S. Treasury regulations to be treated as a United States person.

If a partnership (including an entity or arrangement treated as a partnership for U.S. federal income tax purposes) holds Innovex common stock, the tax treatment of a partner in the partnership generally will depend upon the status of the partner, the activities of the partnership and certain determinations made at the partner level. Accordingly, if you are a partner in a partnership (including an entity or arrangement treated as a partnership for U.S. federal income tax purposes) that holds Innovex common stock, you should consult your tax advisor regarding the tax consequences to you of the integrated mergers.

Determining the tax consequences of the integrated mergers may be complex. U.S. holders of Innovex common stock should consult with their own tax advisors as to the tax consequences of the integrated mergers in light of their particular circumstances, including the applicability and effect of the alternative minimum tax and any U.S. state or local, non-U.S. or other tax laws and of changes in those laws.

Tax Consequences of the Mergers in General

The integrated mergers are intended to qualify as a “reorganization” within the meaning of Section 368(a) of the Code, and Dril-Quip and Innovex intend to report the integrated mergers consistent with such qualification. Dril-Quip and Innovex have not sought, and do not intend to seek, any ruling from the IRS regarding the qualification of the integrated mergers as a “reorganization” within the meaning of Section 368(a) of the Code. As a result, there can be no assurance that the IRS would not assert, or that a court would not sustain, a position contrary to the treatment of the integrated mergers as a “reorganization” within the meaning of Section 368(a) of the Code.

Tax Consequences if the Mergers Qualify as a “Reorganization” Within the Meaning of Section 368(a) of the Code

The integrated mergers are intended to qualify as a “reorganization” within the meaning of Section 368(a) of the Code. Assuming that the integrated mergers are so treated, the material U.S. federal income tax consequences of the integrated mergers to U.S. holders of Innovex common stock will be as follows:

- a U.S. holder generally will not recognize gain or loss except with respect to cash paid in lieu of fractional shares of Dril-Quip common stock (as discussed below).
- the aggregate tax basis in the shares of Dril-Quip common stock that a U.S. holder receives in the first merger (including any fractional share interests deemed received and sold, as described below) will equal the U.S. holder’s aggregate adjusted tax basis in the Innovex common stock exchanged for such Dril-Quip common stock in the first merger.
- a U.S. holder’s holding period for the shares of Dril-Quip common stock received in exchange for shares of Innovex common stock in the first merger (including a fractional share interest deemed received and sold, as described below) will include the holding period for the shares of the Innovex common stock exchanged for such Dril-Quip common stock in the first merger.

If a U.S. holder of Innovex common stock acquired different blocks of Innovex common stock at different times or at different prices, such U.S. holder's tax basis and holding period in its shares of Dril-Quip common stock may be determined separately with reference to each block of Innovex common stock. Any such U.S. holder should consult its tax advisor regarding the tax bases and holding periods of the particular shares of Dril-Quip common stock received in the first merger.

A U.S. holder who receives cash in lieu of a fractional share of Dril-Quip common stock generally will be treated as having received the fractional share of Dril-Quip common stock pursuant to the first merger and then as having sold such fractional share of Dril-Quip common stock for cash. As a result, a U.S. holder generally will recognize gain or loss equal to the difference, if any, between (i) the amount of cash received and (ii) the portion of the U.S. holder's aggregate adjusted tax basis of its Innovex common stock exchanged in the first merger that is allocable to the fractional share of Dril-Quip common stock that is sold. This gain or loss generally will be capital gain or loss, and will be long-term capital gain or loss if, as of the closing date of the first merger, the U.S. holder's holding period for the fractional shares of Dril-Quip common stock deemed to be received is greater than one year. Long-term capital gains of individuals are generally eligible for reduced rates of taxation. The deductibility of capital losses is subject to certain limitations.

A U.S. holder may be required to retain records related to such holder's Innovex common stock and file with its U.S. federal income tax return for the taxable year that includes the mergers a statement setting forth certain facts relating to the mergers.

Tax Consequences if the Mergers Do Not Qualify as a "Reorganization" Within the Meaning of Section 368(a) of the Code

If the integrated mergers do not qualify as a "reorganization" within the meaning of Section 368(a) of the Code, then the receipt of Dril-Quip common stock (and cash paid in lieu of fractional shares of Dril-Quip common stock) in exchange for Innovex common stock in the first merger will be a taxable transaction. In such a case, a U.S. holder generally will recognize gain or loss in an amount equal to the difference, if any, between (i) the sum of the fair market value of the Dril-Quip common stock received in the first merger plus the amount of any cash in lieu of fractional shares of Dril-Quip common stock and (ii) such holder's adjusted tax basis in its shares of Innovex common stock exchanged in the first merger. Gain or loss must be calculated separately for each block of shares of Innovex common stock exchanged by such U.S. holder if such blocks were acquired at different times or for different prices. Any gain or loss generally will be capital gain or loss and will be long-term capital gain or loss if, as of the closing date of the mergers, the holding period in a particular block of shares of Innovex common stock exchanged in the first merger is greater than one year as of the date of the mergers. Long-term capital gains of individuals are generally eligible for reduced rates of taxation. The deductibility of capital losses is subject to certain limitations.

INNOVEX STOCKHOLDERS ARE STRONGLY URGED TO CONSULT WITH THEIR OWN TAX ADVISORS ABOUT THE SPECIFIC TAX CONSEQUENCES OF THE INTEGRATED MERGERS TO THEM IN THEIR PARTICULAR CIRCUMSTANCES, INCLUDING THE APPLICABILITY AND EFFECT OF ANY U.S. FEDERAL, U.S. STATE OR LOCAL NON-U.S. OR OTHER TAX LAWS AND OF POTENTIAL CHANGES IN SUCH LAWS.

Information Reporting and Backup Withholding

Information returns may be required to be filed with the IRS in connection with the integrated mergers. Further, the consideration payable to U.S. holders in connection with the integrated mergers may be subject to deduction or withholding as required under applicable law. A U.S. holder may be subject to U.S. backup withholding on any cash payments made pursuant to the integrated mergers unless such holder provides proof of an applicable exemption or a correct taxpayer identification number and otherwise complies with the applicable requirements of the backup withholding rules. Any amounts withheld under the U.S. backup withholding rules or

otherwise is not an additional tax and will generally be allowed as a refund or credit against the U.S. holder's U.S. federal income tax liability, if any, provided that the U.S. holder timely furnishes the required information to the IRS.

THE PRECEDING DISCUSSION IS INTENDED ONLY AS A SUMMARY OF THE MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE INTEGRATED MERGERS. IT IS NOT A COMPLETE ANALYSIS OR DISCUSSION OF ALL POTENTIAL TAX EFFECTS THAT MAY BE IMPORTANT TO A PARTICULAR U.S. HOLDER. ALL INNOVEX STOCKHOLDERS ARE STRONGLY ENCOURAGED TO CONSULT THEIR TAX ADVISORS AS TO THE SPECIFIC TAX CONSEQUENCES OF THE INTEGRATED MERGERS TO THEM, INCLUDING TAX REPORTING REQUIREMENTS AND THE APPLICABILITY AND EFFECT OF ANY U.S. FEDERAL, U.S. STATE OR LOCAL, NON-U.S. OR OTHER TAX LAWS AND OF POTENTIAL CHANGES IN SUCH LAWS.

Accounting Treatment of the Mergers

Dril-Quip prepares its financial statements in accordance with GAAP. The mergers will be accounted for as a business combination and as a reverse acquisition pursuant to ASC 805, where Innovex, the legal acquirer, is determined to be the accounting acquirer of Dril-Quip. Under the reverse acquisition method of accounting, the assets and liabilities of Dril-Quip as of the closing date will be consolidated by Innovex at their respective fair values, and the excess or shortfall of the purchase price consideration over the fair value of Dril-Quip's net assets will be recognized as goodwill or gain on bargain purchase, respectively.

As part of the mergers, Dril-Quip management has determined Innovex to be the accounting acquirer of Dril-Quip for the following reasons:

- Although the pre-combination stockholders of Innovex will own approximately 48% of the combined company, the largest pre-combination stockholder of Innovex, Amberjack, is expected to hold the largest minority voting interest of approximately 43% in the combined company when the mergers are consummated, whereas Dril-Quip's pre-combination ownership is widely dispersed among stockholders.
- Innovex surpasses Dril-Quip in size as measured in key performance metrics including EBITDA and Adjusted EBITDA.
- It is expected that the combined company board will consist of nine directors, four of which will be designated by Innovex, four of which will be designated by Dril-Quip and one of which will be Innovex's existing chief executive officer.
- Innovex's existing senior management team will comprise the majority of the senior management of the combined company, including the positions already announced for Chief Executive Officer, Chief Financial Officer, and the President of North America.
- The combined company's headquarters will be located at Innovex's headquarters, the combined company's name will be Innovex International, Inc., and the ticker symbol of the combined company will be "INVX."

Regulatory Approvals

Antitrust Clearance

To complete the mergers, Dril-Quip, Innovex and Amberjack (or its affiliates) must make filings with and obtain authorizations, approvals or consents from a number of regulatory authorities in accordance with applicable antitrust and foreign investment laws. The completion of the mergers is subject to antitrust review in the United States. Under the HSR Act, and the rules promulgated thereunder, the mergers cannot be completed until the parties to the merger agreement have given notification and furnished information to the FTC and the DOJ, and until the applicable waiting period has expired or has been terminated. Dril-Quip and Innovex each

filed an HSR Act notification with the FTC and the DOJ on April 1, 2024. Dril-Quip and Innovex derive revenues in other jurisdictions where antitrust/foreign investment clearances are or may be required, including Saudi Arabia, Colombia and Ecuador. Filings were submitted with the Superintendency of Economic Competition of Ecuador on March 25, 2024 and April 24, 2024, with the General Authority for Competition for the Kingdom of Saudi Arabia on May 2, 2024 and with the Superintendency of Industry and Commerce of Colombia on May 10, 2024 in order to obtain their approvals. Approval for the transaction was granted by the Superintendency of Economic Competition of Ecuador on June 10, 2024 and by the General Authority for Competition for the Kingdom of Saudi Arabia on May 26, 2024.

Dril-Quip and Innovex cannot assure you that all of the regulatory approvals described above will be obtained, and, if obtained, Dril-Quip and Innovex cannot assure you as to the date of any approvals (or conditions placed thereon) or the absence of any litigation challenging such approvals. At any time before or after consummation of the mergers, the FTC, the DOJ or any state could take such action under antitrust laws as it deems necessary or desirable in the public interest, including seeking to enjoin the completion of the mergers or seeking the divestiture of substantial assets of Dril-Quip or Innovex or their respective subsidiaries. Private parties may also seek to take legal action under antitrust laws under certain circumstances.

Dril-Quip and Innovex are not currently aware of any material governmental approvals or actions that are required for completion of the transaction other than those described above. It is presently contemplated that if any such additional governmental approvals or actions are required, those approvals or actions will be sought. There can be no assurance, however, that any additional approvals or actions will be obtained.

Securities and Exchange Commission

Dril-Quip has filed a registration statement on Form S-4 with the SEC under the Securities Act, of which this proxy statement/prospectus forms a part, that must be declared effective by the SEC and pursuant to which the issuance of shares of Dril-Quip common stock issuable upon the effective time, other than the shares of Dril-Quip common stock issuable to the consenting stockholders, will be registered with the SEC.

New York Stock Exchange

In addition, the completion of the mergers is subject to approval for listing on the NYSE of the shares of Dril-Quip common stock to be issued in the mergers, subject to official notice of issuance.

Listing of Dril-Quip Common Stock

It is a condition to the consummation of the mergers that the shares of Dril-Quip common stock issuable to Innovex stockholders in the mergers be approved for listing on the NYSE, subject to official notice of issuance. Following the completion of the mergers, it is expected that the common stock of the combined company will trade under a new ticker symbol, "INVX".

Appraisal Rights or Dissenters' Rights

Under Delaware law, Dril-Quip stockholders are not entitled to dissenters' or appraisal rights in connection with any of the merger proposals as contemplated by the merger agreement. Innovex stockholders are entitled to appraisal rights in connection with the mergers under Section 262 of the DGCL.

Innovex's certificate of incorporation and the Innovex stockholders agreement contain certain drag-along provisions, which, if exercised in connection with the mergers, would require Innovex stockholders to waive any dissenters' rights, appraisal rights or similar rights in connection with the mergers. Pursuant to the drag-along provisions, the consenting stockholders that constitute the Principal Stockholders (as defined in Innovex's certificate of incorporation and the Innovex stockholders agreement) who hold at least 40% of the total number

of issued and outstanding Innovex shares have the right to exercise their drag-along rights in connection with the mergers and require the remaining Innovex stockholders to waive any dissenters' rights, appraisal rights or similar rights in connection with the mergers.

Prior to the closing, at the direction of the consenting stockholders, Innovex will deliver a drag-along notice (as permitted in Innovex's certificate of incorporation and the Innovex stockholders agreement) to each Innovex stockholder (other than the consenting stockholders) with respect to the transactions contemplated by the merger agreement in accordance with Innovex's certificate of incorporation and the Innovex stockholders agreement. To the extent drag-along rights are exercised pursuant to Innovex's certificate of incorporation and the Innovex stockholders agreement, the Innovex stockholders subject to the drag-along have waived their respective appraisal rights arising out of the mergers.

Litigation Relating to the Mergers

As of June 13, 2024, one complaint has been filed by a purported Dril-Quip stockholder in the Delaware Court of Chancery against Dril-Quip and the members of the Dril-Quip Board captioned *Steamfitters Local 449 Pension Fund v. Dril-Quip, Inc., et al.*, C.A. No. 2024-0284-LWW (Del. Ch.) (the "Steamfitters Complaint"). The Steamfitters Complaint alleges that members of the Dril-Quip Board breached their fiduciary duties by agreeing, in connection with the proposed merger with Innovex, to enter into a stockholders agreement with Amberjack and certain of its affiliates requiring Amberjack and certain of its affiliates to vote in favor of the combined company board nominees at the combined company's 2025 annual meeting of stockholders and prohibiting certain transfers from Amberjack and certain of its affiliates directly to activist stockholders not through public market sales. The Steamfitters Complaint further alleges that Innovex and Amberjack aided and abetted the directors' alleged breaches of fiduciary duties. The Steamfitters Complaint seeks an order certifying a class of Dril-Quip's stockholders, finding that the Dril-Quip directors breached their fiduciary duties and that Innovex and Amberjack aided and abetted the directors' breaches of fiduciary duties, enjoining enforcement of the challenged provisions of the stockholders agreement, and awarding the plaintiff its reasonable attorneys' and experts' witness fees and other costs.

Although Dril-Quip and the Dril-Quip Board believe that the stockholders agreement complies fully with all applicable law and deny the allegations in the Steamfitters Complaint, in order to moot the plaintiff's claims, and avoid nuisance and possible expense, Dril-Quip and Amberjack amended the stockholders agreement to eliminate the requirement for Amberjack and certain of its affiliates to vote in favor of the combined company board nominees at the combined company's 2025 annual meeting of stockholders, the prohibition against certain transfers from Amberjack and certain of its affiliates directly to activist stockholders not through public market sales and a provision entitling Amberjack to designate four director designees for election at the combined company's 2025 annual meeting of stockholders irrespective of Amberjack's and certain of its affiliates' beneficial ownership of combined company common stock at that time. On May 21, 2024, the court dismissed the Steamfitters Complaint as moot.

Dril-Quip has also received letters from additional purported Dril-Quip stockholders who contend that the registration statement on Form S-4 of which this proxy statement/prospectus forms a part fails to disclose certain allegedly material information and demands that Dril-Quip make supplemental disclosures. While Dril-Quip believes that the contentions made in each of the letters described above are without merit, each of these matters is at a preliminary stage and defendants have not yet answered or otherwise responded to the letters.

It is possible that additional, similar complaints may be filed, and that additional, similar letters may be received by Dril-Quip, regarding the mergers. Absent new or different allegations that are material or constitute a disclosure obligation under the U.S. federal securities laws, Dril-Quip will not necessarily disclose such additional complaints or letters. Litigation is inherently uncertain, and there can be no assurance regarding the likelihood that Dril-Quip's defense of these claims (or any lawsuits related to the mergers that may be filed in the future) will be successful, nor can Dril-Quip predict the amount of time and expense that will be required to resolve these matters.

THE MERGER AGREEMENT

The following description sets forth the principal terms of the merger agreement, a copy of which is attached as Annex A and incorporated by reference into this proxy statement/prospectus. The rights and obligations of the parties are governed by the express terms and conditions of the merger agreement and not by this description, which is summary by nature. This description does not purport to be complete and is qualified in its entirety by reference to the complete text of the merger agreement. You are encouraged to read the merger agreement carefully and in its entirety, as well as this proxy statement/prospectus and the documents incorporated by reference herein, before making any decisions regarding any of the proposals described in this proxy statement/prospectus. This section is only intended to provide you with information regarding the terms of the merger agreement. Neither Dril-Quip nor Innovex intends that the merger agreement be a source of business or operational information about Dril-Quip or Innovex. Accordingly, the representations, warranties, covenants and other agreements in the merger agreement should not be read alone, and you should read the information provided elsewhere in this proxy statement/prospectus and in the public filings Dril-Quip makes with the SEC, as described in "Where You Can Find More Information."

Explanatory Note Regarding the Merger Agreement

The merger agreement and this summary of terms are included to provide you with information regarding the terms of the merger agreement. Factual disclosures about Dril-Quip and Innovex contained in this proxy statement/prospectus or in the public reports of Dril-Quip filed with the SEC may supplement, update or modify the factual disclosures about Dril-Quip contained in the merger agreement. The representations, warranties and covenants made in the merger agreement by Dril-Quip and Innovex were qualified and subject to important limitations agreed to by Dril-Quip and Innovex in connection with negotiating the terms of the merger agreement. In particular, in your review of the representations and warranties contained in the merger agreement and described in this summary, it is important to bear in mind that the representations and warranties were negotiated with the principal purpose of establishing circumstances in which a party to the merger agreement may have the right not to consummate the mergers if the representations and warranties of the other party prove to be untrue due to a change in circumstance or otherwise, and allocating risk between the parties to the merger agreement, and were not intended by the parties to the merger agreement to be a characterization of the actual state of facts or condition of Dril-Quip or Innovex, except as expressly stated in the merger agreement. The representations and warranties also may be subject to a contractual standard of materiality different from that generally applicable to stockholders and reports and documents filed with the SEC and in some cases were qualified by the matters contained in the confidential disclosure letters that Dril-Quip and Innovex each delivered in connection with the merger agreement, which disclosures were not reflected in the merger agreement itself. Moreover, information concerning the subject matter of the representations and warranties, which do not purport to be accurate as of the date of this proxy statement/prospectus, may have changed since the date of the merger agreement and subsequent developments or new information qualifying a representation or warranty may have been included in this proxy statement/prospectus or in the public filings made by Dril-Quip with the SEC.

Additional information about Dril-Quip and Innovex may be found elsewhere in this proxy statement/prospectus and in the public filings Dril-Quip makes with the SEC. Please see "Where You Can Find More Information."

Structure of the Mergers

Upon satisfaction or waiver of the conditions to closing in the merger agreement, at the effective time, Merger Sub Inc. will merge with and into Innovex, with Innovex surviving the merger as the surviving corporation and a direct wholly owned subsidiary of Dril-Quip. At the second merger effective time, Innovex, as the surviving corporation of the first merger, will merge with and into Merger Sub LLC, with Merger Sub LLC surviving the merger as the surviving company and a direct wholly owned subsidiary of Dril-Quip.

Closing and Effective Time of the Mergers

Unless Dril-Quip and Innovex otherwise agree, the closing of the mergers will take place on the third business day following the day on which the last to be satisfied or (to the extent permissible) waived of the conditions for completion of the mergers set forth in the merger agreement (other than those conditions that by their nature must be satisfied or (to the extent permissible) waived at the closing, but subject to the satisfaction or waiver of those conditions) is satisfied or (to the extent permissible) waived in accordance with the merger agreement.

Upon the terms and subject to the provisions of the merger agreement and in accordance with the DGCL and the DLLCA, as applicable, as soon as practicable on the closing date, the applicable parties will (i) file a certificate of merger with the Secretary of State of the State of Delaware, executed in accordance with the relevant provisions of the DGCL, to effect the first merger, and (ii) file a certificate of merger, executed in accordance with the relevant provisions of the DGCL and DLLCA, to effect the second merger, which will be effective one minute after the effectiveness of the first merger.

Dril-Quip and Innovex are working to complete the mergers prior to the outside date of December 18, 2024 (subject to extension in certain circumstances to March 18, 2025 pursuant to the terms of the merger agreement). It is possible that factors outside the control of both companies could result in the mergers being completed at a different time, or not at all. (Please see “—*Conditions to the Completion of the Mergers*”).

Merger Consideration

At the effective time, subject to certain exceptions, the holders of Innovex common stock issued and outstanding immediately prior to the effective time (including each Innovex stock option and restricted stock unit), in accordance with the terms of the merger agreement, will be entitled to receive a number of shares of Dril-Quip common stock (including restricted stock awards) equal to the aggregate merger consideration. Each holder of Innovex common stock, other than holders of dissenting shares, will be entitled to receive, for each share of Innovex common stock, a number of shares of Dril-Quip common stock equal to the aggregate merger consideration divided by the per share merger consideration, plus the cash value of any fractional shares of Dril-Quip common stock that would otherwise be payable. Each disregarded share will be automatically cancelled and will cease to exist, and no consideration will be issued therefor.

In addition, Innovex and Dril-Quip will take, or cause to be taken, all actions necessary so that, at the effective time, each Innovex stock option and restricted stock unit award will be treated as described in “—*Treatment of Innovex Equity-Based Awards*.”

Dril-Quip will not issue any shares representing fractional shares of Dril-Quip common stock in the mergers. All fractional shares of Dril-Quip common stock that an Innovex stockholder would be entitled to receive pursuant to the merger agreement will be aggregated and such holder will be entitled to receive a cash payment, without interest, in lieu of any such fractional shares, equal to the product (rounded to the nearest whole cent) of (i) the amount of such fractional share interest in a share of Dril-Quip common stock to which such holder would be entitled pursuant to the merger agreement and (ii) an amount equal to the average of the closing sale prices per share of Dril-Quip common stock on the NYSE calculated for each of the ten consecutive trading days ending on the sixth full trading day immediately prior to the closing date.

Treatment of Innovex Equity-Based Awards

Prior to the effective time, Innovex and Dril-Quip will take, or cause to be taken, all actions necessary to provide for the following treatment of Innovex equity awards:

Innovex Stock Option Awards: Each Innovex stock option will, at the effective time, be converted into the right to receive a number of shares of Dril-Quip common stock, equal to (a) the Innovex option cash equivalent

divided by (b) the average Dril-Quip stock price (rounded up to the nearest whole cent), reduced by applicable tax withholding.

Innovex Time-Based Restricted Stock Unit Awards: Each continuing RSU will each, at the effective time, be converted into an award covering a number of shares of Dril-Quip common stock, rounded down to the nearest whole share, equal to the product of (a) the number of shares of Innovex common stock subject to such award and (b) the per share merger consideration. If Dril-Quip stockholders approve the 2024 LTIP, the continuing RSUs will be considered substitute awards under the 2024 LTIP, subject to vesting over the same time period as was applicable under the respective continuing RSUs, but otherwise subject to the terms and conditions set forth in the 2024 LTIP. If Dril-Quip stockholders do not approve the 2024 LTIP, the continuing RSUs will be assumed by Dril-Quip on the same terms and conditions as were applicable to such awards as of immediately prior to the effective time (including vesting restrictions).

Each Innovex RSU will be entitled to receive the number of shares of Dril-Quip common stock equal to the number of shares of Innovex common stock subject to such Innovex RSU multiplied by the per share merger consideration reduced by applicable tax withholding.

Governance

Prior to the effective time, the parties will take all actions necessary to cause, effective as of the effective time, the number of directors constituting the combined company board to be nine members, comprised of four Dril-Quip designees (all of whom will be independent), four Innovex designees (at least one of whom will be independent) and the Chief Executive Officer of Innovex as of immediately prior to the effective time.

The Chairperson of the Dril-Quip Board as of immediately prior to the effective time will serve as Chairperson of the combined company board. The combined company will take all actions necessary such that one of the Innovex designees will serve in the class of directors to be elected at the 2024 annual meeting of Dril-Quip stockholders, one of the Innovex designees will serve in the class of directors to be elected at the 2025 annual meeting of Dril-Quip stockholders and two of the Innovex designees will serve in the class of directors to be elected at the 2026 annual meeting of Dril-Quip stockholders. At the effective time, the following individuals will be appointed as executive officers of the combined company: Adam Anderson as Chief Executive Officer, Kendal Reed as Chief Financial Officer and Mark Reddout as President of North America.

In addition, the merger agreement provides that, as of the effective time, the principal executive offices and headquarters of the combined company will be located in the greater Houston, Texas metropolitan area. Immediately following the completion of the transaction, the name of the combined company will change to Innovex International, Inc., and its common stock is expected to trade on the New York Stock Exchange under a new ticker symbol, "INVX".

Exchange of Shares

Exchange Agent

Prior to the effective time, Dril-Quip will deposit or cause to be deposited with Computershare Trust Company, N.A. (the "exchange agent"), for the benefit of the holders of Innovex common stock entitled to receive part of the aggregate merger consideration under the merger agreement, (i) aggregate number of shares of

Dril-Quip common stock to be issued in non-certificated book-entry form comprising the aggregate per share merger consideration of Dril-Quip common stock required to be issued pursuant to the terms of the merger agreement and (ii) an aggregate amount of cash in U.S. dollars of immediately available funds sufficient for the exchange agent to deliver the amounts required to be paid in respect of fractional shares pursuant to the terms of the merger agreement. As necessary from time to time after the effective time, Dril-Quip will deposit or cause to be deposited with the exchange agent any dividends or other distributions payable on unsundered shares of Innovex common stock pursuant to the terms of the merger agreement. Such evidence of book-entry form representing shares of Dril-Quip common stock and such cash so deposited, together with any dividends or distributions with respect thereto, are hereinafter referred to as the "exchange fund."

Exchange Procedures

With respect to certificates formerly representing shares of Innovex common stock or held in book-entry form (such shares, "book-entry shares") and Innovex equity awards (other than continuing RSUs), as soon as reasonably practicable (but in any event within three business days) after the effective time, Dril-Quip will cause, and will cause the surviving company to cause, the exchange agent to mail to each holder of record of each such certificate (i) a letter of transmittal in such form as mutually agreed between Dril-Quip and Innovex prior to the closing, and (ii) instructions for surrendering such certificate or book-entry shares in exchange for the per share merger consideration payable in respect thereof to the exchange agent.

Upon surrender to the exchange agent of such certificate (or affidavit of loss in lieu of such certificate as provided in the merger agreement) or book-entry shares, as applicable, together with a duly executed and completed letter of transmittal and such other documents as may reasonably be required pursuant to such instructions, the holder of such certificate or book-entry shares will be entitled to receive (i) the number of shares of Dril-Quip common stock, if any, that such holder is entitled to receive in non-certificated book-entry form in the name of such record holder and (ii) a check in the amount (after giving effect to any required tax withholdings as provided in the merger agreement) that such holder has the right to receive pursuant to the merger agreement. Any certificate or book-entry shares so surrendered will be cancelled by the exchange agent.

Upon delivery of a duly executed and completed letter of transmittal and such other documents as may reasonably be required pursuant to such instructions, each holder of Innovex stock options and Innovex RSUs will be entitled to receive (i) the number of shares of Dril-Quip common stock, if any, that such holder is entitled to receive in non-certificated book-entry form in the name of such record holder and (ii) a check in the amount (after giving effect to any required tax withholdings as provided in the merger agreement) that such holder has the right to receive pursuant to the merger agreement.

No interest will be paid or accrued on any amount payable for shares of Innovex common stock pursuant to the merger agreement.

From and after the effective time, there will be no transfers on the stock transfer books of Innovex of the shares of Innovex common stock that were outstanding immediately prior to the effective time. From and after the effective time, the holders of certificates formerly representing shares of Innovex common stock or shares of Innovex common stock held in book-entry form will cease to have any rights with respect to such shares of Innovex common stock except as otherwise provided in the merger agreement or by applicable law. If, after the effective time, certificates are presented to Dril-Quip for any reason, they will be cancelled and exchanged as provided in the merger agreement.

Termination of the Exchange Fund

Any portion of the exchange fund that remains unclaimed as of the date that is 12 months after the effective time will be delivered to Dril-Quip. Any holder of shares of Innovex common stock who has not by that point complied with the terms of the exchange procedures in the merger agreement may thereafter look only to Dril-Quip

for payment of the merger consideration that such holder has the right to receive pursuant to the merger agreement, any cash in lieu of fractional shares of Dril-Quip stock and any dividends or distributions with respect thereto.

None of Dril-Quip, Innovex, the surviving corporation, the surviving company, Merger Sub Inc., Merger Sub LLC or the exchange agent will be liable to any person in respect of any portion of the aggregate merger consideration for cash or Dril-Quip common stock (or dividends or distributions with respect thereto) from the exchange fund delivered to a public official pursuant to any applicable abandoned property, escheat or similar law.

Lost, Stolen or Destroyed Share Certificates

If any certificate formerly representing shares of Innovex common stock is lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such certificate to be lost, stolen or destroyed and, if required by the exchange agent, the posting by such person of a bond in customary amount and upon such terms as may be required as indemnity against any claim that may be made against it with respect to such certificate, the exchange agent will issue in exchange for such lost, stolen or destroyed certificate, the per share merger consideration payable or issuable pursuant to the merger agreement, as if such lost, stolen or destroyed certificate had been surrendered.

Withholding Rights

Each of Dril-Quip, Innovex, the surviving corporation, the surviving company and the exchange agent, as applicable, will be entitled to deduct and withhold from the consideration otherwise payable pursuant to the merger agreement to any holder of shares of Innovex common stock and Innovex equity awards such amounts as it is required to deduct and withhold with respect to the making of such payment under the Code, or any other applicable state, local or non-U.S. tax law.

Adjustments to Prevent Dilution

If, from the date of the merger agreement to the effective time, either (i) Dril-Quip pays a dividend in, splits, combines into a smaller number of shares, or issues by reclassification any share of Dril-Quip common stock, or (ii) Innovex pays a distribution in, splits, combines into a smaller number of shares, or issues by reclassification any shares of Innovex common stock, then the per share merger consideration and any other similarly dependent items, as the case may be, shall be appropriately adjusted to provide to the holders of Innovex common stock the same economic effect as contemplated by the merger agreement prior to such action.

Representations and Warranties

The merger agreement contains representations and warranties made by Dril-Quip to Innovex and by Innovex to Dril-Quip. Certain of the representations and warranties in the merger agreement are subject to materiality or material adverse effect qualifications (that is, they will not be deemed to be inaccurate or incorrect unless their failure to be true or correct is material or would result in a material adverse effect on the party making such representation or warranty). In addition, certain of the representations and warranties in the merger agreement are subject to knowledge qualifications, which means that those representations and warranties would not be deemed untrue, inaccurate or incorrect as a result of matters of which certain officers of the party making the representation did not have actual knowledge after reasonable inquiry of the direct reports of such individual. Furthermore, each of the representations and warranties is subject to the qualifications set forth on the disclosure letter delivered to Dril-Quip by Innovex, in the case of representations and warranties made by Innovex as well as Amendment No. 1 to Form S-1 filed with the SEC by Innovex (excluding any disclosures set forth or referenced in any risk factor section or in any other section to the extent they are forward-looking statements or cautionary, predictive or forward-looking in nature) and to Innovex by Dril-Quip, in the case of representations and warranties made by Dril-Quip, as well as the reports of Dril-Quip filed with or furnished to the SEC prior to the date of the merger agreement.

In the merger agreement, each of Dril-Quip and Innovex have, respectively, made representations and warranties to the other party regarding:

- organization, good standing and qualification to do business;
- subsidiaries;
- corporate authority and power with respect to the execution, delivery and performance of the merger agreement;
- the filings with governmental entities needed in connection with the execution, delivery and performance of the merger agreement or the consummation of the mergers and the other transactions contemplated by the merger agreement;
- the absence of violations of, or conflicts with, such party or its subsidiaries' organizational documents, applicable law and certain contracts as a result of the execution, delivery and performance of the merger agreement and the consummation of the mergers and the other transactions contemplated by the merger agreement;
- with respect to financial statements, compliance with GAAP;
- internal controls and procedures;
- conduct of business in the ordinary course from January 1, 2023 through March 18, 2024 (the date of the merger agreement);
- the absence of any effect that would be reasonably expected to have a material adverse effect on such party since January 1, 2023;
- information disclosed in this proxy statement/prospectus;
- the absence of certain litigation and governmental orders;
- the absence of certain undisclosed liabilities;
- employee benefits matters, including matters related to employee benefit plans;
- labor matters;
- compliance with certain laws and regulations and such party's permits;
- inapplicability to the mergers of state takeover statutes and anti-takeover and poison pill provisions in such party's organizational documents;
- environmental matters;
- tax matters;
- intellectual property;
- insurance;
- certain material contracts;
- real and personal property;
- the absence of affiliate transactions;
- the absence of any pending transactions;
- the information supplied in connection with this proxy statement/prospectus or the Dril-Quip registration statement;
- the absence of other representations and warranties;
- capital structure;

- customers and suppliers;
- voting requirements; and
- brokers and finders.

In the merger agreement, Dril-Quip has made representations and warranties to Innovex regarding:

- organization, good standing and qualification to do business of Merger Sub Inc. and Merger Sub LLC;
- corporate authority and power with respect to the execution, delivery and performance of the merger agreement of Merger Sub Inc. and Merger Sub LLC;
- no activities or liabilities of Merger Sub Inc. and Merger Sub LLC;
- ownership and operations of Merger Sub Inc. and Merger Sub LLC;
- the proper filing of reports with the SEC since January 1, 2021, and the accuracy of the information contained in those reports; and
- the opinion of Dril-Quip's financial advisor.

For purposes of the merger agreement, a "material adverse effect" means, with respect to each of Dril-Quip and Innovex, any event, change, circumstance, occurrence, development, condition or effect ("effects") that (a) have material adverse effect on the financial condition, results of operations, properties, assets or liabilities of such party and its subsidiaries taken as a whole, but excluding:

- effects generally affecting the economy, credit, capital, securities or financial markets in the United States or elsewhere in the world, including changes to interest rates and exchange rates;
- changes or developments in, or other effects with respect to, the industries in which such party or its subsidiaries operate;
- any loss of, or adverse effect in, the relationship of such party or any of its subsidiaries, contractual or otherwise, with customers, suppliers, financing sources, partners or similar relationship to the extent caused by the negotiation, execution and delivery of, announcement or consummation of the mergers or other transactions contemplated by the merger agreement, or any litigation relating to the mergers or the merger agreement;
- the identity of either party or its affiliates;
- compliance with the terms of, or the taking of any action required by, the merger agreement or consented to in writing by such party, or failure to take any action prohibited by the merger agreement;
- any effect resulting from acts of war, armed hostilities or military conflict, or acts of foreign or domestic terrorism (including cyber-terrorism);
- any effect resulting from a hurricane, tornado, fire, flood, earthquake, natural disaster, act of God or other comparable events;
- changes in GAAP or the interpretation thereof, law or applicable regulations of any governmental entity;
- any failure to meet internal or published projections, forecasts or revenue or earning predictions for any period (provided that, unless subject to another exclusion set forth these exceptions, the underlying cause of any such failure may be taken into account in determining whether there has been a material adverse effect with respect to either party); or
- any effect resulting from any epidemic, pandemic or outbreak of disease (including, for the avoidance of doubt, COVID-19), or any escalation or worsening of such conditions or regulatory action taken in respect thereof;

or (b) have a material adverse effect on the ability of such party or any of its subsidiaries to consummate or that would prevent or materially impede, interfere with or delay the consummation by such party or any of its subsidiaries of the merger agreement and the transactions contemplated by the merger agreement.

In addition, a decline in market price, or a change in trading volume, of Dril-Quip's common stock will not be taken into account when determining whether a material adverse effect with respect to Dril-Quip has occurred or would reasonably be expected to occur (it being understood that the underlying cause of any such decline or change, not otherwise excluded by the exceptions set forth in the preceding bullets, may be taken into consideration when determining whether a material adverse effect with respect to Dril-Quip has occurred or would reasonably be expected to occur).

Notwithstanding the exceptions listed above, with respect to the first, second, sixth, seventh, eighth, and tenth exceptions listed, such effect will be taken into account in determining whether a material adverse effect has occurred to the extent such effect disproportionately adversely affects such party and its subsidiaries, taken as a whole, compared to other companies operating in the industries in which such party and its subsidiaries operate.

Access

Subject to compliance with applicable law and certain exceptions and conditions, and solely for purposes related to the consummation of the transactions contemplated by the merger agreement, each party must afford to the other party and its representatives reasonable access during normal business hours, throughout the period prior to the earlier of the effective time and the termination of the merger agreement, to such party's and its subsidiaries' officers, employees, properties, assets, equipment, inventory, operating sites, contracts, commitments, books and records, other than any such matters that relate to the negotiation and execution of the merger agreement. Subject to applicable law and certain exceptions and conditions, each party shall be permitted to conduct reasonable inspections, assessments and testing of the other party's properties, assets, equipment, inventory and operating sites; provided, however, that nothing herein shall authorize any party or its representative to undertake any testing involving invasive techniques, including testing involving sampling of

soil, sediment, groundwater, surface water, air or building materials, at any of the other party's or its subsidiary's properties, without the prior written consent of such other party, which consent shall not be unreasonably delayed, conditioned or withheld.

No Solicitation of Alternative Proposals

Except as expressly permitted by the merger agreement, each of Dril-Quip and Innovex will not, and will cause its subsidiaries not to, and will use its reasonable best efforts to cause its and their respective subsidiaries' directors, officers, employees, financial advisors, accountants and other advisors, agents or representatives not to, directly or indirectly:

- initiate, solicit, knowingly facilitate or knowingly encourage (including by way of furnishing non-public information) any inquiries, announcements or communications relating to, or the making or submission of any proposal or offer that constitutes or would reasonably be expected to lead to, an alternative proposal;
- enter into, participate in, maintain or continue any discussions or negotiations with any persons with respect to such party or its subsidiaries in connection with an alternative proposal (other than to state that the terms of the merger agreement prohibit such discussions or negotiations);
- provide to any person any non-public information with respect to, or take any other action intended or reasonably expected to facilitate the making of any inquiry or proposal to such party that constitutes, or would reasonably be expected to lead to, any alternative proposal by any person;
- accept any alternative proposal or enter into any agreement, arrangement or understanding (whether written or oral) providing for the consummation of any transaction contemplated by any alternative proposal or otherwise relating to any alternative proposal;
- grant any waiver, amendment or release under any takeover law or release, terminate or fail to enforce any confidentiality or similar standstill agreement, provided that if Dril-Quip (acting at the direction of the Dril-Quip Board), determines in good faith that the failure to take such action would be inconsistent with the relevant directors' fiduciary duties under applicable law, then Dril-Quip may take such action, solely to the extent necessary to permit a third party to make and pursue an alternative proposal;
- submit any alternative proposal or any matter related thereto to a vote of such party's stockholders;
- with respect to Dril-Quip, effect a parent change recommendation; or
- accept, authorize, cause or permit such party or any of its subsidiaries to enter into any letter of intent, agreement in principle, memorandum of understanding, business combination agreement or any other similar agreement providing for the consummation of any transaction contemplated by any alternative proposal or otherwise relating to any alternative proposal.

An "alternative proposal" means any bona fide proposal or offer made by any person other than a party and its affiliates for:

- the direct or indirect acquisition by any person (including by any asset acquisition, joint venture or similar transaction) or a merger, reorganization, share exchange, consolidation, business combination, recapitalization, dissolution, liquidation or similar transaction involving a party or any of its subsidiaries and involving more than twenty percent (20%) of the assets of such party and its subsidiaries, on a consolidated basis;
- the direct or indirect acquisition by any person of more than twenty percent (20%) of a party's equity securities or of the voting power of the issued and outstanding shares of a party's common stock, including any tender offer or exchange offer that, if consummated, would result in any person beneficially owning twenty percent (20%) or more of such party's equity securities or shares with twenty percent (20%) or more of the voting power of the issued and outstanding shares of such party's common stock; or

- any combination of the foregoing, in each case of the two preceding bullets whether in a single transaction or a series of related transactions.

Notwithstanding the restrictions described above, prior to, but not after, the time the Dril-Quip required vote is obtained, in response to a written alternative proposal received after the date of the merger agreement that did not arise from or in connection with a breach of the above obligations, Dril-Quip (acting at the direction of the Dril-Quip Board), may:

- provide information in response to a request therefor (including nonpublic information and data) to the person who made such alternative proposal only if, subject to applicable law, such information has previously been made available to, or is made available to Innovex prior to or substantially contemporaneously with the time such information is made available to the person who made such alternative proposal and, prior to furnishing any such information, such party receives from the person making such alternative proposal an executed confidentiality agreement containing terms that are substantially similar to the terms in the confidentiality agreement between Dril-Quip and Innovex, dated as of November 17, 2022; and
- engage in, enter into, continue or otherwise participate in any discussions or negotiations with any such person regarding such alternative proposal,

in each case if, and only to the extent that, prior to taking any such action, the Dril-Quip Board or relevant committee thereof determines in good faith that (i) after consultation with its outside counsel, failure to engage in such activities would be inconsistent with its directors' fiduciary duties under applicable law and (ii) after consultation with its outside counsel and its financial advisor such alternative proposal either constitutes a superior proposal (as defined in "*—Permitted Change of Recommendation—Superior Proposal*") or is reasonably likely to lead to a superior proposal.

Destruction of Materials

Within five business days of the date of the merger agreement, each of Innovex and Dril-Quip must request that any person and such party's representatives promptly return or destroy all confidential information concerning such party and any of its subsidiaries, as applicable, that has been furnished to such person by or on behalf of such party or any of its subsidiaries in connection with an alternative proposal and destroy all analyses and other materials prepared by or on behalf of such person that contain, reflect or analyze such information, in each case in accordance with the applicable confidentiality agreement between such party and such person.

Notice Regarding Alternative Proposals

Dril-Quip must, and must cause its representatives to, immediately cease and cause to be terminated any existing activities, discussions or negotiations with any person prior to or on the date of the merger agreement with respect to any alternative proposal, or material modification thereto. Dril-Quip must promptly (and, in any event, within 24 hours) (i) give notice to Innovex of its entry into a confidentiality agreement and the receipt of any alternative proposal or any material amendment thereto, and (ii) provide with respect to any alternative proposal or material amendment thereto, a written summary of the material terms and conditions of each such alternative proposal or such material amendment thereto, including in such summary the identity of the person making such alternative proposal and must then keep Innovex reasonably informed, on a current basis, of any material developments or modifications to the terms of any such alternative proposal or amendment thereto and the status of any discussions or negotiations relating to such material developments or modifications.

No Change of Recommendation

Dril-Quip has agreed that, except as otherwise set forth in the merger agreement, the Dril-Quip Board, including any committee thereof, will not:

- change, withhold, withdraw, qualify or modify (or publicly propose to change, withhold, withdraw, qualify or modify) the recommendation of the Dril-Quip Board to the holders of shares of Dril-Quip's

common stock to vote in favor of the adoption of the merger agreement or the approval of the merger proposals pursuant to the merger agreement in a manner adverse to Innovex;

- fail to include the Dril-Quip recommendation in this proxy statement/prospectus;
- approve, adopt, endorse or recommend to Dril-Quip stockholders, or publicly propose to approve, adopt, endorse or recommend to Dril-Quip stockholders, an alternative proposal or a superior proposal;
- if a tender offer or exchange offer for outstanding shares of Dril-Quip's common stock that constitutes an alternative proposal is commenced, fail to recommend against, or recommend, the acceptance of such tender or exchange offer within 10 business days after the commencement of such tender or exchange offer (provided that making any "stop, look and listen" communication to Dril-Quip stockholders pursuant to Rule 14d-9(f) of the Exchange Act (or any similar communications to Dril-Quip stockholders) shall not be prohibited (any action described in this bullet or the preceding three bullets, a "change of recommendation")); or
- cause or permit Dril-Quip or any of its subsidiaries to enter into any letter of intent, agreement in principle, memorandum of understanding, business combination agreement or other similar agreement (other than a confidentiality agreement permitted as discussed above in "*Covenants—No Solicitation of Alternative Proposals*") providing for the consummation of any transaction contemplated by or relating to any alternative proposal (an "alternative acquisition agreement").

Permitted Change of Recommendation—Intervening Event

Prior to, but not after, the time the Dril-Quip required vote is obtained, the Dril-Quip Board may effect a change of recommendation if an intervening event has occurred, and prior to taking such action, the Dril-Quip Board, determines in good faith, after consultation with its outside counsel, that failure to take such action in response to such intervening event would be inconsistent with the directors' fiduciary duties under applicable law, and:

- Dril-Quip has given Innovex written notice of the Dril-Quip Board's intent to take such action at least five business days in advance, which notice includes a reasonably detailed description of such intervening event;
- after giving such notice, Dril-Quip shall negotiate in good faith and shall have caused its representatives to negotiate in good faith with Innovex (to the extent Innovex wishes to negotiate) during the five business day period to make such revisions to the terms of the merger agreement as would permit the Dril-Quip Board not to take such actions; and
- at the end of the five business day period, the Dril-Quip Board has considered in good faith any changes to the terms of the merger agreement, and has determined in good faith after consultation with its outside counsel that the failure to effect a change of recommendation of the Dril-Quip Board in response to such intervening event would continue to be inconsistent with the directors' fiduciary duties under applicable law, if such changes offered in writing by Innovex were to be given effect.

Notwithstanding the foregoing, the parties agreed (x) that in the event that, after commencement of the five business day period referred to above, there is any material change to the facts and circumstances related to an intervening event, such period shall be extended, if applicable, to ensure that at least two business days remain in such period subsequent to the time Dril-Quip notifies Innovex of any such change and (y) that there may be multiple extensions of such period.

An "intervening event" means any event, change, development or circumstance that materially affects the business, assets or operations of Dril-Quip and its subsidiaries, taken as a whole, (other than any event, change, development or circumstance resulting from a material breach of the merger agreement by Dril-Quip, Merger Sub Inc. or Merger Sub LLC) that was not known to or, if known, the consequences of which were not reasonably foreseeable by, the Dril-Quip Board as of or prior to the execution and delivery of the merger

agreement, except that in no event shall any event, change, development or circumstance resulting from or relating to any of the following give rise to an intervening event:

- the receipt, existence or terms of an alternative proposal;
- the public announcement, execution, delivery or performance of the merger agreement, the identity of Innovex or the public announcement, pendency or consummation of the transaction contemplated thereby (or the public announcement of any discussions among the parties related thereto);
- any changes in the trading price or trading volume of Dril-Quip's common stock or the fact that Dril-Quip or any of its subsidiaries meets, exceeds or fails to meet internal or published projections, forecasts, estimates or predictions in respect of revenues, earnings or other financial or operating metrics for any period, except that the underlying cause or causes of such change or fact may be taken into account for purposes of determining whether an intervening event has occurred;
- any action taken by either party pursuant to certain affirmative interim operating covenants set forth in the merger agreement, or the consequences of any such action; or
- any change in general economic or political conditions or the securities, credit or financial markets (including changes in interest or exchange rates)).

Permitted Change of Recommendation—Superior Proposal

Prior to, but not after, the time the Dril-Quip required vote is obtained, the Dril-Quip Board may effect a change of recommendation of the Dril-Quip Board if an alternative proposal received after the date of the merger agreement that did not arise from or in connection with a breach of the obligations set forth in the merger agreement is received by Dril-Quip, and the Dril-Quip Board determines in good faith, (i) after consultation with its outside counsel and its financial advisor that such alternative proposal constitutes a superior proposal and (ii) after consultation with outside counsel, failure to take such action would reasonably be inconsistent with the directors' fiduciary duties under applicable law, and:

- Dril-Quip has given Innovex written notice of the Dril-Quip Board's intent to take such action at least five business days in advance, which notice shall specify the material terms of such alternative proposal received that constitutes a superior proposal, including the identity of the party making such alternative proposal, a copy of such written alternative proposal or amendment thereto and any other written terms, documents or proposals provided to Dril-Quip or any of its subsidiaries in connection with such alternative proposal and, with respect to any alternative proposal or amendment thereto not made in writing, a written summary of the material terms and conditions of each such alternative proposal or such amendment thereto;
- after giving such notice, Dril-Quip shall negotiate in good faith and shall have caused its representatives to negotiate in good faith with Innovex (to the extent Innovex wishes to negotiate) during the five business day period to make such revisions to the terms of the merger agreement as would permit the Dril-Quip Board not to take such actions; and
- at the end of the five business day period, prior to and as a condition to making a change of recommendation, the Dril-Quip Board considers in good faith any adjustments or revisions to the terms of the merger agreement proposed in writing by Innovex, and has determined in good faith after consultation with its outside counsel that (i) failure to effect a change of recommendation would be inconsistent with the directors' fiduciary duties under applicable law, and (ii) such superior proposal would continue to constitute a superior proposal, in each case, if such changes offered in writing by Innovex were to be given effect.

Notwithstanding the foregoing, the parties agreed (x) that in the event that, after commencement of the five business day period referred to above, there is any material revision to the terms of a superior proposal, including any revision in price, such period shall be extended, if applicable, to ensure that at least two business days remain

in such period subsequent to the time Dril-Quip notifies Innovex of any such change and (y) that there may be multiple extensions of such period.

A “superior proposal” means a written alternative proposal (except that the references in the definition thereof to “20%” will be deemed to be references to “50%”) which did not result from any material breach by Dril-Quip of its non-solicitation covenant that the Dril-Quip Board has determined in good faith, after consultation with its outside counsel and its financial advisor would result in a transaction more favorable from a financial point of view to Dril-Quip stockholders than the mergers and the other transactions contemplated by the merger agreement, and after taking into account all of the terms and conditions the Dril-Quip board considers to be appropriate (but including any conditions to and expected timing of consummation of such superior proposal, and any other legal, financial and regulatory aspects of such alternative proposal and the merger agreement that the Dril-Quip board considers relevant) and any revisions to the terms of the merger agreement proposed by Innovex pursuant to the terms of the merger agreement.

Nothing contained in the non-solicitation covenant will prevent Dril-Quip, the Dril-Quip Board or any committee thereof from (i) complying with its disclosure obligations under applicable United States federal securities law, determined in good faith (after consultation with outside counsel), with regard to an alternative proposal, including taking and disclosing to Dril-Quip stockholders a position contemplated by, as applicable, Rule 14d-9 or Rule 14e-2(a) under the Exchange Act (or any similar communication to Dril-Quip stockholders in connection with the making or amendment of a tender offer or exchange offer), or making any “stop, look and listen” or similar communication of the type contemplated by Rule 14d-9(f) under the Exchange Act, or (ii) making any disclosure if the Dril-Quip Board determines in good faith after consultation with Dril-Quip’s outside counsel that failure to make such disclosure would be inconsistent with the directors’ fiduciary duties under applicable law; except that the Dril-Quip Board may not effect a change of recommendation other than in accordance with the procedures described above.

Dril-Quip Special Meeting

In accordance with applicable law and its organizational documents, Dril-Quip must take all action necessary to convene the special meeting as promptly as practicable after this proxy statement/prospectus is declared effective (and no later than 45 days after such date), to consider and vote upon the approval of the merger proposals and must not postpone or adjourn such meeting except to the extent required by law, in accordance with the terms of the merger agreement, or, if there are insufficient shares of Dril-Quip common stock represented (either in person or by proxy) to constitute a quorum at the originally scheduled special meeting. Subject to the right of the Dril-Quip Board to effect a change of recommendation in accordance with the terms of the merger agreement, Dril-Quip must include the recommendation of the merger proposals in this proxy statement/prospectus and use reasonable best efforts to solicit from its stockholders proxies in favor of the merger proposals.

Unless this merger agreement has been terminated in accordance with its terms, as described in “—*Termination of the Merger Agreement*,” the obligation of Dril-Quip to call, give notice of, convene and hold the special meeting to consider and vote upon the merger proposals, will not be limited or otherwise affected by any public proposal or announcement or submission of any alternative proposal or superior proposal, or by any change of recommendation of the Dril-Quip Board.

Innovex Required Vote

In accordance with applicable law and its organizational documents, Innovex must take all action necessary to obtain the Innovex required vote promptly after the execution and delivery of the merger agreement by all parties and, in any event, by no later than 11:59 p.m. central time on the date of the merger agreement. On March 18, 2024 (the date of the merger agreement), the consenting stockholders executed and delivered to Dril-Quip a written consent of Innovex stockholders approving the merger agreement and the transactions

contemplated thereby. The consenting stockholders collectively held approximately 94.9% of the issued and outstanding shares of Innovex common stock as of the date of the merger agreement.

Listing

Dril-Quip will use its reasonable best efforts to cause the shares of Dril-Quip common stock to be issued in the mergers to be approved for listing on the NYSE prior to the closing date, subject to official notice of issuance.

Efforts

Subject to the terms and conditions set forth in the merger agreement, Innovex and Dril-Quip are required to cooperate with each other and use, and will cause their respective affiliates to use, their respective reasonable best efforts to take promptly or cause to be taken all actions, and to do promptly or cause to be done all things, reasonably necessary, proper or advisable on its part under the merger agreement and applicable law to consummate and make effective the mergers and the other transactions contemplated by the merger agreement, including:

- obtaining all necessary actions or nonactions, waivers, consents, clearances, approvals, and expirations or terminations of waiting periods from governmental entities and the making of all necessary registrations and filings and the taking of all steps as may be necessary to obtain an approval, clearance or waiver from, or to avoid an action or proceeding by, any governmental entity;
- obtaining all consents, approvals or waivers from third parties required to be obtained in connection with the mergers and the other transactions contemplated by the merger agreement; and
- executing and delivering any additional instruments necessary to consummate the mergers and the other transactions contemplated by the merger agreement.

If any objections are asserted with respect to the transactions contemplated pursuant to the merger agreement under any antitrust law or foreign investment law or if any action is instituted by any governmental entity or any private party challenging any of the transactions contemplated pursuant to the merger agreement as violative of any antitrust law or foreign investment law, each of Dril-Quip and Innovex are required to (and to cause each of their affiliates to)

- oppose or defend against any action to prevent or enjoin consummation of the merger agreement (and the transactions contemplated pursuant to the merger agreement), and/or
- take such action as necessary to overturn any regulatory action by any governmental entity to prevent or enjoin consummation of the merger agreement (and the transactions contemplated pursuant to the merger agreement), including by defending any claim, action, suit, proceeding or investigation brought by any governmental entity in order to avoid entry of, or to have vacated, overturned or terminated, including by appeal up to a final non-appealable order if necessary, in order to resolve any such objections or challenge as such governmental entity or private party may have to such transactions under such antitrust law or foreign investment law so as to permit consummation of the transactions contemplated by the merger agreement.

Without limiting the foregoing, Dril-Quip agrees to (and to cause its affiliates to) use its reasonable best efforts, and agrees to take (and to cause its affiliates to take), any and all actions to avoid and, if necessary, eliminate, each and every impediment under any antitrust laws or foreign investment laws that may be asserted by any person, so as to enable the closing to occur no later than the outside date, including but not limited to proposing, negotiating, committing to and effecting, by consent decree, hold separate orders, or otherwise:

- the sale, divestiture or disposition of, any assets, products, businesses or interests of the parties (or their respective affiliates);

- any conditions relating to, or changes or restrictions in, the operations of any such assets, products, businesses or interests;
- any modification or waiver of the terms and conditions of the merger agreement; or
- take any other action that limits the freedom of action with respect to, or the ability to retain, any assets, products, businesses or interests of Dril-Quip or any of its affiliates in order to avoid the entry of or to effect the dissolution of any order, claim, action, suit, proceeding or investigation (whether temporary, preliminary or permanent), or that would otherwise have the effect of preventing or delaying the consummation of the mergers and the other transactions contemplated by the merger agreement.

Neither the covenants described in this section or any other provision in the merger agreement shall require Dril-Quip or Dril-Quip's subsidiaries to propose, execute, carry out, or agree or submit to any action or remedy that individually or in the aggregate would reasonably be expected to have a material adverse effect on the business, operations, financial condition or results of operations of (x) Dril-Quip and Dril-Quip's subsidiaries (taken as a whole prior to the closing) or (y) Innovex and Innovex's subsidiaries (taken as a whole).

Without limiting the foregoing, Dril-Quip and Innovex agree not to, and to cause their affiliates not to, directly or indirectly (whether by merger, consolidation or otherwise), acquire, purchase, lease or license (or agree to acquire, purchase, lease or license) any business, corporation, partnership, association or other business organization or division or part thereof, or any securities or collection of assets, or take or cause to take any action, if doing so would reasonably be expected to:

- materially delay or impose any material delay in the obtaining of, or increase the risk of not obtaining, consents, approvals, authorizations or waivers of governmental entities necessary, proper or advisable to consummate the transactions contemplated by the merger agreement;
- materially increase the risk of any governmental entities entering a judgment prohibiting the consummation of the transactions contemplated by the merger agreement or materially increase the risk of not being able to remove any such judgment on appeal or otherwise; or
- otherwise materially impair or delay the ability of any of Dril-Quip, Merger Sub Inc. or Merger Sub LLC to perform its material obligations under the merger agreement.

Each of the parties will, and each of them will cause their respective subsidiaries and affiliates, as applicable, cooperate and consult with each other in connection with the making of all registrations, filings, notifications, communications, submissions, and any other material actions pursuant to the foregoing covenants; and, subject to applicable legal limitations and the instructions of any governmental entity, shall keep each other apprised of the status of matters relating to the completion of the transactions contemplated by the merger agreement, including promptly furnishing the other with copies (or, in the case of oral communications, summaries) of notices or other material communications received by Innovex or Dril-Quip, as the case may be, or any of their respective subsidiaries or affiliates, from any third party and/or any governmental entity with respect to such transactions.

Subject to applicable law relating to the exchange of information and certain exceptions pursuant to the merger agreement, Innovex, on the one hand, and Dril-Quip, on the other hand, shall to the extent practicable permit counsel for the other party reasonable opportunity to review in advance, and consider in good faith the views of the other party in connection with, any proposed notifications or filings and any substantive written communications or submissions, and with respect to any such notification, filing, written communication or submission, any documents submitted therewith to any governmental entity.

Neither Innovex nor Dril-Quip will, and each of them will cause their respective subsidiaries and affiliates, as applicable, not to participate in any substantive meeting or discussion, either in person or by telephone, with any governmental entity in connection with the transactions contemplated by the merger agreement unless it consults with the other parties in advance and, to the extent not prohibited or required otherwise by such

governmental entity, gives the other party or if advisable the other party's outside counsel the opportunity to attend and participate.

Public Announcements

Innovex and Dril-Quip are required to consult with each other before issuing any press release or making any public statement with respect to the merger agreement, the mergers or the other transactions contemplated by the merger agreement, except that (i) any such press release or public statement as may be required by applicable law or any listing agreement with any national securities exchange may be issued prior to such consultation if the party making the release or statement has used its reasonable best efforts to provide an opportunity to the other party to review and comment and (ii) each party may issue public announcements or make other public disclosures regarding the merger agreement or the mergers or the other transactions contemplated by the merger agreement that is consistent with previously disclosed in press releases or public statements previously approved by either party or made by either party in compliance with the merger agreement. The immediately preceding sentence does not apply to any disclosure of information concerning the merger agreement in connection with any dispute between the parties regarding the merger agreement or in respect of internal announcements to employees which are not made public, and, subject to certain exceptions, Dril-Quip is not required to consult with or obtain approval from Innovex with respect to a public announcement or press release issued in connection with the receipt and existence of an alternative proposal and matters relating thereto or a change of recommendation of the Dril-Quip Board.

Innovex Stockholders Agreement

Innovex will, prior to the effective time, cause the Innovex stockholders agreement to be terminated and no longer in effect.

Expenses

Except as otherwise provided in certain provisions related to the effect of termination of the merger agreement and termination fees, whether or not the mergers are completed, all costs and expenses incurred in connection with the mergers, the merger agreement and the transactions contemplated by the merger agreement will be paid by the party incurring or required to incur such expense, except that expenses incurred in connection with the printing, filing and mailing of this joint proxy statement/prospectus (including applicable SEC filing fees) and any filing fees paid in respect of the HSR Act for any such filings required of Dril-Quip, Innovex, or their respective affiliates, any other antitrust laws, foreign investment laws, and/or any such other laws or regulations applicable to any of Dril-Quip or its affiliates will be shared equally by Innovex and Dril-Quip.

Indemnification; Directors' and Officers' Insurance

Dril-Quip has agreed that it and the surviving company will indemnify and hold harmless to the fullest extent permitted by applicable law, each person who is now, or has been at any time prior to the date hereof or who becomes prior to the effective time a director and officer of Innovex or any of its subsidiaries (each, an "indemnified party," and collectively the "indemnified parties"), against all losses, claims, damages, costs, expenses, liabilities or judgments or amounts that are paid in settlement of or in connection with any claim, action, suit, proceeding or investigation based in whole or in part on or arising in whole or in part out of the fact that such person is or was a director or officer of Innovex or any subsidiary of Innovex, and pertaining to any matter existing or occurring, or any acts or omissions occurring, at or prior to the effective time, whether asserted or claimed prior to, or at or after, the effective time, including in connection with the merger agreement, the mergers or the other transactions contemplated by the merger agreement, and Dril-Quip and the surviving company will also advance expenses as incurred to the fullest extent permitted under applicable law, for a period of six years from the effective time, except that any person to whom expenses are advanced provides an undertaking to repay such advances if it is ultimately determined by final adjudication that such person is not entitled to indemnification.

For a period of six years after the effective time, Dril-Quip will cause the surviving company to maintain in effect the current policies of directors' and officers' liability insurance maintained by Innovex, provided that that surviving company may substitute such existing policies with policies from a substantially comparable insurer of at least the same coverage and amounts containing terms and conditions that are no less advantageous to the insured for claims arising from facts or events that occurred at or prior to the effective time (including in connection with the merger agreement or the mergers and other transactions contemplated by the merger agreement); provided that Dril-Quip shall not be required to pay annual premiums in excess of 300% of the last annual premium paid by Innovex prior to the date of the merger agreement in respect of the coverage required to be obtained pursuant to the merger agreement but in such case shall purchase as much coverage as reasonably practicable for such amount. However, prior to the effective time, Innovex may (or, if requested by Dril-Quip, will) purchase (and pay in full the aggregate premium for) a six year "tail" insurance policy on terms and conditions providing substantially equivalent benefits as the current policies of directors' and officers' liability insurance maintained by Innovex with respect to claims arising from facts or events that occurred at or before the effective time (including in connection with the negotiation and execution of the merger agreement and the consummation of the transactions contemplated by the merger agreement) for a maximum cost of 300% of the last annual premium paid by Innovex prior to the date of the merger agreement in respect of the current policies of directors' and officers' liability insurance maintained by Innovex, which prepaid "tail" policy will include as much coverage as reasonably practicable for such amount. If Innovex obtains such prepaid "tail" policy prior to the effective time, Dril-Quip will maintain such policy for its full term and cause all obligations thereunder to be honored by the surviving company, and no other party will have any further obligation to purchase or pay for insurance under the merger agreement.

All rights to indemnification and exculpation from liabilities for acts or omissions occurring at or prior to the effective time and rights to advancement of expenses relating thereto existing at or prior to the time of the merger agreement in favor of any indemnified party as provided in the organizational documents of Innovex and its subsidiaries or any indemnification agreement between such indemnified party and Innovex or any of its subsidiaries, in each case will survive the mergers and other transactions contemplated by the merger agreement unchanged and will not be amended, restated, repealed or otherwise modified in any manner that would adversely affect any right thereunder of any such indemnified party.

The indemnification, exculpation and insurance provisions in the merger agreement are for the benefit of and enforceable by each of the indemnified parties, who are third-party beneficiaries of such provisions.

Stockholder Litigation

Innovex and Dril-Quip, as applicable, have agreed to promptly advise the other party of any litigation commenced after the date of the merger agreement against Innovex, Dril-Quip or any of their respective directors (in their capacity as such) relating to the merger agreement or the mergers or other transactions contemplated by the merger agreement, and to keep the other party reasonably informed regarding any such litigation. Innovex and Dril-Quip, as applicable, have agreed to give the other party the opportunity to participate in the defense or settlement of any such litigation, and that no such settlement will be agreed to without the other party's prior written consent (which consent must not be unreasonably withheld, conditioned or delayed).

Financing Matters

After the date of the merger agreement until the effective time, Innovex and Dril-Quip, as applicable, have agreed to, and will cause their subsidiaries to, cooperate with one another as reasonably requested by the other party in connection with obtaining or refinancing any debt financing of Dril-Quip, Innovex, their subsidiaries or their respective affiliates, as applicable, including by using reasonable best efforts to (i) furnish financial and other pertinent information of Dril-Quip, Innovex or their subsidiaries necessary to show the pro forma impact of the transactions contemplated by the merger agreement on Dril-Quip, Innovex and their respective subsidiaries,

as applicable, (ii) cooperate with the creation and perfection of pledge and security instruments effective as of the effective time and (iii) provide pertinent information of Dril-Quip, Innovex and their respective subsidiaries in connection with the applicable debt financing required by U.S. regulatory authorities or as may otherwise be reasonably requested and customarily needed for refinancings or debt financings of the type contemplated.

Notwithstanding anything to the contrary in the foregoing paragraph, such cooperation will not be required to the extent that it would (i) require Dril-Quip, Innovex or any of their respective subsidiaries or their respective representatives, as applicable, to waive or amend any terms of the merger agreement, (ii) unreasonably interfere with the ongoing business or operations of such party or any of its subsidiaries, (iii) require Dril-Quip, Innovex or any of their respective subsidiaries to take any action that will conflict with or violate the organizational documents of such party or any laws or result in the contravention of, or that would reasonably be expected to result in a violation or breach of, or default under, any material contract of such party, or (iv) require Dril-Quip, Innovex or any of their respective subsidiaries to enter into or approve any financing, pledge, security or similar agreement in connection with the foregoing prior to the effective time.

Section 16 Matters

Prior to the effective time and to the extent permitted by applicable law, each Dril-Quip and Innovex, if applicable, agree to use their respective reasonable best efforts to take all such steps as may be required to cause any acquisitions of Dril-Quip equity securities (including derivative securities) resulting from the transactions contemplated by the merger agreement by each individual who will become subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to Dril-Quip to be exempt under Rule 16b-3 promulgated under the Exchange Act.

Innovex Special Cash Dividend

Prior to the effective time, Innovex will declare a cash dividend (the “Innovex special cash dividend”) to the holders of Innovex common stock as of a record date on or prior to the closing date, which, in the aggregate shall not exceed an amount equal to \$75,000,000, subject to funds being legally available; provided that the payment of the Innovex special cash dividend may be conditioned upon the consummation of the mergers and the other transactions contemplated by the merger agreement.

Conditions to the Completion of the Mergers

The obligations of the parties to consummate the mergers are subject to the satisfaction at or prior to the effective time of the following mutual conditions:

- receipt of the Innovex required vote, which was satisfied on March 18, 2024;
- receipt of the Dril-Quip required vote;
- no law or governmental order being in effect that restrains, enjoins, makes illegal or otherwise prohibits the consummation of the mergers, the stock issuance, the charter amendment or adoption of the 2024 LTIP;

 - each other representation and warranty of Innovex set forth in the merger agreement must be true and correct in all respects (without giving effect to any qualification by materiality or material adverse effect contained in the merger agreement) as of the date of the merger agreement and as of the closing date (except to the extent that any such representation and warranty expressly relate to an earlier date, in which case such representation and warranty must have been true and correct as of such earlier date), except for inaccuracies of such representation and warranty the circumstances giving rise to which would not have, and would not reasonably be expected to have, individually or in the aggregate, a material adverse effect with respect to Innovex (without giving effect to any qualification by materiality or material adverse effect contained in the merger agreement);
- Innovex's performance of, in all material respects, its obligations under the merger agreement required to be performed at or prior to the effective time;

The obligations of Innovex to effect the mergers are also subject to the satisfaction, or waiver by Innovex, at or prior to the effective time of the following additional conditions:

- the accuracy of the representations and warranties of Dril-Quip as follows:
 - the representations and warranties of Dril-Quip regarding qualification and organization, stock issuances, corporate authority and approval must have been true and correct in all material respects as of the date of the merger agreement and must be true and correct in all material respects as of the closing date (except to the extent that any such representation and warranty expressly relate to an earlier date, in which case such representation and warranty must have been true and correct as of such earlier date);
 - the representation of Dril-Quip regarding capital structure, no conflict or breach of organizational documents, compliance with anti-corruption laws, absence of certain changes and finders or brokers must have been true and correct in all respects as of the date of the merger agreement and must be true and correct in all respects as of the closing date (except to the extent that any such representation and warranty expressly relate to an earlier date, in which case such representation and warranty must have been true and correct as of such earlier date), other than, in each case, de minimis inaccuracies; and
 - each other representation and warranty of Dril-Quip set forth in the merger agreement must be true and correct in all respects (without giving effect to any qualification by materiality or material adverse effect contained in the merger agreement) as of the date of the merger agreement and as of the closing date (except to the extent that any such representation and warranty expressly relate to an earlier date, in which case such representation and warranty must have been true and correct as of such earlier date), except for inaccuracies of such representation and warranty the circumstances giving rise to which would not have, and would not reasonably be expected to have, individually or in the aggregate, a material adverse effect with respect to Dril-Quip (without giving effect to any qualification by materiality or material adverse effect contained in the merger agreement);
- the performance by Dril-Quip, Merger Sub Inc. and Merger Sub LLC, in all material respects, of their obligations under the merger agreement required to be performed at or prior to the closing date; and

- the receipt by Innovex of the stockholders agreement duly executed by Dril-Quip;
- the receipt by Innovex of a certificate of the Chief Financial Officer of Dril-Quip setting forth, as of immediately prior to the effective time, a detailed report containing all data necessary to calculate the fully diluted shares of Dril-Quip;
- Dril-Quip having taken the specified actions regarding the appointment of directors and executive officers of the combined company as provided in the merger agreement;
- the filing of the charter amendment with the Secretary of State of the State of Delaware; and

- effective as of (and contingent on) the closing, the adoption by the Dril-Quip Board, subject to the approval of the 2024 LTIP proposal by Dril-Quip stockholders, of the 2024 LTIP in substantially the form attached as Exhibit F to the merger agreement.

Termination of the Merger Agreement

Termination by Mutual Consent

Dril-Quip and Innovex may mutually agree in writing to terminate the merger agreement before consummating the mergers.

Termination by Either Dril-Quip or Innovex

In addition, either Dril-Quip or Innovex may terminate the merger agreement if:

- the mergers have not been completed by December 18, 2024, which date will be automatically extended until March 18, 2025 (as applicable, the “outside date”) if certain conditions relating to regulatory filings (including under the HSR Act and other antitrust and foreign investment laws) have not been satisfied or waived on or prior to the outside date but all other conditions to closing have been satisfied or are capable of being satisfied at that time or waived, although such right to terminate will not be available to any party whose breach of the merger agreement has been the primary cause of the failure of the mergers to occur on or before such date (such termination, an “outside date termination”);
- a governmental order permanently enjoining or otherwise prohibiting consummation of the mergers has become final and non-appealable, and the party seeking to terminate the merger agreement as described in this bullet point has used reasonable best efforts to prevent, oppose and to remove such governmental order in accordance with the merger agreement (such termination, a “regulatory restraint termination event”); or
- the Dril-Quip required vote has not been obtained at the special meeting (or, if the special meeting has been adjourned or postponed in accordance with the merger agreement, at the final adjournment or postponement thereof) at which a vote on the merger proposals was taken (such termination, a “Dril-Quip no vote termination”).

Termination by Innovex

In addition, Innovex may terminate the merger agreement prior to the effective time:

- prior to the receipt of the Dril-Quip required vote, if the Dril-Quip Board has made a change of recommendation;
- if at any time prior to the effective time, there has been a breach or failure to perform by Dril-Quip, Merger Sub Inc. or Merger Sub LLC of any of their representations, warranties, covenants or agreements set forth in the merger agreement such that (i) the conditions to closing relating to accuracy of representations and warranties and performance of covenants would not be satisfied (“terminable breach”) and (ii) such breach or failure cannot be cured by the outside date, or, if curable, is not cured within 30 days of receipt by Dril-Quip of written notice of such breach or failure by Innovex, except that this right to terminate the merger agreement is not available if Innovex is then in terminable breach of any of its representations, warranties, covenants or agreements set forth in the merger agreement; or
- if at any time prior to the effective time, there has been a material breach by Dril-Quip or any of its subsidiaries of its non-solicitation covenant.

Termination by Dril-Quip

In addition, Dril-Quip may terminate the merger agreement prior to the effective time:

- if at any time prior to the effective time, Innovex is (i) in terminable breach of any of its representations, warranties, covenants or agreements set forth in the merger agreement and (ii) such breach or failure cannot be cured by the outside date, or, if curable, is not cured within 30 days of receipt by Innovex of written notice of such breach or failure by Dril-Quip, except that this right to terminate the merger agreement is not available if Dril-Quip is then in terminable breach of any of its representations, warranties, covenants or agreements set forth in the merger agreement; or
- if, in accordance with Dril-Quip's non-solicitation covenant, (i) the Dril-Quip Board has authorized Dril-Quip to enter into an alternative acquisition agreement with respect to a superior proposal, (ii) prior to or concurrently with such termination, Dril-Quip has paid the termination fee to Innovex as set forth in the merger agreement and (iii) concurrently with the termination of the merger agreement, Dril-Quip enters into an alternative acquisition agreement with respect to such superior proposal (such termination, a "Dril-Quip superior proposal termination").

Termination Fees and Expense Reimbursement

Termination Fees Payable by Dril-Quip

Dril-Quip will be required to pay to Innovex a termination fee of \$31,895,000 if the merger agreement is terminated:

- by either party pursuant to an outside date termination or a Dril-Quip no vote termination, or by Innovex pursuant to a Dril-Quip terminable breach, and, in each case:
 - a bona fide acquisition proposal with respect to Dril-Quip has been publicly disclosed or announced after the date of the merger agreement and at least five days prior to the stockholder meeting (in the case of a Dril-Quip no vote termination), the date of termination (in the case of an outside date termination) or prior to a material breach that gives rise to Innovex's termination rights (in the case of a Dril-Quip terminable breach); and
 - within twelve months after such termination, (i) Dril-Quip or any of its subsidiaries has entered into an alternative acquisition agreement with respect to any superior proposal with respect to Dril-Quip (which is thereafter consummated) or (ii) there has been consummated any superior proposal with respect to Dril-Quip (in each case of clauses (i) and (ii), with 50% being substituted in lieu of 20% in each instance thereof in the definition of "alternative proposal");
- by Innovex following a material breach by Dril-Quip of its non-solicitation obligations under the merger agreement or a change of recommendation by Dril-Quip; or
- by Dril-Quip pursuant to a Dril-Quip superior proposal termination.

Expenses

If the merger agreement had been terminated by either Innovex or Dril-Quip for a failure to obtain the Innovex required vote, then within two business days after the date of such termination, Innovex would have had to pay to Dril-Quip all of the reasonable and documented out-of-pocket transaction expenses of Dril-Quip up to a maximum amount equal to \$4,253,000. The Innovex required vote was received on March 18, 2024.

If the merger agreement is terminated by either Innovex or Dril-Quip pursuant to a Dril-Quip no vote termination and the Dril-Quip termination fee is not otherwise payable by Dril-Quip, then within two business days after the date of such termination, Dril-Quip will pay to Innovex all of the reasonable and documented out-of-pocket transaction expenses of Innovex up to a maximum amount equal to \$4,253,000 (provided that any such amounts paid will be credited (without interest) against any termination fee paid by Dril-Quip to Innovex pursuant to the terms of the merger agreement).

Amendment

Subject to applicable law, at any time prior to the effective time, the parties to the merger agreement may amend or modify the merger agreement if, and only if, such amendment or modification is in writing and signed by Dril-Quip and Innovex, except that, after the Innovex required vote is obtained or the Dril-Quip required vote is obtained, no such amendment or modification may be made that pursuant to applicable law or NYSE rules and regulations requires further approval of Innovex stockholders or Dril-Quip stockholders, as applicable, without such further approval.

Waiver

The conditions to each of the parties' obligations to consummate the mergers and the other transactions contemplated by the merger agreement are for the sole benefit of such party and may be waived by such party in whole or in part to the extent permitted by applicable law, except that any such waiver will only be effective if made in writing and executed by the party against whom the waiver is to be effective. No failure or delay by any party in exercising any right, power or privilege under the merger agreement will operate as a waiver thereof nor will any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

Specific Performance

Each of the parties agreed that irreparable damage would occur in the event that any of the provisions of the merger agreement were not performed in accordance with the terms of the merger agreement or were otherwise breached and that monetary damages, even if available, would not be an adequate remedy. In addition, the parties agreed that, in the event of any breach by any other party of any covenant or obligation contained in the merger agreement (including failing to take such actions as are required by such party under the merger agreement to consummate the merger agreement) the non-breaching party will be entitled to injunctive relief to prevent breaches or threatened breaches of the merger agreement or to enforce specifically the performance of terms and provisions of the merger agreement, without posting any bond or other undertaking. The parties further agreed not to raise any objections to the availability of the equitable remedy of specific performance to prevent or restrain breaches or threatened breaches of, or to enforce compliance with, the covenants and obligations of such party under the merger agreement.

Third-Party Beneficiaries

Innovex and Dril-Quip have agreed that their respective representations, warranties and covenants set forth in the merger agreement are solely for the benefit of the other parties to the merger agreement, in accordance with and subject to the terms of the merger agreement, and the merger agreement is not intended to, and does not, confer upon any person other than Innovex, Dril-Quip and their respective successors, legal representatives and permitted assigns any rights or remedies, express or implied, thereunder, including the right to rely upon the representations and warranties set forth in the merger agreement, except with respect to the sections regarding indemnification and directors' and officers' insurance, and after the effective time, the provisions of the merger agreement relating to payment of the merger consideration, which will inure to the benefit of, and will be enforceable by, holders of Innovex common stock as of the effective time.

AGREEMENTS RELATED TO THE MERGERS

In connection with the completion of the mergers, Dril-Quip intends to enter or effect, as applicable, the stockholders agreement, the registration rights agreement and the amended bylaws, each of which are summarized below. The following summaries are not a complete description of the specific provisions referred to below. These summaries are qualified in their entirety by reference to the full text of the documents to which each such summary relates, which Dril-Quip stockholders should read. The full text of the amended bylaws, the registration rights agreement and the stockholders agreement are included in the proxy statement/prospectus as *Annexes D, E and F*, respectively, and are incorporated herein by reference.

Amendment to Bylaws

In connection with the consummation of the mergers, the combined company will adopt the amended bylaws in the form included in this proxy statement/prospectus as *Annex D*, which amend the current Dril-Quip bylaws to:

- provide that a single Amberjack Designee has the right to call meetings of the combined company board during the period from and after the effective time until the date that Amberjack ceases to have the right to nominate any designees to the combined company board in accordance with the provisions of the stockholders agreement (the “standstill period”) and such Amberjack Designees will chair and preside over meetings of the combined company board called by such designee (see “*Comparison of Stockholders’ Rights—Board Meetings*” for additional information);
- remove the procedures for submission of claims for indemnification and determination of the entitlement of any person and provide that the combined company board of directors may establish reasonable procedures for the submission of claims for indemnification, determination of the entitlement of any person to such indemnification and review of any such determination (see “*Comparison of Stockholders’ Rights—Indemnification*” for additional information);
- provide that to the fullest extent permitted by law, the Court of Chancery of the State of Delaware (or, if the Court of Chancery does not have jurisdiction, a federal court located within the State of Delaware) is the exclusive forum for any claims, including claims in the right of the combined company: (i) that are derivative actions brought on behalf of the combined company, (ii) that are based upon a violation of a duty by a current or former director, officer, employee or stockholder in such capacity, (iii) arising pursuant to the DGCL, the organizational documents of the combined company or as to which the DGCL confers jurisdiction upon the Court of Chancery or (iv) for any action asserting a claim governed by the internal affairs doctrine of the law of the State of Delaware (see “*Comparison of Stockholders’ Rights—Exclusive Forum*” for additional information); and
- provide that the sole and exclusive forum for any complaint asserting a cause of action arising under the Securities Act, to the fullest extent permitted by law, shall be the federal district courts of the United States (see “*Comparison of Stockholders’ Rights—Exclusive Forum*” for additional information).

Registration Rights Agreement

Pursuant to the merger agreement, at the closing of the mergers, Dril-Quip will enter into a registration rights agreement with the consenting stockholders (the “initial holders”), in the form included in this proxy statement/prospectus as *Annex E*. Pursuant to the registration rights agreement, the combined company will agree to register under the federal securities laws the offer and resale of shares of combined company common stock by held the initial holders or permitted transferees as more fully described below.

Pursuant to the registration rights agreement, any of the initial holders will have the right to require the combined company, at any time after 180 days from the closing date of the mergers (or earlier if so agreed to by

the combined company), and subject to certain limitations, to prepare and file a registration statement registering the offer and sale of their shares of combined company common stock. Subject to certain exceptions, the combined company will not be obligated to effect a demand registration if a then effective registration statement is available for use or to effect such a demand registration or an underwritten offering within 90 days after the closing of any requested underwritten offering of shares of combined company common stock, unless certain requirements are met. In addition, as promptly as reasonably practicable, but in no event later than 10 business days after the date the registration rights agreement is executed, the combined company will be required to prepare and file with the SEC a shelf registration statement on Form S-3 (which shall be automatic shelf registration statement, if available) to permit the public resale of all of the registrable securities thereunder in accordance with the terms of the registration rights agreement.

The registration rights agreement will also generally obligate the combined company to cooperate with the initial holders in effecting the disposition of their shares of combined company common stock by such methods as the initial holders may request, including through underwritten offerings and block trades.

The registration rights agreement will include provisions, subject to certain exceptions, that if at any time the combined company proposes to register an offering of combined company common stock or conduct an underwritten offering, whether or not for its own account, then the combined company would be required to notify the initial holders and allow them to include a specified number of their shares of combined company common stock in that registration statement or underwritten offering, as applicable.

These registration rights will be subject to certain conditions and limitations, and the combined company will generally be obligated to pay all registration expenses in connection with these registration obligations, regardless of whether or not any registrable securities are sold pursuant to a registration statement. The registration rights agreement will also require the combined company to indemnify each of the initial holders against certain liabilities under the Securities Act.

Stockholders Agreement

At the closing, Dril-Quip intends to enter the stockholders agreement with Amberjack and the consenting stockholders in the form included in this proxy statement/prospectus as *Annex F*, which provides that:

- Amberjack will have the right, but not the obligation, to designate for nomination by the combined company to the combined company board a number of designees (the “Amberjack Designees”) equal to: (i) four directors, so long as the Stockholders (as defined in the stockholders agreement) collectively beneficially own 40% or more of the number of shares of combined company common stock outstanding as of the effective time; (ii) three directors, in the event that the Stockholders collectively beneficially own less than 40% but at least 30% of the number of shares of combined company common stock outstanding as of the effective time; (iii) two directors in the event that the Stockholders collectively beneficially own less than 30% but at least 20% of the number of shares of combined company common stock outstanding as of the effective time; and (iv) one director in the event that the Stockholders collectively beneficially own less than 20% but at least 10% of the number of shares of combined company common stock outstanding as of the effective time;
- for so long as Amberjack has the right to designate at least one Amberjack Designee to the combined company board, the combined company will agree to take all necessary action, and, if applicable, the Stockholders agree to vote their respective shares, to cause the election of the person who is then serving as the Chief Executive Officer of the combined company (the “CEO Director”) and each Amberjack Designee to the combined company board;
- the combined company board shall be divided into three classes of directors, with each class serving staggered three-year terms in accordance with the certificate of incorporation of the combined company and, unless otherwise requested by Amberjack, each Amberjack Designee, if any, shall be assigned (or continue to be assigned) to the classes specified in the merger agreement;

- during the period from and after the closing date until the date that Amberjack ceases to have the right to nominate any designees to the combined company board pursuant to the stockholders agreement (the “standstill period”) and subject to certain exceptions, Amberjack shall have the right to request that a representative of Amberjack attend meetings of the combined company board (and any committee of which an Amberjack Designee is a member, to the extent consistent with applicable law) from time to time;
- until the end of the standstill period and subject to certain exceptions, the combined company shall provide Amberjack or its authorized representatives, at reasonable times and upon reasonable prior notice to the combined company, with (i) reasonable access to the books and records of the combined company or any of its material subsidiaries and (ii) the right to discuss the combined company’s or its material subsidiaries’ affairs, finances and condition with its and their officers;
- to the fullest extent permitted by the DGCL and subject to applicable legal requirements and any express agreement, the combined company will agree that the Covered Persons (as defined in the stockholders agreement) may, and shall have no duty not to, (i) invest in, carry on and conduct any business of any kind, nature or description, whether or not such business is competitive with or in the same or similar lines of business as the combined company or any of its subsidiaries, (ii) do business with any client, customer, vendor or lessor of any of the combined company or its affiliates, and/or (iii) make investments in any kind of property in which the combined company or its subsidiaries may make investments. To the fullest extent permitted by the DGCL or any other applicable law, the combined company renounces any interest or expectancy to participate in any business, business opportunity, transaction, investment or other matter of any Covered Person as currently conducted or as may be conducted in the future, and waives any claim against a Covered Person and shall indemnify a Covered Person against any claim that such Covered Person is liable to the combined company or its stockholders for breach of any fiduciary duty or otherwise solely by reason of such Covered Person’s participation in, or failure to offer or communicate to the combined company, its subsidiaries or any controlled affiliates any information regarding, any such business opportunity;
- during the standstill period and subject to certain exceptions, the Stockholders and each of their respective affiliates will be subject to certain restrictions relating to (i) the acquisition of additional shares of combined company common stock, (ii) the solicitation of proxies with respect to voting of any Voting Securities (as defined in the stockholders agreement) of the combined company, (iii) the deposit of any Voting Securities into a voting trust or subjecting such Voting Securities to any voting agreement, pooling arrangement or similar arrangement, or the grant of any proxy with respect to such Voting Securities, (iv) actions to change management of the combined company or the combined company board other than pursuant to the provisions of the stockholders agreement, (v) actions regarding any merger, consolidation, business combination, tender or exchange offer, restructuring, recapitalization or other extraordinary transaction of or involving the combined company or any of its subsidiaries or their securities or assets, or (vi) actions that would reasonably be expected to cause or require the combined company to make a public announcement regarding any actions prohibited by the stockholders agreement;
- during the standstill period, the Stockholders shall cause all Voting Securities then owned by the Stockholders to be present, in person or by proxy, at any meeting of the stockholders of the combined company occurring at which an election of directors is to be held, so that all such Voting Securities shall be counted for the purpose of determining the presence of a quorum at such meeting; and
- during a period of 180 days from the closing date (the “lock-up period”), the Stockholders shall not transfer any Stockholder Shares (as defined in the stockholders agreement) without the prior written consent of the combined company and, following the end of the lock-up period, the Stockholders may transfer the Stockholder Shares without the prior consent of the combined company and without restriction; provided, however, that in connection with any Transfer (as defined in the stockholders agreement) of Stockholder Shares that is effected (A) pursuant to a Registration Statement (as defined

in the registration rights agreement) or a privately-negotiated transaction not subject to the registration requirements of the Securities Act, in each case in which the Stockholders (or any of their respective representatives) negotiate the terms of such Transfer directly with the third party purchaser (other than any underwriter, placement agent or initial purchaser thereof) of such Stockholder Shares or (B) in accordance with Rule 144 under the Securities Act but not pursuant to the manner of sale provisions specified in Rule 144(f), in each case the Stockholder shall not knowingly Transfer Stockholder Shares to any Person or Group (each as defined in the stockholders agreement) (whether such Person or Group is purchasing Stockholder Shares for its or their own account(s) or as fiduciary on behalf of one or more accounts) who (x) is a Competitor (as defined in the stockholders agreement), or (y) at the time of such Transfer is, or following such Transfer would become, a beneficial owner of combined company common stock in excess of 5% of the voting power of the outstanding shares of combined company common stock (provided, that the restrictions in clause (y) only apply during the standstill period).

EXECUTIVE COMPENSATION OF THE COMBINED COMPANY

Following completion of the mergers, Adam Anderson will serve as Chief Executive Officer, Kendal Reed will serve as Chief Financial Officer and Mark Reddout will serve as President, North America of the combined company. The remaining executive management members will be selected by the combined company board. Annual Bonuses

Pursuant to their employment agreements, each Innovex Named Executive Officer is eligible to receive an annual cash bonus based on performance criteria established by the Innovex Board (generally by February of the year in which the bonus relates) with a target annual incentive opportunity calculated as a percentage of their respective annual salary. Effective as of November 9, 2023, Messrs. Anderson, Reddout, and Reed were eligible to earn an annual performance-based bonus based on achievement of certain goals, with an annual target bonus opportunity as a percentage of annual base salary equal to 100%, 60%, and 60%, respectively. Each Named Executive Officer must be employed on the date of payment in order to be eligible to receive an annual bonus. The actual annual bonus amounts earned by the Named Executive Officers with respect to 2023 is set forth in the "Non-Equity Incentive Compensation" column in the 2023 Summary Compensation Table.

Equity Awards

Innovex maintains the Innovex Downhole Solutions, Inc. 2016 Long-Term Incentive Plan (the "2016 LTIP") in order to facilitate the grant of equity incentives to directors, employees (including the Innovex Named Executive Officers) and other service providers of Innovex to obtain and retain services of these individuals, which is essential to its long-term success. On January 1, 2023, Messrs. Anderson and Reed were granted 300,000 and 100,000 Innovex stock options, respectively, pursuant to the terms and conditions of the 2016 LTIP and a grant notice. These Innovex stock options were subsequently forfeited on March 11, 2023, as a condition precedent to a grant to each of Messrs. Anderson and Reed on May 11, 2023, of 115,207 and 38,402 continuing RSUs (the "2023 RSUs"), respectively, under the terms and conditions of the 2016 LTIP and a grant notice and RSU award agreement. The grant notice and RSU award agreements for Messrs. Anderson and Reed provide that the 2023 RSUs will vest annually over four years with 25% of the units vesting on each of the first, second, third, and fourth anniversary of January 1, 2023, subject to continued employment through each applicable vesting

date. The 2023 RSUs fully accelerate and vest in the event of a “Liquidity Event” (as defined in the 2016 LTIP) and settle in shares of Innovex’s common stock within 30 days of the applicable vesting date, with any fractional shares settled in cash. The consummation of the mergers is not expected to constitute a “Liquidity Event”.

In connection with entering into the merger agreement, on March 15, 2024, Messrs. Anderson, Reed and Reddout were granted 50,225 RSUs (consisting of 225 Innovex RSUs and 50,000 continuing RSUs), 18,875 RSUs (consisting of 125 Innovex RSUs and 18,750 continuing RSUs) and 18,975 RSUs (consisting of 225 Innovex RSUs and 18,750 continuing RSUs (the “2024 RSUs”), respectively, under the terms and conditions of the 2016 LTIP and a grant notice and RSU award agreement. The grant notice and RSU award agreements for Messrs. Anderson and Reed provide that the Innovex RSUs granted as part of the 2024 RSUs will vest immediately prior to, and contingent upon, the consummation of the mergers, and the continuing RSUs granted as part of the 2024 RSUs will vest over a period of two years following the closing date of the mergers with 331/3% of the continuing RSUs vesting on each of the dates that is six months following the closing date, the first anniversary of the closing date and the second anniversary of the closing date, subject generally to continued employment through each applicable vesting date. In the event that an Innovex NEO’s employment is terminated without cause (as defined in the 2016 LTIP) (excluding due to death or disability) on or following the closing date, the number of continuing RSUs due to vest on the next scheduled vesting date (i.e., 331/3% of the continuing RSUs) will accelerate and vest.

Employment Agreements

Each Innovex Named Executive Officer was subject to an employment agreement during the 2023 calendar year, the terms of each of which are described below. Each Innovex Named Executive Officer is also eligible to earn discretionary target bonuses under their applicable employment agreement, and the current discretionary bonus opportunities available are described in– Annual Bonuses,” above.

Each employment agreement provides for certain severance benefits upon certain terminations of the Innovex Named Executive Officer’s employment. Please see “*The Mergers—Board of Directors and Management of the Combined Company—Change in Control Payments and Benefits*” above for more details regarding the severance benefits each Innovex Named Executive Officer is eligible to receive.

The employment agreements also contain certain restrictive covenants that restrict (with certain limitations) the Innovex Named Executive Officers from (i) competing with Innovex and its affiliates during the term of the Innovex Named Executive Officer’s employment with Innovex and for the 12-month period following termination of employment and (ii) soliciting any customers or soliciting or hiring employees of Innovex and its affiliates, in each case, during the term of the Innovex Named Executive Officer’s employment with Innovex and for the 24-month period following termination of employment.

Adam Anderson

Effective as of October 29, 2020, Mr. Anderson entered into an employment agreement with Innovex (the “Anderson Employment Agreement”), which was superseded in March 2023 as described below. Mr. Anderson serves as Innovex’s Chief Executive Officer and reports to the Innovex Board.

The Anderson Employment Agreement provided for (i) a three-year employment term, which may be earlier terminated pursuant to the terms and conditions of the agreement, (ii) an annual base salary of \$375,000, (iii) an annual target bonus opportunity equal to 50% of his annual base salary, (iv) eligibility to participate in any benefits plans generally made available to other employees of Innovex, including but not limited to, vacation, disability insurance, and participation in Innovex’s 401(k) plan, and (v) business expense reimbursement for reasonable travel, entertainment and other business expenses incurred in the course of the performance of his duties, in accordance with Innovex’s expense policy as in effect from time to time.

Effective March 1, 2023, the Anderson Employment Agreement was amended and restated (the “A&R Anderson Employment Agreement”). The A&R Anderson Employment Agreement provides for the same terms

and conditions as the Anderson Employment Agreement except the A&R Anderson Employment Agreement (i) provides for a base salary of \$425,000 and an annual target bonus opportunity equal to 50% of annual base salary and (ii) clarifies that Mr. Anderson will be entitled to receive severance benefits even if his employment is terminated in connection with a "Liquidation" (as defined in Innovex's Amended and Restated Certificate of Incorporation, as amended from time to time); provided, that if the termination occurs either (A) while Innovex is in active bankruptcy proceedings, (B) while Innovex is in forbearance with its creditors or (C) in connection with or after a voluntary liquidation under applicable bankruptcy or reorganization legislation, dissolution or winding up of Innovex, Innovex is not required to pay the severance benefits (the "Severance Liquidation Clarification").

In connection with entering into the merger agreement, on March 13, 2024, Mr. Anderson entered into a new employment with agreement with Innovex, which superseded the A&R Anderson Employment Agreement (the "New Anderson Employment Agreement"). The New Anderson Employment Agreement provides for an annual base salary of \$550,000, an annual target bonus opportunity of 100% of annual base salary and provides that in each year during the term commencing in 2025 (assuming the mergers are consummated in 2024) for an annual equity and/or equity-based incentive compensation grant with a target value of not less than \$2,000,000 as of the date of grant. The New Anderson Employment Agreement, unlike the A&R Anderson Employment Agreement, does not provide for a set term. It may be terminated at any time pursuant to the terms and conditions of the New Anderson Employment Agreement.

Mark Reddout

Effective as of April 5, 2018, Mr. Reddout entered into an employment agreement with Innovex (the "Reddout Employment Agreement"), which was superseded in March 2023 as described below. Mr. Reddout serves as Innovex's President, North America, and reports to Mr. Anderson.

The Reddout Employment Agreement provided for (i) a three-year employment term, which may be earlier terminated pursuant to the terms and conditions of the agreement, (ii) an annual base salary of \$230,000, (iii) an annual target bonus opportunity equal to 30% of his annual base salary, (iv) eligibility to participate in any benefits plans generally made available to other employees of Innovex, including but not limited to, vacation, disability insurance, and participation in Innovex's 401(k) plan, and (v) business expense reimbursement for reasonable travel, entertainment and other business expenses incurred in the course of the performance of his duties, in accordance with the Innovex's expense policy as in effect from time to time.

Effective March 1, 2023, the Reddout Employment Agreement was amended and restated (the "A&R Reddout Employment Agreement"). The A&R Reddout Employment Agreement provides for the same terms and conditions as the Reddout Employment Agreement except the A&R Reddout Employment Agreement (i) provides for a base salary of \$300,000 and an annual target bonus opportunity equal to 35% of annual base salary, (ii) the Severance Liquidation Clarification, and (iii) a retention bonus of \$1,000,000, payable in three substantially equal installments, subject to Mr. Reddout's continued employment, on or before April 1, of 2023, April 1, 2024 and April 1, 2025, with the 2024 and 2025 payments each subject to and Innovex meeting at least 80% of its annual budgeted 2023 and 2024 EBITDA, respectively.

Kendal Reed

Effective as of January 14, 2019, Mr. Reed entered into an employment agreement with Innovex (the "Reed Employment Agreement"), which was superseded in March 2023 as described below. Mr. Reed serves as Innovex's Chief Financial Officer and reports to Mr. Anderson.

The Reed Employment Agreement provided for (i) a three-year employment term, which may be earlier terminated pursuant to the terms and conditions of the agreement, (ii) an annual base salary of \$250,000, (iii) an

annual target bonus opportunity equal to 40% of his annual base salary, (iv) eligibility to participate in any benefits plans generally made available to other employees of Innovex, including but not limited to, vacation, disability insurance, and participation in Innovex's 401(k) plan, and (v) business expense reimbursement for reasonable travel, entertainment and other business expenses incurred in the course of the performance of his duties, in accordance with Innovex's expense policy as in effect from time to time.

Effective March 1, 2023, the Reed Employment Agreement was amended and restated (the "A&R Reed Employment Agreement" and, together with the A&R Reddout Employment Agreement, the "Amended and Restated Executive Employment Agreements"). The A&R Reed Employment Agreement provides for the same terms and conditions as the Reed Employment Agreement except the A&R Reed Employment Agreement (i) provides for a base salary of \$300,000 and an annual target bonus opportunity equal to 40% of annual base salary and (ii) the Severance Liquidation Clarification.

Retirement Benefits

Innovex maintains a qualified 401(k) retirement savings plan for all eligible employees, including the Innovex Named Executive Officers, which allows participants to defer a percentage of cash compensation up to the maximum amount allowed under Internal Revenue Service Guidelines. Innovex makes discretionary matching contributions to our 401(k) plan, generally equal to 50% of the first 6% of the employee's salary deferred (i.e., a 3% total match). 401(k) plan participants are always fully vested with respect to their contributions to the plan. We do not maintain, sponsor or otherwise have any liability with respect to any defined benefit pension plan or nonqualified deferred compensation plan.

Potential Payments upon Termination or Change in Control

Each of the Amended and Restated Executive Employment Agreement provides that upon a termination of their employment by Innovex for any reason other than for "Cause" as defined therein, subject to the applicable Innovex Named Executive Officers' execution and delivery of a fully effective release of claims in favor of Innovex and continued compliance with applicable restrictive covenants (as described in "Employment Agreements" above), the Innovex Named Executive Officer will receive salary continuation payments and full COBRA premium reimbursement for a period 12 months.

The Amended and Restated Executive Employment Agreements define "Cause" as the applicable Innovex Named Executive Officer's (a) willful failure or refusal to perform reasonably assigned duties consistent with the Innovex Named Executive Officer's office or position in Innovex in any material respect, if such failure or refusal is not corrected (if correctible) by the Innovex Named Executive Officer within 10 days following written notice by Innovex describing such failure or refusal in reasonable detail or, if corrected, recurs; (b) conviction for or plea of nolo contendere to (i) a felony or misdemeanor involving fraud, embezzlement or financial improprieties, (ii) any crime involving dishonesty or moral turpitude or (iii) any crime that is otherwise injurious to Innovex or any of its affiliates or Innovex's (or its affiliate's) reputation; (c) commission of an act of fraud, embezzlement, misappropriation or breach of fiduciary duty against Innovex or any of its affiliates, (d) willful violation of laws or regulations applicable to Innovex's or its affiliate's business; (e) failure or refusal to comply with any written material rule or policy of Innovex or any of its affiliates of which the Innovex Named Executive Officer had prior notice, if such failure or refusal is not corrected (if correctible) by the Innovex Named Executive Officer within 10 days following receipt of written notice from Innovex describing such failure or refusal in reasonable detail or, if corrected, recurs; (f) gross negligence or willful misconduct in the performance of the Innovex Named Executive Officer's duties; or (g) habitual abuse of alcohol, narcotics or other illegal substances.

The New Anderson Employment Agreement provides that upon a termination of Mr. Anderson's employment by Innovex without "Cause" as defined therein or by Mr. Anderson for "Good Reason" as defined therein outside of the Protected Period (as defined below), subject to Mr. Anderson's fully effective release of

claims in favor of Innovex and continued compliance with applicable restrictive covenants, Mr. Anderson will receive (i) salary continuation payments for 24 months, (ii) continuation coverage under Innovex's group health plan in form of payments on a fully taxable basis equal to the monthly portion of premium cost of participation in Innovex's group health plan that Innovex paid for Mr. Anderson and, to the extent applicable, his spouse and/or covered dependents for a period of up to 24 months, (iii) any earned but unpaid annual bonus for any fiscal year preceding the fiscal year in which Mr. Anderson's employment terminates and (iv) all unvested equity and/or equity-based compensation awards that vest solely based on the passage of time will become immediately vested to the same extent as if Mr. Anderson remained employed over the course of the 24 month period following the date of termination and all unvested equity or equity-based compensation awards that vest in part based on the passage of time in addition to performance will become immediately vested in the time vesting component to the same extent as if Mr. Anderson had remained employed over the course of the 24 month period following the date of termination and the performance vesting component will remain subject to the terms and conditions of the applicable equity award treatment (the "Non-CIC Severance Benefits").

In the event that Mr. Anderson's employment is terminated without "Cause" or by Mr. Anderson for "Good Reason" on the date that is 60 days prior to the consummation of a "Change in Control" as defined therein and ending on the date that is 12 months after the date of the consummation of a "Change in Control" (the "Protected Period"), subject to Mr. Anderson's fully effective release of claims in favor of Innovex and continued compliance with applicable restrictive covenants, Mr. Anderson will receive, in lieu of the Non-CIC Severance Benefits, (i) a lump sum severance payment in an amount equal to the sum of three times Mr. Anderson's annual base salary in effect as of the date of termination and Mr. Anderson's annual target bonus in effect as of the date of termination, (ii) continuation coverage under Innovex's group health plan in form of payments on a fully taxable basis equal to the monthly portion of premium cost of participation in Innovex's group health plan that Innovex paid for Mr. Anderson and, to the extent applicable, his spouse and/or covered dependents for a period of up to 36 months, (iii) any earned but unpaid annual bonus for any fiscal year preceding the fiscal year in which Mr. Anderson's employment terminates and (iv) all unvested equity and/or equity-based compensation awards that vest solely based on the passage of time will become immediately and fully vested and all unvested equity or equity-based compensation awards that vest in part based on the passage of time in addition to performance will become immediately and fully vested in the time vesting component and the performance vesting component will be deemed satisfied at target level to the extent achievement of the performance criteria is not determined upon the Change in Control pursuant to the applicable equity award agreement.

In the event that Mr. Anderson's employment is terminated due to Mr. Anderson's death or "Disability" as defined therein, subject to Mr. Anderson's or his estate's or legal representative's, as the case may be, fully effective release of claims in favor of Innovex, Mr. Anderson or his estate or legal representative, as the case may be, will receive salary continuation payments for a period of 12 months.

The New Anderson Employment Agreement defines "Cause" as Mr. Anderson's (a) willful failure or refusal to perform reasonably assigned duties consistent with Mr. Anderson's office or position in Innovex in any material respect, if such failure or refusal is not corrected (if correctible) by Mr. Anderson within 10 days following written notice by Innovex describing such failure or refusal in reasonable detail; (b) conviction for or plea of nolo contendere to (i) a felony or misdemeanor involving fraud, embezzlement or financial improprieties, (ii) any crime involving dishonesty or moral turpitude or (iii) any crime that is otherwise injurious to Innovex or any of its affiliates, whether reputationally or financially; (c) commission of an act of fraud, embezzlement, misappropriation or breach of fiduciary duty against Innovex or any of its affiliates, (d) willful and material violation of laws or regulations applicable to the Innovex's or its affiliates' business; (e) failure or refusal to comply with any written material rule or policy of Innovex or any of its affiliates of which Mr. Anderson had prior notice, if such failure or refusal is not corrected (if correctible) by Mr. Anderson within 10 days following receipt of written notice from Innovex describing such failure or refusal in reasonable detail or, if corrected, recurs; (f) gross negligence or willful misconduct in the performance of Mr. Anderson's duties; or (g) Mr. Anderson's habitual abuse of alcohol, narcotics or other illegal substances.

The New Anderson Employment Agreement defines “Good Reason” as any of the following, in each case, without Mr. Anderson’s prior written consent (a) a reduction by Innovex in Mr. Anderson’s annual base salary or annual target bonus, (b) a material diminution in Mr. Anderson’s authority, duties or responsibilities as Chief Executive Officer of Innovex, which, for the avoidance of doubt, does not include any diminution in Mr. Anderson’s authority, duties or responsibilities resulting from the hiring of additional subordinates to fulfill Mr. Anderson’s duties and/or responsibilities, (c) a requirement that Mr. Anderson report to a corporate officer or employee instead of reporting directly to the Innovex Board, (d) a change in the geographic location at which Mr. Anderson must perform services to a location outside of the Houston, Texas metropolitan area, or (e) any material breach by Innovex of any material provision of the New Anderson Employment Agreement or any other written agreement between Mr. Anderson and Innovex or any of its affiliates.

The New Anderson Employment Agreement defines “Change in Control” as any of the following:

- a change in the ownership or control of Innovex effected through a transaction or series of transactions (other than (1) an offering of Innovex common stock to the general public through a registration statement filed with the U.S. Securities and Exchange Commission or similar non-U.S. regulatory agency or pursuant to a Non-Control Transaction (as defined in subclause (2) below) or (2) a sale or other disposition of Innovex common stock by one or more stockholders of Innovex in a transaction that does not require the approval of the Innovex Board) whereby any person or any two or more persons deemed to be one person, other than Innovex or any of its affiliates, an employee benefit plan sponsored or maintained by Innovex or any of its affiliates (or its related trust), or any underwriter temporarily holding securities pursuant to an offering of such securities, directly or indirectly acquire, other than pursuant to a Reorganization (as defined in subclause (2) below) that does not constitute a Change in Control under such subclause (2), beneficial ownership of securities of Innovex possessing more than 50% of the total combined voting power of Innovex’s securities eligible to vote in the election of the Innovex Board (“Innovex Voting Securities”);
- the consummation of a merger, consolidation, share exchange, or similar form of corporate transaction involving Innovex or any of its affiliates that requires the approval of Innovex’s stockholders (whether for such transaction, the issuance of securities in the transaction, or otherwise) (a “Reorganization”), unless, immediately following such Reorganization, (i) more than 50% of the total voting power of (A) the corporation resulting from such Reorganization (the “Surviving Company”), or (B) if applicable, the ultimate parent corporation that has, directly or indirectly, beneficial ownership of at least 95% of the voting securities of the Surviving Company (the “Parent Company”), is represented by Innovex Voting Securities that were outstanding immediately prior to such Reorganization (or, if applicable, is represented by shares into which such Innovex Voting Securities were converted pursuant to such Reorganization), and such voting power among the holders thereof is in substantially the same proportion as the voting power of such Innovex Voting Securities among holders thereof immediately prior to such Reorganization, (ii) no person, other than an employee benefit plan sponsored or maintained by the Surviving Company or the Parent Company (or its related trust), is or becomes the beneficial owner, directly or indirectly, of 50% or more of the total voting power of the outstanding voting securities eligible to elect directors of the Parent Company or, if there is no Parent Company, the Surviving Company, and (iii) following the consummation of such Reorganization, at least a majority of the members of the Innovex Board immediately prior to such Reorganization are members of the board of directors of the Parent Company or, if there is no Parent Company, the Surviving Company (any Reorganization which satisfies all of the criteria specified in clauses (i), (ii), and (iii) above shall be a “Non-Control Transaction”); or
- the sale or disposition, in one or a series of related transactions, of all or substantially all of the assets of the Innovex and its subsidiaries (on a consolidated basis) to any person or to any two or more persons deemed to be one person, other than Innovex’s affiliates.

Notwithstanding the foregoing, (x) a Change in Control will not be deemed to occur solely because any person acquires beneficial ownership of 50% or more of the Innovex Voting Securities as a result of an

acquisition of Innovex Voting Securities by Innovex that reduces the number of Innovex Voting Securities outstanding; *provided* that, if after such acquisition by Innovex, such person becomes the beneficial owner of additional Innovex Voting Securities that increases the percentage of outstanding Innovex Voting Securities beneficially owned by such person, a Change in Control will then be deemed to occur, and (y) with respect to the payment of any amount that constitutes a “deferral of compensation” subject to Section 409A of the Code payable upon a Change in Control, a Change in Control will not be deemed to have occurred, unless the Change in Control constitutes a change in the ownership or effective control of Innovex or in the ownership of a substantial portion of the assets of Innovex under Section 409A(a)(2)(A)(v) of the Code.

The New Anderson Employment Agreement defines “Disability” as the inability of Mr. Anderson to perform the essential functions of Mr. Anderson’s position due to physical or mental disability (after taking into account Innovex’s obligation to provide reasonable accommodations to Mr. Anderson in accordance with the Americans With Disabilities Act of 1990 or analogous state law) which continues for a period of 90 days (whether or not consecutive) during any 12-month period during the term of Mr. Anderson’s employment with Innovex.

Overview

Innovex designs, manufactures, sells and rents mission critical engineered products to the global oil and natural gas industry. Our vision has been to create a global leader in well-centric products and technologies through organic, customer-linked innovations and disciplined acquisitions to drive leading returns for our investors. Our products are used across the lifecycle of the well (during the construction, completion, production and intervention phases) and are typically utilized downhole and consumable in nature. Our products perform a critical well function, and we believe they are chosen due to their reliability and capacity to save our customers time and lower costs during the well lifecycle. We believe that our products have a significant impact on a well’s performance and economic profile relative to the price we charge, creating a “*Big Impact, Small Ticket*” value proposition. The majority of our 2023 revenue came from product families that we believe hold a top three competitive position in their primary markets based on our TAM estimates. We estimate that our TAM for our applicable products across the US and Canadian onshore market (the “NAM market”) was approximately 2.1 billion in 2023 and \$2.0 billion in 2022. We have a growing presence across our International and Offshore markets and estimate that the TAM for our applicable products across these regions was approximately \$2.4 billion in 2023 and \$2.2 billion in 2022. Please see “*Our Organic Growth Strategy*” for an explanation of how we calculate our TAM. Many of our products can be used in a significant portion of our customers’ wells globally, with our most advanced products providing mission critical solutions for some of the most challenging and complex wells in the world. We have a track record of developing proprietary products to address our customers’ evolving needs, and we maintain an active pipeline of potential new products across various stages of development. Our business is high margin and capital-light, and has produced strong returns on invested capital. We have a disciplined history of successfully sourcing and integrating strategic acquisitions.

The Innovex Wellbore

Innovex Overview

Note: Not to scale; not inclusive of all products sold by Innovex.

Innovex is a global company. In 2023, we sold products in approximately 73 countries. The NAM market made up approximately 66% of our 2023 revenue, while the International and Offshore markets constituted 34%. Within the NAM market, we have a strong presence in the United States and a growing presence in Canada. The Permian Basin is our largest operating region within this market, making up over half of our 2023 NAM revenue. The NAM market is core to us, and we maintain a robust sales and distribution infrastructure across the region. Our products have broad applicability in this market, particularly for horizontal or unconventional wells that have become prevalent methods of oil and natural gas development across the region. We are focused on significantly increasing our revenue from the International and Offshore markets as these regions are typically subject to long-cycle investment horizons and exhibit relatively less cyclical than the NAM market. The Middle East, and in particular Saudi Arabia, has been a key source of growth for us and has become our largest International and Offshore market. We also operate across Latin America, Europe and the U.S. Gulf of Mexico, among other regions. To enhance our global reach, we have complemented our locations across these markets with a network of strategic distribution, sales and manufacturing partners.

Strategic Geographic Global Footprint

*Note: Above locations do not represent an exhaustive list.
Strategic Partners include our network of distribution, sales and manufacturing partners.*

We are an innovator and have a development process and culture focused on creating proprietary products for our customers. Approximately 48% of our 2023 revenue was derived from products that we developed internally. We seek to work with our customers to solve their operational challenges. We believe that these collaborations have been a source of growth as they have allowed us to develop new products with anchor customers that have served as an initial revenue base from which to scale. We have a unique culture that we view as having been critical to our success in the commercialization of new products. We define our culture as “No Barriers.” Our goal is to remove internal barriers that slow the pace of innovation and empower our employees to be responsive to our customers’ needs, while maintaining a focus on returns for Innovex. As a result of our culture and our commitment to customer responsiveness, we believe that we are more agile and able to innovate faster than our larger competitors based on publicly available information.

Based on our TAM estimates, we believe that we have been successful in capturing market share across both of our geographic markets. In 2023, as compared to 2022, we estimate that we grew our NAM market share to 17% from 16%. Across the International and Offshore markets, we estimate our market share grew to 8% from 6% over the same time period. We believe that we are well positioned to continue to capture market share across both geographic markets and view the International and Offshore markets as a significant growth opportunity.

Our organic growth has been complemented by a disciplined and contrarian acquisition strategy. We view acquisitions as a core competency and have identified a rich opportunity set of acquisition targets that we believe are seeking to transact. We aim to execute a disciplined acquisition strategy for high-quality opportunities that meet our stringent investment criteria.

We have a broad customer base, ranging from the largest international oil companies (“IOCs”), national oil companies (“NOCs”), exploration and production (“E&P”) companies as well as multinational and regional oilfield service companies. Once a new product has been commercialized or acquired, our global sales and distribution infrastructure enables us to scale and drive customer adoption quickly.

We were formed in 2016 through the combination of three consumable products companies with long operating histories. Since our inception, we have achieved strong financial results. Our revenues have grown from approximately \$97.9 million in 2016 to \$555.5 million in 2023, a compound annual growth rate (“CAGR”) of approximately 28%.

Our business is high margin and capital-light, which and has produced strong returns on invested capital. In 2023, our net income, operating profit and Adjusted EBITDA were equivalent to approximately 13%, 18% and 24% of revenue, respectively. Over the same period, capital expenditures accounted for only approximately 3% of revenue, we earned approximately \$97.4 million in income from operations. We believe that our global sales and distribution network as well as our manufacturing capacity and vendor network position us well to drive revenue growth and margin expansion. Please see “*Innovex Management’s Discussion and Analysis of Financial Position and Results of Operations—Results of Operations—Cash Flows—Comparison of Non-GAAP Financial Measures*” for the definitions of Adjusted EBITDA, Adjusted EBITDA Margin and ROCE and a reconciliation of Adjusted EBITDA and Adjusted EBITDA Margin to our most directly comparable financial measures calculated and presented in accordance with GAAP.

We believe that we can create value for our stockholders across the industry cycle and view our “through-cycle playbook” as providing a plan for us to outperform in all market environments. We prioritize protecting the long-term health of Innovex through investments in R&D and sustaining engineering in our existing portfolio in all market environments. We seek to maintain a conservative balance sheet to preserve operational and financial flexibility through the industry cycle.

Our Technology Development Process and Product Portfolio

We view our new technology development and ongoing product advancement initiatives as key to our strategy and believe that we have a repeatable process to drive organic product innovation to meet our customers’ well design needs. We maintain an engineering team of approximately 50 individuals that are focused on R&D as well as ongoing product enhancements. The engineering team is based in our Humble, Texas headquarters and has representatives that sit across our global offices in the Middle East, Latin America and Europe. Having a presence near our customers enables us to better understand their challenges, which helps identify and prioritize our market opportunities and maximizes the value of our engineering resources. We focus on maintaining an active pipeline of potential new products across various stages of development. We intend to grow our presence in the International and Offshore markets and believe there is a large opportunity to develop new products to meet customer needs in these regions. At the end of 2023, a significant portion of our new product development pipeline was oriented towards the International and Offshore markets.

Our products provide a critical well function, and we believe that their costs represent a small fraction of the total spend on a well but have a significant impact on the well’s performance and economic profile, creating a *Big Impact, Small Ticket* value proposition. We estimate that if all our applicable products were employed over the life of a typical Permian Basin shale well, it would constitute less than 2% of the total cost to drill, construct, complete and produce the well (based on Rystad Energy’s analysis of the cost of a typical Permian Basin shale well). We believe that our products are chosen due to their reliability and ability to save our customers time and costs during the well lifecycle, such as a reduction in the number of runs downhole or the elimination of an otherwise necessary product or service, rather than to solely for their price.

The majority of our 2023 revenue came from product families that we believe hold a top three competitive position in their primary markets based on our TAM estimates. Our products are highly engineered, and we utilize a robust intellectual property strategy to maintain and protect our proprietary technology and market position. As of December 31, 2023, we held approximately 300 U.S. and international patents across our product portfolio and 21 U.S. patent applications.

We generate our revenue from three primary sources: sales of consumable, single-use products and other associated revenues, such as freight (“Consumable Product Sales”); rentals of proprietary tools that are used to deploy our consumable products or to provide a critical well function (“Proprietary Rental Tools”); and services that are typically connected to the well-site deployment of our engineered products and other field services (“Product Connected Services”). Of our 2023 revenue, approximately 83% was generated from Consumable Product Sales, approximately 6% was generated from Proprietary Rental Tools and approximately 11% was generated from Product Connected Services.

As we believe that demand for our products is primarily activity-driven (i.e., correlated with global spending on exploration and production of oil and natural gas and with general industry activity), we are not exposed to the highly cyclical capital equipment build cycle for the oil and natural gas industry.

2023 Revenue Type

Product Offering and Business Model Highlights

- ✓ ~83% of revenue from Consumable Product Sales
- ✓ Not levered to capital equipment build cycle
- ✓ Majority of revenue generated from product families with a top-3 position
- ✓ IP portfolio of ~300 U.S. and international patents

Our products are used across the lifecycle of our customers’ wells. In 2023, well construction phase products were 40% of revenue, well completion phase products were 30% and well production and intervention phase products made up the remaining 30%. Our diverse spectrum of products and services enables us to generate revenue from the initial drilling and completion of a well through the production and intervention phase of the asset’s life. Our product portfolio consists of fourteen major product families, comprised of over 10,000 stock keeping units (“SKUs”). We believe that we are not dependent on any single technology. We are a single

point of contact for many of our customers' needs. Our product offerings position us to support our customers in solving a range of well-site challenges and diversify our revenue base.

2023 Revenue by Well Lifecycle Phase

Product Diversity

- ✓ Participate across the lifecycle of a well
- ✓ Highly diversified offering, not dependent on a single technology
 - Fourteen major product families
- ✓ Single point of contact for many customer needs

We define the well lifecycle phases and describe how our product families are used below:

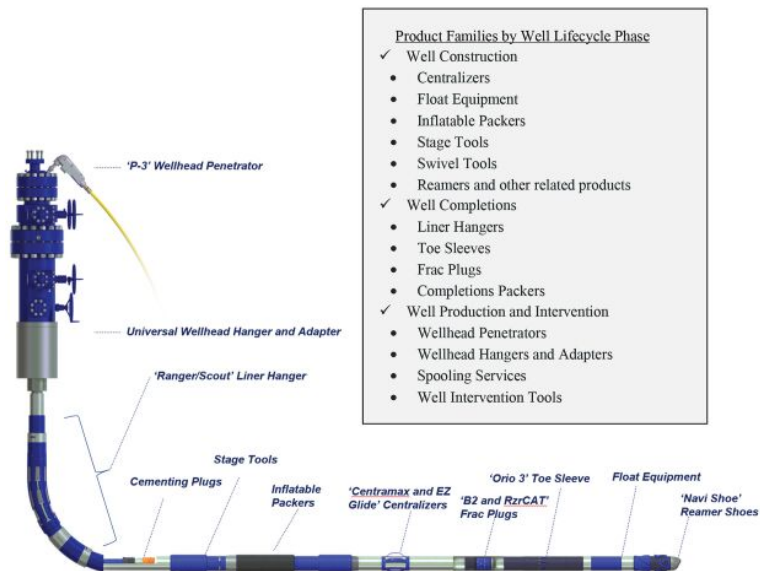

Well Construction (40% of 2023 Revenue). The well construction phase covers the equipment and services necessary to create and ensure the structural integrity of the borehole. Within this well phase, Innovex generally provides cementing products that are utilized to provide effective placement of cement in between the wellbore and casing as well as specialty drilling enhancement products. The primary product families Innovex provides in this segment are centralizers, float equipment, inflatable packers, stage tools, swivel tools, reamers and other related products.

Well Completion (30% of 2023 Revenue). The well completion phase consists of products used to enable a well to be stimulated and put on production. The primary product families Innovex provides in this phase include liner hangers, toe sleeves, frac plugs and completion packers.

Well Production and Intervention (30% of 2023 Revenue). The well production and intervention phase consists of products and services that enable artificial lift and intervention in wells. Within this well phase, we generally provide accessory products and services to artificial lift equipment as well as specialized intervention products. The primary product families Innovex provides in this segment are wellhead penetrators, wellhead hangers and adapters, spooling services and well intervention tools.

We believe that we have curated a portfolio of families and product brands that in aggregate have created brand equity in Innovex.

Our Customers

We principally sell or market directly to the ultimate end user of our products, the E&P operator. As of December 31, 2023 and December 31, 2022, we had 1,485 and 1,582, respectively, unique customers that have made at least one purchase in the preceding 12-month period, or are active customers. In 2023, our top ten accounts constituted only 34% of revenue. Our top ten customer list includes: NOCs such as Saudi Aramco (our largest end-user in 2023); IOCs such as ExxonMobil, Chevron, BP and ConocoPhillips; leading independent E&P operators such as Occidental Petroleum, Hess Corporation and EOG Resources; and multinational oilfield service companies such as Schlumberger and Baker Hughes. When we sell to service companies, it is typically to fill a gap in their product portfolio or because they have been directed by the E&P operator to utilize our products. The breadth of our customer base reduces the impact of significant spending changes by any one customer and allows us to better determine global market activity.

2023 Customer Base as Percentage of Revenue

Customer Base Highlights

- ✓ Principally sell or market to the end user, the E&P operator
- ✓ ~ 1,500 active customers
- ✓ Top ten customers account for 34% of revenue
- ✓ Customer list includes IOCs, NOCs, leading independent E&P operators and multinational oilfield service companies

How We Add Value to Our Customers

Our goal is to develop products that exhibit clear value creation upside for our customers, including the ultimate end user of our products, typically by saving time and costs during the well lifecycle, while also reducing operational risks. We operate an integrated business model, whereby we design, engineer, manufacture, sell, rent and supervise the onsite deployment of our products. We believe this business model is one of our critical drivers of success as we seek to collaborate directly with our customers to solve some of their most complex challenges. We believe that our customer collaborations have been a source of growth as they have allowed us to develop new products with anchor customers that have served as an initial revenue base from which to scale. We have a track record of developing proprietary products to address our customers' evolving needs, and we maintain an active pipeline of potential new products across various stages of development. Approximately 48% of our 2023 revenue was derived from products that we developed internally.

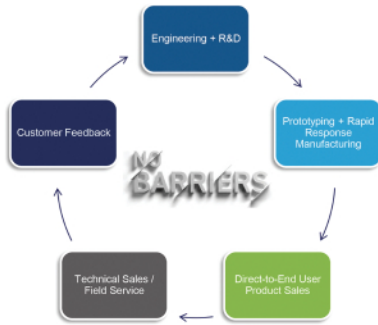

We believe that our unique *No Barriers* culture has also helped to enable our success. We seek to remove internal barriers between us and our customers, such as unnecessary bureaucracy and layers of management, that slow the pace of innovation. We enable our employees to be highly responsive to the needs of our customers and prioritize direct and transparent interaction between our employees and the end user of our products. We promote a culture of innovation and seek to incentivize our employees for the value they create for our organization and the customer. We believe that our rate of product development is faster relative to many of our larger competitors. Once a customer's need has been identified, our engineering and R&D team of approximately 50 individuals employ a rapid design process utilizing our internal manufacturing capacity to develop a prototype. An iterative process of engineering, manufacturing and field trials is then undertaken with the end user until commercialization is achieved. We believe this feedback loop from the end user to the field and our *No Barriers* culture enable and promote an environment for us to add value for our customers. While we seek to collaborate with our customers to help solve their operational challenges, we are a returns focused company and look to participate on projects that we believe are mutually beneficial for both Innovex and the customer.

Innovex's No Barriers Culture

- ✓ Remove internal barrier that slow the pace of innovation
- ✓ Enable employees to be responsive to customer needs
- ✓ Prioritize direct and transparent interaction with the end user
- ✓ Promote a culture of innovation
- ✓ Seek to incentivize employees to create value for the customer and Innovex

The Technology Feedback Loop

Product Development Profile

Our Global Footprint

To support our global operations, we operate a flexible manufacturing and supply chain model that balances responsiveness with cost and efficiency. We maintain approximately 425,000 square feet of internal manufacturing and production facilities in Humble, Texas; Houston, Texas; Mineral Wells, Texas; Amelia, Louisiana and Dammam, Saudi Arabia. These facilities are co-located with our engineering teams to enable rapid prototyping, testing and design iterations of new products and enhancements for our existing products. Our internal manufacturing capacity is reserved for R&D, as well as quick-turn products, to provide high levels of responsiveness to our customers. We supplement these facilities with a responsive network of third-party machining resources in the United States to enhance our capital efficiency. We also maintain strategic relationships with multiple, low-cost manufacturing partners in Asia, and in particular Vietnam, to support our highest volume products. These relationships allow us to achieve a competitive cost structure, while preserving high levels of product quality and customer responsiveness. In addition, we have entered into a non-binding letter of intent, and are currently engaged in discussions, with respect to a proposed acquisition of one of our manufacturing partners that has operations in Vietnam. The proposed acquisition is consistent with our strategy to maintain a hybrid manufacturing model and would increase our manufacturing capacity and allow us to further capitalize on vertical integration opportunities.

We maintain capital-light service centers near our customers' operations. This strategy facilitates the effective installation of our products, provides strong market intelligence about our customers' most significant challenges and enables a rapid feedback loop for our product development initiatives. We operate 26 service centers across the United States and Canada, which are located near key onshore oil and natural gas producing regions, including the Permian, Mid Continent, Marcellus, Utica, Eagle Ford, Haynesville, Bakken and the Rockies, among other areas. Across our International and Offshore markets, we sell through 12 service centers in Saudi Arabia, Oman, Abu Dhabi, the United Kingdom, Norway, Brazil, Ecuador, Argentina, Colombia, Mexico, Angola and Amelia, Louisiana to support the U.S. Gulf of Mexico as well as through a network of approximately 20 distribution and sales partners.

Our Organic Growth Strategy

We employ a multifaceted organic growth strategy comprised of (i) market share capture, (ii) new product development and (iii) market driven growth.

Market share capture. We believe that we are well positioned to capture market share across our applicable markets.

We calculate TAM by multiplying the number of applicable wells (as provided by Rystad Energy) for each market where we expect it would be reasonable for Innovex to seek to sell products by an illustrative price per applicable product by geography. In markets where well data is unavailable, we provide an estimated market size for each such geography.

In the NAM market, we have a strong presence in the United States and growing presence in Canada. We estimate that our TAM for our applicable products across the NAM market was approximately \$2.1 billion in 2023 and \$2.0 billion in 2022. We generated approximately \$366.1 million and \$329.7 million, respectively, in revenue across the NAM market over the same time periods, implying a market share of approximately 17% and 16%, respectively. Revenue grew across all of our product families in 2023. Our dedicated sales force, innovative engineering organization and responsive service culture enabled us to capture more of our customers' spend on their oil and natural gas well development, defined as "wallet share," as well as gain new customers. Our market share also benefited from the acquisition of Pride in August of 2022.

Within the United States, we believe that there are many opportunities to cross sell our products throughout our diverse customer base and enhance our presence in select oil and natural gas basins. We also plan to expand our presence in Canada as we believe that many of our product families that have strong adoption in the United States will benefit our Canadian market position in the near term.

Innovex NAM Market Revenue, Implied Market Share and Illustrative Estimated TAM (\$ in billions)

Within the International and Offshore markets, we have well established sales and distribution channels across our geographic markets, such as the Middle East, Latin America, the U.S. Gulf of Mexico and throughout other global regions, including Europe and Africa. We have a growing presence across our International and Offshore markets and estimate that the TAM for our applicable products across these regions was approximately \$2.4 billion in 2023 and \$2.2 billion in 2022. In contrast, we generated approximately \$189.4 million and \$137.4 million, respectively, in revenue across the International and Offshore markets over the same time periods, implying a market share of approximately 8% and 6%, respectively. Revenue increased across both of our geographic markets in 2023, and we believe that we were able to grow our market share by utilizing our sales and distribution channels to capture wallet share and push further into geographies where we were underrepresented.

Innovex International and Offshore Markets Revenue, Implied Market Share and Illustrative Estimated TAM (\$ in billions)

Across our International and Offshore markets, we estimate that the Middle East accounted for over half of our 2023 TAM. Within the Middle East, particularly Saudi Arabia, we are focused on growing our wallet share with leading NOCs, such as Saudi Aramco. In many of our International and Offshore markets, particularly Saudi Arabia, we are typically required by our customer base to undergo a stringent and lengthy qualification process for each product we seek to sell in country. The groundwork for our existing operations in Saudi Arabia has taken years to develop and we have considerable experience achieving these technical product qualification requirements. We believe that the time required to establish a scaled presence in Saudi Arabia and the product qualification process represent high barriers to entry to operate in country. In Saudi Arabia, we sell several qualified products that have specialty applications in the market and that provide a consistent level of revenue, defined as our “Aramco Base Business.” In addition, we have qualified four products that we view as strategic given the very large addressable market they serve in country, which we estimate to be over \$50.0 million per product in 2023. These products were qualified in 2016, 2019, 2020 and 2022. All of these qualified strategic products (2016, 2019, 2020 and 2022 vintages) are producing revenue and have yielded or are expected to yield strong growth in the years following qualification. We believe that the fourth qualified strategic product (2022 vintage) has strong applicability in Saudi Arabia, and we are excited for its prospects in 2024. We expect to have a pipeline of additional product qualifications within the country over the coming years.

Strong Record of Saudi Aramco Adoption (Revenue, \$ in millions)

Latin America and, in particular, Brazil and Guyana have been identified as emerging areas of global production growth, and we are focused on expanding our presence in these markets. We have established a foothold today with major NOCs and IOCs in these regions, such as Petrobras and ExxonMobil, by leading with some of our most technologically advanced product families that exhibit strong value propositions. We are now seeking to cross sell other applicable product families to capture additional share in these high growth markets.

Innovex Revenue in Brazil (\$ in million)

Across our other regions of operation, specifically the North Sea, West Africa, the U.S. Gulf of Mexico and certain regions in Latin America, we have a more established presence and are focused on further penetrating our existing customer base by cross selling applicable product families to grow wallet share. We also believe our existing sales and distribution infrastructure will enhance our ability to acquire new customers within these regions.

New Product Development. New product development is a key part of our organic growth strategy. We seek to expand our addressable market by introducing new products to our portfolio. Once a new product has been commercialized, we believe that our global sales and distribution infrastructure enables us to scale and drive customer adoption quickly. We have an active pipeline of new initiatives across various stages of development.

Across the NAM market, we are pursuing various initiatives related to new product development, including specialty, high-margin products that complement our existing product families, among others. These products have applicability across various International and Offshore markets, and we will seek to leverage our global infrastructure and customer relationships to drive sales outside of the NAM market once full commercialization has been achieved.

Within the International and Offshore markets, we are in active conversations with IOCs and NOCs regarding several newly developed products for the global deepwater and offshore markets and we are optimistic that we will ultimately achieve commercialization. Historically, our customer collaborations have been a source of growth as they have allowed us to develop new products to meet customer needs and have provided us with an initial revenue base from which to scale market adoption. At the end of 2023, a significant portion of our new product development pipeline was oriented towards the International and Offshore markets.

Market driven growth. We see several trends in the NAM market increasing the demand for our products. We believe that the quality or productivity of acreage in the NAM market has deteriorated over the last several years. For example, Rystad Energy estimates that the average 30-day initial production (“IP”) per 1,000 feet of lateral length for a Permian Basin oil well declined by 14% from 103 barrels of oil per day in 2021 to 91 barrels of oil per day in 2023. As a result of E&P operators migrating from more productive “Tier 1” acreage to less productive “Tier 2” acreage, we believe that we will see an increase in the number of wells needing to be drilled if oil and natural gas production is to be held flat. Furthermore, as the recent cost to develop an oil well has increased due to service and product cost inflation, the 30-day IP per 1,000 feet of lateral length per \$1.0 million of well development cost has decreased by 39% from 17 barrels of oil per day in 2021 to 10 barrels of oil per day in 2023. We believe that these trends will increase demand for our products if more wells and greater spending per well are required to compensate for lost production.

Note: Well development costs include tangible drilling and completion costs and tangible costs.

We have also benefited from E&P operators’ focus on maximizing well productivity and return on investment through new technologies and operating efficiencies, including through drilling longer wellbore lateral lengths. For example, Rystad Energy estimates that the average lateral length for a U.S. well in the Permian Basin has increased from 6,785 feet in 2016 to 9,790 feet in 2023, representing a 44% increase. Rystad Energy expects this trend in well construction intensity to continue in the near term. As many of our products are consumed downhole, we believe a continuation in this trend will result in increased demand for our products on a per well basis.

Our Approach to Acquisitions

We view executing acquisitions as a core competency of Innovex, including our ability to integrate acquisitions by implementing a thoughtful and bespoke approach to consolidation.

Innovex was formed in 2016 through the combination of three consumable products companies with long operating histories, and we have complemented our organic growth profile with a disciplined acquisition strategy. These acquisitions have ranged in scope and size and have been the result of deliberate targeting and rigorous diligence processes. In 2018, we acquired Buckhorn Casing Equipment, LLC, which enhanced our existing Well Construction product offering in the Permian Basin. In 2019, we acquired QCI, a company that provided products used during the production phase of a well's lifecycle, in order to create a foothold in a new targeted area of our customers' spending. This acquisition formed the basis of our well production and intervention product group, which we have since supplemented with organic growth initiatives and product development. In 2021, we acquired Rubicon, a large internationally oriented business, to complement the international sales channels that we built organically. This acquisition accelerated our efforts to grow and balance our revenue towards some of the most active sources of global production, such as the Middle East, Latin America and Europe, among other regions. In 2021, we also acquired Applied Oil Tools, which complemented the product lines we acquired in the Rubicon acquisition. In 2022, we acquired Pride to fill a gap in our well production and intervention product group portfolio. The Pride acquisition has also led to material cross-selling opportunities. In May 2023, we acquired 20% of DWS. DWS manufactures and rents engineered downhole tools designed to improve the performance of directional and horizontal drilling operations. DWS has a strong presence in the NAM market and we believe DWS' product families have strong applicability in the International and Offshore markets. We plan to assist DWS in expanding into the International and Offshore markets by leveraging our global infrastructure and customer relationships. The terms of the acquisition will vary depending on whether the purchase option is exercised before September 30, 2024 (the "First Option Period"), or between October 1, 2024, and April 30, 2025 (the "Second Option Period"). If the purchase option is exercised during the First Option Period, the purchase price will be primarily fixed in nature, and if exercised during the Second Option Period the purchase price will be based on a multiple of DWS EBITDA for the trailing twelve-month period.

We manage a deliberate acquisition sourcing effort as a core part of our operations, at times cultivating priority targets over multiple years. Our global footprint allows us to review opportunities across both the NAM market and International and Offshore markets. We view our global infrastructure and customer relationships as key assets when evaluating acquisition targets as they represent established distribution channels through which we can sell additional products and technologies. We have developed a stringent investment framework through which we evaluate acquisition targets. From a qualitative perspective, we focus on acquisition targets that complement our existing business, provide products consistent with our *Big Impact, Small Ticket* value proposition and have a demonstrated competitive moat. We prioritize companies with products that are sold to

our existing customer base or alternatively can sell existing Innovex products to their customer base to reinforce and grow our market position. We favor acquisition targets operating at scale and prioritize businesses with a strong presence in International and Offshore markets or capacity to benefit from our global distribution channels. From a quantitative standpoint, we seek to transact with businesses that would be accretive to our margins, valuation or both metrics. We prioritize acquisition targets with a strong history of generating return on capital employed (“ROCE”) and that have a capital-light business model. We seek to maintain a conservative balance sheet and a strong liquidity position after executing any acquisition to preserve operational flexibility.

Innovex’s Acquisition Target Review Framework

<u>Qualitative Characteristics</u>	<u>Quantitative Characteristics</u>
<ul style="list-style-type: none">✓ Strategically complements our business✓ Products exhibit <i>Big Impact, Small Ticket</i> value proposition✓ Businesses with a competitive moat✓ Prioritize businesses operating at scale✓ Favor targets with a strong presence in International and Offshore markets or capacity to benefit from our global scales and distribution channels	<ul style="list-style-type: none">✓ Accretive to Innovex margins and/or valuation✓ Strong ROCE metrics✓ Capital-light business model✓ Utilize low amounts of leverage to complete a transition✓ Maintain a strong liquidity position post-closing

We have identified a rich opportunity set of acquisition targets that we believe are seeking to transact, including certain competitors seeking consolidation and some smaller peers seeking a broader footprint. We believe a number of these opportunities have been created by a decline in energy-focused private equity investments and financial sponsorships in the NAM market, which positions certain private companies without capital resources to grow or operate optimally throughout industry cycles. We have targeted several global businesses that possess technologies that are complementary to our product offerings and could increase our presence in markets where we may be underrepresented. We also have identified several single-product family acquisitions that could benefit from our global distribution and sales network. We aim to execute a disciplined acquisition strategy for high-quality opportunities that meet our stringent investment criteria. We believe access to public capital markets will further enhance our marketability as a consolidation platform for sellers seeking liquidity and could facilitate strategic, accretive and self-sourced acquisition opportunities.

Overview

Innovex designs, manufactures, sells and rents mission critical engineered products to the global oil and natural gas industry. Our vision has been to create a global leader in well-centric products and technologies through organic, customer-linked innovations and disciplined acquisitions to drive leading returns for our investors. Our products are used across the life cycle of the well (during the construction, completion, production and intervention phases) and are typically utilized downhole and consumable in nature. Our products perform a critical well function, and we believe they are chosen due to their reliability and capacity to save our customers time and lower costs during the well lifecycle. We believe that our products have a significant impact on a well's performance and economic profile relative to the price we charge, creating a "Big Impact, Small Ticket" value proposition. Many of our products can be used in a significant portion of our customers' wells globally, with our most advanced products providing mission critical solutions for some of the most challenging and complex wells in the world. We have a track record of developing proprietary products to address our customers' evolving needs, and we maintain an active pipeline of potential new products across various stages of development. Our business is high margin and capital-light, enabling us to generate strong returns on invested capital. We have a disciplined history of successfully sourcing and integrating strategic acquisitions.

We are a global company, and in 2023, we sold products in approximately 73 countries. The NAM market made up approximately 66% of our 2023 revenue while the International and Offshore markets constituted 34%. Within the NAM market, we have a strong presence in the United States and a growing presence in Canada. The NAM market is core to us, and we maintain a robust sales and distribution infrastructure across the region. Our products have broad applicability in this market, particularly for horizontal or unconventional wells that have become prevalent methods of oil and natural gas development across the region. We are focused on significantly increasing our revenue from the International and Offshore markets, as these regions are typically subject to long-cycle investment horizons and exhibit relatively less cyclicity than the NAM market. The Middle East,

and in particular Saudi Arabia, has been a key source of growth for Innovex and has become our largest International and Offshore market. We also operate across Latin America, Europe and the U.S. Gulf of Mexico, among other regions. To enhance our global reach, we have complemented our locations across these markets with a network of strategic distribution, sales and manufacturing partners.

We are an innovator and have a development process and culture focused on creating proprietary products for our customers. We seek to work with our customers to solve their operational challenges. We believe that these collaborations have been a source of growth as they have allowed us to develop new products with anchor customers that have served as an initial revenue base from which to scale. We have a unique culture that we view as having been critical to our success in the commercialization of new products. We define our culture as “*No Barriers*.” Our goal is to remove internal barriers that slow the pace of innovation and empower our employees to be responsive to our customers’ needs, while maintaining a focus on returns for the Company. As a result of our culture and our commitment to customer responsiveness, we believe that we are more agile and able to innovate faster than our larger competitors based on publicly available information.

Based on our TAM estimates, we believe that we have been successful in capturing market share across both of our geographic markets. In 2023, as compared to 2022, we estimate that we grew our NAM market share to 17% from 16%. Across the International and Offshore markets, we estimate our market share grew to 8% from 6% over the same time period. We believe that we are well positioned to continue to capture market share across both geographic markets and view the International and Offshore markets as a significant growth opportunity.

Our organic growth has been complemented by a disciplined and contrarian acquisition strategy. We view acquisitions as a core competency and have identified a rich opportunity set of acquisition targets that we believe are seeking to transact. We aim to execute a disciplined acquisition strategy for high-quality opportunities that meet our stringent investment criteria.

We have a broad customer base, ranging from the largest IOCs, NOCs, and E&P companies as well as multinational and regional oilfield service companies. Once a new product has been commercialized or acquired, our global sales and distribution infrastructure enables us to scale and drive customer adoption quickly.

We were formed in 2016 through the combination of three consumable products companies with long operating histories. Since our inception, we have achieved strong financial results. Our revenues have grown from approximately \$97.9 million in 2016 to \$555.5 million in 2023, a CAGR of approximately 28%.

Our business is high margin and capital-light, and has produced strong returns on invested capital. In 2023, our net income, operating profit and Adjusted EBITDA were equivalent to approximately 13%, 18% and 24% of revenue, respectively. Over the same period, capital expenditures accounted for only approximately 3% of revenue, and we earned approximately \$97.3 million in income from operations. For the three months ended March 31, 2024, our net income, operating profit and Adjusted EBITDA were equivalent to approximately 13%, 17% and 25% of revenue, respectively. Over the same period, capital expenditures accounted for only 1.9% of revenue, and we earned approximately \$22.3 million in income from operations. We believe that our global sales and distribution network, as well as our manufacturing capacity and vendor network, position us well to drive revenue growth and margin expansion. Please see “—*How Innovex Evaluates its Results of Operations*” and “—*Non-GAAP Financial Measures*” within this section for the definitions of Adjusted EBITDA and Adjusted EBITDA Margin and a reconciliation of Adjusted EBITDA and Adjusted EBITDA Margin to our most directly comparable financial measures calculated and presented in accordance with GAAP.

We believe that we can create value for our stockholders across the industry cycle and view our “through-cycle playbook” as providing a plan for us to outperform in all market environments. We prioritize protecting the long-term health of the Company through investments in R&D and sustaining engineering in our existing portfolio in all market environments. We seek to maintain a conservative balance sheet to preserve operational and financial flexibility through the industry cycle.

Market Factors and Trends

Our business is driven by the number of oil and natural gas wells drilled worldwide, which, in turn, is tied to the level of global spending of the oil and natural gas E&P industry. Rystad Energy expects, based on the January 2024 and 2025 pricing assumptions of \$85 per barrel for Brent crude oil discussed herein, global E&P capital spending, excluding Russia and China, to increase 22% from approximately \$211 billion in 2022 to approximately \$259 billion in 2025. Rystad Energy also estimates that the annual number of global wells drilled, excluding Russia and China, will increase 6% from approximately 34,000 in 2022 to approximately 36,200 in 2025, which we expect will lead to additional revenue opportunities for our business. As a result, the average E&P capex spending per well is expected to increase, a trend that would increase the TAM of our business, all else held equal. The pace of development activity is driven by expected well profitability and returns, which, in turn, are influenced by several factors, including current global oil and natural gas supply and demand balances, current and expected future prices for oil and natural gas and the perceived stability and sustainability of these commodity prices over time.

The oil and natural gas industry has historically been characterized by volatility in commodity prices and in the level of drilling and production activity, which are driven by a variety of market forces. After a decline due to the COVID-19 pandemic, the global demand for oil and natural gas recovered to near pre-COVID levels by the fourth quarter of 2021. As a result, demand for our products and services improved, resulting in increased revenue for us. It is estimated that total hydrocarbon demand will increase modestly over the medium-term.

We believe that the outlook for oil and natural gas development activity and prices remains positive. Multiple years of under investment in oil and natural gas development has left the industry with a limited amount of spare production capacity. Additionally, public E&P operators have adopted a more conservative approach to capital spending in response to stockholders' desire for increased return of capital. We believe that these factors have laid a foundation to support oil and natural gas prices and will lead to a sustained spending cycle and increased activity levels by our customers in the near and medium-term.

We believe that the current low levels of E&P capital spending are not sustainable and that the E&P industry will require more capital investment in order to increase production capacity and meet near and long-term demand for oil and natural gas.

Description of Certain Components of Financial Data

Revenues

We generate our revenue from three primary sources: sales of consumable, single-use products and other associated revenues with product sales, such as freight ("Consumable Product Sales"); rentals of proprietary tools that are used to deploy our consumable products or to provide a critical well function ("Proprietary Rental Tools"); and services that are typically connected to the well-site deployment of our engineered products ("Product Connected Services"). We have global operations, with sales generated within both our NAM market operations and our International and Offshore markets.

Cost of sales

Our cost of sales consists of expenses relating to the manufacture and procurement of our products in addition to the costs of our support services. Cost of sales related to manufacturing and procurement of our products includes the cost of components sourced from third-party suppliers and direct and indirect costs to manufacture and supply products, including labor, materials, machine time, lease expense related to our manufacturing facilities, freight and other variable manufacturing costs, such as shrinkage, obsolescence variances and revaluation or scrap related to our existing inventory. Our support services costs include personnel expenses for our field service organization, lease expense related to our operations facilities, threading charges, vehicle expenses and freight.

Selling, general and administrative expense

Selling, general and administrative expense consists of costs such as sales and marketing, engineering and R&D expenses, general corporate overhead, compensation expense, IT expenses, safety and environmental expenses, insurance costs, legal expenses and other related administrative functions.

(Gain)/loss on sale of assets

(Gain)/loss on sale of assets represents profit recognized on the sale of property and equipment, net.

Depreciation and amortization

Depreciation and amortization expense consists of depreciation related to our tangible assets, including investments in property and equipment, and amortization of intangible assets, including identified intangible assets related to acquisition purchase price accounting.

Interest expense

Interest expense, net primarily consists of interest expense associated with the Term Loan and the Credit Facility (each as defined herein).

Equity method earnings

Equity method earnings consist of our proportional share of the earnings of our equity method investee, DWS, acquired on May 1, 2023 along with the associated amortization of our proportional share of the step up in fair value of the intangible assets acquired.

Other (income) expense, net

Total other expense, net consists of foreign exchange gain or loss and other non-operating items.

Income tax expense

We are subject to income taxes in both the United States and foreign jurisdictions in which we operate. Differences between our effective tax rate and the U.S. federal statutory tax rate are primarily due to state taxes, foreign jurisdiction rate differences, permanent differences between book and tax income and changes in the valuation allowance.

How Innovex Evaluates its Results of Operations

We use a variety of financial and operating metrics to analyze our performance. These metrics are significant factors in assessing our results of operations and profitability and include:

- ***Revenues.*** Our revenues are generated from Consumable Product Sales, Proprietary Rental Tools and Product Connected Services related to the utilization of our products. One of our measures of financial performance is the amount of revenue generated quarterly and annually as revenue is an indicator of overall business growth for the Company.
- ***Operating Income.*** We track operating income on an absolute dollar basis and as a percentage of revenue. One of our measures of financial performance is the amount of operating income generated quarterly and annually, as operating income is an indicator of profit derived from our core business operations.

- **Net Income.** We track net income on an absolute dollar basis and as a percentage of revenue. One of our measures of financial performance is the amount of net income generated quarterly and annually, as net income is an indicator of overall profitability of the Company.
- **Adjusted EBITDA.** Management uses Adjusted EBITDA (a non-GAAP measure) to assess the profitability of our business operations and to compare our operating performance to our competitors without regard to the impact of financing methods and capital structure and excluding costs that management believes do not reflect our ongoing operating performance.

We track Adjusted EBITDA on an absolute dollar basis and as a percentage of revenue, which we refer to as Adjusted EBITDA Margin. We define Adjusted EBITDA as net income before interest expense, income tax expense, depreciation and amortization, (gain)/loss on sale of assets and other expense, net, further adjusted to exclude certain items which we believe are not reflective of our ongoing performance or which are non-cash in nature. For a reconciliation of Adjusted EBITDA to net income, the most directly comparable GAAP measure, see “Non-GAAP Financial Measures” below.
- **Free Cash Flow.** We also utilize Free Cash Flow (a non-GAAP measure) to evaluate the cash generated by our operations and results of operations. We define Free Cash Flow as net cash provided by operating activities less capital expenditures, as presented in our Consolidated Statements of Cash Flows. Management believes Free Cash Flow is useful because it demonstrates the cash that was available in the period that was in excess of our needs to fund our capital expenditures. We track Free Cash Flow both on an absolute dollar basis and as a percentage of revenue. Free Cash Flow does not represent our residual cash flow available for discretionary expenditures, as we have non-discretionary expenditures, including, but not limited to, principal payments required under the terms of our Credit Facility, which are not deducted in calculating Free Cash Flow. For a reconciliation of Free Cash Flow to net cash (used in) operating activities, the most directly comparable GAAP measure, see “Non-GAAP Financial Measures” below.

Adjusted EBITDA and Free Cash Flow do not represent and should not be considered alternatives to, or more meaningful than, net income and cash flows provided by operating activities or any other measure of financial performance presented in accordance with GAAP as measures of our financial performance. Our computation of Adjusted EBITDA and Free Cash Flow may differ from computations of similarly titled measures of other companies. For a reconciliation of these non-GAAP measures to the most directly comparable GAAP measure, see “Non-GAAP Financial Measures” below.

Factors Affecting the Comparability of Innovex’s Results of Operations

Our historical financial condition and results of operations for the periods presented may not be comparable, either from period to period or going forward, for the following reasons:

- **Public Company Expenses.** We have incurred additional selling, general and administrative expenses as a result of preparing to become a publicly traded company. In September 2023, we filed a Registration Statement on Form S-1 in anticipation of our initial public offering (“IPO”). In April 2024, in light of the mergers, we filed a request to withdraw the Registration Statement on Form S-1 and are no longer pursuing an IPO. These costs include expenses associated with our annual and quarterly reporting, Sarbanes-Oxley Act compliance expenses, audit fees, legal fees, director and officer insurance, director compensation, national stock exchange fees, investor relations expenses, and other related fees.
- **Recent and Future Acquisitions.** One way in which we have grown, and will continue to grow, our operations and financial results is through strategic acquisitions. For example, in 2019, we acquired QCI, a company that provided products used during the production phase of a well’s lifecycle. Further, in March 2021, we acquired Rubicon, a large internationally oriented business, to complement the

international sales channels we had built organically. In addition, in August 2022, we acquired Pride, a company that complemented our well production and intervention product group. In May 2023, we acquired 20% of DWS, a company that manufactures and rents engineered downhole tools designed to improve the performance of directional and horizontal drilling operations. Finally, in March 2024, the Company entered into the merger agreement with Dril-Quip. As a general matter, following an acquisition, our results of operations are affected by the results of the newly acquired business or operations, the purchase accounting for the acquisition, any debt incurred in connection with the acquisition and expenditures made to integrate the newly acquired business or operations. As a result of our acquisitions and the consolidation of our operating subsidiaries' into the Company's financial results, the periods presented in our historical financial statements may not be comparable to one another and our future results of operations and financial results may differ.

Three Months Ended March 31, 2024 Compared to Three Months Ended March 31, 2023

Revenues. The Company generates revenue from Consumable Product Sales, Proprietary Rental Tools and Product Connected Services. Consumable Product Sales revenue for the three months ended March 31, 2024 was \$107.0 million, a decrease of \$(5.7) million, or (5)%, from \$112.7 million for the three months ended March 31, 2023. Proprietary Rental Tools revenue for the three months ended March 31, 2024 was \$7.1 million, an increase of \$0.2 million, or 3%, from \$6.9 million for the three months ended March 31, 2023. Product Connected Service revenue for the three months ended March 31, 2024 was \$14.0 million, a decrease of \$(1.9) million, or (12)%, from \$15.9 million for the three months ended March 31, 2023.

Our products and services are used across the well construction, well completion and well production and intervention phases of our customers' wells, with Consumable Product Sales making up the vast majority of revenue within each well lifecycle phase. Well construction represented 39% of revenue for the three months

ended March 31, 2024 as compared to 40% for three months ended March 31, 2023, well completion represented 30% of revenue for the three months ended March 31, 2024 as compared to 31% of revenue for the three months ended March 31, 2023, and well production and intervention represented 31% of revenue for the three months ended March 31, 2024 as compared to 29% of revenue for the three months ended March 31, 2023.

Our NAM market revenue decreased from \$93.4 million for the three months ended March 31, 2023 to \$80.9 million for the three months ended March 31, 2024, a decrease of \$(12.5) million or (13)%, primarily attributable to a decrease in drilling activity in North America due to a decrease in the North America Land Rig Count during the comparative periods. Our International and Offshore market revenue grew from \$42.3 million for the three months ended March 31, 2023 to \$47.1 million for the three months ended March 31, 2024, an increase of \$4.8 million or 11%, primarily attributable to increased demand for our products and services and increased market share.

Cost of Sales, Exclusive of Depreciation and Amortization. Total cost of sales for the three months ended March 31, 2024 was \$78.9 million, a decrease of \$(10.6) million, or (12)%, from \$89.5 million for the three months ended March 31, 2023. The decrease was primarily attributable to a \$4.1 million decrease in product cost of goods sold as a result of the decreased procurement and manufacture of supplies and products due to the decrease in revenues described above as well as a decrease of \$2.0 million in our inventory reserve expense due to improved inventory management and disposal of obsolete inventory throughout 2023. The change is also due to a decrease in personnel costs of \$1.6 million due to decreased activity levels and a decrease of \$1.9 million in manufacturing absorption at our manufacturing facilities along with a reduction in other supplies and manufacturing costs.

Selling, General and Administrative Expenses. Selling, general and administrative expense for the three months ended March 31, 2024 was \$22.1 million, an increase of \$3.6 million, or 19%, from \$18.5 million for the three months ended March 31, 2023. The increase was primarily attributable to a \$2.3 million increase in attorneys fees in connection with our S-1 filings related to the IPO. The increase is also partly due to an increase in personnel expenses of \$1.9 million in preparation for our transition to becoming a public company, offset by a reduction in other miscellaneous expenses.

(Gain)/loss on sale of assets. (Gain)/loss on sale of assets for the three months ended March 31, 2024 and 2023 was \$(0.1) million for both periods due to a comparable level of property and equipment sales activity.

Depreciation and Amortization. Total depreciation and amortization expense for the three months ended March 31, 2024 was \$4.8 million, a decrease of \$(0.6) million, or (11)%, from \$5.4 million for the three months ended March 31, 2023. The decrease in depreciation and amortization was primarily due to changes in the short-lived rental tool depreciation.

Interest Expense, Net. Total interest expense, net for the three months ended March 31, 2024 was \$0.7 million, a decrease of \$(0.6) million, or (46)%, from \$1.3 million for the three months ended March 31, 2023. The decrease was primarily due to higher average debt balances outstanding during 2023 due to the acquisition of Pride in August of 2022, the acquisition of a 20% interest in DWS in May of 2023, and the overall continual paydown of our debt through the generation of operational cash flows throughout 2023 and for the three months ended March 31, 2024.

Other (Income) Expense, Net. Total other (income) expense, net for the three months ended March 31, 2024 was \$0.5 million, a decrease of \$(0.2) million, or (29)%, from \$0.7 million for the three months ended March 31, 2023, this change being primarily driven by a gain on lease termination of \$0.2 million recognized during the three months ended March 31, 2024.

Equity Method Earnings Equity method earnings consist of the net earnings of our equity method investee, DWS, acquired on May 1, 2023, along with the amortization of our proportional ownership interest in the step up of the fair value of the intangible assets acquired. Total equity method earnings, excluding the amortization of the

step up in fair value, for the three months ended March 31, 2024 and 2023 were \$0.9 million and zero, respectively. The amortization of the step up in the fair value of the intangible assets acquired for the three months ended March 31, 2024 and 2023 were \$0.4 million and zero, respectively.

Income Tax Expense. Our operations are subject to U.S. federal income tax at an entity level, as well as various state income and franchise taxes. In addition, our operations located in international jurisdictions are subject to local country income taxes. Income tax expense for the three months ended March 31, 2024 was \$5.1 million, an increase of \$4.2 million, or 467%, from \$0.9 million for the three months ended March 31, 2023. The increase was primarily driven by changes in prior year accruals discrete to the period ended March 31, 2024 and by increased profits, as income before income taxes for the three months ended March 31, 2024 was \$21.5 million, an increase of \$1.1 million, or 5%, from \$20.4 million for the three months ended March 31, 2023.

Net Income. Net income for the three months ended March 31, 2024 was \$16.4 million, a decrease of \$(3.1) million, or (16)%, from net income of \$19.5 million for the three months ended March 31, 2023, primarily as a result of the factors discussed above.

Year Ended December 31, 2023 Compared to Year Ended December 31, 2022

Proprietary Rental Tools revenue for the year ended December 31, 2023 was \$31.3 million, a decrease of \$(0.4) million, or (1)%, from \$31.7 million for the year ended December 31, 2022. Product Connected Service revenue for the year ended December 31, 2023 was \$63.4 million, an increase of \$29.9 million, or 89%, from \$33.5 million for the year ended December 31, 2022.

Our products and services are used across the well construction, well completion and well production and intervention phases of our customers' wells, with Consumable Product Sales making up the vast majority of revenue within each well lifecycle phase. We experienced revenue growth across all three well lifecycle phases during 2023 as our customers drilled, completed and brought on to production more wells. Well construction represented 40% of revenue in 2023 as compared to 44% of 2022 revenue, well completion represented 30% of 2023 revenue as compared to 32% of 2022 revenue, and well production and intervention represented 29% of 2023 revenue as compared to 24% of 2022 revenue.

Our NAM market revenue grew from \$329.7 million in 2022 to \$366.1 million in 2023, an increase of \$36.4 million or 11%, primarily attributable to an increase in demand, along with additional revenue from the product and services offerings acquired in our Pride acquisition. Our International and Offshore market revenue grew from \$137.4 million in 2022 to \$189.4 million in 2023, an increase of \$52.0 million or 38%, primarily attributable to increased demand for our products and services.

Cost of Sales, Exclusive of Depreciation and Amortization. Total cost of sales for the year ended December 31, 2023 was \$360.4 million, an increase of \$50.4 million, or 16%, from \$310.0 million for the year ended December 31, 2022. The increase was primarily attributable to a \$27.1 million increase in product cost of goods sold as a result of the procurement and manufacture of supplies and products necessary to support the growth in revenues described above as well as a \$25.2 million increase in expenses related to increased headcount necessary to support these increased activity levels. Other cost of goods sold related to our operations increased \$4.6 million driven primarily by increases in variable costs such as supplies and travel expense linked to higher activity levels, offset by an increase of \$6.6 million in manufacturing absorption at our manufacturing facilities.

Selling, General and Administrative Expenses. Selling, general and administrative expense for the year ended December 31, 2023 was \$75.1 million, an increase of \$13.0 million, or 21%, from \$62.1 million for the

year ended December 31, 2022. The increase was primarily attributable to a \$7.8 million increase in personnel costs and a \$1.7 million increase in professional service costs necessary to support growth and in preparation for our transition to becoming a public company, along with a \$1.9 million increase in credit losses due to increased revenues as described above.

(Gain)/loss on sale of assets. (Gain)/loss on sale of assets for the year ended December 31, 2023 was \$0.1 million, a decrease of \$(0.6) million, or 85%, from \$0.7 million for the year ended December 31, 2022. The decrease was primarily attributable to disposals in the US during 2022 as compared to 2023.

Depreciation and Amortization. Total depreciation and amortization expense for the year ended December 31, 2023 was \$22.7 million, an increase of \$4.2 million, or 23%, from \$18.5 million for the year ended December 31, 2022. The increase in depreciation and amortization was primarily due to an increase in fixed asset additions, along with an increase in intangible amortization expense related to the Pride acquisition of \$1.6 million.

Interest Expense, Net. Total interest expense, net for the year ended December 31, 2023 was \$5.5 million, an increase of \$1.5 million, or 36%, from \$4.0 million for the year ended December 31, 2022. The increase was primarily due to higher average debt balances outstanding during 2023 due to the acquisition of Pride in August of 2022, the acquisition of a 20% interest in DWS in May of 2023, and increased working capital requirements during the period, along with an increase due to higher overall interest rates on both our Revolver (as defined herein) and our Term Loan.

Other (Income) Expense, Net. Total other (income) expense, net for the year ended December 31, 2023 was \$0.4 million, a decrease of \$(1.5) million, or (136)%, from \$(1.1) million for the year ended December 31, 2022, primarily driven by a 2022 decrease in the foreign currency exchange gains of \$0.7 million between the periods and other non-operating items.

Equity method earnings. Equity method earnings consist of the net earnings of our equity method investee, DWS, acquired on May 1, 2023, along with the amortization of our proportional ownership interest in the step up of the fair value of the intangible assets acquired. Total Equity method earnings, excluding the amortization of the step up in fair value, for the years ended December 31, 2023 and 2022 were \$3.9 million and zero, respectively. The amortization of the step up in the fair value of the intangible assets acquired for the years ended December 31, 2023 and 2022 was \$0.9 million and zero, respectively.

Income Tax Expense. Our operations are subject to U.S. federal income tax at an entity level, as well as various state and franchise taxes. In addition, our operations located in international jurisdictions are subject to local country income taxes. Income tax expense for the year ended December 31, 2023 was \$20.4 million, an increase of \$10.7 million, or 110%, from \$9.7 million for the year ended December 31, 2022. The increase is primarily driven by increased profits as income before income taxes for the year ended December 31, 2023 was \$94.4 million, an increase of \$21.5 million, or 29%, from \$72.9 million for the year ended December 31, 2022, and the effect of an \$8.5 million tax benefit related to a deferred tax asset valuation allowance release which decreased our effective tax rate during 2022.

Net Income. Net income for the year ended December 31, 2023 was \$73.9 million, an increase of \$10.6 million, or 17%, from net income of \$63.3 million for the year ended December 31, 2022, primarily as a result of the factors discussed above.

Liquidity and Capital Resources

Our primary sources of liquidity are our existing cash, cash provided by operating activities, and borrowings under the Credit Facility. As of March 31, 2024, we had cash and restricted cash of \$7.6 million and availability under the Revolver of \$75.0 million. Our total indebtedness was \$43.2 million as of March 31, 2024.

Our principal liquidity needs have been, and are expected to continue to be, working capital, capital expenditures, debt service and potential mergers and acquisitions. Historically capital expenditures have been relatively modest, with working capital being the predominant use of cash for the Company during periods of growth. We continuously evaluate our capital expenditures, and the amount we ultimately spend will depend on a number of factors, including, among other things, prevailing economic conditions, market conditions in the oil and natural gas industry, customers' forecasts, demand volatility and company initiatives.

We have certain obligations related to debt maturities, finance leases and operating leases. As of December 31, 2023, we have \$14.2 million of minimum non-cancelable lease obligations during 2024, comprised of \$5.3 million of finance lease maturities and \$8.9 million of non-cancelable operating lease obligations. For the periods after 2024, we have an additional \$38.1 million of minimum non-cancelable lease obligations comprised of \$5.6 million of finance lease maturities and \$32.5 million of operating lease obligations. As of December 31, 2023, interest rates on our lease obligations range from 0.86% -7.79%. As of March 31, 2024, we have \$14.6 million of minimum non-cancelable lease obligations for the twelve months following March 31, 2024, comprised of \$6.0 million of finance lease maturities and \$8.6 million of operating lease obligations. We have an additional \$36.7 million of minimum non-cancelable lease obligations for the periods after March 31, 2025, comprised of \$6.2 million of finance lease maturities and \$30.5 million of non-cancelable operating lease obligations. As of March 31, 2024, interest rates on our lease obligations range from 2.08% -7.79%. In addition, as of December 31, 2023, we have \$5.0 million of debt maturities during 2024 comprised of \$5.0 million of required amortization payments on our Term Loan (as defined herein). For the periods after 2024, for our Term Loan, we have an additional \$12.7 million of debt maturities representing the remaining balance on our Term Loan. As of March 31, 2024, we have \$5.0 million of debt maturities over the next twelve months comprised of \$5.0 million of required amortization payments on our Term Loan. For the periods after March 31, 2025, for our Term Loan, we have an additional \$11.5 million of debt maturities representing the remaining balance on our Term Loan. Any outstanding balances under our Revolver would become due and payable during 2026. Interest on the Subordinated Notes was fixed at 7.50%. For the three months ended March 31, 2024 and 2023, the Company's effective interest rate on the Term Loan was approximately 8.60% and 6.71%, respectively, and the effective interest rate on the Revolver was approximately 8.52% and 8.18%, respectively. For the years ended December 31, 2023 and December 31, 2022, the Company's effective interest rate on the Term Loan was approximately 7.61% and 4.79%, respectively, and the effective interest rate on the Revolver was approximately 9.56% and 7.28%, respectively. In December 2023, we paid off all outstanding principal and accrued interest on the Subordinated Notes. See "Note 9—Debt" to our consolidated financial statements included elsewhere in this proxy statement/prospectus for additional information.

We believe that our existing cash on hand, cash generated from operations and available capacity under the Revolver will be sufficient to meet our liquidity needs in the short-and long-term. Our ability to satisfy our liquidity requirements depends on our future operating performance, which is affected by prevailing economic conditions, market conditions in the oil and natural gas industry, availability and cost of raw materials. and other factors, many of which are beyond our control.

Three Months Ended March 31, 2024 Compared to Three Months Ended March 31, 2023

Net cash provided by operating activities was \$12.6 million and \$8.2 million for the three months ended March 31, 2024 and 2023, respectively. The increase in cash provided by operations for the three months ended March 31, 2024 as compared to the three months ended March 31, 2023 was primarily driven by an increase in Earnings before Income Taxes of \$1.1 million, with the changes in income tax expense, net primarily due to items that do not affect cash during the periods being reported, such as discrete prior period adjustments, \$1.1 million of dividends received during the three months ended March 31, 2024 from our equity method investment, DWS, along with a \$0.7 million reduction in the use of cash related to working capital items.

Net cash used in investing activities was \$(2.2) million and \$(1.8) million for the three months ended March 31, 2024 and 2023, respectively. The slight increase in cash used in investing activities was due to an increase of capital expenditures of \$0.4 million necessary to support the growth of our business.

Net cash used in financing activities was \$(10.3) million and \$(7.3) million for the three months ended March 31, 2024 and 2023, respectively. The \$3.0 million increase in cash used in financing activities is primarily related to net repayment activity under our Credit Agreement of \$7.2 million for the three months ended March 31, 2024 as compared to \$5.3 million for the three months ended March 31, 2023, a net change of \$1.9 million. The company has utilized the cash generated from operating activities to make repayments on the credit facility during both the three months ended March 31, 2024 and March 31, 2023.

Year Ended December 31, 2023 Compared to Year Ended December 31, 2022

Net cash provided by (used in) operating activities was \$75.9 million and \$(5.8) million for the years ended December 31, 2023 and 2022, respectively. The change in cash provided by (used in) operations for the years ended December 31, 2023 and December 31, 2022 was primarily driven by an increase in net income of \$10.6 million, along with a \$63.8 million reduction in the use of cash related to working capital items, including a \$42.8 million decrease in the use of cash due to changes in the accounts receivable balances and a \$39.7 million decrease in the growth of inventory balances, offset by other working capital changes, as higher levels of growth in working capital balances were required during the year ended December 31, 2022 to support the higher level of growth in business activity during that period.

Net cash (used in) investing activities was \$(32.4) million and \$(37.5) million for the years ended December 31, 2023 and 2022, respectively. The reduction in cash used in investing activities was due to a reduction of \$10.6 million in cash payments for acquisitions, including DWS, net of cash acquired, as the amount of cash used for the Pride acquisition occurring during the year ended December 31, 2022 was more than the amount of cash used for the DWS acquisition occurring during the year ended December 31, 2023. The reduction in cash payments for acquisitions, net of cash acquired, was offset by an increase of \$5.9 million in capital expenditures necessary to support increased operations during the year ended December 31, 2023 as compared to the year ended December 31, 2022.

Net cash provided by (used in) financing activities was \$(44.6) million and \$42.3 million for the year ended December 31, 2023 and 2022, respectively. The \$86.9 million increase in cash used in financing activities is primarily related to net borrowing (repayment) activity under our Credit Agreement of \$(23.8) million for the year ended December 31, 2023 as compared to \$30.5 million for the year ended December 31, 2022, a net change of \$54.3 million. In addition, the change is also related to the payoff of our Subordinated Notes, resulting in cash used in financing activities of \$11.9 million in 2023. Repayments made under our Credit Agreement and on our Subordinated Notes during the year ended December 31, 2023 were due to our increased cash flow provided by operating activities. The borrowings made under our Credit Agreement during the year ended December 31, 2022 were used primarily to fund both the \$28.9 million cash portion of the Pride acquisition, net of cash acquired, as well as the growth in net working capital as described above.

Credit Agreement

Innovex, Tercel Oilfield Products USA L.L.C., Top-Co Inc. and Pride (collectively, the “Borrowers”) entered into the Second Amended and Restated Revolving Credit, Term Loan, Guaranty and Security Agreement in June 2022 (as amended in November 2022, April 2023 and December 2023, the “Credit Agreement”), with PNC Bank, National Association, as agent, and the lenders party thereto. The Credit Agreement provides for (i)(x) a term loan tranche in a principal amount of the lesser of \$25.0 million and a certain amount determined based, in part, on appraised values of certain assets of Innovex and certain of its subsidiaries and (y) an additional term loan in a principal amount of approximately \$4.9 million, which was outstanding under the prior credit agreement (collectively, the “Term Loan”) and (ii) a revolving credit facility of up to \$110.0 million with a \$5.0 million sublimit for letters of credit and a \$11.0 million swing loan (collectively, the “Revolver” and, together with the Term Loan, the “Credit Facility”).

The Credit Facility matures on June 10, 2026. The Term Loan is amortized in an amount equal to \$1.25 million each quarter. Amounts borrowed under the Credit Facility are subject to an interest rate per annum equal to, at the Company’s option, either (a) an alternate base rate determined as the highest of (i) the base commercial lending rate of PNC Bank, National Association, (ii) the overnight federal funds rate (subject to a 0% floor) plus 0.5% and (iii) Daily Simple SOFR (as defined in the Credit Agreement) plus 1% (such base rate to be subject to a 0% floor) or (b) the forward-looking term rate based on the secured overnight financing rate (“SOFR”) divided by a number equal to 1.00 minus any SOFR reserve percentage (such term rate to be subject to a 0% floor), plus, in each case of clauses (a) and (b) above, an applicable margin of 0.75% for swing loans and alternate base rate revolving loans, 1.75% for term SOFR revolving loans, 1.00% for alternate base rate term loans and 2.00% for term SOFR term loans. Interest is payable monthly for alternate base rate loans and at the end of the applicable interest period for term SOFR loans (or quarterly if the applicable interest period is longer than three months).

In addition to paying interest on outstanding borrowings under the Credit Facility, the Company is required to pay a quarterly commitment fee to the lenders under the Credit Agreement equal to 0.25% per annum on the amount by which \$110.0 million exceeds the daily unpaid balance of the Revolver on any day.

The Credit Facility is secured by liens on substantially all of the assets of the Borrowers and certain future subsidiaries of Innovex and guarantees from certain future subsidiaries of Innovex. The Credit Facility requires the Borrowers to make mandatory prepayments on the outstanding amount of (i) the Term Loan in an amount equal to 25% of excess cash flow for each fiscal year, (ii) the Credit Facility if Borrowers issue debt other than certain permitted debt and (iii) the Term Loan and/or the Revolver if the Borrowers issue equity interests the proceeds of which are not used for certain purposes.

The Credit Agreement contains restrictive covenants that may limit our ability to, among other things, incur additional indebtedness, guarantee obligations, incur liens, make investments, loans or capital expenditures, sell or dispose of assets, enter into mergers or consolidations, enter into transactions with affiliates, or make or declare dividends. The Credit Agreement also requires the Borrowers to maintain as of the last day of each fiscal quarter, a total leverage ratio of not more than 2.50 to 1.00 for the four-quarter period then ending as long as the Term Loan is outstanding. In addition, the Credit Facility contains a springing covenant that requires the Borrowers to maintain, as of the last day of each fiscal quarter, a fixed charge coverage ratio of not less than 1.10 to 1.00 for the four quarter period then ending if (i) an event of default occurs and is continuing or (ii) the lesser of (x) the undrawn availability of the Revolver and (y) a certain amount determined based, in part, on appraised values of certain assets of Innovex and certain of its subsidiaries, is less than 20% of \$110.0 million plus any increases to the maximum principal amount of the Revolver in accordance with the terms of the Credit Agreement. As of December 31, 2023, we were in compliance with all covenants under the Credit Facility.

If an event of default exists under the Credit Agreement, the lenders will be able to accelerate the maturity of the Credit Facility and exercise other rights and remedies. An event of default includes, among other things,

the nonpayment of principal, interest, fees or other amounts, the failure of any representation or warranty to be correct when made or deemed made in all material respects, the failure to perform or observe covenants in the Credit Agreement or other loan documents, subject, in limited circumstances, to certain grace periods, a cross-default to certain other indebtedness if the effect of such default is to cause, or permit the holders of such indebtedness to cause, the acceleration of such indebtedness, the occurrence of bankruptcy or insolvency events, the rendering of material monetary judgments, the invalidity of any guaranty, security agreement or pledge agreement and the occurrence of a Change of Control (as defined in the Credit Agreement).

In December 2023, the Company entered into the Third Amendment to the Second A&R Credit Agreement (the “Third Amendment”), in which the lenders consented and agreed to the repayment in full of the Subordinated Notes prior to the maturity date. As of March 31, 2024 and March 31, 2023, we had \$16.5 million and \$21.9 million, respectively, of borrowings outstanding under the Term Loan, and \$16.0 million, and \$41.7 million, respectively, of borrowings under the Revolver. As of December 31, 2023 and December 31, 2022, we had \$17.7 million and \$23.1 million, respectively, of borrowings outstanding under the Term Loan, and \$23.2 million and \$47.0 million, respectively, of borrowings outstanding under the Revolver.

The consummation of the transactions contemplated by the merger agreement will constitute a Change of Control (as defined in the Credit Agreement). Innovex intends to enter into the Fourth Amendment to the Credit Agreement to permit the transactions contemplated by the merger agreement and a cash dividend to be declared to the holders of Innovex’s common stock as of a record date on or prior to the closing date, which, in the aggregate, will not exceed \$75 million.

Subordinated Notes

On June 10, 2019, in conjunction with multiple acquisitions, the Company issued subordinated notes totaling approximately \$11.9 million (collectively, the “Subordinated Notes”) payable to the sellers as part of the consideration paid by the Company for the acquired assets. In connection with the December 2023 Third Amendment to the Credit Agreement, the lenders consented and agreed to the repayment in full of the Subordinated Notes prior to the maturity date notwithstanding anything to the contrary in the Subordination Agreements, and each such Subordinated Note was repaid in full in December 2023.

- (1) Primarily represents foreign currency exchange gain/loss, gain/loss on lease terminations, and other non-operating items.
- (2) Reflects the elimination of our percentage of interest expense, depreciation, amortization and other non-recurring expenses included within Equity method earnings relating to our unconsolidated investment in DWS.
- (3) Reflects legal, consulting and accounting fees and expenses related to IPO preparation.
- (4) For the three months ended March 31, 2024, transaction related expenses consisted of legal and accounting advisory fees associated with the merger with Dril-Quip. For the year ended December 31, 2023 and the three months ended March 31, 2023, transaction related expenses of \$1.1 million and \$0.2 million, respectively, consisted of legal and accounting advisory fees associated with the acquisition of our ownership interest in DWS. For the year ended December 31, 2022, transaction related expenses of \$0.5 million consisted of legal and accounting advisory fees associated with the Pride acquisition. These transaction expenses are one-time in nature and expenses that we do not view as normal operating expenses necessary to operate our business.
- (5) For the three months ended March 31, 2024 and the year ended December 31, 2023, acquisition integration expenses were \$0.4 million and \$1.6 million, respectively, primarily consisting of facility shut-down and integration costs for Rubicon facilities after the acquisition. For the year ended December 31, 2022, acquisition integration expenses were \$3.4 million, primarily consisting of \$1.3 million in facility shut-down and integration costs for Rubicon facilities after the acquisition and \$1.0 million of impairment charges to a facility as a result of integrating QCI after the acquisition. The remaining expenses are related to multiple immaterial integration fees for the Rubicon and Pride acquisitions. These acquisition integration expenses are one time in nature and expenses that we do not view as normal operating expenses necessary to operate our business.

Adjusted EBITDA for the three months ended March 31, 2024 was \$32.5 million, an increase of \$3.0 million, or 10%, from \$29.5 million for the three months ended March 31, 2023. Although Net Income was lower for the comparative periods, this was more than offset by the add back of Interest expense, net, Income tax expense, and depreciation and amortization expenses, with changes in these amounts discussed in the section "Results of Operations." We also expensed \$3.0 million of IPO preparation fees during the three months ended March 31, 2024 in connection with the filing and preparation of our Form S-1 and S-1/A in January of 2024.

Adjusted EBITDA for the year ended December 31, 2023 was \$131.9 million, an increase of \$29.8 million, or 29%, from \$102.1 million for the year ended December 31, 2022. The primary reason for the increase was higher net income primarily attributable to the impact of acquisitions, increased demand for our products and services and improved operating leverage.

Free Cash Flow

The following table presents a reconciliation of the GAAP financial measure of net cash provided by (used in) operating activities to Free Cash Flow for each of the periods indicated:

(in thousands)	Three Months Ended March 31,				Year Ended December 31,			
	2024	2023	\$ Change	% Change	2023	2022	\$ Change	% Change
Net cash provided by (used in) operating activities	\$ 12,605	\$ 8,247	\$ 4,358	53%	\$ 75,864	\$ (5,811)	\$ 81,675	(1406)%
Capital Expenditures	(2,422)	(1,990)	(432)	22%	(15,487)	(9,575)	(5,912)	62%
Free Cash Flow	\$ 10,183	\$ 6,257	\$ 3,926	63%	\$ 60,377	\$(15,386)	\$ 75,763	(492)%

Free Cash Flow for the three months ended March 31, 2024 was \$10.2 million, an increase of \$3.9 million, or 63%, from \$6.3 million for the three months ended March 31, 2023. The increase was driven by an \$4.4 million increase in cash provided by operating activities as described above, partially offset by a \$0.4 million increase in capital expenditures necessary to support the growth of the business.

Free Cash Flow for the year ended December 31, 2023 was \$60.4 million, an increase of \$75.8 million, or 492%, from \$(15.4) million for the year ended December 31, 2022. The increase was driven by an \$81.7 million increase in cash provided by operating activities as described above, partially offset by a \$5.9 million increase in capital expenditures necessary to support the growth of the business as described above.

Off-Balance Sheet Arrangements

Currently, we do not have any off-balance sheet arrangements that have or are reasonably likely to have a material current or future effect on the Company's financial condition, changes in financial condition, revenues or expenses, results of operations, liquidity, cash requirements or capital resources.

Critical Accounting Estimates

The discussion and analysis of our financial condition and results of operations is derived from the review of our consolidated financial statements prepared in accordance with GAAP, which includes our interpretation of accounting guidance and application through accounting policies. The preparation of financial statements requires the use of judgments and estimates. Our critical accounting estimates are described below to provide a better understanding of how we develop our assumptions and judgments about future events and related estimates and how they can impact our financial statements. A critical accounting estimate is one that requires our most difficult, subjective or complex judgments and assessments and is fundamental to our results of operations.

We base our estimates on historical experience and on various other assumptions we believe to be reasonable according to the current facts and circumstances, the results of which form the basis for making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. We believe the following are the critical accounting estimates used in the preparation of our consolidated financial statements, as well as the significant estimates and judgments affecting the application of these policies. This discussion and analysis should be read in conjunction with our consolidated financial statements and related notes included elsewhere in this proxy statement/prospectus.

Income Taxes

Deferred taxes are recorded using the asset and liability method, whereby tax assets and liabilities are determined based on the differences between the carrying amount and tax basis of assets and liabilities using enacted tax laws and rates expected to apply to taxable income in the year in which the differences are expected to reverse. We regularly evaluate the valuation allowances established for deferred tax assets for which future realization is uncertain. In assessing the realizability of deferred tax assets, we consider both positive and negative evidence, including scheduled reversals of deferred tax assets and liabilities, projected future taxable income, tax planning strategies and results of recent operations. If, based on the weight of available evidence, it is more likely than not that the deferred tax assets will not be realized, a valuation allowance is recorded. As of December 31, 2023, the valuation allowance for the deferred tax assets was \$46.9 million. As of March 31, 2024, the valuation allowance for deferred tax assets was \$48.3 million. The Company recognizes a tax benefit in our financial statements for an uncertain tax position only if management's assessment is that the position is "more likely than not" (i.e., a likelihood greater than 50 percent) to be allowed by the tax jurisdiction based solely on the technical merits of the position.

The term "tax position" in the accounting standards for income taxes refers to a position in a previously filed tax return or a position expected to be taken in a future tax return that is reflected in measuring current or deferred income tax assets and liabilities for interim or annual periods. Our financial statements could be materially affected if: (i) our actual results differ significantly from our forecast estimates; (ii) there are future changes in enacted tax laws with retroactive application; or (iii) tax authorities do not agree with our application of the tax law to our circumstances and the matter is not ultimately resolved in our favor.

Business Combinations and Goodwill

We recognize and measure the assets acquired and liabilities assumed in a business combination based on their estimated fair values at the acquisition date. Goodwill represents the excess of purchase price paid by the Company over the fair market value of the net assets acquired. Certain assumptions and estimates are employed in evaluating the fair value of assets acquired and liabilities assumed. These estimates may be affected by factors such as changing market conditions, technological advances in the oil and natural gas industry or changes in regulations governing that industry. The most significant assumptions requiring judgment involve identifying and estimating the fair value of intangible assets and the associated useful lives for establishing amortization periods. At December 31, 2023, we held \$41.8 million and \$23.9 million of Intangible Assets, Net and Goodwill, Net, respectively. At March 31, 2024, we held \$39.8 million and \$23.9 million of Intangible Assets, Net and Goodwill, Net, respectively. To finalize purchase accounting for significant acquisitions, we utilize the services of independent valuation specialists to assist in the determination of the fair value of acquired intangible assets.

Impairments

We evaluate our property and equipment and identifiable intangible assets for impairment whenever changes in circumstances indicate that the carrying amount of an asset group may not be recoverable or if there are potential indicators of impairment. We also perform an annual impairment analysis of goodwill as of December 31st, or whenever there is a triggering event that indicates an impairment loss may have been incurred. Estimating future net cash flows requires us to make judgments regarding long-term forecasts of future revenues and costs related to the assets subject to review. These forecasts are uncertain in that they require assumptions about our revenue growth, operating margins, capital expenditures, future market conditions and technological developments. In addition, if we are required to determine the fair value of our reporting units to test goodwill for impairment, we must apply estimates, assumptions, and judgment regarding revenue growth, operating margins, capital expenditures, future market conditions, weighted average costs of capital and terminal growth rate, and we must evaluate the metrics of a deemed set of comparable companies and market earnings multiples. Actual results may not align with these assumptions, and our expectations regarding future net cash flows may change such that a material impairment could result.

We believe that the estimates and assumptions used in our impairment assessments are reasonable. However, if market conditions change dramatically, the impact on our forecasts and projections may be significant which could result in future impairments for our reportable units with long-term assets including goodwill.

Recent Accounting Pronouncements

Refer to Note 2. “*Summary of Significant Accounting Policies*” in our unaudited condensed consolidated financial statements for a discussion of the recent accounting pronouncement issued by the Financial Accounting Standards Board.

Quantitative and Qualitative Disclosures About Market Risk

Commodity Price Risk

The market for our products and services is indirectly exposed to fluctuations in the prices of oil and natural gas to the extent such fluctuations impact drilling and completion activity levels and thus impact the activity levels of our customers in the exploration and production industries. Additionally, because we do not sell our products under long-term contracts, we believe that we are particularly exposed to short-term fluctuations in the prices of oil and natural gas. We do not currently intend to hedge our indirect exposure to commodity price risk.

Foreign Currency Exchange Rate Risk

A portion of our revenues are derived internationally and, accordingly, our competitiveness and financial results may be impacted by foreign currency fluctuations where revenues and costs are denominated in local currencies rather than U.S. dollars. During the twelve months ended December 31, 2023 and 2022, approximately 6% and 6%, respectively, of our revenues were denominated in foreign currencies. During the three months ended March 31, 2024 and 2023, approximately 8% and 5%, respectively, of our revenues were denominated in foreign currencies. We do not currently intend to hedge our exposure to foreign exchange rate risk.

Interest Rate Risk

We are primarily exposed to interest rate risk through the Revolver and Term Loan. As of December 31, 2023, we had \$40.9 million in variable rate debt outstanding, consisting of \$17.7 million under the Term Loan and \$23.2 million under the Revolver which bear interest at an adjusted SOFR rate plus an applicable margin or at the alternate base rate plus an applicable margin. As of March 31, 2024, we had \$32.5 million in variable rate debt outstanding, consisting of \$16.5 million under the Term Loan and \$16.0 million under the Revolver which bear interest at an adjusted SOFR rate plus an applicable margin or at the alternate base rate plus an applicable margin. We do not currently intend to hedge our exposure to interest rate risk.

Credit Risk

Our customers are primarily E&P operators. This concentration of counterparties operating in a single industry may increase our overall exposure to credit risk in that the counterparties may be similarly affected by changes in economic, regulatory or other conditions. We manage credit risk by analyzing the counterparties’ financial condition prior to accepting new customers and prior to adjusting existing credit limits.

NOTES TO THE UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL STATEMENTS**1. Basis of Presentation**

The Pro Forma Financial Information has been prepared in accordance with Article 11 of Regulation S-X, as amended by the final rule, Release 33-10786 “Amendments to Financial disclosures about Acquired and Disposed Businesses” (“Article 11 of Regulation S-X”), and the assumptions set forth herein. The pro forma adjustments include transaction accounting adjustments, which reflect the application of required accounting for the Mergers and other transactions contemplated by the Merger Agreement. Article 11 of Regulation S-X permits presentation of reasonably estimable synergies and dis-synergies that have occurred or are reasonably expected to occur (“Management’s Adjustments”). Innovex has elected not to present Management’s Adjustments as the specificity of the timing and nature of such items is still under evaluation as of the date of this proxy statement/prospectus.

All dollar figures in this section are presented in thousands, except per share information, unless otherwise stated.

Accounting for the Mergers

The Mergers are accounted for as a business combination and a reverse acquisition pursuant to Accounting Standards Codification Topic 805, *Business Combinations (“ASC 805”)*, where Innovex, the legal acquirer, is determined to be the accounting acquirer of Dril-Quip based upon an evaluation of the following primary factors:

- Although the pre-combination stockholders of Innovex will own approximately 48% of the Combined Company, the largest pre-combination stockholder of Innovex, Amberjack, is expected to hold the largest minority voting interest of approximately 43% in the Combined Company when the Mergers are consummated, whereas Dril-Quip’s pre-combination ownership is widely dispersed among stockholders.
- Innovex surpasses Dril-Quip in size as measured in key performance metrics including Earnings Before Interest, Taxes, Depreciation, and Amortization (“EBITDA”) and Adjusted EBITDA¹ for the year ended December 31, 2023.
- It is expected that the Combined Company’s board of directors will consist of nine directors, comprised of:
 - four directors designated by Dril-Quip, which will include the Chairperson of the Dril-Quip Board as of immediately prior to the Effective Time;
 - four directors designated by Innovex; and
 - the Chief Executive Officer of Innovex as of immediately prior to the Effective Time.
- Innovex’s existing senior management team will comprise the majority of the senior management of the Combined Company, including the positions already announced for Chief Executive Officer, Chief Financial Officer, and the President of North America.
- The Combined Company’s headquarters will be located at Innovex’s headquarters, the Combined Company’s name will be Innovex International, Inc., and the ticker symbol of the Combined Company will be “INVX.”

¹ Adjusted EBITDA is a non-GAAP measure that Dril-Quip defines as net income excluding income taxes, interest income and expense, depreciation and amortization expense, and other expenses / income, primarily representing stock-based compensation and change in fair value of earn-out liability, among other items, further adjusted to exclude restructuring costs, acquisition costs, gain on asset sale and foreign currency exchange gain/loss.

Under the reverse acquisition method of accounting, the assets and liabilities of Dril-Quip as of the Closing Date will be consolidated by Innovex at their respective fair values, and the excess or shortfall of the purchase price consideration over the fair value of Dril-Quip's net assets will be recognized as goodwill or gain on bargain purchase, respectively. Fair value is defined in Accounting Standards Codification Topic 820, *Fair Value Measurements and Disclosures* ("ASC 820") as "the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date." Fair value measurements can be highly subjective, and it is possible the application of reasonable judgment could develop different assumptions resulting in a range of alternative estimates using the same facts and circumstances.

Preliminary purchase price consideration

The accounting acquiree Dril-Quip's stock price is used to measure the consideration transferred in this reverse acquisition, as Dril-Quip's stock price is more reliably measurable than the value of the equity interest of the accounting acquirer Innovex, which is a privately held entity. The following table presents the calculation of preliminary purchase price consideration (in thousands, except stock price):

Dril-Quip shares issued and outstanding as of March 31, 2024	34,420
Dril-Quip stock price ⁽¹⁾	\$ 16.97
Preliminary purchase price consideration for Dril-Quip stock outstanding	\$ 584,107
Fair value of replacement Dril-Quip stock-based compensation awards that are attributable to pre-combination service	14,356
Total preliminary purchase price consideration	\$ 598,463

(1) The Dril-Quip stock price on July 12, 2024 at closing is used as a proxy for the market price of the Dril-Quip shares on the Closing Date.

The purchase price consideration applied in the Pro Forma Financial Information is preliminary and subject to modification based on the final purchase price, which includes any changes to the value of Dril-Quip's stock and the number of vested Dril-Quip's stock-based compensation awards when the Mergers are consummated. This will likely result in a difference from the preliminary purchase consideration calculated above, and that difference may be material. For example, with other assumptions held constant, an increase or decrease of 20% in the price per Dril-Quip common stock will produce the following purchase price consideration and the corresponding gain on bargain purchase or goodwill (in thousands, except stock price):

	Dril-Quip Stock Price	Purchase Price Consideration	(Gain on Bargain Purchase)/Goodwill
As presented	\$ 16.97	\$ 598,463	\$ (255,280)
20% increase	\$ 20.36	\$ 718,015	\$ (135,728)
20% decrease	\$ 13.58	\$ 478,912	\$ (374,831)

Preliminary purchase price allocation

The allocation of the purchase price consideration, including any related tax effects, is preliminary and pending finalization of various estimates, inputs and analyses used in the valuation assessment of the specifically identifiable tangible and intangible assets acquired. This preliminary determination is subject to further assessment and adjustments pending additional information sharing between the parties, more detailed third-party appraisals, and other potential adjustments.

The unaudited pro forma condensed combined financial information reflects a gain on bargain purchase because the estimated fair value of the identifiable net assets acquired exceeded the estimated preliminary purchase price

consideration. Since the Pro Forma Financial Information has been prepared based on preliminary estimates of consideration and fair values attributable to the business combination, the actual amounts eventually recorded may differ materially from the information presented, which may increase, reduce or eliminate the gain on bargain purchase.

The preliminary allocation of the purchase price consideration is as follows (in thousands):

2. Accounting Policies

Upon consummation of the Mergers, management will perform a comprehensive review of the two entities' accounting policies. As a result of the review, management may identify differences between the accounting policies of the two entities which, when confirmed, could have a material impact on the combined financial statements of the Combined Company. Based on its initial analysis, management did not identify any differences that would have a material impact on the unaudited pro forma condensed combined financial information, except the presentation reclassifications further discussed in Note 3 below.

4. Transaction Accounting Adjustments

Explanations of the adjustments to the unaudited condensed combined pro forma financial statements are as follows:

Unaudited Pro Forma Condensed Combined Balance Sheet

- (A) Represents the elimination of Accounts receivable, net and Accounts payable resulting from transactions between Dril-Quip and Innovex as if Innovex and Dril-Quip were consolidated affiliates.
- (B) Represents the preliminary fair value adjustments to Dril-Quip’s Inventories, Intangibles, net, Property and equipment, net, Right of use assets – operating, and Goodwill in connection with the application of the acquisition method of accounting to reflect the preliminary allocation of the purchase price consideration discussed in Note 1. The acquired intangible assets relate to developed technologies with a preliminary estimated useful life of 15 years.
- (C) Represents the pro forma adjustments to income tax related accounts on the balance sheet as a result of the Mergers. The increases in Deferred tax assets, net and income tax receivable (reflected in Other current assets) are primarily driven by the realizability of Dril-Quip’s net operating loss (NOL) carryforward post-combination (without consideration of Section 382 and the limitation it might impose on the current year utilization of the NOLs and other pre-acquisition attributes) and the tax effect from the step-down in Property and equipment, net as a result of the preliminary purchase price allocation discussed in Note (B).

- (D) Represents the accrual of additional transaction costs of \$10.1 million directly attributable to the Mergers that are expected to be incurred by Innovex subsequent to March 31, 2024.
- (E) Represents the accrual to settle the preliminary estimated cash-based severance payments of \$10.1 million for Dril-Quip executives that have been identified for termination as a result of the Merger Agreement. The severance amount is determined based on the change-in-control provisions in each employee's employment arrangement that was entered into prior to the negotiation of the Merger Agreement.
- (F) Aside from the retained earning effect from the additional transaction costs of \$10.1 million described in Note (D) and the severance costs of \$10.1 million described in Note (E), the transaction accounting adjustments in the stockholders' equity represent the following:

(in thousands)	Removal of Dril-Quip historical equity (1)	Fair value of purchase price consideration (2)	Stock-based compensation (3)	Gain on bargain purchase (4)	Total Adjustment, excluding Note (D) and (E)
Common stock	\$ (343)	\$ 507	\$ 13	\$ —	\$ 177
Additional paid-in capital	(103,025)	597,956	10,807	—	505,738
Retained earnings (deficit)	(930,789)	—	(10,820)	255,280	(686,329)
Accumulated other comprehensive income (losses)	176,794	—	—	—	176,794
Total stockholders' equity	<u>\$ (857,363)</u>	<u>\$ 598,463</u>	<u>\$ —</u>	<u>\$ 255,280</u>	<u>\$ (3,620)</u>

- (1) To remove the historical equity of Dril-Quip, the accounting acquiree, as a result of the reverse acquisition by Innovex.
- (2) To recognize the fair value of the purchase price consideration paid by Innovex in the reverse acquisition of Dril-Quip. Refer to Note 1 for the components of the purchase price consideration.
- (3) To record (1) the accelerated vesting of Innovex's stock options and certain restricted stock units; upon the consummation of the Mergers, which will result in approximately 1.2 million shares of additional Combined Company Common Stock outstanding as of March 31, 2024; and (2) the vesting of certain Continuing RSUs that will vest within twenty-four months from the Closing Date of the Mergers; 2/3 of these awards will vest and result in approximately 0.3 million shares of additional Combined Company Common Stock outstanding as of March 31, 2024 (3) incremental stock-based compensation expense related to certain Continuing RSUs that will vest within twenty-four months from the Closing Date of the Mergers.
- (4) To record the gain on bargain purchase discussed in Note (HH).

Unaudited Pro Forma Condensed Combined Statements of Operations

- (AA) Represents the elimination of Revenues – Products and Cost of sales – Products of \$0.4 million and \$1.0 million from the transactions between Innovex and Dril-Quip as if Innovex and Dril-Quip were consolidated affiliates for the three months ended March 31, 2024 and the year ended December 31, 2023, respectively.
- (BB) Reflects the incremental Cost of sales – Products of \$37.8 million as a result of the preliminary fair value adjustment for the acquired inventories as described in Note (B). The adjustment increases Cost of sales – Products by the same amount as the fair value adjustment as the acquired inventory is expected to be sold within one year from the consummation of the Mergers.
- (CC) Reflects (1) compensation expense of \$5.8 million for the year ended December 31, 2023, related to the accelerated vesting of stock-based compensation awards upon the consummation of the Mergers, and (2) the incremental expense of \$0.6 million and \$4.5 million associated with certain Continuing RSUs that

will vest within twenty-four months from the Closing Date for the three months ended March 31, 2024 and the year ended December 31, 2023, respectively. See Note (F), footnote (3).

- (DD) Reflects the decrement to Depreciation based on the preliminary fair value adjustment and the estimated weighted average useful lives of the acquired Property and equipment, net.
- (EE) Reflects the decrement to Amortization based on the preliminary fair value and the estimated useful life of 15 years for the acquired developed technologies intangible assets.
- (FF) Represents the preliminary cash-based severance expense of \$10.1 million to be incurred upon the consummation of the Mergers. The expense is nonrecurring and will not affect the Combined Company's Statements of Operations beyond twelve months after the close of the Mergers. See Note (E).
- (GG) Represents the estimated transaction costs of \$10.1 million to be incurred by Innovex subsequent to March 31, 2024, consisting of advisory, banking, legal, and accounting advisory fees directly attributable to the Mergers. These transaction costs are nonrecurring and will not affect the Combined Company's Statements of Operations beyond twelve months after the close of the Mergers. Transaction costs of \$0.4 million and \$0.1 million are included in the historical statements of operations of Innovex for the three months ended March 31, 2024 and the year ended December 31, 2023, respectively. Transaction costs of \$17.6 million are included in the historical statements of income of Dril-Quip for the three months ended March 31, 2024. Dril-Quip did not incur transaction costs for the year ended December 31, 2023.
- (HH) Represents the gain realized from a bargain purchase, in accordance with ASC 805, when the estimated fair value of the identifiable net assets acquired exceeded the estimated preliminary purchase price consideration. The preliminary purchase price consideration is derived from Dril-Quip's stock price, which will continue to fluctuate from the date of this proxy statement/prospectus through the Effective Time, and the final fair value purchase price allocation may differ materially from the preliminary estimates. As a result, gain on bargain purchase may be increased, reduced or fully eliminated upon the consummation of the Mergers.
- (II) Represents the pro forma income tax effect of the adjustments related to the Mergers calculated by applying the appropriate statutory tax rates of the respective tax jurisdictions to which the pro forma adjustments relate. Management believes this approach provides a reasonable basis for the pro forma income tax adjustments; however, the effective tax rate of the Combined Company could be significantly different depending on the mix of activities. This preliminary estimate is subject to further assessment and adjustments as additional information becomes available.

5. Other Transaction Adjustments

- (G) Reflects the anticipated payment of Innovex Closing Cash Dividend. Innovex expects to issue the maximum amount allowed under the Merger Agreement and finance the payment through Innovex's existing revolving credit facility. Associated interest expense is expected to be immaterial and not reflected as an adjustment on the unaudited pro forma condensed combined statements of operations as the balance is expected to be repaid shortly after the consummation of the Mergers. The repayment is not a requirement of the Merger Agreement.

6. Earnings per Share

As the unaudited pro forma condensed combined statements of operations assumes that the Mergers had occurred at January 1, 2023, the beginning of the earliest period presented, the calculation of weighted average shares outstanding for basic and diluted earnings per share assumes that the shares issuable relating to the Mergers have been outstanding for the entirety of the period presented.

RELATED PARTY TRANSACTIONS OF DIRECTORS AND EXECUTIVE OFFICERS OF INNOVEX

Innovex Stockholders Agreement

On January 1, 2023, Innovex entered into an amended and restated stockholders agreement with funds affiliated with Amberjack that are the principal stockholders of Innovex (“Amberjack Funds”) and the other stockholders named therein (the “Innovex stockholders agreement”). Among other things, the Innovex stockholders agreement provides that Innovex’s board of directors will be composed of: three individuals designated by Amberjack on behalf of the Amberjack Funds; one individual designated by Amberjack from among the limited partners of Innovex Co-Invest Fund II; the individual who is the then duly elected and acting Chief Executive Officer of Innovex; and, if Amberjack so elects, one or more independent, non-voting director(s) designated by Amberjack on behalf of the Amberjack Funds. This agreement will be terminated concurrently with the closing of the mergers.

Management Services Agreement

On October 31, 2016, Innovex entered into a letter agreement with Amberjack that required Amberjack to provide certain advisory and other services in exchange for an annual advisory fee in an amount equal to the greater of \$350,000 and 3.00% of Innovex’s EBITDA, which Amberjack is entitled to waive in its sole discretion from time to time, and Innovex agreed to reimburse Amberjack for expenses incurred in connection with its services or incurred by its employees and/or other representatives in connection with attendance at board meetings and for other matters. During the three months ended March 31, 2024 and the year ended December 31, 2023, Innovex expensed approximately \$0 and \$105,827, respectively, related to travel and other out-of-pocket expenses incurred by Amberjack. During this same period, Amberjack waived the annual advisory fee otherwise payable by Innovex under the letter agreement. This agreement will be terminated concurrently with the closing of the mergers. Amberjack will waive any annual advisory fee otherwise payable by Innovex under the letter agreement for the period prior to closing.

Other Related Party Transactions

During the three months ended March 31, 2024 and the year ended December 31, 2023, Innovex purchased approximately \$45,161 and \$826,063, respectively, of specialized centralizers from Centergenics LLC. David King Anderson, the father of Innovex’s Chief Executive Officer, is a co-owner and marketing director of Centergenics LLC.

Bonnie Black, one of Innovex’s directors, is an executive at Pioneer Natural Resources, Inc. (“Pioneer”), which is an established customer of Innovex. Total revenue earned from Pioneer for the three months ended March 31, 2024 and the year ended December 31, 2023 were \$2.9 and \$9.1 million, respectively, and the outstanding accounts receivable, net due from Pioneer as of March 31, 2024 and December 31, 2023 were \$1.5 million and \$1.5 million, respectively.

COMPARISON OF STOCKHOLDERS' RIGHTS

Innovex stockholders will receive shares of Dril-Quip common stock in the mergers. Dril-Quip and Innovex are both Delaware corporations subject to the DGCL. If the mergers are completed, the rights of Innovex stockholders who become Dril-Quip stockholders through the receipt of Dril-Quip common stock and the rights of Dril-Quip stockholders will be governed by the DGCL, the combined company's certificate of incorporation and the combined company's bylaws (each as amended in connection with the transactions). The following description summarizes the rights of Innovex stockholders, the current rights of Dril-Quip stockholders and the rights of the Dril-Quip stockholders under the combined company's certificate of incorporation following the implementation of the charter amendment proposal and adoption of the amended bylaws upon completion of the mergers.

The following summary is not a complete statement of the rights of Dril-Quip stockholders or Innovex stockholders or a complete description of the specific provisions referred to below. This summary is qualified in its entirety by reference to the DGCL and Dril-Quip's, Innovex's and the combined company's governing corporate documents, which Dril-Quip and Innovex stockholders should read. The DGCL provides that each stockholder must be entitled to one vote for each share of capital stock held by such stockholder, unless otherwise provided in a corporation's certificate of incorporation. Each share of Dril-Quip common stock and each share of Innovex common stock entitles its holder to one vote for each share held of record on each matter submitted to a vote of stockholders.

Innovex's bylaws provide that at all meetings of stockholders for the election of directors at which a quorum is present a plurality of the votes cast shall be sufficient to elect, and all other elections and questions presented to the stockholders at a meeting at which a quorum is present shall, unless otherwise provided by Innovex's certificate of incorporation, Innovex's bylaws, the rules or regulations of any stock

Number of Directors and Size of Board

The DGCL provides that the board of directors of a Delaware corporation must consist of one or more directors as fixed by the corporation's certificate of incorporation or bylaws.

Innovex's bylaws provide that the members of the Innovex Board shall be designated and elected pursuant to the Innovex stockholders agreement.

The Innovex stockholders agreement provides that the Innovex Board shall consist of (A) three Amberjack Directors, (B) one Innovex Co-Invest Fund II Director, (C) one Executive Director and (D) one or more Independent Director(s).

"Amberjack Director" means the individual director designated by Amberjack.

"Innovex Co-Invest Fund II Director" means the individual director from among the limited partners of Innovex Co-Invest Fund II, L.P. designated by Amberjack.

"Executive Director" means the individual who is the then duly elected and acting Chief Executive Officer of Innovex.

"Independent Director(s)" means the independent, non-voting director(s) designated by Amberjack after consultation with the Executive Director.

Dril-Quip's certificate of incorporation provides that the number of directors of the Dril-Quip Board will be fixed from time to time by a majority of the directors then in office but will not be less than three nor more than twelve.

The charter amendment provides that the number of directors of the combined company board will be fixed from time to time by a majority of the directors then in office but will not be less than three nor more than nine (and shall include the CEO Director) and, so long as Amberjack has the right to designate one or more Amberjack Designees, it shall be a director qualification that one of the members of the combined company board will be the CEO Director, it being understood that upon any person ceasing to serve as the Chief Executive Officer of the combined company such person will cease to be qualified to serve as the CEO Director and will automatically be removed as the CEO Director.

Classified Board/Term of Directors

The DGCL provides that directors of a Delaware corporation may, by the corporation's certificate of incorporation or by the corporation's bylaws, be divided into one, two or three classes.

Dril-Quip's certificate of incorporation provides that the directors shall be divided into three classes, Class I, Class II, and Class III, and each director will serve for a term ending on the third annual meeting following the annual meeting at which such director was elected. Dril-Quip's

The charter amendment and the amended bylaws do not result in any changes to the classified board or term of directors.

Existing Innovex Rights

Innovex’s certificate of incorporation provides that subject to the Innovex stockholders agreement (as described above under “—*Number of Directors and Size of Board*”), the holders of Innovex common stock shall be entitled to elect all of the directors of the Innovex Board. Such director(s) shall be elected by a plurality vote, with the elected candidates being the candidates receiving the greatest number of affirmative votes (with each holder entitled to cast one vote for or against each candidate with respect to each share held by such holder), with votes cast against such candidates and votes withheld having no legal effect.

Existing Dril-Quip Rights

certificate of incorporation and bylaws provide that each director shall hold office until the annual meeting at which such director’s term expires and, the foregoing notwithstanding, shall serve until his successor shall have been duly elected and qualified or until his earlier death, resignation or removal.

Nominations/Election of Directors

Dril-Quip’s bylaws provide that, subject to such rights of the holders of one or more outstanding series of preferred stock of Dril-Quip to elect one or more directors as prescribed in Dril-Quip’s certificate of incorporation or in the resolutions of the Dril-Quip Board providing for the establishment of any such series, only persons who are nominated in accordance with the procedures set forth in Dril-Quip bylaws will be eligible for election as, and to serve as, directors.

Except as otherwise provided in Dril-Quip’s certificate of incorporation or Dril-Quip’s bylaws, Dril-Quip’s bylaws provide that each director will be elected by the affirmative vote of the holders of the majority of the votes cast at a meeting for the election of directors at which a quorum is present; provided, however, that the directors will be elected by a plurality of the votes cast by the holders of the outstanding shares of capital stock of Dril-Quip entitled to vote in the election of directors and present in person or represented by proxy at any such meeting for which the number of candidates for election as directors exceeds the number of directors to be elected.

Combined Company Rights

The amended bylaws provide that, in addition to any applicable rights of holders of preferred stock of the combined company, the right to nominate any person for election to serve as a director of the combined company board will also be subject to the rights of Amberjack under the combined company’s certificate of incorporation and the stockholders agreement (as further described in this section and the section titled, “*Agreements Related to the Mergers—Stockholders Agreement*”).

The charter amendment and the amended bylaws do not result in any changes to the vote required to elect director nominees to the combined company board; however, see “—*Number of Directors and Size of Board*” for a description of the CEO Director requirement under the charter amendment.

Existing Innovex Rights

Innovex's bylaws provide that subject to terms and conditions of the Innovex stockholders agreement, any director or the entire Innovex Board may be removed, with or without cause, by the holders of a majority of the shares entitled to vote thereon.

The Innovex stockholders agreement provides that (i) an Amberjack Director, Innovex Co-Invest Fund II Director and Independent Director may be removed at any time (with or without cause) upon, and only upon, the written request of Amberjack and (ii) the Executive Director shall be removed automatically, without any action by the Innovex Board or stockholders, as a director immediately upon, and only upon, such person's removal (with or without cause) as the Chief Executive Officer of Innovex in the same manner as the removal of any other officer of Innovex.

Existing Dril-Quip Rights

Removal of Directors

Dril-Quip's certificate of incorporation and bylaws provide that no director of Dril-Quip shall be removed from office as a director by vote or other action of the stockholders or otherwise except for cause, and then only by the affirmative vote of the holders of at least a majority of the voting power of all outstanding shares of capital stock of Dril-Quip generally entitled to vote in the election of directors, voting together as a single class.

Vacancies

The DGCL provides that, unless otherwise provided in the certificate of incorporation or bylaws, vacancies and newly created directorships may be filled by a majority vote of the directors then in office, even if the number of directors then in office is less than a quorum.

Innovex's bylaws provide that, unless otherwise provided by law, Innovex's certificate of incorporation or the Innovex stockholders agreement, any newly created directorship or any vacancy occurring in the Innovex Board for any cause may be filled by a majority of the remaining members of the Innovex Board, although such majority is less than a quorum, or by a plurality of the votes cast at a meeting of stockholders, and each director so elected shall hold office until the expiration of the term of office of the director whom he or she has replaced or until his or her successor is elected and qualified.

Dril-Quip's certificate of incorporation and bylaws provide that newly created directorships resulting from any increase in the number of directors and any vacancies on the board of directors resulting from death, resignation, disqualification, removal or other cause shall be filled by the affirmative vote of a majority of the remaining directors then in office, even though less than a quorum of the board of directors. Any director elected in accordance with the preceding sentence shall hold office for the remainder of the full term of the class of directors in which the new directorship was created or the

Combined Company Rights

The charter amendment and the amended bylaws do not result in any changes to the rights to remove directors of the combined company board.

The charter amendment provides that, so long as Amberjack has the right to designate at least one individual for nomination to the combined company board and a vacancy is created by the death, disability, retirement, resignation, removal or other cause of any designee of Amberjack, then such vacancy will be filled by the affirmative vote of a majority of the voting power of the directors then in office, even though less than a quorum of the combined company board, with each Amberjack Designee then in office entitled to cast a number of votes (or fractions thereof) equal to a majority of the votes entitled

Existing Innovex Rights

The Innovex stockholders agreement provides that (i) in the event that a vacancy is created on the Innovex Board at any time due to the death, disability, retirement, resignation or removal of an Amberjack Director, Innovex Co-Invest Fund II Director or Independent Director, then Amberjack shall have the right to designate an individual to fill such vacancy and (ii) if the Chief Executive Officer of Innovex is removed or resigns or is otherwise replaced as an officer of Innovex, Innovex's successor Chief Executive Officer shall automatically become the Executive Director.

Innovex's bylaws provide that the Chairperson of the Innovex Board will chair and preside over meetings of the Innovex Board at which he or she is present. The Innovex stockholders agreement provides that Amberjack shall appoint one Amberjack Director to serve as Chairman of the Innovex Board.

Any action required or permitted to be taken at any meeting of the Innovex Board, or of any committee thereof, may be taken without a meeting if all members of the Innovex Board or such committee, as the case may be, consent thereto in writing or by electronic transmission and the writing or writings or electronic transmissions are filed with the minutes of proceedings of the board or committee in accordance with applicable law.

Special meetings of the Innovex Board may be held whenever called by the Chief Executive Officer, the Secretary, or by any member of the Innovex Board.

Board Meetings

Dril-Quip's bylaws provide that the Chairperson of the Dril-Quip Board will chair and preside over meetings of the Dril-Quip Board at which he or she is present. A majority of the directors present at any meeting of the Dril-Quip Board from which the Chairperson of the Dril-Quip Board is absent will designate one of their number as the chair of that meeting. At all meetings of the Dril-Quip Board, business shall be transacted in such order as shall from time to time be determined by the Chairperson of the Dril-Quip Board, or in his or absence by the President, or by resolution of the Dril-Quip Board.

Special meetings of the Dril-Quip Board shall be held, whenever called by the Chairman of the Dril-Quip Board, the President or by a written notice signed by a majority of the members of the Dril-Quip Board.

to be cast by all then serving members of the combined company board divided by the number of Amberjack Designees then in office; provided that if no Amberjack Designees are then in office, Amberjack shall have the right to fill such vacancy (i) at a meeting, special or otherwise, of the stockholders of the combined company or (ii) by written consent. See "*The Charter Amendment Proposal—Reasons for the Charter Amendment—Vacancies*" for a description and reasons for the amendment.

The amended and restated bylaws provide that the Chairman of the combined company board will chair and preside over meetings of the combined company board at which he or she is present, except that, during the standstill period, the Special Amberjack Designee will chair and preside over meetings of the combined company board called by the Special Amberjack Designee (as defined below). A majority of the directors present at any meeting of the combined company board from which the Chairman of the combined company board or the Special Amberjack Designee, as applicable, is absent will designate one of their number as the chair of that meeting. At all meetings of the combined company board, business shall be transacted in such order as shall from time to time be determined by the Chairman of the combined company board (or, with respect to meetings called by the Special Amberjack Designee, the Special Amberjack Designee), or in his or her absence by the President, or by

“*Special Amberjack Designee*” means the Amberjack Designee designated by Amberjack as the Special Amberjack Designee in connection with such designee’s nomination to the combined company board.

Quorum for Board Meetings

The DGCL provides that in no case will a quorum be less than one-third of the authorized number of directors.

Innovex’s bylaws provide that at all meetings of the Innovex Board, the directors entitled to cast a majority of the votes of the whole Innovex Board shall constitute a quorum for the transaction of business. A majority of the votes entitled to be cast by the directors present at a meeting at which a quorum is present shall be the act of the Innovex Board.

Dril-Quip’s bylaws provide that a majority of the directors in office shall constitute a quorum of the board of directors for the transaction of business; but a lesser number may adjourn from day to day until a quorum is present. Except as otherwise provided by law or in Dril-Quip’s bylaws, all questions shall be decided by the vote of a majority of the directors present.

The charter amendment and the amended and restated bylaws do not result in any changes to the quorum requirements for meetings of the combined company board.

Annual Meetings of Stockholders

Under the DGCL, if a corporation does not hold an annual meeting to elect directors within the thirteen-month period following its last annual meeting, the Delaware Court of Chancery may summarily order a meeting to be held upon the application of any stockholder or director.

Each of Dril-Quip’s and Innovex’s bylaws provide that an annual meeting of the stockholders for the election of directors to succeed those whose terms expire and for the transaction of such other business as may properly come before the meeting, shall be held at such place, within or without the State of Delaware, on such date, and at such time as the board of directors shall fix and set forth in the notice of the meeting, which date, with respect to Dril-Quip’s bylaws, shall be within thirteen months subsequent to the last annual meeting of stockholders. At

the annual meeting of the stockholders, only such business shall be conducted as shall have been properly brought before the annual meeting.		

Quorum for Stockholder Meetings

Under the DGCL the holders of a majority of the stock issued and outstanding and entitled to vote, present in person or represented by proxy, shall constitute a quorum at all meetings of the stockholders for the transaction of business.

Innovex's bylaws provides that the presence in person or by proxy of the holders of a majority in voting power of the outstanding shares of stock entitled to vote at the meeting shall constitute a quorum.

Dril-Quip's bylaws provide that, except as otherwise required by Dril-Quip's certificate of incorporation, a majority of the outstanding shares of capital stock of Dril-Quip entitled to vote, present in person or represented by proxy, shall constitute a quorum at any meeting of the stockholders, and the stockholders present at any duly convened meeting may continue to do business until adjournment notwithstanding any withdrawal from the meeting of holders of shares counted in determining the existence of a quorum.

The charter amendment and the amended bylaws do not result in any changes to the quorum requirements for meetings of the combined company's stockholders.

Notice of Annual and Special Meetings of Stockholders

Under the DGCL and each of Dril-Quip's and Innovex's bylaws notice of any meeting of stockholders must be sent not less than 10 nor more than 60 days before the date of the meeting to each stockholder entitled to vote at the meeting.

Calling Special Meetings of Stockholders

The DGCL provides that special meetings may be called by the board of directors or by such person as may be authorized by the certificate of incorporation or by the bylaws.

Innovex's bylaws provide that a special meeting of stockholders of Innovex may be called only, and at any time, by the Chairman of the Board, the Chief Executive Officer or by a majority of the Innovex Board.

Dril-Quip's bylaws provide that a special meeting of stockholders of Dril-Quip may be called only, and at any time, by the Chairperson of the board of directors or by the President of Dril-Quip or by the board of directors pursuant to a resolution approved by the affirmative vote of a majority of the entire board of directors.

The charter amendment and the amended bylaws do not result in any changes to the requirements to call special meetings of the combined company's stockholders.

Stockholders Action by Written Consent

The DGCL provides that, unless otherwise provided in a corporation's certificate of incorporation or bylaws, any action required or permitted to be taken at any annual or special meeting of stockholders may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so

taken, are signed by the holders of issued and outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted.		
Innovex's bylaws provide that, any action required or permitted to be taken at any annual or special meeting of stockholders may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted.	Dril-Quip's certificate of incorporation and bylaws do not provide for the stockholders to act by written consent in lieu of a meeting.	The charter amendment and the amended bylaws do not result in any changes to stockholders action by written consent.

Amendment of Governing Documents

Under the DGCL, the power to make, alter or repeal bylaws is conferred upon the stockholders. A corporation may, however, in its certificate of incorporation also confer upon the board of directors the power to make, alter or repeal its bylaws.

Innovex's certificate of incorporation provides that the Innovex Board is expressly authorized to adopt, amend or repeal Innovex's bylaws. Innovex's bylaws may be altered, amended or repealed, and new bylaws may be adopted, (a) by the affirmative vote of the holders of a majority of the voting power of the stock issued and outstanding and entitled to vote thereat; or (b) by the affirmative vote of a majority of the whole Innovex Board.	Pursuant to the DGCL, a proposed amendment to the Dril-Quip certificate of incorporation must be approved by holders of a majority of the outstanding Dril-Quip stock entitled to vote on the amendment, voting as a single class.	The charter amendment does not result in any changes to the voting requirement to amend the combined company's certificate of incorporation. However, the charter amendment provides that, so long as Amberjack has the right to designate at least one Amberjack Designee for nomination to the combined company board, the combined company shall not, by merger, consolidation, statutory conversion, transfer, domestication, or continuance or otherwise, in addition to any other vote of stockholders that may be required by applicable law, without the prior written consent of Amberjack, (i) amend the combined company's certificate of incorporation or the combined company's bylaws in any manner that would disproportionately and adversely affect the rights of Amberjack, its permitted transferees or the Principal Stockholders (as such term is

See "*The Charter Amendment Proposal—Reasons for the Charter Amendment—Restrictions on Amendments*" for a description and reasons for the amendment.

Limitation on Liability of Directors

Delaware has adopted a law that allows corporations to limit or eliminate the personal liability of directors to corporations and their stockholders for monetary damages for breach of directors' fiduciary duty of care. An amendment, repeal or elimination of such a provision shall not affect its application with respect to an act or omission by a director occurring before such amendment, repeal or elimination unless the provision provides otherwise at the time of such act or omission. The duty of care requires that, when acting on behalf of the corporation, directors must exercise an informed business judgment based on all material information reasonably available to them. Absent the limitations allowed by the law, directors are accountable to corporations and their stockholders for monetary damages for acts of gross negligence. Although the Delaware law does not change directors' duty of care, it allows corporations to limit available relief to equitable remedies such as injunction or rescission. Dril-Quip's and Innovex's certificates of incorporation limit the liability of its directors to the fullest extent permitted by this law.

Specifically, each of Dril-Quip's directors are not personally liable for monetary damages for any breach of their fiduciary duty as a director, except for liability:

- for any breach of their duty of loyalty to the corporation or its stockholders;
- for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;
- for unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the DGCL; or
- for any transaction from which the director derived an improper personal benefit.

This limitation may have the effect of reducing the likelihood of derivative litigation against directors and may discourage or deter stockholders or management from bringing a lawsuit against directors for breach of their duty of care, even though such an action, if successful, might otherwise have benefited the corporation's stockholders.

Limitation of Liability of Officers

Innovex's certificate of incorporation and bylaws do not currently provide for exculpation of officers of Innovex.

Dril-Quip's certificate of incorporation and bylaws do not currently provide for exculpation of officers of Dril-Quip.

Similar to the limitation of liability of directors described above, the charter amendment provides that no officer of the combined company shall be personally liable to the combined company or any of its stockholders for monetary damages for breach of fiduciary duty as an officer; provided, however, that the foregoing provisions shall not eliminate or limit the liability of an officer (i) for any breach of such officer's duty of loyalty to the combined company or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for any transactions from which such officer derived an improper personal benefit, or (iv) in any action by or in the right of the combined company. See "*The Charter Amendment Proposal—Reasons for the Charter Amendment—Officer Exculpation*" for a description and reasons for the amendment.

Dril-Quip's bylaws outline the procedure for submitting a claim for indemnification and for determining whether an indemnitee is entitled to indemnification. Generally, if there has been no Change of Control (as defined in Dril-Quip's bylaws) at the time a request for indemnification is submitted, such requesting indemnitee's entitlement to indemnification shall be determined in accordance with Section 145(d) of the DGCL. If a Change of Control has occurred, such requesting indemnitee's entitlement to indemnification shall be determined in a written opinion by independent counsel selected by such indemnitee.

With respect to any proceed initiated to enforce the rights of any such indemnitee under Dril-Quip's bylaws, the expense for such proceeding shall be at the expense of such indemnitee unless (i) the employment of counsel by such indemnitee has been authorized by Dril-Quip, (ii) such indemnitee shall have reasonably concluded that there is a conflict of interest between Dril-Quip and such indemnitee in the conduct of the defense of such action or (iii) Dril-Quip shall not in fact have employed counsel to assume the defense of such action, in each of which cases the fees and expenses of counsel employed by such indemnitee shall be subject to indemnification pursuant to the terms of Dril-Quip's bylaws.

executed by or on behalf of such indemnitee providing that indemnitee will repay the advance if it shall ultimately be determined that indemnitee is not entitled to be indemnified by the combined company pursuant to the bylaws amendment.

The bylaws amendment would remove the specific procedures for submission of claims for indemnification and determination of the entitlement of any person and provide that the combined company board may establish reasonable procedures for the submission of claims for indemnification, determination of the entitlement of any person to such indemnification and review of any such determination.

With respect to any proceed initiated to enforce the rights of any such indemnitee under the bylaws amendment, the combined company shall indemnify such indemnitee in connection with a proceeding, or part thereof, initiated by such indemnitee (including claims and counterclaims, whether such counterclaims are asserted by: (i) such indemnitee; or (ii) the combined company in a proceeding initiated by such indemnitee) only if such proceeding was authorized by the combined company board.

The bylaws amendment provides that the combined company may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the combined company or another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not the combined company would have the power to

Advance Notice Required for Stockholder Nominations and Proposals. Dril-Quip’s bylaws require timely advance written notice of stockholder nominations of director candidates and of any other proposals to be presented at an annual meeting of stockholders (but not for inclusion in the proxy statement). In the case of director nominations and other proposals by stockholders, Dril-Quip’s bylaws require that advance written notice be delivered to its Corporate Secretary at 2050 West Sam Houston Parkway S., Suite 1100, Houston, Texas 77042 not later than the close of business on the 90th day prior to the first anniversary of the preceding year’s annual meeting, and that such notice provide the information set forth in Dril-Quip’s bylaws (which includes information required under Rule 14a-19 with respect to nominations). However, in the event that the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, such notice must be so delivered not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made, and, in the case of director nominations only, if the number of directors to be elected to the Dril-Quip Board at the annual meeting is increased and there is no prior notice or public disclosure naming all of the nominees or specifying the size of the increased Dril-Quip Board at least 100 days prior to such anniversary date, a notice will be considered timely, but only with respect to nominees for any new positions created by such increase, if delivered not later than the close of business on the 10th day following the earlier of the day on which the notice of such meeting was mailed to stockholders or the day on which such public disclosure was made. A copy of Dril-Quip’s bylaws setting forth the requirements for the nomination of director candidates by stockholders and the requirements for proposals by stockholders may be obtained from Dril-Quip’s Corporate Secretary at the address indicated on the first page of this joint proxy statement/prospectus.

Accordingly, in order for director nominations and stockholder proposals to be properly submitted for presentation at the Dril-Quip 2025 annual meeting (assuming the date of the Dril-Quip 2025 annual meeting is not more than 30 days before or more than 60 days after May 7, 2025), notice must be received by Dril-Quip’s Corporate Secretary at the address set forth above not later than 6:00 p.m. Central Time on February 16, 2025.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries, such as brokers and banks, to provide notice to an address shared by two or more stockholders by delivering a single notice to those stockholders. This procedure is referred to as "householding." Dril-Quip does not household its notice with respect to its stockholders of record. However, if you hold your shares in street name, your intermediary, such as a broker or bank, may rely on householding and you may receive a single notice if you share an address with another stockholder.

Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate copy of the notice, or if you are receiving multiple copies of the notice and wish to receive only one, please notify your broker. Stockholders who currently receive multiple notices at their address and would like to request "householding" of their communications should contact their broker.

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Board of Directors
Innovex Downhole Solutions, Inc.

Opinion

We have audited the consolidated financial statements of Innovex Downhole Solutions, Inc. (a Delaware corporation) and subsidiaries (the “Company”), which comprise the consolidated balance sheets as of December 31, 2023 and 2022, and the related consolidated statements of operations and comprehensive income, changes in stockholders’ equity, and cash flows for the three years in the period ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the three years in the period ended December 31, 2023 in accordance with accounting principles generally accepted in the United States of America.

Basis for opinion

We conducted our audits of the consolidated financial statements in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company’s ability to continue as a going

concern for one year after the date the financial statements are available to be issued.

Auditor’s responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Innovex Downhole Solutions, Inc.
Notes to Consolidated Financial Statements

NOTE 1. SUMMARY OF BUSINESS

Description of Business

Innovex Downhole Solutions, Inc. (“Innovex”, the “Company”, “we”, “us” and “our”) was incorporated as a Delaware corporation on September 15, 2016 and named IC Granite Holdings, Inc. at the time of incorporation. On October 13, 2016 the Company’s name was changed to Innovex Downhole Solutions, Inc. The Company’s corporate office is located in Humble, Texas.

Innovex designs, manufactures, sells and rents a broad suite of well-centric, engineered products to the global oil and natural gas industry. Our products are sold and rented to international oil companies, national oil companies, independent exploration and production companies and multinational service companies. The products we provide have applications across the well lifecycle for both onshore and offshore oil and natural gas wells, including well construction, well completion, and well production and intervention applications.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation

The accompanying Consolidated Financial Statements have been prepared in conformity with accounting principles generally accepted in the United States (“U.S. GAAP” or “GAAP”). The Consolidated Financial Statements include the accounts of our subsidiaries where we have control over operating and financial policies. All intercompany accounts and transactions have been eliminated in consolidation.

Use of Estimates and Assumptions

The preparation of Consolidated Financial Statements in conformity with GAAP requires management to make estimates and assumptions that affect the amount we report in our Consolidated Financial Statements and accompanying notes. Such estimates include but are not limited to estimated losses on accounts receivables, estimated realizable value on excess and obsolete inventories, estimates of the fair values of the assets and liabilities acquired through business acquisitions, estimates related to the fair value of the reporting unit for purposes of assessing possible goodwill impairment, expected future cash flows from long lived assets to support impairment tests, share based compensation, amounts of deferred taxes and income tax contingencies. Refer to individual accounting policies of each related account below for further details. We base our estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances. Actual results could materially differ from those estimates and variances could materially affect our financial condition and results of operations in future periods.

Cash

Cash consists of cash on deposit and cash on hand. The Company considers all highly liquid investments with an original maturity date of less than three months to be cash equivalents. These investments are carried at cost, which approximates fair value. Throughout the year ended December 31, 2023, we maintained cash balances that were in excess of Federal Deposit Insurance Corporation (“FDIC”) insured limits. The majority of our international cash balances are deposited with large international, well capitalized and reputable banks. We closely monitor our international and domestic cash accounts for any default risks, noting none as of December 31, 2023 and 2022, and believe that we are not exposed to any significant credit risk on these amounts. The Company holds restricted cash in accordance with the Second A&R Credit Agreement (as defined herein). The restricted cash balance was \$0.3 million and \$0.6 million as of December 31, 2023 and 2022, respectively.

Concentration of Credit Risk

Financial instruments that potentially subject us to credit risk are cash, restricted cash and accounts receivable. Substantially all our sales are to customers whose activities are directly or indirectly related to the oil and natural gas industry. This concentration of customers may impact our overall exposure to credit risk, either positively or negatively, in that our customers may be similarly affected by changes in economic or other conditions. We generally extend credit to these customers and, therefore, collectability of receivables is affected by market conditions in the oil and natural gas industry. We perform ongoing credit evaluations as to the financial condition of our customers with respect to accounts receivables. Generally, no collateral is required as a condition of sale. No single customer individually accounted for 10% or more of our consolidated revenue or accounts receivable as of December 31, 2023 or 2022.

Accounts Receivable and Allowance for Credit Losses

Accounts receivable are stated at the historical carrying amount net of allowances for credit losses. These receivables are generally uncollateralized, and accounts outstanding longer than the payment terms are considered past due. Due to the short-term nature of our trade accounts receivable, we consider the amortized cost to be the same as the carrying value amount of the receivable, excluding the allowance for credit losses.

We evaluate our global accounts receivable through a continuous process of assessing our portfolio on an individual customer and overall basis. This process consists of a thorough review of historical collection experience, current aging status of the customer accounts and financial condition of our customers. We also consider the economic environment of our customers in evaluating the need for an allowance. Based on our review of these factors, we establish or adjust allowances for specific customers. Past due balances are written-off against allowance for credit losses when the accounts are deemed no longer to be collectible. This process involves judgment and estimation, therefore, our results of operations could be affected by adjustments to the allowance due to actual write-offs that differ from estimated amounts.

The Company's accounts receivable as of December 31, 2023 and 2022 are as follows:

<i>(in thousands)</i>	December 31,	
	2023	2022
Trade accounts receivable	\$ 107,218	\$ 114,440
Unbilled revenue	16,157	12,446
Allowance for credit losses	(5,015)	(3,136)
Accounts receivable, net	<u>\$ 118,360</u>	<u>\$ 123,750</u>

The changes in allowance for credit losses during the years ended December 31, 2023 and 2022 were as follows:

<i>(in thousands)</i>	December 31,	
	2023	2022
Balance at January 1	\$ 3,136	\$ 4,962
Provision for credit losses	3,611	1,131
Write-offs charged against allowance	(1,732)	(2,957)
Balance at December 31	<u>\$ 5,015</u>	<u>\$ 3,136</u>

Inventory

Inventory is stated at the lower of cost or net realizable value. The Company determines the costs of all raw materials, work-in-process and finished goods inventories by the average cost method. Cost components of

inventories include direct labor, applicable production overhead, and amounts paid to suppliers for materials and products as well as freight costs and, when applicable, duty costs to import the materials and products.

The Company evaluates the realizability of inventory on a product-by-product basis in consideration of historical and anticipated sales demand, technological changes, product life cycle and component cost trends. As a result of the realizability analysis, inventories have been reduced to the lower of cost or net realizable value. If actual circumstances are less favorable than those projected by management in its evaluation of the net realizable value of inventories, additional write-downs may be required.

Property and Equipment

Cost Basis. Property and equipment are stated at acquired cost less accumulated depreciation. The assets and liabilities under finance leases are recorded at the lower of present value of the minimum lease payments or the fair value of the assets. Expenditures for property and equipment and for items which substantially increase the useful lives of existing assets are capitalized at cost and depreciated over their estimated useful life utilizing the straight-line method. Routine expenditures for repairs and maintenance are expensed as incurred.

Depreciation and Amortization. Depreciation is calculated using the straight-line method over the estimated useful lives of the related assets. Leasehold improvements and property under finance leases are amortized over the shorter of the remaining lease term or useful life of the related asset. Depreciation expense includes amortization of assets under finance leases. The cost and related accumulated depreciation of assets retired or otherwise disposed of are eliminated from the accounts, and any resulting gains or losses are recognized in the year of disposal in *Other Income* in the Consolidated Statements of Operations.

The table below summarizes the estimated general useful lives of assets by category:

	Years
Buildings, building improvements and leasehold improvements	Lease term–30
Manufacturing machinery and equipment	3–7
Rental tools	3
Furniture and fixtures	5–7
Computer software	3–5
Vehicles	3–5
Finance leases	Lease term

Leases

The Company adopted *Accounting Standards Codification Topic 842 Leases* (“ASC 842”) on January 1, 2022, using the modified retrospective method, in 2021 leases are accounted for according to Topic 840. The Company elected the package of practical expedients per ASC 842 upon transition to retain the lease classification and initial direct costs for any leases that existed prior to adoption of the standard. The Company elected the practical expedient of using hindsight in determining lease terms and assessing the impairment of the entity’s right of use assets. The Company also elected the short-term lease accounting policy that allows it to forgo applying the balance sheet recognition requirements to short-term leases. Accordingly, no ROU asset or lease liability is recognized for leases with an initial term of twelve months or less, unless a renewal option is reasonably certain to be exercised, extending the lease beyond a twelve month term. The Company did not elect the non-lease component expedient. The Company tracks non-lease components separately from base rent. These expenses are directly recorded on the Consolidated Statement of Operations and Comprehensive Income instead of being included in Right of use lease assets and lease liability calculations.

At inception of a contract, we determine if the contract contains a lease. When a lease is identified, we recognize a leased asset (i.e., “Right of Use Leases” or “ROU Leases” assets) and a corresponding lease liability based on the present value of the lease payments over the lease term, discounted using the incremental borrowing rate for both operating and finance leases. The incremental borrowing rate is calculated using an industry-specific yield curve adjusted for the Company’s credit rating. Lease payments include fixed and variable lease components derived from usage or market-based indices. Variable lease payments may fluctuate for a variety of reasons including usage, output, insurance or taxes. These variable amounts are expensed as incurred and not included in the lease assets or lease liabilities. Options to extend or terminate a lease are reflected in the lease payments and lease term when it is reasonably certain that we will exercise those options. Leases are classified as either finance or operating, with classification affecting the pattern of expense recognition in the Consolidated Statements of Operations and Comprehensive Income. Finance lease assets are included in Property and equipment, net, and finance lease liabilities are included in Current portion of long-term debt and finance lease obligations, and Long-term debt and finance lease obligations on the Consolidated Balance Sheets. Operating leases are presented as Right of use assets—operating assets and Operating lease liabilities on the Consolidated Balance Sheet. Refer to *Note 11. Leases* for further details.

Impairment of Long-lived Assets

The Company performs reviews for impairment of long-lived assets, including property and equipment, intangible assets with definite lives and operating lease right of use assets, whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. Long-lived assets are grouped at the lowest level for which there are identifiable cash flows that are largely independent of the cash flows of other groups of assets. An impairment loss is recognized when estimated undiscounted future cash flows expected to result from the use of the asset and its eventual disposition are less than its carrying amount. When an impairment is identified, the carrying amount of the asset is reduced to its estimated fair value.

Goodwill

Goodwill represents the excess of purchase price paid by the Company over the fair market value of the net assets acquired. Goodwill is tested for impairment annually as of the year-end balance sheet date, or whenever events or circumstances change indicating that the fair value of a reporting unit with goodwill could be below its carrying amount.

We first assess qualitative factors to determine whether it is more likely than not that the fair value of the Company’s reporting unit is less than its carrying value. If the qualitative assessment indicates that it is more likely than not that the carrying value of a reporting unit exceeds its estimated fair value, a quantitative test is required. If the carrying value of the reporting unit including goodwill exceeds its fair value, an impairment charge equal to the excess would be recognized up to a maximum amount of goodwill allocated to that reporting unit. For the years ended December 31, 2023, 2022 and 2021 the Company recognized no goodwill impairments.

Intangible Assets

Intangible assets, comprised of trade names, customer relationships, non-compete agreements and patents are amortized using the straight-line method over the assets’ estimated useful lives. The estimated useful lives of amortizable intangible assets are based on an evaluation of the circumstances surrounding each asset. The carrying values of intangible assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying value may be impaired. The carrying values are compared to the undiscounted anticipated future cash flows related to those assets. If the carrying value of an intangible asset exceeds the future undiscounted cash flow, an impairment charge is recorded in the period in which such review is performed, to the extent that the carrying value exceeds fair value. The Company determined that no impairment indicators existed at December 31, 2023, 2022, and 2021.

Business Combinations

We recognize and measure the assets acquired and liabilities assumed in a business combination based on their estimated fair values at the acquisition date. Goodwill represents the excess purchase price over the fair value of the tangible net assets and intangible assets acquired. Certain assumptions and estimates are employed in evaluating the fair value of assets acquired and liabilities assumed. These estimates may be affected by factors such as changing market conditions, technological advances in the oil and natural gas industry or changes in regulations governing that industry. The most significant assumptions requiring judgment involve identifying and estimating the fair value of intangible assets and the associated useful lives for establishing amortization periods. To finalize purchase accounting for significant acquisitions, we utilize the services of independent valuation specialists to assist in the determination of the fair value of acquired intangible assets. Acquisition related costs are expensed as incurred. Refer to *Note 3. Acquisitions* for further details.

Equity Method Investment

We utilize the equity method to account for investments when we possess the ability to exercise significant influence, but not control, over the operating and financial policies of the investee. The ability to exercise significant influence is presumed when the investor possesses 20% or greater of the voting interests of the investee. This presumption may be overcome based on specific facts and circumstances that demonstrate that the ability to exercise significant influence is restricted. We apply the equity method to investments in common stock and other investments when such investments possess substantially identical subordinated interests to common stock.

In applying the equity method, we record the investment at cost and subsequently increase or decrease the carrying amount of the investment by our proportionate share of the net earnings or losses and other comprehensive income of the investee. We record dividends or other equity distributions as reductions in the carrying value of the investment. We classify distributions received from equity method investees using the cumulative earnings approach in our Consolidated Statements of Cash Flows. Under the cumulative earnings approach, distributions received from the unconsolidated entity are presumed to be a return on the investment unless the distributions received by the investor, less distributions received in prior periods that were deemed to be returns of investment, exceed cumulative equity in earnings recognized by the investor. In 2023, all distributions received were deemed returns on investment and were therefore classified as Cash flows from operating activities. Refer to *Note 3. Acquisitions* for additional information about our equity method investment.

Fair Value of Financial Instruments

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. An established hierarchy for inputs is used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used, when available. Observable inputs are inputs that market participants would use in valuing the asset or liability and are developed based on market data obtained from sources independent of the Company. Unobservable inputs are inputs that reflect our assumptions about the factors that market participants would use in valuing the asset or liability. The valuation hierarchy contains three levels:

- Level 1: Inputs are unadjusted quoted market prices for identical assets or liabilities in active markets.
- Level 2: Inputs are based on quoted prices for similar instruments in active markets, quoted prices for similar or identical instruments in inactive markets and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the assets and liabilities.
- Level 3: One or more significant inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. The fair values are therefore determined using model-based techniques that include option pricing models, discounted cash flow models and similar valuation techniques.

The carrying amounts we have reported for financial instruments, including Cash and restricted cash, Accounts receivables, Accounts payable and short-term debts, approximate their fair values due to the short maturity of those instruments, and are considered Level 1. Short-term and long-term debts are recorded at carrying value, which approximates the fair value due to a variable interest rate and the Company's ability to repay at any time.

The Company accounts for all share-based payments to employees, including grants of employee stock options and restricted stock units, based upon their fair values at grant date or the date of later modification over the requisite service period, and these fair value determinations are considered Level 3.

Revenue Recognition

Product and Service Revenue. The Company recognizes revenue under Accounting Standards Codification Topic 606 ("ASC 606") when customers obtain control of promised goods or services. The revenue recognized is the amount of consideration which we expect to receive in exchange for those goods or services. Our contracts with customers generally contain only one performance obligation for the related product or service ordered. The transaction price is determined using a fixed unit price as specified in the sales contract times the quantity of products or services sold. The transaction price for service arrangements is determined based on hours incurred multiplied by contractually agreed upon rates. In addition, to determine the transaction price at the time when revenue is recognized, we evaluate whether the price is subject to adjustments, such as for discounts or volume rebates, which are stated in the customer contract, to determine the net consideration to which we expect to be entitled. Taxes collected on sales to customers are excluded from the transaction price.

Revenue from product sales is recognized at the point in time when control transfers to the customer. The point in time in which control transfers to the customer is dependent on the associated terms and conditions within our contractual arrangements; typically, the performance obligations are satisfied upon shipment, and this is when control transfers to the customer. The Company has elected to treat shipping and handling costs as fulfillment costs (i.e., not a promised good or service). As such, shipping and handling costs are expensed in the period incurred and included in Selling, general and administration expenses in our Consolidated Statements of Operations and Comprehensive Income.

Revenue from services is recognized as hours are incurred. Services are completed in a short period of time, usually one day or up to one week. The Company recognizes revenue as the services are performed over time. The Company's payment terms generally range from 30 to 60 days; as such, there is no significant financing component associated with the contract.

Rental Revenue. The Company supplies rental equipment to customers through operating leases on a short-term basis, with most equipment on customer site for 30 days or less and there are no variable payment terms. Customers are required to return assets in the same condition as received, otherwise additional charges will be applied. The Company's contracts convey the right to control the use of the identified equipment for a period of time in exchange for consideration; as such, these contracts are considered leases according to ASC 842. Rental revenue is accounted for under the lease guidance according to ASC 842 and recognized ratably over the term of the lease. Customers have the option to extend rental equipment leases for short-term periods and lease contracts do not contain purchase options. Customers take possession of rental equipment as it is needed for specific use, while lease extensions are available to the customer, it is not reasonably certain the options to exercise renewals will be utilized. As such, no assumed lease renewals are included in lease term assessments. No other significant judgments or assumptions were made to determine whether a contract contains a lease. Refer to *Note 4. Revenues* for information regarding the Company's revenue.

Contingencies

In the ordinary course of business, we are subject to various claims, lawsuits and complaints. We vigorously defend ourselves and prosecute these matters as appropriate. We, in consultation with external legal advisors,

will provide for a contingent loss in the Consolidated Financial Statements if, at the date of the Consolidated Financial Statements, it is probable that a liability has been incurred and the amount can be reasonably estimated. Based on a consideration of all relevant facts and circumstances, we do not believe that the ultimate outcome of any currently pending lawsuit against us will have a material adverse effect upon our operations, financial condition or Consolidated Financial Statements. Legal costs are expensed as incurred.

Income Taxes

Deferred taxes are recorded using the asset and liability method, whereby tax assets and liabilities are determined based on the differences between the carrying amount and tax basis of assets and liabilities using enacted tax laws and rates expected to apply to taxable income in the year in which the differences are expected to reverse. We regularly evaluate the valuation allowances established for deferred tax assets for which future realization is uncertain. In assessing the realizability of deferred tax assets, we consider both positive and negative evidence, including scheduled reversals of deferred tax assets and liabilities, projected future taxable income, tax planning strategies and results of recent operations. If, based on the weight of available evidence, it is more likely than not that the deferred tax assets will not be realized, a valuation allowance is recorded.

Innovex is a corporation and is subject to U.S. federal as well as state income tax. Additionally, our operations in foreign jurisdictions are subject to local country income taxes. The Company's policy is to recognize interest and penalties on uncertain tax positions within the provision for income taxes in income tax expense. Refer to *Note 12. Income Taxes* for additional information regarding income taxes.

Among the base broadening provisions of the U.S. Tax Cuts and Jobs Act of 2017 (the "TCJA") are the Global Intangible Low-Tax Income ("GILTI") provisions. In accordance with the guidance issued by the Financial Accounting Standards Board ("FASB") staff, the Company has adopted an accounting policy to treat any GILTI inclusions as a period cost when incurred. Thus, for the years ended December 31, 2023, 2022 and 2021, deferred taxes were computed without consideration of the possible future impact of the GILTI provisions, and any current year impact was recorded as part of the current portion of income tax expense.

Equity-Based Compensation

The Company accounts for equity-based compensation expense in accordance with *Accounting Standards Codification Topic 718, Compensation—Stock Compensation ("ASC 718")*. Equity instruments are measured at fair value on the grant date consistent with the terms of the award. We use an option pricing model to determine the fair value of stock options on the grant date. The Company has elected to account for forfeitures as they occur. The compensation expense is recorded in Selling, general and administrative expenses in the Consolidated Statements of Operations and Comprehensive Income. Refer to *Note 14. Stock based compensation* for additional discussion.

Foreign Currency Transactions

Transactions included in the financial information of each of the Company's subsidiaries are measured using the currency of the primary economic environment in which the entity operates ("the functional currency") and then translated to the U.S. dollar ("the reporting currency") as follows:

- assets and liabilities for each balance sheet presented are translated at the closing rate at the date of that balance sheet;
- income and expenses for each income statement are translated at the average exchange rates occurring during the year-to-date period;
- the effect of exchange rate changes on cash are reported in each cash flow statement presented; and
- all resulting exchange differences are recognized as a separate component within Accumulated Other Comprehensive Income (foreign currency translation adjustments).

Research and Development Costs

Research and development costs, including the development costs of new products to be marketed by the Company, are expensed as incurred and included in Selling, general and administrative expenses on the Consolidated Statements of Operations and Comprehensive Income. Research and development costs were approximately \$3.0 million, \$2.5 million and \$2.3 million for the years ended December 31, 2023, 2022 and 2021, respectively.

Stockholders' Equity

All capital issuances and designations require approval by our Board of Directors. Stockholders are entitled to one vote per share held of record on all matters to be voted upon by the stockholders. As of December 31, 2023 and 2022, there were 15,368,503 shares issued and outstanding. In the event of a liquidation, after payment or provision for payment of all debts and liabilities of the Company, the stockholders are entitled to share ratably in the remaining assets of the Company available for distribution.

Segment Information

The Company operates in one reportable segment as our chief operating decision maker assesses performance and allocates resources based on financial information presented at a consolidated level.

Recent Accounting Pronouncements

Reference Rate Reform (Topic 848). In March 2020, the FASB issued ASU 2020-04, Reference Rate Reform (Topic 848): *Facilitation of the Effects of Reference Rate Reform on Financial Reporting*. In January 2021, FASB issued ASU 2021-01, *Reference Rate Reform (Topic 848): Scope*, which refines the scope of ASC 848 and clarifies some of its guidance as part of the FASB's monitoring of global reference rate reform. This guidance permits entities to elect certain optional expedients and exceptions when accounting for contract modifications for receivables, debt and leases related to reference rate reform as well as derivative contracts and certain hedging relationships affected by reference rate reform activities under way in global financial markets. ASU 2020-04 is effective for all entities for annual periods beginning after December 15, 2020 through December 31, 2024, at which time transition is expected to be complete.

The Company did not elect any of the related expedients for debt modification. The Company accounted for the amendments to the debt agreement in accordance with debt modification guidance under *Accounting Standards Codification 470, Debt* ("ASC 470"). The Company will continue to assess the application of the expedients under ASC 848 for future debt amendments.

Credit Losses (Topic 326). In June 2016, the FASB issued ASU 2016-13, Financial Instruments—Credit Losses (Topic 326): *Measurement of Credit Losses on Financial Instruments*. ASU 2016-13 requires a financial asset (or a group of financial assets) measured at amortized cost basis to be presented at the net amount expected to be collected. The amendments in ASU 2016-13 replace the incurred loss impairment methodology in current GAAP with a methodology that reflects expected credit losses and requires consideration of a broader range of reasonable and supportable information. ASU 2016-13 is effective for U.S. Securities and Exchange Commission filers, excluding smaller reporting companies, for fiscal years beginning after December 15, 2019, including interim periods within those fiscal years. The guidance is effective for all other entities for fiscal years beginning after December 15, 2022, including interim periods within those fiscal years. The Company adopted ASU No. 2016-13 on January 1, 2023, with no material impact on these Condensed Consolidated Financial Statements.

Segment Reporting (Topic 280). In November 2023, the FASB issued ASU 2023-07, Segment Reporting—Improvements to Reportable Segment Disclosures (Topic 280): *Measurement of Credit Losses on Financial Instruments*. The amendments in this update require a public entity to report, for each reportable segment, a

measure of the segment's profit or loss that its chief operating decision maker (CODM) uses to assess segment performance and make decisions about resource allocation. Although information about a segment's revenue and measure of profit or loss is disclosed in an entity's financial statements under the current requirements, there generally is limited information disclosed about a segment's expenses and, therefore, investors supported enhanced expense disclosures. Accordingly, the ASU requires public entities to provide investors with additional, more detailed information about a reportable segment's expenses and is intended to improve the disclosures about a public entity's reportable segments. ASU 2023-07 is effective for fiscal years beginning after December 15, 2023, and interim periods within fiscal years beginning after December 15, 2024. A public entity should apply the amendments in this ASU 2023-07 retrospectively to all prior periods presented in the financial statements. Upon transition, the segment expense categories and amounts disclosed in the prior periods should be based on the significant segment expense categories identified and disclosed in the period of adoption. The company is currently assessing the impact of ASU 2023-07 on its disclosures.

Income Tax Disclosures (ASC 740). In December 2023, the Financial Accounting Standards Board ("FASB") issued ASU 2023-09 which updated accounting guidance related to income tax disclosures. The updated accounting guidance, among other things, requires additional disclosures primarily related to the tax rate reconciliation and income taxes paid. ASU 2023-09 is effective for annual periods beginning after December 15, 2024. The company is currently assessing the impact of ASU 2023-09 on its disclosures.

NOTE 3. ACQUISITIONS

The Company consummated the following acquisitions for the years ended December 31, 2023 and 2022.

Downhole Well Solutions, LLC ("DWS") Acquisition. On May 1, 2023, the Company acquired a 20% equity interest in DWS, via purchasing preferred stock units of DWS, for the purchase price of \$17.6 million in cash consideration. Transaction costs recognized in connection with the acquisition were \$0.7 million and were capitalized as part of the equity investment. DWS sells drilling equipment and related technology which is complimentary to the Company's existing product lines. The Company obtained significant influence over DWS through a 20% ownership and one board seat out of three total board seats of representation on the board of directors of DWS. The acquisition was accounted as an equity method investment under Accounting Standards Codification ("ASC") 323, Investments- Equity Method and Joint Ventures. The cost of the investment is \$15.0 million more than the acquired underlying equity in DWS net assets. The difference is attributable to intangible assets of \$13.0 million and equity method goodwill of \$2.0 million. The difference pertaining to intangible assets will be amortized to Equity method earnings over the remaining useful life of the related asset. For the year ended December 31, 2023, we recorded our proportionate share of DWS's net income of \$3.9 million, adjusted for \$1.0 million amortization attributed to intangible assets. DWS distributed \$1.3 million of dividends to the Company as of December 31, 2023, which was recorded as a reduction of the carrying value of the equity investment.

Pride Energy Services, LLC ("Pride") Acquisition. On August 23, 2022, the Company acquired Pride by purchasing all of Pride's outstanding voting stock. Pride is a leading provider of spooling services and artificial lift logistics in the Permian and Delaware Basins of Texas and New Mexico, the Bakken in North Dakota, and the North Slope of Alaska, expanding the Company's offering with complimentary services. The acquisition was accounted for as a business combination under ASC 805, *Business Combinations* ("ASC 805"), with identifiable assets acquired and liabilities assumed recorded at their estimated fair values on the acquisition date. The Company issued 320,820 shares of Common Stock and paid \$30.0 million in cash as consideration for the acquisition of Pride stock. Transaction costs recognized in connection with the acquisition were immaterial. Goodwill is primarily attributable to the anticipated synergies expected from the integration of Pride. All Pride goodwill is deductible for tax purposes.

The Company has finalized the allocation of the purchase price to the individual assets acquired and liabilities assumed. The allocation of the purchase price is based on the best estimate of management. To assist

management in the allocation, the Company engaged valuation specialists to prepare appraisals. The total purchase price was allocated to net tangible and intangible assets based on their fair values established as of August 23, 2022, as set forth below:

<i>(in thousands)</i>	<u>August 23, 2022</u>

Total intangibles acquired		<u>\$ 20,300</u>

Rubicon Oilfield International, LLC (“Rubicon”) Acquisition. On March 10, 2021, the Company acquired Rubicon by purchasing all of Rubicon’s outstanding stock. Rubicon provides products, technologies and technical services for companies in the oil and natural gas industry. The acquisition is considered a business combination under ASC 805, with identifiable assets acquired and liabilities assumed recorded at their estimated fair values on the acquisition date. The Company issued 2,620,303 shares of Common Stock and paid \$25.9 million in cash as consideration for the acquisition of Rubicon stock, with an acquisition date fair value of \$105.8 million. The total purchase price was allocated to the Company’s acquired net tangible and intangible assets based on their fair values established as of March 10, 2021. The excess of the consideration transferred over the fair value of the net assets acquired was recorded as goodwill of \$15.6 million. Goodwill is primarily attributable to economies of scale expected from the integration of Rubicon; substantially all the Rubicon goodwill is not deductible for tax purposes. The Company incurred transaction costs in connection with the acquisition in the amount of \$4.8 million, which have been expensed as incurred and recognized in Selling, general, and administrative expenses in the Consolidated Statement of Operations and Comprehensive Income as of the acquisition date.

Applied Oil Tools, LLC (“AOT”) Acquisition. On August 23, 2021, the Company acquired the assets of AOT for cash consideration of \$3.7 million. AOT manufactures tools for the oil and natural gas industry. Its product line is considered complementary to the product line acquired through the Rubicon acquisition, and the acquisition included key employees. Under the acquisition method of accounting, the Company was treated as the acquirer, and AOT was treated as the acquired company for financial reporting purposes. The acquisition was recorded as a business combination under ASC 805 with identifiable assets acquired and liabilities assumed recorded at their estimated fair values on the acquisition date. Transaction costs recognized in connection with the acquisition were immaterial. Goodwill is primarily attributable to the anticipated synergies from the integration of AOT; substantially all AOT goodwill is deductible for tax purposes. The total purchase price was allocated to the Company’s acquired net tangible and intangible assets based on their fair values established as of August 23, 2021.

Refer to *Note 7. Intangible Assets and Goodwill* for further discussion of accounting treatment for goodwill and other intangible assets recognized from these acquisitions.

Pro Forma Results (Unaudited). The following unaudited supplemental pro forma financial information presents the Company’s results as though the Pride and Rubicon acquisitions had occurred on January 1, 2021.

(in thousands)	Year Ended December 31,	
	2022	2021
Revenues	\$486,226	\$325,116
Net income (loss)	\$ 63,491	\$ (8,258)

Pro forma net income has been adjusted to reflect additional amortization expense from the acquired intangibles, elimination of historical interest expense associated with the historical indebtedness of the acquired entities, additional interest expense related to debt that would have been incurred if the borrowing to finance the purchase price for the acquisitions had occurred on January 1, 2021, non-recurring costs incurred related to the purchase transactions, and the tax-related effects as though the acquisitions had occurred on January 1, 2021. It was deemed impracticable to present revenues and earnings since the date of the acquisitions of these acquired entities in the Consolidated Statements of Operations and Comprehensive Income for the twelve months ended December 31, 2023, 2022 and 2021, as upon the acquisition dates, both acquired entities were integrated into the Company’s business operations and financial systems, and therefore are not separately identifiable.

The unaudited supplemental pro forma financial information does not include any incremental cost savings that may result from the integration. The unaudited supplemental pro forma financial information is for informational purposes only. The pro forma information is not necessarily indicative of what the combined company’s results actually would have been had the acquisitions been completed as of the beginning of the periods as indicated. In addition, the unaudited pro forma information does not purport to project the future results of the combined company.

NOTE 4. REVENUE

Revenue is recognized as, or when, the performance obligations are satisfied by transferring control of a service or product to the customer. The Company generates revenue primarily from three revenue streams: (i) product revenues, (ii) service revenues; and (iii) rental revenues. We sell or rent our products and provide services primarily in onshore U.S. and Canadian markets (“NAM”) and in international and offshore markets (“International and Offshore”). We attribute rental and service revenue to the country in which the rental or service was performed, while we attribute product sales revenue to the country to which the product was shipped. The Company has elected the practical expedient to expense commissions since the amortization period associated with the asset that would have been recognized for each order is one year or less. Rental revenue, as presented in the table below, is accounted for under the lease guidance according to ASC 842 and recognized ratably over the term of the lease.

From time to time, we may enter into contracts that contain multiple performance obligations, such as work orders containing a combination of product sales, equipment rentals and contract labor services. For these arrangements, we allocate the transaction price to each performance obligation identified in the contract based on relative standalone selling prices and recognize the related revenue as control of each individual product or service is transferred to the customer, in satisfaction of the corresponding performance obligations.

The following table presents our revenues disaggregated by category and by geography:

	Year Ended December 31, 2023			Year Ended December 31, 2022			Year Ended December 31, 2021

The Company measured the impairment loss by comparing the book value with the current third-party quoted market price, resulting in \$1.0 million impairment loss for the year ended December 31, 2022, in Selling, general and administrative expenses in the Consolidated Statements of Operations and Comprehensive Income. In 2023, the company received an updated third-party quoted market price for the abandoned building, resulting in an additional \$0.3 million impairment loss for the year ended December 31, 2023. Impairment. We analyzed definite lived intangible assets for impairment as of December 31, 2023, 2022 and 2021, in accordance with *Accounting Standards Codification 360 Property, Plant, and Equipment*, noting no impairment indicators were present. We analyzed goodwill for impairment as of December 31, 2023, 2022 and 2021, in accordance with *Accounting Standards Codification 350 Intangibles—Goodwill and Other*, noting no impairment indicators were present. For our annual goodwill impairment test as of December 31, 2023, 2022 and 2021, we performed a qualitative assessment to determine if it was more likely than not (that is, a likelihood of more than 50 percent) that the fair value of our reporting unit was less than its carrying value as of the test date. We evaluated events and circumstances since the date of our last quantitative or qualitative assessment, including macroeconomic conditions, industry and market conditions, and our overall financial performance, and it was determined that the reporting unit fair value was, more likely than not, greater than the carrying amount. Therefore, no impairment charges were recorded related to goodwill for the years ended December 31, 2023, 2022 and 2021. We will continue to evaluate our goodwill and definite lived assets for potential triggering events as conditions warrant.

Term Loan and Revolving Credit Facility

The Company's Second Amended and Restated Revolving Credit, Term Loan, Guaranty and Security Agreement (as amended, the "Second A&R Credit Agreement") dated June 10, 2022, governs separate debt facilities referred to as the Term Loan and the Revolving Credit Facility. The Second A&R Credit Agreement also includes additional borrowing capacities, including swing loans and letters of credit, which the Company has not utilized. The original Amended and Restated Revolving Credit Facility, Term Loan and Guaranty and Security Agreement (as amended prior to the Second A&R Credit Agreement, the "A&R Credit Agreement") was dated June 10, 2019. The Second A&R Credit Agreement defines the Company as the borrower and PNC Bank, National Association ("PNC") as the agent. The Term Loan and the Revolving Credit Facility are secured by substantially all of the assets of the Company and certain of its subsidiaries, subject to certain customary exclusions.

Debt Modifications. In November 2020, the Company entered into the Fourth Amendment to the A&R Credit Agreement (the "Fourth Amendment"), which became effective upon the closing of the Rubicon acquisition in March 2021, refer to *Note 3. Acquisitions*. The Fourth Amendment included lender approval for the Rubicon acquisition as well as modifications to require quarterly principal payments on the Term Loan of \$1.0 million on the first day of each quarter, commencing December 31, 2021, followed by a final payment of all unpaid principal and accrued and unpaid interest on the then-maturity date of June 10, 2022. As of December 31, 2021, the A&R Credit Agreement was composed of a \$90.0 million Revolving Credit Facility, \$20.0 million uncommitted accordion feature on the Revolving Credit Facility and \$20.0 million Term Loan.

The Second A&R Credit Agreement includes modifications to the definition of EBITDA and the applicable interest rate and an extension of the maturity date to June 10, 2026. The Second A&R Credit Agreement was composed of a \$90.0 million Revolving Credit Facility, \$20.0 million uncommitted accordion feature on the Revolving Credit Facility and \$24.4 million Term Loan. The Second A&R Credit Agreement requires the Company to make quarterly principal payments on the Term Loan of \$1.25 million on the first day of each quarter, commencing October 1, 2022, followed by a final payment of all unpaid principal and accrued and unpaid interest on the maturity date.

In November 2022, the Company entered into the First Amendment to the Second A&R Credit Agreement (the “First Amendment”), which includes approval for the Pride acquisition in August of 2022. No other modifications were included in the First Amendment.

In April 2023, the Company entered into the Second Amendment to the Second A&R Credit Agreement (the “Second Amendment”), which includes approval for the DWS acquisition in May of 2023. Refer to *Note 3. Acquisitions* for discussion of the Pride and DWS acquisitions. The Second Amendment included increased borrowing availability of the Revolving Credit Facility to \$110.0 million, increased borrowing availability of the Term Loan to \$25.0 million, and a requirement for the Company to maintain \$15.0 million of Revolving Credit Facility availability at closing of the DWS transaction.

In December 2023, the Company entered into the Third Amendment to the Second A&R Credit Agreement (the “Third Amendment”), in which the lenders consented and agreed to the repayment in full of the Subordinated Notes prior to the maturity date. As of December 31, 2023, borrowing capacity available on the Revolving Credit Facility was \$85.5 million.

We performed a debt modification analysis in accordance with ASC 470 and concluded that the modifications align with modification accounting. There is no gain or loss resulting from the Second A&R Credit Agreement. We were in compliance with our debt covenants at December 31, 2023 and 2022.

Interest Expense. Interest expense for the A&R Agreement and the Second A&R Credit Agreement is calculated based on fixed and floating rate components, displayed below:

Term Loan	LIBOR*+3.25%	SOFR** + 2.00%

(Note: *London Interbank Offered Rate; ** Secured Overnight Financing Rate.)

For the years ended December 31, 2023, 2022 and 2021, the Company’s effective interest rate on the term loan was approximately 7.61%, 4.79% and 5.59%, respectively, and the effective interest rate on the revolving line of credit was approximately 9.56%, 7.28% and 5.76%, respectively. The Company has no capitalized interest for the years ended December 31, 2023, 2022 and 2021.

Subordinated Debt

On June 10, 2019, in conjunction with multiple acquisitions, the Company issued subordinated notes totaling approximately \$11.9 million (collectively, the “Subordinated Notes”) payable to the sellers as part of the consideration paid by the Company for the acquired assets. In connection with the December 2023 Third Amendment to the Credit Agreement, the lenders consented and agreed to the repayment in full of the Subordinated Notes prior to the maturity date notwithstanding anything to the contrary in the Subordination Agreements, and each such Subordinated Note was repaid in full in December 2023.

As of December 31, 2023, it was determined that there is sufficient positive evidence to conclude that it is more likely than not that \$14.1 million of deferred taxes are realizable. The valuation allowance was \$46.9 million and \$46.5 million at December 31, 2023 and December 31, 2022 respectively. NOTE 13. EARNINGS PER SHARE

Basic earnings per share of Common Stock is calculated by dividing the net income attributable to the Company during the period by the weighted average number of shares of Common Stock outstanding during the same period. Diluted earnings per share, if dilutive, includes the incremental effect of issuable shares from stock awards, as determined using the treasury stock method.

NOTE 14. STOCK BASED COMPENSATION

Equity Incentive Plan

We maintain a single equity incentive plan, the 2016 Equity Incentive Plan (the “2016 Plan”), for the benefit of our employees, directors and other service providers. The following is a summary of certain features of the 2016 Plan.

2016 Plan. The 2016 Plan provides for awards of stock options, restricted stock awards, bonus stock, and other awards. Awards under the 2016 Plan may be granted to any employee, non-employee director, consultant, or other personal service provider to the Company or any of our subsidiaries. The 2016 Plan is administered by a plan administrator, which is our Board of Directors. The 2016 Plan was established with the authorization for grants of up to 819,302 shares of authorized but unissued shares of Common Stock. The 2016 Plan has been amended in 2018, 2019, 2020, and 2023 to increase the number of shares available under the 2016 Plan. As of December 31, 2023, the number of shares authorized under the plan is 2,000,000. The total number of shares available for future issuance under the 2016 Plan is 583,363 shares as of December 31, 2023. The awards typically vest for both employees and non-employees over a three or four-year service period. The Company recognizes share-based compensation expense on a straight-line basis over the requisite service period for awards expected to ultimately vest for both employee and non-employee awards. New shares of common stock will be issued for employee stock option exercises.

The total amount of stock-based compensation expense recorded was \$2.0 million, \$0.9 million, and \$0.7 million for the years ended December 31, 2023, 2022, and 2021 respectively. Total stock based compensation for all types of awards is as follows:

	Year Ended December 31,		
	2023	2022	2021
Restricted stock units	1,205	—	—
Stock options	757	907	703
Total stock based compensation expense	1,962	907	703

Restricted Stock and Restricted Stock Units

The Company may grant Restricted Stock, or the right to purchase Restricted Stock, to any Service Provider (as defined in the 2016 Plan), subject to the right of the Company to repurchase all or part of such shares at their issue price or other stated or formula price from the Participant (as defined in the 2016 Plan) (or to require forfeiture of such shares if issued at no cost) in the event that conditions specified by the Administrator (as defined in the 2016 Plan) in the applicable Award Agreement are not satisfied prior to the end of the applicable restriction period or periods established by the Administrator for such Award. In addition, the Administrator may grant to Service Providers Restricted Stock Units (as defined in the 2016 Plan), which may be subject to vesting and forfeiture conditions during applicable restriction period or periods, as set forth in an applicable Award Agreement.

During the twelve months ended December 31, 2023, we granted 156,609 equity-classified restricted stock units (“RSUs”), with a weighted average grant date fair value of \$31.17. For the twelve months ended December 31, 2022 and 2021, no RSUs were granted. When the RSUs are originally granted to employees or non-employee directors, they are valued at fair value on the date of grant. The Company recognizes share-based compensation expense on a straight-line basis over the requisite service period for awards expected to ultimately vest for both employee and non-employee awards. No RSUs vested during the twelve months ended December 31, 2023 and no bonus stock or other stock awards were issued or outstanding for the periods ended December, 2023, 2022, or 2021, respectively. Activity related to our restricted stock units is as follows:

	Number of Restricted Stock Units	Weighted- Average Grant Date Fair Value per Stock Unit
Restricted stock, December 31, 2022	—	—
Granted	156,609	31.17
Vested	—	—
Forfeited	—	—
Restricted stock, December 31, 2023	\$ 156,609	31.17

The grant date fair value of the non-vested restricted stock units granted during the years ended December 31, 2023 was \$4.9 million. As of December 31, 2023, we expect \$3.7 million of unrecognized compensation cost related to our restricted stock unit grants to be recognized over the weighted-average period of 3.0 years.

Stock Options

Stock options granted under the 2016 Plan generally vest annually in equal increments over four years and have a ten-year term.

Determining fair market value. We estimated the fair value of each option grant using the Black-Scholes option-pricing model. The Black-Scholes option pricing model requires estimates of key assumptions based on both historical information and management judgment regarding market factors and trends. Determining the appropriate fair value model and calculating the fair value of options requires the input of highly subjective assumptions, including the expected volatility of the price of our stock, the risk-free rate, the expected term of the options and the expected dividend yield of our Common Stock. These estimates involve inherent uncertainties and the application of management’s judgment. If factors change and different assumptions are used, our share-based compensation expense could be materially different in the future.

- *Expected volatility: 60%*—We estimated our expected volatility by using the historical volatilities of our peer group of public companies.

- *Risk-free interest rate:* The risk-free interest rates for options granted are based on the constant maturity Treasury bond rates whose term is consistent with the expected life of an option from the date of grant.
- *Expected term: 4 Years*—We based our expected term for awards issued to employees on the vesting period for the option.
- *Expected dividend yield: 0%*—We do not anticipate paying cash dividends on our shares of Common Stock; therefore, the expected dividend yield is assumed to be zero.
- *Weighted average estimated fair value per award:* Using the Black-Scholes option-pricing model the estimated fair value for the awards granted in 2023, 2022 and 2021 were \$11.97, \$10.17 and \$6.68, respectively.

During the years ended December 31, 2023, 2022, and 2021 a total of 415,000, 60,500, and 321,950 options were granted with a weighted average grant date fair value of \$5.0 million, \$0.6 million, and \$2.2 million, respectively. For the year ended December 31, 2023 a total of 417,968 options were forfeited with a weighted average grant date fair value of \$5.0 million.

During the year ended December 31, 2023 a total of 102,056 options vested during the year with a fair market value of \$0.8 million, or \$8.04 per stock option. During the year ended December 31, 2022 a total of 146,975 options vested during the year with a fair market value of \$1.3 million, or \$9.07 per stock option. During the year ended December 31, 2021 a total of 73,250 options vested during the year with a fair value of \$1.3 million, or \$18.27 per stock option. As of December 31, 2023, the Company expects to record stock option compensation expense of \$1.3 million over the remaining vesting term of 3.0 years. Compensation expense is recognized on a straight-line basis over the service period, future grants will result in additional compensation expense.

The following table summarizes stock option activity during the year ended December 31, 2023, 2022 and 2021:

Other Stock Based Awards

Other Stock-Based Awards (as defined in the 2016 Plan) may be granted to Participants, including, without limitation, Awards entitling Participants to receive shares of Common Stock to be delivered in the future. Such Other Stock-Based Awards shall also be available as a form of payment in the settlement of other Awards granted under the 2016 Plan, as stand-alone payments and/or as payment in lieu of compensation to which a Participant is otherwise entitled. Other Stock-Based Awards may be paid in shares of Common Stock, cash or other property, as the Administrator shall determine. Subject to the provisions of the 2016 Plan, the Administrator shall determine the terms and conditions of each Other Stock-Based Award, including any purchase price, transfer restrictions, vesting conditions and other terms and conditions applicable thereto, which shall be set forth in the applicable Award Agreement. For the years ended December 31, 2023, 2022 and 2021, there were no other stock based awards issued, and no other stock based awards outstanding as of December 31, 2023, 2022 and 2021.

NOTE 15. RELATED PARTY TRANSACTIONS

Related parties include key management personnel having authority and responsibility for planning, directing, and monitoring the activities of the Company directly or indirectly and their close family members. In the normal course of business, the Company from time to time receives services from, or sells products to, related parties, in transactions that are either not material or are approved in accordance with our Related Party Transaction Approval Policy.

The Company makes regular purchases from vendors that are related parties. The purchases are carried out in the normal course of business. The total of such purchases were \$1.7 million, \$0.6 million and \$0.6 million for the years ended December 31, 2023, 2022 and 2021, respectively. In October 2023, we added a new member to our Board of Directors who is an executive of Pioneer Natural Resources, Inc. ("Pioneer"), which is an established customer of Innovex. Total revenue earned from Pioneer for the year ended December 31, 2023 was \$9.1 million, and the outstanding accounts receivable, net due from Pioneer as of December 31, 2023 was \$1.5 million.

NOTE 16. COMMITMENTS AND CONTINGENCIES

Purchase Commitments

On July 1, 2022, the Company entered into a supply agreement (the "Supply Agreement") with SCF Machining Corporation ("SCF"), a manufacturing company in Vietnam. Under the Supply Agreement, subject to certain terms and conditions, the Company agreed to a minimum annual purchase commitment of \$10 million USD for the manufacturing and machining of oilfield parts for three years starting on the date of first purchase, which was in January of 2023. The Company's total remaining purchase commitment under the Supply Agreement until January 2026 is approximately \$21.2 million.

Litigation

The Company is party to various legal proceedings from time to time. A liability is accrued when a loss is both probable and can be reasonably estimated. Management believes that the probability of a material loss with respect to any currently pending legal proceeding is remote. As such, the Company did not record a reserve for litigation as of December 31, 2023, 2022 or 2021, respectively.

NOTE 17. SUBSEQUENT EVENTS

On March 18, 2024, the Company entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Dril-Quip, Inc., a Delaware corporation (“Dril-Quip”), Ironman Merger Sub, Inc., a Delaware corporation and wholly owned subsidiary of Dril-Quip, and DQ Merger Sub, LLC, a Delaware limited liability company and wholly owned subsidiary of Dril-Quip. Upon consummation of the transactions contemplated by the Merger Agreement, we expect current Dril-Quip shareholders will own approximately 52% of the Combined Company (as defined below) and current shareholders of the Company will own approximately 48% of the Combined Company. Following the transactions, the name of the surviving entity will be changed to Innovex International, Inc. (the “Combined Company”), and its common stock will remain listed on the New York Stock Exchange.

The transaction has been approved by the boards of directors of Innovex and Dril-Quip and is expected to close in the third quarter of 2024. The closing of the transaction is subject to closing conditions including, among others, regulatory approval and approval by Dril-Quip’s stockholders.

Subsequent events have been updated through April 2, 2024, the date on which these Consolidated Financial Statements were available to be issued.

The products we provide have applications across the well lifecycle for both onshore and offshore oil and natural gas wells, including well construction, well completion, and well production and intervention applications.

Basis of Presentation

The accompanying Condensed Consolidated Financial Statements have been prepared in conformity with accounting principles generally accepted in the United States (“U.S. GAAP” or “GAAP”) for interim financial information. The Condensed Consolidated Financial Statements include the accounts of our subsidiaries where we have control over operating and financial policies. Investments in unconsolidated affiliates, in which the Company can exercise significant influence, but does not own a controlling financial interest, are accounted for using the equity method. These Condensed Consolidated Financial Statements should be read in conjunction with our financial statements and related notes thereto for the year ended December 31, 2023 (“Annual Report”). In the opinion of management, these Condensed Consolidated Financial Statements reflect all normal, recurring adjustments necessary for a fair statement of the interim periods presented. The results of operations for interim periods are not necessarily indicative of those for a full year. All intercompany accounts and transactions have been eliminated for purposes of preparing these Condensed Consolidated Financial Statements.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Our significant accounting policies are described in “Note 2. Summary of Significant Accounting Policies” in our Annual Report.

Recent Accounting Pronouncements

Reference Rate Reform (Topic 848). In March 2020, the Financial Accounting Standards Board (“FASB”) issued ASU 2020-04, Reference Rate Reform (Topic 848): *Facilitation of the Effects of Reference Rate Reform on Financial Reporting*. In January 2021, FASB issued ASU 2021-01, *Reference Rate Reform (Topic 848): Scope*, which refines the scope of ASC 848 and clarifies some of its guidance as part of the FASB’s monitoring of global reference rate reform. This guidance permits entities to elect certain optional expedients and exceptions when accounting for contract modifications for receivables, debt and leases related to reference rate reform as well as derivative contracts and certain hedging relationships affected by reference rate reform activities under way in global financial markets. ASU 2020-04 is effective for all entities for annual periods beginning after December 15, 2020 through December 31, 2024, at which time transition is expected to be complete.

The Company did not elect any of the related expedients for debt modification. The Company accounted for the amendments to the debt agreement in accordance with debt modification guidance under *Accounting Standards Codification 470, Debt* (“ASC 470”). The Company will continue to assess the application of the expedients under ASC 848 for future debt amendments.

Credit Losses (Topic 326). In June 2016, the FASB issued ASU 2016-13, Financial Instruments—Credit Losses (Topic 326): *Measurement of Credit Losses on Financial Instruments*. ASU 2016-13 requires a financial asset (or a group of financial assets) measured at amortized cost basis to be presented at the net amount expected to be collected. The amendments in ASU 2016-13 replace the incurred loss impairment methodology in current GAAP with a methodology that reflects expected credit losses and requires consideration of a broader range of reasonable and supportable information. ASU 2016-13 is effective for U.S. Securities and Exchange Commission filers, excluding smaller reporting companies, for fiscal years beginning after December 15, 2019, including interim periods within those fiscal years. The guidance is effective for all other entities for fiscal years beginning after December 15, 2022, including interim periods within those fiscal years. The Company adopted ASU No. 2016-13 on January 1, 2023, with no material impact on these Condensed Consolidated Financial Statements.

Segment Reporting (Topic 280). In November 2023, the FASB issued ASU 2023-07, Segment Reporting—Improvements to Reportable Segment Disclosures (Topic 280). The amendments in this update require a public entity to report, for each reportable segment, a measure of the segment's profit or loss that its chief operating decision maker (CODM) uses to assess segment performance and make decisions about resource allocation. Although information about a segment's revenue and measure of profit or loss is disclosed in an entity's financial statements under the current requirements, there generally is limited information disclosed about a segment's expenses and, therefore, investors supported enhanced expense disclosures. Accordingly, the ASU requires public entities to provide investors with additional, more detailed information about a reportable segment's expenses and is intended to improve the disclosures about a public entity's reportable segments. ASU 2023-07 is effective for fiscal years beginning after December 15, 2023, and interim periods within fiscal years beginning after December 15, 2024. A public entity should apply the amendments in this ASU 2023-07 retrospectively to all prior periods presented in the financial statements. Upon transition, the segment expense categories and amounts disclosed in the prior periods should be based on the significant segment expense categories identified and disclosed in the period of adoption. The Company is currently assessing the impact of ASU 2023-07 on its disclosures.

Income Tax Disclosures (ASC 740). In December 2023, the FASB issued ASU 2023-09 which updated accounting guidance related to income tax disclosures. The updated accounting guidance, among other things, requires additional disclosures primarily related to the tax rate reconciliation and income taxes paid. ASU 2023-09 is effective for annual periods beginning after December 15, 2024. The Company is currently assessing the impact of ASU 2023-09 on its disclosures.

NOTE 3. MERGERS AND ACQUISITIONS

The Company's acquisition of business and equity method investments consisted of the following during the three months ended March 31, 2024 and the twelve months ended December 31, 2023.

Merger Agreement. On March 18, 2024, the Company entered into an Agreement and Plan of Merger (the "Merger Agreement") with Dril-Quip, Inc., a Delaware corporation ("Dril-Quip"), Ironman Merger Sub, Inc., a Delaware corporation and wholly owned subsidiary of Dril-Quip, and DQ Merger Sub, LLC, a Delaware limited liability company and wholly owned subsidiary of Dril-Quip. Following the transactions, the name of the surviving entity will be changed to Innovex International, Inc. (the "Combined Company"), and its common stock will remain listed on the New York Stock Exchange. Upon consummation of the transactions contemplated by the Merger Agreement, we expect current Dril-Quip stockholders will own approximately 52% of the Combined Company and current stockholders of the Company will own approximately 48% of the Combined Company. It is expected that the proposed mergers would be accounted for using the acquisition method of accounting with Innovex being identified as the accounting acquirer.

The merger transactions have been approved by the boards of directors of Innovex and Dril-Quip and are expected to close in the third quarter of 2024. The closing of the merger transactions are subject to closing conditions including, among others, regulatory approval and approval by Dril-Quip's stockholders.

Downhole Well Solutions, LLC (“DWS”) Acquisition. On May 1, 2023, the Company acquired a 20% equity interest in DWS, via purchasing preferred stock units of DWS, for the purchase price of \$17.6 million in cash consideration. Transaction costs recognized in connection with the acquisition were \$0.7 million and were capitalized as part of the equity investment. DWS sells drilling equipment and related technology which is complimentary to the Company’s existing product lines. The Company obtained significant influence over DWS through a 20% ownership and one board seat out of three total board seats of representation on the board of directors of DWS. The acquisition was accounted for as an equity method investment under Accounting Standards Codification (“ASC”) 323, *Investments- Equity Method and Joint Ventures*. The cost of the investment is \$15.0 million more than the acquired underlying equity in DWS net assets. The difference is attributable to intangible assets of \$13.0 million and equity method goodwill of \$2.0 million. The difference pertaining to intangible assets will be amortized to Equity income over the remaining useful life of the related asset. For the three months ended March 31, 2024, we recorded our proportionate share of DWS’s net income of \$0.8 million, adjusted for \$0.4 million amortization attributed to intangible assets. DWS distributed \$1.1 million of dividends to the Company for the three months ended March 31, 2024, which was recorded as a reduction of the carrying value of the equity investment.

NOTE 4. REVENUE

Revenue is recognized as, or when, the performance obligations are satisfied by transferring control of a service or product to the customer. The Company generates revenue primarily from three revenue streams: (i) product revenues, (ii) service revenues; and (iii) rental revenues. We sell or rent our products and provide services primarily in onshore U.S. and Canadian markets (“NAM”) and in international and offshore markets (“International and Offshore”). We attribute rental and service revenue to the country in which the rental or service was performed, while we attribute product sales revenue to the country to which the product was shipped. The Company has elected the practical expedient to expense commissions as the amortization period associated with the asset that would have been recognized for each order is one year or less. Rental revenue as presented in the table below is accounted for under the lease guidance according to ASC 842 and recognized ratably over the term of the lease.

From time to time, we may enter into contracts that contain multiple performance obligations, such as work orders containing a combination of product sales, equipment rentals and contract labor services. For these arrangements, we allocate the transaction price to each performance obligation identified in the contract based on relative standalone selling prices and recognize the related revenue as control of each individual product or service is transferred to the customer, in satisfaction of the corresponding performance obligations.

The following table presents our revenues disaggregated by category and by geography:

(in thousands)	Three Months Ended March 31, 2024			Three Months Ended March 31, 2023		
	NAM	INTL & Offshore	Total	NAM	INTL & Offshore	Total

Accounts receivable are stated at the historical carrying amount net of allowances for credit losses. We evaluate our global accounts receivable through a continuous process of assessing our portfolio on an individual customer and overall basis. Based on our review, we establish or adjust allowances for specific customers. Past due balances are written-off against allowance for credit losses when the accounts are deemed to be no longer collectible.

Impairment. We analyzed definite lived intangible assets for impairment as of March 31, 2024 and December 31, 2023, in accordance with *Accounting Standards Codification 360 Property, Plant, and Equipment*, noting no impairment indicators were present. We analyzed goodwill for impairment as of March 31, 2024 and December 31, 2023, in accordance with *Accounting Standards Codification 350 Intangibles—Goodwill and Other*, noting no impairment indicators were present. For our annual goodwill impairment test as of December 31, 2023, we performed a qualitative assessment to determine if it was more likely than not (that is, a likelihood of more than 50 percent) that the fair value of our reporting unit was less than its carrying value as of the test date. We evaluated events and circumstances since the date of our last quantitative or qualitative assessment, including macroeconomic conditions, industry and market conditions, and our overall financial performance, and it was determined that the reporting unit fair value was, more likely than not, greater than the carrying amount. Therefore, no impairment charges were recorded related to goodwill for the periods ended March 31, 2024 and December 31, 2023. We will continue to evaluate our goodwill and long-lived assets for potential triggering events as conditions warrant.

The following table presents a roll-forward of goodwill for the periods ended March 31, 2024 and December 31, 2023:

Term Loan and Revolving Credit Facility

The Company's Second Amended and Restated Revolving Credit, Term Loan, Guaranty and Security Agreement (as amended, the "Second A&R Credit Agreement") dated June 10, 2022, governs separate debt facilities referred to as the Term Loan and the Revolving Credit Facility. The Second A&R Credit Agreement also includes additional borrowing capacities, including swing loans and letters of credit, which the Company has not utilized. The Second A&R Credit Agreement defines the Company as the borrower and PNC Bank, National Association ("PNC") as the agent. The Term Loan and the Revolving Credit Facility are secured by substantially all of the assets of the Company and certain of its subsidiaries, subject to certain customary exclusions. As of March 31, 2024, borrowing capacity available on the Revolving Credit Facility was \$75.0 million.

Debt Modifications. The original Amended and Restated Revolving Credit Facility, Term Loan and Guaranty and Security Agreement (as amended prior to the Second A&R Credit Agreement, the "A&R Credit Agreement") was dated June 10, 2019. In November 2020, the Company entered into the Fourth Amendment to the A&R Credit Agreement (the "Fourth Amendment"), which became effective in March 2021. The Fourth

Amendment included modifications to require quarterly principal payments on the Term Loan, followed by a final payment of all unpaid principal and accrued and unpaid interest on the then-maturity date of June 10, 2022.

The Second A&R Credit Agreement includes modifications to the definition of EBITDA and the applicable interest rate and an extension of the maturity date to June 10, 2026. The Second A&R Credit Agreement was composed of a \$90.0 million Revolving Credit Facility, \$20.0 million uncommitted accordion feature on the Revolving Credit Facility and \$24.4 million Term Loan. The Second A&R Credit Agreement requires the Company to make quarterly principal payments on the Term Loan of \$1.25 million on the first day of each quarter, commencing October 1, 2022, followed by a final payment of all unpaid principal and accrued and unpaid interest on the maturity date.

In April 2023, the Company entered into the Second Amendment to the Second A&R Credit Agreement (the “Second Amendment”), which includes approval for the DWS acquisition in May of 2023. Refer to *Note 3. Mergers and Acquisitions* for discussion of the DWS acquisition. The Second Amendment included increased borrowing availability of the Revolving Credit Facility to \$110.0 million, increased borrowing availability of the Term Loan to \$25.0 million, and a requirement for the Company to maintain \$15.0 million of Revolving Credit Facility availability at closing of the DWS transaction.

In December 2023, the Company entered into the Third Amendment to the Second A&R Credit Agreement (the “Third Amendment”), in which the lenders consented and agreed to the repayment in full of the Subordinated Notes prior to the maturity date.

We performed a debt modification analysis in accordance with ASC 470 and concluded that the modifications align with modification accounting. There is no gain or loss resulting from the Second A&R Credit Agreement. We were in compliance with our debt covenants at March 31, 2024 and December 31, 2023.

Interest Expense. Interest expense for the Second A&R Credit Agreement is calculated based on fixed and floating rate components, displayed below:

Agreement Version:	Second A&R Credit Agreement
Credit Facility	SOFR* + 1.75%
Term Loan	SOFR* + 2.00%

(Note: * Secured Overnight Financing Rate.)

For the three months ended March 31, 2024 and 2023, the Company’s effective interest rate on the term loan was approximately 8.60% and 6.71%, respectively, and the effective interest rate on the revolving line of credit was approximately 8.52% and 8.18%, respectively. The Company has no capitalized interest for the periods ended March 31, 2024 or December 31, 2023.

NOTE 11. INCOME TAXES

During the three months ended March 31, 2024, we recorded a total income tax provision of \$5.1 million on \$21.5 million of pre-tax income, resulting in an effective tax rate of 23.7%. For the three months ended March 31, 2023, we recorded a total income tax provision of \$0.9 million on \$20.4 million of pre-tax income, resulting in an effective tax rate of 4.4%. The change in the effective tax rate between the periods was due to discrete items recorded in the first quarter of 2023 related to prior period adjustments offset by changes in projected earnings mix by geography and tax jurisdiction.

NOTE 12. EARNINGS PER SHARE

Basic earnings per share of Common Stock is calculated by dividing the net income attributable to the Company during the period by the weighted average number of shares of Common Stock outstanding during the same period. Diluted earnings per share, if dilutive, includes the incremental effect of issuable shares from stock awards, as determined using the treasury stock method.

The following table summarizes the basic and diluted earnings per share calculations:

	2024	2023

NOTE 13. STOCK BASED COMPENSATION

Equity Incentive Plan

We maintain a single equity incentive plan, the 2016 Equity Incentive Plan (the "2016 Plan"), for the benefit of our employees, directors and other service providers. The following is a summary of certain features of the 2016 Plan.

2016 Plan. The 2016 Plan provides for awards of stock options, restricted stock awards, bonus stock, and other awards. Awards under the 2016 Plan may be granted to any employee, non-employee director, consultant, or other personal service provider to us or any of our subsidiaries. The 2016 Plan is administered by a plan administrator, which is our Board of Directors. The 2016 Plan was established with the authorization for grants of up to 819,302 shares of authorized but unissued shares of Common Stock. The 2016 Plan has been amended in 2018, 2019, 2020 and 2023 to increase the number of shares available under the 2016 Plan. As of March 31, 2024, the number of shares authorized under the plan is 2,000,000. The total number of shares available for future issuance under the 2016 Plan is 256,163 shares as of March 31, 2024. The awards typically vest for both

employees and non-employees over a three- or four-year service period. The Company recognizes share-based compensation expense on a straight-line basis over the requisite service period for awards expected to ultimately vest for both employee and non-employee awards.

The total amount of stock-based compensation expense recorded was \$0.5 million and \$0.5 million for the three months ended March 31, 2024 and 2023, respectively.

Restricted Stock and Restricted Stock Units

During the three months ended March 31, 2024, we granted 327,200 equity-classified restricted stock units (“RSUs”), with a weighted average grant date fair value of \$35.00. The RSUs granted are performance-based and are dependent on the consummation of the merger transactions between Innovex and Dril-Quip. Refer to *Note 3. Mergers and Acquisitions* for further details. These awards will vest on two different vesting schedules. Immediately upon closing of the mergers, 134,200 RSUs will vest. The remaining 193,000 RSUs will vest over 2 years beginning from the date of the mergers. The Company will begin recognizing share-based compensation expense for the transaction dependent awards when it is concluded that this performance condition will be achieved and will recognize the cost based on the vesting schedule of each award. For the three months ended March 31, 2023, no RSUs were granted. When the RSUs are originally granted to employees or non-employee directors, they are valued at fair value on the date of grant. There were 38,403 RSUs that vested during the three months ended March 31, 2024. No RSUs vested during the three months ended March 31, 2023. No bonus stock or other stock awards were issued or outstanding for the three months ended March 31, 2024 and 2023.

As of March 31, 2024, we expect \$3.4 million of unrecognized compensation cost related to our restricted stock unit grants, excluding RSUs that are contingent upon the closing of the mergers, to be recognized over the weighted-average period of 2.7 years. Future grants will result in additional compensation expense.

Stock Options

Stock options granted under the 2016 Plan generally vest annually in equal increments over four years and have a ten-year term.

Determining fair market value. We estimated the fair value of each option grant using the Black-Scholes option-pricing model. The Black-Scholes option pricing model requires estimates of key assumptions based on both historical information and management judgment regarding market factors and trends. Determining the appropriate fair value model and calculating the fair value of options requires the input of highly subjective assumptions, including the expected volatility of the price of our stock, the risk-free rate, the expected term of the options and the expected dividend yield of our Common Stock. These estimates involve inherent uncertainties and the application of management’s judgment. If factors change and different assumptions are used, our share-based compensation expense could be materially different in the future.

As of March 31, 2024, the Company expects to record stock option compensation expense of \$1.1 million over the remaining vesting term of 2.8 years. Future grants will result in additional compensation expense.

NOTE 14. RELATED PARTY TRANSACTIONS

Related parties include key management personnel having authority and responsibility for planning, directing, and monitoring the activities of the Company directly or indirectly and their close family members. In the normal course of business, the Company from time to time receives services from, or sells products to, related parties, in transactions that are either not material or approved in accordance with our Related Party Transaction Approval Policy.

The Company makes regular purchases from vendors that are related parties. The purchases are carried out in the normal course of business. The total of such purchases were \$0.4 million and \$0.2 million for the three

months ended March 31, 2024 and 2023, respectively. In October 2023, we added a new member to our Board of Directors who is an executive of Pioneer Natural Resources, Inc. ("Pioneer"), which is an established customer of Innovex. Total revenue earned from Pioneer for the three months ended March 31, 2024 was \$2.9 million, and the outstanding net accounts receivable due from Pioneer as of March 31, 2024 was \$1.5 million.

NOTE 15. COMMITMENTS AND CONTINGENCIES

Litigation

The Company is party to various legal proceedings from time to time. A liability is accrued when a loss is both probable and can be reasonably estimated. Management believes that the probability of a material loss with respect to any currently pending legal proceeding is remote. As such, the Company did not record a reserve for litigation as of March 31, 2024 or December 31, 2023.

NOTE 16. SUBSEQUENT EVENTS

We signed an option to acquire the remaining 80% interest in DWS dated April 24, 2024, exercisable between now and April 30, 2025. If we exercise the option before September 30, 2024, the purchase price will be primarily fixed in nature. If we exercise the option after September 30, 2024, the purchase price will be based on a multiple of DWS EBITDA.

Subsequent events have been updated through June 14, 2024, the date on which these Consolidated Financial Statements were available to be issued.

ARTICLE III

EFFECTS OF THE MERGERS

Section 3.1 Effects. The Mergers shall have the effects set forth in this Agreement, the First Certificate of Merger, the Second Certificate of Merger and the applicable provisions of the DGCL and DLLCA, as applicable. Without limiting the generality of the foregoing, and subject thereto, (a) at the Effective Time, all the rights, privileges, immunities, powers, purposes, property and assets of each of Merger Sub and Company shall vest in the Surviving Corporation, and all liabilities, obligations and penalties of each of Merger Sub and Company shall be assumed by the Surviving Corporation and (b) at the Second Merger Effective Time, all rights, privileges, immunities, powers, purposes, property and assets of each of the Surviving Corporation and LLC Sub shall vest in the Surviving Company, and all liabilities, obligations and penalties of each of the Surviving Corporation and LLC Sub shall be assumed by the Surviving Company.

Section 3.2 Conversion of Securities

(a) At the Effective Time, by virtue of the First Merger and without any action on the part of any Parent Party, Company or the holders of any of the following securities:

(i) Conversion of Company Common Stock. Each share of common stock, par value \$0.01 per share, of Company (the "Company Common Stock") issued and outstanding immediately prior to the Effective Time (other than any Disregarded Shares and Dissenting Shares) ("Eligible Shares") shall be converted automatically into and shall thereafter represent the right to receive a number of shares of common stock, par value \$0.01 per share, of Parent (such shares, collectively, the "Parent Common Stock" and, each, a "Parent Share") equal to the quotient of (i) the Aggregate Merger Consideration divided by (ii) the Company Fully Diluted Shares (the portion of the Aggregate Merger Consideration payable per share of Company Common Stock, the "Per Share Merger Consideration"). As of the Effective Time, all Eligible Shares shall cease to be outstanding, shall cease to exist, and shall be cancelled and thereafter represent only the right to receive the Per Share Merger Consideration and the right to receive any dividends or other distributions pursuant to [Section 3.4\(c\)](#), in each case, to be issued or paid in accordance with [Section 3.4](#), without interest and subject to any withholding of Taxes required by applicable Law. In no event will Parent issue more shares of Parent Common Stock pursuant to this Section 3.2 and [Section 3.5](#) than the Aggregate Merger Consideration.

(ii) Company and Parent-Owned Company Shares. Each share of Company Common Stock owned by Company, Merger Sub, Parent or any direct or indirect, wholly owned Subsidiary of Company or Parent ("Disregarded Shares"), in each case, immediately prior to the Effective Time, shall cease to be outstanding, shall cease to exist and shall be cancelled without any conversion thereof, and no consideration shall be paid with respect thereto.

(iii) Conversion of Merger Sub Shares. Each share of common stock of Merger Sub (the "Merger Sub Shares") issued and outstanding immediately prior to the Effective Time shall be converted into one fully paid and non-assessable share of common stock, par value \$0.01 per share, of the Surviving Corporation ("Surviving Corporation Shares").

(b) At the Second Merger Effective Time, by virtue of the Second Merger and without any action on the part of any Parent Party, the Surviving Corporation, Company or the holders of any of the following securities:

(i) LLC Sub Membership Interests. The membership interests of LLC Sub issued and outstanding immediately prior to the Second Merger Effective Time shall remain issued and outstanding and shall constitute the only outstanding membership interests of the Surviving Company immediately following the Second Merger Effective Time (the "LLC Sub Membership Interests").

(ii) Capital Stock of the Surviving Corporation. Each share of common stock of the Surviving Corporation issued and outstanding immediately prior to the Second Merger Effective Time shall cease to be outstanding and shall automatically be cancelled and cease to exist at the Second Merger Effective Time, and no consideration shall be delivered in exchange therefor or cancellation thereof. Each holder of a share of Surviving Corporation Shares that was outstanding immediately prior to the Second Merger Effective Time shall cease to have any rights with respect thereto.

(c) Exchange of Certificates. Certificates that immediately prior to the Effective Time represented the shares of Company Common Stock (the "Company Certificates" or "Certificates"), and the shares of Company Common Stock represented by book-entry, the "Company Book-Entry Shares" or "Book-Entry Shares") shall be exchanged in accordance with Section 3.4.

(d) Fully Diluted Shares Certificates.

(i) Parent will prepare and deliver to Company at least three (3) Business Days prior to the Closing Date a certificate signed by the chief financial officer of Parent in a form reasonably acceptable to Company, setting forth, as of immediately prior to the Effective Time, a detailed report containing all data necessary to calculate the Parent Fully Diluted Shares (the "Parent Fully Diluted Shares Certificate").

(ii) Company will prepare and deliver to Parent at least three (3) Business Days prior to the Closing Date a certificate signed by the chief financial officer of Company, setting forth, as of immediately prior to the Effective Time a detailed report containing all data necessary to calculate, the Company Fully Diluted Shares (the "Company Fully Diluted Shares Certificate").

Section 3.3 Dissenters' Rights. Except as otherwise waived pursuant to the Stockholders Agreement, shares of Company Common Stock that are issued and outstanding immediately prior to the Effective Time and which are held by a stockholder who did not vote in favor of the First Merger (or consent thereto in writing) and who is entitled to demand and properly demands appraisal of such shares (the "Dissenting Shares") pursuant to, and who complies in all respects with, the provisions of Section 262 of the DGCL (the "Dissenting Stockholders") shall not be converted into or be exchangeable for the right to receive such stockholder's portion of the Aggregate Merger Consideration, but instead such holder shall be entitled to receive such consideration as may be determined to be due to such Dissenting Stockholder pursuant to Section 262 of the DGCL (and at the Effective Time, such Dissenting Shares shall no longer be outstanding and shall automatically be cancelled and shall cease to exist, and such holder shall cease to have any rights with respect thereto, except the rights set forth in Section 262 of the DGCL), unless and until such holder shall have failed to perfect or shall have effectively withdrawn or lost its right to appraisal under the DGCL. If any Dissenting Stockholder shall have failed to perfect or shall have effectively withdrawn or lost such right, each of such holder's shares of Company Common Stock shall thereupon be treated as an Eligible Share, as of the Effective Time in accordance with

Section 3.2(a)(i). Company shall give Parent prompt notice and a copy of any written demands for appraisal, attempted withdrawals of such demands, and any other instruments served pursuant to applicable Law that are received by Company relating to Company Stockholders' rights of appraisal. Company shall not, except with the prior written consent of Parent, voluntarily make any payment with respect to any demands for appraisal, offer to settle or settle any such demands or approve any withdrawal of any such demands.

Section 3.4 Deposit of Aggregate Merger Consideration and Exchange Procedures.

(a) Deposit of Aggregate Merger Consideration. Parent shall prior to the Effective Time, deposit, or cause to be deposited, with a U.S. bank or trust company that shall be appointed by Parent and reasonably acceptable to Company to act as an exchange agent hereunder (the "Exchange Agent"), in trust for the benefit of the Company Stockholders and other Persons entitled to receive part of the Aggregate Merger Consideration hereunder, (i) evidence of shares in book-entry form representing shares of Parent Common Stock comprising the aggregate Per Share Merger Consideration to be issued pursuant to Section 3.2(a)(i), (ii) cash in dollars of immediately available funds sufficient to pay cash in lieu of fractional shares pursuant to Section 3.4(d) and (iii) as necessary from time to time after the Effective Time, any dividends or other distributions payable on such shares of Parent Common Stock pursuant to Section 3.4(c). Such evidence of book-entry form representing shares of Parent Common Stock and such cash so deposited, together with any dividends or distributions with respect thereto, are hereinafter referred to as the "Exchange Fund."

(b) Exchange Procedures: Fractional Shares.

(i) As soon as reasonably practicable after the Effective Time, but in no event later than three (3) Business Days following the Effective Time, Parent shall, and shall cause the Surviving Company to, cause the Exchange Agent to mail or otherwise make available to each holder of record, as of the Effective Time, of shares of Company Common Stock and Company Equity Awards (other than Continuing RSUs) (such holders, the "Former Company Holders"), and such shares, the "Former Company Shares"): (A) a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates held by such holder representing such Former Company Shares, shall pass, only upon proper delivery of the Company Certificate(s) or Company Book-Entry Share(s) to the Exchange Agent) and (B) instructions for use in effecting the surrender of the Company Certificate(s) or Company Book-Entry Share(s) in exchange for the Per Share Merger Consideration therefor. Such letter of transmittal shall be in such form and have such other provisions as Parent and Company may mutually agree prior to the Closing.

(ii) Each Former Company Holder who surrenders to the Exchange Agent Company Certificate(s) or Company Book-Entry Share(s), as applicable, together with a letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, and such other documents as may be required pursuant to such instructions, shall be entitled to receive in exchange therefor: (A) the number of shares of Parent Common Stock, if any, into which such holder's shares of Company Common Stock represented by such holder's properly surrendered Company Certificates or Company Book-Entry Shares, as applicable, were converted in accordance with Section 3.2(a)(i), and such Company Certificates or Company Book-Entry Shares so surrendered shall be forthwith cancelled, and (B) a check in an amount of U.S. dollars equal to (I) the amount of cash in lieu of fractional interests in shares of Parent Common Stock to be paid pursuant to Section 3.4(d), plus (II) any cash dividends or other distributions that such holder has the right to receive pursuant to Section 3.4(c). Each Former Company Holder who holds a Company Equity Award (other than a Continuing RSU) and submits a letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, and such other documents as may be required pursuant to such instructions, shall be entitled to receive in exchange therefor: (A) the number of shares of Parent Common Stock, if any, that such holder is entitled to pursuant to Section 3.5, and (B) a check in an amount of U.S. dollars equal to (I) the amount of cash in lieu of fractional interests in shares of Parent Common Stock to be paid pursuant to Section 3.4(d), plus (II) any cash dividends or other distributions that such holder has the right to receive pursuant to Section 3.4(c).

(c) Distributions with Respect to Unexchanged Shares. No dividends or other distributions with respect to shares of Parent Common Stock issuable with respect to shares of Company Common Stock pursuant to the First Merger shall be paid to the holder of any unsurrendered Certificates or Book-Entry Shares, and no cash payment in respect of fractional shares shall be paid to any such holder pursuant to [Section 3.4\(d\)](#), until those Certificates or Book-Entry Shares are surrendered as provided in this [Article III](#). Upon surrender, there shall be issued and/or paid to the holder of the shares of Parent Common Stock issued in exchange therefor, without interest, (A) at the time of surrender, the dividends or other distributions payable with respect to those shares of Parent Common Stock with a record date on or after the date of the Effective Time and a payment date on or prior to the date of such surrender and not previously paid and (B) at the appropriate payment date, the dividends or other distributions payable with respect to those shares of Parent Common Stock with a record date on or after the date of the Effective Time but with a payment date subsequent to such surrender.

(d) No Fractional Shares. No fractional shares of Parent Common Stock shall be issued in connection with the First Merger, and no certificates or scrip for any such fractional shares shall be issued. Fractional share interests shall not entitle the holder thereof to vote or to any other rights of a Parent Stockholder or otherwise other than the right to receive cash as set forth in this [Section 3.4](#). In lieu of the issuance of any fractional share, each Company Stockholder who would otherwise be entitled to such fractional shares shall be entitled to an amount in cash in dollars, without interest, rounded to the nearest cent, equal to the product of (i) the fractional share interest to which such holder (after taking into account all shares of Company Common Stock held at the Effective Time) would otherwise be entitled and (ii) the Average Parent Stock Price. The payment of cash in lieu of fractional share interests pursuant to this [Section 3.4](#) is not a separately bargained-for consideration but merely represents a mechanical rounding-off of the fractions in the conversion of securities in connection with the First Merger. As soon as practicable after the determination of the amount of cash to be paid to such holders of Company Common Stock with respect to any fractional share interests in shares of Parent Common Stock, the Exchange Agent shall promptly pay such amounts, without interest, subject to customary rounding, to such holders of shares of Company Common Stock entitled to receive such cash subject to and in accordance with this [Section 3.4](#).

(e) Termination of Exchange Fund. Any portion of the Exchange Fund that remains undistributed on the first anniversary of the Effective Time shall be delivered to Parent, upon demand by Parent, and any Company Stockholders or other relevant Persons who have not theretofore complied with this [Article III](#) shall thereafter (except to the extent representing Disregarded Shares or Dissenting Shares) look only to Parent for payment of their claim for any part of the Aggregate Merger Consideration, any cash in lieu of fractional Parent Common Stock and any dividends or distributions with respect to Parent Common Stock.

(f) No Liability. Anything herein to the contrary notwithstanding, none of Parent, Company, the Surviving Corporation, the Surviving Company, Merger Sub or LLC Sub shall be liable to any holder of Company Common Stock or any other Person entitled to receive part of the Aggregate Merger Consideration for cash or Parent Common Stock (or dividends or distributions with respect thereto) from the Exchange Fund delivered to a public official pursuant to any applicable abandoned property, escheat or similar law.

(g) Closing of Transfer Books. The Parent Common Stock issued and cash paid pursuant to this [Article III](#) upon conversion of any shares of Company Common Stock shall be deemed to have been issued and paid in full satisfaction of all rights pertaining to such shares of Company Common Stock. From and after the Effective Time, the stock transfer books of Company shall be closed, and there shall be no further registration of transfers on the stock transfer books of Company of shares of Company Common Stock that were outstanding, respectively, immediately prior to the Effective Time. If, after the Effective Time, Certificates or Book-Entry Shares are presented to Parent, Company or the Exchange Agent for transfer or any other reason, they shall be cancelled and exchanged pursuant to this [Article III](#).

(h) Lost, Stolen or Destroyed Certificates. In the case of any Certificate that has been lost, stolen or destroyed, upon the making of an affidavit reasonably acceptable to Parent of that fact by the Person claiming

such Certificate to be lost, stolen or destroyed and, if required by the Exchange Agent, the posting by such Person of a bond in a customary amount as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent will pay and deliver, in exchange for such lost, stolen or destroyed Certificate, the Per Share Merger Consideration for each Eligible Share represented thereby, any cash in respect of fractional shares and any dividends or distributions on the Certificate had such lost, stolen or destroyed Certificate been surrendered as provided in this [Article III](#).

Section 3.5 [Treatment of Company Equity Awards](#).

(a) Each Company Option that is outstanding and unexercised immediately prior to the Effective Time, whether or not vested, shall, as of the Effective Time, become vested, be cancelled and be converted into the right to receive, that number of shares of Parent Common Stock equal to (x) the Company Option Cash Equivalent divided by (y) the Average Parent Stock Price (rounded up to the nearest whole cent), reduced by the number of shares of Parent Common Stock required to be deducted to satisfy applicable withholding and similar taxes arising in connection with the treatment under this [Section 3.5](#) (provided that any fractional shares of Parent Common Stock shall be treated as set forth in [Section 3.4\(d\)](#)) (the “[Aggregate Net Option Shares](#)”).

(b) Each Company RSU that is outstanding immediately prior to the Effective Time, whether or not vested, and set forth on [Section 3.5\(b\)](#) of the Company Disclosure Letter (each a “[Continuing RSU](#)” and collectively the “[Continuing RSUs](#)”) will be either be: (i) if the Parent Stockholders approve the 2024 Long-Term Incentive Plan at the Parent Meeting, cancelled and the holder of such Continuing RSU shall be entitled to receive, as soon as practicable following the Closing Date, in, substitution for, and full satisfaction of, the rights of such holder with respect thereto, a restricted stock unit representing the opportunity to be issued shares of Parent Common Stock granted under, and in accordance with, the 2024 Long-Term Incentive Plan (each, a “[Substitute RSU](#)”), which Substitute RSU shall (A) provide the holder with the opportunity to be issued that whole number of shares of Parent Common Stock (rounded down to the nearest whole share) equal to the number of shares of Company Common Stock subject to such Continuing RSU as of immediately prior to the Effective Time multiplied by the Per Share Merger Consideration; provided, however, that notwithstanding anything herein or in the 2024 Long-Term Incentive Plan to the contrary, the substitution of the Substitute RSUs for the Continuing RSUs will be made in a manner consistent with the requirements of Section 409A of the Code and the Treasury Regulations promulgated thereunder and (B) be subject to vesting over the same time period as was applicable under the respective Continuing RSUs with such remaining vesting term being applied proportionately to the Substitute RSUs and will otherwise be subject to all of the terms and conditions of the 2024 Long-Term Incentive Plan (including settlement related provisions) and restricted stock unit award agreements for the Substitute RSUs (with terms and conditions substantially similar to 2024 Long-Term Incentive Plan and the applicable restricted stock unit award agreements under which the Continuing RSUs were originally granted); or (ii) if the Parent Stockholders do not approve the 2024 Long-Term Incentive Plan at the Parent Meeting, assumed by Parent (the “[Assumed RSUs](#)”) and, in such case, each Assumed RSU assumed by Parent will continue to have, and be subject to, the same terms and conditions of such Continuing RSU immediately prior to the Effective Time, including vesting restrictions, except for administrative changes that are not adverse to the holder of the Assumed RSU and except that (A) each Continuing RSU shall cover a number of shares of Parent Common Stock equal to the product of the number of shares of Company Common Stock that would be issuable under the Continuing RSU immediately prior to the Effective Time multiplied by the Per Share Merger Consideration, rounded down to the nearest whole number of shares of Parent Common Stock and (B) all references to the “Company” in the Company Equity Plan and restricted stock unit agreements will be references to Parent.

(c) Each Company RSU that is outstanding immediately prior to the Effective Time, whether or not vested, and is not a Continuing RSU will not be assumed by Parent, but will instead be converted into the right to receive, in exchange for the cancellation of such Company RSU (or portion thereof), that number of shares of Parent Common Stock equal to the product of (x) the number of shares of Company Common Stock subject to such Company RSU immediately prior to the Effective Time, reduced by the number of shares of Company

Common Stock required to be deducted to satisfy applicable withholding and similar taxes arising in connection with the treatment under this [Section 3.5\(c\)](#) and (y) the Per Share Merger Consideration (the “[Aggregate Net RSU Shares](#)”) (provided that any fractional shares of Parent Common Stock shall be treated as set forth in [Section 3.4\(d\)](#)).

(d) Prior to the Effective Time, Parent and Company, as applicable, will adopt such resolutions of the Parent Board or Company Board (or any appropriate committee thereof) as are required to effectuate the actions contemplated by this [Section 3.5](#). Without limiting the generality of the foregoing, as soon as reasonably practicable (but in no event later than twenty (20) Business Days) after the Effective Time, Parent shall deliver, or cause to be delivered, to each holder of a Continuing RSU an appropriate notice setting forth such holder’s rights pursuant thereto. Parent shall take all corporate action necessary to reserve for issuance a sufficient number of shares of Parent Common Stock for delivery upon settlement of Continuing RSUs pursuant to the terms set forth in this [Section 3.5](#). In the event that the Parent Stockholders do not approve the 2024 Long-Term Incentive Plan at the Parent Meeting, as of the Effective Time, Parent shall assume the obligations and succeed to the rights of the Company under the Company Equity Plan. As soon as practicable (but in no event more than twenty (20) Business Days) after the Effective Time, the shares of Parent Common Stock subject to the Continuing RSUs shall be covered by an effective registration statement on Form S-8 (or any successor form) or another appropriate form, and Parent shall use commercially reasonable efforts to maintain the effectiveness of such registration statement or registration statements for so long as the Continuing RSUs remain outstanding. For the avoidance of doubt, in the event that the Parent Stockholders approve the 2024 Long-Term Incentive Plan at the Parent Meeting and Substitute RSUs are issued under the 2024 Long-Term Incentive Plan pursuant to [Section 3.5\(b\)](#), the Substitute RSUs shall be in addition to and will not reduce the share reserve under the 2024 Long-Term Incentive Plan.

[Section 3.6 Withholding](#). Each of Parent, the Exchange Agent, Company, the Surviving Corporation and the Surviving Company, as applicable, shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement such amounts as each is required to deduct and withhold with respect to the making of such payment under the Code and the Treasury Regulations, or any applicable provision of U.S. state or local tax law or non-U.S. tax law. To the extent that amounts are so deducted and withheld, such amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made by the relevant party.

[Section 3.7 Adjustments](#). If, after the date hereof and prior to the Effective Time, either (i) Parent pays a dividend in, splits, combines into a smaller number of shares, or issues by reclassification any share of Parent Common Stock, or (ii) Company pays a distribution in, splits, combines into a smaller number of shares, or issues by reclassification any shares of Company Common Stock, then the Per Share Merger Consideration and any other similarly dependent items, as the case may be, shall be appropriately adjusted to provide to the holders of Company Common Stock the same economic effect as contemplated by this Agreement prior to such action, and as so adjusted shall, from and after the date of such event, be the Per Share Merger Consideration or other dependent item, as applicable, subject to further adjustment in accordance with this sentence.

[Section 3.8 Intended Tax Treatment](#). The relevant parties will (a) file and retain such information as will be required under Treasury Regulations [Section 1.368-3](#) and (b) file all Tax Returns consistently with the Intended Tax Treatment unless otherwise required by a “determination” within the meaning of [Section 1313\(a\)](#) of the Code (or any similar U.S. state, local or non-U.S. Law) or a change in applicable Law. Each of the parties agrees to use its respective reasonable best efforts (i) to promptly notify the other parties of any challenge to the Intended Tax Treatment by any Governmental Entity, and (ii) to provide such information as their relevant equityholders who qualify as “significant holders” may require to file a statement with their U.S. federal income tax return in accordance with [Section 1.368-3\(b\)](#) of the Treasury Regulations. None of the parties or their respective Affiliates will knowingly take or knowingly cause to be taken, or knowingly fail to take or knowingly cause to be failed to be taken, any action that would reasonably be expected to prevent qualification for such Intended Tax Treatment. In the event that the Mergers, taken together, would reasonably be likely to fail to

qualify for the Intended Tax Treatment, the parties agree (x) to cooperate in good faith to explore such modifications to the structure or alternative structures as would permit the Mergers to qualify for the Intended Tax Treatment and (y) to the extent the parties agree to pursue any such modification or alternative structure in the exercise of their reasonable discretion, the parties will enter into an appropriate amendment to this Agreement to reflect such modification or alternative structure; provided, however, that any actions taken pursuant to this [Section 3.8](#) will not prevent, delay or impede the Closing or impose any unreimbursed cost on any party without the consent of such party.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF COMPANY

Except as disclosed (a) in the Company Registration Statement filed prior to the date of this Agreement (excluding any disclosure set forth in any risk factor section or forward-looking statements section or statements that are otherwise forward-looking, predictive, nonspecific or cautionary in nature), where the relevance of the information as an exception to (or disclosure for purposes of) a particular representation is reasonably apparent on the face of such disclosure or (b) in the disclosure letter delivered by Company to Parent simultaneously with the execution of this Agreement (the "[Company Disclosure Letter](#)") (it being acknowledged and agreed that disclosure in any section or subsection of the Company Disclosure Letter shall be deemed disclosed with respect to all Sections of this Agreement and all other sections or subsections of the Company Disclosure Letter to the extent that the relevance of such disclosure to such other section or subsection is reasonably apparent from the face of such disclosure), Company represents and warrants to Parent as follows:

The Company Board has (i) determined, upon the terms and subject to the conditions set forth in this Agreement and in accordance with the relevant provisions of the DGCL, that it is advisable, fair to and in the best interests of Company and Company Stockholders to consummate the transactions contemplated by this Agreement, including the Mergers, (ii) approved and declared advisable this Agreement and (iii) resolved to submit and recommend the adoption of this Agreement by

Company Stockholders (the “Company Recommendation”) and directed that such matter be submitted for consideration by Company Stockholders. No other corporate proceedings on the part of Company are necessary to authorize the execution and delivery of this Agreement or the consummation of the transactions contemplated by this Agreement except for, with respect to the Mergers, obtaining the Company Stockholder Approval and the filing of each of the First Certificate of Merger and Second Certificate of Merger with the Secretary of State of the State of Delaware. This Agreement has been duly and validly executed and delivered by Company and, assuming this Agreement constitutes the valid and binding agreement of each Parent Party, constitutes the valid and binding agreement of Company, enforceable against Company in accordance with its terms, subject to the Enforceability Exceptions.

(b) The execution, delivery and performance by Company of this Agreement and the consummation of the Mergers and the other transactions contemplated by this Agreement by Company do not and will not require any consent, approval, authorization or permit of, action by, filing with or notification to any Governmental Entity, other than (i) the filing of the First Certificate of Merger and Second Certificate of Merger, (ii) (A) the filing of a pre-merger notification and report form under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the “HSR Act”) and (B) any filings under any other Antitrust Laws or Foreign Investment Laws set forth on Section 4.3(b) of the Company Disclosure Letter, (iii) compliance with the applicable requirements of the Exchange Act, (iv) compliance with the rules and regulations of any applicable stock exchange, (v) compliance with any applicable foreign or state securities or blue sky laws, and (vi) the other consents from and/or notices to Governmental Entities set forth on Section 4.3(b) of the Company Disclosure Letter (collectively, clauses (i) through (vi), the “Specified Approvals”), and other than any consent, approval, authorization, permit, action, filing or notification from or to a Governmental Entity the failure of which to make or obtain would not have, and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect.

(c) The execution, delivery and performance by Company of this Agreement and the consummation by Company of the First Merger and the other transactions contemplated by this Agreement (excluding, for the avoidance of doubt, other than in the case of the Credit Agreement and the Humble Lease, the Second Merger) do not and will not (i) assuming receipt of the Company Stockholder Approval, contravene or conflict with, or breach any provision of, the organizational or governing documents of Company or any of its Subsidiaries, or (ii) assuming compliance with the matters referenced in Section 4.3(b), receipt of the Specified Approvals and the receipt of the Company Stockholder Approval, (A) contravene or conflict with or constitute a violation of any provision of any Law, judgment, writ or injunction of any Governmental Entity binding upon or applicable to Company or any of its Subsidiaries or any of their respective properties or assets, or (B) result in any violation of, or default (with or without notice or lapse of time, or both) under, or give rise to a right of termination, cancellation or acceleration of any material obligation or to the loss of a benefit under any Contract to which Company or any of its Subsidiaries or by which they or any of their respective properties or assets may be bound or affected, or result in the creation of any Lien (other than Permitted Liens) upon any of the properties or assets of Company or any of its Subsidiaries, other than, in the case of clauses (ii)(A) and (B), any such violation, conflict, default, termination, cancellation, acceleration, right, loss or Lien that would not have, and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect.

Section 4.4 Reports and Financial Statements.

(a) Attached to Section 4.4(a) of the Company Disclosure Letter are: (i) Company’s unaudited condensed consolidated balance sheets as of September 30, 2023 (the “Latest Company Balance Sheet”) and December 31, 2022 and the related condensed consolidated statements of operations and comprehensive income, changes in stockholders’ equity and cash flows for the nine (9) months ended September 30, 2023 and 2022, and (ii) Company’s audited consolidated balance sheets as of December 31, 2022 and 2021, and the related consolidated statements of operations and comprehensive income, changes in stockholders’ equity and cash flows for the fiscal years ended December 31, 2022 and 2021 (collectively, the “Company Financial Statements”). (c) No bankruptcy, insolvency, winding up, or similar proceedings have occurred or are pending or, to the Knowledge of Company, threatened against Company or any of its Subsidiaries or Company's or any of its Subsidiaries' properties or assets, and there is no basis therefor. Each of Company's and its Subsidiaries is, and will be as of immediately prior to the Closing, financially solvent in accordance with GAAP.

Section 4.7 Compliance with Law; Permits

(a) Each of Company and its Subsidiaries is, and since January 1, 2022 (in the case of Company) and the later of January 1, 2022 and such Subsidiary's respective date of incorporation, formation or organization (in the case of a Subsidiary) has been, in compliance with and is not in default under or in violation of any applicable federal, state, local or foreign law, constitution, treaty, convention, statute, ordinance, rule, regulation, judgment, settlement, Order, arbitration award or agency requirement of any Governmental Entity, including common law (collectively, "Laws") and each, a "Law"), except where such non-compliance, default or violation would not have, and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect. Anything contained in this Section 4.7(a) to the contrary notwithstanding, no representation or warranty shall be deemed to be made in this Section 4.7(a) in respect of Anti-Corruption Laws, Anti-Money Laundering Laws, International Trade Laws, environmental, tax, intellectual property, employee benefits or labor Law matters, each of which is addressed by other sections of this Article IV.

(c) The operations of Company and its Subsidiaries are and for the past five (5) years have been conducted at all times in material compliance with the requirements of applicable anti-money laundering laws, including, but not limited to, the Bank Secrecy Act of 1970, as amended by the USA PATRIOT ACT of 2001, and the rules and regulations promulgated thereunder, and the anti-money laundering laws of the jurisdictions in which the Company and its Subsidiaries conduct business, the rules and regulations thereunder and any related or similar rules, regulation or guidelines issued, administered or enforced by any governmental agency (collectively, the "Anti-Money Laundering Laws").

(d) Each of Company and its Subsidiaries, including their respective directors, officers and, to the Knowledge of Company, employees or any Person acting in their capacity for or on behalf of Company or any of its Subsidiaries, are, have been for the past five (5) years, and continue to be in compliance in all material respects with International Trade Laws and have not taken any action that violates, evades or avoids, or attempts to violate, evade or avoid International Trade Laws in violation of International Trade Laws in any material respect.

(e) Neither Company nor any of its Subsidiaries, nor any of their respective directors, officers, nor, to the Knowledge of the Company, employees, have currently or during the past five (5) years been: (i) the target of any economic or financial sanctions administered or enforced by the United States (including, without limitation, the Office of Foreign Assets Control of the U.S. Department of the Treasury, the U.S. Department of Commerce or the U.S. Department of State), the European Union, the United Kingdom (including His Majesty's Treasury), or the United Nations Security Council (collectively, "Sanctions"), (ii) located, organized, or resident in a country or territory that is the target of comprehensive Sanctions (currently, Cuba, Iran, North Korea, Syria,

Crimea, the so-called Donetsk People's Republic, the so-called Luhansk People's Republic, and the Zaporizhzhia and Kherson regions of Ukraine), or (iii) owned, 50% or more, individually or in the aggregate by, controlled by, or acting on behalf of a Person described in clause (i) or (ii) above so that it would be subject to the same Sanctions as such Person.

(f) Company and its Subsidiaries have instituted, and maintain, policies and procedures reasonably designed to promote and achieve continued compliance with applicable International Trade Laws and Anti-Corruption Laws.

(g) There is no investigation or review by any Governmental Entity covering Company or any of its Subsidiaries or voluntary or other disclosure by Company or any of its Subsidiaries to any Governmental Entity related to any potential or actual material violation by the Company or any of its Subsidiaries, including any of their respective directors, officers and, to the Knowledge of Company, employees or any Person acting in their capacity for or on behalf of Company or any of its Subsidiaries, of Anti-Corruption Laws, Anti-Money Laundering Laws or International Trade Laws pending (or, to the Knowledge of Company, threatened).

(h) Each of Company and its Subsidiaries is in possession of all franchises, grants, authorizations, licenses, permits, easements, variances, exceptions, consents, certificates, approvals and Orders of any Governmental Entity required by Law for Company and its Subsidiaries to own, lease and operate their properties and assets or to carry on their businesses as they are now being conducted (the "Company Permits"), except where the failure to have any of Company Permits would not have, and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect. All Company Permits are in full force and effect, except where the failure to be in full force and effect would not have, and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect. No suspension or cancellation of any of the Company Permits is pending or, to the Knowledge of Company, threatened, except where such suspension or cancellation would not have, and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect. Company and its Subsidiaries are not, and since January 1, 2022 have not been, in violation or breach of, or default under, any Company Permit, except where such violation, breach or default would not have, and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect. As of the date of this Agreement, to the Knowledge of Company, no event or condition has occurred or exists which would result in a violation of, breach, default or loss of a benefit under, or acceleration of an obligation of Company or any of its Subsidiaries under, any Company Permit, or has caused (or would cause) an applicable Governmental Entity to fail or refuse to issue, renew, extend, any Company Permit (in each case, with or without notice or lapse of time or both), except for violations, breaches, defaults, losses, accelerations or failures that would not have, and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect.

Section 4.9 Employee Benefit Plans.

(a) Section 4.9(a)(i) of the Company Disclosure Letter lists each material Company Benefit Plan. Section 4.9(a)(ii) of the Company Disclosure Letter separately identifies each such Company Benefit Plan that is not subject to United States laws maintained primarily in respect of any current or former employees, officers, directors or consultants of Company or its Subsidiaries who are located outside of the United States (a “Foreign Company Benefit Plan”) and the non-United States jurisdiction applicable to each Foreign Company Benefit Plan. Company has, prior to the date of this Agreement, made available to Parent true and complete copies of each material Company Benefit Plan and certain related documents, including (i) each writing constituting a part of such Company Benefit Plan, including all material amendments thereto; (ii) the most recent Annual Report (Form 5500 Series) and accompanying schedules, if any; (iii) the most recent determination letter from the Internal Revenue Service (“IRS”) (if applicable) for such Company Benefit Plan; (iv) each current trust agreement, insurance contract or policy, group annuity contract and any other funding arrangement relating to such Company Benefit Plan, if any; (v) the most recent actuarial report, financial statement or valuation report for such Company Benefit Plan, if any; and (vi) all material correspondence to or from any Governmental Entity relating to such Company Benefit Plan.

(b) Except as would not result or reasonably be expected to result in a material liability to Company: (i) each Company Benefit Plan has been maintained, funded and administered in compliance with its terms and

with applicable Law, including ERISA and the Code to the extent applicable thereto; (ii) each of the Company Benefit Plans intended to be “qualified” within the meaning of Section 401(a) of the Code has received a favorable determination letter from the IRS or is entitled to rely upon a favorable opinion issued by the IRS and, to the Knowledge of Company, there are no existing circumstances or any events that have occurred that would reasonably be expected to adversely affect the qualified status of any such plan; (iii) no Company Benefit Plan provides, and neither Company nor any of its Subsidiaries has any liability or obligation for the provision of, medical or other welfare benefits with respect to current or former employees, directors, officers or consultants of Company or its Subsidiaries beyond their retirement or other termination of service, other than coverage mandated by applicable Law; (iv) no events have occurred that could result in a payment by or assessment against Company or any of its Subsidiaries of any excise taxes under Section 4972, 4975, 4976, 4979, 4980B, 4980D, 4980E or 5000 of the Code; (v) all premiums and contributions or other amounts payable by Company or its Subsidiaries as of the date of this Agreement with respect to each Company Benefit Plan in respect of current or prior plan years have been paid or accrued in accordance with GAAP (other than with respect to amounts not yet due); and (vi) there are no pending, or, to the Knowledge of Company, threatened or anticipated Actions (other than routine claims for benefits) or audits by any Governmental Entity by, on behalf of, with respect to or against any of the Company Benefit Plans.

(c) Neither Company nor any of its ERISA Affiliates sponsors, maintains or contributes to (or is obligated to contribute to) or, within the last six (6) years, sponsored or maintained, contributed to or been obligated to contribute to, or has any liability with respect to: (i) an “employee pension benefit plan” (as defined in Section 3(2) of ERISA) subject to Title IV of ERISA, Sections 412, 430 or 4971 of the Code or Section 302 of ERISA (including any Multiemployer Plan), (ii) a “multiple employer plan” as defined in Section 413(c) of the Code, or (iii) a “multiple employer welfare arrangement” within the meaning of Section 3(40) of ERISA. Neither Company nor any of its ERISA Affiliates have any liability as a result of a failure to comply with the continuing coverage requirements of COBRA.

(d) Each Company Benefit Plan that is a “nonqualified deferred compensation plan” complies in all material respects with the requirements of Section 409A of the Code by its terms and has been operated in all material respects in accordance with such requirements.

(e) Except as provided in this Agreement or as required by applicable Law, neither the execution and delivery of this Agreement nor the consummation of the transactions contemplated by this Agreement will, either alone or in combination with another event, (i) entitle any current or former employee, director, consultant or officer of Company or any of its Subsidiaries to any additional compensation or benefits, (ii) accelerate the time of payment or vesting, cause the funding of (through a grantor trust or otherwise), or increase the amount of compensation or benefits due to any such employee, director, consultant or officer or (iii) limit or restrict the right of Company to merge, amend or terminate any Company Benefit Plan. No amount that could become payable to any Company employee or service provider in connection with the consummation of the transaction (either alone or in combination with any other event) will constitute an “excess parachute payment” within the meaning of Section 280G of the Code.

(f) Neither Company nor any of its Subsidiaries is a party to, or is otherwise obligated under, any contract, agreement, plan or arrangement that provides for the gross-up of a Tax imposed by Section 409A or 4999 of the Code.

(g) Each Foreign Company Benefit Plan has been established, maintained, and administered in all material respects in accordance with its terms and applicable Law, and, if intended to qualify for special tax treatment, meets all the requirements for such treatment and there are no existing circumstances or events that have occurred that could reasonably be expected to adversely affect such special tax treatment. All employer and employee contributions to each Foreign Company Benefit Plan required by its terms or applicable Law have been made or, if applicable, accrued in accordance with generally accepted accounting practices in the applicable jurisdiction and any other payments (including insurance premiums) otherwise due in respect of a Foreign

Company Benefit Plan have been timely paid in full, in each case in all material respects. The fair market value of the assets of each funded Foreign Company Benefit Plan, the liability of each insurer for any Foreign Company Benefit Plan funded through insurance or the book reserve established for any Foreign Company Benefit Plan, together with any accrued contributions, is sufficient to procure or provide for the accrued benefit obligations, as of the date of this Agreement, with respect to all current and former participants in such plan according to the actuarial assumptions and valuation most recently used to determine employer contributions for such Foreign Company Benefit Plan, and no transaction contemplated by this Agreement shall cause such assets or insurance obligations to be less than such benefit obligations. Each Foreign Company Benefit Plan required to be registered has been registered and has been maintained in good standing with applicable regulatory authorities.

Section 4.10 Absence of Certain Changes or Events.

(a) From January 1, 2023 through the date of this Agreement, other than the transactions contemplated by this Agreement, Company and its Subsidiaries have conducted their respective businesses, in all material respects, in the ordinary course of business consistent with past practice.

(b) Since January 1, 2023, there has not been any event or effect that has had, or would reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect.

Section 4.11 Investigations; Litigation. There is no investigation or review pending (or, to the Knowledge of Company, threatened) by any Governmental Entity with respect to Company or any of its Subsidiaries that would have, or would reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect. There are no Actions pending (or, to the Knowledge of Company, threatened) against or affecting Company or any of its Subsidiaries, or any of their respective properties at law or in equity before, and there are no Orders of, or before, any Governmental Entity, in each case that would have, or would reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect.

Notwithstanding the foregoing provisions of this Section 4.12, no representation or warranty is made by Company with respect to information or statements made or incorporated by reference that were not supplied by or on behalf of Company.

Section 5.4 Reports and Financial Statements

(a) Parent has filed or furnished all forms, statements, certifications, documents and reports required to be filed or furnished by it with the SEC since January 1, 2021 (as amended and supplemented from time to time, the “Parent SEC Documents”), each of which, in each case as of its date, or, if amended, as finally amended prior to the date of this Agreement, complied as to form in all material respects with the applicable requirements of the Securities Act, the Exchange Act and the Sarbanes-Oxley Act, as the case may be, and the applicable rules and regulations promulgated thereunder, as of the date filed with the SEC, and none of the Parent SEC Documents contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. As of the date of this Agreement, there are no outstanding or unresolved comments received from the SEC with respect to any of the Parent SEC Documents, and, to the Knowledge of Parent, none of the Parent SEC Documents is the subject of ongoing SEC review or investigation.

(b) The consolidated financial statements (including all related notes and schedules) of Parent and its Subsidiaries included in the Parent SEC Documents (if amended, as of the date of the last such amendment) fairly presented in all material respects the consolidated financial position of Parent and its consolidated Subsidiaries, as at the respective dates thereof, and the consolidated results of their operations and their consolidated cash flows for the respective periods then ended (subject, in the case of the unaudited statements, to normal year-end audit adjustments and to any other adjustments described therein, including the notes thereto, and except that the unaudited statements may not contain footnotes and are subject to normal year-end adjustments), were prepared in all material respects in conformity with GAAP (except, in the case of the unaudited statements, as permitted by the SEC) applied on a consistent basis during the periods involved (except as may be indicated therein or in the notes thereto). None of the Subsidiaries of Parent is required to file periodic reports with the SEC.

(c) With respect to each annual report on Form 10-K and each quarterly report on Form 10-Q and each amendment of any such report included in the Parent SEC Documents filed since January 1, 2021, the principal executive officer and principal financial officer of Parent (or each former principal executive officer and each former principal financial officer of Parent) have made all certifications required by the Sarbanes-Oxley Act and any related rules and regulations promulgated by the SEC, and the statements contained in any such certifications are complete and correct as of their respective dates (except for such certifications contained in a Parent SEC Document that was subsequently amended).

(d) Since January 1, 2021, there has been no change in Parent’s accounting policies or the methods of making accounting estimates or changes in estimates that are material to Parent’s financial statements except as described in the Parent SEC Documents or except as may be required by any regulatory authority. The reserves reflected in Parent’s financial statements are in accordance with GAAP and have been calculated in a consistent manner.

(e) Parent is in compliance in all material respects with the applicable listing and corporate governance rules and regulations of the NYSE. Except as permitted by the Exchange Act, including Sections 13(k)(2) and

13(k)(3) thereunder, or the rules and regulations promulgated by the SEC, since January 1, 2021, neither Parent nor any of its Affiliates has made, arranged or modified (in any material way) any extensions of credit in the form of a personal loan to any executive officer or director of Parent.

(f) No bankruptcy, insolvency, winding up, or similar proceedings have occurred or are pending or, to the Knowledge of Parent, threatened against Parent or any of its Subsidiaries or Parent's or any of its Subsidiaries' properties or assets, and there is no basis therefor. Each of Parent's and its Subsidiaries is, and will be as of immediately prior to the Closing, financially solvent in accordance with GAAP.

Section 5.5 Internal Controls and Procedures.

(a) Parent has established and maintains disclosure controls and procedures and internal control over financial reporting (as such terms are defined in paragraphs (e) and (f), respectively, of Rule 13a-15 under the Exchange Act) as required by Rule 13a-15 under the Exchange Act. Parent's disclosure controls and procedures are reasonably designed to ensure that all information required to be disclosed by Parent in the reports that it files or furnishes under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the rules and forms of the SEC, and that all such information is accumulated and communicated to Parent's management as appropriate to allow timely decisions regarding required disclosure and to make the certifications required pursuant to Sections 302 and 906 of the Sarbanes-Oxley Act. Parent's management has completed an assessment of the effectiveness of Parent's internal control over financial reporting in compliance with the requirements of Section 404 of the Sarbanes-Oxley Act for the year ended December 31, 2023, and such assessment concluded that such controls were effective and did not identify any (A) "significant deficiency" or "material weakness" in the design or operation of internal control over financial reporting (as defined in Rule 13a-15 or 15d-15, as applicable, of the Exchange Act) or (B) fraud or allegation of fraud that involves management or other employees who have a significant role in Parent's internal control over financial reporting. Such internal control over financial reporting is designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP. Parent's system of internal controls over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act) is reasonably sufficient in all material respects to provide reasonable assurance regarding the reliability of financing reporting and the preparation of financial statements for external purposes in accordance with GAAP (including (i) that transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP, (ii) that receipts and expenditures are executed in accordance with the authorization of management and (iii) prevention or timely detection of the unauthorized acquisition, use or disposition of Parent's assets that would materially affect Parent's financial statements).

(b) To the Knowledge of Parent, from January 1, 2022 through the date of this Agreement, (i) neither Parent nor any of its Subsidiaries or any of their respective directors or officers has received any material written complaint, allegation, assertion or claim regarding the accounting or auditing practices, procedures or methodologies of Parent or any of its Subsidiaries, or any of their respective internal accounting controls, including any material complaint, allegation, assertion or claim that Parent or any of its Subsidiaries has engaged in unlawful accounting or auditing practices and (ii) there has been no material change in any accounting controls, policies, principles, methods or practices, including any change with respect to reserves (whether for bad debts, contingent liabilities or otherwise) of Parent that is not described in the consolidated financial statements (including all related notes and schedules) of Parent and its Subsidiaries included in the Parent SEC Documents. Since January 1, 2022, Parent and its Subsidiaries have not identified and have not been advised in writing by the auditors of Parent and its Subsidiaries of any fraud or allegation of fraud, whether or not material, that involves management or other employees of Parent or any of its Subsidiaries who have a role in Parent's or any of its Subsidiaries internal controls over financial reporting.

Section 5.6 No Undisclosed Liabilities. Except (a) as disclosed, reflected or reserved against in the audited consolidated balance sheet of Parent and its Subsidiaries as of December 31, 2023 or the notes thereto, (b) for liabilities and obligations incurred under or in accordance with this Agreement or in connection with the

transactions contemplated herein, (c) for liabilities and obligations incurred in the ordinary course of business since January 1, 2023 and (d) for liabilities or obligations that have been discharged or paid in full, neither Parent nor any of its Subsidiaries has any liabilities or obligations of any nature, whether or not accrued, contingent or otherwise, that would be required by GAAP to be reflected on a consolidated balance sheet of Parent and its Subsidiaries, other than liabilities that do not constitute, and would not reasonably be expected to constitute, individually or in the aggregate, a Parent Material Adverse Effect.

Section 5.7 Compliance with Law; Permits.

(a) Each of Parent and its Subsidiaries is, and since January 1, 2022 (in the case of Parent) and the later of January 1, 2022 and such Subsidiary's respective date of incorporation, formation or organization (in the case of a Subsidiary) has been, in compliance with and is not in default under or in violation of any applicable Law, except where such non-compliance, default or violation would not have, and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect. Anything contained in this [Section 5.7\(a\)](#) to the contrary notwithstanding, no representation or warranty shall be deemed to be made in this [Section 5.7\(a\)](#) in respect of Anti-Corruption Laws, Anti-Money Laundering Laws, International Trade Laws, environmental, tax, intellectual property, employee benefits or labor Law matters, each of which is addressed by other sections of this [Article V](#).

(b) Parent and its Subsidiaries comply, and have at all times within the past five (5) years complied, with Anti-Corruption Laws in all material respects. None of Parent, any of its Subsidiaries, nor to the Knowledge of Parent, any Person acting in their capacity for or on behalf of Parent or any Parent Subsidiaries, has within the past five (5) years, directly or indirectly, (a) violated any provision of any Anti-Corruption Law in any material respect; (b) unlawfully made, offered, promised, authorized, or promised to make or offer, any bribe, rebate, payoff, influence payment, commission, kickback, or anything of value in any material respect, including any unlawful reward, advantage, or benefit of any kind, to or for the benefit of any Government Official, for the purpose of (i) influencing any act or decision of such Government Official, (ii) inducing such Government Official to do or omit to do any act in violation of a lawful duty, or (iii) obtaining or retaining business for or with any Person, or (iv) expediting or securing the performance of official acts of a routine nature in each case with respect to clauses (i)-(iv), in any material respect; (c) unlawfully paid, offered, promised to pay or offer, authorized, or ratified any bribe, rebate, payoff, payment, kickback, or other similar unlawful payment of any nature in any material respect; or (d) unlawfully made, offered, promised to make or offer, authorized, or ratified any contributions, gifts, entertainment, or other unlawful expenditures in any material respect.

(c) The operations of Parent and its Subsidiaries are and for the past five (5) years have been conducted at all times in material compliance with the requirements of Anti-Money Laundering Laws.

(d) Each of Parent and its Subsidiaries, including their respective directors, officers, and, to the Knowledge of Parent, employees or any Person acting in their capacity for or on behalf of Parent or any of its Subsidiaries, are, have been for the past five (5) years, and continue to be in compliance in all material respects with International Trade Laws and have not taken any action that violates, evades or avoids, or attempts to violate, evade or avoid International Trade Laws in violation of International Trade Laws in any material respect.

(e) Neither Parent nor any of its Subsidiaries, nor any of their respective directors, officers, nor, to the Knowledge of Parent, employees, have currently or during the past five (5) years been: (i) the target of any Sanctions, (ii) located, organized, or resident in a country or territory that is the target of comprehensive Sanctions (currently, Cuba, Iran, North Korea, Syria, Crimea, the so-called Donetsk People's Republic, the so-called Luhansk People's Republic, and the Zaporizhzhia and Kherson regions of Ukraine), or (iii) owned, 50% or more, individually or in the aggregate by, controlled by, or acting on behalf of a Person described in clause (i) or (ii) above so that it would be subject to the same Sanctions as such Person.

(f) Parent and its Subsidiaries have instituted, and maintain, policies and procedures reasonably designed to promote and achieve continued compliance with applicable International Trade Laws and Anti-Corruption Laws.

(g) There is no investigation or review by any Governmental Entity covering Parent or any of its Subsidiaries or voluntary or other disclosure by Parent or any of its Subsidiaries to any Governmental Entity related to any potential or actual material violation by the Parent or any of its Subsidiaries, including any of their respective directors, officers, and, to the Knowledge of Parent, employees, or any Person acting in their capacity for or on behalf of Parent or any of its Subsidiaries, of Anti-Corruption Laws, Anti-Money Laundering Laws or International Trade Laws pending (or, to the Knowledge of Parent, threatened).

(h) Each of Parent and its Subsidiaries is in possession of all franchises, grants, authorizations, licenses, permits, easements, variances, exceptions, consents, certificates, approvals and Orders of any Governmental Entity required by Law for Parent and its Subsidiaries to own, lease and operate their properties and assets or to carry on their businesses as they are now being conducted (the "Parent Permits"), except where the failure to have any of the Parent Permits would not have, and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect. All Parent Permits are in full force and effect, except where the failure to be in full force and effect would not have, and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect. No suspension or cancellation of any of the Parent Permits is pending or, to the Knowledge of Parent, threatened, except where such suspension or cancellation would not have, and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect. Parent and its Subsidiaries are not, and since January 1, 2022 have not been, in violation or breach of, or default under, any Parent Permit, except where such violation, breach or default would not have, and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect. As of the date of this Agreement, to the Knowledge of Parent, no event or condition has occurred or exists which would result in a violation of, breach, default or loss of a benefit under, or acceleration of an obligation of Parent or any of its Subsidiaries under, any Parent Permit, or has caused (or would cause) an applicable Governmental Entity to fail or refuse to issue, renew, extend, any Parent Permit (in each case, with or without notice or lapse of time or both), except for violations, breaches, defaults, losses, accelerations or failures that would not have, and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect.

Section 5.8 Environmental Laws.

(a) Except as would not have, and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect, (i) Parent and each of its Subsidiaries are, and since January 1, 2022 have been, in compliance with and not in default under or in violation of any applicable Environmental Laws, (ii) neither Parent nor any of its Subsidiaries has received (A) any written notices, demand letters or written claims from any third party or Governmental Entity alleging that Parent or any of its Subsidiaries is in violation of or is liable under any Environmental Law or (B) any written requests for information from any Governmental Entity pursuant to Environmental Law, except in each clauses (A) and (B), for such matters that have been fully resolved and are not a source of ongoing obligations or requirements, (iii) neither Parent nor any of its Subsidiaries has handled, treated, stored, transported, disposed of, arranged for or permitting the disposal of, or released any Hazardous Substances, or owned or operated any property or facility (and, to the Knowledge of Parent, there have been no releases of Hazardous Substances to or from any property or facility owned, operated or otherwise used by Parent or any of its Subsidiaries), in each case, in a manner that has given or would reasonably be expected to give rise to liability of Parent or any of its Subsidiaries pursuant to any Environmental Law, (iv) neither Parent nor any of its Subsidiaries is subject to any outstanding Order or pending Action or, to the Knowledge of Parent, threatened Action pursuant to any Environmental Law, (v) to the Knowledge of Parent, neither Parent nor any of its Subsidiaries has owned, leased or operated a site or disposed of, sent or arranged for the transportation of Hazardous Substances at or to a site, that has been placed or is proposed to be placed by the United States Environmental Protection Agency or similar state authority on the National Priorities List or similar state list, as in effect as of the Closing Date, (vi) each of Parent and its Subsidiaries is in possession of all

Environmental Permits required by Environmental Law for Parent and its Subsidiaries to own, lease and operate their properties and assets or to carry on their businesses as they are now being conducted, and all such Environmental Permits are in full force and effect, free from breach, and the transactions contemplated by this Agreement will not adversely affect them, and (vii) neither Parent nor any of its Subsidiaries has, either expressly or by operation of Law, assumed or undertaken any liability, including any obligation for corrective or remedial action, of any other Person relating to Environmental Laws.

(b) To the Knowledge of Parent, Parent has delivered or made available to Company all material environmental audits, reports and other material environmental documents relating to Parent's facilities or operations including the Parent Real Property and any other real property previously owned or operated by Parent, that are in its possession, custody or under its reasonable control.

Section 5.9 Employee Benefit Plans.

(a) Section 5.9(a)(i) of the Parent Disclosure Letter lists each material Parent Benefit Plan. Section 5.9(a)(ii) of the Parent Disclosure Letter separately identifies each such Parent Benefit Plan that is not subject to United States laws maintained primarily in respect of any current or former employees, officers, directors or consultants of Parent or its Subsidiaries who are located outside of the United States (a "Foreign Parent Benefit Plan") and the non-United States jurisdiction applicable to each Foreign Parent Benefit Plan. Parent has, prior to the date of this Agreement, made available to Company true and complete copies of each material Parent Benefit Plan and certain related documents, including (i) each writing constituting a part of such Parent Benefit Plan, including all material amendments thereto; (ii) the most recent Annual Report (Form 5500 Series) and accompanying schedules, if any; (iii) the most recent determination letter from the IRS (if applicable) for such Parent Benefit Plan; (iv) each current trust agreement, insurance contract or policy, group annuity contract and any other funding arrangement relating to such Parent Benefit Plan, if any; (v) the most recent actuarial report, financial statement or valuation report for such Parent Benefit Plan, if any; and (vi) all material correspondence to or from any Governmental Entity relating to such Parent Benefit Plan.

Section 413(c) of the Code, or (iii) a “multiple employer welfare arrangement” within the meaning of Section 3(40) of ERISA. Neither Parent nor any of its ERISA Affiliates have any liability as a result of a failure to comply with the continuing coverage requirements of COBRA.

(d) Each Parent Benefit Plan that is a “nonqualified deferred compensation plan” complies in all material respects with the requirements of Section 409A of the Code by its terms and has been operated in all material respects in accordance with such requirements.

(e) Except as set forth on [Section 5.9\(g\)](#) of the Parent Disclosure Letter, as provided in this Agreement or as required by applicable Law, neither the execution and delivery of this Agreement nor the consummation of the transactions contemplated by this Agreement will, either alone or in combination with another event, (i) entitle any current or former employee, director, consultant or officer of Parent or any of its Subsidiaries to any additional compensation or benefits, (ii) accelerate the time of payment or vesting, cause the funding of (through a grantor trust or otherwise), or increase the amount of compensation or benefits due to any such employee, director, consultant or officer or (iii) limit or restrict the right of Parent to merge, amend or terminate any Parent Benefit Plan. All employer and employee contributions to each Foreign Parent Benefit Plan required by its terms or applicable Law have been made or, if applicable, accrued in accordance with generally accepted accounting practices in the applicable jurisdiction and any other payments (including insurance premiums) otherwise due in respect of a Foreign Parent Benefit Plan have been timely paid in full, in each case in all material respects. The fair market value of the assets of each funded Foreign Parent Benefit Plan, the liability of each insurer for any Foreign Parent Benefit Plan funded through insurance or the book reserve established for any Foreign Parent Benefit Plan, together with any accrued contributions, is sufficient to procure or provide for the accrued benefit obligations, as of the date of this Agreement, with respect to all current and former participants in such plan according to the actuarial assumptions and valuation most recently used to determine employer contributions for such Foreign Parent Benefit Plan, and no transaction contemplated by this Agreement shall cause such assets or insurance obligations to be less than such benefit obligations. Each Foreign Parent Benefit Plan required to be registered has been registered and has been maintained in good standing with applicable regulatory authorities.

[Section 5.10 Absence of Certain Changes or Events.](#)

The Registration Statement and the Proxy Statement/Prospectus will comply as to form in all material respects with the applicable requirements of the Securities Act and the Exchange Act. Notwithstanding the foregoing provisions of this Section 5.12, no representation or warranty is made by the Parent Parties with respect to information or statements made or incorporated by reference that were not supplied by or on behalf of the Parent Parties.

(xiii) acquire (by merger, consolidation, purchase of stock or assets or otherwise) or agree to so acquire any entity, business or assets that constitute a business or division of any Person, or any assets from any other Person (excluding ordinary course purchases of goods, products, services and off-the-shelf software licenses), other than acquisitions for consideration (including assumed liabilities) that does not exceed \$1,000,000 in the aggregate;

(xiv) sell, assign, transfer or license any Intellectual Property owned by Parent or any of its Subsidiaries (other than non-exclusive licenses granted in the ordinary course of business);

Nothing contained in this Agreement shall give (a) any Parent Party, directly or indirectly, the right to control or direct Company's operations or (b) Company, directly or indirectly, the right to control or direct the Parent Party's operations, prior to the Effective Time. Prior to the Effective Time, each Parent Party and Company shall exercise, subject to and consistent with the terms and conditions of this Agreement, complete control and supervision over its respective operations.

Section 6.4 Access

(a) Subject to compliance with applicable Laws (including any Public Health Measures) and solely for purposes related to the consummation of the transactions contemplated by this Agreement, each party shall afford to the other party and its Representatives reasonable access during normal business hours, throughout the period prior to the earlier of the Effective Time and the Termination Date, to such party's and its Subsidiaries' officers, employees, properties, assets, equipment, inventory, operating sites, Contracts, commitments, books and records, other than any such matters that relate to the negotiation and execution of this Agreement. The foregoing notwithstanding, a party shall not be required to afford such access if it would unreasonably disrupt the operations of such party or any of its Subsidiaries, would cause a violation of any agreement to which such party or any of its Subsidiaries is a party, would, in the reasonable judgment of such party, result in a loss of privilege or trade secret protection to such party or any of its Subsidiaries or would constitute a violation of any applicable Laws, including any Public Health Measures (provided, that in each case such party shall use its reasonable best efforts to allow for such access in a way that would not have any of the foregoing effects). Subject to the foregoing restrictions, each party shall be permitted to conduct reasonable inspections, assessments and testing of the other party's properties, assets, equipment, inventory and operating sites; provided, however, that nothing herein shall authorize any party or its Representative to undertake any testing involving invasive techniques, including testing involving sampling of soil, sediment, groundwater, surface water, air or building materials, at any of the other party's or its Subsidiary's properties, without the prior written consent of such other party, which consent shall not be unreasonably delayed, conditioned or withheld.

(b) Each party hereby agrees that all information provided to it or any of its Representatives in connection with this Agreement and the consummation of the transactions contemplated by this Agreement shall be deemed to be Confidential Information (as defined therein), as such term is used in, and shall be treated in accordance with, the confidentiality agreement, dated as of November 17, 2022, between Company and Parent (the "Confidentiality Agreement").

Section 6.5 No Solicitation by Company. From and after the date of this Agreement until the Effective Time (or, if earlier, the termination and abandonment of this Agreement in accordance with Article VIII), Company and its Subsidiaries shall not, and Company shall instruct and use its reasonable best efforts to cause its and its Subsidiaries' Representatives not to, directly or indirectly (i) initiate, solicit, knowingly facilitate or knowingly encourage (including by way of furnishing non-public information) any inquiries, announcements or communications relating to, or the making or submission of any proposal or offer that constitutes or would reasonably be expected to lead to, a Company Alternative Proposal from any Persons, (ii) enter into, participate in, maintain or continue any discussions or negotiations with any Persons with respect to Company or its

Subsidiaries in connection with a Company Alternative Proposal (other than, solely in response to an unsolicited inquiry, to refer the inquiring person to this [Section 6.5](#) and to limit its conversation or other communication exclusively to such referral), (iii) furnish to any Person any non-public information with respect to, or take any other action intended or reasonably expected to facilitate the making of any inquiry or proposal to Company that constitutes, or would reasonably be expected to lead to, any Company Alternative Proposal by any Person, or (iv) accept any Company Alternative Proposal or enter into any agreement, arrangement or understanding (whether written or oral) providing for the consummation of any transaction contemplated by any Company Alternative Proposal or otherwise relating to any Company Alternative Proposal. Within five (5) Business Days following the date hereof, Company shall request that any Person (other than Parent) and its Representatives promptly return or destroy all confidential information concerning Company and its Subsidiaries theretofore furnished thereto by or on behalf of Company or any of its Subsidiaries in connection with a Company Alternative Proposal, and destroy all analyses and other materials prepared by or on behalf of such Person that contain, reflect or analyze such information, in each case in accordance with the applicable confidentiality agreement between Company and such Person. In addition, from the date of this Agreement until the Effective Time, or, if earlier, the termination and abandonment of this Agreement in accordance with [Article VIII](#), neither the Company Board nor any committee thereof shall (A) grant any waiver, amendment or release under any Takeover Law or release under any confidentiality, standstill or similar agreement (or terminate or fail to enforce such agreement), (B) submit any Company Alternative Proposal or any matter related thereto to a vote of the Company Stockholders, or (C) accept, authorize, cause or permit Company or any of its Subsidiaries to enter into any letter of intent, agreement in principle, memorandum of understanding, business combination agreement or any other similar agreement providing for the consummation of any transaction contemplated by any Company Alternative Proposal or otherwise relating to any Company Alternative Proposal.

Section 6.6 [No Solicitation by Parent](#).

(a) Except as expressly permitted by this [Section 6.6](#), from and after the date of this Agreement until the Effective Time (or, if earlier, the termination and abandonment of this Agreement in accordance with [Article VIII](#)), Parent and its Subsidiaries shall not, and Parent shall instruct and use its best efforts to cause its and its Subsidiaries' Representatives not to, directly or indirectly (i) initiate, solicit, knowingly facilitate or knowingly encourage (including by way of furnishing non-public information) any inquiries, announcements or communications relating to, or the making or submission of any proposal or offer that constitutes or would reasonably be expected to lead to, a Parent Alternative Proposal from any Persons, (ii) enter into, participate in, maintain or continue any discussions or negotiations with any Persons with respect to Parent or its Subsidiaries in connection with a Parent Alternative Proposal, (iii) furnish to any Person any non-public information with respect to, or take any other action intended or reasonably expected to facilitate the making of any inquiry or proposal to Parent that constitutes, or would reasonably be expected to lead to, any Parent Alternative Proposal by any Person, or (iv) accept any Parent Alternative Proposal or enter into any agreement, arrangement or understanding (whether written or oral) providing for the consummation of any transaction contemplated by any Parent Alternative Proposal or otherwise relating to any Parent Alternative Proposal, including, without limitation, any agreement in principle, letter of intent, term sheet, acquisition agreement, merger agreement, option agreement, joint venture agreement, partnership agreement or other Contract relating thereto, or any agreement or agreement in principle requiring Parent to abandon, terminate or fail to consummate the transactions contemplated hereby. Within five (5) Business Days following the date hereof, Parent shall request that any Person (other than Company) and its Representatives promptly return or destroy all confidential information concerning Parent and its Subsidiaries theretofore furnished thereto by or on behalf of Parent or any of its Subsidiaries in connection with a Parent Alternative Proposal, and destroy all analyses and other materials prepared by or on behalf of such Person that contain, reflect or analyze such information, in each case in accordance with the applicable confidentiality agreement between Parent and such Person. In addition, except as expressly permitted under this [Section 6.6](#), from the date of this Agreement until the Effective Time, or, if earlier, the termination and abandonment of this Agreement in accordance with [Article VIII](#), neither the Parent Board nor any committee thereof shall (A) grant any waiver, amendment or release under any Takeover Law or release under any confidentiality, standstill or similar agreement (or terminate or fail to enforce such agreement) unless

the Parent Board determines in good faith that a failure to take such action would be inconsistent with the directors' fiduciary duties under applicable Law, and then solely to the extent necessary to allow such Person to make and pursue a Parent Alternative Proposal, (B) submit any Parent Alternative Proposal or any matter related thereto to a vote of Parent Stockholders, (C) effect a Parent Change of Recommendation or (D) accept, authorize, cause or permit Parent or any of its Subsidiaries to enter into any letter of intent, agreement in principle, memorandum of understanding, business combination agreement or any other similar agreement providing for the consummation of any transaction contemplated by any Parent Alternative Proposal or otherwise relating to any Parent Alternative Proposal (other than an Acceptable Confidentiality Agreement) (a "Parent Alternative Acquisition Agreement").

(b) Notwithstanding anything to the contrary in this Section 6.6, if Parent receives a written Parent Alternative Proposal from any Person at any time following the date of this Agreement and prior to the time the Parent Stockholder Approval is obtained (provided that there has not been any material breach of the restrictions in this Section 6.6 with respect to the making of such Parent Alternative Proposal), Parent and its Representatives may contact such Person solely to clarify the terms and conditions thereof in compliance with this Section 6.6, and (i) Parent and its Representatives may provide information (including non-public information and data) regarding, and afford access to the business, properties, assets, books, records and personnel of, Parent and its Subsidiaries to such Person if Parent receives from such Person (or has received from such Person) an executed Acceptable Confidentiality Agreement; provided that, subject to applicable Law, Parent shall substantially contemporaneously therewith make available to Company any non-public information concerning Parent or its Subsidiaries that is provided to any Person given such access that was not previously made available to Company, and (ii) Parent and its Representatives may engage in, enter into, continue or otherwise participate in any discussions or negotiations with such Person with respect to such Parent Alternative Proposal, if and only to the extent that, prior to taking any action described in clause (i) or (ii) above, the Parent Board or relevant committee thereof determines in good faith (after consultation with Parent's outside counsel) that failure to take such action would be inconsistent with the directors' fiduciary duties under applicable Law and (after consultation with Parent's outside counsel and financial advisor) such Parent Alternative Proposal constitutes or is reasonably likely to lead to a Parent Superior Proposal and provides Company with written notice of such determination.

(c) Parent shall, and shall cause each of its Representatives to, immediately cease and cause to be terminated any and all existing activities, discussions or negotiations with any Persons conducted prior to or on the date of this Agreement with respect to any Parent Alternative Proposal or material modification thereto, and shall (i) promptly (and in any event within twenty-four (24) hours of any such event) notify Company of its entry into an Acceptable Confidentiality Agreement and the receipt of any Parent Alternative Proposal or any material amendment thereto, (ii) promptly (and in any event within twenty-four (24) hours of receipt of a Parent Alternative Proposal or material amendment thereto) provide with respect to any Parent Alternative Proposal or material amendment thereto, a written summary of the material terms and conditions of each such Parent Alternative Proposal or such material amendment thereto, including in such summary the identity of the Person making such Parent Alternative Proposal, and (iii) shall keep Company informed in reasonable detail, on a current basis, of any material developments or modifications to the terms of any such Parent Alternative Proposal or amendment thereto and the status of any discussions or negotiations relating to such material developments or modifications.

(d) Except as set forth in this Section 6.6(d), neither the Parent Board nor any committee thereof shall (i) (A) change, withhold, withdraw, qualify or modify, or publicly propose to change, withhold, withdraw, qualify or modify, in a manner adverse to Company, the Parent Recommendation, (B) fail to include the Parent Recommendation in the Proxy Statement/Prospectus, (C) approve, adopt, endorse or recommend to Parent Stockholders, or publicly propose to approve, adopt, endorse or recommend to Parent Stockholders, a Parent Alternative Proposal or Parent Superior Proposal, or (D) if a tender offer or exchange offer for shares of capital stock of Parent that constitutes a Parent Alternative Proposal is commenced, fail to recommend against, or recommend, the acceptance of such tender offer or exchange offer by Parent Stockholders within ten

(10) Business Days after commencement of such tender offer or exchange offer (provided that making any “stop, look and listen” communication to Parent Stockholders pursuant to Rule 14d-9(f) of the Exchange Act (or any similar communications to Parent Stockholders) shall not be prohibited) (any of the foregoing, a “Parent Change of Recommendation”) or (ii) cause or permit Parent or any of its Subsidiaries to enter into any Parent Alternative Acquisition Agreement. Notwithstanding anything to the contrary set forth in this Agreement, prior to the time the Parent Stockholder Approval is obtained, the Parent Board may (I) effect a Parent Change of Recommendation if the Parent Board determines in good faith (after consultation with Parent’s outside counsel) that, as a result of any event, change, development or circumstance that materially affects the business, assets of operations of Parent and its Subsidiaries, taken as a whole, (other than any event, change, development or circumstance resulting from a material breach of this Agreement by any Parent Party) that was not known to or, if known, the consequences of which were not reasonably foreseeable by, the Parent Board as of or prior to the execution and delivery of this Agreement (a “Parent Intervening Event”; provided, that in no event shall any event, change, development or circumstance resulting from or relating to any of the following give rise to a Parent Intervening Event: (i) the receipt, existence or terms of a Parent Alternative Proposal; (ii) the public announcement, execution, delivery or performance of this Agreement, the identity of Company or the public announcement, pendency or consummation of the transaction contemplated hereby (or the public announcement of any discussions among the parties related thereto); (iii) any change in the trading price or trading volume of the Parent Common Stock (although for purposes of clarity, any underlying events or circumstances, with respect to this clause (iii) relating to or causing such change may be considered, along with the effects or consequences thereof); (iv) any action taken by either party pursuant to the affirmative covenants set forth in Section 6.10, or the consequences of any such action, (v) the fact that, in and of itself, Parent or any of its respective Subsidiaries meets, fails to meet or exceeds any internal or published projections, forecasts, estimates or predictions in respect of revenues, earnings or other financial or operating metrics for any period (it being understood that the facts or occurrences giving rise to or contributing to such event may be taken into account in determining whether there has been, or will be, a Parent Intervening Event to the extent not otherwise excluded hereunder), or (vi) any change in general economic or political conditions or the securities, credit or financial markets (including changes in interest or exchange rates)), failure to take such action would be inconsistent with the directors’ fiduciary duties under applicable Law (taking into account any adjustments to the terms and conditions of the Mergers proposed by Company in response to such Parent Intervening Event), and (II) if Parent receives a Parent Alternative Proposal (provided that there has not been any material breach of the restrictions in this Section 6.6 in connection with the making of such Parent Alternative Proposal) that the Parent Board determines in good faith (after consultation with Parent’s outside counsel and financial advisor) constitutes a Parent Superior Proposal (taking into account any adjustments to the terms and conditions of the Mergers proposed by Company in response to such Parent Alternative Proposal), and (after consultation with Parent’s outside counsel) failure to take such action would be inconsistent with the directors’ fiduciary duties under applicable Law, effect a Parent Change of Recommendation and/or cause or permit Parent to enter into a Parent Alternative Acquisition Agreement with respect to such Parent Superior Proposal in accordance with Section 8.1(d)(ii); provided, however, the Parent Board may take the actions described in clause (I) or (II) if and only if:

(1) Parent shall have provided prior written notice to Company of the Parent Board’s intention to take such actions at least five (5) Business Days in advance of taking such action, which notice shall specify, as applicable, a reasonably detailed description of such Parent Intervening Event or the material terms of the Parent Alternative Proposal received by Parent that constitutes a Parent Superior Proposal, including the identity of the party making the Parent Alternative Proposal, a copy of such written Parent Alternative Proposal or amendment thereto and any other written terms, documents or proposals provided to Parent or any of its Subsidiaries in connection with such Parent Alternative Proposal and, with respect to any Parent Alternative Proposal or amendment thereto not made in writing, a written summary of the material terms and conditions of each such Parent Alternative Proposal or such amendment thereto;

(2) after providing such notice and prior to taking such actions, Parent shall have negotiated, and shall have caused its Representatives to negotiate, with Company in good faith (to the extent Company desires to negotiate)

during such five (5) Business Day period to make such adjustments in the terms and conditions of this Agreement as would permit the Parent Board not to take such actions; and

(3) the Parent Board shall have considered in good faith any changes to this Agreement that may be offered in writing by Company by 11:59 p.m. central time on the fifth (5th) Business Day of such five (5) Business Day period and shall have determined in good faith (A) with respect to the actions described in clause (I) above, after consultation with outside counsel, that it would continue to be inconsistent with the directors' fiduciary duties under applicable Law not to effect the Parent Change of Recommendation, and (B) with respect to the actions described in clause (II) above, after consultation with outside counsel, that failure to take such action would be inconsistent with the directors' fiduciary duties under applicable Law and, after consultation with Parent's outside counsel and financial advisor, the Parent Alternative Proposal received by Parent would continue to constitute a Parent Superior Proposal, in each case, if such changes offered in writing by Company were given effect. Notwithstanding the foregoing, the parties agree (x) that in the event that, after commencement of the five (5) Business Day period referred to above, there is any material revision to the terms of a Parent Superior Proposal, including any revision in price, or any material change to the facts and circumstances related to a Parent Intervening Event, such period shall be extended, if applicable, to ensure that at least two (2) Business Days remain in such period subsequent to the time Parent notifies Company of any such material revision or change and (y) that there may be multiple extensions of such period.

(e) Nothing contained in this [Section 6.6](#) shall be deemed to prohibit Parent, the Parent Board or any committee of the Parent Board from (i) complying with its disclosure obligations under U.S. federal securities Law, determined in good faith (after consultation with outside counsel), with regard to a Parent Alternative Proposal, including taking and disclosing to Parent Stockholders a position contemplated by, as applicable, Rule 14d-9 or Rule 14e-2(a) under the Exchange Act (or any similar communication to Parent Stockholders in connection with the making or amendment of a tender offer or exchange offer), or making any "stop, look and listen" communication to Parent Stockholders (or any similar communications to Parent Stockholders) or (ii) making any disclosure if the Parent Board determines in good faith after consultation with Parent's outside counsel that failure to make such disclosure would be inconsistent with the directors' fiduciary duties under applicable Law; provided that neither the Parent Board nor any committee thereof shall effect a Parent Change of Recommendation unless the applicable requirements of [Section 6.6\(d\)](#) shall have been satisfied.

(f) Parent agrees that any violation of the restrictions contained in this [Section 6.6](#) by any of Parent's Subsidiaries, or by any of Parent's or its Subsidiaries' respective Representatives acting through, or at the direction of, senior management of such Representative or acting at the direction of Parent shall be deemed to be a breach of this [Section 6.6](#) by Parent.

Section 6.7 Proxy Statement/Prospectus; Registration Statement

(a) As promptly as practicable after the execution of this Agreement, Parent shall prepare (with Company's reasonable cooperation) and shall file with the SEC the Registration Statement, in which the Proxy Statement/Prospectus will be included. Each of Company and Parent shall use its reasonable best efforts to ensure that the Registration Statement and the Proxy Statement/Prospectus comply as to form in all material respects with the rules and regulations promulgated by the SEC under the Securities Act and the Exchange Act. Subject to [Section 6.7\(d\)](#), unless the Parent Board has made a Parent Change of Recommendation in accordance with [Section 6.6](#), the Proxy Statement/Prospectus shall include the Parent Recommendation. Prior to the filing of the Registration Statement, Parent shall provide Company and its counsel a reasonable opportunity to review and comment on such documents, and Parent will consider, in good faith, incorporating any such comments of Company and/or its counsel prior to such filing. Parent shall use its reasonable best efforts to (i) have the Registration Statement declared effective under the Securities Act as promptly as practicable after such filing (including by responding to comments of the SEC) and (ii) cause the Proxy Statement/Prospectus to be mailed to Parent Stockholders as promptly as practicable thereafter.

(b) Each of Company and Parent shall furnish all information concerning such Person and its Affiliates to the other, and provide such other assistance, as may be reasonably requested by such other party to be included therein and shall otherwise reasonably assist and cooperate with the other in the preparation, filing and distribution of the Proxy Statement/Prospectus, the Registration Statement and the resolution of any comments to either of the foregoing documents received from the SEC. If at any time prior to the receipt of the Parent Stockholder Approval, any information relating to Company or Parent, or any of their respective Affiliates, directors or officers, should be discovered by Company or Parent which is required to be set forth in an amendment or supplement to either the Registration Statement or the Proxy Statement/Prospectus so that either such document would not include any misstatement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the party which discovers such information shall promptly notify the other party and (i) an appropriate amendment or supplement describing such information shall be promptly filed with the SEC, and (ii) with respect to the Proxy Statement/Prospectus, to the extent required by applicable Law, disseminated to Parent Stockholders.

(c) The parties shall notify each other promptly of the receipt of any comments, whether written or oral, from the SEC or the staff of the SEC and of any request by the SEC or the staff of the SEC for amendments or supplements to the Proxy Statement/Prospectus or the Registration Statement or for additional information and shall (A) supply each other with copies of (i) all correspondence between it or any of its Representatives, on the one hand, and the SEC or the staff of the SEC, on the other hand, with respect to the Proxy Statement/Prospectus or the Registration Statement and (ii) all stop orders of the SEC relating to the Registration Statement and (B) provide each other with a reasonable opportunity to participate in the response to those comments and requests.

(d) No amendment or supplement to the Proxy Statement/Prospectus or the Registration Statement will be made by a party without the approval of the other party, which approval shall not be unreasonably withheld, conditioned or delayed; provided, that Parent, in connection with a Parent Change of Recommendation made in compliance with the terms hereof, may amend or supplement the Proxy Statement/Prospectus (including by incorporation by reference) pursuant to an amendment or supplement (including by incorporation by reference) to the extent it contains (x) a Parent Change of Recommendation, (y) a statement of the reason of the board for making such a Parent Change of Recommendation, and (z) additional information reasonably related to the foregoing.

Section 6.8 Company Stockholder Approval and Parent Stockholder Meetings.

(a) Company shall take all action necessary in accordance with this Agreement, the DGCL, the certificate of incorporation and bylaws of Company and the Stockholders Agreement to obtain the Company Stockholder Approval promptly after the execution and delivery of this Agreement by all parties and, in any event, by no later than 11:59 p.m. central time on the date hereof (such time, the "Consent Time"). If the Company Stockholder Approval is obtained in the form of duly executed written consents that are delivered to Company, Company will deliver to Parent a copy thereof (including by facsimile or other electronic image scan transmission).

(b) Subject to the other provisions of this Agreement, Parent shall (i) take all action necessary in accordance with applicable Law and its certificate of incorporation and bylaws to duly call, give notice of, convene and hold a meeting of its stockholders as promptly as practicable after the Registration Statement is declared effective (and no later than forty-five (45) days after such date), for the purpose of obtaining the Parent Stockholder Approval (the "Parent Meeting"), provided that Parent shall be entitled to one (1) or more adjournments or postponements of the Parent Meeting if it determines (in consultation with Company) it is reasonably advisable to do so to obtain a quorum, to obtain the Parent Stockholder Approval or to allow reasonable additional time for the filing and mailing of any supplemental or amended disclosure that Parent has determined is necessary under applicable Law and for such supplemental or amended disclosure to be

disseminated and reviewed by the Parent Stockholders prior to the Parent Meeting, and (ii) unless there has been a Parent Change of Recommendation in accordance with [Section 6.6](#), use reasonable best efforts to solicit from Parent Stockholders proxies in favor of the Parent Stock Issuance, the Parent Certificate of Incorporation Amendment and the 2024 LTIP Adoption; provided, however, that Parent shall postpone or adjourn the Parent Meeting no more than two (2) times for up to an aggregate of fifteen (15) Business Days upon the reasonable request of Company; provided, further, unless this Agreement shall have been terminated pursuant to [Article VIII](#), no Parent Change of Recommendation nor any public proposal or announcement or other submission to Parent of a Parent Alternative Proposal shall obviate or otherwise affect the obligation of Parent to duly call, give notice of, convene and hold the Parent Meeting for the purpose of obtaining the Parent Stockholder Approval in accordance with this [Section 6.8\(b\)](#). The only matters to be voted upon at each of the Parent Meetings are (i) the Parent Stock Issuance, (ii) the Parent Certificate of Incorporation Amendment, (iii) the 2024 LTIP Adoption, (iv) any adjournment or postponement of the Parent Meeting and (v) any other matters as are required by applicable Law to be voted on solely in connection with the transactions contemplated by this Agreement.

[Section 6.9 Stock Exchange Listing](#). Parent shall use its reasonable best efforts to cause the shares of Parent Common Stock to be issued in the First Merger as part of the Aggregate Merger Consideration and any shares of Parent Common Stock to be issued in connection with the Continuing RSUs, if applicable, to be approved for listing on the NYSE, subject to official notice of issuance, prior to the Effective Time.

[Section 6.10 Efforts](#).

(a) Subject to the terms and conditions set forth in this Agreement, each of the parties to this Agreement shall (and shall cause each of their Affiliates to) use its reasonable best efforts to take promptly, or cause to be taken, all actions, and to do promptly, or cause to be done, and to assist and cooperate with the other parties in doing, all things necessary, proper or advisable under applicable Laws to consummate and make effective the Mergers and the other transactions contemplated by this Agreement, including (i) the obtaining of all necessary actions or nonactions, waivers, consents, clearances, approvals, and expirations or terminations of waiting periods, including the Specified Approvals and the Parent Approvals, from Governmental Entities and the making of all necessary registrations and filings and the taking of all steps as may be necessary to obtain an approval, clearance or waiver from, or to avoid an action or proceeding by, any Governmental Entity; (ii) the obtaining of all consents, approvals or waivers from third parties required to be obtained in connection with the Mergers, including the obtaining by the Company of all necessary consents of the lenders party to the Credit Agreement to the consummation of the Mergers and the other transactions contemplated by this Agreement; and (iii) the execution and delivery of any additional instruments necessary to consummate the transactions contemplated by this Agreement; provided, however, that in no event shall Parent, Company, or any of their respective Subsidiaries be required to pay prior to the Effective Time any fee, penalty or other consideration to any third party for any consent or approval required for the consummation of the transactions contemplated by this Agreement under any Contract (with the exception of any filing fee, or similar, payable to any Governmental Entities with respect to the Specified Approvals or Parent Approvals).

(b) Subject to the terms and conditions herein provided and without limiting the foregoing, the parties shall (and shall cause their Affiliates to) (i) promptly, but in no event later than ten (10) Business Days after the date hereof, file any and all required notification and report forms under the HSR Act, and file as promptly as practicable any other required filings and/or notifications under other applicable Antitrust Laws or Foreign Investment Laws listed in [Section 4.3\(b\)](#) of the Company Disclosure Letter and [Section 5.3\(b\)](#) of the Parent Disclosure Letter, with respect to the Mergers and the other transactions contemplated by this Agreement, and use their reasonable best efforts to cause the expiration or termination of any applicable waiting periods under the HSR Act or any other Antitrust Law or Foreign Investment Laws; (ii) use their reasonable best efforts to cooperate with each other in (x) determining whether any filings are required to be made with, or consents, permits, authorizations, waivers, clearances, approvals, and expirations or terminations of waiting periods are required to be obtained from, any third parties or other Governmental Entities in connection with the execution

and delivery of this Agreement and the consummation of the transactions contemplated by this Agreement and (y) promptly making all such filings and timely obtaining all such consents, permits, authorizations or approvals; (iii) supply to any Governmental Entity as promptly as practicable any additional information or documents that may be requested pursuant to any Law; and (iv) use their reasonable best efforts to take, or cause to be taken, all other actions and do, or cause to be done, all other things necessary, proper or advisable to consummate and make effective the transactions contemplated by this Agreement. Company and Parent shall not (and shall cause their Subsidiaries and Affiliates not to) agree to stay, toll or extend any applicable waiting period under any Antitrust Law, enter into or extend a timing agreement with any Governmental Entity or withdraw or refile any filing under the HSR Act or any other Antitrust Law or Foreign Investment Law, without the prior written consent of the other party.

(c) If any objections are asserted with respect to the transactions contemplated hereby under any Antitrust Law or Foreign Investment Law or if any Action is instituted by any Governmental Entity or any private party challenging any of the transactions contemplated hereby as violative of any Antitrust Law or Foreign Investment Law, each of Parent and Company shall (and shall cause each of their Affiliates to) (i) oppose or defend against any action to prevent or enjoin consummation of this Agreement (and the transactions contemplated herein), and/or (ii) take such action as necessary to overturn any regulatory action by any Governmental Entity to prevent or enjoin consummation of this Agreement (and the transactions contemplated herein), including by defending any Action brought by any Governmental Entity in order to avoid entry of, or to have vacated, overturned or terminated, including by appeal up to a final non-appealable order if necessary, in order to resolve any such objections or challenge as such Governmental Entity or private party may have to such transactions under such Antitrust Law or Foreign Investment Law so as to permit consummation of the transactions contemplated by this Agreement.

(d) Without limiting the foregoing, Parent agrees to (and shall cause its Affiliates to) use its reasonable best efforts, and agrees to take (and shall cause its Affiliates to take), any and all actions to avoid and, if necessary, eliminate, each and every impediment under any Antitrust Laws or Foreign Investment Laws that may be asserted by any person, so as to enable the Closing to occur no later than the End Date, including but not limited to proposing, negotiating, committing to and effecting, by consent decree, hold separate orders, or otherwise: (i) the sale, divestiture or disposition of, any assets, products, businesses or interests of the parties (or their respective Affiliates); (ii) any conditions relating to, or changes or restrictions in, the operations of any such assets, products, businesses or interests; (iii) any modification or waiver of the terms and conditions of this Agreement; or (iv) take any other action that limits the freedom of action with respect to, or the ability to retain, any assets, products, businesses or interests of Parent or any of its Affiliates in order to avoid the entry of or to effect the dissolution of any order or Action (whether temporary, preliminary or permanent), or that would otherwise have the effect of preventing or delaying the consummation of the Mergers and the other transactions contemplated by this Agreement; provided, however, that nothing in this Agreement shall require Parent or Parent's Subsidiaries to propose, execute, carry out, or agree or submit to any action or remedy that individually or in the aggregate would reasonably be expected to have a material adverse effect on the business, operations, financial condition or results of operations of (x) Parent and Parent's Subsidiaries (taken as a whole prior to the Closing) or (y) the Company and the Company's Subsidiaries (taken as a whole).

(e) Without limiting the foregoing, Parent and Company shall not, and shall cause their Affiliates not to, directly or indirectly (whether by merger, consolidation or otherwise), acquire, purchase, lease or license (or agree to acquire, purchase, lease or license) any business, corporation, partnership, association or other business organization or division or part thereof, or any securities or collection of assets, or take or cause to take any action, if doing so would reasonably be expected to: (i) impose any material delay in the obtaining of, or increase the risk of not obtaining, consents, approvals, authorizations or waivers of Governmental Entities necessary, proper or advisable to consummate the transactions contemplated by this Agreement and secure the Specified Approvals or Parent Approvals; (ii) materially delay the consummation of the transactions contemplated by this Agreement; (iii) materially increase the risk of any Governmental Entities entering a judgment prohibiting the consummation of the transactions contemplated by this Agreement; (iv) materially increase the risk of not being

able to remove any such judgment on appeal or otherwise; or (v) otherwise materially impair or delay the ability of any Parent Party to perform its material obligations under this Agreement.

(f) The parties shall (and shall cause their Affiliates to) cooperate and consult with each other in connection with the making of all registrations, filings, notifications, communications, submissions, and any other material actions pursuant to this [Section 6.10](#); and, subject to applicable legal limitations and the instructions of any Governmental Entity, Company, on the one hand, and Parent, on the other hand, shall keep each other apprised of the status of matters relating to the completion of the transactions contemplated by this Agreement, including promptly furnishing the other with copies (or, in the case of oral communications, summaries) of notices or other material communications received by Company or Parent, as the case may be, or any of their respective Subsidiaries or Affiliates, from any third party and/or any Governmental Entity with respect to such transactions. Subject to applicable Law relating to the exchange of information, Company, on the one hand, and Parent, on the other hand, shall to the extent practicable permit counsel for the other party reasonable opportunity to review in advance, and consider in good faith the views of the other party in connection with, any proposed notifications or filings and any substantive written communications or submissions, and with respect to any such notification, filing, written communication or submission, any documents submitted therewith to any Governmental Entity; provided, however, that materials may be redacted (x) to remove references concerning the valuation of the businesses of Company and its Subsidiaries, or proposals from third parties with respect thereto; (y) as necessary or appropriate to address reasonable privilege concerns or reasonable confidentiality concerns relating to proprietary or commercially sensitive information regarding Parent and its operations; and (z) as necessary or appropriate to address reasonable privilege concerns or reasonable confidentiality concerns relating to proprietary or commercially sensitive information regarding Company and its operations. Each of the parties agrees not to (and to cause each of their Affiliates not to) participate in any substantive meeting or discussion, either in person or by telephone, with any Governmental Entity in connection with the transactions contemplated by this Agreement unless it consults with the other parties in advance and, to the extent not prohibited or required otherwise by such Governmental Entity, gives the other party or if advisable the other party's outside counsel the opportunity to attend and participate.

Section 6.11 [Takeover Laws](#). If any Takeover Law shall become applicable to the transactions contemplated by this Agreement, each of Company and Parent and the members of their respective boards of directors shall grant such approvals and take such actions as are reasonably necessary so that the transactions contemplated by this Agreement may be consummated as promptly as practicable on the terms contemplated by this Agreement and otherwise act to eliminate or minimize the effects of such statute or regulation on the transactions contemplated by this Agreement.

Section 6.12 [Public Announcements](#). Neither Company nor Parent, nor any of their respective Affiliates, shall issue or cause the publication of any press release or other announcement with respect to this Agreement, the Mergers or the other transactions contemplated by this Agreement without first providing the other party the opportunity to review and comment upon such release or announcement, unless such party determines in good faith that it is required by applicable Law or by any listing agreement with or the listing rules of a national securities exchange or trading market to issue or cause the publication of any press release or other announcement with respect to this Agreement, the Mergers or the other transactions contemplated by this Agreement, in which event such party shall use its reasonable best efforts to provide an opportunity for the other party to review and comment upon such press release or other announcement prior to making any such press release or other announcement; provided each party and its respective Affiliates may make statements that are substantially similar to previous press releases, public disclosures or public statements made by Parent and Company in compliance with this [Section 6.12](#). Notwithstanding the foregoing, (i) the restrictions set forth in this [Section 6.12](#) shall not apply in connection with any dispute between the parties regarding this Agreement or the transactions contemplated hereby, (ii) no provision of this Agreement shall be deemed to restrict in any manner a party's ability to communicate with its employees and (iii) Parent shall not be required by any provision of this Agreement to consult with or obtain any approval from Company, or provide Company with an opportunity to review and comment, with respect to a public announcement or press release issued in connection with the

receipt and existence of a Parent Alternative Proposal and matters related thereto or Parent Change of Recommendation, other than as set forth in and subject to compliance with [Section 6.6](#).

Section 6.13 [Indemnification and Insurance](#).

(a) From and after the Effective Time, Parent shall, and shall cause the Surviving Company to, to the fullest extent permitted by applicable Law, indemnify, defend and hold harmless, and provide advancement of expenses to, each person who is now, or has been at any time prior to the date hereof or who becomes prior to the Effective Time an officer or director of Company or any of its Subsidiaries (the "[Company Indemnified Parties](#)") against all losses, claims, damages, costs, expenses, liabilities or judgments or amounts that are paid in settlement of or in connection with any claim, Action, suit, proceeding or investigation based in whole or in part on or arising in whole or in part out of the fact that such person is or was a director or officer of Company or any Subsidiary of Company, and pertaining to any matter existing or occurring, or any acts or omissions occurring, at or prior to the Effective Time, whether asserted or claimed prior to, or at or after, the Effective Time (including matters, acts or omissions occurring in connection with the approval of this Agreement and the consummation of the transactions contemplated hereby).

(b) For a period of six (6) years after the Effective Time, Parent shall cause the Surviving Company to maintain in effect the current policies of directors' and officers' liability insurance maintained by Company ([provided](#) that the Surviving Company may substitute therefor policies with a substantially comparable insurer of at least the same coverage and amounts containing terms and conditions that are no less advantageous to the insured) with respect to claims arising from facts or events that occurred at or before the Effective Time (including in connection with the negotiation and execution of this Agreement and the consummation of the transactions contemplated by this Agreement); [provided, however](#), that Parent shall not be required to pay annual premiums in excess of 300% of the last annual premium paid by Company prior to the date of this Agreement in respect of the coverage required to be obtained pursuant to this Agreement, but in such case shall purchase as much coverage as reasonably practicable for such amount. Company may (or, if requested by Parent, shall) purchase, prior to the Effective Time, a six (6) year prepaid "tail" policy on terms and conditions providing substantially equivalent benefits as the current policies of directors' and officers' liability insurance maintained by Company with respect to claims arising from facts or events that occurred at or before the Effective Time (including in connection with the negotiation and execution of this Agreement and the consummation of the transactions contemplated by this Agreement) for a maximum cost of 300% of the last annual premium paid by Company prior to the date of this Agreement in respect of the current policies of directors' and officers' liability insurance maintained by Company, which prepaid "tail" policy shall include as much coverage as reasonably practicable for such amount. If such "tail" prepaid policy has been obtained by Company prior to the Effective Time, Parent shall cause such policy to be maintained in full force and effect, for its full term, and cause all obligations thereunder to be honored by the Surviving Company, and no other party shall have any further obligation to purchase or pay for insurance hereunder.

(c) All rights to indemnification, advancement of expenses and exculpation from liabilities for acts or omissions under Company's (or any Subsidiary of Company's) certificate of incorporation, limited liability company agreement, bylaws, other organizational documents or indemnification Contracts or undertakings existing in favor of those Persons who are, or were, directors and officers of Company (or any Subsidiary of Company) at or prior to the date of this Agreement shall survive the Mergers. Without limiting the foregoing, the organizational documents of Surviving Company (or any Subsidiary of Surviving Company), from and after the Effective Time, shall contain provisions no less favorable to the Company Indemnified Parties with respect to limitation of liabilities of directors and officers and indemnification that are set forth as of the date of this Agreement in the certificate of incorporation, limited liability company agreement, bylaws and other organizational documents of Company (or any Subsidiary of Company), which provisions shall not be amended, repealed or otherwise modified in a manner that would adversely affect the rights thereunder of the Company Indemnified Parties. In addition, from the Effective Time, Surviving Company shall, and Parent shall cause Surviving Company to, without requiring a preliminary determination of entitlement to indemnification, advance

any expenses (including attorneys' fees) of any Company Indemnified Party under this [Section 6.13](#) (including in connection with enforcing the indemnity and other obligations referred to in this [Section 6.13](#)) as incurred to the fullest extent permitted under applicable Law for a period of six (6) years from the Effective Time; provided that any Person to whom expenses are advanced provides an undertaking to repay such advances if it is ultimately determined by final adjudication that such Person is not entitled to indemnification.

(d) If Parent or any of its successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving entity of such consolidation or merger, or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, to the extent necessary, proper provision shall be made so that the successors and assigns of Parent shall assume or cause Surviving Company to continue to be bound by the obligations set forth in this [Section 6.13](#). Nothing in this Agreement is intended to, shall be construed to or shall release, waive or impair any rights to directors' and officers' insurance claims under any policy that is or has been in existence with respect to Company or any of their Subsidiaries or their respective officers and directors, it being understood and agreed that the indemnification provided for in this [Section 6.13](#) is not prior to, or in substitution for, any claims under any such policies.

(e) The provisions of this [Section 6.13](#) (i) shall survive the consummation of the Mergers and continue in full force and effect, (ii) are intended to be for the benefit of, and shall be enforceable by a Company Indemnified Party and his or her heirs and representatives and (iii) are in addition to, and not in substitution for, any other rights to indemnification or contribution that any such person may have by contract or otherwise.

[Section 6.14 Stockholder Litigation](#). In the event that any litigation or other Action of any Company Stockholder or Parent Stockholder related to this Agreement, the Mergers or the other transactions contemplated by this Agreement is initiated or pending, or, to the Knowledge of the applicable party, threatened in writing, against any party or its Subsidiaries and/or the members of the board of directors of such party (or of any equivalent governing body of any Subsidiary of such party) prior to the Effective Time (or earlier termination of this Agreement), such party shall promptly notify the other party of any such stockholder or Action by a Company Stockholder or Parent Stockholder, give the other party the opportunity to participate in the defense or settlement of any such Action, and shall keep the other party reasonably informed with respect to the status thereof. No settlement of any such stockholder or Action by a Company Stockholder or Parent Stockholder shall be agreed to without the other party's consent (not to be unreasonably withheld, delayed or conditioned).

[Section 6.15 Financing Matters](#).

(a) From the date of this Agreement until the Effective Time, the parties shall, and shall cause their Subsidiaries to, cooperate with one another as reasonably requested by any other party hereto in connection with obtaining or refinancing any debt financing of Parent, Company or their Affiliates, including by using reasonable best efforts to (i) furnish financial and other pertinent information of Parent, Company or their Subsidiaries necessary to show the pro forma impact of the transactions contemplated by this Agreement on Parent, Company and its Subsidiaries, as applicable, (ii) cooperate with the creation and perfection of pledge and security instruments effective as of the Effective Time and (iii) provide pertinent information of Parent, Company and their Subsidiaries in connection with the applicable debt financing (1) required by U.S. regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations or (2) as may otherwise be reasonably requested and customarily needed for refinancings or debt financings of the type contemplated; provided that such party shall be reimbursed for any reasonable out-of-pocket costs incurred by such party in connection with such cooperation with respect to the other party's debt financing.

(b) Notwithstanding anything to the contrary contained in [Section 6.15\(a\)](#), nothing in this [Section 6.15](#) shall require any such cooperation to the extent that it would (i) require the parties hereto or any of their respective Subsidiaries or their respective Representatives, as applicable, to waive or amend any terms of this Agreement, (ii) unreasonably interfere with the ongoing business or operations of such party or any of its Subsidiaries, (iii) require a party or any of its Subsidiaries to take any action that will conflict with or violate the

organizational documents of such party or any Laws or result in the contravention of, or that would reasonably be expected to result in a violation or breach of, or default under, any Parent Material Contract or Company Material Contract, as the case may be, or (iv) require a party or any of its Subsidiaries to enter into or approve any financing, pledge, security or similar agreement in connection with the foregoing prior to the Effective Time.

Section 6.16 Approval of Merger Sub. Immediately following the execution and delivery of this Agreement by the parties, Parent, as the sole stockholder of Merger Sub, shall adopt this Agreement and approve the Mergers, in accordance with applicable Law, by written consent.

Section 6.17 Section 16 Matters. Prior to the Effective Time, Parent and Company, if applicable, shall use their respective reasonable best efforts to take all such steps as may be required to cause any acquisitions of Parent equity securities (including derivative securities) resulting from the transactions contemplated by this Agreement by each individual who will become subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to Parent to be exempt under Rule 16b-3 promulgated under the Exchange Act, to the extent permitted by applicable Law.

Section 6.18 Special Cash Dividend. Prior to the Effective Time, Company shall declare a cash dividend (the "Company Closing Cash Dividend") to the holders of Company Common Stock as of a record date on or prior to the Closing Date, which, in the aggregate shall not exceed an amount equal to \$75,000,000, subject to funds being legally available therefor; provided that the payment of the Company Closing Cash Dividend may be conditioned upon the occurrence of the Closing. Company shall announce, declare and pay (or cause to be paid) the Company Closing Cash Dividend in compliance with all applicable Law.

Section 6.19 Drag-Along Notice. Prior to the Closing, at the direction of the Consenting Stockholders, Company will deliver a Drag-Along Notice (as defined in the Stockholders Agreement) to each Company Stockholder (other than the Consenting Stockholders) with respect to the transactions contemplated by this Agreement in accordance with the Stockholders Agreement.

Section 6.20 Additional Agreements. In case at any time after the Effective Time any further action is reasonably necessary to carry out the purposes of this Agreement or to vest the surviving entities of the Mergers with full title to all properties, assets, rights, approvals, immunities and franchises of either of the constituent corporations or the constituent limited liability company of the Mergers, as applicable, the proper officers and directors of each party to this Agreement shall take all such necessary action. Parent shall take all action necessary to cause Merger Sub, LLC Sub, the Surviving Corporation and the Surviving Company to perform their respective obligations under this Agreement.

Section 6.21 2024 Long-Term Incentive Plan. Effective as of (and contingent on) the Closing, the Parent Board shall adopt, subject to obtaining the 2024 LTIP Adoption, the 2024 Long-Term Incentive Plan, in substantially the form attached hereto as Exhibit F.

Section 7.4 Frustration of Closing Conditions. Neither Company nor Parent may rely, either as a basis for not consummating the Mergers or terminating this Agreement and abandoning the Mergers, respectively, on the failure of any condition set forth in Section 7.1, Section 7.2, or Section 7.3 as the case may be, to be satisfied if the failure to perform any material obligation required to be performed by such party has been the primary cause of the failure of such condition.

ARTICLE VIII

TERMINATION

Section 8.1 Termination and Abandonment. Anything contained in this Agreement to the contrary notwithstanding, this Agreement may be terminated and abandoned at any time prior to the Effective Time, whether before or after the Company Stockholder Approval or the Parent Stockholder Approval has been obtained:

(a) by the mutual written consent of Company and Parent;

(b) by either Company or Parent:

(i) if (A) the Effective Time shall not have occurred on or before December 18, 2024 (the “End Date”); provided, however, that if the conditions to the Closing set forth in Section 7.1(d) have not been satisfied or waived on or prior to such date but all other conditions to Closing set forth in Article VII have been satisfied or waived (other than those conditions that by their nature are to be satisfied or waived at the Closing (so long as such conditions are reasonably capable of being satisfied)), the End Date shall be extended automatically to March 18, 2025, and such date, as so extended, shall be the “End Date”; and (B) the party seeking to terminate this Agreement pursuant to this Section 8.1(b)(i) shall not have breached its obligations under this Agreement in any manner that shall have been the primary cause of the failure to consummate the Mergers on or before such date;

(ii) if any court of competent jurisdiction shall have issued or entered an Order permanently enjoining or otherwise prohibiting the consummation of the Mergers and such injunction shall have become final and non-appealable; provided that the party seeking to terminate this Agreement pursuant to this Section 8.1(b)(ii) shall have used such efforts as required by Section 6.10 to prevent, oppose and remove such injunction;

(iii) if the Parent Meeting (including any adjournments or postponements thereof) shall have concluded and the Parent Stockholder Approval shall not have been obtained; or

(iv) if the Company Stockholder Approval shall not have been obtained by the Consent Time.

(c) by Company:

(i) at any time prior to the receipt of the Parent Stockholder Approval, in the event of a Parent Change of Recommendation;

(ii) if any Parent Party shall have breached or failed to perform any of their representations, warranties, covenants or other agreements contained in this Agreement, which breach or failure to perform (A) would result in a failure of a condition set forth in [Section 7.2\(a\)](#) or [Section 7.2\(b\)](#) and (B) cannot be cured by the End Date or, if curable, is not cured (1) within thirty (30) days following Company's delivery of written notice to Parent of such breach (which notice shall specify in reasonable detail the nature of such breach or failure) or (2) within any shorter period of time that remains between the date Company delivers the notice described in the foregoing subclause (1) and the day prior to the End Date; provided that Company is not then in breach of any representation, warranty, agreement or covenant contained in this Agreement so as to cause any of the conditions set forth in [Section 7.3\(a\)](#) or [Section 7.3\(b\)](#) not to be capable of being satisfied; or

(iii) if Parent or any of its Subsidiaries shall have materially breached its obligations under [Section 6.6](#).

(d) by Parent:

(i) if Company shall have breached or failed to perform any of its representations, warranties, covenants or other agreements contained in this Agreement, which breach or failure to perform (A) would result in a failure of a condition set forth in [Section 7.3\(a\)](#) or [Section 7.3\(b\)](#) and (B) cannot be cured by the End Date or, if curable, is not cured (1) within thirty (30) days following Parent's delivery of written notice to Company of such breach (which notice shall specify in reasonable detail the nature of such breach or failure) or (2) within any shorter period of time that remains between the date Parent delivers the notice described in the foregoing subclause (1) and the day prior to the End Date; provided that Parent, Merger Sub or LLC Sub is not then in breach of any representation, warranty, agreement or covenant contained in this Agreement so as to cause any of the conditions set forth in [Section 7.2\(a\)](#) or [Section 7.2\(b\)](#) not to be capable of being satisfied; or

(ii) in accordance with [Section 6.6\(d\)](#), if (A) the Parent Board has authorized Parent to enter into a Parent Alternative Acquisition Agreement with respect to a Parent Superior Proposal, (B) prior to or concurrently with such termination, Parent shall have paid the Parent Termination Fee to Company pursuant to [Section 8.3\(a\)\(iii\)](#) and (C) concurrently with the termination of this Agreement, Parent enters into a Parent Alternative Acquisition Agreement with respect to the Parent Superior Proposal referred to in clause (A).

[Section 8.2 Manner and Effect of Termination](#). Any party terminating this Agreement pursuant to [Section 8.1](#) (other than [Section 8.1\(a\)](#)) shall give written notice of such termination to the other party in accordance with this Agreement specifying the provision or provisions of this Agreement pursuant to which such termination is being effected and the basis therefor described in reasonable detail. In the event of termination of this Agreement pursuant to [Section 8.1](#), this Agreement shall forthwith become null and void and there shall be no liability or obligation on the part of the parties or their respective Subsidiaries or Affiliates. Notwithstanding the foregoing: (a) no such termination shall relieve any party of its obligation to pay the Company Expenses, Parent Termination Fee or Parent Expenses, as applicable, if, as and when required pursuant to [Section 8.3](#); (b) no such termination shall relieve any party for liability for such party's Willful Breach of this Agreement or for Fraud; and (c) (i) the Confidentiality Agreement (in accordance with its terms), and (ii) the provisions of [Section 6.4\(b\)](#), this [Section 8.2](#), [Section 8.3](#), and [Article IX](#) will survive the termination of this Agreement.

Section 8.3 Termination Fees.

(a) In the event that:

(i) (1) This Agreement shall have been terminated pursuant to (x) Section 8.1(b)(i) [*End Date*] (provided, in the case of a termination by Parent, Company had the right to terminate this Agreement pursuant to Section 8.1(b)(i) [*End Date*], or Company had the right to terminate this Agreement pursuant to Section 8.1(c)(i) [*Parent Change in Recommendation*], Section 8.1(c)(ii) [*Parent Breach of Reps and Warranties or Covenants*] or Section 8.1(c)(iii) [*Parent Breach of No Solicitation*]), (y) Section 8.1(b)(iii) [*Parent No-Vote*] or (z) Section 8.1(c)(ii) [*Parent Breach of Reps and Warranties or Covenants*], (2) Parent or any other Person shall have publicly disclosed or announced a Parent Alternative Proposal made on or after the date of this Agreement but prior to the Parent Meeting, and such Parent Alternative Proposal has not been publicly withdrawn (A) in the case of clause (1)(x) above, prior to the End Date, (B) in the case of clause (1)(y) above, at least five (5) days prior to the date of the Parent Meeting, and (C) in the case of clause (1)(z) above, prior to a material breach that gives rise to Company's termination right pursuant to Section 8.1(c)(ii), and (3) within twelve (12) months of such termination, a Parent Alternative Proposal is consummated or a Parent Alternative Acquisition Agreement is entered into (which Parent Alternative Proposal is thereafter consummated); provided that, for purposes of this clause (3), the references to "20%" in the definition of "Parent Alternative Proposal" shall be deemed to be references to "more than 50%" and, in the case of clause (1)(x), references in this clause (3) to "Parent Alternative Proposal" shall be with the same Person or Affiliate of such Person that made the Parent Alternative Proposal that was made and not publicly withdrawn as set forth in clause (2) or with any other Person that submitted a subsequent Parent Alternative Proposal in response to any then pending Parent Alternative Proposal referenced in clause (2);

(ii) Company shall have terminated this Agreement pursuant to Section 8.1(c)(i) [*Parent Change in Recommendation*] or Section 8.1(c)(iii) [*Parent Breach of No-Shop*]; or

(iii) Parent shall have terminated this Agreement pursuant to Section 8.1(d)(ii) [*Parent Superior Proposal*];

then, Parent shall, (A) in the case of clause (i) above, upon the consummation of the Parent Alternative Proposal, pay Company (or one or more of its designees) the Parent Termination Fee less any amount previously paid under Section 8.3(b); (B) in the case of clause (ii) above, within two (2) Business Days after such termination, pay Company (or one or more of its designees) the Parent Termination Fee; and (C) in the case of clause (iii) above, upon the entry into a Parent Alternative Acquisition Agreement, pay Company (or one or more of its designees) the Parent Termination Fee; in each case by wire transfer of immediately available funds to one or more accounts designated by Company; it being understood that in no event shall Parent be required to pay the Parent Termination Fee on more than one occasion. Following receipt by Company (or one or more of its designees) of the Parent Termination Fee in accordance with this Section 8.3(a), Parent shall have no further liability with respect to this Agreement or the transactions contemplated herein to Company or its Subsidiaries or Affiliates or any other Person, other than in respect of Willful Breach of this Agreement or Fraud.

(b) Expenses. In the event this Agreement is terminated by Parent or Company pursuant to Section 8.1(b)(iii) and the Parent Termination Fee is not otherwise payable by Parent pursuant to Section 8.3(a), then Parent shall pay to Company the Company Expenses within two (2) Business Days of such termination by wire transfer of immediately available funds to one or more accounts designated by Company. In the event this Agreement is terminated by Parent or Company pursuant to Section 8.1(b)(iv), then Company shall pay to Parent the Parent Expenses within two (2) Business Days of such termination by wire transfer of immediately available funds to one or more accounts designated by Parent.

(c) If Parent or Company fails to timely pay an amount due pursuant to this Section 8.3, the defaulting party shall pay the non-defaulting party interest on such amount at the prime rate as published in *The Wall Street*

Journal in effect on the date such payment was required to be made plus three percent (3%) per annum through the date such payment is actually received. If, in order to obtain such payment, the non-defaulting party commences a proceeding that results in judgment for such party for such amount, the defaulting party shall pay the non-defaulting party its reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and expenses) incurred in connection with such proceeding.

(d) The parties acknowledge that the agreements contained in this [Section 8.3](#) are an integral part of the transactions contemplated by this Agreement and that, without these agreements, the parties would not enter into this Agreement. The parties agree that other than in respect of Willful Breach of this Agreement or Fraud (i) subject to [Section 8.2](#), payment of the Company Expenses, the Parent Expenses or the Parent Termination Fee, as applicable, shall, in the circumstances in which it is owed in accordance with the terms of this Agreement, constitute the sole and exclusive remedy of the receiving party following the termination of this Agreement and (ii) in no event will the receiving party or any other Person seek to recover any other money damages (other than the payment of the Company Expenses, the Parent Expenses or the Parent Termination Fee, as applicable) or seek any other remedy based on a claim in law or equity with respect to, in each case of clause (i) and (ii), (A) any loss suffered, directly or indirectly, as a result of the failure of the Mergers to be consummated, (B) the termination of this Agreement, (C) any liabilities or obligations arising under this Agreement, or (D) any claims or actions arising out of or relating to any breach, termination or failure of or under this Agreement.

ARTICLE IX

MISCELLANEOUS

Section 9.1 No Survival of Representations and Warranties. None of the representations and warranties in this Agreement or in any instrument delivered pursuant to this Agreement shall survive the Mergers. This [Section 9.1](#) shall not limit any covenant or agreement contained in this Agreement or in any document or instrument delivered pursuant to or in connection with this Agreement that by its terms contemplates performance in whole or in part after the Effective Time, which shall survive to the extent expressly provided for herein or therein.

Section 9.2 Expenses. Except as set forth in [Section 8.3](#), whether or not the Mergers are consummated, all costs and expenses incurred in connection with the Mergers, this Agreement and the transactions contemplated by this Agreement shall be paid by the party incurring or required to incur such expenses, except that Company and Parent shall each pay fifty percent (50%) of all (x) expenses incurred in connection with the printing, filing and mailing of the Registration Statement (including applicable SEC filing fees) and (y) filing fees paid in respect of the HSR Act for any such filings required of Parent, Company, or their respective Affiliates, any other Antitrust Laws, Foreign Investment Laws, and/or any such other laws or regulations applicable to any of Parent or its Affiliates.

Section 9.3 Counterparts: Effectiveness. This Agreement may be executed and delivered in counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each of the parties to this Agreement and delivered to the other parties, it being understood that all parties need not sign the same counterpart. Signatures transmitted by facsimile or other electronic transmission shall be accepted as originals for all purposes of this Agreement.

Section 9.4 Governing Law: Jurisdiction.

(a) This Agreement and all claims or causes of action (whether in tort, contract or otherwise) that may be based upon, arise out of or relate to this Agreement or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement) shall be governed by and construed in accordance with

the laws of the State of Delaware, without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

(b) In addition, each of the parties to this Agreement irrevocably agrees that any legal action or proceeding with respect to this Agreement and the rights and obligations arising hereunder, or for recognition and enforcement of any judgment in respect of this Agreement and the rights and obligations arising hereunder brought by the other party to this Agreement or its successors or assigns, shall be brought and determined exclusively in the Delaware Court of Chancery, or, if the Delaware Court of Chancery declines to accept jurisdiction over a particular matter, any federal court within the State of Delaware, or, if both the Delaware Court of Chancery and the federal courts within the State of Delaware decline to accept jurisdiction over a particular matter, any other state court within the State of Delaware, and, in each case, any appellate court therefrom. Each of the parties to this Agreement hereby irrevocably submits with regard to any such action or proceeding for itself and in respect of its property, generally and unconditionally, to the personal jurisdiction of the aforesaid courts and agrees that it will not bring any action or proceeding relating to this Agreement or any of the transactions contemplated by this Agreement in any court other than the aforesaid courts. Each of the parties to this Agreement hereby irrevocably waives, and agrees not to assert as a defense, counterclaim or otherwise, in any action or proceeding with respect to this Agreement, (i) any claim that it is not personally subject to the jurisdiction of the above-named courts for any reason other than the failure to serve in accordance with this [Section 9.4](#), (ii) any claim that it or its property is exempt or immune from the jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (iii) to the fullest extent permitted by the applicable Law, any claim that (I) the suit, action or proceeding in such court is brought in an inconvenient forum, (II) the venue of such suit, action or proceeding is improper or (III) this Agreement, or the subject matter hereof, may not be enforced in or by such courts. Each of the parties to this Agreement agrees that service of process upon such party in any such action or proceeding shall be effective if such process is given as a notice in accordance with [Section 9.7](#).

Section 9.5 [Specific Enforcement](#).

(a) The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Each party agrees that in the event of any breach or threatened breach by any other party of any covenant or obligation contained in this Agreement (including failing to take such actions as are required of them hereunder to consummate this Agreement), the non-breaching party shall be entitled (in addition to any other remedy that may be available to it whether in law or equity, including monetary damages) to obtain (i) a decree or order of specific performance to enforce the observance and performance of such covenant or obligation and (ii) an injunction restraining such breach or threatened breach (including failing to take such actions as are required of them hereunder to consummate this Agreement). Each party acknowledges and agrees that (A) each party is entitled to specifically enforce the terms and provisions of this Agreement notwithstanding the availability of any monetary remedy, (B) the availability of any monetary remedy (1) does not adequately compensate for the harm that would result from a breach of this Agreement and (2) shall not be construed to diminish or otherwise impair in any respect any party's right to specific enforcement, and (C) the right of specific enforcement is an integral part of the transactions contemplated by this Agreement and without that right, neither Company, Parent, Merger Sub, nor LLC Sub would have entered into this Agreement.

(b) Each party further agrees that (i) no such party will oppose the granting of an injunction, specific performance and other equitable relief as provided herein on the basis that the other party has an adequate remedy at law or an award of specific performance is not an appropriate remedy for any reason at law or equity and (ii) no other party or any other Person shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this [Section 9.5](#), and each party irrevocably waives any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

Section 9.6 Waiver of Jury Trial. EACH OF THE PARTIES TO THIS AGREEMENT HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY MAKES THIS WAIVER VOLUNTARILY AND SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS CONTAINED IN THIS SECTION 9.6.

Section 9.7 Notices. Any notice required to be given hereunder shall be in writing, and sent by facsimile transmission (provided that any notice received by facsimile transmission or otherwise at the addressee's location on any Business Day after 5:00 p.m. (addressee's local time) shall be deemed to have been received at 9:00 a.m. (addressee's local time) on the next Business Day), by reliable overnight delivery service (with proof of delivery, with such notice deemed to be given upon receipt), hand delivery (with such notice deemed to be given upon receipt) or by electronic mail transmission (with such notice deemed to have been given at the time of confirmation of transmission, and with such notice to be followed reasonably promptly with a copy delivered by one of the foregoing methods), addressed as follows:

or to such other address as any party shall specify by written notice so given (subject to the proviso of the immediately following sentence), and such notice shall be deemed to have been delivered as of the date so telecommunicated, personally delivered or received. Any party to this Agreement may notify any other party of any changes to the address or any of the other details specified in this paragraph; provided that such notification shall only be effective on the date specified in such notice or two (2) Business Days after the notice is given, whichever is later. Rejection or other refusal to accept or the inability to deliver because of changed address of which no notice was given shall be deemed to be receipt of the notice as of the date of such rejection, refusal or inability to deliver.

Section 9.8 Assignment; Binding Effect. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties to this Agreement (whether by operation of law or otherwise) without the prior written consent of the other parties. Subject to the preceding sentence, this Agreement shall be binding upon and shall inure to the benefit of the parties to this Agreement and their respective successors and assigns. Any purported assignment not permitted by this Section 9.8 shall be null and void.

Section 9.9 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the sole extent of such invalidity or unenforceability without rendering invalid or unenforceable the remainder of such term or provision or the remaining terms and provisions of this Agreement in any jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, such provision shall be interpreted to be only so broad as is enforceable. Notwithstanding anything to the contrary, under no circumstances shall the rights of holders of Company Common Stock or shares of Parent Common Stock as third-party beneficiaries pursuant to Section 9.10(b)(ii) be enforceable by such stockholders, respectively, or any other Person acting for or on their behalf other than Company or Parent, respectively, and such party's successors in interest.

Section 9.10 Entire Agreement; No Third-Party Beneficiaries.

(a) This Agreement (including the exhibits, annexes and schedules to this Agreement) and the Confidentiality Agreement, which shall survive the execution and delivery of this Agreement, constitute the entire agreement, and supersede all other prior agreements and understandings, both written and oral, among the parties, or any of them, with respect to the subject matter hereof and thereof.

(b) Nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement other than (i) as specifically provided in Section 6.13 (which shall be for the benefit of the Company Indemnified Parties from and after the Effective Time) and Section 9.12 (which shall be for the benefit of the Persons named in the second sentence thereof); and (ii) solely from and after the Effective Time and subject to the consummation of the Mergers, the provisions of Article III with respect to holders of Company Common Stock (which, from and after the Effective Time, shall be for the benefit of holders of Company Common Stock as of the Effective Time).

Section 9.11 Amendments; Waivers.

(a) At any time prior to the Effective Time, any provision of this Agreement may be amended if, and only if, such amendment is in writing and signed by the parties hereto, provided, that if the Company Stockholder Approval or Parent Stockholder Approval has been obtained, then no such amendment may be made to this Agreement that requires further stockholder approval under applicable Law or in accordance with the rules and regulations of any applicable stock exchange without obtaining such further approval.

(b) At any time and from time to time prior to the Effective Time, any party may, to the extent legally allowed and except as otherwise set forth in this Agreement, (a) extend the time for the performance of any of the covenants or other acts of the other parties, as applicable; (b) waive any inaccuracies in the representations and

warranties made to such party in this Agreement; and (c) waive compliance with any of the agreements or conditions for the benefit of such party contained in this Agreement. Any agreement by a party to any such extension or waiver will be valid only if set forth in an instrument in writing signed by such party. Notwithstanding the foregoing, no failure or delay by a party hereto in exercising any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise of any other right hereunder.

Section 9.12 Non-Recourse. Unless expressly agreed to otherwise by the parties in writing, this Agreement may only be enforced against, and any action in connection with, arising out of or otherwise resulting from this Agreement, any instrument or other document delivered pursuant to this Agreement may only be brought against the Persons expressly named as parties (or any of their respective successors, legal representatives and permitted assigns) and then only with respect to the specific obligations set forth herein with respect to such party. No past, present or future director, employee (including any officer), incorporator, manager, member, partner, stockholder, other equity holder or persons in a similar capacity, controlling person, Affiliate or other Representative of any party or of any Affiliate of any party, or any of their respective successors, Representatives and permitted assigns (unless, for the avoidance of doubt, such Person is a party), shall have any liability or other obligation for any obligation of any party under this Agreement or for any action in connection with, arising out of or otherwise resulting from this Agreement, any instrument or other document delivered pursuant to this Agreement; provided, however, that nothing in this Section 9.12 shall limit any liability or other obligation of the parties for breaches of the terms and conditions of this Agreement.

Section 9.13 Fulfillment of Obligations. Whenever this Agreement requires Merger Sub or LLC Sub to take any action, such requirement shall be deemed to include an undertaking on the part of Parent to cause Merger Sub or LLC Sub, as applicable, to take such action.

Opinion of Citigroup Global Markets Inc.

March 17, 2024

The Board of Directors
Dril-Quip, Inc.
2050 West Sam Houston Parkway S., Suite 1100
Houston, Texas 77042

The Board of Directors:

You have requested our opinion as to the fairness, from a financial point of view, to Dril-Quip, Inc. (“Dril-Quip”) of the Aggregate Merger Consideration (defined below) provided for pursuant to the terms and subject to the conditions set forth in an Agreement and Plan of Merger (the “Agreement”) proposed to be entered into among Dril-Quip, Ironman Merger Sub, Inc., a wholly owned subsidiary of Dril-Quip (“Merger Sub”), DQ Merger Sub, LLC, a wholly owned subsidiary of Dril-Quip (“LLC Merger Sub”) and, together with Merger Sub, “Merger Subs”), and Innovex Downhole Solutions, Inc. (“Innovex”). As more fully described in the Agreement, (i) Merger Sub will be merged with and into Innovex (the “First Merger”), with Innovex surviving the First Merger as a wholly owned subsidiary of Dril-Quip, and immediately following the First Merger, Innovex will be merged with and into LLC Merger Sub (the “Second Merger” and, together with the First Merger, the “Mergers”), with LLC Merger Sub surviving the Second Merger as a wholly owned subsidiary of Dril-Quip, and (ii) the shares of the common stock, par value \$0.01 per share, of Innovex (“Innovex Common Stock”) outstanding immediately prior to consummation of the First Merger will be converted pursuant to the First Merger into the right to receive an aggregate number of shares of the common stock, par value \$0.01 per share, of Dril-Quip (“Dril-Quip Common Stock”) equal to the product of (i) 48% multiplied by (ii) the quotient of (x) the fully-diluted shares of Dril-Quip Common Stock immediately prior to consummation of the First Merger divided by (y) 52%, which aggregate number of shares of Dril-Quip Common Stock issuable by Dril-Quip (including in respect of stock options and restricted stock units) in the First Merger we have been advised implies a pro forma equity ownership interest in Dril-Quip upon consummation of the First Merger by the securityholders of Innovex immediately prior to consummation of the First Merger of 48% on a fully-diluted basis (the aggregate number of shares of Dril-Quip Common Stock resulting in such pro forma ownership, the “Aggregate Merger Consideration”). The terms and conditions of the Mergers are more fully set forth in the Agreement.

In arriving at our opinion, we reviewed a draft, dated March 17, 2024, of the Agreement and held discussions with certain senior officers, directors and other representatives of Dril-Quip and certain senior officers and other representatives of Innovex concerning the businesses, operations and prospects of Dril-Quip and Innovex. We reviewed certain publicly available and other business and financial information relating to Dril-Quip and Innovex provided to or discussed with us by the managements of Dril-Quip and Innovex, including certain financial forecasts and other information and data relating to Dril-Quip prepared by the management of Dril-Quip and certain financial forecasts and other information and data relating to Innovex prepared by the management of Innovex as approved by the management of Dril-Quip. We also reviewed certain information and data provided to or discussed with us by the managements of Dril-Quip and Innovex relating to potential strategic implications and financial and operational benefits (including the amount, timing and achievability thereof) anticipated by such managements to result from the Mergers. We reviewed the financial terms of the Mergers as set forth in the Agreement in relation to, among other things: current and historical market prices of Dril-Quip Common Stock; the financial condition and certain historical and projected financial and operating data of Dril-Quip and Innovex; and the capitalization of Dril-Quip and Innovex. We also reviewed certain financial, stock market and other publicly available information relating to the businesses of certain other

companies whose operations we considered relevant in evaluating those of Dril-Quip and Innovex. We further reviewed certain potential pro forma financial effects of the Mergers utilizing the financial forecasts and other information and data and potential strategic implications and financial and operational benefits referred to above. In connection with our engagement, at the request of Dril-Quip, we held discussions with certain third parties regarding a potential transaction involving Dril-Quip. In addition to the foregoing, we conducted such other analyses and examinations and considered such other information and financial, economic and market criteria as we deemed appropriate in arriving at our opinion. The issuance of our opinion has been authorized by our fairness opinion committee.

In rendering our opinion, we have assumed and relied, without independent verification, upon the accuracy and completeness of all financial and other information and data publicly available or provided to or otherwise reviewed by or discussed with us and upon the assurances of the managements and other representatives of Dril-Quip and Innovex that they are not aware of any relevant information that has been omitted or that remains undisclosed to us. With respect to the financial forecasts and other information and data that we have been directed to utilize in our analyses, we have been advised by the managements of Dril-Quip and Innovex and we have assumed, with your consent, that they have been reasonably prepared on bases reflecting the best currently available estimates and judgments of such managements, as the case may be, as to, and are a reasonable basis upon which to evaluate, the future financial performance of Dril- Quip and Innovex, the potential strategic implications and financial and operational benefits (including the amount, timing and achievability thereof) anticipated by such managements to result from, and other potential pro forma financial effects of, the Mergers and the other matters covered thereby. We express no view or opinion as to any financial forecasts and other information or data (or underlying assumptions on which they are based) provided to or otherwise reviewed by or discussed with us and we have assumed, with your consent, that the financial results, including with respect to the potential strategic implications and financial and operational benefits anticipated to result from the Mergers, reflected in such financial forecasts and other information and data will be realized in the amounts and at the times projected.

We have relied, at your direction, upon the assessments of the managements of Dril-Quip and Innovex, as the case may be, as to, among other things, (i) the potential impact on Dril-Quip and Innovex of macroeconomic, geopolitical, market, competitive, seasonal and other conditions, trends and developments in and prospects for, and governmental, regulatory and legislative matters relating to or otherwise affecting, the energy equipment and services industry, including with respect to the availability and pricing of commodities, raw materials and finished goods and supply and demand for oil and natural gas, which are subject to significant volatility and which, if different than as assumed, could have a material impact on our analyses or opinion, (ii) Innovex's disclosure controls and procedures, including implications of material weaknesses identified in Innovex's internal control over financial reporting and the remediation of such material weaknesses, (iii) Dril-Quip's and Innovex's completed acquisitions, including financial and other aspects involved and the ability to integrate acquired businesses and realize the potential benefits thereof, (iv) the existing and future products and intellectual property of Dril-Quip and Innovex, (v) existing and future agreements and other arrangements involving, and the ability to attract, retain and/or replace, key employees, customers, suppliers, service providers and other commercial relationships of Dril-Quip and Innovex, and (vi) the ability of Dril-Quip to integrate the operations of Dril-Quip and Innovex and to realize the potential strategic implications and financial and operational benefits as contemplated. We have assumed, with your consent, that there will be no developments with respect to any such matters that would have an adverse effect on Dril-Quip, Innovex or the Mergers (including the contemplated benefits thereof) or that otherwise would be meaningful in any respect to our analyses or opinion.

We have not made or been provided with an independent evaluation or appraisal of the assets or liabilities (contingent, accrued, derivative, off-balance sheet or otherwise) of Dril-Quip, Innovex or any other entity nor have we made any physical inspection of the properties or assets of Dril-Quip, Innovex or any other entity. We have not evaluated the solvency or fair value of Dril-Quip, Innovex or any other entity under any state, federal, provincial or other laws relating to bankruptcy, insolvency or similar matters. We also express no view or opinion as to any actual or potential litigation, claims or governmental, regulatory or other proceedings, enforcement actions, consent decrees or other orders, audits or investigations or the potential impact thereof on Dril-Quip, Innovex or any other entity or the Mergers.

We have assumed, with your consent, that the Mergers will be consummated in accordance with their respective terms and in compliance with all applicable laws, documents and other requirements, without waiver, modification or amendment of any material term, condition or agreement, and that, in the course of obtaining the necessary governmental, regulatory or third party approvals, consents, releases, waivers and agreements for the Mergers or otherwise, no delay, limitation, restriction, condition or other action, including any divestiture or other requirements, amendments or modifications, will be imposed or occur that would have an adverse effect on Dril-Quip, Innovex or the Mergers (including the contemplated benefits thereof) or that otherwise would be meaningful in any respect to our analyses or opinion. We also have assumed, with your consent, that the Mergers will qualify for the intended tax treatment contemplated by the Agreement. Representatives of Dril-Quip have advised us, and we further have assumed, that the final terms of the Agreement will not vary materially from those set forth in the draft reviewed by us. Our opinion, as set forth herein, relates to the relative values of Dril-Quip and Innovex (after taking into account a special dividend of \$75 million to holders of Innovex Common Stock). We are not expressing any view or opinion as to the actual value of Dril-Quip Common Stock when issued in connection with the First Merger or the prices at which Dril-Quip Common Stock, Innovex Common Stock or any other securities Dril-Quip or Innovex may trade or otherwise be transferable at any time, including following the announcement or consummation of the Mergers. We also are not expressing any view or opinion with respect to accounting, tax, regulatory, legal or similar matters, including, without limitation, as to tax or other consequences of the Mergers or otherwise or changes in, or the impact of, accounting standards or tax and other laws, regulations and governmental and legislative policies affecting Dril-Quip, Innovex or the Mergers (including the contemplated benefits thereof), and we have relied, with your consent, upon the assessments of representatives of Dril-Quip as to such matters.

Our opinion addresses only the fairness, from a financial point of view and as of the date hereof, to Dril-Quip of the Aggregate Merger Consideration (to the extent expressly specified herein) and does not address any other terms, aspects or implications of the Mergers, including, without limitation, the form or structure of the Mergers, the exercise of any drag-along rights by consenting stockholders of Innovex, any governance arrangements or any terms, aspects or implications of any registration rights or stockholders' agreements or any other agreement, arrangement or understanding to be entered into in connection with or contemplated by the Mergers or otherwise. We express no view as to, and our opinion does not address, the underlying business decision of Dril-Quip to effect or enter into the Mergers, the relative merits of the Mergers as compared to any alternative business strategies that might exist for Dril-Quip or the effect of any other transaction that Dril-Quip might engage in or consider. We also express no view as to, and our opinion does not address, the fairness (financial or otherwise) of the amount or nature or any other aspect of any compensation or other consideration to any officers, directors or employees of any parties to the Mergers, or any class of such persons, relative to the Aggregate Merger Consideration or otherwise. Our opinion is necessarily based upon information available, and financial, stock market and other conditions and circumstances existing and disclosed, to us as of the date hereof. Although subsequent developments may affect our opinion, we have no obligation to update, revise or reaffirm our opinion. As you are aware, the industries in which Dril-Quip and Innovex operate (including commodity prices

related to such industries) and the securities of Dril-Quip have experienced and may continue to experience volatility and disruptions, and we express no view or opinion as to any potential effects of such volatility or disruptions on Dril-Quip, Innovex or the Mergers (including the contemplated benefits thereof).

Citigroup Global Markets Inc. has acted as financial advisor to Dril-Quip in connection with the proposed Mergers and will receive a fee for such services, of which a portion is payable upon the delivery of this opinion and the principal portion is contingent upon consummation of the Mergers. In addition, Dril-Quip has agreed to reimburse our expenses and to indemnify us against certain liabilities arising from our engagement.

As you are aware, we and our affiliates in the past have provided, currently are providing and in the future may provide investment banking, commercial banking and other similar financial services to Innovex and/or certain of its affiliates, including, during the past approximately two years, having acted or acting as an underwriter for Innovex's contemplated initial public offering for which underwriting services we and our affiliates received no compensation. Although we and our affiliates have not provided investment banking, commercial banking or other similar financial services during the past two years to Dril-Quip unrelated to the Mergers or to Amberjack Capital Partners, L.P., the principal stockholder of Innovex ("Amberjack Capital Partners"), for which services we or our affiliates have received or expect to receive compensation, we and our affiliates in the future may provide such services to Dril-Quip and/or its affiliates or Amberjack Capital Partners and/or its affiliates or portfolio companies for which services we and our affiliates would expect to receive compensation. In the ordinary course of business, we and our affiliates may actively trade or hold the securities or financial instruments (including loans and other obligations) of Dril-Quip, Innovex and their respective affiliates for our own account or for the account of our customers and, accordingly, may at any time hold a long or short position or otherwise effect transactions in such securities or financial instruments. In addition, we and our affiliates (including Citigroup Inc. and its affiliates) may maintain relationships with Dril-Quip, Innovex and their respective affiliates.

Our advisory services and the opinion expressed herein are provided for the information of the Board of Directors of Dril-Quip (in its capacity as such) in its evaluation of the proposed Mergers. Our opinion is not intended to be and does not constitute a recommendation as to how the Board of Directors of Dril-Quip or any securityholder should vote or act on any matters relating to the proposed Mergers or otherwise.

Based upon and subject to the foregoing, our experience as investment bankers, our work as described above and other factors we deemed relevant, we are of the opinion that, as of the date hereof, the Aggregate Merger Consideration provided for pursuant to the Agreement is fair, from a financial point of view, to Dril-Quip.

Very truly yours,

FIFTH: The Restated Certificate of Incorporation of the Corporation is hereby amended by deleting the first paragraph of clause (b) of Article FIFTH and replacing it with a new first paragraph of clause (b) of Article FIFTH to read in its entirety as follows:

(b) Number, Election and Terms of Directors. The number of directors that shall constitute the whole Board of Directors shall be fixed from time to time by a majority of the directors then in office, but shall not be less than three nor more than nine (and shall include the CEO Directorship (as defined below)), except to the extent necessary to satisfy the requirements of Delaware law or the New York Stock Exchange or such other stock exchange or interdealer quotation system designated as the primary market on which the

The directors, other than those that may be elected by the holders of any series of Preferred Stock, shall be divided into three classes, Class I, Class II and Class III. Each director shall serve for a term ending on the third annual meeting following the annual meeting at which such director was elected. Each director shall hold office until the annual meeting at which such director's term expires and, the foregoing notwithstanding, shall serve until his or her successor shall have been duly elected and qualified or until his or her earlier death, resignation or removal. For so long as Amberjack Capital Partners, L.P. or its successor ("Amberjack") has the right to designate one or more individuals for nomination by the Corporation to the Board of Directors (the "Amberjack Designees") pursuant to the Stockholders' Agreement, dated as of [●], 2024, by and among the Corporation, Amberjack and the other stockholders party thereto (as the same may be amended, supplemented or restated from time to time, the "Stockholders Agreement"), it shall be a director qualification that one of the members of the Board of Directors shall be the person who is then serving as the Chief Executive Officer of the Corporation (such director, the "CEO Director" and such directorship, the "CEO Directorship"), it being understood that upon any person ceasing to serve as the Chief Executive Officer of the Corporation such person shall cease to be qualified to serve as the CEO Director and shall automatically be removed from the CEO Directorship.

SIXTH: The Restated Certificate of Incorporation of the Corporation is hereby amended by deleting clause (d) of Article FIFTH and replacing it with a new clause (d) to read in its entirety as follows:

(d) Vacancies. Except as provided in Article FOURTH hereof, newly created directorships resulting from any increase in the number of directors and any vacancies on the Board of Directors resulting from death, disability, retirement, resignation, removal or other cause shall be filled by the affirmative vote of a majority of the remaining directors then in office, even though less than a quorum of the Board of Directors. Any director elected in accordance with the preceding sentence shall hold office for the remainder of the full term of the class of directors in which the new directorship was created or the vacancy occurred and until such director's successor shall have been elected and qualified or until his earlier death, resignation or removal. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director. Notwithstanding the foregoing, if Amberjack has the right to designate at least one Amberjack Designee pursuant to the Stockholders Agreement and a vacancy is created by the death, disability, retirement, resignation, removal or other cause of any Amberjack Designee, such vacancy shall be filled by the affirmative vote of a majority of the voting power of the directors then in office, even though less than a quorum of the Board of Directors, with each Amberjack Designee then in office entitled to cast a number of votes (or fractions thereof) equal to a majority of the votes entitled to be cast by all then serving members of the Board of Directors divided by the number of Amberjack Designees then in office; provided that if no Amberjack Designees are then in office, Amberjack shall have the right to fill such vacancy (i) at a meeting, special or otherwise, of the stockholders of the Corporation or (ii) by written consent, notwithstanding Article SIXTH of this Restated Certificate of Incorporation. Any director elected in accordance with the preceding sentence shall hold office for the remainder of the full term of the class of directors in which the vacancy occurred and until such director's successor shall have been elected and qualified or until his or her earlier death, resignation or removal.

SEVENTH: The Restated Certificate of Incorporation of the Corporation is hereby amended by deleting Article NINTH and replacing it with a new Article NINTH to read in its entirety as follows:

NINTH: (a) In furtherance of, and not in limitation of, the powers conferred by statute, the Board of Directors is expressly authorized to adopt, amend or repeal the Bylaws of the Corporation, or adopt new Bylaws, without any action on the part of the stockholders, except as may be otherwise provided by applicable law, this Certificate of Incorporation or the Bylaws of the Corporation.

(b) For so long as Amberjack has the right to designate at least one Amberjack Designee to the Board of Directors pursuant to the Stockholders Agreement, the Corporation shall not, by merger, consolidation, statutory conversion, transfer, domestication, or continuance or otherwise, in addition to any other vote of stockholders that may be required by applicable law, without the prior written consent of

Amberjack, (i) amend this Restated Certificate of Incorporation or its Bylaws in any manner that would disproportionately and adversely affect the rights of Amberjack, its Permitted Transferees or the Principal Stockholders (as each term is defined in the Stockholders Agreement), as a group, thereunder compared to other stockholders of the Corporation, (ii) amend clause (b) of Article FIFTH, clause (d) of Article FIFTH, clause (b) of Article NINTH, Article ELEVENTH or Article TWELFTH of this Restated Certificate of Incorporation or Sections 3.1, 3.3, 3.4, 3.6, 3.14, 4.3, 7.1 or 7.9 or Article VI or Article VIII of the Bylaws, or (iii) form any new committee of the Board of Directors (including an executive committee) involving a material delegation of authority from the Board of Directors or amend the charter of any committee of the Board of Directors, in either case, in a manner that would disproportionately and adversely affect the rights of the Amberjack, its Permitted Transferees or the Principal Stockholders hereunder or pursuant to the Stockholders Agreement.

EIGHTH: The Restated Certificate of Incorporation of the Corporation is hereby amended by adding a new Article ELEVENTH and Article TWELFTH to read in its entirety as follows:

ELEVENTH: No officer of the Corporation shall be personally liable to the Corporation or any of its stockholders for monetary damages for breach of fiduciary duty as an officer; provided, however, that the foregoing provisions shall not eliminate or limit the liability of an officer (i) for any breach of such officer's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for any transactions from which such officer derived an improper personal benefit, or (iv) in any action by or in the right of the Corporation. If the DGCL is amended after the filing of this Certificate of Incorporation to authorize corporate action further eliminating or limiting the personal liability of officers, then the liability of an officer of the Corporation, in addition to the limitation on personal liability provided herein, shall be limited to the fullest extent permitted by such law, as so amended. Any repeal or modification of this Article ELEVENTH by the stockholders of the Corporation shall be prospective only, and shall not adversely affect any limitation on the personal liability of an officer of the Corporation existing at the time of such repeal or modification.

TWELFTH: (a) In recognition and anticipation that (i) certain directors, principals, members, officers, associated funds, employees and/or other representatives of the Principal Stockholders and their respective Affiliates (as defined below) may serve as directors, officers or agents of the Corporation and (ii) the Principal Stockholders and their respective Affiliates may now engage and may continue to engage in the same or similar activities or related lines of business as those in which the Corporation, directly or indirectly, may engage and/or other business activities that overlap with or compete with those in which the Corporation, directly or indirectly, may engage, the provisions of this Article TWELFTH are set forth to regulate and define the conduct of certain affairs of the Corporation with respect to certain classes or categories of business opportunities as they may involve the Principal Stockholders or their respective Affiliates and the powers, rights, duties and liabilities of the Corporation and its directors, officers and stockholders in connection therewith.

(b) To the fullest extent permitted by law, the Corporation hereby renounces any interest or expectancy in, or right to be offered an opportunity to participate in, any business opportunity which may be a corporate opportunity for (x) any director of the Corporation or any of its subsidiaries, or officer of the Corporation or any of its subsidiaries (so long as such individual is not also an employee of the Corporation or any of its subsidiaries) who is also a director, officer, employee, managing director, equity holder, representative or Affiliate of Amberjack or any Principal Stockholder and (y) Amberjack and each Principal Stockholder and any Affiliate of Amberjack or a Principal Stockholder (other than the Corporation and its subsidiaries) (such Persons (as defined below) being referred to, collectively, as "Identified Persons" and, individually, as an "Identified Person") and the Corporation or any of its Affiliates. To the fullest extent permitted by law, none of the Identified Persons shall have any duty to refrain from directly or indirectly (i) engaging in the same or similar business activities or lines of business in which the Corporation or any of its Affiliates now engages or proposes to engage or (ii) otherwise competing with the Corporation or any of its Affiliates including, without limitation, (A) investing in, carrying on and conducting, whether directly, or

as a partner in any partnership, or as a joint venturer in any joint venture, or as an officer, director, stockholder, equityholder or investor in any Person, or as a participant in any syndicate, pool, trust or association, any business of any kind, nature or description, whether or not such business is competitive with or in the same or similar lines of business as the Corporation or any of its subsidiaries, (B) doing business with any client, customer, vendor or lessor of any of the Corporation or its Affiliates, and/or (C) making investments in any kind of property in which the Corporation or its subsidiaries may make investments, and, to the fullest extent permitted by law, no Identified Person shall be liable to the Corporation or its stockholders or to any Affiliate of the Corporation for breach of any fiduciary duty solely by reason of the fact that such Identified Person engages in any such activities and the Corporation shall, to the fullest extent permitted by applicable law, indemnify each Identified Person against any claim, that such Identified Person is liable to the Corporation or its stockholders (or any subsidiary or controlled Affiliate) for breach of any fiduciary duty or otherwise solely by reason of the fact that such Identified Person (I) pursues or acquires any corporate opportunity for its own account or the account of any Affiliate or other Person, (II) directs, recommends, sells, assigns or otherwise transfers such corporate opportunity to another Person or (III) does not communicate information regarding such corporate opportunity or offer such corporate opportunity to the Corporation, its subsidiaries or any controlled Affiliate. The Corporation shall, to the fullest extent permitted by applicable law, pay in advance any expenses incurred in defense of such claim as provided in this provision, except to the extent that an Identified Person is determined by a final, non-appealable order of a Delaware court having competent jurisdiction (or any other judgment which is not appealed in the applicable time) to have breached this Article TWELFTH, in which case any such advanced expenses shall be promptly reimbursed to the Corporation. In the event that any Identified Person acquires knowledge of a potential transaction or other business opportunity which may be a corporate opportunity for itself, herself or himself and the Corporation or any of its Affiliates, such Identified Person shall, to the fullest extent permitted by law, have no duty to communicate or offer such transaction or other business opportunity to the Corporation or any of its Affiliates and, to the fullest extent permitted by law, shall not be liable to the Corporation or its stockholders or to any Affiliate of the Corporation for breach of any fiduciary duty as a stockholder, director or officer of the Corporation solely by reason of the fact that such Identified Person pursues or acquires such corporate opportunity for itself, herself or himself, or offers or directs such corporate opportunity to another Person. Notwithstanding the foregoing and anything in this clause (b) of this Article TWELFTH to the contrary, the Corporation does not renounce its interest in any corporate opportunity offered to any Identified Persons if such opportunity is expressly offered in writing to such person solely in his or her capacity as a director or officer of the Corporation, and the provisions of this clause (b) of this Article TWELFTH shall not apply to any such corporate opportunity.

(c) In addition to and notwithstanding the foregoing provisions of this Article TWELFTH, a corporate opportunity shall not be deemed to be a potential corporate opportunity for the Corporation if it is a business opportunity that (i) the Corporation is neither financially or legally able, nor contractually permitted, to undertake, (ii) from its nature, is not in the line of the Corporation's business or is of no practical advantage to the Corporation or (iii) is one in which the Corporation has no interest or reasonable expectancy.

(d) For purposes of this Article TWELFTH, (i) "Affiliate" shall mean (A) in respect of the Principal Stockholders, any Person that, directly or indirectly through one or more intermediaries, is controlled by the Principal Stockholders, controls the Principal Stockholders, or is under common control with the Principal Stockholders, and shall include any principal, member, director, partner, stockholder, officer, employee or other representative of any of the foregoing (other than the Corporation and any Person that is controlled by the Corporation) and any Person that is deemed an affiliate of the Principal Stockholders under the Stockholders Agreement and (B) in respect of the Corporation, any Person that, directly or indirectly through one or more intermediaries, is controlled by the Corporation; and (ii) "Person" shall mean any individual, corporation, limited liability company, association, partnership, joint venture, trust, estate or other entity or organization.

(e) To the fullest extent permitted by law, any Person purchasing or otherwise acquiring or holding any interest in any shares of capital stock of the Corporation shall be deemed to have notice of and to have consented to the provisions of this Article TWELFTH.

NINTH: This Certificate of Amendment to the Restated Certificate of Incorporation shall become effective upon the filing of this Certificate of Amendment to the Restated Certificate of Incorporation with the Secretary of State of the State of Delaware.

[The remainder of this page has been left intentionally blank.]

IN WITNESS WHEREOF, this Certificate of Amendment to the Restated Certificate of Incorporation has been executed for and on behalf of the Corporation by an officer thereunto duly authorized and attested to as of [●], 2024.

ARTICLE VI

INDEMNIFICATION

- 6.1 **Right to Indemnification.** Each person who was or is a party or is threatened to be made a party to, or was or is otherwise involved in, any action, suit, arbitration, alternative dispute resolution mechanism, investigation, inquiry, judicial, administrative or legislative hearing, or any other threatened, pending or completed proceeding, whether brought by or in the right of the Corporation or otherwise, including any and all appeals, whether of a civil, criminal, administrative, legislative, investigative or other nature (hereinafter a “proceeding”), by reason of the fact that he or she or a person of whom he or she is the legal representative, is or was a director or an officer of the Corporation or while a director or officer of the Corporation is or was serving at the request of the Corporation, in any capacity, with any corporation or a partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan, whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee, agent or in any other capacity while serving or having agreed to serve as a director, officer, employee or agent (hereinafter an “indemnitee”), or by reason of anything done or not done by him or her in any such capacity, shall be indemnified and held harmless by the Corporation to the fullest extent authorized by the DGCL, as the same exists or may hereafter be amended, against all expense, liability and loss (including attorneys’ fees, judgments, fines, ERISA excise taxes, penalties and amounts paid in settlement) reasonably incurred or suffered by such indemnitee in connection therewith, and such indemnification shall continue as to a person who has ceased to serve in the capacity which initially entitled such person to indemnity hereunder and shall inure to the benefit of his or her heirs, executors and administrators, and the Corporation shall indemnify and hold harmless in such manner any person designated by the Board of Directors, or any committee thereof, as a person subject to this indemnification provision, and who was or is made a party or is threatened to be made a party to a proceeding by reason of the fact that he, she or a person of whom he or she is the legal representative, is or was serving at the request of the Board of Directors as a director, officer, employee or agent of another corporation or a partnership, joint venture, trust or other enterprise whether such request is made before or after the acts taken or allegedly taken or events occurring or allegedly occurring which give rise to such proceeding, all on the terms and conditions set forth in these Bylaws; provided, however, that, except as otherwise required by law or provided in [Section 6.3](#) with respect to suits to enforce rights under this [Article VI](#), the Corporation shall indemnify any such indemnitee in connection with a proceeding, or part thereof, initiated by such indemnitee (including claims and counterclaims, whether such counterclaims are asserted by: (i) such indemnitee; or (ii) the Corporation in a proceeding initiated by such indemnitee) only if such proceeding, or part thereof, was authorized by the Board of Directors.
- 6.2 **Right to Advancement of Expenses.**
- (a) In addition to the right to indemnification conferred in Section 6.1, an indemnitee shall also have the right to be paid by the Corporation the expenses (including attorneys’ fees) incurred in defending any

proceeding in advance of its final disposition (hereinafter an “advancement of expenses”); provided, however, that an advancement of expenses shall be made only upon delivery to the Corporation of an undertaking (hereinafter an “undertaking”), by or on behalf of such indemnitee, to repay all amounts so advanced if it shall ultimately be determined that such indemnitee is not entitled to be indemnified for such expenses under this Article VI or otherwise.

- 6.3 **Right of Indemnitee to Bring Suit.** If a request for indemnification under Section 6.1 is not paid in full by the Corporation within 30 days, or if a request for an advancement of expenses under Section 6.2 is not paid in full by the Corporation within 20 days, after a written request has been received by the Secretary of the Corporation, the indemnitee may at any time thereafter bring suit against the Corporation to recover the unpaid amount of such request. If successful in whole or in part in any such suit, or in a suit brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the indemnitee shall be entitled to be paid also the expense of prosecuting or defending such suit to the fullest extent permitted by law. In any suit brought by the indemnitee to enforce a right to indemnification hereunder (but not in a suit brought by the indemnitee to enforce a right to an advancement of expenses) it shall be a defense that the indemnitee has not met any applicable standard of conduct for indemnification set forth in the DGCL but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its directors who are not parties to such action, a committee of such directors, independent legal counsel or its stockholders) to have made a determination prior to the commencement of such suit that indemnification of the indemnitee is proper in the circumstances because the indemnitee has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by the Corporation (including its directors who are not parties to such action, a committee of such directors, independent legal counsel or its stockholders) that the indemnitee has not met such applicable standard of conduct, shall create a presumption that the indemnitee has not met the applicable standard of conduct or, in the case of such a suit brought by the indemnitee, be a defense to such suit. In any suit brought by the indemnitee to enforce a right to indemnification or to an advancement of expenses hereunder, or brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the burden of proving that the indemnitee is not entitled to be indemnified, or to such advancement of expenses, under applicable law, this Article VI or otherwise shall be on the Corporation.
- 6.4 **Non-Exclusivity of Rights.** The rights to indemnification and to the advancement of expenses conferred in this Article VI shall not be exclusive of any other right which any person may have or hereafter acquire under any law, agreement, vote of stockholders or disinterested directors, provisions of a certificate of incorporation or bylaws, or otherwise.
- 6.5 **Insurance.** The Corporation may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the Corporation or another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the DGCL.
- 6.6 **Indemnification of Employees and Agents of the Corporation.** The Corporation may, to the extent and in the manner permitted by law, and to the extent authorized from time to time, grant rights to indemnification and to the advancement of expenses to any employee or agent of the Corporation.
- 6.7 **Nature of Rights.** The rights conferred upon indemnitees in this Article VI shall be contract rights and such rights shall continue as to an indemnitee who has ceased to be a director or officer and shall inure to the benefit of the indemnitee’s heirs, executors and administrators. Any amendment, alteration or repeal of this Article VI that adversely affects any right of an indemnitee or its successors shall be prospective only and shall not limit or eliminate any such right with respect to any proceeding involving any occurrence or alleged occurrence of any action or omission to act that took place prior to such amendment, alteration or repeal.
- 6.8 **Settlement of Claims.** Notwithstanding anything in this Article VI to the contrary, the Corporation shall not be liable to indemnify any indemnitee under this Article VI for any amounts paid in settlement of any

proceeding effected without the Corporation's written consent, which consent shall not be unreasonably withheld.

- 6.9 **Subrogation.** In the event of payment under this Article VI, the Corporation shall be subrogated to the extent of such payment to all of the rights of recovery of the indemnitee (excluding insurance obtained on the indemnitee's own behalf), and the indemnitee shall execute all papers required and shall do everything that may be necessary to secure such rights, including the execution of such documents necessary to enable the Corporation effectively to bring suit to enforce such rights.
- 6.10 **Procedures for Submission of Claims.** The Board of Directors may establish reasonable procedures for the submission of claims for indemnification pursuant to this Article VI, determination of the entitlement of any person thereto and review of any such determination. Such procedures shall be set forth in an appendix to these Bylaws and shall be deemed for all purposes to be a part hereof.
- 6.11 **Severability.** If any provision or provisions of this Article VI shall be held to be invalid, illegal or unenforceable as applied to any person or entity or circumstance for any reason whatsoever, then, to the fullest extent permitted by law: (a) the validity, legality and enforceability of such provision in any other circumstance and of the remaining provisions of this Article VI (including, without limitation, all portions of any paragraph of this Article VI containing any such provision held to be invalid, illegal or unenforceable, that are not by themselves invalid, illegal or unenforceable) and the application of such provision to other persons or entities or circumstances shall not in any way be affected or impaired thereby; and (b) to the fullest extent possible, the provisions of this Article VI (including, without limitation, all portions of any paragraph of this Article VI containing any such provision held to be invalid, illegal or unenforceable, that are not themselves invalid, illegal or unenforceable) shall be construed so as to give effect to the intent of the parties that the Corporation provide protection to the indemnitee to the fullest extent set forth in this Article VI.

SEVENTH: The following Section 7.9 shall be added immediately following Article VII, Section 7.8 of the Bylaws:

- 7.9 **Restrictions on Other Agreements.** To the fullest extent permitted by applicable law, the provisions of the Certificate of Incorporation and of the Stockholders Agreement shall be controlling if any such provisions or the operation thereof conflict with the provisions of these Bylaws.

EIGHTH: The following Article VIII shall be added immediately following Article VII of the Bylaws:

ARTICLE VIII

- 8.1 **Forum.** Unless the Corporation consents in writing to the selection of an alternative forum, (A) (i) any derivative action or proceeding brought on behalf of the Corporation, (ii) any action asserting a claim of breach of a fiduciary duty owed by any current or former director, officer, other employee or stockholder of the Corporation to the Corporation or the Corporation's stockholders, (iii) any action asserting a claim arising pursuant to any provision of the DGCL, the Certificate of Incorporation or these Bylaws (as either may be amended or restated) or as to which the DGCL confers jurisdiction on the Court of Chancery of the State of Delaware or (iv) any action asserting a claim governed by the internal affairs doctrine of the law of the State of Delaware shall, to the fullest extent permitted by law, be exclusively brought in the Court of Chancery of the State of Delaware or, if such court does not have subject matter jurisdiction thereof, the federal district court of the State of Delaware; and (B) the federal district courts of the United States shall be the exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act of 1933, as amended. Notwithstanding the foregoing, this Section 8.1 shall not apply to claims seeking to enforce any liability or duty created by the Securities Exchange Act of 1934, as amended. To the fullest extent permitted by law, any person or entity purchasing or otherwise acquiring or holding any interest in shares of capital stock of the Corporation shall be deemed to have notice of and consented to the provisions of this Section 8.1.

- 8.2 **Enforceability.** If any provision of this Article VIII shall be held to be invalid, illegal or unenforceable as applied to any person or entity or circumstance for any reason whatsoever, then, to the fullest extent permitted by law, the validity, legality and enforceability of such provision in any other circumstance and of the remaining provisions of this Article VIII (including, without limitation, each portion of any sentence of this Article VIII containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) and the application of such provision to other persons or entities or circumstances shall not in any way be affected or impaired thereby.

2. REGISTRATION.

(a) Demand Registration.

(i) At any time after the Lock-Up Release Date, any Holder(s) shall have the option and right, exercisable by delivering a written notice to the Company (a “**Demand Notice**”), to require the Company to, pursuant to the terms of and subject to the limitations contained in this Agreement, prepare and file with the Commission a Registration Statement registering the offering and sale of the number and type of Registrable Securities on the terms and conditions specified in the Demand Notice, which may include sales on a delayed or continuous basis pursuant to Rule 415 pursuant to a Shelf Registration Statement (a “**Demand Registration**”). The Demand Notice must set forth the number of Registrable Securities that the Initiating Holder(s) intend to include in such Demand Registration and the intended methods of disposition thereof. Notwithstanding anything to the contrary herein, in no event shall the Company be required to effectuate a Demand Registration unless the Registrable Securities of the Initiating Holder(s), their respective Affiliates and any other Holders to be included therein have an aggregate value, based on the VWAP as of the date of the Demand Notice, of at least \$30 million (the “**Minimum Amount**”). In addition, as promptly as reasonably practicable, but in no

event later than 10 Business Days after the date hereof, the Company shall prepare and file with the Commission a Registration Statement on Form S-3 (which shall be an Automatic Shelf Registration Statement if available) to permit the public resale of all of the Registrable Securities in accordance with the terms of this Agreement. The Company shall use its reasonable best efforts to cause such Registration Statement (including such Shelf Registration Statement) to become or to be declared effective by the Commission as soon as reasonably practicable after the initial filing of such Registration Statement (or 90 days following the filing thereof if the Commission notifies the Company that it will “review” the Shelf Registration Statement). Each Registration Statement (including such Shelf Registration Statement) shall provide for the resale of the Registrable Securities pursuant to any method or combination of methods legally available to, and requested by, the Holders of any and all Registrable Securities covered by such Registration Statement. The Company shall use its reasonable best efforts to cause any Registration Statement (including such Shelf Registration Statement) filed pursuant to this [Section 2\(a\)](#) to be continuously effective, supplemented and amended to the extent necessary to ensure that it is available for the resale of all Registrable Securities by the Holders until all Registrable Securities covered by such Registration Statement have ceased to be Registrable Securities (the “**Effectiveness Period**”; provided, that if a Registration Statement is not a Shelf Registration Statement, “**Effectiveness Period**” shall mean until all Registrable Securities covered by such Registration Statement have been sold). If such Registration Statement is filed on Form S-3 and has been outstanding for at least three years, and the Registration Statement relates to offerings of securities described in Rule 415(a)(vii), (ix) or (x), at the end of the third year the Company shall refile a new Registration Statement on Form S-3 (or, if such Form is not available, Form S-1) covering the Registrable Securities. For the avoidance of doubt, the Company’s obligation to prepare and file such Registration Statement on Form S-3 upon becoming eligible to use such form does not constitute a Demand Registration for purposes of this Agreement.

(ii) Within 30 days after the receipt of the Demand Notice (except if the Company is not then eligible to register for resale the Registrable Securities on Form S-3, within 45 days thereof), the Company shall, subject to the limitations of this [Section 2\(a\)](#), file a Registration Statement in accordance with the terms and conditions of, and the intended timing and method of disposition described in, the Demand Notice. The Company shall use reasonable best efforts to cause such Registration Statement to become and remain effective as soon as reasonably practicable after the filing thereof under the Securities Act for the duration of the Effectiveness Period.

(iii) Subject to the other limitations contained in this Agreement, the Company is not obligated hereunder to (A) file any Registration Statement pursuant to a Demand Registration within 90 days after the closing of any prior Requested Underwritten Offering, unless as a result of [Section 2\(e\)](#), the prior Requested Underwritten Offering included less than (the “**Requested Underwritten Offering Minimum Condition**”) the lesser of (i) Registrable Securities of the Initiating Holder(s) having an aggregate value, based on the VWAP as of the effective date of the related Registration Statement, of \$50 million, and (ii) the aggregate value, based on the VWAP as of the effective date of the related Registration Statement, of two-thirds of the number of Registrable Securities the Initiating Holder(s) set forth in the applicable Underwritten Offering Notice, or (B) effect a Demand Registration pursuant to a Demand Notice if a Registration Statement covering all of the Registrable Securities held by the Initiating Holder(s) shall have become and remains effective under the Securities Act and is sufficient to permit offers and sales of the number and type of Registrable Securities on the terms and conditions specified in the Demand Notice in accordance with the intended timing and method or methods of distribution thereof specified in the Demand Notice. No Demand Registration shall be deemed to have occurred for purposes of this [Section 2\(a\)\(iii\)](#) if the Registration Statement relating thereto does not become effective or is not maintained effective for its entire Effectiveness Period (other than any Blackout Period pursuant to [Section 3\(p\)](#)), in which case the Initiating Holder(s) shall be entitled to an additional Demand Registration in lieu thereof.

(iv) A Holder may withdraw all or any portion of its Registrable Securities included in a Demand Registration from such Demand Registration at any time prior to the effectiveness of the applicable

Registration Statement. Upon receipt of a notice from an Initiating Holder that such Initiating Holder is withdrawing an amount of its Registrable Securities such that the remaining amount of Registrable Securities to be included in the Demand Registration is below the Minimum Amount, the Company shall cease all efforts to secure effectiveness of the applicable Registration Statement (it being understood that in such event such Demand Registration shall not count towards any limits or similar restrictions under this Agreement on such Demand Registrations).

(v) The Company may include in any such Demand Registration or the Shelf Registration Statement referred to in [Section 2\(a\)\(i\)](#) other Company Securities for sale for its own account or for the account of any other Person, subject to [Sections 2\(c\)](#).

(vi) Subject to the limitations contained in this Agreement, the Company shall effect any Demand Registration on such appropriate registration form of the Commission (A) as shall be selected by the Company and (B) as shall permit the disposition of the Registrable Securities in accordance with the intended method or methods of disposition specified in the Demand Notice; provided, however, that to the extent the Company is a WKSI at the time, any Initiating Holder may request that the Company file an Automatic Shelf Registration Statement on Form S-3 (or any equivalent or successor form under the Securities Act), in which case the Company shall file an Automatic Shelf Registration Statement which covers those Registrable Securities which are requested to be registered. The Company shall use its reasonable best efforts to remain a WKSI (and not become an ineligible issuer (as defined in Rule 405 under the Securities Act)) during the period during which the Registrable Securities remain Registrable Securities. If the Company does not pay the filing fee covering the Registrable Securities at the time an Automatic Shelf Registration Statement is filed, the Company agrees to pay such fee at such time or times as the Registrable Securities are to be sold. If an Automatic Shelf Registration Statement has been outstanding for at least three years, at the end of the third year the Company shall refile a new Automatic Shelf Registration Statement covering the Registrable Securities. If at any time when the Company is required to re-evaluate its WKSI status the Company determines that it is not a WKSI, the Company shall use its reasonable best efforts to refile the Shelf Registration Statement on Form S-3 and, if such form is not available, Form S-1 and keep such registration statement effective during the period during which such Registration Statement is required to be kept effective hereunder. The Holders may use such Form S-3 to dispose of their Registrable Securities on a non-underwritten basis, and may utilize such Form S-3 on an underwritten basis if requested by the Initiating Holder(s). If at any time a Registration Statement on Form S-3 is effective and a Holder provides written notice to the Company that it intends to effect an offering of all or part of the Registrable Securities included on such Registration Statement, the Company will, subject to the terms of this Agreement, amend or supplement such Registration Statement as may be necessary in order to enable such offering to take place.

(vii) If the Company files any shelf registration statement for the benefit of the holders of any of its securities other than the Holders, the Company agrees that it shall include in such registration statement such disclosures as may be required by Rule 430B under the Securities Act (referring to the unnamed selling security holders in a generic manner by identifying the initial offering of the securities to the Holders) in order to ensure that the Holders may be added to such shelf registration statement at a later time through the filing of a prospectus supplement rather than a post-effective amendment.

(viii) Without limiting [Section 3](#), in connection with any Demand Registration pursuant to and in accordance with this [Section 2\(a\)](#), the Company shall (A) promptly prepare and file or cause to be prepared and filed (1) such additional forms, amendments, supplements, prospectuses, certificates, letters, opinions and other documents, as may be necessary or advisable to register or qualify the Registrable Securities subject to such Demand Registration, including under the securities laws of such jurisdictions as the Holders shall reasonably request; provided, however, that no such qualification shall be required in any jurisdiction where, as a result thereof, the Company would become subject to general service of process or to taxation or qualification to do business in such jurisdiction solely as a result of registration and (2) such forms, amendments, supplements, prospectuses, certificates, letters,

opinions and other documents as may be necessary to apply for listing or to list the Registrable Securities subject to such Demand Registration on the Trading Market and (B) do any and all other acts and things that may be reasonably necessary or appropriate or reasonably requested by the Holders to enable the Holders to consummate a public sale of such Registrable Securities in accordance with the intended timing and method or methods of distribution thereof.

(ix) In the event a Holder transfers Registrable Securities included on a Registration Statement, such Holder has assigned its rights under this Agreement pursuant to [Section 8\(e\)](#) and such Registrable Securities remain Registrable Securities following such transfer, at the request of such Holder, the Company shall amend or supplement such Registration Statement as may be necessary in order to enable such transferee to offer and sell such Registrable Securities pursuant to such Registration Statement; provided that in no event shall the Company be required to file a post-effective amendment to the Registration Statement unless (A) such Registration Statement includes only Registrable Securities held by the Holder, Affiliates of the Holder or transferees of the Holder and securities (other than Registrable Securities) to be offered by the Company or Persons that are not Holders or (B) the Company has received written consent therefor from a Person for whom Registrable Securities have been registered on (but not yet sold under) such Registration Statement, other than the Holder, Affiliates of the Holder or transferees of the Holder.

(x) If a Registration Statement filed pursuant to this Agreement ceases to be effective under the Securities Act for any reason at any time during the Effectiveness Period, the Company shall use its reasonable best efforts as promptly as is reasonably practicable to cause such Registration Statement to again become effective under the Securities Act (including obtaining the prompt withdrawal of any order suspending the effectiveness of such Registration Statement), and shall use its reasonable best efforts as promptly as is reasonably practicable to amend such Registration Statement in a manner reasonably expected to result in the withdrawal of any order suspending the effectiveness of such Registration Statement or file an additional Registration Statement registering the resale from time to time by the Holders thereof of all securities that are Registrable Securities as of the time of such filing and not registered pursuant to another Registration Statement pursuant to the Holders' intended method of disposition. If any Registrable Securities required to be included under this Agreement in a Registration Statement are not included by the Company on a Registration Statement, the Company shall, upon request by the Holders, promptly file and use its reasonable best efforts to have declared effective one or more additional Registration Statements registering the resale from time to time by the Holders thereof of all securities that are Registrable Securities as of the time of such filing and not registered pursuant to another Registration Statement pursuant to the Holders' intended method of disposition.

(b) **Requested Underwritten Offering.** Any Initiating Holder(s) then able to effectuate a Demand Registration pursuant to the terms of [Section 2\(a\)](#), ignoring for purposes of such determination [Section 2\(a\)\(iii\)\(B\)](#) (or who has previously effectuated a Demand Registration pursuant to [Section 2\(a\)](#) but has not engaged in an Underwritten Offering in respect of such Demand Registration), shall have the option and right, exercisable by delivering written notice to the Company of its intention to distribute Registrable Securities by means of an Underwritten Offering (an "**Underwritten Offering Notice**"), to require the Company, pursuant to the terms of and subject to the limitations of this Agreement, to effectuate a distribution of any or all of its Registrable Securities by means of an Underwritten Offering pursuant to a new Demand Registration (if the Underwritten Offering cannot be conducted pursuant to an effective Registration Statement) or pursuant to an effective Registration Statement covering such Registrable Securities (a "**Requested Underwritten Offering**"); provided, that the Registrable Securities of such Holder(s) requested to be included in such Requested Underwritten Offering together with any other Holders that elect to participate in such Requested Underwritten Offering have an aggregate value of at least equal to the Minimum Amount as of the date of such Underwritten Offering Notice. The Underwritten Offering Notice must set forth the number of Registrable Securities that such Holder intends to include in such Requested Underwritten Offering. The Managing Underwriter and the other underwriters of a Requested Underwritten Offering shall be designated by the Initiating Holder, subject to the

consent of the Company, which consent shall not be unreasonably withheld. The Initiating Holder, in connection with any other Holder participating in such Requested Underwritten Offering, shall determine the pricing of the Registrable Securities offered pursuant to any Requested Underwritten Offering and the applicable underwriting discounts and commissions and determine the timing of any such Requested Underwritten Offering. Notwithstanding the foregoing, the Company is not obligated to (i) effect a Requested Underwritten Offering within 90 days after the closing of a Requested Underwritten Offering, unless as a result of [Section 2\(e\)](#), the prior Requested Underwritten Offering failed to satisfy the Requested Underwritten Offering Minimum Condition, in which case such prior Requested Underwritten Offering shall not be deemed to have occurred or (ii) conduct more than six Requested Underwritten Offerings in the aggregate or more than two Requested Underwritten Offerings pursuant to this [Section 2\(b\)](#) in any twelve-month period (the “**Requested Underwritten Offering Cap**”); provided, that (A) if, prior to filing of the applicable prospectus or prospectus supplement used for marketing such Requested Underwritten Offering, the majority-in-interest of Holders participating in such Requested Underwritten Offering withdraws from such Requested Underwritten Offering, (B) if the Initiating Holder has reimbursed the Company for all its Registration Expenses in connection with such Requested Underwritten Offering, or (C) if the Requested Underwritten Offering Minimum Condition is not met (or, if it is met, at least 75% of the Registrable Securities included in such Requested Underwritten Offering are not sold in such Requested Underwritten Offering) then, in the case of each of (A), (B) and (C), such Requested Underwritten Offering shall not count towards the Requested Underwritten Offering Cap (i) and (ii) together, the “**Underwritten Offering Limitation**”).

(c) Notwithstanding anything contained in this [Section 2](#), in the event of a sale of Registrable Securities in an Underwritten Offering requiring the involvement of the Company and of the type which are commonly known as a “block trade,” “overnight offering” or “bought deal” (a “**Block Trade**”), the Initiating Holder shall give at least two Business Days prior notice in writing (the “**Block Trade Notice**”) of such transaction to the Company and identify the potential underwriter(s) in such notice with contact information for such underwriter(s); and the Company shall cooperate with such Initiating Holder or Holders to the extent it is reasonably able to effect such Block Trade. Any Block Trade shall be for at least \$15 million in expected gross proceeds. For the avoidance of doubt, a Block Trade shall not constitute a Requested Underwritten Offering for purposes of the Underwritten Offering Limitation. The Initiating Holder in any Block Trade shall select the underwriter(s) to administer such Block Trade subject to the consent of the Company, which consent shall not be unreasonably withheld.

(d) Piggyback Registration and Piggyback Underwritten Offering.

(i) If the Company shall at any time propose to file a registration statement under the Securities Act with respect to an offering of Common Stock (other than a registration statement on Form S-4, Form S-8 or any successor forms thereto or filed solely in connection with an exchange offer or any employee benefit or dividend reinvestment plan or an offering on any registration statement form that does not permit secondary sales), whether or not for its own account, other than in connection with an Underwritten Offering subject to the procedures of [Section 2\(d\)\(ii\)](#), then the Company shall promptly notify all Initial Holders, Affiliates thereof and Holders holding Registrable Securities having an aggregate value, based on the VWAP as of the date prior to the date such notification is given, of at least \$1 million (or all Holders in the case of a Demand Registration or a Shelf Registration Statement contemplated by [Section 2\(a\)\(1\)](#)) of such proposal reasonably in advance of (and in any event at least 10 Business Days before) the anticipated filing date (the “**Piggyback Registration Notice**”). The Piggyback Registration Notice shall offer such Holders the opportunity to include for registration in such registration statement the number of Registrable Securities as they may request in writing (a “**Piggyback Registration**”). The Company shall include in each such Piggyback Registration such Registrable Securities for which the Company has received written requests for inclusion therein (“**Piggyback Registration Request**”) within five Business Days after sending the Piggyback Registration Notice. Each such Holder shall be permitted to withdraw all or part of such Holder’s Registrable Securities from a Piggyback Registration by giving written notice to the Company of its

request to withdraw; provided that such request must be made in writing prior to the effectiveness of such registration statement and such withdrawal shall be irrevocable and, after making such withdrawal, a Holder shall no longer have any right to include Registrable Securities in the Piggyback Registration as to which such withdrawal was made. Any withdrawing Holder shall continue to have the right to include any Registrable Securities in any subsequent registration statement or registration statements as may be filed by the Company with respect to offerings of Common Stock, all upon the terms and conditions set forth herein. No registration effected under this [Section 2\(d\)](#) shall be deemed to have been effected pursuant to [Section 2\(a\)](#) above or shall relieve the Company of the Company's obligation to effect any registration upon request under [Section 2\(a\)](#) above.

(ii) If the Company shall at any time propose to conduct an Underwritten Offering (including a Requested Underwritten Offering but excluding a Block Trade), whether or not for its own account, then the Company shall promptly notify all Initial Holders, Affiliates thereof and Holders holding Registrable Securities having an aggregate value, based on the VWAP as of the date prior to the date such notification is given, of at least \$1 million (or all Holders in the case of a Requested Underwritten Offering) of such proposal reasonably in advance of the commencement of the offering, which notice shall set forth the principal terms and conditions of the issuance, including the proposed offering price (or range of offering prices), the anticipated filing date of the related registration statement (if applicable) and the number of shares of Common Stock that are proposed to be registered (the "**Underwritten Offering Piggyback Notice**"). Receipt of a Piggyback Registration Notice under [Section 2\(d\)\(i\)](#) or any Underwritten Offering Piggyback Notice required to be provided in this [Section 2\(d\)\(ii\)](#) to Holders shall be kept confidential by the Holder until such proposed Underwritten Offering is (i) publicly announced or (ii) such Holder receives notice that such proposed registration or Underwritten Offering, as the case may be, has been abandoned, which such notice shall be provided promptly by the Company to each Holder. The Underwritten Offering Piggyback Notice shall offer such Holders the opportunity to include in such Underwritten Offering (and any related registration, if applicable) the number of Registrable Securities as they may request in writing (an "**Underwritten Piggyback Offering**"); provided, however, that in the event that the Company proposes to effectuate the subject Underwritten Offering pursuant to an effective Registration Statement for offerings to be made on a continuous or delayed basis pursuant to Rule 415 (or any similar rule that may be adopted by the Commission), regardless of whether, for purposes of this [Section 2\(d\)\(ii\)](#), any Registrable Securities are included thereon (other than an Automatic Shelf Registration Statement and Holders could be included in the Underwritten Offering to be effectuated pursuant to such Automatic Shelf Registration Statement without the filing of a post-effective amendment thereto, other than a post-effective amendment that is immediately effective), only Registrable Securities of such Holders which are subject to an effective Shelf Registration Statement may be included in such Underwritten Piggyback Offering, unless the Company is then able to file an Automatic Shelf Registration Statement and in the reasonable judgment of the Company, the filing of the same including Registrable Securities of such Holders that are not otherwise included in an effective Shelf Registration Statement would not have a material adverse effect on the price, timing or distribution of the Common Stock in such Underwritten Piggyback Offering. The Company shall include in each such Underwritten Piggyback Offering such Registrable Securities for which the Company has received written requests for inclusion therein ("**Underwritten Offering Piggyback Request**") within three Business Days after sending the Underwritten Offering Piggyback Notice. Each Holder shall be permitted to withdraw all or part of such Holder's Registrable Securities from an Underwritten Piggyback Offering up to and including the time of pricing of such offering, and such Holder shall continue to have the right to include any Registrable Securities in any subsequent Underwritten Offerings, all upon the terms and conditions set forth herein.

(iii) The Company shall have the right to terminate or withdraw any registration initiated by it under this [Section 2\(d\)](#), at any time in its sole discretion whether or not any Holder has elected to include Registrable Securities in such Registration Statement. The Registration Expenses of such withdrawn registration shall be borne by the Company in accordance with [Section 5](#) hereof.

(iv) Notwithstanding the foregoing, the rights afforded to Holders in this [Section 2\(d\)](#) shall not apply to Block Trades.

(v) Notwithstanding the foregoing, any Holder may deliver written notice (an “**Opt-Out Notice**”) to the Company requesting that such Holder not receive notice from the Company of any proposed filing of a registration statement or Underwritten Offering; provided, however, that such Holder may later revoke any such Opt-Out Notice in writing.

(e) **Priority in Underwritten Offerings.** In connection with an Underwritten Offering, if the Managing Underwriter of any such Underwritten Offering advises the Company, and the Company advises the Holders in writing, that, in the reasonable opinion of the Managing Underwriter, the total amount of Common Stock (or securities convertible into or exercisable or exchangeable for Common Stock) that the Holders and any other Persons (including the Company) intend to include in such Underwritten Offering (and any related registration, if applicable) exceeds the number that can be included in such Underwritten Offering without being likely to have a material adverse effect on the price, timing or distribution of the Common Stock offered or the market for the Common Stock (or securities convertible into or exercisable or exchangeable for Common Stock), then the Common Stock to be included in such Underwritten Offering (in each case subject to the other terms and provisions of this Agreement) shall include the number of shares of Common Stock that such Managing Underwriter, in its reasonable opinion, advises the Company can be sold without having such adverse effect, with such number to be allocated as follows (in each case, with respect to such Persons that have validly requested to include shares of Common Stock in such Underwritten Offering in accordance with this Agreement or otherwise pursuant to rights of registration granted by the Company):

(i) if the offering was initiated for and on behalf of the Company:

(A) first, to the Company;

(B) second, to other holders of registration rights and the Holders, pro rata based on the number of shares of Common Stock held by such other holders and the Holders; and

(C) third, to all other holders of Common Stock entitled to participate in such Underwritten Offering, pro rata in accordance with the number of shares of Common Stock then held by such other holders;

(ii) in the case of a Requested Underwritten Offering:

(A) first, to the Holders, pro rata based on the relative number of Registrable Securities then held by each such Holder;

(B) second, any remaining Holders, pro rata based on the relative number of Registrable Securities then held by each such Holder, in the case that an Initiating Holder withdraws its participation in the Requested Underwritten Offering;

(C) third, to the Company; and

(D) fourth, pro rata among all other holders of Common Stock entitled to participate in such Underwritten Offering, pro rata in accordance with the number of shares of Common Stock then held by such other holders;

(iii) if the offering was not initiated for and on behalf of the Company and was initiated for and on behalf of any holder of registration rights (other than any Holder):

(A) first, to such other holders and the Holders, pro rata based on the number of shares of Common Stock held by such other holders and the Holders;

(B) second, to the Company; and

(C) third, pro rata among all other holders of Common Stock proposed to be included in such offering based on the number of shares of Common Stock held by such other holders.

Notwithstanding the foregoing, if (i) an offering was initiated by the Holders, (ii) the Holders are unable to include in the offering all of the shares of Common Stock including in the Underwritten Offering Piggyback Request and (iii) the underwriters in such offering exercise their option to purchase up to an additional 15% of the shares sold in such offering, the shares to be included in such option closing shall be allocated (x) first, to the Holders, pro rata in accordance with the number of Registrable Securities then held by each such Holder until all shares included in the Underwritten Offering Piggyback Request are sold, and (y) second, to the Company.

3. REGISTRATION AND UNDERWRITTEN OFFERING PROCEDURES.

The procedures to be followed by the Company and each Holder electing to sell Registrable Securities in a Registration Statement pursuant to this Agreement, and the respective rights and obligations of the Company and such Holders, with respect to the preparation, filing and effectiveness of such Registration Statement and the effectuation of any Underwritten Offering, are as follows:

(a) In connection with a Demand Registration and the Shelf Registration Statement referred to in [Section 2\(a\)\(i\)](#), the Company will, at least five Business Days prior to the anticipated filing of the Registration Statement and any related Prospectus or any amendment or supplement thereto (other than any filing made under the Exchange Act that is incorporated by reference into the Registration Statement), (i) offer to provide and, if requested, furnish to such Holders and counsel selected by such Holders copies of all such documents prior to filing and (ii) use reasonable best efforts to address in each such document when so filed with the Commission such comments as such Holders reasonably shall propose prior to the filing thereof, and the Company shall not file any such Registration Statement or any related Prospectus or any amendment or supplement thereto to which the Holders of a majority of the Registrable Securities covered by such Registration Statement, any Managing Underwriter or any of their respective counsel shall reasonably object in writing on a timely basis.

(b) In connection with a Piggyback Registration, an Underwritten Piggyback Offering or a Requested Underwritten Offering, the Company will, at least three Business Days prior to the anticipated filing of any initial Registration Statement that identifies the Holders and any related Prospectus or any amendment or supplement thereto (other than amendments and supplements that do not materially alter the previous disclosure or do nothing more than name Holders and provide information with respect thereto that in each case such Holders have previously consented to in writing or provided for inclusion therein), as applicable, (i) furnish to such Holders and counsel selected by such Holders copies of any such Registration Statement or related Prospectus or amendment or supplement thereto that identify the Holders and any related Prospectus or any amendment or supplement thereto (other than amendments and supplements that do not materially alter the previous disclosure or do nothing more than name Holders and provide information with respect thereto) prior to filing and (ii) use reasonable best efforts to address in each such document when so filed with the Commission such comments as such Holders reasonably shall propose prior to the filing thereof, and the Company shall not file any such Registration Statement or any related Prospectus or any amendment or supplement thereto to which the Holders of a majority of the Registrable Securities covered by such Registration Statement, any Managing Underwriter or any of their respective counsel shall reasonably object in writing on a timely basis.

(c) In connection with a Demand Registration, the Company will, promptly prior to the filing of any document which is to be incorporated by reference into the Registration Statement or the Prospectus (after the initial filing of such Registration Statement), and prior to the filing of any free writing prospectus, provide copies of such document to counsel for each Holder whose Registrable Securities are included therein and to each Managing Underwriter, if any, and will make the Company's representatives reasonably available for discussion of such document and make such changes in such document concerning the Holders prior to the filing thereof as counsel for the Holders or Managing Underwriters may reasonably request.

(d) The Company will use reasonable best efforts to as promptly as reasonably practicable (i) prepare and file with the Commission such amendments, including post-effective amendments, and supplements to each Registration Statement and the Prospectus used in connection therewith as may be necessary under applicable

law to keep such Registration Statement continuously effective with respect to the disposition of all Registrable Securities covered thereby for its Effectiveness Period and, subject to the limitations contained in this Agreement, prepare and file with the Commission such additional Registration Statements in order to register for resale under the Securities Act all of the Registrable Securities held by the Holders; (ii) cause the related Prospectus to be amended or supplemented by any required prospectus supplement, and as so supplemented or amended to be filed pursuant to Rule 424; (iii) if a prospectus supplement will be used in connection with the marketing of an Underwritten Offering and the Managing Underwriter at any time shall notify the Holders that, in the reasonable judgment of such Managing Underwriter, inclusion of detailed information to be used in such prospectus supplement is of material importance to the success of the Underwritten Offering, or if such information is required by applicable law (including the rules and regulation of the Commission), include such information in a prospectus supplement; and (iv) respond to any comments received from the Commission with respect to each Registration Statement or any amendment thereto and, as promptly as reasonably practicable provide such Holders true and complete copies of all correspondence from and to the Commission relating to such Registration Statement that pertains to such Holders as selling stockholders but not any comments that would result in the disclosure to such Holders of material and non-public information concerning the Company unless requested by such Holders.

(e) The Company will comply in all material respects with the provisions of the Securities Act and the Exchange Act with respect to the Registration Statements and the disposition of all Registrable Securities covered by each Registration Statement.

(f) The Company will notify such Holders who are included in a Registration Statement as promptly as reasonably practicable: (i) (A) when a Prospectus or any prospectus supplement or post-effective amendment to a Registration Statement in which such Holder is included has been filed; (B) when the Commission notifies the Company whether there will be a "review" of the applicable Registration Statement and whenever the Commission comments in writing on such Registration Statement (in which case the Company shall provide true and complete copies thereof and all written responses thereto to each of such Holders that pertain to such Holders as selling stockholders but not any comments or responses that would result in the disclosure to such Holders of material and non-public information concerning the Company unless requested by such Holders); and (C) with respect to each applicable Registration Statement or any post-effective amendment thereto, when the same has been declared effective; (ii) of any request by the Commission or any other federal or state governmental authority for amendments or supplements to such Registration Statement or Prospectus or for additional information that pertains to such Holders as sellers of Registrable Securities; (iii) of the issuance by the Commission of any stop order suspending the effectiveness of such Registration Statement covering any or all of the Registrable Securities or the initiation of any Actions for that purpose; (iv) of the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Registrable Securities for sale in any jurisdiction, or the initiation or threatening of any Action for such purpose; and (v) of the occurrence (but not the details unless requested by such Holders) of any event or passage of time that makes any statement made in such Registration Statement or Prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires any revisions to such Registration Statement, Prospectus or other documents so that, in the case of such Registration Statement or the Prospectus, as the case may be, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading (provided, however, that no notice by the Company shall be required pursuant to this clause (v) in the event that the Company either promptly files a prospectus supplement to update the Prospectus or a Form 8-K or other appropriate Exchange Act report that is incorporated by reference into the Registration Statement, which in either case, contains the requisite information that results in such Registration Statement no longer containing any untrue statement of material fact or omitting to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading).

(g) The Company will use reasonable best efforts to avoid the issuance of or, if issued, obtain the withdrawal of (i) any order suspending the effectiveness of a Registration Statement, or (ii) any suspension of the qualification (or exemption from qualification) of any of the Registrable Securities for sale in any jurisdiction, as promptly as reasonably practicable, or if any such order or suspension is made effective during any Blackout Period or Suspension Period, as promptly as reasonably practicable after such Blackout Period or Suspension Period is over.

(h) During the Effectiveness Period, the Company will furnish to each such Holder, without charge, at least one conformed copy of each Registration Statement and each amendment thereto and all exhibits to the extent requested by such Holder (including those incorporated by reference) promptly after the filing of such documents with the Commission; provided, that the Company will not have any obligation to provide any document pursuant to this clause that is available on the Commission's EDGAR system.

(i) The Company will promptly deliver to each Holder, without charge, as many copies of each Prospectus or Prospectuses (including each form of prospectus) authorized by the Company for use and each amendment or supplement thereto as such Holder may reasonably request during the Effectiveness Period. Subject to the terms of this Agreement, including [Section 8\(b\)](#), the Company consents to the use of such Prospectus and each amendment or supplement thereto by each of the selling Holders in connection with the offering and sale of the Registrable Securities covered by such Prospectus and any amendment or supplement thereto.

(j) The Company will cooperate with such Holders to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be delivered to a transferee pursuant to a Registration Statement, which certificates shall be free of all restrictive legends indicating that the Registrable Securities are unregistered or unqualified for resale under the Securities Act, Exchange Act or other applicable securities laws, and to enable such Registrable Securities to be in such denominations and registered in such names as any such Holder may request in writing. In connection therewith, if required by the Company's transfer agent, the Company will promptly, after the Effective Date of the Registration Statement, use reasonable best efforts to cause an opinion of counsel as to the effectiveness of the Registration Statement to be delivered to and maintained with its transfer agent, together with any other authorizations, certificates and directions required by the transfer agent which authorize and direct the transfer agent to issue such Registrable Securities without any such legend upon sale by the Holder of such Registrable Securities under the Registration Statement.

(k) Upon the occurrence of any event contemplated by [Section 3\(f\)\(v\)](#), as promptly as reasonably practicable, the Company will prepare a supplement or amendment, including a post-effective amendment, if required by applicable law, to the affected Registration Statement or a supplement to the related Prospectus or any document incorporated or deemed to be incorporated therein by reference, and file any other required document so that, as thereafter delivered, no Registration Statement nor any Prospectus will contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(l) With respect to Underwritten Offerings, subject to the right of a Holder to withdraw such Holder's Registrable Securities from an Underwritten Offering in accordance with the terms of this Agreement, (i) the right of any Holder to include such Holder's Registrable Securities in an Underwritten Offering shall be conditioned upon such Holder's participation in such underwriting and the inclusion of such Holder's Registrable Securities in the underwriting to the extent provided herein, (ii) each Holder participating in such Underwritten Offering severally agrees to enter into an underwriting agreement in customary form and sell such Holder's Registrable Securities on the basis provided in any underwriting arrangements approved by the Persons entitled to select the Managing Underwriter hereunder and (iii) each Holder participating in such Underwritten Offering severally agrees to complete and execute all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents customarily and reasonably required under the terms of such underwriting arrangements. The Company hereby agrees with each Holder that, in connection with any Underwritten Offering

in accordance with the terms hereof, it will negotiate in good faith and execute all indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements, including using all reasonable best efforts to procure customary legal opinions and auditor “comfort” letters.

(m) For a reasonable period prior to the filing of any Registration Statement and throughout the Effectiveness Period, the Company will make available, upon reasonable notice at the Company’s principal place of business or such other reasonable place, for inspection during normal business hours by a representative or representatives of the selling Holders, the Managing Underwriter and any attorneys or accountants retained by such selling Holders or underwriters, all such financial and other information and books and records of the Company, and cause the officers, employees, counsel and independent certified public accountants of the Company to respond to such inquiries, as shall be reasonably necessary (and in the case of counsel, not violate an attorney-client privilege in such counsel’s reasonable belief) to conduct a reasonable investigation within the meaning of Section 11 of the Securities Act; provided, however, that any information that is not generally publicly available at the time of delivery of such information shall be kept confidential by such Persons unless disclosure of such information is required by court or administrative order or, in the opinion of counsel to such Person, law, in which case, such Person shall be required to give the Company written notice of the proposed disclosure prior to such disclosure and, if requested by the Company, assist the Company in seeking to prevent or limit the proposed disclosure.

(n) Enter into customary agreements and take such other actions as are reasonably requested by the Holders or the Managing Underwriters, if any, in order to expedite or facilitate the disposition of such Registrable Securities and entry of such Registrable Securities in book-entry with The Depository Trust Company, and in connection with any Demand Registration or Requested Underwritten Offering, the Company will use reasonable best efforts to take such actions as the Holders and underwriters reasonably request with respect to all road shows, ratings agency presentations and marketing activities or in order to expedite or facilitate the disposition of the Registrable Securities subject to such Demand Registration or Requested Underwritten Offering and to cause appropriate officers and employees to be available, on a customary basis and upon reasonable notice, to meet with prospective investors and others relevant parties in presentations, meetings, ratings agency presentations and other marketing efforts and otherwise provide reasonable assistance to the underwriters (taking into account the needs of the Company’s businesses and the requirements of the marketing process) in marketing the Registrable Securities.

(o) Each Holder agrees to furnish to the Company any other information regarding such Holder and the distribution of such securities as the Company reasonably determines is required to be included in any Registration Statement or any Prospectus or prospectus supplement relating to inclusion in a Registration Statement or an Underwritten Offering.

(p) Notwithstanding any other provision of this Agreement, the Company shall not be required to file a Registration Statement (or any amendment thereto) or effect a Requested Underwritten Offering (or, if the Company has filed a Shelf Registration Statement and has included Registrable Securities therein, the Company shall be entitled to suspend the offer and sale of Registrable Securities pursuant to such Registration Statement) for a period of up to 60 days if (i) the Board determines in good faith that a postponement is in the best interest of the Company and its stockholders generally due to a pending transaction involving the Company (including a pending securities offering by the Company), (ii) the Board determines in good faith such registration or offering would render the Company unable to comply with applicable securities laws, or (iii) the Board determines in good faith such registration or offering would require disclosure of material information that the Company has a bona fide business purpose for preserving as confidential (any such period, a “**Blackout Period**”); provided that the Company shall not delay filing any demanded Registration Statement or effecting any Requested Underwritten Offering more than twice in any consecutive 12-month period and for no more than 60 days on each such occasion. Notwithstanding anything to the contrary in this Agreement, in no event shall any Blackout Periods, any Suspension Periods and any Holder Lock-Up Periods collectively continue for more than 120 days in the aggregate during any consecutive 12-month period.

(q) In connection with an Underwritten Offering, the Company shall use reasonable best efforts to provide to each Holder named as a selling securityholder in any Registration Statement a copy of any auditor “comfort” letters and customary legal opinions, in each case that have been provided to the Managing Underwriter in connection with the Underwritten Offering, not later than the Business Day prior to the effective date of such Registration Statement.

(r) In connection with any Underwritten Offering other than a Block Trade or, with respect to the Initial Holders, an Underwritten Offering where the Initiating Holders are not the Initial Holders or Affiliates thereof (other than one such occasion subject to the other provisions of this Agreement), any Holder that together with its Affiliates owns 10% or more of the outstanding Common Stock, shall execute a customary “lock-up” agreement with the underwriters of such Underwritten Offering containing a lock-up period equal to the shorter of (A) the shortest number of days that a director of the Company, “executive officer” (as defined under Section 16 of the Exchange Act) of the Company or any stockholder of the Company (other than a Holder or director or employee of, or consultant to, the Company) who owns 10% or more of the outstanding Common Stock contractually agrees to with the underwriters of such Underwritten Offering not to sell any securities of the Company following such Underwritten Offering and (B) 60 days from the date of the execution of the underwriting agreement with respect to such Underwritten Offering or such shorter period as agreed to by the Managing Underwriter (each such period, a “**Holder Lock-Up Period**”); provided, that, each such Holder shall receive the benefit of any shorter Holder Lock-Up Period or permitted exceptions (on a pro rata basis) agreed to by the Managing Underwriter with respect to any Holder.

(s) In connection with an Underwritten Offering, the Company will provide and cause to be maintained a transfer agent and registrar for all Registrable Securities covered by such Registration Statement from and after a date not later than the effective date of such Registration Statement.

(t) If any Holder could reasonably be deemed to be an “underwriter,” as defined in Section 2(a)(11) of the Securities Act, in connection with the Registration Statement or any other registration statement contemplated by this Agreement and any amendment or supplement thereof (a “**Holder Underwriter Registration Statement**”), then the Company will reasonably cooperate with such Holder in allowing such Holder to conduct customary “underwriter’s due diligence” with respect to the Company and satisfy its obligations in respect thereof. In addition, at any Holder’s request, the Company will furnish to such Holder, on the date of the effectiveness of the Holder Underwriter Registration Statement and thereafter from time to time on such dates as such Holder may reasonably request (provided that such request shall not be more frequently than on an annual basis unless such Holder is offering Registrable Securities pursuant to an Underwritten Offering), (i) a “comfort letter”, dated such date, from the Company’s independent certified public accountants in form and substance as has been customarily given by independent certified public accountants to underwriters in Underwritten Offerings of securities by the Company, addressed to such Holder, (ii) an opinion, dated as of such date, of counsel representing the Company for purposes of the Holder Underwriter Registration Statement, in form, scope and substance as has been customarily given in Underwritten Offerings of securities by the Company, including standard “10b-5” negative assurance for such offerings, addressed to such Holder and (iii) a standard officer’s certificate from the chief executive officer or chief financial officer, or other officers serving such functions, of the Company addressed to the Holder, as has been customarily given by such officers in Underwritten Offerings of securities by the Company. The Company will also use its reasonable best efforts to provide legal counsel to such Holder with an opportunity to review and comment upon any such Holder Underwriter Registration Statement, and any amendments and supplements thereto, prior to its filing with the Commission.

Notwithstanding anything to the contrary in this [Section 3\(t\)](#), the Company will not name a Holder as an underwriter (as defined in Section 2(a)(11) of the Securities Act) in any Registration Statement without such Holder’s consent. If the staff of the Commission requires the Company to name any Holder as an underwriter (as defined in Section 2(a)(11) of the Securities Act), and such Holder does not consent thereto, then such Holder’s Registrable Securities shall not be included on the applicable Registration Statement, and the Company shall

have no further obligations hereunder with respect to Registrable Securities held by such Holder with respect to such Registration Statement, unless such Holder has not had an opportunity to conduct customary underwriter's due diligence as set forth in [subsection \(m\)](#) of this [Section 3](#) with respect to the Company at the time such Holder's consent is sought.

(u) In connection with a Demand Registration or Underwritten Offering, the Company will cause its senior management, officers and employees to participate in, and the Company will otherwise facilitate and cooperate with the preparation of the Registration Statement and Prospectus and any amendments or supplements thereto (including participating in meetings, drafting sessions, due diligence sessions and rating agency presentations) taking into account the Company's reasonable business needs.

(v) The Company will take no direct or indirect action prohibited by Regulation M under the Exchange Act.

4. NO INCONSISTENT AGREEMENTS; ADDITIONAL RIGHTS. The Company shall not hereafter enter into, and is not currently a party to, any agreement with respect to its securities that is superior to or inconsistent with or that in any way violates or subordinates rights granted to the Holders by this Agreement and any such agreement shall be considered void *ab initio*.

5. REGISTRATION EXPENSES. All Registration Expenses incident to the Parties' performance of or compliance with their respective obligations under this Agreement or otherwise in connection with any Demand Registration, Requested Underwritten Offering, Piggyback Registration or Underwritten Piggyback Offering (in each case, excluding any Selling Expenses) shall be borne by the Company, whether or not any Registrable Securities are sold pursuant to a Registration Statement. "Registration Expenses" shall include, without limitation, all (i) registration and filing fees (including fees and expenses (A) with respect to filings required to be made with the Trading Market, (B) in compliance with applicable state securities or "Blue Sky" laws and (C) with respect to filings with FINRA), (ii) printing expenses (including expenses of printing certificates for Company Securities and of printing Prospectuses if the printing of Prospectuses is reasonably requested by a Holder of Registrable Securities included in the Registration Statement), (iii) messenger, telephone and delivery expenses, (iv) fees and disbursements of counsel, auditors and accountants for the Company, (v) Securities Act liability insurance, if the Company so desires such insurance, (vi) fees and expenses of all other Persons retained by the Company in connection with the consummation of the transactions contemplated by this Agreement, (vii) the fees and expenses of one law firm of national standing selected by the Holders owning the majority of the Registrable Securities to be included in any such registration or offering and (viii) all expenses relating to marketing the sale of the Registrable Securities, including expenses related to conducting a "road show." In addition, the Company shall be responsible for all of its expenses incurred in connection with the consummation of the transactions contemplated by this Agreement (including expenses payable to third parties and including all salaries and expenses of their officers and employees performing legal or accounting duties), the expense of any annual audit and the fees and expenses incurred in connection with the listing of the Registrable Securities on the Trading Market.

6. INDEMNIFICATION.

(a) The Company shall indemnify and hold harmless each Holder, its Affiliates and each of their respective officers and directors and any agent thereof (collectively, "Holder Indemnified Persons"), to the fullest extent permitted by applicable law, from and against any and all losses, claims, damages, liabilities, joint or several, costs (including reasonable costs of preparation and reasonable attorneys' fees) and expenses, judgments, fines, penalties, interest, settlements or other amounts arising from any and all claims, demands, actions, suits or proceedings, whether civil, criminal, administrative or investigative, in which any Holder Indemnified Person may be involved, or is threatened to be involved, as a party or otherwise, under the Securities Act or otherwise (collectively, "Losses"), as incurred, arising out of or relating to any untrue or alleged untrue statement of a material fact contained in any Registration Statement under which any Registrable Securities were

registered, in any preliminary prospectus (if the Company authorized the use of such preliminary prospectus prior to the Effective Date), or in any summary or final prospectus or free writing prospectus (if such free writing prospectus was authorized for use by the Company) or in any amendment or supplement thereto (if used during the period the Company is required to keep the Registration Statement current), or arising out of, based upon or resulting from the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements made therein not misleading, in the case of the Registration Statement, or arising out of or based upon the omission to state a material fact necessary in order to make the statements therein, in the light of the circumstances in which they were made, not misleading, in the case of any preliminary prospectus (if the Company authorized the use of such preliminary prospectus prior to the Effective Date), or in any summary or final prospectus or free writing prospectus (if such free writing prospectus was authorized for use by the Company) or in any amendment or supplement thereto (if used during the period the Company is required to keep the Registration Statement current); provided, however, that the Company shall not be liable to any Holder Indemnified Person to the extent that any such claim arises out of, is based upon or results from an untrue or alleged untrue statement or omission or alleged omission made in such Registration Statement, such preliminary, summary or final prospectus or free writing prospectus or such amendment or supplement, in reliance upon and in conformity with written information furnished to the Company by or on behalf of such Holder Indemnified Person specifically for use in the preparation thereof. The Company shall notify the Holders promptly of the institution, threat or assertion of any Action of which the Company is aware in connection with the transactions contemplated by this Agreement. This indemnity shall be in addition to any liability the Company may otherwise have and shall remain in full force and effect regardless of any investigation made by or on behalf of such Holder Indemnified Person or any indemnified party and shall survive the transfer of such securities by such Holder. Notwithstanding anything to the contrary herein, this **Section 6** shall survive any termination or expiration of this Agreement indefinitely.

(b) In connection with any Registration Statement in which a Holder participates, such Holder shall, severally and not jointly, indemnify and hold harmless the Company, its Affiliates and each of their respective officers, directors and any agent thereof, to the fullest extent permitted by applicable law, from and against any and all Losses as incurred, arising out of or relating to any untrue or alleged untrue statement of a material fact contained in any such Registration Statement, in any preliminary prospectus (if used prior to the Effective Date of such Registration Statement), or in any summary or final prospectus or free writing prospectus or in any amendment or supplement thereto (if used during the period the Company is required to keep the Registration Statement current), or arising out of, based upon or resulting from the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements made therein not misleading, in the case of the Registration Statement, or arising out of or based upon the omission to state a material fact necessary in order to make the statements therein, in the light of the circumstances in which they were made, not misleading in the case of any preliminary prospectus (if used prior to the Effective Date of such Registration Statement), or in any summary or final prospectus or free writing prospectus (if such free writing prospectus was authorized for use by the Company) or in any amendment or supplement thereto (if used during the period the Company is required to keep the Registration Statement current), but only to the extent that the same are made in reliance and in conformity with information relating to the Holder furnished in writing to the Company by such Holder expressly for use therein. This indemnity shall be in addition to any liability such Holder may otherwise have and shall remain in full force and effect regardless of any investigation made by or on behalf of the Company or any indemnified party. In no event shall the liability of any selling Holder hereunder be greater in amount than the dollar amount of the proceeds received by such Holder from the sale of the Registrable Securities giving rise to such indemnification obligation.

(c) Any Person entitled to indemnification hereunder shall (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification and (ii) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such claim or there may be reasonable defenses available to the indemnified party that are different from or additional to those available to the indemnifying party, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such

defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent will not be unreasonably withheld). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel (in addition to any local counsel) for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party there may be one or more legal or equitable defenses available to such indemnified party that are in addition to or may conflict with those available to another indemnified party with respect to such claim. Failure to give prompt written notice shall not release the indemnifying party from its obligations hereunder.

(d) If the indemnification provided for in this [Section 6](#) is held by a court of competent jurisdiction to be unavailable to an indemnified party with respect to any Losses referred to herein, the indemnifying party, in lieu of indemnifying such indemnified party thereunder, shall to the extent permitted by applicable law contribute to the amount paid or payable by such indemnified party as a result of such Losses in such proportion as is appropriate to reflect the relative fault of the indemnifying party, on the one hand, and of the indemnified party, on the other, in connection with the untrue or alleged untrue statement of a material fact or the omission to state a material fact that resulted in such Losses, as well as any other relevant equitable considerations. The relative fault of the indemnifying party and of the indemnified party shall be determined by a court of law by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission; provided, that in no event shall any contribution by a Holder hereunder exceed the net proceeds from the offering received by such Holder.

7. FACILITATION OF SALES PURSUANT TO RULE 144; REMOVAL OF LEGEND.

(a) The Company shall timely file the reports required to be filed by it under the Exchange Act or the Securities Act (including the reports under Sections 13 and 15(d) of the Exchange Act referred to in subparagraph (c)(1) of Rule 144), and shall take such further action as any Holder may reasonably request, all to the extent required from time to time to enable the Holders to sell Registrable Securities without registration under the Securities Act within the limitations of the exemption provided by Rule 144. Upon the request of any Holder in connection with that Holder's sale pursuant to Rule 144, the Company shall deliver to such Holder a written statement as to whether it has complied with such requirements.

(b) In connection with a sale of the Registrable Securities by a Holder in reliance on Rule 144, the applicable Holder or its broker shall, if required by the Company or its transfer agent, deliver to the Company a broker and seller representation letter, as appropriate, including information required under Rule 144 for the Company to determine that the sale of such shares is made in compliance with Rule 144. Upon receipt of such representation letter or letters, the Company shall, in connection with such sale, promptly remove (or cause to be removed) the notation of the securities laws restrictive legend on such Holder's certificates representing such shares or the book-entry account maintained by the Company and the Company shall bear all costs associated therewith. At such time as (i) such shares referred to above have been sold pursuant to an effective Registration Statement or (ii) a Holder has a "holding period" with respect to such securities under Rule 144(d) of more than 12 months and such Holder is not, and has not been in the preceding three months, an affiliate of the Company (as defined in Rule 144), if certificates representing such shares or the book-entry account of such shares still bears a notation of a securities laws restrictive legend, the Company agrees, upon request of such Holder or permitted assignee, to take all steps reasonably necessary to promptly effect the removal of such legend from such shares, and the Company shall bear all costs associated therewith, regardless of whether the request is made in connection with a sale or otherwise, so long as such Holder or its permitted assigns provide to the Company any information the Company deems reasonably necessary to determine (in the case of clause (ii) above) that the legend is no longer required. The Company shall cooperate with each Holder to effect the removal of a Securities Act restrictive legend at any time such legend is no longer appropriate.

8. MISCELLANEOUS.

(a) **Remedies.** In the event of actual or potential breach by the Company of any of its obligations under this Agreement, each Holder, in addition to being entitled to exercise all rights granted by law and under this Agreement, including recovery of damages, will be entitled to specific performance of its rights under this Agreement. The Company agrees that monetary damages would not provide adequate compensation for any losses incurred by reason of a breach by it of any of the provisions of this Agreement and further agrees that, in the event of any action for specific performance in respect of such breach, it shall waive the defense that a remedy at law would be adequate.

(b) **Discontinued Disposition.** Subject to the last sentence of [Section 3\(p\)](#), each Holder agrees that, upon receipt of a notice from the Company of the occurrence of any event of the kind described in [clauses \(ii\)](#) through (v) of [Section 3\(f\)](#), such Holder will forthwith discontinue disposition of such Registrable Securities under the Registration Statement until such Holder's receipt of the copies of the supplemental Prospectus or amended Registration Statement as contemplated by [Section 3\(k\)](#) or until it is advised in writing by the Company that the use of the applicable Prospectus may be resumed, and, in either case, has received copies of any additional or supplemental filings that are incorporated or deemed to be incorporated by reference in such Prospectus or Registration Statement (a "**Suspension Period**"). The Company may provide appropriate stop orders to enforce the provisions of this [Section 8\(b\)](#).

(c) **Amendments and Waivers.** No provision of this Agreement may be waived or amended except in a written instrument signed by the Company and Holders that hold a majority of the Registrable Securities as of the date of such waiver or amendment; provided, that any waiver or amendment that would have a disproportionate adverse effect on a Holder relative to the other Holders shall require the consent of such Holder. The Company shall provide prior notice to all Holders of any proposed waiver or amendment. No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of any Party to exercise any right hereunder in any manner impair the exercise of any such right.

(d) **Notices.** Any and all notices or other communications or deliveries required or permitted to be provided hereunder shall be in writing and shall be deemed given and effective on the earliest of (i) the date of transmission, if such notice or communication is delivered via electronic mail as specified in this [Section 8\(d\)](#) prior to 5:00 p.m. Central Time on a Business Day, (ii) the Business Day after the date of transmission, if such notice or communication is delivered via electronic mail as specified in this Agreement later than 5:00 p.m. Central Time on any date and earlier than 11:59 p.m. Central Time on such date, (iii) the Business Day following the date of mailing, if sent by nationally recognized overnight courier service, or (iv) upon actual receipt by the Party to whom such notice is required to be given. (e) Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective heirs, executors, administrators, successors, legal representatives and permitted assigns. Except as provided in this Section 8(g), this Agreement, and any rights or obligations hereunder, may not be assigned without the prior written consent of the Company (acting through the Board) and the Holders. Notwithstanding anything in the foregoing to the contrary, the rights of a Holder pursuant to this Agreement with respect to all or any portion of its Registrable Securities may be assigned without such consent (but only with all related obligations) with respect to such Registrable Securities (and any Registrable Securities issued as a dividend or other distribution with respect to, in exchange for or in replacement of such Registrable Securities) by such Holder to a transferee of such Registrable Securities; provided (i) the Company is, within a reasonable time after such transfer, furnished with written notice of the name and address of such transferee or assignee and the Registrable Securities with respect to which such registration rights are being assigned (and, if applicable, if the transferor or assignor is an Affiliate of an Initial Holder) and (ii) such transferee or assignee agrees in writing to be bound by and subject to the terms set forth in this Agreement. The Company may not assign its rights or obligations hereunder without the prior written consent of the Holders holding a majority of the Registrable Securities.

(f) No Third Party Beneficiaries. Nothing in this Agreement, whether express or implied, shall be construed to give any Person, other than the parties hereto or their respective successors and permitted assigns, any legal or equitable right, remedy, claim or benefit under or in respect of this Agreement.

(g) Execution and Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same Agreement. In the event that any signature is delivered by facsimile or electronic mail transmission, such signature shall create a valid binding obligation of the Party executing (or on whose behalf such signature is executed) the same with the same force and effect as if such signature delivered by facsimile or electronic mail transmission were the original thereof.

(h) Governing Law; Consent to Jurisdiction; Waiver of Jury Trial. This Agreement shall be governed by, and construed in accordance with, the internal laws of the State of Delaware. Each of the Parties irrevocably submits to the exclusive jurisdiction of United States District Court for the District of Delaware or in the Court of Chancery of the State of Delaware (or, if such courts lack subject-matter jurisdiction, in the Superior Court of the State of Delaware) for the purpose of any suit, action, proceeding or judgment relating to or arising out of this Agreement and the transactions contemplated hereby. Service of process in connection with any such suit, action or proceeding may be served on each Party anywhere in the world by the same methods as are specified for the giving of notices under this Agreement. Each of the Parties irrevocably waives any objection to the laying of venue of any such suit, action or proceeding brought in such courts and irrevocably waives any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum. **EACH OF THE PARTIES HEREBY WAIVES ANY RIGHT TO REQUEST A TRIAL BY JURY IN ANY LITIGATION WITH RESPECT TO THIS AGREEMENT AND REPRESENTS THAT COUNSEL HAS BEEN CONSULTED SPECIFICALLY AS TO THIS WAIVER.**

(i) Cumulative Remedies. The remedies provided herein are cumulative and not exclusive of any remedies provided by law.

(j) Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions,

covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the Parties shall use their reasonable efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the Parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

(k) Entire Agreement. This Agreement constitutes the entire agreement among the Parties with respect to the subject matter hereof and supersedes all prior contracts or agreements with respect to the subject matter hereof and the matters addressed or governed hereby, whether oral or written.

(l) Termination. Except for Section 6, this Agreement shall terminate as to any Holder, when all Registrable Securities held by such Holder no longer constitute Registrable Securities.

(m) Recapitalizations, Etc. The provisions of this Agreement shall apply to the full extent set forth herein with respect to any and all stock or other securities of the Company or any successor or assign of the Company (whether by merger, consolidation, sale of assets or otherwise), which may be issued in respect of, in exchange for or in substitution of, the Registrable Securities, and shall be appropriately adjusted for combinations, stock splits, recapitalizations, pro rata distributions of stock and the like occurring after the date of this Agreement.

(n) Change of Control. The Company shall not merge, consolidate or combine with any other Person, or reorganize or convert into another entity or form of entity, or sell all or substantially all of its assets (on a consolidated basis or otherwise), or engage in any similar transaction unless the agreement, plan of conversion and/or other governing instrument providing for such merger, consolidation or combination, or reorganization, conversion, sale or similar transaction, expressly provides for the continuation of the rights specified in this Agreement with respect to the Registrable Securities or other equity securities issued pursuant to such merger, consolidation or combination or reorganization, conversion, sale or similar transaction.

(o) Obligations Limited to Parties to Agreement. Each of the parties hereto covenants, agrees and acknowledges that no Person other than the Holders (and their transferees or assignees) and the Company shall have any obligation hereunder and that notwithstanding that a Holder is a limited liability company or other entity, no recourse under this Agreement shall be had against any former, current or future director, officer, employee, agent, general or limited partner, manager, member, stockholder or Affiliate of the Holders or any former, current or future director, officer, employee, agent, general or limited partner, manager, member, stockholder or Affiliate of any of the foregoing, whether by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any applicable law, it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any former, current or future director, officer, employee, agent, general or limited partner, manager, member, stockholder or Affiliate of the Holders or any former, current or future director, officer, employee, agent, general or limited partner, manager, member, stockholder or Affiliate of any of the foregoing, as such, for any obligations of the Holders under this Agreement or for any claim based on, in respect of or by reason of such obligation or its creation.

(p) Independent Nature of Holder's Obligations. The obligations of each Holder under this Agreement are several and not joint with the obligations of any other Holder, and no Holder shall be responsible in any way for the performance of the obligations of any other Holder under this Agreement. Nothing contained herein, and no action taken by any Holder pursuant thereto, shall be deemed to constitute the Holder as a partnership, an association, a joint venture or any other kind of group or entity, or create a presumption that a Holder is in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this Agreement. Each Holder shall be entitled to independently protect and enforce its rights, including, the rights arising out of this Agreement, and it shall not be necessary for any other Holder to be joined as an additional party in any proceeding for such purpose.

ARTICLE II CORPORATE GOVERNANCE

SECTION 2.1. Board of Directors.

(a) Amberjack Designees. Following the Closing Date, Amberjack shall have the right, but not the obligation, to designate for nomination by the Company to the Board a number of designees equal to: (i) four Directors, so long as the Stockholders collectively beneficially own 40% or more of the number of shares of Common Stock outstanding as of the Effective Time; (ii) three Directors, in the event that the Stockholders collectively beneficially own less than 40% but at least 30% of the number of shares of Common Stock outstanding as of the Effective Time; (iii) two Directors in the event that the Stockholders collectively beneficially own less than 30% but at least 20% of the number of shares of Common Stock outstanding as of the Effective Time; and (iv) one Director in the event that the Stockholders collectively beneficially own less than 20% but at least 10% of the number of shares of Common Stock outstanding as of the Effective Time; provided, that as long as Amberjack has the right to nominate three or more Directors, (A) at least one of the Directors nominated pursuant to this provision shall be Independent and (B) at least two of the Directors nominated pursuant to this provision shall not be employees or Affiliates of Amberjack. Amberjack shall permanently, and despite any later increase in their beneficial ownership, no longer be entitled to designate a Director nominee at such time as the Stockholders collectively beneficially own Common Stock representing less than 10% of the

number of shares of Common Stock outstanding as of the Effective Time. For the avoidance of doubt, each Amberjack Designee, regardless of whether up for election at the relevant meeting of stockholders, will be included in determining Amberjack's nomination rights under this [Section 2.1\(a\)](#). For purposes of this [Agreement](#), the number of shares of Common Stock outstanding as of the Effective Time assumes and gives effect to the issuance of all of the shares of Common Stock issuable pursuant to the First Merger in accordance with the terms of the Merger Agreement.

(b) [Necessary Action to Elect Amberjack Designees](#). For so long as Amberjack has the right to designate at least one Amberjack Designee to the Board of Directors, the Company agrees, to the fullest extent permitted by Applicable Law (including with respect to fiduciary duties under Delaware law), to take, or cause to be taken, all necessary action, and, if applicable, the Stockholders agree to vote their respective shares, to cause the election of the CEO Director and each Amberjack Designee to the Board, which such necessary action shall include, without limitation, (i) nominating the CEO Director and each Amberjack Designee to be elected as a director and included in the slate of nominees to be elected or appointed to the Board at the next (and each applicable subsequent) annual or special meeting of stockholders, (ii) including the CEO Director and each of the Amberjack Designees in the proxy statement and on the proxy card, (iii) executing any necessary agreements and instruments, (iv) making or causing to be made, with any Governmental Authority, all filings, registrations or similar actions that are required to achieve such results, and (v) without limiting the foregoing, otherwise using its best efforts to cause such nominees who are Amberjack Designees and the CEO Director to be elected to the Board.

(c) [Board Composition](#). The Board shall be divided into three classes of directors, with each class serving staggered three-year terms in accordance with the Charter and, unless otherwise requested by Amberjack, each Amberjack Designee, if any, shall be assigned (or continue to be assigned) to the classes specified in the Merger Agreement.

(d) [Other Directors](#). To the extent that Amberjack no longer has the right to nominate and designate for election such Amberjack Designees, such Directors shall be nominated and elected in accordance with Applicable Law, the Company's Organizational Documents and its related guidelines and any corporate governance guidelines and the rules of the Applicable Stock Exchange, as applicable and as then in effect. Upon such time as Amberjack is no longer entitled to nominate and designate for election to the Board an Amberjack Designee, Amberjack and the Principal Stockholders shall take all necessary action to, at the request of either a majority of the Directors then in office who are not Amberjack Designees or the Chairman of the Nominating and Corporate Governance Committee (or equivalent), cause such individual to resign immediately or, if no such request is made, such individual shall continue to serve until his or her successor is elected and appointed or until his or her earlier death, resignation, retirement, disqualification or removal. Following such resignation, the Directors remaining in office shall be entitled, in their discretion, to decrease the size of the Board to eliminate such vacancy or to select a replacement Director to fill such vacancy.

(e) [Nomination Procedures](#).

(i) With respect to any Director to be nominated and designated for election by Amberjack other than the initial Amberjack Designees listed in the Merger Agreement, Amberjack shall nominate and designate an Amberjack Designee by delivering to the Company a written statement identifying such individual(s), which in the case of the Company's annual meeting must be delivered no less than 90 days prior to the one-year anniversary of the preceding annual meeting nominating and designating for election such Amberjack Designee or Amberjack Designees; [provided](#), that if Amberjack shall fail to deliver such written notice, Amberjack shall be deemed to have nominated and designated for election the Amberjack Designee(s) previously nominated and designated (or designated pursuant to the Merger Agreement) who is/are currently serving on the Board and are then up for election at the relevant meeting or action by written consent; [provided](#), [further](#), that such notice period shall not apply in the event Amberjack is required to select a substitute individual under [Section 2.1\(e\)\(iii\)](#).

(ii) Each Amberjack Designee, as a condition to his or her initial nomination, appointment or election to the Board and any re-nomination for election to the Board, must be willing to be interviewed by the nominating and corporate governance committee on the same basis as any other new or returning, as applicable, candidate for appointment or election to the Board. Amberjack, in its capacity as a stockholder of the Company, and each Amberjack Designee, shall deliver such questionnaires and otherwise provide such information as are reasonably requested by the Company in connection with assessing qualification, independence and other criteria applicable to Directors, or required to be provided by Directors, candidates for Director, and their Affiliates and representatives for inclusion in a proxy statement or other filing required by Applicable Law and the rules of the Applicable Stock Exchange, in each case to the same extent requested or required of other candidates for appointment or election to the Board.

(iii) An individual nominated and designated by Amberjack for election (including pursuant to [Section 2.1\(e\)\(i\)](#) and [Section 2.1\(a\)](#)) as a Director shall comply with Applicable Law. Notwithstanding anything to the contrary in this [Article II](#), in the event that the Board determines in good faith, after consultation with outside legal counsel, that the election of a particular Amberjack Designee pursuant to this [Section 2.1](#) would constitute a breach of its fiduciary duties to the Company's stockholders or does not otherwise comply with Applicable Law (provided that any such determination with respect to any Amberjack Designee pursuant to this [Section 2.1](#) shall be made no later than fifteen days after such individual's nomination and designation and in any event with reasonably sufficient time for Amberjack to nominate and designate a substitute individual for inclusion in the Company's proxy or other solicitation materials), the Board shall inform Amberjack of such determination in writing and explain in reasonable detail the basis for such determination and Amberjack shall nominate and designate another individual for election to the Board (subject in each case to this [Section 2.1\(e\)\(iii\)](#)), and the Board and the Company shall take all of the actions required by this [Article II](#) with respect to the election of such substitute individual. It is hereby acknowledged and agreed that (A) the initial Amberjack Designees designated pursuant to the Merger Agreement would not constitute such a breach, comply with such requirements and otherwise shall be deemed to have satisfied the conditions set forth in [Section 2.1\(e\)\(ii\)](#) and [Section 2.1\(e\)\(iii\)](#) and (B) the fact that a particular Amberjack Designee is an Affiliate, director, professional, partner, member, manager, employee or agent of Amberjack, any Principal Stockholder or any Affiliate of Amberjack or any Principal Stockholder or is not Independent shall not in and of itself constitute an acceptable basis for such determination by the Board; provided, that in the case of clause (B) above, such Amberjack Designee must still satisfy the conditions set forth in [Section 2.1\(a\)](#), [Section 2.1\(e\)\(i\)](#) and [Section 2.1\(e\)\(iii\)](#).

(iv) In the absence of any nomination and designation (or deemed nominated and designation) from Amberjack, the nominating and corporate governance committee, or the Board or such other committee of the Board as is fulfilling such function, shall nominate a candidate to serve.

(f) ~~Compensation; No Employment.~~

(i) ~~Compensation of Directors.~~ The Company, Amberjack and each Principal Stockholder acknowledge and agree that:

a) each Director shall be reimbursed by the Company for his or her reasonable travel and out-of-pocket expenses incurred in the performance of his or her duties as a Director, including attendance in person at meetings of the Board or the board of any Company Subsidiary (or any committees thereof), pursuant to such policies as from time to time established by the Board.

b) Nothing contained in this [Section 2.1\(f\)](#) shall be construed to preclude any Director from serving the Company or any Company Subsidiary in any other capacity and receiving reasonable compensation for such services.

(ii) No Right of Employment Conferred. This Agreement does not, and is not intended to, confer upon any Director any rights with respect to continued employment by the Company, and nothing herein should be construed to have created any employment agreement with any Director.

(g) Guest Attendee. Until the end of the Standstill Period, Amberjack shall have the right to request that a representative of Amberjack (a “Guest Attendee”) attend meetings of the Board (and any committee of which an Amberjack Designee is a member, to the extent consistent with Applicable Law) from time to time, subject to the approval of the Chairman of the Board, and the Guest Attendee shall in such event be entitled to attend and observe and shall receive (at the same time as the Directors to the extent practicable) all notices, invitations, communications and other information pertaining to such meetings (unless Amberjack notifies the Company in writing that such Guest Attendee has opted out of receiving such information); provided, however, that such Guest Attendee shall not (i) participate in or vote on any discussions conducted at Board or applicable committee meetings, (ii) be counted for purposes of determining whether a quorum is present at any meeting of the Board or any applicable committee and (iii) be entitled to any other rights or powers of directors under the Organizational Documents, the DGCL, Applicable Law or any other agreement to which the Company is a party. Notwithstanding any of the foregoing, the Company shall not be obligated to provide such Guest Attendee with access to any information, materials or meetings (or portions thereof) if a majority of the members of the Board who are not Amberjack Designees determine reasonably that the exclusion of such Guest Attendee is reasonably necessary to (A) preserve attorney-client privilege or (B) avoid a conflict of interest between the Company and Amberjack or any of its Affiliates or breach of pre-existing contractual or other legal obligations. Amberjack shall cause the Guest Attendee to (1) keep all information received pursuant to the rights granted by this Agreement confidential and, at the Company’s request, execute an attendee agreement and/or confidentiality agreement in the form reasonably acceptable to the Company and Amberjack and (2) not use such information in any way or for any purpose other than to assist Amberjack in monitoring, evaluating and managing its investment in the Company.

SECTION 2.2. Permitted Disclosure. Each Amberjack Designee is permitted to disclose to the Stockholders information that he or she receives as a result of being a Director. Each of the Stockholders severally agrees that it will, and will cause its respective Affiliates to, keep confidential and not disclose, divulge or use for any purpose, other than to monitor and make voting and investment decisions with respect to its investment in the Company and its Subsidiaries and to the extent necessary for the enforcement of any of its rights under this Agreement, any confidential information of the Company (including, for the avoidance of doubt, confidential information obtained pursuant to this Section 2.2 and Section 2.3), unless such confidential information is known or becomes known to the public in general (other than as a result of a breach of this Section 2.2 by the Stockholders or their respective Affiliates), is or has been independently developed or conceived by the Stockholders without use of, reliance on or reference to the Company’s confidential information or is or has been made known or disclosed to the Stockholders by a third party (other than an Amberjack Designee or an Affiliate of a Stockholder) without a breach of any obligation of confidentiality such third party may have to the Company that is known to the Stockholders; provided, however, that the Stockholders may disclose confidential information (x) to its Affiliates, and its and their respective attorneys, accountants, consultants, and other professionals to the extent necessary to obtain their services in connection with monitoring and making voting and investment decisions with respect to its or its Affiliate’s investment in the Company or to any potential transferees of Equity Securities (directly or indirectly, including a merger or other business combination) held by the Stockholders (provided such potential transferee has executed a confidentiality agreement with terms substantially similar to this Section 2.2) or (y) as may otherwise be required by Applicable Law or legal, judicial or regulatory process, provided that the Stockholders shall take reasonable steps to minimize the extent of any required disclosure described in this clause (y); and provided, further, that the acts and omissions of any Person to whom the Stockholders may disclose confidential information pursuant to clause (x) of the preceding proviso will be attributable to the Stockholders for purposes of determining such Stockholder’s compliance with this Section 2.2.

SECTION 2.3. Information Rights. Until the end of the Standstill Period, the Company shall provide Amberjack or its authorized representatives, at reasonable times and upon reasonable prior notice to the

Company, with (i) reasonable access to the books and records of the Company or any of its material Subsidiaries and (ii) the right to discuss the Company's or its material Subsidiaries' affairs, finances and condition with its and their officers, subject in each case to the confidentiality obligations set forth in [Section 2.2](#). Notwithstanding any of the foregoing, the Company shall not be obligated to provide Amberjack with access to any information or materials (or portions thereof) if a majority of the members of the Board who are not Amberjack Designees determine reasonably that the withholding of such information or materials (or portions thereof) is reasonably necessary to (A) preserve attorney-client privilege or (B) avoid a conflict of interest between the Company and Amberjack or any of its Affiliates or breach of pre-existing contractual or other legal obligations.

[SECTION 2.4. Corporate Opportunity Waiver.](#) To the fullest extent permitted by the DGCL and subject to applicable legal requirements and any express agreement that may from time to time be in effect after the date hereof, the Company agrees that the Covered Persons may, and shall have no duty not to, (i) invest in, carry on and conduct, whether directly, or as a partner in any partnership, or as a joint venturer in any joint venture, or as an officer, director, stockholder, equityholder or investor in any Person, or as a participant in any syndicate, pool, trust or association, any business of any kind, nature or description, whether or not such business is competitive with or in the same or similar lines of business as the Company or any of its Subsidiaries, (ii) do business with any client, customer, vendor or lessor of any of the Company or its Affiliates, and/or (iii) make investments in any kind of property in which the Company or its Subsidiaries may make investments. In the event that a Covered Person acquires knowledge of a potential Business Opportunity which may constitute a corporate opportunity for both (x) the Covered Person and (y) the Company or any of its Subsidiaries or controlled Affiliates, the Covered Person shall not have any duty to offer or communicate information regarding such corporate opportunity to the Company or any of its Subsidiaries or controlled Affiliates. To the fullest extent permitted by Section 122(17) of the DGCL or any other Applicable Law in the event that the applicable entity is not incorporated, formed or organized as a corporation in the State of Delaware, the Company (for itself and on behalf of each of its Subsidiaries and controlled Affiliates) hereby renounces any interest or expectancy in any potential Business Opportunity of which the Covered Person acquires knowledge (or engages in or seeks to engage or with respect to which takes any of the actions specified in clause (A) or (B) below), except for any corporate opportunity which is expressly offered in writing to such Covered Person solely in his or her capacity as a director or, if applicable, officer of the Company, and waives any claim against each Covered Person and shall indemnify a Covered Person against any claim, that such Covered Person is liable to the Company or its stockholders (or any Subsidiary or controlled Affiliate) for breach of any fiduciary duty or otherwise solely by reason of the fact that such Covered Person (A) pursues or acquires any corporate opportunity for its own account or the account of any Affiliate or other Person, (B) directs, recommends, sells, assigns or otherwise transfers such corporate opportunity to another Person or (C) does not communicate information regarding such corporate opportunity or offer such corporate opportunity to the Company, its Subsidiaries or any controlled Affiliate. The Company shall pay in advance any expenses incurred in defense of such claim as provided in this provision, except to the extent that a Covered Person is determined by a final, non-appealable order of a Delaware court having competent jurisdiction (or any other judgment which is not appealed in the applicable time) to have breached this [Section 2.4](#), in which case any such advanced expenses shall be promptly reimbursed to the Company.

No Transfer of Stockholder Shares by the Stockholders may be effected except in compliance with the restrictions set forth in this [Article IV](#) and with the requirements of the Securities Act and any other Applicable Laws. Group (whether such Person or Group is purchasing Stockholder Shares for its or their own account(s) or as fiduciary on behalf of one or more accounts) who (x) is a Competitor or (y) at the time of such Transfer is, or following such Transfer would become, a beneficial owner of Common Stock in excess of 5% of the voting power of the outstanding shares of Common Stock (provided, that the restrictions in clause (y) shall only apply during the Standstill Period).

(d) Notwithstanding anything to the contrary set forth in [Article III](#) or this [Article IV](#), the Stockholders may, at any time, (i) Transfer some or all of the Stockholder Shares pursuant to a Permitted Transfer; provided that, prior to any such Transfer, such Permitted Transferee executes and delivers to the Company an Assignment and Assumption Agreement in the form attached hereto as [Exhibit A](#); (ii) Transfer the Stockholder Shares, in whole or in part, to the Company or any Subsidiary of the Company, including pursuant to any redemption, share repurchase program, self-tender offer or otherwise; (iii) Transfer the Stockholder Shares, in whole or in part, to a direct or indirect member or general or limited partner of such Stockholder pursuant to a distribution of Stockholder Shares by such Stockholder; provided that, prior to any such Transfer during the Lock-Up Period, such direct or indirect member or general or limited partner of such Stockholder executes and delivers to the Company an Assignment and Assumption Agreement in the form attached hereto as [Exhibit A](#); or (iv) Transfer the Stockholder Shares, in whole or in part, pursuant to any (A) recapitalization, reclassification, consolidation, merger, share exchange or other business combination transaction involving the Company, or (B) tender offer for all Voting Securities of a class that is commenced by any Person or Group.

SUCH SECURITIES MAY NOT BE SOLD OR TRANSFERRED IN THE ABSENCE OF SUCH REGISTRATION OR UNLESS THE ISSUER RECEIVES AN OPINION OF COUNSEL REASONABLY ACCEPTABLE TO IT STATING THAT SUCH SALE OR TRANSFER IS EXEMPT FROM THE REGISTRATION AND PROSPECTUS DELIVERY REQUIREMENTS OF SAID ACT.”

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO THE PROVISIONS OF A STOCKHOLDERS’ AGREEMENT, DATED AS OF [], 2024, AMONG THE ISSUER AND THE OTHER PARTIES THERETO, A COPY OF WHICH MAY BE INSPECTED AT THE PRINCIPAL OFFICE OF THE ISSUER OR OBTAINED FROM THE ISSUER WITHOUT CHARGE.”

(b) The Stockholders agree that they will, if requested by the Company, deliver at their expense to the Company an opinion of reputable U.S. counsel selected by the Stockholder and reasonably acceptable to the Company, in form and substance reasonably satisfactory to the Company and counsel for the Company, that any Transfer made, other than in connection with an SEC-registered offering by the Company or pursuant to Rule 144 under the Securities Act, does not require registration under the Securities Act.

**ARTICLE V
MISCELLANEOUS**

SECTION 5.1. Termination. Subject to the early termination of any provision as a result of an amendment to this Agreement agreed to by the Board and the Stockholders as provided under [Section 5.2](#), (i) the provisions of [Article II](#), [Article III](#) and [Article IV](#) shall, with respect to each Stockholder, terminate as provided in the applicable Section of [Article II](#), [Article III](#) and [Article IV](#), as the case may be, and (ii) this [Article V](#) shall not terminate. Nothing herein shall relieve any party from any liability for the breach of any of the agreements set forth in this Agreement.

SECTION 5.2. Amendments and Waivers. Except as otherwise provided herein, no modification, amendment, restatement, amendment and restatement, or waiver of any provision of this Agreement shall be effective without the approval of the Board, Amberjack and the Stockholders holding a majority of the Stockholder Shares; provided, however, that any Stockholder may waive (in writing) the benefit of any provision of this Agreement with respect to itself for any purpose; provided, further, that any such modification, amendment, restatement, amendment and restatement or waiver that would disproportionately and adversely affect the rights of any Stockholder hereunder (in its capacity as a Stockholder) without similarly affecting the rights hereunder of all Stockholders (in their capacities as Stockholders) having the same rights or obligations under this Agreement to which such modification, amendment, restatement, amendment and restatement or waiver relates, as the case may be, shall not be effective as to such Stockholder without such Stockholder's prior written consent. Any written amendment, restatement, amendment and restatement, or waiver to this Agreement that receives the vote or consent of the Stockholders provided herein need not be signed by all Stockholders, but shall be effective in accordance with its terms and shall be binding upon all Stockholders.

SECTION 5.3. Successors, Assigns and Transferees. This Agreement shall bind and inure to the benefit of and be enforceable by the parties hereto and their respective successors and permitted assigns. SECTION 5.4. Rights of Third Parties. The rights of the Stockholders pursuant to this Agreement are personal to the Stockholders and shall not be exercised by any Person. Except as may otherwise be expressly provided in this Agreement, this Agreement does not create any rights, claims or benefits inuring to any person that is not a party hereto nor create or establish any third party beneficiary hereto.

SECTION 5.6. Further Assurances. At any time or from time to time after the date hereof, the parties agree to cooperate with each other, and at the request of any other party, to execute and deliver any further instruments or documents and to take all such further action as the other party may reasonably request in order to evidence or effectuate the consummation of the transactions contemplated hereby and to otherwise carry out the intent of the parties hereunder.

SECTION 5.7. Entire Agreement. This Agreement sets forth the entire understanding of the parties hereto with respect to the subject matter hereof. There are no agreements, representations, warranties, covenants or understandings with respect to the subject matter hereof or thereof other than those expressly set forth herein and therein. This Agreement supersedes all other prior agreements and understandings between the parties with respect to such subject matter.

SECTION 5.8. Restrictions on Other Agreements; Bylaws. To the fullest extent permitted by Applicable Law, the provisions of this Agreement shall be controlling if any such provisions or the operation thereof conflict with the provisions of the Company's Bylaws. Each of the Stockholders covenants and agrees to vote their Equity Securities and to take any other action reasonably requested by the Company or any other Stockholder to amend the Company's Bylaws so as to avoid any conflict with the provisions hereof.

SECTION 5.9. Delays or Omissions. It is agreed that no delay or omission to exercise any right, power or remedy accruing to any party, upon any breach, default or noncompliance by another party under this Agreement, shall impair any such right, power or remedy, nor shall it be construed to be a waiver of any such breach, default or noncompliance, or any acquiescence therein, or of or in any similar breach, default or noncompliance thereafter occurring. It is further agreed that any waiver, permit, consent or approval of any kind or character on the part of any party hereto of any breach, default or noncompliance under this Agreement or any waiver on such party's part of any provisions or conditions of this Agreement, must be in writing and shall be effective only to the extent specifically set forth in such writing. All remedies, either under this Agreement, by law, or otherwise afforded to any party, shall be cumulative and not alternative.

SECTION 5.10. Governing Law; Jurisdiction; Waiver of Jury Trial.

(a) This Agreement and any dispute, controversy or claim arising out of or relating to this Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware,

applicable to contracts executed in and to be performed entirely within that State, without giving effect to principles or rules of conflict of laws that would result in the application of the laws of a different jurisdiction.

(b) In any judicial proceeding involving any dispute, controversy or claim arising out of or relating to this Agreement, each of the parties unconditionally accepts the jurisdiction and venue of the Delaware Court of Chancery or, if the Delaware Court of Chancery does not have subject matter jurisdiction over this matter, the Superior Court of the State of Delaware (Complex Commercial Division) or, if jurisdiction over the matter is vested exclusively in federal courts, the United States District Court for the District of Delaware, and the appellate courts to which orders and judgments thereof may be appealed. In any such judicial proceeding, the parties agree that in addition to any method for the service of process permitted or required by such courts, to the fullest extent permitted by Applicable Law, service of process may be made by delivery provided pursuant to the directions in [Section 5.5](#).

(c) EACH OF THE PARTIES HEREBY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW TRIAL BY JURY IN ANY JUDICIAL PROCEEDING INVOLVING ANY DISPUTE, CONTROVERSY OR CLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT.

SECTION 5.11. Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under Applicable Law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any Applicable Law in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or any other jurisdiction, but this Agreement shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

SECTION 5.12. Enforcement. Each party hereto acknowledges that money damages would not be an adequate remedy in the event that any of the covenants or agreements in this Agreement are not performed in accordance with its terms, and it is therefore agreed that in addition to and without limiting any other remedy or right it may have, the non-breaching party will have the right to an injunction, temporary restraining order or other equitable relief in any court of competent jurisdiction enjoining any such breach and enforcing specifically the terms and provisions hereof.

SECTION 5.13. Titles and Subtitles. The titles of the sections and subsections of this Agreement are for convenience of reference only and are not to be considered in construing this Agreement.

SECTION 5.14. No Recourse. This Agreement may only be enforced against, and any claims or cause of action that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement, may be made only against the entities that are expressly identified as parties hereto, and no past, present or future Affiliate, director, officer, employee, incorporator, member, manager, partner, stockholder, agent, attorney or representative of any party hereto shall have any liability for any obligations or liabilities of the parties to this Agreement or for any claim based on, in respect of, or by reason of the transactions contemplated hereby.

SECTION 5.15. Counterparts; Electronic Signatures. This Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one instrument. For purposes of the Plan, the following terms shall be defined as set forth below:

- (a) “Affiliate” means, with respect to a Person, any other Person that, directly or indirectly through one or more intermediaries, controls, is controlled by, or is under common control with, such Person. In the event that there is an Award Agreement or Participant Agreement defining Cause, "Cause" shall have the meaning provided in such agreement, and a Termination by the Service Recipient for Cause hereunder shall not be deemed to have occurred unless all applicable notice and cure periods in such Award Agreement or Participant Agreement are complied with.

Any payments in respect of an Award constituting nonqualified deferred compensation subject to Section 409A of the Code that are payable upon a Termination shall be delayed for such period as may be necessary to meet the requirements of Section 409A(a)(2)(B)(i) of the Code. 3. Administration.

(a) **Authority of the Committee.** Except as otherwise provided below, the Plan shall be administered by the Committee. The Committee shall have full and final authority, in each case, subject to and consistent with the provisions of the Plan, to (1) select Eligible Persons to become Participants; (2) grant Awards; (3) determine the type, number, and type of shares of Stock subject to, other terms and conditions of, and all other matters relating to, Awards; (4) prescribe Award Agreements (which need not be identical for each Participant) and rules and regulations for the administration of the Plan; (5) determine the method by which an Award may be settled, exercised, canceled, forfeited, suspended, or repurchased by the Company; (6) determine the circumstances under which the delivery of cash, property, or other amounts payable with respect to an Award may be deferred, either automatically or at the Participant's or Committee's election; (7) accelerate the vesting, delivery or exercisability of, or payment for or lapse of restrictions on, or waive any condition in respect of, Awards; (8) construe, administer, and interpret the Plan and Award Agreements and correct defects, supply omissions, and reconcile inconsistencies therein; (9) suspend the right to exercise Awards during any period that the Committee deems appropriate to comply with applicable securities laws, and thereafter extend the exercise period of an Award by an equivalent period of time or such shorter period required by, or necessary to comply with, applicable law; and (10) make all other decisions and determinations as the Committee may deem necessary or advisable for the administration of the Plan. Any action of the Committee shall be final, conclusive, and binding on all Persons, including, without limitation, the Company, its stockholders and Affiliates, Eligible Persons, Participants, and beneficiaries of Participants. Notwithstanding anything in the Plan to the contrary, the Committee shall have the ability to accelerate the vesting of any outstanding Award at any time and for any reason, including but not limited to upon a Corporate Event, subject to Section 10(d), or in the event of a Participant's Termination by the Service Recipient other than for Cause, or due to the Participant's death, Disability, or retirement (as such term may be defined in an applicable Award Agreement or Participant Agreement or, if no such definition exists, in accordance with the Company's then-current employment policies and guidelines). For the avoidance of doubt, the Board shall have the authority to take all actions under the Plan that the Committee is permitted to take.

(b) **Manner of Exercise of Committee Authority.** At any time that a member of the Committee is not a Qualified Member, any action of the Committee relating to an Award granted or to be granted to a Participant who is then subject to Section 16 of the Exchange Act in respect of the Company must be taken by the remaining members of the Committee or a subcommittee, designated by the Committee or the Board, composed solely of two or more Qualified Members (a "Qualifying Committee"). Any action authorized by such a Qualifying Committee shall be deemed the action of the Committee for purposes of the Plan. The express grant of any specific power to a Qualifying Committee, and the taking of any action by such a Qualifying Committee, shall not be construed as limiting any power or authority of the Committee.

(c) Delegation. To the extent permitted by applicable law, the Committee may delegate to officers or employees of the Company or any of its Affiliates, or committees thereof, the authority, subject to such terms as the Committee shall determine, to perform such functions under the Plan, including, but not limited to, administrative functions, as the Committee may determine appropriate. The Committee may appoint agents to assist it in administering the Plan. Any actions taken by an officer or employee delegated authority pursuant to this Section 3(c) within the scope of such delegation shall, for all purposes under the Plan, be deemed to be an action taken by the Committee. Notwithstanding the foregoing or any other provision of the Plan to the contrary, any Award granted under the Plan to any Eligible Person who is not an employee of the Company or any of its Affiliates (including any non-employee director of the Company or any Affiliate) or to any Eligible Person who is subject to Section 16 of the Exchange Act must be expressly approved by the Committee or Qualifying Committee in accordance with Section 3(b) above.

(d) Sections 409A of the Code. The Committee shall take into account compliance with Section 409A of the Code in connection with any grant of an Award under the Plan, to the extent applicable. The Plan and Awards are intended to comply with or be exempt from the applicable requirements of Section 409A of the Code and shall be limited, construed, and interpreted in accordance with such intent. To the extent that any Award is subject to Section 409A of the Code, it shall be paid in a manner that will comply with Section 409A of the Code, including proposed, temporary, or final regulations or any other guidance issued by the Secretary of the Treasury and the Internal Revenue Service with respect thereto. Notwithstanding anything herein to the contrary, any provision in the Plan that is inconsistent with Section 409A of the Code shall be deemed to be amended to comply with or be exempt from Section 409A of the Code and, to the extent such provision cannot be amended to comply therewith or be exempt therefrom, such provision shall be null and void. Notwithstanding any contrary provision in the Plan or Award Agreement, any payment(s) of “nonqualified deferred compensation” (within the meaning of Section 409A of the Code) that are otherwise required to be made under the Plan to a “specified employee” (as defined under Section 409A of the Code) as a result of such employee’s “separation from service” (other than a payment that is not subject to Section 409A of the Code) shall be delayed for the first six (6) months following such separation from service (or, if earlier, until the date of death of the specified employee) and shall instead be paid (in a manner set forth in the Award Agreement) upon expiration of such delay period. While the Awards granted hereunder are intended to be structured in a manner to avoid the imposition of any penalty taxes under Section 409A of the Code, in no event whatsoever shall the Company or any of its Affiliates be liable for any additional tax, interest, or penalties that may be imposed on a Participant as a result of Section 409A of the Code or any damages for failing to comply with Section 409A of the Code or any similar state or local laws (other than for withholding obligations or other obligations applicable to employers, if any, under Section 409A of the Code).

4. Shares Available Under the Plan; Other Limitations.

(a) Number of Shares Available for Delivery. Subject to adjustment as provided in Section 10 hereof, the following limitations apply to the grant of Awards: no more than a number shares of Stock equal to 5% of the fully-diluted shares of Stock outstanding at the time the Plan becomes effective may be reserved for issuance and delivered in the aggregate pursuant to Awards under the Plan (the “Share Pool”). Shares of Stock delivered under the Plan shall consist of authorized and unissued shares, shares held in the treasury of the Company, or previously issued shares of Stock reacquired by the Company on the open market or by private purchase, or a combination of the foregoing. Notwithstanding the foregoing, the Share Pool shall not be reduced by shares issued pursuant to Awards issued or assumed in connection with a merger or acquisition as contemplated by, as applicable, NYSE Listed Company Manual Section 303A.08, NASDAQ Listing Rule 5635(c) and IM-5635-1, AMEX Company Guide Section 711, or other applicable stock exchange rules, and their respective successor rules and listing exchange promulgations (each such Award, a “Substitute Award”).

(b) Share Counting Rules. The Share Pool shall be reduced, on the date of grant, by the relevant number of shares of Stock for each Award granted under the Plan that is valued by reference to a share of Stock; provided, that Awards that are valued by reference to shares of Stock but are required to be paid in cash pursuant to their

terms shall not reduce the Share Pool. If and to the extent that Awards originating from the Share Pool terminate, expire, or are cash-settled, canceled, forfeited, exchanged, or surrendered without having been exercised, vested, or settled, the shares of Stock subject to such Awards shall again be available for Awards under the Share Pool. For clarity, the following shares of Stock shall become available for issuance under the Plan: (i) shares of Stock tendered by the Participants, or withheld by the Company, as full or partial payment to the Company upon the exercise of Options granted under the Plan; (ii) shares of Stock reserved for issuance upon the grant of Stock Appreciation Rights, to the extent that the number of reserved shares of Stock exceeds the number of shares of Stock actually issued upon the exercise of the Stock Appreciation Rights; and (iii) shares of Stock withheld by, or otherwise remitted to, the Company to satisfy a Participant's tax withholding obligations upon the exercise, lapse of restrictions on, or settlement of, Awards granted under the Plan.

(c) Incentive Stock Options. No more than a number shares of Stock equal to 5% of the fully-diluted shares of Stock outstanding at the time the Plan becomes effective hereunder may be issued or transferred upon exercise or settlement of Incentive Stock Options.

5. Options.

(a) General. Certain Options granted under the Plan may be intended to be Incentive Stock Options; however, no Incentive Stock Options may be granted hereunder following the tenth anniversary of the earlier of the date the Plan is adopted by the Board. Options may be granted to Eligible Persons in such form and having such terms and conditions as the Committee shall deem appropriate; *provided, however*, that Incentive Stock Options may be granted only to Eligible Persons who are employees of the Company or an Affiliate (as such definition is limited pursuant to Section 2(o) hereof) of the Company. The provisions of separate Options shall be set forth in separate Option Agreements, which agreements need not be identical. No dividends or dividend equivalents shall be paid on Options.

(b) Term. The term of each Option shall be set by the Committee at the time of grant; *provided, however*, that no Option granted hereunder shall be exercisable after, and each Option shall expire, ten years from the date it was granted.

(c) Exercise Price. The exercise price per share of Stock for each Option shall be set by the Committee at the time of grant and shall not be less than the Fair Market Value on the date of grant, subject to Section 5(g) hereof in the case of any Incentive Stock Option. Notwithstanding the foregoing, in the case of an Option that is a Substitute Award, the exercise price per share of Stock for such Option may be less than the Fair Market Value on the date of grant; *provided*, that, such exercise price is determined in a manner consistent with the provisions of Section 409A of the Code and, if applicable, Section 424(a) of the Code.

(d) Payment for Stock. Payment for shares of Stock acquired pursuant to an Option granted hereunder shall be made in full upon exercise of the Option in a manner approved by the Committee, which may include any of the following payment methods: (1) in immediately available funds in U.S. dollars, or by certified or bank cashier's check; (2) by delivery of shares of Stock having a value equal to the exercise price; (3) by a broker-assisted cashless exercise in accordance with procedures approved by the Committee, whereby payment of the Option exercise price or tax withholding obligations may be satisfied, in whole or in part, with shares of Stock subject to the Option by delivery of an irrevocable direction to a securities broker (on a form prescribed by the Committee) to sell shares of Stock and to deliver all or part of the sale proceeds to the Company in payment of the aggregate exercise price and, if applicable, the amount necessary to satisfy the Company's withholding obligations; or (4) by any other means approved by the Committee (including, by delivery of a notice of "net exercise" to the Company, pursuant to which the Participant shall receive (i) the number of shares of Stock

underlying the Option so exercised, reduced by (ii) the number of shares of Stock equal to (A) the aggregate exercise price of the Option divided by (B) the Fair Market Value on the date of exercise). Notwithstanding anything herein to the contrary, if the Committee determines that any form of payment available hereunder would be in violation of Section 402 of the Sarbanes-Oxley Act of 2002, such form of payment shall not be available.

(e) Vesting. Options shall vest and become exercisable (subject to Section 20(f) hereof) in such manner, on such date or dates, or upon the achievement of performance or other conditions (subject to Section 20(f) hereof), in each case, as may be determined by the Committee and set forth in an Option Agreement. Unless otherwise specifically determined by the Committee, the vesting of an Option shall occur only while the Participant is employed by or rendering services to the Service Recipient, and all vesting shall cease upon a Participant's Termination for any or no reason. To the extent permitted by applicable law and unless otherwise determined by the Committee, vesting shall be suspended during the period of any approved unpaid leave of absence by a Participant following which the Participant has a right to reinstatement and shall resume upon such Participant's return to active employment. If an Option is exercisable in installments, such installments or portions thereof that become exercisable shall remain exercisable until the Option expires, is canceled, or otherwise terminates.

(f) Termination of Employment or Service. Except as provided by the Committee in an Option Agreement, Participant Agreement, or otherwise:

(1) In the event of a Participant's Termination prior to the applicable Expiration Date for any reason other than (i) by the Service Recipient for Cause, or (ii) by reason of the Participant's death or Disability, (A) all vesting with respect to such Participant's Options outstanding shall cease; (B) all of such Participant's unvested Options outstanding shall terminate and be forfeited for no consideration as of the date of such Termination; and (C) all of such Participant's vested Options outstanding shall terminate and be forfeited for no consideration on the earlier of (x) the applicable Expiration Date, and (y) the date that is 90 days after the date of such Termination.

(2) In the event of a Participant's Termination prior to the applicable Expiration Date by reason of such Participant's death or Disability, (i) all vesting with respect to such Participant's Options outstanding shall cease; (ii) all of such Participant's unvested Options outstanding shall terminate and be forfeited for no consideration as of the date of such Termination; and (iii) all of such Participant's vested Options outstanding shall terminate and be forfeited for no consideration on the earlier of (x) the applicable Expiration Date, and (y) the date that is 12 months after the date of such Termination.

(3) In the event of a Participant's Termination prior to the applicable Expiration Date by the Service Recipient for Cause, all of such Participant's Options outstanding (whether or not vested) shall immediately terminate and be forfeited for no consideration as of the date of such Termination.

(g) Special Provisions Applicable to Incentive Stock Options.

(1) No Incentive Stock Option may be granted to any Eligible Person who, at the time the Option is granted, owns directly, or indirectly within the meaning of Section 424(d) of the Code, Stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or of any parent or subsidiary thereof, unless such Incentive Stock Option (i) has an exercise price of at least 110% of the Fair Market Value on the date of the grant of such Option, and (ii) cannot be exercised more than five years after the date it is granted.

(2) To the extent that the aggregate Fair Market Value (determined as of the date of grant) of Stock for which Incentive Stock Options are exercisable for the first time by any Participant during any calendar year (under all plans of the Company and its Affiliates) exceeds \$100,000, such excess Incentive Stock Options shall be treated as Nonqualified Stock Options.

(3) Each Participant who receives an Incentive Stock Option must agree to notify the Company in writing immediately after the Participant makes a Disqualifying Disposition of any Stock acquired pursuant to the exercise of an Incentive Stock Option.

6. Restricted Stock.

(a) General. Restricted Stock may be granted to Eligible Persons in such form and having such terms and conditions as the Committee shall deem appropriate. The provisions of separate Awards of Restricted Stock shall be set forth in separate Restricted Stock Agreements, which Restricted Stock Agreements need not be identical. Subject to the restrictions set forth in Section 6(b) hereof, and except as otherwise set forth in the applicable Restricted Stock Agreement, the Participant shall generally have the rights and privileges of a stockholder as to such Restricted Stock, including the right to vote such Restricted Stock. Unless otherwise set forth in a Participant's Restricted Stock Agreement, cash dividends and stock dividends, if any, with respect to the Restricted Stock shall be withheld by the Company for the Participant's account, and shall be subject to forfeiture to the same degree as the shares of Restricted Stock to which such dividends relate. Except as otherwise determined by the Committee, no interest will accrue or be paid on the amount of any cash dividends withheld.

(b) Vesting and Restrictions on Transfer. Restricted Stock shall vest in such manner, on such date or dates, or upon the achievement of performance or other conditions, in each case, as may be determined by the Committee and set forth in a Restricted Stock Agreement. Unless otherwise specifically determined by the Committee, the vesting of an Award of Restricted Stock shall occur only while the Participant is employed by or rendering services to the Service Recipient, and all vesting shall cease upon a Participant's Termination for any or no reason. To the extent permitted by applicable law and unless otherwise determined by the Committee, vesting shall be suspended during the period of any approved unpaid leave of absence by a Participant following which the Participant has a right to reinstatement and shall resume upon such Participant's return to active employment. In addition to any other restrictions set forth in a Participant's Restricted Stock Agreement, the Participant shall not be permitted to sell, transfer, pledge, or otherwise encumber the Restricted Stock prior to the time the Restricted Stock has vested pursuant to the terms of the Restricted Stock Agreement.

(c) Termination of Employment or Service. Except as provided by the Committee in a Restricted Stock Agreement, Participant Agreement, or otherwise, in the event of a Participant's Termination for any or no reason prior to the time that such Participant's Restricted Stock has vested, (1) all vesting with respect to such Participant's Restricted Stock outstanding shall cease; and (2) as soon as practicable following such Termination, the Company shall repurchase from the Participant, and the Participant shall sell, all of such Participant's unvested shares of Restricted Stock at a purchase price equal to the lesser of (A) the original purchase price paid for the Restricted Stock (as adjusted for any subsequent changes in the outstanding Stock or in the capital structure of the Company), less any dividends or other distributions or bonus received (or to be received) by the Participant (or any transferee) in respect of such Restricted Stock prior to the date of repurchase, and (B) the Fair Market Value of the Stock on the date of such repurchase; provided that, if the original purchase price paid for the Restricted Stock is equal to zero dollars (\$0), such unvested shares of Restricted Stock shall be forfeited to the Company by the Participant for no consideration as of the date of such Termination.

7. Restricted Stock Units.

(a) General. Restricted Stock Units may be granted to Eligible Persons in such form and having such terms and conditions as the Committee shall deem appropriate. The provisions of separate Restricted Stock Units shall be set forth in separate RSU Agreements, which RSU Agreements need not be identical.

(b) Vesting. Restricted Stock Units shall vest in such manner, on such date or dates, or upon the achievement of performance or other conditions, in each case, as may be determined by the Committee and set forth in an RSU Agreement. Unless otherwise specifically determined by the Committee, the vesting of a Restricted Stock Unit shall occur only while the Participant is employed by or rendering services to the Service Recipient, and all vesting shall cease upon a Participant's Termination for any or no reason. To the extent permitted by applicable law and unless otherwise determined by the Committee, vesting shall be suspended during the period of any approved unpaid leave of absence by a Participant following which the Participant has a right to reinstatement and shall resume upon such Participant's return to active employment.

(c) Settlement. Restricted Stock Units shall be settled in Stock, cash, or property, or a combination thereof, as determined by the Committee, in its sole discretion, on the date or dates determined by the Committee and set forth in an RSU Agreement. Unless otherwise set forth in a Participant's RSU Agreement, a Participant shall not be entitled to dividends, if any, or dividend equivalents with respect to Restricted Stock Units prior to settlement.

(d) Termination of Employment or Service. Except as provided by the Committee in an RSU Agreement, Participant Agreement, or otherwise, in the event of a Participant's Termination for any or no reason prior to the time that such Participant's Restricted Stock Units have been settled, (1) all vesting with respect to such Participant's Restricted Stock Units outstanding shall cease; (2) all of such Participant's unvested Restricted Stock Units outstanding shall be forfeited for no consideration as of the date of such Termination; and (3) any shares remaining undelivered with respect to vested Restricted Stock Units then held by such Participant shall be delivered on the delivery date or dates specified in the RSU Agreement.

8. **Stock Appreciation Rights.**

(a) General. Stock Appreciation Rights may be granted to Eligible Persons in such form and having such terms and conditions as the Committee shall deem appropriate (subject to Section 20(f) hereof). The provisions of separate Stock Appreciation Rights shall be set forth in separate SAR Agreements, which SAR Agreements need not be identical. No dividends or dividend equivalents shall be paid on Stock Appreciation Rights.

(b) Term. The term of each Stock Appreciation Right shall be set by the Committee at the time of grant; *provided, however*, that no Stock Appreciation Right granted hereunder shall be exercisable after, and each Stock Appreciation Right shall expire, ten years from the date it was granted.

(c) Base Price. The base price per share of Stock for each Stock Appreciation Right shall be set by the Committee at the time of grant and shall not be less than the Fair Market Value on the date of grant. Notwithstanding the foregoing, in the case of a Stock Appreciation Right that is a Substitute Award, the base price per share of Stock for such Stock Appreciation Right may be less than the Fair Market Value on the date of grant; *provided*, that, such base price is determined in a manner consistent with the provisions of Section 409A of the Code.

(d) Vesting. Stock Appreciation Rights shall vest and become exercisable (subject to Section 20(f) hereof) in such manner, on such date or dates, or upon the achievement of performance or other conditions (subject to Section 20(f) hereof), in each case, as may be determined by the Committee and set forth in a SAR Agreement. Unless otherwise specifically determined by the Committee, the vesting of a Stock Appreciation Right shall occur only while the Participant is employed by or rendering services to the Service Recipient, and all vesting shall cease upon a Participant's Termination for any or no reason. To the extent permitted by applicable law and unless otherwise determined by the Committee, vesting shall be suspended during the period of any approved unpaid leave of absence by a Participant following which the Participant has a right to reinstatement and shall resume upon such Participant's return to active employment. If a Stock Appreciation Right is exercisable in installments, such installments, or portions thereof that become exercisable shall remain exercisable until the Stock Appreciation Right expires, is canceled, or otherwise terminates.

(e) Payment upon Exercise. Payment upon exercise of a Stock Appreciation Right may be made in cash, Stock, or property, as specified in the SAR Agreement or determined by the Committee, in each case, having a value in respect of each share of Stock underlying the portion of the Stock Appreciation Right so exercised, equal to the difference between the base price of such Stock Appreciation Right and the Fair Market Value of one share of Stock on the exercise date. For purposes of clarity, each share of Stock to be issued in settlement of a Stock Appreciation Right is deemed to have a value equal to the Fair Market Value of one share of Stock on the exercise date. In no event shall fractional shares be issuable upon the exercise of a Stock Appreciation Right, and in the event that fractional shares would otherwise be issuable, the number of shares issuable will be rounded down to the next lower whole number of shares, and the Participant will be entitled to receive a cash payment equal to the value of such fractional share.

(f) **Termination of Employment or Service.** Except as provided by the Committee in a SAR Agreement, Participant Agreement, or otherwise:

(1) In the event of a Participant's Termination prior to the applicable Expiration Date for any reason other than (i) by the Service Recipient for Cause, or (ii) by reason of the Participant's death or Disability, (A) all vesting with respect to such Participant's Stock Appreciation Rights outstanding shall cease; (B) all of such Participant's unvested Stock Appreciation Rights outstanding shall terminate and be forfeited for no consideration as of the date of such Termination; and (C) all of such Participant's vested Stock Appreciation Rights outstanding shall terminate and be forfeited for no consideration on the earlier of (x) the applicable Expiration Date, and (y) the date that is 90 days after the date of such Termination.

(2) In the event of a Participant's Termination prior to the applicable Expiration Date by reason of such Participant's death or Disability, (i) all vesting with respect to such Participant's Stock Appreciation Rights outstanding shall cease; (ii) all of such Participant's unvested Stock Appreciation Rights outstanding shall terminate and be forfeited for no consideration as of the date of such Termination; and (iii) all of such Participant's vested Stock Appreciation Rights outstanding shall terminate and be forfeited for no consideration on the earlier of (x) the applicable Expiration Date, and (y) the date that is 12 months after the date of such Termination.

(3) In the event of a Participant's Termination prior to the applicable Expiration Date by the Service Recipient for Cause, all of such Participant's Stock Appreciation Rights outstanding (whether or not vested) shall immediately terminate and be forfeited for no consideration as of the date of such Termination.

9. Unrestricted shares of Stock and Other Stock-Based Awards.

The Committee is authorized, subject to limitations under applicable law, to grant to Participants such other Awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based upon or related to Stock, as deemed by the Committee to be consistent with the purposes of the Plan. The Committee may also grant Stock as a bonus (whether or not subject to any vesting requirements or other restrictions on transfer), and may grant other Awards in lieu of obligations of the Company or an Affiliate to pay cash or deliver other property under the Plan or under other plans or compensatory arrangements, subject to such terms as shall be determined by the Committee. The terms and conditions applicable to such Awards shall be determined by the Committee and evidenced by Award Agreements, which agreements need not be identical.

10. Adjustment for Recapitalization, Merger, etc.

(a) **Capitalization Adjustments.** The aggregate number and class of shares of Stock or other securities that may be delivered in connection with Awards (as set forth in Section 4 hereof), the numerical share limits in Section 4(a) hereof, the number and class of shares of Stock or other securities covered by each outstanding Award, and the price per share of Stock underlying each such Award shall be equitably and proportionally adjusted or substituted, as determined by the Committee, in its sole discretion, as to the number, price, or kind of a share of Stock, other securities or other consideration subject to such Awards, (1) in the event of changes in the outstanding Stock or in the capital structure of the Company by reason of stock dividends, extraordinary cash dividends, stock splits, reverse stock splits, recapitalizations, reorganizations, mergers, amalgamations, consolidations, combinations, exchanges, or other relevant changes in capitalization (including any Corporate Event); (2) in connection with any extraordinary dividend declared and paid in respect of shares of Stock, whether payable in the form of cash, stock, or any other form of consideration; or (3) in the event of any change in applicable laws or circumstances that results in or could result in, in either case, as determined by the Committee in its sole discretion, any substantial dilution or enlargement of the rights intended to be granted to, or available for, Participants in the Plan. In lieu of or in addition to any adjustment pursuant to this Section 10, if deemed appropriate, the Committee may provide that an adjustment take the form of a cash payment to the holder of an outstanding Award with respect to all or part of an outstanding Award, which payment shall be

subject to such terms and conditions (including timing of payment(s), vesting, and forfeiture conditions) as the Committee may determine in its sole discretion. The Committee will make such adjustments, substitutions, or payment, and its determination will be final, binding, and conclusive. The Committee need not take the same action or actions with respect to all Awards or portions thereof or with respect to all Participants. The Committee may take different actions with respect to the vested and unvested portions of an Award.

(b) Corporate Events. Notwithstanding the foregoing, except as provided by the Committee in an Award Agreement, Participant Agreement, or otherwise, in connection with (i) a merger, amalgamation, or consolidation involving the Company in which the Company is not the surviving corporation; (ii) a merger, amalgamation, or consolidation involving the Company in which the Company is the surviving corporation but the holders of shares of Stock receive securities of another corporation or other property or cash; (iii) a Change in Control; or (iv) the reorganization, dissolution, or liquidation of the Company (each, a "Corporate Event"), the Committee may provide for any one or more of the following:

- (1) The assumption or substitution of any or all Awards in connection with such Corporate Event, in which case the Awards shall be subject to the adjustment set forth in Section 10(a) hereof, and to the extent that such Awards vest subject to the achievement of performance criteria, such performance criteria shall be deemed earned at target level (or if no target is specified, the maximum level) and will be converted into solely service based vesting awards that will vest during the performance period, if any, during which the original performance criteria would have been measured;
- (2) The acceleration of vesting of any or all Awards not assumed or substituted in connection with such Corporate Event, subject to the consummation of such Corporate Event; *provided* that unless otherwise set forth in an Award Agreement, any Awards that vest subject to the achievement of performance criteria will be deemed earned at target level (or if no target is specified, the maximum level), *provided, further*, that a Participant has not experienced a Termination prior to such Corporate Event;
- (3) The cancellation of any or all Awards not assumed or substituted in connection with such Corporate Event (whether vested or unvested) as of the consummation of such Corporate Event, together with the payment to the Participants holding vested Awards (including any Awards that would vest upon the Corporate Event but for such cancellation) so canceled of an amount in respect of cancellation equal to an amount based upon the per-share consideration being paid for the Stock in connection with such Corporate Event, less, in the case of Options, Stock Appreciation Rights, and other Awards subject to exercise, the applicable exercise or base price; *provided, however*, that holders of Options, Stock Appreciation Rights, and other Awards subject to exercise shall be entitled to consideration in respect of cancellation of such Awards only if the per-share consideration less the applicable exercise or base price is greater than zero dollars (\$0), and to the extent that the per-share consideration is less than or equal to the applicable exercise or base price, such Awards shall be canceled for no consideration;
- (4) The cancellation of any or all Options, Stock Appreciation Rights, and other Awards subject to exercise not assumed or substituted in connection with such Corporate Event (whether vested or unvested) as of the consummation of such Corporate Event; *provided*, that, all Options, Stock Appreciation Rights, and other Awards to be so canceled pursuant to this paragraph (4) shall first become exercisable for a period of at least ten days prior to such Corporate Event, with any exercise during such period of any unvested Options, Stock Appreciation Rights, or other Awards to be (A) contingent upon and subject to the occurrence of the Corporate Event, and (B) effectuated by such means as are approved by the Committee; and
- (5) The replacement of any or all Awards (other than Awards that are intended to qualify as "stock rights" that do not provide for a "deferral of compensation" within the meaning of Section 409A of the Code) with a cash incentive program that preserves the value of the Awards so replaced (determined as of the consummation of the Corporate Event), with subsequent payment of cash incentives subject to the same vesting conditions as applicable to the Awards so replaced and payment to be made within 30 days of the applicable vesting date.

Payments to holders pursuant to paragraph (3) above shall be made in cash or, in the sole discretion of the Committee, and to the extent applicable, in the form of such other consideration necessary for a Participant to receive property, cash, or securities (or a combination thereof) as such Participant would have been entitled to receive upon the occurrence of the transaction if the Participant had been, immediately prior to such transaction, the holder of the number of shares of Stock covered by the Award at such time (less any applicable exercise or base price). In addition, in connection with any Corporate Event, prior to any payment or adjustment contemplated under this Section 10(b), the Committee may require a Participant to (A) represent and warrant as to the unencumbered title to his or her Awards; (B) bear such Participant's pro-rata share of any post-closing indemnity obligations, and be subject to the same post-closing purchase price adjustments, escrow terms, offset rights, holdback terms, and similar conditions as the other holders of Stock; and (C) deliver customary transfer documentation as reasonably determined by the Committee. The Committee need not take the same action or actions with respect to all Awards or portions thereof or with respect to all Participants. The Committee may take different actions with respect to the vested and unvested portions of an Award.

(c) Fractional Shares. Any adjustment provided under this Section 10 may, in the Committee's discretion, provide for the elimination of any fractional share that might otherwise become subject to an Award. No cash settlements shall be made with respect to fractional shares so eliminated.

11. Use of Proceeds.

The proceeds received from the sale of Stock pursuant to the Plan shall be used for general corporate purposes.

12. Rights and Privileges as a Stockholder.

Except as otherwise specifically provided in the Plan, no Person shall be entitled to the rights and privileges of Stock ownership in respect of shares of Stock that are subject to Awards hereunder until such shares have been issued to that Person.

13. Transferability of Awards.

Awards may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the applicable laws of descent and distribution, and to the extent subject to exercise, Awards may not be exercised during the lifetime of the grantee other than by the grantee. Notwithstanding the foregoing, except with respect to Incentive Stock Options, Awards and a Participant's rights under the Plan shall be transferable for no value to the extent provided in an Award Agreement or otherwise determined at any time by the Committee.

14. Employment or Service Rights.

No individual shall have any claim or right to be granted an Award under the Plan or, having been selected for the grant of an Award, to be selected for the grant of any other Award. Neither the Plan nor any action taken hereunder shall be construed as giving any Participant or other individual any right to be retained in the employ or service of the Company or an Affiliate of the Company.

15. Compliance with Laws.

The obligation of the Company to deliver Stock upon issuance, vesting, exercise, or settlement of any Award shall be subject to all applicable laws, rules, and regulations, and to such approvals by governmental agencies as may be required. Notwithstanding any terms or conditions of any Award to the contrary, the Company shall be under no obligation to offer to sell or to sell, and shall be prohibited from offering to sell or selling, any shares of Stock pursuant to an Award, unless such shares have been properly registered for sale with

the U.S. Securities and Exchange Commission pursuant to the Securities Act (or with a similar non-U.S. regulatory agency pursuant to a similar law or regulation), or unless the Company has received an opinion of counsel, satisfactory to the Company, that such shares may be offered or sold without such registration pursuant to an available exemption therefrom and the terms and conditions of such exemption have been fully complied with. The Company shall be under no obligation to register for sale or resale under the Securities Act any of the shares of Stock to be offered or sold under the Plan or any shares of Stock to be issued upon exercise or settlement of Awards. If the shares of Stock offered for sale or sold under the Plan are offered or sold pursuant to an exemption from registration under the Securities Act, the Company may restrict the transfer of such shares and may legend the Stock certificates representing such shares in such manner as it deems advisable to ensure the availability of any such exemption.

16. Withholding Obligations.

As a condition to the issuance, vesting, exercise, or settlement of any Award (or upon the making of an election under Section 83(b) of the Code), the Committee may require that a Participant satisfy, through deduction or withholding from any payment of any kind otherwise due to the Participant, or through such other arrangements as are satisfactory to the Committee, the amount of all federal, state, local and foreign income and other taxes of any kind required or permitted to be withheld in connection with such issuance, vesting, exercise, or settlement (or election). The Committee, in its discretion, may (but is not obligated to) permit or require shares of Stock (which are not subject to any pledge or other security interest) to be used to satisfy all or any portion of applicable tax withholding requirements with respect to any Award, and such shares shall be valued at their Fair Market Value as of the issuance, vesting, exercise, or settlement date of the Award, as applicable. The shares of Stock so delivered or withheld must have an aggregate Fair Market Value equal to the tax obligation (or portion thereof). Depending on the withholding method, the Company may withhold by considering the applicable minimum statutorily required withholding rates or other applicable withholding rates in the applicable Participant's jurisdiction, including maximum applicable rates that may be utilized without creating adverse accounting treatment under Financial Accounting Standards Board Accounting Standards Codification Topic 718 (or any successor pronouncement thereto) and is permitted under applicable withholding rules promulgated by the Internal Revenue Service or another applicable governmental entity.

17. Amendment of the Plan or Awards.

(a) Amendment of Plan. The Board or the Committee may amend the Plan at any time and from time to time.

(b) Amendment of Awards. The Board or the Committee may amend the terms of any one or more Awards at any time and from time to time.

(c) Stockholder Approval; No Material Impairment. Notwithstanding anything herein to the contrary, no amendment to the Plan or any Award shall be effective without stockholder approval to the extent that such approval is required pursuant to applicable law or the applicable rules of each national securities exchange on which the Stock is listed. Additionally, no amendment to the Plan or any Award shall materially impair a Participant's rights under any Award unless the Participant consents in writing (it being understood that no action taken by the Board or the Committee that is expressly permitted under the Plan, including, without limitation, any actions described in Section 10 hereof, shall constitute an amendment to the Plan or an Award for such purpose). Notwithstanding the foregoing, subject to the limitations of applicable law, if any, and without an affected Participant's consent, the Board or the Committee may amend the terms of the Plan or any one or more Awards from time to time as necessary to bring such Awards into compliance with applicable law, including, without limitation, Section 409A of the Code.

(d) No Repricing of Awards Without Stockholder Approval. Notwithstanding Sections 17(a) or 17(b) above, or any other provision of the Plan, reducing the exercise price of Options or Stock Appreciation

Rights issued and outstanding under the Plan, including through amendment, cancellation in exchange for the grant of a substitute Award, repurchase for cash or other consideration (in each case that has the effect of reducing the exercise price), or any other action that would be treated as a “repricing” of such Options or such Stock Appreciation Rights under GAAP, will require approval of the Company’s stockholders, unless the cancellation, exchange, repurchase or other action occurs in connection with an event set forth in Section 10 hereof.

18. Termination or Suspension of the Plan.

The Board or the Committee may suspend or terminate the Plan at any time. Unless sooner terminated, the Plan shall terminate on the day before the tenth anniversary of the Effective Date. No Awards may be granted under the Plan while the Plan is suspended or after it is terminated; *provided, however*, that following any suspension or termination of the Plan, the Plan shall remain in effect for the purpose of governing all Awards then outstanding hereunder until such time as all Awards under the Plan have been terminated, forfeited, or otherwise canceled, or earned, exercised, settled, or otherwise paid out, in accordance with their terms.

19. Effective Date of the Plan.

The Plan was approved by the Board on March 15, 2024, and shall become effective upon approval by the Company’s shareholders (the date of such approval is referred to as the “Effective Date”).

20. Miscellaneous.

(a) Treatment of Dividends and Dividend Equivalents on Unvested Awards. Notwithstanding any other provision of the Plan to the contrary, with respect to any Award that provides for or includes a right to dividends or dividend equivalents, if dividends are declared during the period that an equity Award is outstanding, such dividends (or dividend equivalents) shall either (i) not be paid or credited with respect to such Award, or (ii) be accumulated but remain subject to vesting requirement(s) to the same extent as the applicable Award and shall only be paid at the time or times such vesting requirement(s) are satisfied. Except as otherwise determined by the Committee, no interest will accrue or be paid on the amount of any cash dividends withheld. No dividends or dividend equivalents shall be paid on Options or Stock Appreciation Rights.

(b) Certificates. Stock acquired pursuant to Awards granted under the Plan may be evidenced in such a manner as the Committee shall determine. If certificates representing Stock are registered in the name of the Participant, the Committee may require that (1) such certificates bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Stock; (2) the Company retain physical possession of the certificates; and (3) the Participant deliver a stock power to the Company, endorsed in blank, relating to the Stock. Notwithstanding the foregoing, the Committee may determine, in its sole discretion, that the Stock shall be held in book-entry form rather than delivered to the Participant pending the release of any applicable restrictions.

(c) Other Benefits. No Award granted or paid out under the Plan shall be deemed compensation for purposes of computing benefits under any retirement plan of the Company or its Affiliates nor affect any benefits under any other benefit plan now or subsequently in effect under which the availability or amount of benefits is related to the level of compensation.

(d) Corporate Action Constituting Grant of Awards. Corporate action constituting a grant by the Company of an Award to any Participant will be deemed completed as of the date of such corporate action, unless otherwise determined by the Committee, regardless of when the instrument, certificate, or letter evidencing the Award is communicated to, or actually received or accepted by, the Participant. In the event that the corporate records (e.g., Committee consents, resolutions, or minutes) documenting the corporate action constituting the grant contain terms (e.g., exercise price, vesting schedule, or number of shares of Stock) that are inconsistent

with those in the Award Agreement as a result of a clerical error in connection with the preparation of the Award Agreement, the corporate records will control, and the Participant will have no legally binding right to the incorrect term in the Award Agreement.

(e) Clawback/Recoupment Policy. Notwithstanding anything contained herein to the contrary, all Awards granted under the Plan shall be and remain subject to any incentive compensation clawback or recoupment policy in effect as of the Effective Date or as may be adopted by the Board (or a committee or subcommittee of the Board) and, in each case, as may be amended from time to time. No such policy adoption or amendment shall in any event require the prior consent of any Participant. No recovery of compensation under such a clawback policy will be an event giving rise to a right to resign for “good reason” or “constructive termination” (or similar term) under any agreement with the Company or any of its Affiliates. In the event that an Award is subject to more than one such policy, the policy with the most restrictive clawback or recoupment provisions shall govern such Award, subject to applicable law.

(f) Non-Exempt Employees. If an Option or a Stock Appreciation Right is granted to an employee of the Company or any of its Affiliates in the United States who is a non-exempt employee for purposes of the Fair Labor Standards Act of 1938, as amended, the Option or the Stock Appreciation Right will not be first exercisable for any shares of Stock until at least six (6) months following the date of grant of the Option or the Stock Appreciation Right (although the Option or the Stock Appreciation Right may vest prior to such date). To the extent that the vesting of an Option or a Stock Appreciation Right is based on the performance of a business unit of the Company or a Participant, the determinations with respect to such performance of such Option or Stock Appreciation Right for purposes of this Section 20(f) must be made based on (i) future performance meeting previously described criteria (e.g., hours of work, efficiency or productivity) or (ii) the Participant’s past performance, which shall be determined by the Company in its sole discretion. Consistent with the provisions of the Worker Economic Opportunity Act, (1) if such employee dies or suffers a Disability; (2) upon a Corporate Event in which such Option or Stock Appreciation Right is not assumed, continued, or substituted; (3) upon a Change in Control; or (4) upon the Participant’s retirement (as such term may be defined in the applicable Award Agreement or a Participant Agreement or, if no such definition exists, in accordance with the Company’s then current employment policies and guidelines), the vested portion of any Options or Stock Appreciation Rights held by such employee may be exercised earlier than six months following the date of grant. The foregoing provision is intended to operate so that any income derived by a non-exempt employee in connection with the exercise or vesting of an Option or a Stock Appreciation Right will be exempt from his or her regular rate of pay. To the extent permitted and/or required for compliance with the Worker Economic Opportunity Act to ensure that any income derived by a non-exempt employee in connection with the exercise, vesting, or issuance of any shares under any other Award will be exempt from such employee’s regular rate of pay, the provisions of this Section 20(f) will apply to all Awards.

(g) Data Privacy. As a condition of receipt of any Award, each Participant explicitly and unambiguously consents to the collection, use, and transfer, in electronic or other form, of personal data as described in this Section 20(g) by and among, as applicable, the Company and its Affiliates, for the exclusive purpose of implementing, administering, and managing the Plan and Awards and the Participant’s participation in the Plan. In furtherance of such implementation, administration, and management, the Company and its Affiliates may hold certain personal information about a Participant, including, but not limited to, the Participant’s name, home address, telephone number, date of birth, social security or insurance number or other identification number, salary, nationality, job title(s), information regarding any securities of the Company or any of its Affiliates, and details of all Awards (the “Data”). In addition to transferring the Data amongst themselves as necessary for the purpose of implementation, administration, and management of the Plan and Awards and the Participant’s participation in the Plan, the Company and its Affiliates may each transfer the Data to any third parties assisting the Company in the implementation, administration, and management of the Plan and Awards and the Participant’s participation in the Plan. Recipients of the Data may be located in the Participant’s country or elsewhere, and the Participant’s country and any given recipient’s country may have different data privacy laws and protections. By accepting an Award, each Participant authorizes such recipients to receive, possess, use,

retain, and transfer the Data, in electronic or other form, for the purposes of assisting the Company in the implementation, administration, and management of the Plan and Awards and the Participant's participation in the Plan, including any requisite transfer of such Data as may be required to a broker or other third party with whom the Company or the Participant may elect to deposit any shares of Stock. The Data related to a Participant will be held only as long as is necessary to implement, administer, and manage the Plan and Awards and the Participant's participation in the Plan. A Participant may, at any time, view the Data held by the Company with respect to such Participant, request additional information about the storage and processing of the Data with respect to such Participant, recommend any necessary corrections to the Data with respect to the Participant, or refuse or withdraw the consents herein in writing, in any case without cost, by contacting his or her local human resources representative. The Company may cancel the Participant's eligibility to participate in the Plan, and in the Committee's discretion, the Participant may forfeit any outstanding Awards if the Participant refuses or withdraws the consents described herein. For more information on the consequences of refusal to consent or withdrawal of consent, Participants may contact their local human resources representative.

(h) Participants Outside of the United States. The Committee may modify the terms of any Award under the Plan made to or held by a Participant who is then a resident, or is primarily employed or providing services, outside of the United States in any manner deemed by the Committee to be necessary or appropriate in order that such Award shall conform to laws, regulations, and customs of the country in which the Participant is then a resident or primarily employed or providing services, or so that the value and other benefits of the Award to the Participant, as affected by non-U.S. tax laws and other restrictions applicable as a result of the Participant's residence, employment, or providing services abroad, shall be comparable to the value of such Award to a Participant who is a resident, or is primarily employed or providing services, in the United States. An Award may be modified under this Section 20(h) in a manner that is inconsistent with the express terms of the Plan, so long as such modifications will not contravene any applicable law or regulation or result in actual liability under Section 16(b) of the Exchange Act for the Participant whose Award is modified. Additionally, the Committee may adopt such procedures and sub-plans as are necessary or appropriate to permit participation in the Plan by Eligible Persons who are non-U.S. nationals or are primarily employed or providing services outside the United States.

(i) No Liability of Committee Members. Neither any member of the Committee nor any of the Committee's permitted delegates shall be liable personally by reason of any contract or other instrument executed by such member or on his or her behalf in his or her capacity as a member of the Committee or for any mistake of judgment made in good faith, and the Company shall indemnify and hold harmless each member of the Committee and each other employee, officer, or director of the Company to whom any duty or power relating to the administration or interpretation of the Plan may be allocated or delegated, against all costs and expenses (including counsel fees) and liabilities (including sums paid in settlement of a claim) arising out of any act or omission to act in connection with the Plan, unless arising out of such Person's own fraud or willful misconduct; *provided, however*, that approval of the Board shall be required for the payment of any amount in settlement of a claim against any such Person. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such Persons may be entitled under the Company's certificate or articles of incorporation or by-laws, each as may be amended from time to time, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

(j) Payments Following Accidents or Illness. If the Committee shall find that any Person to whom any amount is payable under the Plan is unable to care for his or her affairs because of illness or accident, or is a minor, or has died, then any payment due to such Person or his or her estate (unless a prior claim therefor has been made by a duly appointed legal representative) may, if the Committee so directs the Company, be paid to his or her spouse, child, relative, an institution maintaining or having custody of such Person, or any other Person deemed by the Committee to be a proper recipient on behalf of such Person otherwise entitled to payment. Any such payment shall be a complete discharge of the liability of the Committee and the Company therefor.

(k) Governing Law. The Plan shall be governed by and construed in accordance with the laws of State of Delaware, without reference to the principles of conflicts of laws thereof.

(l) Electronic Delivery. Any reference herein to a “written” agreement or document or “writing” will include any agreement or document delivered electronically or posted on the Company’s intranet (or other shared electronic medium controlled or authorized by the Company to which the Participant has access) to the extent permitted by applicable law.

(m) Arbitration. All disputes and claims of any nature that a Participant (or such Participant’s transferee or estate) may have against the Company arising out of or in any way related to the Plan or any Award Agreement shall be submitted to and resolved exclusively by binding arbitration conducted in the State of Delaware (or such other location as the parties thereto may agree) in accordance with the applicable rules of the American Arbitration Association then in effect, and the arbitration shall be heard and determined by a panel of three arbitrators in accordance with such rules (except that in the event of any inconsistency between such rules and this Section 20(m), the provisions of this Section 20(n) shall control). The arbitration panel may not modify the arbitration rules specified above without the prior written approval of all parties to the arbitration. Within ten business days after the receipt of a written demand, each party shall designate one arbitrator, each of whom shall have experience involving complex business or legal matters, but shall not have any prior, existing, or potential material business relationship with any party to the arbitration. The two arbitrators so designated shall select a third arbitrator, who shall preside over the arbitration, shall be similarly qualified as the two arbitrators, and shall have no prior, existing or potential material business relationship with any party to the arbitration; *provided*, that, if the two arbitrators are unable to agree upon the selection of such third arbitrator, such third arbitrator shall be designated in accordance with the arbitration rules referred to above. The arbitrators will decide the dispute by majority decision, and the decision shall be rendered in writing and shall bear the signatures of the arbitrators and the party or parties who shall be charged therewith, or the allocation of the expenses among the parties in the discretion of the panel. The arbitration decision shall be rendered as soon as possible, but in any event not later than 120 days after the constitution of the arbitration panel. The arbitration decision shall be final and binding upon all parties to the arbitration. The parties hereto agree that judgment upon any award rendered by the arbitration panel may be entered in the United States District Court for the District of Delaware or any Delaware state court sitting in the State of Delaware. To the maximum extent permitted by law, the parties hereby irrevocably waive any right of appeal from any judgment rendered upon any such arbitration award in any such court. Notwithstanding the foregoing, any party may seek injunctive relief in any such court.

(n) Statute of Limitations. A Participant or any other person filing a claim for benefits under the Plan must file the claim within one year of the date the Participant or other person knew or should have known of the facts giving rise to the claim. This one-year statute of limitations will apply in any forum where a Participant or any other person may file a claim and, unless the Company waives the time limits set forth above in its sole discretion, any claim not brought within the time periods specified shall be waived and forever barred.

(o) Funding. No provision of the Plan shall require the Company, for the purpose of satisfying any obligations under the Plan, to purchase assets or place any assets in a trust or other entity to which contributions are made or otherwise to segregate any assets, nor shall the Company be required to maintain separate bank accounts, books, records, or other evidence of the existence of a segregated or separately maintained or administered fund for such purposes. Participants shall have no rights under the Plan other than as unsecured general creditors of the Company, except that insofar as they may have become entitled to payment of additional compensation by performance of services, they shall have the same rights as other employees and service providers under general law.

(p) Reliance on Reports. Each member of the Committee and each member of the Board shall be fully justified in relying, acting, or failing to act, and shall not be liable for having so relied, acted, or failed to act in good faith, upon any report made by the independent public accountant of the Company and its Affiliates and upon any other information furnished in connection with the Plan by any Person or Persons other than such member.

(q) Titles and Headings. The titles and headings of the sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

PART II—INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Officers and Directors.

Dril-Quip is a Delaware corporation subject to the applicable indemnification provisions of the General Corporation Law of the State of Delaware, which is referred to herein as the “Delaware General Corporation Law.” Under Section 145 of the Delaware General Corporation Law, each director and officer of Dril-Quip may be indemnified by Dril-Quip against all expenses and liabilities (including attorney’s fees, judgments, fines and amounts paid in settlement) actually or reasonably incurred in connection with the defense or settlement of any threatened, pending or completed legal proceedings (other than a proceeding by or in the right of Dril-Quip) in which he or she is involved by reason of the fact that he or she is or was a director or officer of Dril-Quip if such director or officer acted in good faith and in a manner that he or she reasonably believed to be in or not opposed to the best interests of Dril-Quip and, with respect to any criminal action or proceeding, if he or she had no reasonable cause to believe that his or her conduct was unlawful. If the legal proceeding, however, is by or in the right of Dril-Quip, the director or officer (i) may be indemnified by Dril-Quip only for expenses (including attorneys’ fees) but not for judgments, fines or amounts paid in settlements and (ii) may not be indemnified for expenses in respect of any claim, issue or matter as to which he or she shall have been adjudged to be liable to Dril-Quip unless a court determines otherwise.

Dril-Quip’s bylaws provides for the indemnification of Dril-Quip’s directors and officers, to the fullest extent permitted by the Delaware General Corporation Law, for all liability and loss (including attorney’s fees) incurred in defending actions brought against them arising out of the performance of their duties. Dril-Quip’s restated certificate of incorporation also contains a provision that eliminates, subject to certain exceptions, to the fullest extent permitted by the Delaware General Corporation Law, the personal liability of each director of Dril-Quip to Dril-Quip and its stockholders for monetary damages for breaches of fiduciary duty as a director.

The foregoing is only a general summary of certain aspects of Delaware law and Dril-Quip’s restated certificate of incorporation and bylaws dealing with indemnification of directors and officers and does not purport to be complete. It is qualified in its entirety by reference to the detailed provisions of the Delaware General Corporation Law and Dril-Quip’s restated certificate of incorporation and bylaws.

Dril-Quip has entered into indemnification agreements with its directors and executive officers, and intends to enter into indemnification agreements with any new directors and executive officers in the future. Pursuant to such agreements, Dril-Quip will, to the extent permitted by applicable law, indemnify such persons against all expenses, judgments, fines and penalties incurred in connection with the defense or settlement of any actions brought against them by reason of the fact that they were directors or officers of Dril-Quip or assumed certain responsibilities at the direction of Dril-Quip. The preceding discussion of Dril-Quip’s indemnification agreements is not intended to be exhaustive and is qualified in its entirety by reference to such indemnification agreements.

Merger Agreement

Dril-Quip has agreed that it and the surviving company will indemnify and hold harmless to the fullest extent as such individuals would be indemnified as of the date of the merger agreement under applicable law, Innovex’s organizational documents and any indemnification agreements in effect as of the date of the merger agreement, each present and former (determined as of the effective time) director and officer of Innovex or any of its subsidiaries (each, an “indemnified party,” and collectively the “indemnified parties”), against all losses, claims, damages, costs, expenses, liabilities or judgments or amounts that are paid in settlement of or in connection with any claim, action, suit, proceeding or investigation based in whole or in part on or arising in whole or in part out of the fact that such person is or was a director or officer of Innovex or any subsidiary of Innovex, and pertaining to any matter existing or occurring, or any acts or omissions occurring, at or prior to the effective time, whether asserted or claimed prior to, or at or after, the effective time, including in connection with

the merger agreement, the mergers or the other transactions contemplated by the merger agreement, and Dril-Quip and the surviving company will also advance expenses as incurred to the fullest extent that such individual would have been entitled to under applicable law, Innovex's organizational documents and any indemnification agreements in effect as of the date of the merger agreement, except that any person to whom expenses are advanced provides an undertaking to repay such advances if it is ultimately determined by final adjudication that such person is not entitled to indemnification.

For a period of six years after the effective time, Dril-Quip will cause the surviving company to maintain in effect the current policies of directors' and officers' liability insurance maintained by Innovex, provided that that surviving company may substitute such existing policies with policies from a substantially comparable insurer of at least the same coverage and amounts containing terms and conditions that are no less advantageous to the insured for claims arising from facts or events that occurred at or prior to the effective time (including in connection with the merger agreement or the mergers and other transactions contemplated by the merger agreement); provided that Dril-Quip shall not be required to pay annual premiums in excess of 300% of the last annual premium paid by Innovex prior to the date of the merger agreement in respect of the current policies of directors' and officers' liability insurance maintained by Innovex. However, prior to the effective time, Innovex may (or, if requested by Dril-Quip, will) purchase (and pay in full the aggregate premium for) "tail" insurance policies for the extension of the directors' and officers' liability coverage of Innovex's existing directors' and officers' insurance policies, for a claims reporting or discovery period of six years from and after the effective time (the "tail period") for a maximum cost of 300% of the last annual premium paid by Innovex prior to the date of the merger agreement in respect of the current policies of directors' and officers' liability insurance maintained by Innovex, which prepaid "tail" policy will include as much coverage as reasonably practicable for such amount. If Innovex obtains such prepaid "tail" policy prior to the effective time, Dril-Quip will maintain such policy for its full term and cause all obligations thereunder to be honored by the surviving company, and no other party will have any further obligation to purchase or pay for insurance under the merger agreement.

During the tail period, all rights to indemnification and exculpation from liabilities for acts or omissions occurring at or prior to the effective time and rights to advancement of expenses relating thereto existing at the time of the merger agreement in favor of any indemnified party as provided in the organizational documents of Innovex and its subsidiaries or any indemnification agreement between such indemnified party and Innovex or any of its subsidiaries, in each case, as in effect on the date of the merger agreement, will survive the merger and other transactions contemplated by the merger agreement unchanged and will not be amended, restated, repealed or otherwise modified in any manner that would adversely affect any right thereunder of any such indemnified party.

The indemnification, exculpation and insurance provisions in the merger agreement are for the benefit of and enforceable by each of the indemnified parties, who are third-party beneficiaries of such provisions.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement: (i) to include any prospectus required by Section 10(a)(3) of the Securities Act; (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement (notwithstanding the foregoing, any increase or

decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, in a primary offering of securities of the registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) any free writing prospectus relating to the offering prepared by or on behalf of such registrant or used or referred to by the undersigned registrant;
- (iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or their securities provided by or on behalf of such registrant; and
- (iv) any other communication that is an offer in the offering made by such registrant to the purchaser.

(6) That, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(7) That prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the registrant undertakes that such reoffering prospectus will contain the information

called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

(8) That every prospectus (i) that is filed pursuant to paragraph (5) above, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to this registration statement and will not be used until such amendment has become effective, and that for the purpose of determining liabilities under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(9) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(10) To respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11 or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(11) To supply by means of a post-effective amendment all information concerning a transaction, and Dril-Quip being acquired involved therein, that was not the subject of and included in this registration statement when it became effective.

PNC and certain other financial institutions party to the A&R Credit Agreement as lenders severally made a term loan to Borrowers in connection with the A&R Credit Agreement, which as of the Closing Date remains outstanding in the aggregate principal balance equal to \$4,882,665.57 (the “A&R Term Loan”). Subject to the terms and conditions of this Agreement, each Lender, severally and not jointly, will make a term loan (the “Additional Term Loan”) to Borrowers in the amount equal to such Lender’s Term Loan Commitment

Percentage of (x) the lesser of (a) \$25,000,000 or (b) the sum of (i) eighty-five percent (85%) of the appraised net orderly liquidation value of the Eligible Equipment comprised of Borrowers' Non-Oilfield-Specific Equipment and other Eligible Equipment (other than Eligible Equipment comprised of Borrowers' Oilfield-Specific Equipment) (collectively, the "Non-Oilfield-Specific Collateral Amount"), (ii) forty percent (40%) of the appraised net orderly liquidation value of the Eligible Equipment comprised of Borrowers' Oilfield-Specific Equipment (the "Oilfield-Specific Collateral Amount"), and (iii) seventy-five percent (75%) of the appraised fair market value of owned Real Property (the "RE Collateral Amount"); and together with the Non-Oilfield-Specific Collateral Amount and the Oilfield-Specific Collateral Amount, collectively, the "Term Loan Collateral Amount") minus (y) the A&R Term Loan. On the Closing Date, the A&R Term Loan and the Additional Term Loan are deemed a single term loan (together, the "Term Loan"). The Term Loan shall be allocated to the Lenders according to the applicable Term Loan Commitment Percentages of Lenders holding the Term Loan Commitments and shall be, with respect to principal, payable as follows, subject to Section 2.8(a): consecutive quarterly installments each in the amount of \$1,250,000 commencing October 1, 2022 and continuing on the first day of each quarter thereafter during the Term followed by a final payment on the last day of the Term of all unpaid principal, accrued and unpaid interest and all unpaid fees and expenses; *provided, however*, following an appraisal conducted (i) after an Event of Default in accordance with Section 9.19(b) or (ii) pursuant to Section 2.20(e), if the principal amount of the Term Loan at any time outstanding exceeds the Term Loan Collateral Amount, Borrowers shall immediately prepay the Term Loan in an amount sufficient to eliminate such excess. The Term Loan shall be evidenced by one or more secured promissory notes (as each may be amended, restated, supplemented or otherwise modified from time to time, collectively, the "Term Note") in substantially the form attached hereto as Exhibit 2.3(a). The Term Loan may consist of Domestic Rate Loans or Term SOFR Rate Loans, or a combination thereof, as Borrowing Agent may request; and in the event that Borrowers desire to obtain or extend any portion of the Term Loan as a Term SOFR Rate Loan or to convert any portion of the Term Loan from a Domestic Rate Loan to a Term SOFR Rate Loan, Borrowing Agent shall comply with the notification requirements set forth in Sections 2.2(b) and/or (c) and the provisions of Sections 2.2(b) through (i) shall apply.

2.4 Swing Loans.

(a) Subject to the terms and conditions set forth in this Agreement, and in order to minimize the transfer of funds between Lenders and Agent for administrative convenience, Agent, Lenders holding Revolving Commitments and Swing Loan Lender agree that in order to facilitate the administration of this Agreement, Swing Loan Lender may, at its election and option made in its sole discretion cancelable at any time for any reason whatsoever, make swing loan advances ("Swing Loans") available to Borrowers as provided for in this Section 2.4 at any time or from time to time after the date hereof to, but not including, the expiration of the Term, in an aggregate principal amount up to but not in excess of the Maximum Swing Loan Advance Amount, provided that the outstanding aggregate principal amount of Swing Loans and the Revolving Advances at any one time outstanding shall not exceed an amount equal to the lesser of (i) the Maximum Revolving Advance Amount less the Maximum Undrawn Amount of all outstanding Letters of Credit or (ii) the Formula Amount. All Swing Loans shall be Domestic Rate Loans only. Borrowers may borrow (at the option and election of Swing Loan Lender), repay and reborrow (at the option and election of Swing Loan Lender)

Swing Loans and Swing Loan Lender may make Swing Loans as provided in this Section 2.4 during the period between Settlement Dates. All Swing Loans shall be evidenced by a secured promissory note (the "Swing Loan Note") substantially in the form attached hereto as Exhibit 2.4(a). Swing Loan Lender's agreement to make Swing Loans under this Agreement is cancelable at any time for any reason whatsoever and the making of Swing Loans by Swing Loan Lender from time to time shall not create any duty or obligation, or establish any course of conduct, pursuant to which Swing Loan Lender shall thereafter be obligated to make Swing Loans in the future.

(b) Upon either (i) any request by Borrowing Agent for a Revolving Advance made pursuant to Section 2.2(a) or (ii) the occurrence of any deemed request by Borrowers for a Revolving Advance pursuant to the provisions of Section 2.2(a), Swing Loan Lender may elect, in its sole discretion, to have such request or deemed request treated as a request for a Swing Loan, and may advance same day funds to Borrowers as a Swing Loan; provided that notwithstanding anything to the contrary provided for herein, Swing Loan Lender may not make Swing Loans if Swing Loan Lender has been notified by Agent or by Required Lenders that one or more of the applicable conditions set forth in Section 8.2 of this Agreement have not been satisfied or the Revolving Commitments have been terminated for any reason.

(c) Upon the making of a Swing Loan (whether before or after the occurrence of a Default or an Event of Default and regardless of whether a Settlement has been requested with respect to such Swing Loan), each Lender holding a Revolving Commitment shall be deemed, without further action by any party hereto, to have unconditionally and irrevocably purchased from Swing Loan Lender, without recourse or warranty, an undivided interest and participation in such Swing Loan in proportion to its Revolving Commitment Percentage. Swing Loan Lender or Agent may, at any time, require the Lenders holding Revolving Commitments to fund such participations by means of a Settlement as provided for in Section 2.6(d) below. From and after the date, if any, on which any Lender holding a Revolving Commitment is required to fund, and funds, its participation in any Swing Loans purchased hereunder, Agent shall promptly distribute to such Lender its Revolving Commitment Percentage of all payments of principal and interest and all proceeds of Collateral received by Agent in respect of such Swing Loan; provided that no Lender holding a Revolving Commitment shall be obligated in any event to make Revolving Advances in an amount in excess of its Revolving Commitment Amount minus its Participation Commitment (taking into account any reallocations under Section 2.22) of the Maximum Undrawn Amount of all outstanding Letters of Credit.

2.5 Disbursement of Advance Proceeds. All Advances shall be disbursed from whichever office or other place Agent may designate from time to time and, together with any and all other Obligations of Borrowers to Agent or Lenders, shall be charged to Borrowers' Account on Agent's books. The proceeds of each Revolving Advance or Swing Loan requested by Borrowing Agent on behalf of any Borrower or deemed to have been requested by any Borrower under Sections 2.2(a), 2.6(b) or 2.14 shall, (i) with respect to requested Revolving Advances, to the extent Lenders make such Revolving Advances in accordance with Section 2.2(a), 2.6(b) or 2.14, and with respect to Swing Loans made upon any request or deemed request by Borrowing Agent for a Revolving Advance to the extent Swing Loan Lender makes such Swing Loan in accordance with Section 2.4(b), be made available to the applicable Borrower on the day so requested by way of credit to such Borrower's operating account at PNC, or such

other bank as Borrowing Agent may designate following notification to Agent, in immediately available federal funds or other immediately available funds or, (ii) with respect to Revolving Advances deemed to have been requested by any Borrower or Swing Loans made upon any deemed request for a Revolving Advance by any Borrower, be disbursed to Agent to be applied to the outstanding Obligations giving rise to such deemed request. During the Term, Borrowers may use the Revolving Advances and Swing Loans by borrowing, prepaying and re-borrowing, all in accordance with the terms and conditions hereof.

2.6 Making and Settlement of Advances.

(a) Each borrowing of Revolving Advances shall be advanced according to the applicable Revolving Commitment Percentages of Lenders holding the Revolving Commitments (subject to any contrary terms of Section 2.22). The Term Loan shall be advanced according to the applicable Term Loan Commitment Percentages of Lenders holding the Term Loan Commitments. Each borrowing of Swing Loans shall be advanced by Swing Loan Lender alone.

(b) Promptly after receipt by Agent of a request or a deemed request for a Revolving Advance pursuant to Section 2.2(a) and, with respect to Revolving Advances, to the extent Agent elects not to provide a Swing Loan or the making of a Swing Loan would result in the aggregate amount of all outstanding Swing Loans exceeding the maximum amount permitted in Section 2.4(a), Agent shall notify Lenders holding the Revolving Commitments of its receipt of such request specifying the information provided by Borrowing Agent and the apportionment among Lenders of the requested Revolving Advance as determined by Agent in accordance with the terms hereof. Each Lender shall remit the principal amount of each Revolving Advance to Agent such that Agent is able to, and Agent shall, to the extent the applicable Lenders have made funds available to it for such purpose and subject to Section 8.2, fund such Revolving Advance to Borrowers in U.S. Dollars and immediately available funds at the Payment Office prior to the close of business, on the applicable borrowing date; provided that if any applicable Lender fails to remit such funds to Agent in a timely manner, Agent may elect in its sole discretion to fund with its own funds the Revolving Advance of such Lender on such borrowing date, and such Lender shall be subject to the repayment obligation in Section 2.6(c).

(c) Unless Agent shall have been notified by telephone, confirmed in writing, by any Lender holding a Revolving Commitment that such Lender will not make the amount which would constitute its applicable Revolving Commitment Percentage of the requested Revolving Advance available to Agent, Agent may (but shall not be obligated to) assume that such Lender has made such amount available to Agent on such date in accordance with Section 2.6(h) and may, in reliance upon such assumption, make available to Borrowers a corresponding amount. Agent will promptly notify Borrowing Agent of its receipt of any such notice from a Lender. In such event, if a Lender has not in fact made its applicable Revolving Commitment Percentage of the requested Revolving Advance available to Agent, then the applicable Lender and Borrowers severally agree to pay to Agent on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to Borrowers through but excluding the date of payment to Agent, at (i) in the case of a payment to be made by such Lender, the greater of (A) (x) the daily average Effective Federal Funds Rate (computed on the basis of a year of 360 days) during such period as quoted by Agent, times (y)

such amount or (B) a rate determined by Agent in accordance with banking industry rules on interbank compensation, and (ii) in the case of a payment to be made by Borrowers, the Revolving Interest Rate for Revolving Advances that are Domestic Rate Loans. If such Lender pays its share of the applicable Revolving Advance to Agent, then the amount so paid shall constitute such Lender's Revolving Advance. Any payment by Borrowers shall be without prejudice to any claim Borrowers may have against a Lender holding a Revolving Commitment that shall have failed to make such payment to Agent. A certificate of Agent submitted to any Lender or Borrowers with respect to any amounts owing under this paragraph (c) shall be conclusive, in the absence of manifest error.

(d) Agent, on behalf of Swing Loan Lender, shall demand settlement (a "Settlement") of all or any Swing Loans with Lenders holding the Revolving Commitments on at least a weekly basis, or on any more frequent date that Agent elects or that Swing Loan Lender at its option exercisable for any reason whatsoever may request, by notifying Lenders holding the Revolving Commitments of such requested Settlement by facsimile, telephonic or electronic transmission no later than 3:00 p.m. on the date of such requested Settlement (the "Settlement Date"). Subject to any contrary provisions of Section 2.22, each Lender holding a Revolving Commitment shall transfer the amount of such Lender's Revolving Commitment Percentage of the outstanding principal amount (plus interest accrued thereon to the extent requested by Agent) of the applicable Swing Loan with respect to which Settlement is requested by Agent, to such account of Agent as Agent may designate not later than 5:00 p.m. on such Settlement Date if requested by Agent by 3:00 p.m., otherwise not later than 5:00 p.m. on the next Business Day. Settlements may occur at any time notwithstanding that the conditions precedent to making Revolving Advances set forth in Section 8.2 have not been satisfied or the Revolving Commitments shall have otherwise been terminated at such time. All amounts so transferred to Agent shall be applied against the amount of outstanding Swing Loans and, when so applied shall constitute Revolving Advances of such Lenders accruing interest as Domestic Rate Loans. If any such amount is not transferred to Agent by any Lender holding a Revolving Commitment on such Settlement Date, Agent shall be entitled to recover such amount on demand from such Lender together with interest thereon as specified in Section 2.6(c).

(e) If any Lender or Participant (a "Benefited Lender") shall at any time receive any payment of all or part of its Advances, or interest thereon, or receive any Collateral in respect thereof (whether voluntarily or involuntarily or by set-off) in a greater proportion than any such payment to and Collateral received by any other Lender, if any, in respect of such other Lender's Advances, or interest thereon, and such greater proportionate payment or receipt of Collateral is not expressly permitted hereunder, such Benefited Lender shall purchase for cash from the other Lenders a participation in such portion of each such other Lender's Advances, or shall provide such other Lender with the benefits of any such Collateral, or the proceeds thereof, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such Collateral or proceeds ratably with each of the other Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest. Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under Applicable Law, that each Lender so purchasing a portion of another Lender's Advances may exercise all rights of payment (including rights of set-off) with respect to such portion as fully as if such Lender were the direct holder of

such portion, and the obligations owing to each such purchasing Lender in respect of such participation and such purchased portion of any other Lender's Advances shall be part of the Obligations secured by the Collateral, and the obligations owing to each such purchasing Lender in respect of such participation and such purchased portion of any other Lender's Advances shall be part of the Obligations secured by the Collateral.

2.7 Maximum Advances. The aggregate balance of Revolving Advances plus Swing Loans outstanding at any time shall not exceed the lesser of (a) the Maximum Revolving Advance Amount less the aggregate Maximum Undrawn Amount of all issued and outstanding Letters of Credit or (b) the Formula Amount.

2.8 Manner and Repayment of Advances.

(a) The Revolving Advances and Swing Loans shall be due and payable in full on the last day of the Term subject to earlier prepayment as herein provided. The Term Loan shall be due and payable as provided in Section 2.3 and shall be due and payable in full on the last day of the Term, subject to mandatory prepayments as herein provided. Notwithstanding the foregoing, all Advances shall be subject to earlier repayment upon (x) acceleration upon the occurrence of an Event of Default under this Agreement or (y) termination of this Agreement. Each payment (including each prepayment) by any Borrower on account of the principal of and interest on the Advances (other than the Term Loan) shall be applied, first to the outstanding Swing Loans and next, pro rata according to the applicable Revolving Commitment Percentages of Lenders, to the outstanding Revolving Advances (subject to any contrary provisions of Section 2.22). Each payment (other than any voluntary prepayment and regularly scheduled payments under Section 2.3, which regularly scheduled payments shall be applied to the amount then due) by any Borrower on account of the principal of and interest on the Term Loan shall be applied to the Term Loan pro rata according to the Term Loan Commitment Percentages of Lenders in the inverse order of maturities thereof. Each voluntary payment (including each prepayment) by any Borrower on account of the principal of and interest on the Term Loan shall be applied to the Term Loan as directed by the Borrower.

(b) Each Borrower recognizes that the amounts evidenced by checks, notes, drafts or any other items of payment relating to and/or proceeds of Collateral may not be collectible by Agent on the date received by Agent. Agent shall conditionally credit the applicable Borrowers' Account for each item of payment on the next Business Day after the Business Day on which such item of payment is received by Agent (and the Business Day on which each such item of payment is so credited shall be referred to, with respect to such item, as the "Application Date"). Agent is not, however, required to credit the applicable Borrowers' Account for the amount of any item of payment which is unsatisfactory to Agent and Agent may charge the applicable Borrowers' Account for the amount of any item of payment which is returned, for any reason whatsoever, to Agent unpaid. Subject to the foregoing, Borrowers agree that for purposes of computing the interest charges under this Agreement, each item of payment received by Agent shall be deemed applied by Agent on account of the Obligations on its respective Application Date. All proceeds received by Agent shall be applied to the Obligations in accordance with Section 4.8(h).

(c) All payments of principal, interest and other amounts payable hereunder, or under any of the Other Documents shall be made to Agent at the Payment Office not later than 1:00 p.m. on the due date therefor in Dollars in federal funds or other funds immediately available to Agent. Agent shall have the right to effectuate payment of any and all Obligations due and owing hereunder by charging the applicable Borrowers' Account or by making Advances as provided in Section 2.2.

(d) Except as expressly provided herein, all payments (including prepayments) to be made by any Borrower on account of principal, interest, fees and other amounts payable hereunder shall be made without deduction, setoff or counterclaim and shall be made to Agent on behalf of Lenders to the Payment Office, in each case on or prior to 1:00 p.m., in Dollars and in immediately available funds.

2.9 Repayment of Excess Advances. If at any time the aggregate balance of outstanding Revolving Advances, Revolving Advances made to any individual Borrower, Swing Loans, Term Loans and/or Advances taken as a whole exceeds the maximum amount of such type of Advances and/or Advances taken as a whole (as applicable) permitted hereunder, such excess Advances shall be immediately due and payable without the necessity of any demand, at the Payment Office, whether or not a Default or an Event of Default has occurred.

2.10 Statement of Account. Agent shall maintain, in accordance with its customary procedures, a loan account ("Borrowers' Account") in the name of Borrowers in which shall be recorded the date and amount of each Advance made by Agent or Lenders and the date and amount of each payment in respect thereof; provided, however, the failure by Agent to record the date and amount of any Advance shall not adversely affect Agent or any Lender. Each month, Agent shall send to Borrowing Agent a statement showing the accounting for the Advances made, payments made or credited in respect thereof, and other transactions between Agent, Lenders and Borrowers during such month. The monthly statements shall be deemed correct and binding upon Borrowers in the absence of manifest error and shall constitute an account stated between Lenders and Borrowers unless Agent receives a written statement of Borrowers' specific exceptions thereto within thirty (30) days after such statement is received by Borrowing Agent. The records of Agent with respect to Borrowers' Account shall be conclusive evidence absent manifest error of the amounts of Advances and other charges thereto and of payments applicable thereto.

2.11 Letters of Credit.

(a) Subject to the terms and conditions hereof, Issuer shall issue or cause the issuance of standby and/or trade letters of credit denominated in Dollars ("Letters of Credit") for the account of any Borrower except to the extent that the issuance thereof would then cause the sum of (i) the outstanding Revolving Advances plus (ii) the outstanding Swing Loans, plus (iii) the Maximum Undrawn Amount of all outstanding Letters of Credit, plus (iv) the Maximum Undrawn Amount of the Letter of Credit to be issued to exceed the lesser of (x) the Maximum Revolving Advance Amount or (y) the Formula Amount (calculated without giving effect to the deductions provided for in Section 2.1(a)(v)(iv)). The Maximum Undrawn Amount of all outstanding Letters of Credit shall not exceed in the aggregate at any time the Letter of Credit Sublimit. All disbursements or payments related to Letters of Credit shall be deemed to be Domestic Rate Loans consisting of Revolving Advances and shall bear interest at the Revolving Interest Rate for Domestic Rate Loans. Letters of Credit that have not been drawn upon shall not bear interest (but fees shall accrue in respect of outstanding Letters of Credit as provided in Section 3.2).

(b) Notwithstanding any provision of this Agreement, Issuer shall not be under any obligation to issue any Letter of Credit if (i) any order, judgment or decree of any Governmental Body or arbitrator shall by its terms purport to enjoin or restrain Issuer from issuing any Letter of Credit, or any Law applicable to Issuer or any request or directive (whether or not having the force of law) from any Governmental Body with jurisdiction over Issuer shall prohibit, or request that Issuer refrain from, the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon Issuer with respect to the Letter of Credit any restriction, reserve or capital requirement (for which Issuer is not otherwise compensated hereunder) not in effect on the date of this Agreement, or shall impose upon Issuer any unreimbursed loss, cost or expense which was not applicable on the date of this Agreement, and which Issuer in good faith deems material to it, or (ii) the issuance of the Letter of Credit would violate one or more policies of Issuer applicable to letters of credit generally.

2.12 Issuance of Letters of Credit.

(a) Borrowing Agent, on behalf of any Borrower, may request Issuer to issue or cause the issuance of a Letter of Credit by delivering to Issuer, with a copy to Agent at the Payment Office, prior to 1:00 p.m., at least five (5) Business Days prior to the proposed date of issuance, such Issuer's form of Letter of Credit Application (the "Letter of Credit Application") completed to the satisfaction of Agent and Issuer; and, such other certificates, documents and other papers and information as Agent or Issuer may reasonably request. Issuer shall not issue any requested Letter of Credit if such Issuer has received notice from Agent or any Lender that one or more of the applicable conditions set forth in Section 8.2 of this Agreement have not been satisfied or the commitments of Lenders to make Revolving Advances hereunder have been terminated for any reason.

(b) Each Letter of Credit shall, among other things, (i) provide for the payment of sight drafts, other written demands for payment, or acceptances of usance drafts when presented for honor thereunder in accordance with the terms thereof and when accompanied by the documents described therein and (ii) have an expiry date not later than twelve (12) months after such Letter of Credit's date of issuance and in no event later than the last day of the Term. Each standby Letter of Credit shall be subject either to the Uniform Customs and Practice for Documentary Credits as most recently published by the International Chamber of Commerce at the time a Letter of Credit is issued (the "UCP") or the International Standby Practices (International Chamber of Commerce Publication Number 590), or any subsequent revision thereof at the time a standby Letter of Credit is issued, as determined by Issuer, and each trade Letter of Credit shall be subject to the UCP. In addition, no trade Letter of Credit may permit the presentation of an ocean bill of lading that includes a condition that the original bill of lading is not required to claim the goods shipped thereunder.

(c) Agent shall use its reasonable efforts to notify Lenders of the request by Borrowing Agent for a Letter of Credit hereunder.

2.13 Requirements For Issuance of Letters of Credit.

(a) Borrowing Agent shall authorize and direct any Issuer to name the applicable Borrower as the "Applicant" or "Account Party" of each Letter of Credit. If Agent is not the Issuer of any Letter of Credit, Borrowing Agent shall authorize and direct Issuer to deliver to Agent all instruments, documents, and other writings and property received by Issuer pursuant to the Letter of Credit and to accept and rely upon Agent's instructions and agreements with respect to all matters arising in connection with the Letter of Credit, the application therefor or any acceptance therefor.

(b) In connection with all trade Letters of Credit issued or caused to be issued by Issuer under this Agreement, each Borrower hereby appoints Issuer, or its designee, as its attorney, with full power and authority if an Event of Default shall have occurred: (i) to sign and/or endorse such Borrower's name upon any warehouse or other receipts, and acceptances; (ii) to sign such Borrower's name on bills of lading; (iii) to clear Inventory through the United States of America Customs Department ("Customs") in the name of such Borrower or Issuer or Issuer's designee, and to sign and deliver to Customs officials powers of attorney in the name of such Borrower for such purpose; and (iv) to complete in such Borrower's name or Issuer's, or in the name of Issuer's designee, any order, sale or transaction, obtain the necessary documents in connection therewith, and collect the proceeds thereof. Neither Agent, Issuer nor their attorneys will be liable for any acts or omissions nor for any error of judgment or mistakes of fact or law, except for Agent's, Issuer's or their respective officers', directors', agents', employees', attorneys' or Affiliates' gross negligence, willful misconduct. This power, being coupled with an interest, is irrevocable as long as any Letters of Credit remain outstanding.

2.14 Disbursements, Reimbursement.

(a) Immediately upon the issuance of each Letter of Credit, each Lender holding a Revolving Commitment shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from Issuer a participation in each Letter of Credit and each drawing thereunder in an amount equal to such Lender's Revolving Commitment Percentage of the Maximum Undrawn Amount of such Letter of Credit (as in effect from time to time) and the amount of such drawing, respectively.

(b) In the event of any request for a drawing under a Letter of Credit by the beneficiary or transferee thereof, Issuer will promptly notify Agent and Borrowing Agent. Regardless of whether Borrowing Agent shall have received such notice, Borrowers shall reimburse (such obligation to reimburse Issuer shall sometimes be referred to as a "Reimbursement Obligation") Issuer prior to 12:00 Noon, on each date that an amount is paid by Issuer under any Letter of Credit (each such date, a "Drawing Date") in an amount equal to the amount so paid by Issuer. In the event Borrowers fail to reimburse Issuer for the full amount of any drawing under any Letter of Credit by 12:00 Noon, on the Drawing Date, Issuer will promptly notify Agent and each Lender holding a Revolving Commitment thereof, and Borrowers shall be automatically deemed to have requested that a Revolving Advance

maintained as a Domestic Rate Loan be made by Lenders to be disbursed on the Drawing Date under such Letter of Credit, and Lenders holding the Revolving Commitments shall be unconditionally obligated to fund such Revolving Advance (all whether or not the conditions specified in Section 8.2 are then satisfied or the commitments of Lenders to make Revolving Advances hereunder have been terminated for any reason) as provided for in Section 2.14(c) immediately below. Any notice given by Issuer pursuant to this Section 2.14(b) may be oral if promptly confirmed in writing; provided that the lack of such a confirmation shall not affect the conclusiveness or binding effect of such notice.

(c) Each Lender holding a Revolving Commitment shall upon any notice pursuant to Section 2.14(b) make available to Issuer through Agent at the Payment Office an amount in immediately available funds equal to its Revolving Commitment Percentage (subject to any contrary provisions of Section 2.22) of the amount of the drawing, whereupon the participating Lenders shall (subject to Section 2.14(d)) each be deemed to have made a Revolving Advance maintained as a Domestic Rate Loan to Borrowers in that amount. If any Lender holding a Revolving Commitment so notified fails to make available to Agent, for the benefit of Issuer, the amount of such Lender's Revolving Commitment Percentage of such amount by 2:00 p.m. on the Drawing Date, then interest shall accrue on such Lender's obligation to make such payment, from the Drawing Date to the date on which such Lender makes such payment (i) at a rate per annum equal to the Effective Federal Funds Rate during the first three (3) days following the Drawing Date and (ii) at a rate per annum equal to the rate applicable to Revolving Advances maintained as a Domestic Rate Loan on and after the fourth day following the Drawing Date. Agent and Issuer will promptly give notice of the occurrence of the Drawing Date, but failure of Agent or Issuer to give any such notice on the Drawing Date or in sufficient time to enable any Lender holding a Revolving Commitment to effect such payment on such date shall not relieve such Lender from its obligations under this Section 2.14(c), provided that such Lender shall not be obligated to pay interest as provided in Section 2.14(c)(i) and (ii) until and commencing from the date of receipt of notice from Agent or Issuer of a drawing.

(d) With respect to any unreimbursed drawing that is not converted into a Revolving Advance maintained as a Domestic Rate Loan to Borrowers in whole or in part as contemplated by Section 2.14(b), because of Borrowers' failure to satisfy the conditions set forth in Section 8.2 (other than any notice requirements) or for any other reason, Borrowers shall be deemed to have incurred from Agent a borrowing (each a "Letter of Credit Borrowing") in the amount of such drawing. Such Letter of Credit Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the rate per annum applicable to a Revolving Advance maintained as a Domestic Rate Loan. Each applicable Lender's payment to Agent pursuant to Section 2.14(c) shall be deemed to be a payment in respect of its participation in such Letter of Credit Borrowing and shall constitute a "Participation Advance" from such Lender in satisfaction of its Participation Commitment in respect of the applicable Letter of Credit under this Section 2.14.

(e) Each applicable Lender's Participation Commitment in respect of the Letters of Credit shall continue until the last to occur of any of the following events: (x) Issuer ceases to be obligated to issue or cause to be issued Letters of Credit hereunder; (y) no Letter of Credit issued or created hereunder remains outstanding and uncanceled; and (z) all Persons (other than Borrowers) have been fully reimbursed for all payments made under or relating to Letters of Credit.

2.15 Repayment of Participation Advances.

(a) Upon (and only upon) receipt by Agent for the account of Issuer of immediately available funds from Borrowers (i) in reimbursement of any payment made by Issuer or Agent under the Letter of Credit with respect to which any Lender has made a Participation Advance to Agent, or (ii) in payment of interest on such a payment made by Issuer or Agent under such a Letter of Credit, Agent will pay to each Lender holding a Revolving Commitment, in the same funds as those received by Agent, the amount of such Lender's Revolving Commitment Percentage of such funds, except Agent shall retain the amount of the Revolving Commitment Percentage of such funds of any Lender holding a Revolving Commitment that did not make a Participation Advance in respect of such payment by Agent (and, to the extent that any of the other Lender(s) holding the Revolving Commitment have funded any portion such Defaulting Lender's Participation Advance in accordance with the provisions of Section 2.22, Agent will pay over to such Non-Defaulting Lenders a pro rata portion of the funds so withheld from such Defaulting Lender).

(b) If Issuer or Agent is required at any time to return to any Borrower, or to a trustee, receiver, liquidator, custodian, or any official in any insolvency proceeding, any portion of the payments made by Borrowers to Issuer or Agent pursuant to Section 2.15(a) in reimbursement of a payment made under the Letter of Credit or interest or fee thereon, each applicable Lender shall, on demand of Agent, forthwith return to Issuer or Agent the amount of its Revolving Commitment Percentage of any amounts so returned by Issuer or Agent plus interest at the Effective Federal Funds Rate.

2.16 Documentation. Each Borrower agrees to be bound by the terms of the Letter of Credit Application and by Issuer's interpretations of any Letter of Credit issued on behalf of such Borrower and by Issuer's written regulations and customary practices relating to letters of credit, though Issuer's interpretations may be different from such Borrower's own. In the event of a conflict between the Letter of Credit Application and this Agreement, this Agreement shall govern. It is understood and agreed that, except in the case of gross negligence or its officers', directors', agents' employees', attorneys' or Affiliates' willful misconduct, bad faith or gross negligence (as determined by a court of competent jurisdiction in a final non-appealable judgment), Issuer shall not be liable for any error, negligence and/or mistakes, whether of omission or commission, in following Borrowing Agent's or any Borrower's instructions or those contained in the Letters of Credit or any modifications, amendments or supplements thereto.

2.17 Determination to Honor Drawing Request. Except as required by Applicable Law, in determining whether to honor any request for drawing under any Letter of Credit by the beneficiary thereof, Issuer shall be responsible only to determine that the documents and certificates required to be delivered under such Letter of Credit have been delivered and that they comply on their face with the requirements of such Letter of Credit and that any other drawing condition appearing on the face of such Letter of Credit has been satisfied in the manner so set forth.

2.18 Nature of Participation and Reimbursement Obligations. The obligation of each Lender holding a Revolving Commitment in accordance with this Agreement to make the Revolving Advances or Participation Advances as a result of a drawing under a Letter of Credit, and the obligations of Borrowers to reimburse Issuer upon a draw under a Letter of Credit, shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Section 2.18 under all circumstances, including the following circumstances:

(i) any set-off, counterclaim, recoupment, defense or other right which such Lender or any Borrower, as the case may be, may have against Issuer, Agent, any Borrower or Lender, as the case may be, or any other Person for any reason whatsoever;

(ii) the failure of any Borrower or any other Person to comply, in connection with a Letter of Credit Borrowing, with the conditions set forth in this Agreement for the making of a Revolving Advance, it being acknowledged that such conditions are not required for the making of a Letter of Credit Borrowing and the obligation of Lenders to make Participation Advances under Section 2.14;

(iii) any lack of validity or enforceability of any Letter of Credit;

(iv) any claim of breach of warranty that might be made by any Borrower, Agent, Issuer or any Lender against the beneficiary of a Letter of Credit, or the existence of any claim, set-off, recoupment, counterclaim, cross-claim, defense or other right which any Borrower, Agent, Issuer or any Lender may have at any time against a beneficiary, any successor beneficiary or any transferee of any Letter of Credit or assignee of the proceeds thereof (or any Persons for whom any such transferee or assignee may be acting), Issuer, Agent or any Lender or any other Person, whether in connection with this Agreement, the transactions contemplated herein or any unrelated transaction (including any underlying transaction between any Borrower or any Subsidiaries of such Borrower and the beneficiary for which any Letter of Credit was procured);

(v) the lack of power or authority of any signer of (or any defect in or forgery of any signature or endorsement on) or the form of or lack of validity, sufficiency, accuracy, enforceability or genuineness of any draft, demand, instrument, certificate or other document presented under or in connection with any Letter of Credit, or any fraud or alleged fraud in connection with any Letter of Credit, or the transport of any property or provision of services relating to a Letter of Credit, in each case even if Issuer or any of Issuer's Affiliates has been notified thereof;

(vi) payment by Issuer under any Letter of Credit against presentation of a demand, draft or certificate or other document which is forged or does not fully comply with the terms of such Letter of Credit (provided that the foregoing shall not excuse Issuer from any obligation under the terms of any applicable Letter of Credit to require the presentation of documents that on their face appear to satisfy any applicable requirements for drawing under such Letter of Credit prior to honoring or paying any such draw);

(vii) the solvency of, or any acts or omissions by, any beneficiary of any Letter of Credit, or any other Person having a role in any transaction or obligation relating to a Letter of Credit, or the existence, nature, quality, quantity, condition, value or other characteristic of any property or services relating to a Letter of Credit;

(viii) any failure by Issuer or any of Issuer's Affiliates to issue any Letter of Credit in the form requested by Borrowing Agent, unless Agent and Issuer have each received written notice from Borrowing Agent of such failure within three (3) Business Days after Issuer shall have furnished Agent and Borrowing Agent a copy of such Letter of Credit and such error is material and no drawing has been made thereon prior to receipt of such notice;

(ix) the occurrence of any Material Adverse Effect;

(x) any breach of this Agreement or any Other Document by any party thereto;

(xi) the occurrence or continuance of an insolvency proceeding or Insolvency Event with respect to any Loan Party;

(xii) the fact that a Default or an Event of Default shall have occurred and be continuing;

(xiii) the fact that the Term shall have expired or this Agreement or the obligations of Lenders to make Advances have been terminated; and

(xiv) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing.

2.19 Liability for Acts and Omissions.

(a) As between Borrowers and Issuer, Swing Loan Lender, Agent and Lenders, each Borrower assumes all risks of the acts and omissions of, or misuse of the Letters of Credit by, the respective beneficiaries of such Letters of Credit. In furtherance and not in limitation of the foregoing, Issuer shall not be responsible for: (i) the form, validity, sufficiency, accuracy, genuineness or legal effect of any document submitted by any party in connection with the application for an issuance of any such Letter of Credit, even if it should in fact prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged (even if Issuer or any of its Affiliates shall have been notified thereof); (ii) the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign any such Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason; (iii) the failure of the beneficiary of any such Letter of Credit, or any other party to which such Letter of Credit may be transferred, to comply fully with any conditions required in order to draw upon such Letter of Credit or any other claim of any Borrower against any beneficiary of such Letter of Credit, or any such transferee, or any dispute between or among any Borrower and any beneficiary of any Letter of Credit or any such transferee; (iv) errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, facsimile, telex or otherwise, whether or not they be in cipher; (v) errors in interpretation of technical terms; (vi) any loss or delay in the transmission or

otherwise of any document required in order to make a drawing under any such Letter of Credit or of the proceeds thereof; (vii) the misapplication by the beneficiary of any such Letter of Credit of the proceeds of any drawing under such Letter of Credit; or (viii) any consequences arising from causes beyond the control of Issuer, including any Governmental Acts, and none of the above shall affect or impair, or prevent the vesting of, any of Issuer's rights or powers hereunder. Nothing in the preceding sentence shall relieve Issuer from liability for Issuer's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final non-appealable judgment) in connection with actions or omissions described in such clauses (i) through (viii) of such sentence. In no event shall Issuer or Issuer's Affiliates be liable to any Borrower for any indirect, consequential, incidental, punitive, exemplary or special damages or expenses (including without limitation attorneys' fees), or for any damages resulting from any change in the value of any property relating to a Letter of Credit.

(b) Without limiting the generality of the foregoing, Issuer and each of its Affiliates: (i) may rely on any oral or other communication believed in good faith by Issuer or such Affiliate to have been authorized or given by or on behalf of the applicant for a Letter of Credit; (ii) may honor any presentation if the documents presented appear on their face substantially to comply with the terms and conditions of the relevant Letter of Credit; (iii) may honor a previously dishonored presentation under a Letter of Credit, whether such dishonor was pursuant to a court order, to settle or compromise any claim of wrongful dishonor, or otherwise, and shall be entitled to reimbursement to the same extent as if such presentation had initially been honored, together with any interest paid by Issuer or its Affiliates; (iv) may honor any drawing that is payable upon presentation of a statement advising negotiation or payment, upon receipt of such statement (even if such statement indicates that a draft or other document is being delivered separately), and shall not be liable for any failure of any such draft or other document to arrive, or to conform in any way with the relevant Letter of Credit; (v) may pay any paying or negotiating bank claiming that it rightfully honored under the laws or practices of the place where such bank is located; and (vi) may settle or adjust any claim or demand made on Issuer or its Affiliate in any way related to any order issued at the applicant's request to an air carrier, a letter of guarantee or of indemnity issued to a steamship agent or carrier or any document or instrument of like import (each an "Order") and honor any drawing in connection with any Letter of Credit that is the subject of such Order, notwithstanding that any drafts or other documents presented in connection with such Letter of Credit fail to conform in any way with such Letter of Credit.

(c) In furtherance and extension and not in limitation of the specific provisions set forth above, any action taken or omitted by Issuer under or in connection with the Letters of Credit issued by it or any documents and certificates delivered thereunder, if taken or omitted in good faith and without gross negligence, bad faith or willful misconduct (as determined by a court of competent jurisdiction in a final non-appealable judgment), shall not put Issuer under any resulting liability to any Borrower, Agent or any Lender.

2.20 Mandatory Prepayments.

(a) When any Borrower sells or otherwise disposes of any Collateral resulting in Net Disposition Proceeds in excess of \$500,000 in the aggregate in any fiscal year, other than Inventory in the Ordinary Course of Business or Dispositions otherwise permitted under Section 7.1, Borrowers shall repay the Advances in an amount equal to the Net Disposition Proceeds of such sale, such repayments to be made promptly but in no event more than three (3) Business Days following receipt of such net proceeds, and until the date of payment, such proceeds shall be held in trust for Agent. The foregoing shall not be deemed to be implied consent to any such sale otherwise prohibited by the terms and conditions hereof. Such repayments shall be applied (x) first, to the outstanding principal installments of the Term Loan in the inverse order of the maturities thereof, and (y) second, to the remaining Advances (including cash collateralization of all Obligations relating to any outstanding Letters of Credit in accordance with the provisions of Section 3.2(b)), provided however that if no Default or Event of Default has occurred and is continuing, such repayments shall be applied to cash collateralize any Obligations related to outstanding Letters of Credit last) in such order as Agent may determine, subject to Borrowers' ability to re-borrow Revolving Advances in accordance with the terms hereof.

(b) Notwithstanding the foregoing, with respect to any Net Disposition Proceeds which would otherwise give rise to a prepayment under Section 2.20(a), so long as no Event of Default shall have occurred and be continuing and the Borrowing Agent shall have notified Agent within two (2) Business Days following receipt of such Net Disposition Proceeds of the applicable Loan Party's or its Subsidiary's election to reinvest all or any portion of such Net Disposition Proceeds in fixed or capital assets or other assets useful to the business of the Loan Parties and their Subsidiaries, then such Net Disposition Proceeds shall be applied by Agent to the Revolving Advances and Agent shall implement a reserve equal to the amount of such Net Disposition Proceeds pursuant to Section 2.1(a)(v)(vi). Borrowers may request Revolving Advances in the amount of the Net Disposition Proceeds (or such portion thereof) to pay the actual cost of reinvestment and the reserve with respect to such amount shall be released and shall be available to Borrowers as a Revolving Advance, so long as (i) Borrowers have sufficient Undrawn Availability (after giving effect to the release of the reserve for such amount) to cause such Revolving Advances to be made, (ii) all conditions to funding set forth in Section 8.2 of this Agreement have been satisfied and (iii) Borrowers agree to use the proceeds of the Revolving Advances to pay the cost of such cost of reinvestment. The foregoing shall not be deemed to be implied consent to any Disposition or other transaction prohibited by the terms and conditions of this Agreement or any Other Document.

(c) Borrowers shall prepay the outstanding amount of the Term Loans in an amount equal to twenty-five percent (25%) of Excess Cash Flow for each fiscal year beginning with the fiscal year ending December 31, 2022, payable upon delivery of the financial statements to Agent referred to in and required by Section 9.7 for such fiscal year but in any event not later than one hundred twenty (120) days after the end of each such fiscal year, which amount shall be applied to the outstanding principal installments of the Term Loan in the inverse order of the maturities thereof. In the event that the financial statements are not so delivered, then a calculation based upon estimated amounts shall be made by Agent upon which calculation Borrowers shall make the prepayment required by this Section 2.20(c), subject to adjustment when the financial statements are delivered to Agent as required hereby. The calculation made by Agent shall not be deemed a waiver of any rights Agent or Lenders may have as a result of the failure by Borrowers to deliver such financial statements.

(d) In the event of any issuance or other incurrence of Indebtedness (other than Permitted Indebtedness) by Borrowers, Borrowers shall, no later than three (3) Business Days after the receipt by Borrowers of the cash proceeds from any such issuance or incurrence of Indebtedness, repay the Advances in an amount equal to one hundred percent (100.00%) of such cash proceeds in the case of such incurrence or issuance of Indebtedness. Such repayments will be applied (x) first, to the outstanding principal installments of the Term Loan in the inverse order of the maturities thereof and (y) second, to the remaining Advances (including cash collateralization of all Obligations relating to any outstanding Letters of Credit in accordance with the provisions of Section 3.2(b)), provided however that if no Default or Event of Default has occurred and is continuing, such repayments shall be applied to cash collateralize any Obligations related to outstanding Letters of Credit last) in such order as Agent may determine subject to Borrowers' ability to reborrow Revolving Advances in accordance with the terms hereof.

(e) Other than pursuant to any issuance of Equity Interests of Borrowers (i) contemplated by Section 6.5(d), (ii) used to fund Capital Expenditures not to exceed \$4,000,000 per fiscal year or (iii) used to fund Permitted Acquisitions, Borrowers shall provide Agent within ten (10) days' written notice of such issuance of Equity Interests, and Agent in its sole discretion, within such ten (10) day period, may request an appraisal of Equipment and Real Property to determine if the then outstanding balance of the Term Loan exceeds the Term Loan Collateral Amount at the time of such issuance of Equity Interests. If Agent does not order an appraisal of the Equipment and Real Property, then one hundred percent (100.00%) of the net cash proceeds received from the issuance of Equity Interests shall be applied to the Revolving Advances. If Agent orders an appraisal of the Equipment and Real Property and the Term Loan Collateral Amount exceeds the then outstanding balance of the Term Loan, then one hundred percent (100.00%) of such net cash proceeds received from the issuance of Equity Interests shall be applied to the Revolving Advances. If Agent orders an appraisal of the Equipment and Real Property and the then outstanding balance of the Term Loan exceeds the Term Loan Collateral Amount, then one hundred percent (100.00%) of such net cash proceeds received from the issuance of Equity Interests shall be applied (x) first, to the outstanding principal installments of the Term Loan in the inverse order of the maturities thereof until the outstanding balance of the Term Loan is equal to the Term Loan Collateral Amount and (y) second, to the remaining Advances (including cash collateralization of all Obligations relating to any outstanding Letters of Credit in accordance with the provisions of Section 3.2(b)), provided however that if no Default or Event of Default has occurred and is continuing, such repayments shall be applied to cash collateralize any Obligations related to outstanding Letters of Credit last) in such order as Agent may determine subject to Borrowers' ability to reborrow Revolving Advances in accordance with the terms hereof. ~~Notwithstanding the foregoing or anything to the contrary in this Agreement, Imnovex shall, within two (2) Business Days of receipt thereof, remit to Agent the net cash proceeds from the issuance of Equity Interests issued pursuant to a Qualifying IPO solely in an amount necessary to repay one hundred percent (100.00%) of the outstanding Revolving Advances as of the date of any such Qualifying IPO, and notwithstanding anything in this Section 2.20(c) to the contrary, it is understood and agreed that Imnovex shall be entitled to retain all remaining proceeds following such repayment.~~

(f) All proceeds received by Borrowers or Agent (i) under any insurance policy on account of damage or destruction of any assets or property of any Borrowers, or (ii) as a result of any taking or condemnation of any assets or property shall be applied in accordance with Section 6.6.

(g) Within five (5) Business Days of consummation of the Dril-Quip Merger and delivery of the Dril-Quip Joinder Agreement, Borrowers shall remit to Agent an amount equal to the amount previously advanced by the Lenders as a Revolving Advance and used by Innovex to fund the Dril-Quip Midnight Distribution, the proceeds of which payment shall be applied to the then outstanding Revolving Advances.

2.21 Use of Proceeds.

(a) Borrowers shall apply the proceeds of Advances to (i) pay fees and expenses relating to this transaction, (ii) finance a portion of the consideration to be paid under the Downhole Well Solutions Investment and the Pride Acquisition Agreement and in connection with any other Permitted Acquisition, (iii) provide for its working capital needs and other general corporate purposes and reimburse drawings under Letters of Credit, (iv) partially fund Capital Expenditures ~~and~~, (v) repurchase Equity Interests of certain Loan Parties from certain holders thereof in an amount not to exceed \$1,500,000 (the “Closing Date Permitted Stock Repurchase”); provided that such repurchase shall only be permitted to be consummated on the Closing Date and such Equity Interests shall not include any “margin stock” (as referred to in Section 5.15) and (vi) fund the Dril-Quip Midnight Distribution. Borrowers shall not use the proceeds of any Revolving Advance to prepay the Term Loan other than pursuant to Section 2.23.

(b) Without limiting the generality of Section 2.21(a) above, no Loan Party nor any other Person which may in the future become party to this Agreement or the Other Documents as a Loan Party, intends to use nor shall they intentionally or knowingly use any portion of the proceeds of the Advances, directly or indirectly, for any purpose in violation of Applicable Law.

2.22 Defaulting Lender.

(a) Notwithstanding anything to the contrary contained herein, in the event any Lender is a Defaulting Lender, all rights and obligations hereunder of such Defaulting Lender and of the other parties hereto shall be modified to the extent of the express provisions of this Section 2.22 so long as such Lender is a Defaulting Lender.

(b) Except as otherwise expressly provided for in this Section 2.22, Revolving Advances shall be made pro rata from Lenders holding Revolving Commitments which are not Defaulting Lenders based on their respective Revolving Commitment Percentages, and no Revolving Commitment Percentage of any Lender or any pro rata share of any Revolving Advances required to be advanced by any Lender shall be increased as a result of any Lender being a Defaulting Lender. Amounts received in respect of principal of any type of Revolving Advances shall be applied to reduce such type of Revolving Advances of each Lender (other than any Defaulting Lender) holding a Revolving Commitment in accordance with their Revolving Commitment Percentages; provided, that, Agent shall not be obligated to transfer to a Defaulting Lender any payments received by Agent for Defaulting Lender’s benefit, nor shall a Defaulting

Lender be entitled to the sharing of any payments hereunder (including any principal, interest or fees). Amounts payable to a Defaulting Lender shall instead be paid to or retained by Agent. Agent may hold and, in its discretion, re-lend to a Borrower the amount of such payments received or retained by it for the account of such Defaulting Lender.

(i) Fees pursuant to Section 3.3 shall cease to accrue in favor of such Defaulting Lender.

(ii) If any Swing Loans are outstanding or any Letters of Credit (or drawings under any Letter of Credit for which Issuer has not been reimbursed) are outstanding or exist at the time any such Lender holding a Revolving Commitment becomes a Defaulting Lender, then:

(A) Defaulting Lender's Participation Commitment in the outstanding Swing Loans and of the Maximum Undrawn Amount of all outstanding Letters of Credit shall be reallocated among Non-Defaulting Lenders holding Revolving Commitments in proportion to the respective Revolving Commitment Percentages of such Non-Defaulting Lenders to the extent (but only to the extent) that (x) such reallocation does not cause the aggregate sum of outstanding Revolving Advances made by any such Non-Defaulting Lender holding a Revolving Commitment plus such Lender's reallocated Participation Commitment in the outstanding Swing Loans plus such Lender's reallocated Participation Commitment in the aggregate Maximum Undrawn Amount of all outstanding Letters of Credit to exceed the Revolving Commitment Amount of any such Non-Defaulting Lender, and (y) no Default or Event of Default has occurred and is continuing at such time;

(B) if the reallocation described in clause (A) above cannot, or can only partially, be effected, Borrowers shall within one Business Day following notice by Agent (x) first, prepay any outstanding Swing Loans that cannot be reallocated, and (y) second, cash collateralize for the benefit of Issuer, Borrowers' obligations corresponding to such Defaulting Lender's Participation Commitment in the Maximum Undrawn Amount of all Letters of Credit (after giving effect to any partial reallocation pursuant to clause (A) above) in accordance with Section 3.2(b) for so long as such Obligations are outstanding;

(C) if Borrowers cash collateralize any portion of such Defaulting Lender's Participation Commitment in the Maximum Undrawn Amount of all Letters of Credit pursuant to clause (B) above, Borrowers shall not be required to pay any fees to such Defaulting Lender pursuant to Section 3.2(a) with respect to such Defaulting Lender's Revolving Commitment Percentage of Maximum Undrawn Amount of all Letters of Credit during the period such Defaulting Lender's Participation Commitment in the Maximum Undrawn Amount of all Letters of Credit are cash collateralized;

(D) if Defaulting Lender's Participation Commitment in the Maximum Undrawn Amount of all Letters of Credit is reallocated pursuant to clause (A) above, then the fees payable to Lenders holding Revolving Commitments pursuant to Section 3.2(a) shall be adjusted and reallocated to Non-Defaulting Lenders holding Revolving Commitments in accordance with such reallocation; and

(E) if all or any portion of such Defaulting Lender's Participation Commitment in the Maximum Undrawn Amount of all Letters of Credit is neither reallocated nor cash collateralized pursuant to clauses (A) or (B) above, then, without prejudice to any rights or remedies of Issuer or any other Lender hereunder, all Letter of Credit Fees payable under Section 3.2(a) with respect to such Defaulting Lender's Revolving Commitment Percentage of the Maximum Undrawn Amount of all Letters of Credit shall be payable to the Issuer (and not to such Defaulting Lender) until (and then only to the extent that) such Participation Commitment in the Maximum Undrawn Amount of all Letters of Credit is reallocated and/or cash collateralized; and

(iii) so long as any Lender holding a Revolving Commitment is a Defaulting Lender, Swing Loan Lender shall not be required to fund any Swing Loans and Issuer shall not be required to issue, amend or increase any Letter of Credit, unless such Swing Loan Lender or Issuer, as applicable, is satisfied that the related exposure and Defaulting Lender's Participation Commitment in the Maximum Undrawn Amount of all Letters of Credit and all Swing Loans (after giving effect to any such issuance, amendment, increase or funding) will be fully allocated to Non-Defaulting Lenders holding Revolving Commitments and/or cash collateral for such Letters of Credit will be provided by Borrowers in accordance with clause (A) and (B) above, and participating interests in any newly made Swing Loan or any newly issued or increased Letter of Credit shall be allocated among Non-Defaulting Lenders in a manner consistent with Section 2.22(b)(iii)(A) above (and such Defaulting Lender shall not participate therein).

(c) A Defaulting Lender shall not be entitled to give instructions to Agent or to approve, disapprove, consent to or vote on any matters relating to this Agreement and the Other Documents, and all amendments, waivers and other modifications of this Agreement and the Other Documents may be made without regard to a Defaulting Lender and, for purposes of the definition of "Required Lenders", a Defaulting Lender shall not be deemed to be a Lender, to have any outstanding Advances or a Revolving Commitment Percentage or Term Loan Commitment Percentage, provided, that this clause (c) shall not apply to the vote of a Defaulting Lender in the case of an amendment, waiver or other modification described in clauses (i) or (ii) of Section 17.2(b).

(d) Other than as expressly set forth in this Section 2.22, the rights and obligations of a Defaulting Lender (including the obligation to indemnify Agent) and the other parties hereto shall remain unchanged. Nothing in this Section 2.22 shall be deemed to release any Defaulting Lender from its obligations under this Agreement and the Other Documents, shall alter such obligations, shall operate as a waiver of any default by such Defaulting Lender hereunder, or shall prejudice any rights which any Borrower, Agent or any Lender may have against any Defaulting Lender as a result of any default by such Defaulting Lender hereunder.

(e) In the event that Agent, Borrowers, Swing Loan Lender and Issuer agree in writing that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then Agent will so notify the parties hereto, and, if such cured Defaulting Lender is a Lender holding a Revolving Commitment, then Participation Commitments of Lenders holding Revolving Commitments (including such cured Defaulting Lender) of the Swing Loans and Maximum Undrawn Amount of all outstanding Letters of Credit

shall be reallocated to reflect the inclusion of such Lender's Revolving Commitment, and on such date such Lender shall purchase at par such of the Revolving Advances of the other Lenders as Agent shall determine may be necessary in order for such Lender to hold such Revolving Advances in accordance with its Revolving Commitment Percentage.

(f) If Swing Loan Lender or Issuer has a good faith belief that any Lender holding a Revolving Commitment has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, Swing Loan Lender shall not be required to fund any Swing Loans and Issuer shall not be required to issue, amend or increase any Letter of Credit, unless Swing Loan Lender or Issuer, as the case may be, shall have entered into arrangements with Borrowers or such Lender, satisfactory to Swing Loan Lender or Issuer, as the case may be, to defease any risk to it in respect of such Lender hereunder.

2.23 Payment of Obligations. Agent may charge to Borrowers' Account as a Revolving Advance or, at the discretion of Swing Loan Lender, as a Swing Loan (i) all payments with respect to any of the Obligations required hereunder or under any Other Document (including without limitation principal payments, payments of interest, payments of Letter of Credit Fees and all other fees provided for hereunder and payments under Sections 17.5 and 17.9) as and when each such payment shall become due and payable (whether as regularly scheduled, upon or after acceleration, upon maturity or otherwise), (ii) without limiting the generality of the foregoing clause (i), (a) all amounts expended by Agent or any Lender pursuant to Sections 4.2 or 4.3 and (b) all expenses which Agent incurs in connection with the forwarding of Advance proceeds and the establishment and maintenance of any Controlled Accounts or Depository Accounts as provided for in Section 4.8(h), and (iii) any sums expended by Agent or any Lender due to any Borrower's failure to perform or comply with its obligations under this Agreement or any Other Document including any Borrower's obligations under Sections 3.3, 3.4, 4.2, 4.4, 4.7, 6.4, 6.6, 6.7 and 6.8, and all amounts so charged shall be added to the Obligations and shall be secured by the Collateral. To the extent Revolving Advances are not actually funded by the other Lenders in respect of any such amounts so charged, all such amounts so charged shall be deemed to be Revolving Advances made by and owing to Agent and Agent shall be entitled to all rights (including accrual of interest) and remedies of a Lender under this Agreement and the Other Documents with respect to such Revolving Advances.

2.24 Increase in Maximum Revolving Advance Amount.

(a) Borrowers may, at any time prior to the third (3rd) anniversary of the Closing Date, request that the Maximum Revolving Advance Amount be increased by (1) one or more of the current Lenders increasing their Revolving Commitment Amount (any current Lender which elects to increase its Revolving Commitment Amount shall be referred to as an "Increasing Lender") or (2) one or more new lenders (each a "New Lender") joining this Agreement and providing a Revolving Commitment Amount hereunder, subject to the following terms and conditions:

(i) No current Lender shall be obligated to increase its Revolving Commitment Amount and any increase in the Revolving Commitment Amount by any current Lender shall be in the sole discretion of such current Lender;

- (ii) Borrowers may not request the addition of a New Lender unless (and then only to the extent that) there is insufficient participation on behalf of the existing Lenders in the increased Revolving Commitments being requested by Borrowers;
- (iii) There shall exist no Event of Default or Default on the effective date of such increase after giving effect to such increase;
- (iv) After giving effect to such increase, the Maximum Revolving Advance Amount shall not exceed \$130,000,000;
- (v) Borrowers may not request an increase in the Maximum Revolving Advance Amount under this Section 2.24 more than three (3) times during the Term, and no single such increase in the Maximum Revolving Advance Amount shall be for an amount less than \$10,000,000;
- (vi) Borrowers shall deliver to Agent on or before the effective date of such increase the following documents in form and substance satisfactory to Agent: (1) certifications of their corporate secretaries with attached resolutions certifying that the increase in the Revolving Commitment Amounts has been approved by such Borrowers, (2) certificate dated as of the effective date of such increase certifying that no Default or Event of Default shall have occurred and be continuing and certifying that the representations and warranties made by each Borrower herein and in the Other Documents are true and complete in all respects with the same force and effect as if made on and as of such date (except to the extent any such representation or warranty expressly relates only to any earlier and/or specified date), (3) such other agreements, instruments and information (including supplements or modifications to this Agreement and/or the Other Documents executed by Borrowers) as Agent reasonably deems necessary in order to document the increase to the Maximum Revolving Advance Amount and to protect, preserve and continue the perfection and priority of the liens, security interests, rights and remedies of Agent and Lenders hereunder and under the Other Documents in light of such increase, and (4) an opinion of counsel in form and substance satisfactory to Agent which shall cover such matters related to such increase as Agent may reasonably require and each Borrower hereby authorizes and directs such counsel to deliver such opinions to Agent and Lenders;
- (vii) Borrowers shall execute and deliver (1) to each Increasing Lender a replacement Note reflecting the new amount of such Increasing Lender's Revolving Commitment Amount after giving effect to the increase (and the prior Note issued to such Increasing Lender shall be deemed to be cancelled) and (2) to each New Lender a Note reflecting the amount of such New Lender's Revolving Commitment Amount;
- (viii) Any New Lender shall be subject to the approval of Agent (not to be unreasonably withheld) and Issuer;
- (ix) Each Increasing Lender shall confirm its agreement to increase its Revolving Commitment Amount pursuant to an acknowledgement in a form acceptable to Agent, signed by it and each Borrower and delivered to Agent at least five (5) days before the effective date of such increase; and

(x) Each New Lender shall execute a lender joinder in substantially the form of Exhibit 2.24 pursuant to which such New Lender shall join and become a party to this Agreement and the Other Documents with a Revolving Commitment Amount as set forth in such lender joinder.

(b) On the effective date of such increase, (i) Borrowers shall repay all Revolving Advances then outstanding, subject to Borrowers' obligations under Sections 3.7, 3.9, or 3.10; provided that subject to the other conditions of this Agreement, the Borrowing Agent may request new Revolving Advances on such date and (ii) the Revolving Commitment Percentages of Lenders holding a Revolving Commitment (including each Increasing Lender and/or New Lender) shall be recalculated such that each such Lender's Revolving Commitment Percentage is equal to (x) the Revolving Commitment Amount of such Lender divided by (y) the aggregate of the Revolving Commitment Amounts of all Lenders. Each Lender shall participate in any new Revolving Advances made on or after such date in accordance with its Revolving Commitment Percentage after giving effect to the increase in the Maximum Revolving Advance Amount and recalculation of the Revolving Commitment Percentages contemplated by this Section 2.24.

(c) On the effective date of such increase, each Increasing Lender shall be deemed to have purchased an additional/increased participation in, and each New Lender will be deemed to have purchased a new participation in, each then outstanding Letter of Credit and each drawing thereunder and each then outstanding Swing Loan in an amount equal to such Lender's Revolving Commitment Percentage (as calculated pursuant to Section 2.24(b), above) of the Maximum Undrawn Amount of each such Letter of Credit (as in effect from time to time) and the amount of each drawing and of each such Swing Loan, respectively. As necessary to effectuate the foregoing, each existing Lender holding a Revolving Commitment Percentage that is not an Increasing Lender shall be deemed to have sold to each applicable Increasing Lender and/or New Lender, as necessary, a portion of such existing Lender's participations in such outstanding Letters of Credit and drawings and such outstanding Swing Loans such that, after giving effect to all such purchases and sales, each Lender holding a Revolving Commitment (including each Increasing Lender and/or New Lender) shall hold a participation in all Letters of Credit (and drawings thereunder) and all Swing Loans in accordance with their respective Revolving Commitment Percentages (as calculated pursuant to Section 2.24(b), above).

(d) On the effective date of such increase, Borrowers shall pay all costs and expenses incurred by Agent and by each Increasing Lender and New Lender in connection with the negotiations regarding, and the preparation, negotiation, execution and delivery of all agreements and instruments executed and delivered by any of Agent, Borrowers and/or Increasing Lenders and New Lenders in connection with, such increase (including all fees for any supplemental or additional public filings of any Other Documents necessary to protect, preserve and continue the perfection and priority of the liens, security interests, rights and remedies of Agent and Lenders hereunder and under the Other Documents in light of such increase).

3. INTEREST AND FEES.

3.1 Interest. Interest on Advances shall be payable in arrears on the first Business Day of each month with respect to Domestic Rate Loans and, with respect to Term SOFR Rate Loans (a) with an Interest Period of one (1) or three (3) months (or with respect to each Term SOFR Rate Loan advanced to the Borrowers on the Closing Date), at the end of each Interest Period and (b) with an Interest Period of six (6) months, at the end of each three (3) month period during such Interest Period, provided further that all accrued and unpaid interest shall be due and payable at the end of the Term. Interest charges shall be computed on the actual principal amount of Advances outstanding during the month at a rate per annum equal to (i) with respect to Revolving Advances, the applicable Revolving Interest Rate plus the SOFR Adjustment for the applicable Interest Period, (ii) with respect to Swing Loans, the Revolving Interest Rate for Domestic Rate Loans and (iii) with respect to the Term Loan, the applicable Term Loan Rate plus the SOFR Adjustment for the applicable Interest Period (as applicable, the "Contract Rate"); provided that the SOFR Adjustment for each Term SOFR Rate Loan advanced to the Borrowers on the Closing Date shall be the SOFR Adjustment applicable to Term SOFR Rate Loans with an Interest Period of six (6) months. Except as expressly provided otherwise in this Agreement, any Obligations other than the Advances that are not paid when due shall accrue interest at the Revolving Interest Rate for Domestic Rate Loans, subject to the provision of the final sentence of this Section 3.1 regarding the Default Rate. Whenever, subsequent to the date of this Agreement, the Alternate Base Rate is increased or decreased, the applicable Contract Rate for Domestic Rate Loans shall be similarly changed without notice or demand of any kind by an amount equal to the amount of such change in the Alternate Base Rate during the time such change or changes remain in effect. The Term SOFR Rate shall be adjusted with respect to Term SOFR Rate Loans without notice or demand of any kind on the effective date of any change in the SOFR Reserve Percentage as of such effective date. Upon and after the occurrence of an Event of Default, and during the continuation thereof, at the option of Agent or at the direction of Required Lenders (or, in the case of any Event of Default under Section 10.7, immediately and automatically upon the occurrence of any such Event of Default without the requirement of any affirmative action by any party), (i) the Obligations other than Term SOFR Rate Loans shall bear interest at the applicable Contract Rate for Domestic Rate Loans plus two percent (2.00%) per annum and (ii) Term SOFR Rate Loans shall bear interest at the Revolving Interest Rate for Term SOFR Rate Loans plus two percent (2.00%) per annum (as applicable, the "Default Rate").

3.2 Letter of Credit Fees

(a) Borrowers shall pay (x) to Agent, for the ratable benefit of Lenders holding Revolving Commitments, fees for each Letter of Credit for the period from and excluding the date of issuance of same to and including the date of expiration or termination, equal to the aggregate daily face amount of each outstanding Letter of Credit multiplied by the Applicable Margin plus the SOFR Adjustment for Revolving Advances consisting of Term SOFR Rate Loans with an Interest Period of six (6) months, such fees to be calculated on the basis of a 360-day year for the actual number of days elapsed and to be payable quarterly in arrears on the first day of each calendar quarter and on the last day of the Term (it being understood and agreed that in no event shall the fee under this clause (x) in respect of any Letter of Credit be less than the Agent's minimum fee in effect from time to time), and (y) to Issuer, a fronting fee of one quarter of one percent (0.25%) per annum times the aggregate daily face amount of each outstanding Letter of Credit for the period from and excluding the date of

issuance of same to and including the date of expiration or termination, to be payable quarterly in arrears on the first day of each calendar quarter and on the last day of the Term (all of the foregoing fees, the "Letter of Credit Fees"). In addition, Borrowers shall pay to Agent, for the benefit of Issuer, any and all administrative, issuance, amendment, payment and negotiation charges with respect to Letters of Credit and all fees and expenses as agreed upon by Issuer and the Borrowing Agent in connection with any Letter of Credit, including in connection with the opening, amendment or renewal of any such Letter of Credit and any acceptances created thereunder, all such charges, fees and expenses, if any, to be payable on demand. All such charges shall be deemed earned in full on the date when the same are due and payable hereunder and shall not be subject to rebate or pro-ration upon the termination of this Agreement for any reason. Any such charge in effect at the time of a particular transaction shall be the charge for that transaction, notwithstanding any subsequent change in Issuer's prevailing charges for that type of transaction. Upon and after the occurrence of an Event of Default, and during the continuation thereof, at the option of Agent or at the direction of Required Lenders (or, in the case of any Event of Default under Section 10.7, immediately and automatically upon the occurrence of any such Event of Default without the requirement of any affirmative action by any party), the Letter of Credit Fees described in clause (x) of this Section 3.2(a) shall be increased by an additional two percent (2.0%) per annum (which, for the avoidance of doubt shall not be in addition to the Default Rate).

(b) On demand by Agent during the continuation of an Event of Default, Borrowers will cause cash to be deposited and maintained in an account with Agent, as cash collateral, in an amount equal to one hundred and five percent (105%) of the Maximum Undrawn Amount of all outstanding Letters of Credit, and each Borrower hereby irrevocably authorizes Agent, in its discretion, on such Borrower's behalf and in such Borrower's name, to open such an account and to make and maintain deposits therein, or in an account opened by such Borrower, in the amounts required to be made by such Borrower, out of the proceeds of Receivables or other Collateral or out of any other funds of such Borrower coming into any Lender's possession at any time. Agent may, in its discretion, invest such cash collateral (less applicable reserves) in such short-term money-market items as to which Agent and such Borrower mutually agree (or, in the absence of such agreement, as Agent may reasonably select) and the net return on such investments shall be credited to such account and constitute additional cash collateral, or Agent may (notwithstanding the foregoing) establish the account provided for under this Section 3.2(b) as a non-interest bearing account and in such case Agent shall have no obligation (and Borrowers hereby waive any claim) under Article 9 of the Uniform Commercial Code, under the PPSA or under any other Applicable Law to pay interest on such cash collateral being held by Agent. No Borrower may withdraw amounts credited to any such account except upon the occurrence of all of the following: (x) payment and performance in full of all Obligations (other than inchoate indemnity obligations and Cash Management Products and Services); (y) expiration of all Letters of Credit; and (z) termination of this Agreement (it being understood and agreed that if such account secures more than one outstanding Letter of Credit, funds shall be released from such account on a pro-rata basis as individual Letters of Credit expire, are cancelled or are backstopped). Borrowers hereby assign, pledge and grant to Agent, for its benefit and the ratable benefit of Issuer, Lenders and each other Secured Party, a continuing security interest in and to and Lien on any such cash collateral and any right, title and interest of Borrowers in any deposit account, securities account or investment account into which such cash collateral may be deposited from time to time to secure the Obligations, specifically

including all Obligations with respect to any Letters of Credit. Borrowers agree that upon the coming due of any Reimbursement Obligations (or any other Obligations, including Obligations for Letter of Credit Fees) with respect to the Letters of Credit, Agent may use such cash collateral to pay and satisfy such Obligations.

3.3 Facility Fee. If, for any calendar quarter during the Term, the daily unpaid balance of the sum of Revolving Advances plus Swing Loans plus the Maximum Undrawn Amount of all outstanding Letters of Credit (the "Usage Amount") for each day of such calendar quarter does not equal the Maximum Revolving Advance Amount, then Borrowers shall pay to Agent, for the ratable benefit of Lenders holding the Revolving Commitments based on their Revolving Commitment Percentages, a fee at a rate equal to one quarter of one percent (0.25%) per annum on the amount by which the Maximum Revolving Advance Amount on such day exceeds the Usage Amount (the "Facility Fee"). Such Facility Fee shall be payable to Agent in arrears on the first Business Day of each calendar quarter with respect to each day in the previous calendar quarter.

3.4 Fee Letter.

(a) Borrowers shall pay the amounts required to be paid in the Fee Letter in the manner and at the times required by the Fee Letter.

(b) All of the documented fees and out-of-pocket costs and expenses of any appraisals conducted pursuant to Section 4.7 shall be paid for when due, in accordance with Section 9.19, in full and without deduction, off-set or counterclaim by Borrowers.

3.5 Computation of Interest and Fees. Interest and fees hereunder shall be computed on the basis of a year of 360 days and for the actual number of days elapsed. If any payment to be made hereunder becomes due and payable on a day other than a Business Day, the due date thereof shall be extended to the next succeeding Business Day and interest thereon shall be payable at the applicable Contract Rate during such extension.

3.6 Maximum Charges. In no event whatsoever shall interest and other charges charged hereunder exceed the highest rate permissible under Applicable Law. In the event interest and other charges as computed hereunder would otherwise exceed the highest rate permitted under Applicable Law: (i) the interest rates hereunder will be reduced to the maximum rate permitted under Applicable Law; (ii) such excess amount shall be first applied to any unpaid principal balance owed by Borrowers; and (iii) if the then remaining excess amount is greater than the previously unpaid principal balance, Lenders shall promptly refund such excess amount to Borrowers and the provisions hereof shall be deemed amended to provide for such permissible rate.

3.7 Increased Costs. In the event that after the Closing Date any Applicable Law or any Change in Law or compliance by any Lender (for purposes of this Section 3.7, the term "Lender" shall include Agent, Swing Loan Lender, any Issuer or Lender and any corporation or bank controlling Agent, Swing Loan Lender, any Lender or Issuer and the office or branch where Agent, Swing Loan Lender, any Lender or Issuer (as so defined) makes or maintains any Term SOFR Rate Loans) with any request or directive (whether or not having the force of law) from any central bank or other financial, monetary or other authority, shall:

(a) subject Agent, Swing Loan Lender, any Lender or Issuer to any Tax with respect to this Agreement, any Letter of Credit, any participation in a Letter of Credit or any Term SOFR Rate Loan, or change the basis of taxation of payments to Agent, Swing Loan Lender, such Lender or Issuer in respect thereof (except for Indemnified Taxes or Other Taxes covered by Section 3.10 and the imposition of, or any change in the rate of, any Excluded Tax payable by Agent, Swing Loan Lender, such Lender or the Issuer);

(b) impose, modify or deem applicable any reserve, special deposit, assessment, special deposit, compulsory loan, insurance charge or similar requirement against assets held by, or deposits in or for the account of, advances or loans by, or other credit extended by, any office of Agent, Swing Loan Lender, Issuer or any Lender, including pursuant to Regulation D of the Board of Governors of the Federal Reserve System; or

(c) impose on Agent, Swing Loan Lender, any Lender or Issuer any other condition, loss or expense (other than Taxes) affecting this Agreement or any Other Document or any Advance made by any Lender, or any Letter of Credit or participation therein;

and the result of any of the foregoing is to increase the cost to Agent, Swing Loan Lender, any Lender or Issuer of making, converting to, continuing, renewing or maintaining its Advances hereunder by an amount that Agent, Swing Loan Lender, such Lender or Issuer deems to be material or to reduce the amount of any payment (whether of principal, interest or otherwise) in respect of any of the Advances by an amount that Agent, Swing Loan Lender or such Lender or Issuer deems to be material, then, in any case Borrowers shall promptly pay Agent, Swing Loan Lender, such Lender or Issuer, upon its demand, such additional amount as will compensate Agent, Swing Loan Lender or such Lender or Issuer for such additional cost or such reduction, as the case may be, provided that the foregoing shall not apply to increased costs which are reflected in the Term SOFR Rate, as the case may be. Agent, Swing Loan Lender, such Lender or Issuer shall certify the amount of such additional cost or reduced amount to Borrowing Agent and such certification shall be conclusive absent manifest error.

3.8 Alternate Rate of Interest

(a) Interest Rate Inadequate or Unfair. In the event that Agent or any Lender shall have determined that:

(i) reasonable means do not exist for ascertaining the Term SOFR Rate applicable pursuant to Section 2.2 for any Interest Period; or

(ii) Dollar deposits in the relevant amount and for the relevant maturity are not available, with respect to an outstanding Term SOFR Rate Loan, a proposed Term SOFR Rate Loan, or a proposed conversion of a Domestic Rate Loan into a Term SOFR Rate Loan; or

(iii) the making, maintenance or funding of any Term SOFR Rate Loan has been made impracticable or unlawful by compliance by Agent or such Lender in good faith with any Applicable Law or any interpretation or application thereof by any Governmental Body or with any request or directive of any such Governmental Body (whether or not having the force of law); or

(iv) the Term SOFR Rate will not adequately and fairly reflect the cost to such Lender of the establishment or maintenance of any Term SOFR Rate Loan, and Lenders have provided notice of such determination to Agent,

then Agent shall give Borrowing Agent prompt written or telephonic notice of such determination. If such notice is given prior to a Benchmark Replacement Date (as defined below), (i) any such requested Term SOFR Rate Loan shall be made as a Domestic Rate Loan, unless Borrowing Agent shall notify Agent no later than 1:00 p.m. two (2) Business Days prior to the date of such proposed borrowing, that its request for such borrowing shall be cancelled or made as an unaffected type of Term SOFR Rate Loan, (ii) any Domestic Rate Loan or Term SOFR Rate Loan which was to have been converted to an affected type of Term SOFR Rate Loan shall be continued as or converted into a Domestic Rate Loan, or, if Borrowing Agent shall notify Agent, no later than 1:00 p.m. two (2) Business Days prior to the proposed conversion, shall be maintained as an unaffected type of Term SOFR Rate Loan, and (iii) any outstanding affected Term SOFR Rate Loans shall be converted into a Domestic Rate Loan, or, if Borrowing Agent shall notify Agent, no later than 1:00 p.m. two (2) Business Days prior to the last Business Day of the then current Interest Period applicable to such affected Term SOFR Rate Loan, shall be converted into an unaffected type of Term SOFR Rate Loan, on the last Business Day of the then current Interest Period for such affected Term SOFR Rate Loans (or sooner, if any Lender cannot continue to lawfully maintain such affected Term SOFR Rate Loan). Until such notice has been withdrawn, Lenders shall have no obligation to make an affected type of Term SOFR Rate Loan or maintain outstanding affected Term SOFR Rate Loans and no Borrower shall have the right to convert a Domestic Rate Loan or an unaffected type of Term SOFR Rate Loan into an affected type of Term SOFR Rate Loan.

(b) Benchmark Replacement Setting.

(i) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any Other Document (and any agreement executed in connection with an Interest Rate Hedge shall be deemed not to be an "Other Document" for purposes of this Section 3.8(b)), if a Benchmark Transition Event and related Benchmark Replacement Date have occurred prior to any setting of the then-current Benchmark, then (A) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Other Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any Other Document and (B) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Other Document in respect of any Benchmark setting at or after 5:00 p.m. on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any Other Document so long as the Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(ii) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Agent may make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in the Other Documents, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any Other Document.

(iii) Notices; Standards for Decisions and Determinations. The Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement, and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Agent will notify the Borrower of, (x) the removal or reinstatement of any tenor of a Benchmark pursuant to paragraph (iv) below and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.8(b), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any Other Document except, in each case, as expressly required pursuant to this Section 3.8(b).

(iv) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any of the Other Documents, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor of such Benchmark is not or will not be representative, then the Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(v) Benchmark Unavailability Period. Upon the Borrowers' receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrowers may revoke any pending request for an Advance bearing interest based on the Term SOFR Rate, conversion to or continuation of Advances bearing interest based on the Term SOFR Rate to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrowers will be deemed to have converted any such request into a request for a Domestic Rate Loan. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Alternate Base Rate.

(vi) Certain Defined Terms. As used in this Section 3.8(b):

"Available Tenor" means, as of any date of determination and with respect to the then-current Benchmark, as applicable (x) if such Benchmark is a term rate or is based on a term rate, any tenor for such Benchmark (or component thereof) that is or may be used for determining the length of an interest period pursuant to this Agreement or (y) otherwise, any payment period for interest calculated with reference to such Benchmark (or a component thereof) that is or may be used for determining any frequency of making payments of interest calculated with reference to such Benchmark pursuant to this Agreement, in each case, as of such date and not including, for the avoidance of doubt, any tenor of such Benchmark that is then-removed from the definition of "Interest Period" pursuant to paragraph (iv) of this Section 3.8(b).

"Benchmark" means, initially, the Term SOFR Rate; provided that if a Benchmark Transition Event has occurred with respect to the Term SOFR Rate or the then-current Benchmark, then "Benchmark" means the applicable Benchmark Replacement to the extent that such Benchmark Replacement has replaced such prior benchmark rate pursuant to this Section 3.8(b).

"Benchmark Replacement" means, with respect to any Benchmark Transition Event, the first alternative set forth in the order below that can be determined by the Agent for the applicable Benchmark Replacement Date:

- (1) the sum of (A) Daily Simple SOFR and (B) the SOFR Adjustment for a one (1) month Interest Period;
- (2) the sum of: (A) the alternate benchmark rate that has been selected by the Agent and the Borrowing Agent, giving due consideration to (x) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (y) any evolving or then-prevailing market convention, for determining a benchmark rate as a replacement to the then-current benchmark for U.S. dollar-denominated syndicated credit facilities at such time and (B) the related Benchmark Replacement Adjustment;

provided that, if the Benchmark Replacement as determined pursuant to clause (2) above would be less than the Floor, the Benchmark Replacement will be deemed to be the Floor for the purposes of this Agreement and the Other Documents; provided further that any Benchmark Replacement shall be administratively feasible as determined by the Agent in its sole discretion.

"Benchmark Replacement Adjustment" means, with respect to any replacement of the then-current Benchmark with an Unadjusted Benchmark Replacement, the spread adjustment, or method for calculating or determining such spread adjustments (which may be a positive or negative value or zero) that has been selected by the Agent and the Borrowing Agent giving due

consideration to (A) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body or (B) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for U.S. dollar-denominated syndicated credit facilities at such time.

“Benchmark Replacement Date” means a date and time determined by the Agent, which date shall be no later than the earliest to occur of the following events with respect to the then-current Benchmark:

(1) in the case of clause (1) or (2) of the definition of “Benchmark Transition Event,” the later of (A) the date of the public statement or publication of information referenced therein and (B) the date on which the administrator of such Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such Benchmark (or such component thereof); or

(2) in the case of clause (3) of the definition of “Benchmark Transition Event,” the date determined by the Agent, which date shall promptly follow the date of the public statement or publication of information referenced therein.

For the avoidance of doubt, the “Benchmark Replacement Date” will be deemed to have occurred in the case of clause (1) or (2) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Transition Event” means the occurrence of one or more of the following events with respect to the then-current Benchmark:

(1) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such administrator has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof);

(2) a public statement or publication of information by a Governmental Body having jurisdiction over the Agent, the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof), the Federal Reserve Board, the Federal Reserve Bank of New York, an insolvency official with jurisdiction over the administrator for such Benchmark (or such component), a resolution authority with jurisdiction over the administrator for such Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for such Benchmark (or such component), which states that the administrator of such Benchmark (or such component) has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof); or

(3) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) or a Governmental Body having jurisdiction over the Agent announcing that all Available Tenors of such Benchmark (or such component thereof) are not, or as of a specified future date will not be, representative.

For avoidance of doubt, a “Benchmark Transition Event” will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

“**Benchmark Unavailability Period**” means the period (if any) (x) beginning at the time that a Benchmark Replacement Date has occurred if, at such time, no Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Other Document in accordance with this Section 3.8(b) and (y) ending at the time that a Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Other Document in accordance with this Section 3.8(b).

“**Floor**” means the benchmark rate floor, if any, provided in this Agreement initially (as of the execution of this Agreement, the modification, amendment or renewal of this Agreement or otherwise) with respect to the Term SOFR Rate or, if no floor is specified, zero.

“**Relevant Governmental Body**” means the Board of Governors of the Federal Reserve System or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Board of Governors of the Federal Reserve System or the Federal Reserve Bank of New York, or any successor thereto.

3.9 Capital Adequacy.

(a) In the event that Agent, Swing Loan Lender or any Lender shall have determined that any Applicable Law or guideline regarding capital adequacy or liquidity, or any Change in Law or any change in the interpretation or administration thereof by any Governmental Body, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by Agent, Swing Loan Lender, Issuer or any Lender (for purposes of this Section 3.9, the term “Lender” shall include Agent, Swing Loan Lender, Issuer or any Lender and any corporation or bank controlling Agent, Swing Loan Lender or any Lender and the office or branch where Agent, Swing Loan Lender or any Lender (as so defined) makes or maintains any Term SOFR Rate Loans) with any request or directive regarding capital adequacy or liquidity (whether or not having the force of law) of any such authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on Agent, Swing Loan Lender or any Lender’s capital as a consequence of its obligations hereunder (including the making of any Swing Loans) to a level below that which Agent, Swing Loan Lender or such Lender could have achieved but for such adoption, change or compliance (taking into consideration Agent’s, Swing Loan Lender’s and each Lender’s policies with respect to

capital adequacy and liquidity) by an amount deemed by Agent, Swing Loan Lender or any Lender to be material, then, from time to time, Borrowers shall pay upon demand to Agent, Swing Loan Lender or such Lender such additional amount or amounts as will compensate Agent, Swing Loan Lender or such Lender for such reduction. In determining such amount or amounts, Agent, Swing Loan Lender or such Lender may use any reasonable averaging or attribution methods. The protection of this Section 3.9 shall be available to Agent, Swing Loan Lender and each Lender regardless of any possible contention of invalidity or inapplicability with respect to the Applicable Law, rule, regulation, guideline or condition.

(b) A certificate of Agent, Swing Loan Lender or such Lender setting forth such amount or amounts as shall be necessary to compensate Agent, Swing Loan Lender or such Lender with respect to Section 3.9(a), when delivered to Borrowing Agent shall be conclusive absent manifest error.

3.10 Taxes.

(a) Any and all payments by or on account of any Obligations hereunder or under any Other Document shall be made free and clear of and without reduction or withholding for any Indemnified Taxes or Other Taxes, except as required by Applicable Law. If Borrowers or Agent, as the case may be, shall be required by Applicable Law (as determined in the good faith discretion of such applicable withholding agent) to deduct or withhold any Indemnified Taxes (including any Other Taxes) from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions and withholdings (including deductions and withholdings applicable to additional sums payable under this Section) Agent, Swing Loan Lender, Lender, Issuer or Participant, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) Borrowers or Agent, as the case may be, shall make such deductions and withholdings and (iii) Borrowers or Agent, as the case may be, shall timely pay the full amount deducted to the relevant Governmental Body in accordance with Applicable Law.

(b) Without limiting the provisions of Section 3.10(a) above, Borrowers shall timely pay any Other Taxes to the relevant Governmental Body in accordance with Applicable Law.

(c) Each Borrower shall indemnify Agent, Swing Loan Lender, each Lender, Issuer and any Participant, within ten (10) days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by Agent, Swing Loan Lender, such Lender, Issuer, or such Participant, as the case may be, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Body. A certificate setting forth in reasonable detail the basis for and the calculation of the amount of such payment or liability delivered to the Borrowing Agent by any Lender, Swing Loan Lender, Participant, or Issuer (with a copy to Agent), or by Agent on its own behalf or on behalf of Swing Loan Lender, a Lender or Issuer, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by any Borrower to a Governmental Body, Borrowing Agent shall deliver to Agent the original or a certified copy of a receipt issued by such Governmental Body evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to Agent.

(e) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax under the law of the jurisdiction in which any Borrower is resident for Tax purposes, or under any treaty to which such jurisdiction is a party, with respect to payments hereunder or under any Other Document shall deliver to Borrowing Agent (with a copy to Agent), at the time or times prescribed by Applicable Law or reasonably requested by Borrowing Agent or Agent, such properly completed and executed documentation prescribed by Applicable Law as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if requested by Borrowing Agent or Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrowing Agent or Agent as will enable Borrowers or Agent to determine whether or not such Lender is subject to withholding, backup withholding or information reporting requirements.

(ii) Without limiting the generality of the foregoing, in the event that any Borrower is resident for U.S. federal income tax purposes in the United States of America, any Foreign Lender (or other Lender) shall deliver to Borrowing Agent and Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender (or other Lender) becomes a Lender under this Agreement (and from time to time thereafter upon the request of Borrowing Agent or Agent, but only if such Foreign Lender is legally entitled to do so), whichever of the following is applicable:

(A) two (2) duly completed valid originals of IRS Form W-8BEN (or any successor form) or Form W-8BEN-E (or any successor form), as applicable, claiming eligibility for benefits of an income tax treaty to which the United States of America is a party,

(B) two (2) duly completed valid originals of IRS Form W-8ECI (or any successor form),

(C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under section 881(c) of the Code, (x) a certificate to the effect that such Foreign Lender is not (A) a "bank" within the meaning of section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of Borrowers within the meaning of section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) two duly completed valid originals of IRS Form W-8BEN (or any successor form) or Form W-8BEN-E (or any successor forms), as applicable,

(D) to the extent a Foreign Lender is not the beneficial owner, properly completed and executed originals of IRS Form W-8IMY (or any successor form), accompanied by IRS Form W-8ECI (or any successor form), IRS Form W-8BEN (or any successor form), IRS Form W-8BEN-E (or any successor form), a U.S. Tax Compliance Certificate reasonably acceptable to Agent and Borrowing Agent, IRS Form W-9 (or any successor form), and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate reasonably acceptable to Agent and Borrowing Agent on behalf of each such direct and indirect partner,

(E) any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in U.S. Federal withholding Tax duly completed together with such supplementary documentation as may be prescribed by Applicable Law to permit the Borrowers to determine the withholding or deduction required to be made, or

(F) to the extent that any Lender is not a Foreign Lender, such Lender shall submit to Agent two (2) originals of an IRS Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding tax.

(iii) For purposes of this Section 3.10(g), the term "Lender" includes any Swing Loan Lender and Issuer.

(f) If a payment made to a Lender, Swing Loan Lender, Participant, Issuer, or Agent under this Agreement or any Other Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Person fails to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender, Swing Loan Lender, Participant, Issuer, or Agent shall deliver to the Agent (in the case of a Swing Loan Lender, Lender, Participant or Issuer) and Borrowing Agent (A) such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code), and (B) other documentation reasonably requested by Agent or any Borrower sufficient for Agent and Borrowing Agent to comply with their obligations under FATCA and to determine that such Swing Loan Lender, Lender, Participant, Issuer, or Agent has complied with such applicable reporting requirements or to determine the amount to deduct and withhold from such payment. Solely for purposes of this paragraph (f), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender, Swing Loan Lender, Participant, Issuer, and Agent agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Borrowing Agent and Agent in writing of its legal inability to do so.

(g) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 3.10 (including by the payment of additional amounts pursuant to this Section 3.10), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Body with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (f) (plus any penalties, interest or other charges imposed by the relevant Governmental Body) in the event that such indemnified party is required to repay such refund to such Governmental Body. Notwithstanding anything to the contrary in this paragraph (f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the indemnified party in a less favorable net after-Taxes position than the indemnified party would have been in if the Taxes subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph (f) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Agent Tax Status. In the event that any Borrower is resident for U.S. federal income tax purposes in the United States of America, on or before the date on which the Agent (and any successor or replacement Agent) becomes Agent under this Agreement, such Agent shall deliver to Borrower two copies of (a) if Agent is a U.S. Person, with respect to amounts received on its own account, Internal Revenue Service Form W-9 certifying that such Agent is exempt from U.S. federal backup withholding or (b) if Agent is not a U.S. Person, with respect to amounts received on its own account, the appropriate Internal Revenue Service Form W-8, and with respect to amounts received on account of any Lender, Internal Revenue Service Form W-8IMY. Agent agrees that if any form it previously delivered pursuant to this Section 3.10(h) expires or becomes obsolete or inaccurate in any respect, it shall update such form or promptly notify Borrower in writing of its legal inability to do so.

3.11 Replacement of Lenders. If any Lender (an "Affected Lender") (a) makes demand upon Borrowers for (or if Borrowers are otherwise required to pay) amounts pursuant to Section 3.7, 3.9 or 3.10 (b) is unable to make or maintain Term SOFR Rate Loans as a result of a condition described in Section 2.2(h), (c) is a Defaulting Lender, or (d) denies any consent requested by the Agent pursuant to Section 17.2(b), Borrowers may, within ninety (90) days of receipt of such demand, notice (or the occurrence of such other event causing Borrowers to be required to pay such compensation or causing Section 2.2(h) to be applicable), or such Lender becoming a Defaulting Lender or denial of a request by Agent pursuant to Section 17.2(b), as the case may be, by notice in writing to the Agent and such Affected Lender (i) request the Affected Lender to cooperate with Borrowers in obtaining a replacement Lender satisfactory to Agent and Borrowers (the "Replacement Lender"); (ii) request the non-Affected Lenders to acquire and assume all of the Affected Lender's Advances and its Revolving Commitment Percentage and/or Term Loan Commitment Percentages, as applicable, as provided herein, but none of such Lenders shall be under any obligation to do so; or (iii) propose a Replacement Lender subject to approval by Agent in its good faith business judgment. If any satisfactory Replacement Lender shall be obtained, and/or if any one or more of the non-Affected Lenders shall agree to acquire and assume all of the Affected Lender's Advances and its Revolving Commitment Percentage

and/or Term Loan Commitment Percentages, as applicable, then such Affected Lender shall assign, in accordance with Section 17.3, all of its Advances and its Revolving Commitment Percentage, and/or Term Loan Commitment Percentages, as applicable, and other rights and obligations under this Loan Agreement and the Other Documents to such Replacement Lender or non-Affected Lenders, as the case may be, in exchange for payment of the principal amount so assigned and all interest and fees accrued on the amount so assigned, *plus* all other Obligations then due and payable to the Affected Lender.

3.12 Interest Act (Canada)

(a) For the purposes hereof, whenever interest is calculated on the basis of a period other than a calendar year (the "Relevant Period"), each rate of interest determined pursuant to such calculation expressed as an annual rate for the purposes of the *Interest Act* (Canada) is equivalent to such rate as so determined multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by the number of days in the Relevant Period.

(b) The Borrowers hereby acknowledge and confirm that they understand the conversion formulas and how to calculate any annual rate of interest contemplated in this Agreement. The Agent agrees that promptly upon request by the Borrowers from time to time it will advise the Borrowers of the applicable interest rate in effect at such time (or during any other period prior to such time), and will assist the Borrowers in calculating the effective annual rate of interest required to be disclosed pursuant to Section 4 of the *Interest Act* (Canada).

(c) The Borrowers acknowledge and agree that for the purposes of the *Interest Act* (Canada), the information provided to them hereunder with respect to the calculation of interest hereunder or under any Other Document shall constitute an express statement of the yearly rate or percentage of interest to which such interest rate or percentage is equivalent. The Borrowers hereby irrevocably agree not to plead or assert, whether by way of defense or otherwise, in any proceeding relating to this Agreement or any Other Document, that the interest payable under this Agreement or any Other Document and the calculation thereof has not been adequately disclosed to the Borrowers, whether pursuant to Section 4 of the *Interest Act* (Canada) or any other Applicable Law.

4. COLLATERAL: GENERAL TERMS

4.1 Security Interest in the Collateral. To secure the prompt payment and performance to Agent, Issuer and each Lender (and each other holder of any Obligations) of the Obligations, each Borrower hereby assigns, pledges and grants to Agent for its benefit and for the ratable benefit of each Lender, Issuer and each other Secured Party, a continuing security interest in and to and Lien on all of its Collateral, whether now owned or existing or hereafter created, acquired or arising and wheresoever located. 4.2 Perfection of Security Interest. Each Borrower shall take all action that may be necessary or desirable, or that Agent may request, so as at all times to maintain the validity, perfection, enforceability and priority of Agent's security interest in and Lien on the Collateral or to enable Agent to protect, exercise or enforce its rights hereunder and in the Collateral, including, but not limited to, (i) immediately discharging all Liens other than Permitted Encumbrances, (ii) [reserved], (iii) delivering to Agent, endorsed or accompanied by such instruments of assignment as Agent may specify, and stamping or marking, in such manner as Agent may specify, any and all chattel paper, instruments, letters of credits and advices thereof and documents evidencing or forming a part of the Collateral having a value excess of \$1,000,000, and (iv) executing and delivering financing statements, control agreements, instruments of pledge, mortgages, notices and assignments, in each case in form and substance satisfactory to Agent in its Permitted Discretion, relating to the creation, validity, perfection, maintenance or continuation of Agent's security interest and Lien under the Uniform Commercial Code, the PPSA or other Applicable Law on Collateral; provided that no foreign-law governed security documents or perfection under foreign law shall be required (other than as set forth in, or required pursuant to, the Canadian Transaction Documents). By its signature hereto, each Borrower hereby authorizes Agent to file against such Borrower, one or more financing, continuation or amendment statements pursuant to the Uniform Commercial Code or the PPSA in form and substance satisfactory to Agent (which statements may have a description of collateral which is broader than that set forth herein, including without limitation a description of Collateral as "all assets" and/or "all personal property" of any Borrower). All charges, expenses and fees Agent may reasonably incur in doing any of the foregoing, and any local taxes relating thereto, shall be payable as provided for in Section 2.23.

Subject to Section 17.9, all of Agent's expenses of preserving the Collateral, including any expenses relating to the bonding of a custodian, shall be charged to Borrowers' Account as a Revolving Advance maintained as a Domestic Rate Loan and added to the Obligations.

4.4 Ownership and Location of Collateral.

(a) With respect to the Collateral, at the time the Collateral becomes subject to Agent's security interest: (i) each Borrower shall be the sole owner of and fully authorized and able to sell, transfer, pledge and/or grant a first priority security interest in each and every item of its respective Collateral to Agent; and, except for Permitted Encumbrances the Collateral shall be free and clear of all Liens whatsoever; (ii) [reserved]; (iii) all signatures and endorsements of each Borrower that appear on such documents and agreements shall be genuine and each Borrower shall have full capacity to execute same; and (iv) each Borrower's Equipment and Inventory shall be located as set forth on Schedule 4.4(b)(i) and Schedule 4.4(b)(ii) respectively and shall not be removed from such location(s) (other than with respect to Inventory in-transit) without the prior written consent of Agent except with respect to the sale of Inventory and the use of movement of Equipment in the Ordinary Course of Business, and dispositions of Inventory and Equipment to the extent permitted in Section 7.1(b).

4.5 Defense of Agent's and Lenders' Interests. Until (a) payment and performance in full of all of the Obligations and (b) termination of this Agreement, Agent's interests in the Collateral shall continue in full force and effect. During such period no Borrower shall, without Agent's prior written consent, pledge, sell (except for sales or other dispositions otherwise permitted in Section 7.1(b)), assign, transfer, create or suffer to exist a Lien upon or encumber or allow or suffer to be encumbered in any way except for Permitted Encumbrances, any part of the Collateral. Each Borrower shall defend Agent's interests in the Collateral against any and all

Persons whatsoever (except with respect to Permitted Encumbrances). During the continuance of an Event of Default, Agent shall have the right to take possession of the indicia of the Collateral and the Collateral in whatever physical form contained, including: labels, stationery, documents, instruments and advertising materials. If Agent exercises this right to take possession of the Collateral, Borrowers shall, upon demand, assemble it in the best manner possible and make it available to Agent at a place reasonably convenient to Agent. In addition, during the continuance of an Event of Default, Agent and Lenders shall be entitled to all of the rights and remedies set forth herein and further provided by the Uniform Commercial Code, the PPSA or other Applicable Law. During the continuance of an Event of Default, each Borrower shall, and Agent may, at its option, instruct all suppliers, carriers, forwarders, warehousemen or others receiving or holding cash, checks, Inventory, documents or instruments in which Agent holds a security interest to deliver same to Agent and/or subject to Agent's order and if they shall come into any Borrower's possession, they, and each of them, shall be held by such Borrower in trust as Agent's trustee, and such Borrower will immediately deliver them to Agent in their original form together with any necessary endorsement.

4.6 Inspection of Premises. At all reasonable times and from time to time as often as Agent shall elect in its Permitted Discretion, Agent shall have full access to and the right to audit, check, inspect and make abstracts and copies from each Borrower's books, records, audits, correspondence and all other papers relating to the Collateral and the operation of each Borrower's business. Agent and its agents may enter upon any premises of any Borrower at any time during business hours after providing advanced notice, from time to time as often as Agent shall elect in its Permitted Discretion, for the purpose of visually inspecting the Collateral and any and all records pertaining thereto and the operation of such Borrower's business.

4.8 Receivables: Deposit Accounts and Securities Accounts.

(a) Each of the Receivables shall be a bona fide and valid account representing a bona fide indebtedness incurred by the Customer therein named, for a fixed sum as set forth in the invoice relating thereto (provided immaterial or unintentional invoice errors shall not be deemed to be a breach hereof) with respect to an absolute sale or lease and delivery of goods upon stated terms of a Borrower (or, for Receivables acquired pursuant to any Permitted Acquisition or the Pride Permitted Acquisition, the seller in connection with such acquisition), or work, labor or services theretofore rendered by a Borrower (or, for Receivables acquired pursuant to any Permitted Acquisition or the Pride Permitted Acquisition, the seller in connection with such acquisition) as of the date each Receivable is created. Same shall be due and owing in accordance with the applicable Borrower's standard terms of sale without dispute, setoff or counterclaim except as may be stated on the accounts receivable schedules delivered by Borrowers to Agent.

(b) No Customer, to the best of each Borrower's knowledge, as of the date each Receivable is created, is insolvent or unable to pay all Receivables on which the Customer is obligated in full, when due. With respect to such Customers of any Borrower which the Borrower has knowledge are not solvent, such Borrower will set up on its books and in its financial records bad debt reserves adequate to cover such Receivables.

(d) Borrowers shall instruct their Customers to deliver all remittances upon Receivables (whether paid by check or by wire transfer of funds) to such Controlled Account(s) and/or Depository Accounts (and any associated lockboxes) as Agent shall designate from time to time as contemplated by Section 4.8(h) or as otherwise agreed to from time to time by Agent. Notwithstanding the foregoing, to the extent any Borrower directly receives any remittances upon Receivables, such Borrower shall, at such Borrower's sole cost and expense, but on Agent's behalf and for Agent's account, collect as Agent's property and in trust for Agent all amounts received on Receivables, and shall not commingle such collections with any Borrower's funds or use the same except to pay Obligations, and shall as soon as possible and in any event no later than one (1) Business Day after the receipt thereof (i) in the case of remittances paid by check, deposit all such remittances in their original form (after supplying any necessary endorsements) and (ii) in the case of remittances paid by wire transfer of funds, transfer all such remittances, in each case, into such applicable Controlled Account(s) and/or Depository Account(s). Each Borrower shall deposit in the applicable Controlled Account and/or Depository Account or, upon request by Agent, deliver to Agent, in original form and on the date of receipt thereof, all checks, drafts, notes, money orders, acceptances, cash and other evidence of Indebtedness.

(e) At any time following the occurrence and during the continuance of an Event of Default at such other time as Agent in its Permitted Discretion determines is necessary or appropriate, (i) Agent shall have the right to send notice of the assignment of, and Agent's security interest in and Lien on, the Receivables to any and all Customers or any third party holding or otherwise concerned with any of the Collateral and (ii) thereafter, Agent shall have the sole right to collect the Receivables, take possession of the Collateral, or both. Agent's actual collection expenses, including, but not limited to, stationery and postage, telephone, facsimile, telegraph, secretarial and clerical expenses and the salaries of any collection personnel used for collection, may be charged to Borrowers' Account and added to the Obligations.

(f) Agent shall have the right (but not duty or obligation) to receive, endorse, assign and/or deliver in the name of Agent or any Borrower any and all checks, drafts and other instruments for the payment of money relating to the Receivables, and each Borrower hereby waives notice of presentment, protest and non-payment of any instrument so endorsed. Each Borrower hereby constitutes Agent or Agent's designee as such Borrower's attorney with power (i) at any time (A) to endorse such Borrower's name upon any notes, acceptances, checks, drafts, money orders or other evidence of payment or Collateral; (B) to sign such Borrower's name on any invoice or bill of lading relating to any of the Receivables, drafts against Customers, assignments and verifications of Receivables; (C) to send verifications of Receivables to any Customer; (D) to sign such Borrower's name on all financing statements or any other documents or instruments deemed necessary or appropriate by Agent to preserve, protect, or perfect Agent's

interest in the Collateral and to file same; and (E) to receive, open and dispose of all mail addressed to any Borrower at any post office box/lockbox maintained by Agent for Borrowers or at any other business premises of Agent; and (ii) at any time following the occurrence of an Event of Default: (A) to demand payment of the Receivables; (B) to enforce payment of the Receivables by legal proceedings or otherwise; (C) to exercise all of such Borrower's rights and remedies with respect to the collection of the Receivables and any other Collateral; (D) to sue upon or otherwise collect, extend the time of payment of, settle, adjust, compromise, extend or renew the Receivables; (E) to settle, adjust or compromise any legal proceedings brought to collect Receivables; (F) to prepare, file and sign such Borrower's name on a proof of claim in bankruptcy or similar document against any Customer; (G) to prepare, file and sign such Borrower's name on any notice of Lien, assignment or satisfaction of Lien or similar document in connection with the Receivables; (H) to accept the return of goods represented by any of the Receivables and (I) to do all other acts and things necessary to carry out this Agreement. All acts of said attorney or designee are hereby ratified and approved, and said attorney or designee shall not be liable for any acts of omission or commission nor for any error of judgment or mistake of fact or of law, unless done maliciously or with gross (not mere) negligence (as determined by a court of competent jurisdiction in a final non-appealable judgment); this power being coupled with an interest is irrevocable while any of the Obligations remain unpaid.

(g) Neither Agent nor any Lender shall, under any circumstances or in any event whatsoever, have any liability for any error or omission or delay of any kind occurring in the settlement, collection or payment of any of the Receivables or any instrument received in payment thereof, or for any damage resulting therefrom.

(h) During any Dominion Period, all proceeds of Collateral shall be deposited by Borrowers into either (i) a lockbox account, dominion account or such other "controlled account" ("Controlled Accounts") established at a bank or banks (each such bank, a "Controlled Account Bank") pursuant to an arrangement with such Controlled Account Bank as may be acceptable to Agent in its Permitted Discretion or (ii) depository accounts ("Depository Accounts") established at Agent for the deposit of such proceeds. Each applicable Borrower, Agent and each Controlled Account Bank shall enter into a deposit account control agreement or blocked account agreement in form and substance satisfactory to Agent that is sufficient to give Agent "control" (for purposes of Articles 8 and 9 of the Uniform Commercial Code or pursuant to the PPSA, as applicable) over such account and which allows Agent, during any Dominion Period, to direct such Controlled Account Bank to transfer such funds so deposited on a daily basis or at other times acceptable to Agent to Agent, either to any account maintained by Agent at said Controlled Account Bank or by wire transfer to appropriate account(s) at Agent; provided, however, that no such deposit account control agreement or blocked account agreement shall be required with respect to deposit accounts containing solely Excluded Property. All funds deposited in such Controlled Accounts or Depository Accounts shall immediately become subject to the security interest of Agent for its own benefit and the ratable benefit of Issuer, Lenders and all other holders of the Obligations, and Borrowing Agent shall obtain the agreement by such Controlled Account Bank to waive any offset rights against the funds so deposited (except for those relating to returned items and fees and costs relating to the depository relationship). Neither Agent nor any Lender assumes any responsibility for such controlled account arrangement, including any claim of accord and satisfaction or release with respect to deposits accepted by any Controlled Account Bank thereunder. Agent shall apply all funds

received by it from the Controlled Accounts and/or Depository Accounts to the satisfaction of the Obligations (including the cash collateralization of the Letters of Credit) in such order as Agent shall determine in its sole discretion, provided that, in the absence of any Event of Default, Agent shall apply all such funds representing collection of Receivables first to the prepayment of the principal amount of the Swing Loans, if any, and then to the Revolving Advances. Borrowing Agent shall notify each Customer of any Borrower to send all future payments owed to a Borrower by such Customer, including, but not limited to, payments on any Receivable, to a Controlled Account or Depository Account, (i) with respect to any Person that is a Customer of any Person acquired in connection with any Permitted Acquisition, within sixty (60) days of the closing date of such Permitted Acquisition and (ii) with respect to any Person that is not a Customer on the Closing Date, promptly upon such Person becoming a Customer of a Borrower. If any Borrower shall receive any collections or other proceeds of the Collateral, such Borrower shall hold such collections or proceeds in trust for the benefit of Agent and deposit such collections or proceeds into a Controlled Account or Depository Account within one (1) Business Day following such Borrower's receipt thereof. All Depository Accounts, investment accounts and other bank accounts of any Loan Party, including, without limitation, all Controlled Accounts and Depository Accounts are described and set forth on Schedule 4.8(j). The parties hereto hereby acknowledge, confirm and agree that the implementation of the cash management arrangements contemplated herein is a contractual right provided to the Agent and the Lenders hereunder in order for the Agent and the Lenders to manage and monitor their collateral position and not a proceeding for enforcement or recovery of a claim, or pursuant to, or an enforcement of, any security or remedies whatsoever, the cash management arrangements contemplated herein are critical to the structure of the lending arrangements contemplated herein, the Agent and Lenders are relying on the Loan Parties' acknowledgement, confirmation and agreement with respect to such cash management arrangements in making accommodations of credit available to them and in particular that any accommodations of credit are being provided by the Agent and Lenders strictly on the basis of a borrowing base calculation to fully support and collateralize any such accommodations of credit hereunder.

(i) If an Event of Default is continuing, no Borrower will, without Agent's consent, compromise or adjust any Receivables (or extend the time for payment thereof) or accept any returns of merchandise or grant any additional discounts, allowances or credits thereon except for those compromises, adjustments, returns, discounts, credits and allowances as have been heretofore customary in the Ordinary Course of Business of such Borrower.

(j) All deposit accounts (including all Controlled Accounts and Depository Accounts), securities accounts and investment accounts of each Borrower and its Subsidiaries as of the Closing Date are set forth on Schedule 4.8(j). No Borrower shall open any new deposit account, securities account or investment account unless (i) Borrowers shall have given at least fifteen (15) Business Days' prior written notice to Agent and Agent has consented in writing and (ii) if such account is to be maintained with a bank, depository institution or securities intermediary that is not the Agent, such bank, depository institution or securities intermediary, each applicable Borrower and Agent shall first have entered into an account control agreement in form and substance satisfactory to Agent sufficient to give Agent "control" (for purposes of Articles 8 and 9 of the Uniform Commercial Code or the purposes of the PPSA or the *Securities Transfer Act* (Alberta), as applicable) over such account. For the avoidance of doubt, Pride shall be entitled to maintain its deposit account with First State Bank ending in 8054 and open as of the First Amendment Effective Date; provided that Pride shall provide an account control agreement with respect to such deposit account in form and substance satisfactory to Agent no later than sixty (60) days after the First Amendment Effective Date.

4.9 Inventory. To the extent Inventory held for sale or lease has been produced by any Borrower, it has been and will be produced by such Borrower, in all material respects, in accordance with the Federal Fair Labor Standards Act of 1938, as amended, and all rules, regulations and orders thereunder.

4.10 Maintenance of Equipment. Subject to the terms of Section 4.3, Equipment shall be maintained in good operating condition and repair (reasonable wear and tear excepted) and all reasonably necessary replacements of and repairs thereto shall be made so that the value and operating efficiency of the Equipment shall be maintained and preserved. No Borrower shall intentionally or knowingly use or operate the Equipment in violation of any law, statute, ordinance, code, rule or regulation.

4.11 Exculpation of Liability. Nothing herein contained shall be construed to constitute Agent or any Lender as any Borrower's agent for any purpose whatsoever (except to the extent necessary for the exercise of any power of attorney contained herein), nor shall Agent or any Lender be responsible or liable for any shortage, discrepancy, damage, loss or destruction of any part of the Collateral wherever the same may be located and regardless of the cause thereof. Neither Agent nor any Lender, whether by anything herein or in any assignment or otherwise, assume any of any Borrower's obligations under any contract or agreement assigned to Agent or such Lender, and neither Agent nor any Lender shall be responsible in any way for the performance by any Borrower of any of the terms and conditions thereof.

4.12 Financing Statements. Except with respect to the financing statements filed by Agent, financing statements described on Schedule 1.2(a), and financing statements filed in connection with Permitted Encumbrances, no financing statement covering any of the Collateral or any proceeds thereof is on file in any applicable public office on the date hereof.

4.13 Vehicles and Equipment. With respect to each vehicle or item of Equipment constituting Collateral acquired by any Borrower after the Closing Date with an individual value in excess of \$150,000, on an orderly liquidation value basis, subject to a certificate of title statute, Borrowers shall deliver to Agent, in form and substance satisfactory to Agent: (i) a fully-executed, notarized power of attorney authorizing Corporation Service Company to perfect liens on behalf of Agent; (ii) new unencumbered titles for each vehicle or item of Equipment within the earlier of (x) five (5) days of receipt by a Borrower of a new title certificate for a vehicle or item of Equipment and (y) twenty-five (25) days of purchase; (iii) to the extent applicable, an odometer statement clearly identifying the current mileage for each item of Collateral; and (iv) to the extent applicable, an in-state garaging address for each item of Collateral.

This Agreement and the Other Documents to which it is a party have been duly executed and delivered by each Borrower, and this Agreement and the Other Documents to which it is a party constitute the legal, valid and binding obligation of such Borrower enforceable in accordance with their terms, except as such enforceability may be limited by any applicable bankruptcy, insolvency, moratorium or similar laws affecting creditors' rights generally. The execution, delivery and performance of this Agreement and of the Other Documents to which it is a party (a) are within such Borrower's corporate or company powers, as applicable, have been duly authorized by all necessary corporate or company action, as applicable, are not in contravention of law or the terms of such Borrower's Organizational Documents or to the conduct of such Borrower's business or of any Material Contract or undertaking to which such Borrower is a party or by which such Borrower is bound, including any Permitted Acquisition Agreement, the Pride Permitted Acquisition Agreement or the Downhole Well Solutions Purchase Agreement, (b) will not conflict with or violate any law or regulation, or any judgment, order or decree of any Governmental Body, (c) will not require the Consent of any Governmental Body, any party to a Material Contract or any other Person, except those Consents set forth on Schedule 5.1 hereto, all of which will have been duly obtained, made or compiled prior to the Closing Date and which are in full force and effect and (d) will not conflict with, nor result in any breach in any of the provisions of or constitute a default under or result in the creation of any Lien except Permitted Encumbrances upon any asset of such Borrower under the provisions of any agreement, instrument, or other document to which such Borrower is a party or by which it or its property is a party or by which it may be bound, including any Permitted Acquisition Agreement, the Pride Permitted Acquisition Agreement or the Downhole Well Solutions Purchase Agreement.

5.2 Formation and Qualification

Each Borrower acknowledges that the purpose of this Section 11.1(b) is to provide non-exhaustive indications of what actions or omissions by Agent would not be commercially unreasonable in Agent's exercise of remedies against the Collateral and that other actions or omissions by Agent shall not

be deemed commercially unreasonable solely on account of not being indicated in this Section 11.1(b). Without limitation upon the foregoing, nothing contained in this Section 11.1(b) shall be construed to grant any rights to any Borrower or to impose any duties on Agent that would not have been granted or imposed by this Agreement or by Applicable Law in the absence of this Section 11.1(b).

11.2 Agent's Discretion. Agent shall have the right in its sole discretion to determine which rights, Liens, security interests or remedies Agent may at any time pursue, relinquish, subordinate, or modify, which procedures, timing and methodologies to employ, and what any other action to take with respect to any or all of the Collateral and in what order, thereto and such determination will not in any way modify or affect any of Agent's or Lenders' rights hereunder as against Borrowers or each other.

Subject to Section 14.13, in addition to any other rights which Agent or any Lender may have under Applicable Law, upon the occurrence and during the continuance of an Event of Default hereunder, Agent and such Lender shall have a right, immediately and without notice of any kind, to apply any Borrower's property held by Agent and such Lender or any of their Affiliates to reduce the Obligations and to exercise any and all rights of setoff which may be available to Agent and such Lender with respect to any deposits held by Agent or such Lender. Every such right of setoff available to Agent shall be deemed to have been exercised immediately upon the occurrence of an Event of Default hereunder without any action of the Agent, although the Agent may at a later time enter such setoff on its books and records (but with effect as of such time of deemed exercise).

11.4 Rights and Remedies not Exclusive. The enumeration of the foregoing rights and remedies is not intended to be exhaustive and the exercise of any rights or remedy shall not preclude the exercise of any other right or remedies provided for herein or otherwise provided by law, all of which shall be cumulative and not alternative.

11.5 Allocation of Payments After Event of Default. Notwithstanding any other provisions of this Agreement to the contrary, after the occurrence and during the continuance of an Event of Default, all amounts collected or received by Agent on account of the Obligations (including without limitation any amounts on account of any of Cash Management Liabilities or Hedge Liabilities), or in respect of the Collateral may, at Agent's discretion, be paid over or delivered as follows, and after an Application Event, will be paid over or delivered as follows:

THIRD, to the payment of all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees) of each of the Lenders to the extent owing to such Lender pursuant to the terms of this Agreement;

EIGHTH, to all other Obligations arising under this Agreement (other than Cash Management Liabilities and Hedge Liabilities) which shall have become due and payable (hereunder, under the Other Documents or otherwise) and not repaid pursuant to clauses "FIRST" through "SEVENTH" above;

NINTH, to any Cash Management Liabilities and Hedge Liabilities owing to Agent which shall have become due and payable or otherwise and not repaid pursuant to Clauses "FIRST" through "EIGHTH" above; and

TENTH, to all other Obligations which shall have become due and payable and not repaid pursuant to clauses "FIRST" through "NINTH"; and

ELEVENTH, to the payment of the surplus, if any, to whoever may be lawfully entitled to receive such surplus.

In carrying out the foregoing, (i) amounts received shall be applied in the numerical order provided until exhausted prior to application to the next succeeding category; (ii) each of the Lenders shall receive (so long as it is not a Defaulting Lender) an amount equal to its pro rata share (based on the proportion that the then outstanding Advances, Cash Management Liabilities and Hedge Liabilities held by such Lender bears to the aggregate then outstanding Advances, Cash Management Liabilities and Hedge Liabilities) of amounts available to be applied pursuant to clauses "SIXTH", "SEVENTH", "EIGHTH" and "TENTH" above; and, with respect to clause "NINTH" above, an amount equal to its pro rata share (based on the proportion that the then outstanding Cash Management Liabilities and Hedge Liabilities held by such Lender bears to the aggregate then outstanding Cash Management Liabilities and Hedge Liabilities); and (iii) notwithstanding anything to the contrary in this Section 11.5, no Swap Obligations of any Non-Qualifying Party shall be paid with amounts received from such Non-Qualifying Party under its Guaranty (including sums received as a result of the exercise of remedies with respect to such Guaranty) or from the proceeds of such Non-Qualifying Party's Collateral if such Swap Obligations would constitute Excluded Hedge Liabilities, provided, however, that to the extent possible appropriate adjustments shall be made with respect to payments and/or the proceeds of Collateral from other Borrowers and/or Guarantors that are Eligible Contract Participants with

respect to such Swap Obligations to preserve the allocation to Obligations otherwise set forth above in this Section 11.5; and (iv) to the extent that any amounts available for distribution pursuant to clause "SEVENTH" above are attributable to the issued but undrawn amount of outstanding Letters of Credit, such amounts shall be held by Agent as cash collateral for the Letters of Credit pursuant to Section 3.2(b) and applied (A) first, to reimburse the Issuer from time to time for any drawings under such Letters of Credit and (B) then, following the expiration of all Letters of Credit, to all other obligations of the types described in clauses "SEVENTH," "EIGHTH," "NINTH", and "TENTH" above in the manner provided in this Section 11.5.

12. WAIVERS AND JUDICIAL PROCEEDINGS.

12.1 Waiver of Notice. Each Borrower hereby waives notice of non-payment of any of the Receivables, demand, presentment, protest and notice thereof with respect to any and all instruments, notice of acceptance hereof, notice of loans or advances made, credit extended, Collateral received or delivered, or any other action taken in reliance hereon, and all other demands and notices of any description, except such as are expressly provided for herein.

12.2 Delay. No delay or omission on Agent's or any Lender's part in exercising any right, remedy or option shall operate as a waiver of such or any other right, remedy or option or of any Default or Event of Default.

12.3 Jury Waiver. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, COUNTERCLAIM, DEMAND, ACTION OR CAUSE OF ACTION (A) ARISING UNDER THIS AGREEMENT, ANY OTHER DOCUMENT OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HEREWITH, OR (B) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT, ANY OTHER DOCUMENT OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HEREWITH, OR THE TRANSACTIONS RELATED HERETO OR THERETO IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT OR TORT OR OTHERWISE AND EACH PARTY HEREBY CONSENTS THAT ANY SUCH CLAIM, COUNTERCLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENTS OF THE PARTIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

13. EFFECTIVE DATE AND TERMINATION.

13.1 Term. This Agreement, which shall inure to the benefit of and shall be binding upon the respective successors and permitted assigns of each Borrower, Agent and each Lender, shall become effective on the date hereof and shall continue in full force and effect until June 10, 2026 (the "Term") unless sooner terminated as herein provided. Borrowers may terminate this Agreement at any time upon thirty (30) days prior written notice to Agent upon payment in full of the Obligations.

13.2 Termination. The termination of the Agreement shall not affect Agent's or any Lender's rights, or any of the Obligations having their inception prior to the effective date of such termination or any Obligations which pursuant to the terms hereof continue to accrue after such date, and the provisions hereof shall continue to be fully operative until all transactions entered into, rights or interests created and Obligations have been fully and indefeasibly paid, disposed of, concluded or liquidated. The security interests, Liens and rights granted to Agent and Lenders hereunder and the financing statements filed hereunder shall continue in full force and effect, notwithstanding the termination of this Agreement or the fact that Borrowers' Account may from time to time be temporarily in a zero or credit position, until all of the Obligations of each Borrower have been indefeasibly paid and performed in full after the termination of this Agreement or each Borrower has furnished Agent and Lenders with an indemnification satisfactory to Agent and Lenders with respect thereto. Accordingly, each Borrower waives any rights which it may have under the Uniform Commercial Code or the PPSA, as applicable, to demand the filing of termination statements with respect to the Collateral, and Agent shall not be required to send such termination statements to each Borrower, or to file them with any filing office, unless and until this Agreement shall have been terminated in accordance with its terms and all Obligations have been indefeasibly paid in full in immediately available funds. All representations, warranties, covenants, waivers and agreements contained herein shall survive termination hereof until all Obligations are indefeasibly paid and performed in full.

14. REGARDING AGENT

14.1 Appointment. Each Lender hereby designates PNC to act as Agent for such Lender under this Agreement and the Other Documents. Each Lender hereby irrevocably authorizes Agent to take such action on its behalf under the provisions of this Agreement and the Other Documents and to exercise such powers and to perform such duties hereunder and thereunder as are specifically delegated to or required of Agent by the terms hereof and thereof and such other powers as are reasonably incidental thereto and Agent shall hold all Collateral, payments of principal and interest, fees (except the fees set forth in Sections 2.8(b) and 3.4), charges and collections received pursuant to this Agreement, for the ratable benefit of Lenders. Agent may perform any of its duties hereunder by or through its agents or employees. As to any matters not expressly provided for by this Agreement (including collection of the Note) Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of Required Lenders, and such instructions shall be binding; provided, however, that Agent shall not be required to take any action which, in Agent's discretion, exposes Agent to liability or which is contrary to this Agreement or the Other Documents or Applicable Law unless Agent is furnished with an indemnification reasonably satisfactory to Agent with respect thereto. Notwithstanding anything to the contrary contained herein, no Lender will attempt to collect or enforce any of its rights with respect to the obligations, except to the extent specifically permitted under Section 11.1.

14.2 Nature of Duties. Agent shall have no duties or responsibilities except those expressly set forth in this Agreement and the Other Documents. Neither Agent nor any of its officers, directors, employees or agents shall be (i) liable for any action taken or omitted by them as such hereunder or in connection herewith, unless caused by their gross (not mere) negligence or willful misconduct (as determined by a court of competent jurisdiction in a final non-appealable judgment), or (ii) responsible in any manner for any recitals, statements, representations or warranties made by any Borrower or any officer thereof contained in this Agreement, or in any of the Other Documents or in any certificate, report, statement or other document referred to or provided for in, or received by Agent under or in connection with, this Agreement or any of the Other Documents or for the value, validity, effectiveness, genuineness, due execution, enforceability or sufficiency of this Agreement, or any of the Other Documents or for any failure of any Borrower to perform its obligations hereunder or under any Other Document. Agent shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any of the Other Documents, or to inspect the properties, books or records of any Borrower. The duties of Agent as respects the Advances to Borrowers shall be mechanical and administrative in nature; Agent shall not have by reason of this Agreement a fiduciary relationship in respect of any Lender; and nothing in this Agreement, expressed or implied, is intended to or shall be so construed as to impose upon Agent any obligations in respect of this Agreement or the transactions described herein except as expressly set forth herein.

14.3 Lack of Reliance on Agent. Independently and without reliance upon Agent or any other Lender, each Lender has made and shall continue to make (i) its own independent investigation of the financial condition and affairs of each Loan Party in connection with the making and the continuance of the Advances hereunder and the taking or not taking of any action in connection herewith, and (ii) its own appraisal of the creditworthiness of each Loan Party. Agent shall have no duty or responsibility, either initially or on a continuing basis, to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before making of the Advances or at any time or times thereafter except as shall be provided by any Loan Party pursuant to the terms hereof. Agent shall not be responsible to any Lender for any recitals, statements, information, representations or warranties herein or in any agreement, document, certificate or a statement delivered in connection with or for the execution, effectiveness, genuineness, validity, enforceability, collectability or sufficiency of this Agreement or any Other Document, or of the financial condition of any Loan Party, or be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement, the Notes, the Other Documents or the financial condition of any Loan Party, or the existence of any Event of Default or any Default.

14.4 Resignation of Agent; Successor Agent. Agent may resign on thirty (30) days written notice to each Lender and Borrowing Agent and upon such resignation, Required Lenders will promptly (or, if the Required Lenders fail to designate a successor Agent within thirty (30) days after such written notice, Agent itself may) designate a successor Agent reasonably satisfactory to Borrowing Agent (provided that no such approval of Borrowing Agent shall be required (i) in any case where the successor Agent is one of the Lenders or (ii) after the occurrence and during the continuance of any Event of Default). Agent shall continue as Agent hereunder until a successor Agent is so designated. Any such successor Agent shall succeed to the rights, powers and duties of Agent, and shall in particular succeed to all of Agent's right, title

and interest in and to all of the Liens in the Collateral securing the Obligations created hereunder or any Other Document (including the Mortgages, Pledge Agreement and all account control agreements), and the term "Agent" shall mean such successor agent effective upon its appointment, and the former Agent's rights, powers and duties as Agent shall be terminated, without any other or further act or deed on the part of such former Agent. However, notwithstanding the foregoing, if at the time of the effectiveness of the new Agent's appointment, any further actions need to be taken in order to provide for the legally binding and valid transfer of any Liens in the Collateral from former Agent to new Agent and/or for the perfection of any Liens in the Collateral as held by new Agent or it is otherwise not then possible for new Agent to become the holder of a fully valid, enforceable and perfected Lien as to any of the Collateral, former Agent shall continue to hold such Liens solely as agent for perfection of such Liens on behalf of new Agent until such time as new Agent can obtain a fully valid, enforceable and perfected Lien on all Collateral, provided that Agent shall not be required to or have any liability or responsibility to take any further actions after such date as such agent for perfection to continue the perfection of any such Liens (other than to forego from taking any affirmative action to release any such Liens). After any Agent's resignation as Agent, the provisions of this Article XIV, and any indemnification rights under this Agreement, including without limitation, rights arising under Section 17.5, shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement (and in the event resigning Agent continues to hold any Liens pursuant to the provisions of the immediately preceding sentence, the provisions of this Article XIV and any indemnification rights under this Agreement, including without limitation, rights arising under Section 17.5, shall inure to its benefit as to any actions taken or omitted to be taken by it in connection with such Liens).

14.5 Certain Rights of Agent. If Agent shall request instructions from Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any Other Document, Agent shall be entitled to refrain from such act or taking such action unless and until Agent shall have received instructions from Required Lenders; and Agent shall not incur liability to any Person by reason of so refraining. Without limiting the foregoing, Lenders shall not have any right of action whatsoever against Agent as a result of its acting or refraining from acting hereunder in accordance with the instructions of Required Lenders.

14.6 Reliance. Agent shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, statement, certificate, email, facsimile, telex, teletype or telecopier message, cablegram, order or other document or telephone message believed by it to be genuine and correct and to have been signed, sent or made by the proper person or entity, and, with respect to all legal matters pertaining to this Agreement and the Other Documents and its duties hereunder, upon advice of counsel selected by it. Agent may employ agents and attorneys-in-fact and shall not be liable for the default or misconduct of any such agents or attorneys-in-fact selected by Agent with reasonable care.

14.7 Notice of Default. Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder or under the Other Documents, unless Agent has received notice from a Lender or Borrowing Agent referring to this Agreement or the Other Documents, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that Agent receives such a notice, Agent shall give notice thereof to Lenders. Agent shall take such action with respect to such Default or Event of Default

as shall be reasonably directed by Required Lenders; provided, that, unless and until Agent shall have received such directions, Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of Lenders.

14.8 Indemnification. To the extent Agent is not reimbursed and indemnified by Borrowers, each Lender will reimburse and indemnify Agent in proportion to its respective portion of the outstanding Advances and its respective Participation Commitments in the outstanding Letters of Credit and outstanding Swing Loans (or, if no Advances are outstanding, pro rata according to the percentage that its Revolving Commitment Amount constitutes of the total aggregate Revolving Commitment Amounts), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against Agent in performing its duties hereunder, or in any way relating to or arising out of this Agreement or any Other Document; provided that Lenders shall not be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from Agent's gross (not mere) negligence or willful misconduct (as determined by a court of competent jurisdiction in a final non-appealable judgment). All amounts due under this Section 14.8 shall be payable not later than ten (10) days after demand therefor.

14.9 Agent in its Individual Capacity. With respect to the obligation of Agent to lend under this Agreement, the Advances made by it shall have the same rights and powers hereunder as any other Lender and as if it were not performing the duties as Agent specified herein; and the term "Lender" or any similar term shall, unless the context clearly otherwise indicates, include Agent in its individual capacity as a Lender. Agent may engage in business with any Borrower as if it were not performing the duties specified herein, and may accept fees and other consideration from any Borrower for services in connection with this Agreement or otherwise without having to account for the same to Lenders.

14.10 Delivery of Documents. To the extent Agent receives financial statements required under Sections 9.7, 9.8, 9.9, 9.12 and 9.13 or Borrowing Base Certificates from any Borrower pursuant to the terms of this Agreement which any Borrower is not obligated to deliver to each Lender, Agent will promptly furnish such documents and information to Lenders.

14.11 Borrowers' Undertaking to Agent. Without prejudice to their respective obligations to Lenders under the other provisions of this Agreement, each Borrower hereby undertakes with Agent to pay to Agent from time to time on demand all amounts from time to time due and payable by it for the account of Agent or Lenders or any of them pursuant to this Agreement to the extent not already paid. Any payment made pursuant to any such demand shall pro tanto satisfy the relevant Borrower's obligations to make payments for the account of Lenders or the relevant one or more of them pursuant to this Agreement.

14.12 No Reliance on Agent's Customer Identification Program. To the extent the Advances or this Agreement is, or becomes, syndicated in cooperation with other Lenders, each Lender acknowledges and agrees that neither such Lender, nor any of its Affiliates, participants or assignees, may rely on Agent to carry out such Lender's, Affiliate's, participant's or

assignee's customer identification program, or other obligations required or imposed under or pursuant to the USA PATRIOT Act or the regulations thereunder, including the regulations contained in 31 CFR 103.121 (as hereafter amended or replaced, the "CIP Regulations"), the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* (Canada) and the regulations promulgated thereunder, or any other Anti-Terrorism Law, including any programs involving any of the following items relating to or in connection with any of Borrowers, their Affiliates or their agents, the Other Documents or the transactions hereunder or contemplated hereby: (i) any identity verification procedures, (ii) any recordkeeping, (iii) comparisons with government lists, (iv) customer notices or (v) other procedures required under the CIP Regulations or such Anti-Terrorism Laws.

14.13 Other Agreements. Each of the Lenders agrees that it shall not, without the express consent of Agent, and that it shall, to the extent it is lawfully entitled to do so, upon the request of Agent, set off against the Obligations, any amounts owing by such Lender to any Borrower or any deposit accounts of any Borrower now or hereafter maintained with such Lender. Anything in this Agreement to the contrary notwithstanding, each of the Lenders further agrees that it shall not, unless specifically requested to do so by Agent, take any action to protect or enforce its rights arising out of this Agreement or the Other Documents, it being the intent of Lenders that any such action to protect or enforce rights under this Agreement and the Other Documents shall be taken in concert and at the direction of or with the consent of Agent or Required Lenders.

14.14 Authority to Release Collateral and Liens. Each Lender and Issuer hereby authorizes Agent to release any Collateral that is permitted to be sold or released pursuant to the terms of this Agreement and the Other Documents. Each Lender and Issuer hereby authorizes Agent to execute and deliver to a Borrower, at such Borrower's sole cost and expense, any and all releases of Liens, termination statements, assignments or other documents reasonably requested by such Borrower in connection with any sale or other disposition of assets or property to the extent such sale or other disposition is permitted by the terms of Section 7.1(b) or is otherwise authorized by the terms of this Agreement and the Other Documents.

14.15 Erroneous Payments.

(a) If the Agent notifies a Lender, Issuer or other Secured Party, or any Person who has received funds on behalf of a Lender, Issuer or another Secured Party (any such Lender, Issuer, Secured Party or other recipient, a "Payment Recipient") that the Agent has determined in its sole discretion (whether or not after receipt of any notice under Section 14.15(b)) that any funds received by such Payment Recipient from the Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, Issuer, other Secured Party or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "Erroneous Payment") and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Agent, and such Lender, Issuer or other Secured Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no

event later than two (2) Business Days thereafter, return to the Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Agent in same day funds at the greater of the Effective Federal Funds Rate and a rate determined by the Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice from the Agent to any Payment Recipient under this [Section 14.15\(a\)](#) shall be conclusive, absent manifest error.

(b) Without limiting [Section 14.15\(a\)](#), each Lender, Issuer or other Secured Party, or any Person who has received funds on behalf of a Lender, Issuer or other Secured Party hereby further agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Agent (or any of its Affiliates) (x) that is in an amount different than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Agent (or any of its Affiliates) with respect to such, prepayment or repayment (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Agent (or any of its Affiliates), or (z) that such Lender, Issuer or other Secured Party, or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part) in each case:

(i) (A) In the case of immediately preceding clauses (x) or (y), an error shall be presumed to have been made (absent written confirmation from the Agent to the contrary) or (B) an error has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender, Issuer or other Secured Party shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one (1) Business Day of its knowledge of such error) notify the Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Agent pursuant to this [Section 14.15\(b\)](#).

(c) Each Lender, Issuer and other Secured Party hereby authorizes the Agent to set off, net and apply any and all amounts at any time owing to such Lender, Issuer or other Secured Party under any Other Document, or otherwise payable or distributable by the Agent to such Lender, Issuer or other Secured Party from any source, against any amount due to the Agent under [Section 14.15\(a\)](#) or under the indemnification provisions of this Agreement.

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Agent for any reason, after demand therefor by the Agent in accordance with [Section 14.15\(a\)](#), from any Lender or Issuer that has received such Erroneous Payment (or portion thereof) and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf (such unrecovered amount, an "[Erroneous Payment Return Deficiency](#)"), upon the Agent's notice to such Lender or Issuer at any time, (i) such Lender or Issuer shall be deemed to have assigned its loans (but not its commitments) of the relevant class

with respect to which such Erroneous Payment was made (the "Erroneous Payment Impacted Class") in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Agent may specify) (such assignment of the loans (but not commitments) of the Erroneous Payment Impacted Class, the "Erroneous Payment Deficiency Assignment") at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Agent in such instance), and is hereby (together with the Borrowers) deemed to execute and deliver an assignment and assumption with respect to such Erroneous Payment Deficiency Assignment, and such Lender or Issuer shall deliver any Notes evidencing such loans to the Borrowers or the Agent, (ii) the Agent as the assignee Lender shall be deemed to acquire the Erroneous Payment Deficiency Assignment, (iii) upon such deemed acquisition, the Agent as the assignee Lender shall become a Lender or Issuer, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender or assigning Issuer shall cease to be a Lender or Issuer, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable commitments which shall survive as to such assigning Lender or assigning Issuer and (iv) the Agent may reflect in the Register its ownership interest in the loans subject to the Erroneous Payment Deficiency Assignment. The Agent may, in its discretion, sell any loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender or Issuer shall be reduced by the net proceeds of the sale of such loan (or portion thereof), and the Agent shall retain all other rights, remedies and claims against such Lender or Issuer (and/or against any recipient that receives funds on its respective behalf). For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the commitments of any Lender or Issuer and such commitments shall remain available in accordance with the terms of this Agreement. In addition, each party hereto agrees that, except to the extent that the Agent has sold a loan (or portion thereof) acquired pursuant to an Erroneous Payment Deficiency Assignment, and irrespective of whether the Agent may be equitably subrogated, the Agent shall be contractually subrogated to all the rights and interests of the applicable Lender, Issuer or other Secured Party under the Other Documents with respect to such Erroneous Payment Return Deficiency (the "Erroneous Payment Subrogation Rights").

(e) The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by any Borrower or any other Loan Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Agent from any Borrower or any other Loan Party for the purpose of making such Erroneous Payment.

(f) Each party's obligations under this Section 14.15 shall survive the resignation or replacement of the Agent, the termination of all of the commitments and/or repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Other Document.

15. BORROWING AGENCY.

15.1 Borrowing Agency Provisions.

(a) Each Borrower hereby irrevocably designates Borrowing Agent to be its attorney and agent and in such capacity, whether verbally, in writing or through electronic methods (including, without limitation, an Approved Electronic Communication) to (i) borrow, (ii) request Advances, (iii) request the issuance of Letters of Credit, (iv) sign and endorse notes, (v) execute and deliver all instruments, documents, applications, security agreements, reimbursement agreements and letter of credit agreements for Letters of Credit and all other certificates, notice, writings and further assurances now or hereafter required hereunder, (vi) make elections regarding interest rates, (vii) give instructions regarding Letters of Credit and agree with Issuer upon any amendment, extension or renewal of any Letter of Credit and (viii) otherwise take action under and in connection with this Agreement and the Other Documents, all on behalf of and in the name such Borrower or Borrowers, and hereby authorizes Agent to pay over or credit all loan proceeds hereunder in accordance with the request of Borrowing Agent.

(b) The handling of this credit facility as a co-borrowing facility with a borrowing agent in the manner set forth in this Agreement is solely as an accommodation to Borrowers and at their request. Neither Agent nor any Lender shall incur liability to Borrowers as a result thereof. To induce Agent and Lenders to do so and in consideration thereof, each Borrower hereby indemnifies Agent and each Lender and holds Agent and each Lender harmless from and against any and all liabilities, expenses, losses, damages and claims of damage or injury asserted against Agent or any Lender by any Person arising from or incurred by reason of the handling of the financing arrangements of Borrowers as provided herein, reliance by Agent or any Lender on any request or instruction from Borrowing Agent or any other action taken by Agent or any Lender with respect to this Section 15.1 except due to willful misconduct, bad faith or gross (not mere) negligence by the indemnified party (as determined by a court of competent jurisdiction in a final and non-appealable judgment).

(c) All Obligations shall be joint and several, and each Borrower shall make payment upon the maturity of the Obligations by acceleration or otherwise, and such obligation and liability on the part of each Borrower shall in no way be affected by any extensions, renewals and forbearance granted by Agent or any Lender to any Borrower, failure of Agent or any Lender to give any Borrower notice of borrowing or any other notice, any failure of Agent or any Lender to pursue or preserve its rights against any Borrower, the release by Agent or any Lender of any Collateral now or thereafter acquired from any Borrower, and such agreement by each Borrower to pay upon any notice issued pursuant thereto is unconditional and unaffected by prior recourse by Agent or any Lender to the other Borrowers or any Collateral for such Borrower's Obligations or the lack thereof. Each Borrower waives all suretyship defenses.

15.2 Waiver of Subrogation. Each Borrower expressly waives any and all rights of subrogation, reimbursement, indemnity, exoneration, contribution of any other claim which such Borrower may now or hereafter have against any other Borrower or any other Person directly or contingently liable for the Obligations hereunder, or against or with respect to any other Borrowers' property (including, without limitation, any property which is Collateral for the Obligations), arising from the existence or performance of this Agreement, to the repayment of the Obligations until termination of this Agreement and repayment in full of the Obligations.

15.3 Common Enterprise. The successful operation and condition of each of the Borrowers is dependent on the continued successful performance of the functions of the group of Borrowers as a whole and the successful operation of each Borrower is dependent on the successful performance and operation of each other Borrower. Each of the Borrowers expects to

derive benefit (and its board of directors or other governing body has determined that it may reasonably be expected to derive benefit), directly and indirectly, from successful operations of each of the other Borrowers. Each Borrower expects to derive benefit (and the boards of directors or other governing body of each such Borrower have determined that it may reasonably be expected to derive benefit), directly and indirectly, from the credit extended by the Lenders to the Borrowers hereunder, both in their separate capacities and as members of the group of companies. Each Borrower has determined that execution, delivery, and performance of this Agreement and any Other Documents to be executed by such Borrower is within its corporate purpose, will be of direct and indirect benefit to such Borrower, and is in its best interest.

16. GUARANTY.

16.1 Unconditional Guaranty. Each Guarantor hereby unconditionally guarantees, as a primary obligor and not merely as a surety, jointly and severally with each other Guarantor when and as due, whether at maturity, by acceleration, by notice of prepayment or otherwise, the due and punctual performance of all Obligations; provided that with respect to Obligations under or in respect of any Swap Obligation, the foregoing guarantee shall only be effective to the extent that such Guarantor is an Eligible Contract Participant at the time such Swap Obligation is entered into and such Obligations and such guarantee thereof are not Excluded Hedge Liabilities. Each payment made by any Guarantor pursuant to this Guaranty shall be made in lawful money of the United States in immediately available funds, (a) without set-off or counterclaim and (b) free and clear of and without deduction or withholding for or on account of any present and future Charges and any conditions or restrictions resulting in Charges and all penalties, interest and other payments on or in respect thereof (except for Excluded Taxes) ("Covered Tax" or "Covered Taxes") unless such Guarantor is compelled by law to make payment subject to such Covered Taxes.

16.2 Continuing Guarantee. The guarantee in this Section 16 is a continuing guarantee of payment, and shall apply to all Obligations whenever arising.

16.3 Waivers. Each Guarantor hereby absolutely, unconditionally and irrevocably waives to the extent not prohibited by Applicable Law (i) promptness, diligence, notice of acceptance, notice of presentment of payment and any other notice hereunder, (ii) demand of payment, protest, notice of dishonor or nonpayment, notice of the present and future amount of the Obligations and any other notice with respect to the Obligations, (iii) any requirement that Agent protect, secure, perfect or insure any security interest or Lien on any property subject thereto or exhaust any right or take any action against any other Loan Party, or any Person or any Collateral, (iv) any other action, event or precondition to the enforcement hereof or the performance by any Loan Party of the Obligations, and (v) any defense arising by any lack of capacity or authority or any other defense of any Loan Party or any notice, demand or defense by reason of cessation from any cause of Obligations other than payment and performance in full of the Obligations by the Loan Parties and any defense that any other guarantee or security was or was to be obtained by Agent.

16.4 No Defense. No invalidity, irregularity, voidableness, voidness or unenforceability of this Agreement or any Other Document or any other agreement or instrument relating thereto, or of all or any part of the Obligations or of any collateral security therefor shall affect, impair or be a defense hereunder.

16.5 Guaranty of Payment. The Guaranty hereunder is one of payment and performance, not collection, and the obligations of each Guarantor are independent of the Obligations of the other Loan Parties, and a separate action or actions may be brought and prosecuted against any Guarantor to enforce the terms and conditions of this Article XVI, irrespective of whether any action is brought against any other Loan Party or other Persons or whether any other Loan Party or other Persons are joined in any such action or actions. Each Guarantor waives any right to require that any resort be had by Agent to any security held for payment of the Obligations or to any balance of any deposit account or credit on the books of Agent in favor of any Loan Party or any other Person. No election to proceed in one form of action or proceedings, or against any Person, or on any Obligations, shall constitute a waiver of Agent's right to proceed in any other form of action or proceeding or against any other Person unless Agent has expressed any such right in writing. Without limiting the generality of the foregoing, no action or proceeding by Agent against any Loan Party under any document evidencing or securing indebtedness of any Loan Party to Agent shall diminish the liability of any Guarantor, except to the extent Agent receives actual payment on account of Obligations by such action or proceeding, notwithstanding the effect of any such election, action or proceeding upon the right of subrogation of any Loan Party in respect of any Loan Party.

16.6 Liabilities Absolute. The liability of each Guarantor shall be absolute, unlimited and unconditional and shall not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than prior indefeasible payment in full of all Obligations), including, without limitation, any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any claim, defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of any other Obligation or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor shall not be discharged or impaired, released, limited or otherwise affected by:

(a) any change in the manner, place or terms of payment or performance, and/or any change or extension of the time of payment or performance of, release, renewal or alteration of, or any new agreements relating to any Obligation, any security therefor, or any liability incurred directly or indirectly in respect thereof, or any rescission of, or amendment, waiver or other modification of, or any consent to departure from, this Agreement or any Other Document, including any increase in the Obligations resulting from the extension of additional credit to any Loan Party or otherwise;

(b) any sale, exchange, release, surrender, loss, abandonment, realization upon any property by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, all or any of the Obligations, and/or any offset there against, or failure to perfect, or continue the perfection of, any Lien in any such property, or delay in the perfection of any such Lien, or any amendment or waiver of or consent to departure from any other guaranty for all or any of the Obligations;

(c) the failure of Agent to assert any claim or demand or to enforce any right or remedy against any Loan Party or any other Loan Party or any other Person under the provisions of this Agreement or any Other Document or any other document or instrument executed and delivered in connection herewith or therewith;

(d) any settlement or compromise of any Obligation, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and any subordination of the payment of all or any part thereof to the payment of any obligation (whether due or not) of any Loan Party to creditors of any Loan Party other than any other Loan Party;

(e) any manner of application of Collateral, or proceeds thereof, to all or any of the Obligations, or any manner of sale or other disposition of any Collateral for all or any of the Obligations or any other assets of any Loan Party;

(f) the invalidity, irregularity, voidableness, voidness or unenforceability of this Agreement or any Other Document or any other agreement or instrument relating thereto, or of all or any part of the Obligations or of any collateral security therefor; and

(g) any other agreements or circumstance of any nature whatsoever that may or might in any manner or to any extent vary the risk of any Loan Party, or that might otherwise at law or in equity constitute a defense available to, or a discharge of, the Guaranty hereunder and/or the obligations of any Loan Party, or a defense to, or discharge of, any Loan Party or any other Person or party hereto or the Obligations or otherwise with respect to the Advances or other financial accommodations to Loan Parties pursuant to this Agreement and/or the Other Documents.

16.7 Waiver of Notice. Agent shall have the right to do any of the above without notice to or the consent of any Guarantor, and each Guarantor expressly waives any right to notice of, consent to, knowledge of and participation in any agreements relating to any of the above or any other present or future event relating to Obligations whether under this Agreement or otherwise or any right to challenge or question any of the above and waives any defenses of such Guarantor which might arise as a result of such actions.

16.8 Agent's Discretion. Agent may at any time and from time to time (whether prior to or after the revocation or termination of this Agreement) without the consent of, or notice to, any Guarantor, and without incurring responsibility to any Guarantor or impairing or releasing the Obligations, apply any sums by whomsoever paid or howsoever realized to any Obligations regardless of what Obligations remain unpaid.

16.9 Reinstatement.

(a) The Guaranty provisions herein contained shall continue to be effective or be automatically reinstated, as the case may be, if a claim is ever made upon Agent for repayment or recovery of any amount or amounts received by such Person in payment or on account of any of the Obligations and such Person repays all or part of said amount for any reason whatsoever, including, without limitation, by reason of any judgment, decree or order of any court or administrative body having jurisdiction over such Person or the respective property of each, or any settlement or compromise of any claim effected by such Person with any such claimant (including any Loan Party); and in such event each Loan Party hereby agrees that any

such judgment, decree, order, settlement or compromise or other circumstances shall be binding upon such Loan Party, notwithstanding any revocation hereof or the cancellation of any note or other instrument evidencing any Obligation, and each Loan Party shall be and remain liable to Agent for the amount so repaid or recovered to the same extent as if such amount had never originally been received by such Person(s).

(b) Agent shall not be required to marshal any assets in favor of any Loan Party, or against or in payment of Obligations.

(c) No Loan Party shall be entitled to claim against any present or future security held by Agent from any Person for Obligations in priority to or equally with any claim of Agent, or assert any claim for any liability of any Loan Party to any Loan Party in priority to or equally with claims of Agent for Obligations, and no Loan Party shall be entitled to compete with Agent with respect to, or to advance any equal or prior claim to any security held by Agent for Obligations.

(d) If any Loan Party makes any payment to Agent, which payment is wholly or partly subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to any Person under any federal or state statute or at common law or under equitable principles, then to the extent of such payment, the Obligation intended to be paid shall be revived and continued in full force and effect as if the payment had not been made, and the resulting revived Obligation shall continue to be guaranteed, uninterrupted, by each Loan Party.

(e) All present and future monies payable by any Loan Party to any other Loan Party, whether arising out of a right of subrogation, reimbursement, contribution, indemnification, or otherwise, are assigned to Agent as additional security for such Loan Party's liability to Agent hereunder and are postponed and subordinated to Agent's prior right to payment in full of Obligations. Except to the extent prohibited otherwise by this Agreement, all monies received by any Loan Party from any other Loan Party shall be held by such Loan Party as agent and trustee for Agent. This assignment, postponement and subordination shall only terminate when the Obligations (other than contingent obligations as to which no claim has been made) are paid in full in cash, all commitments are irrevocably terminated and this Agreement is irrevocably terminated.

(f) Each Loan Party acknowledges this assignment and subordination and, upon the occurrence and during the continuance of an Event of Default, agrees to make no payments to any other Loan Party in respect of any Indebtedness for borrowed money without the prior written consent of Agent. Each Loan Party agrees to give full effect to the provisions hereof.

16.10 Lien Subordination; Remedies Standstill. Notwithstanding the order or time of attachment, or the order, time or manner of perfection, or the order or time of filing or recordation of any document or instrument, or other method of perfecting a Lien in favor of Agent or any Loan Party in any Collateral and notwithstanding any conflicting terms or conditions which may be contained in this Agreement or any agreement evidencing Indebtedness owing by any Loan Party to any other Loan Party, the Liens on the Collateral in favor of Agent have and shall have priority over the Liens on the Collateral in favor of any Loan Party

(including, without limitation, any Liens of any Loan Parties arising from the exercise of unsecured lender remedies), and such Liens in favor of any Loan Party are and shall be, in all respects, subject and subordinate to the Liens of Agent to the full extent of the Obligations outstanding from time to time. Until the payment in full in cash of all Obligations, no Loan Party shall exercise any rights or remedies against any other Loan Party, in its capacity as a secured creditor of such other Loan Party, to sell, foreclose, realize upon or liquidate any of the Collateral, including the exercise of any of the rights or remedies of a "secured party" under Article 9 of the Uniform Commercial Code.

16.11 Statute of Limitations. Any acknowledgment or new promise, whether by payment of principal or interest or otherwise and whether by any Loan Party or others with respect to any of the Obligations shall, if the statute of limitations in favor of any Guarantor against Agent shall have commenced to run, toll the running of such statute of limitations and, if the period of such statute of limitations shall have expired, prevent the operation of such statute of limitations.

16.12 Interest. All amounts due, owing and unpaid from time to time by any Guarantor hereunder shall bear interest at the interest rate per annum then chargeable with respect to the Advances (without duplication of interest on the underlying Obligation).

16.13 Currency Conversion. Without limiting any other rights in this Agreement, if for the purposes of obtaining judgment in any court in any jurisdiction with respect to this Guaranty or any Other Document it becomes necessary to convert into the currency of such jurisdiction (herein called the "Judgment Currency") any amount due hereunder in any currency other than the Judgment Currency, then conversion shall be made at the rate of exchange prevailing on the Business Day before the day on which judgment is given. For this purpose, "rate of exchange" means the rate at which Agent would, on the relevant date at or about 12:00 p.m., be prepared to sell a similar amount of such currency in New York, New York against the Judgment Currency. In the event that there is a change in the rate of exchange prevailing between the Business Day before the day on which the judgment is given and the date of payment of the amount due, each Guarantor will, on the date of payment, pay such additional amounts (if any) as may be necessary to ensure that the amount paid on such date is the amount in the Judgment Currency which when converted at the rate of exchange prevailing on the date of payment is the amount then due under this Guaranty or any Other Document in such other currency. Any additional amount due from Guarantor under this Section 16.13 will be due as a separate debt and shall not be affected by judgment being obtained for any other sums due under or in respect of this Agreement or any of the Other Documents.

16.14 Acknowledgement. Each Guarantor acknowledges receipt of a copy of each of this Agreement and the Other Documents. Each Guarantor has made an independent investigation of Loan Parties and of the financial condition of Loan Parties. Agent has not made, nor does it hereby make any representations or warranties as to the income, expense, operation, finances or any other matter or thing affecting any Loan Party, and Agent has not made any representations or warranties as to the amount or nature of the Obligations of any Loan Party to which this Section 16 applies as specifically herein set forth, nor Agent or any officer, agent or employee of Agent or any representative thereof, made any other oral representations, agreements or commitments of any kind or nature, and each Guarantor hereby expressly acknowledges that no such representations or warranties have been made and such Guarantor expressly disclaims reliance on any such representations or warranties.

17. MISCELLANEOUS.

17.1 Governing Law. This Agreement and each Other Document (unless and except to the extent expressly provided otherwise in any such Other Document), and all matters relating hereto or thereto or arising herefrom or therefrom (whether arising under contract law, tort law or otherwise) shall, in accordance with Section 5-1401 of the General Obligations Law of the State of New York, be governed by and construed in accordance with the laws of the State of New York applied to contracts to be performed wholly within the State of New York. Any judicial proceeding brought by or against any Loan Party with respect to any of the Obligations, this Agreement, the Other Documents or any related agreement may be brought in any court of competent jurisdiction in the State of New York, United States of America, and, by execution and delivery of this Agreement, each Loan Party accepts for itself and in connection with its properties, generally and unconditionally, the non-exclusive jurisdiction of the aforesaid courts, and irrevocably agrees to be bound by any judgment rendered thereby in connection with this Agreement, but with respect to each Canadian Borrower only, the Agent and Lenders shall not be precluded from initiating any proceeding against it in the courts of the Province of Alberta, Canada in their sole discretion. Each Loan Party hereby waives personal service of any and all process upon it and consents that all such service of process may be made by certified or registered mail (return receipt requested) directed to Borrowing Agent at its address set forth in Section 17.6 and service so made shall be deemed completed five (5) days after the same shall have been so deposited in the mails of the United States of America, or, at Agent's option, by service upon Borrowing Agent which each Loan Party irrevocably appoints as such Loan Party's agent for the purpose of accepting service within the State of New York. Nothing herein shall affect the right to serve process in any manner permitted by law or shall limit the right of Agent or any Lender to bring proceedings against any Loan Party in the courts of any other jurisdiction. Each Loan Party waives any objection to jurisdiction and venue of any action instituted hereunder and shall not assert any defense based on lack of jurisdiction or venue or based upon forum non conveniens. Each Loan Party waives the right to remove any judicial proceeding brought against such Loan Party in any state court to any federal court. Any judicial proceeding by any Loan Party against Agent or any Lender involving, directly or indirectly, any matter or claim in any way arising out of, related to or connected with this Agreement or any related agreement, shall be brought only in a federal or state court located in the County of New York, State of New York (or, with respect to any Canadian Borrower, the Province of Alberta, Canada).

17.2 Entire Understanding.

(a) THIS AGREEMENT AND THE DOCUMENTS EXECUTED CONCURRENTLY HERewith CONTAIN THE ENTIRE UNDERSTANDING BETWEEN EACH LOAN PARTY, AGENT AND EACH LENDER AND SUPERSEDES ALL PRIOR AGREEMENTS AND UNDERSTANDINGS, IF ANY, RELATING TO THE SUBJECT MATTER HEREOF. ANY PROMISES, REPRESENTATIONS, WARRANTIES OR GUARANTEES NOT HEREIN CONTAINED AND HEREINAFTER MADE SHALL HAVE NO FORCE AND EFFECT UNLESS IN WRITING, SIGNED BY EACH LOAN PARTY'S,

AGENT'S AND EACH LENDER'S RESPECTIVE OFFICERS. Neither this Agreement nor any portion or provisions hereof may be changed, modified, amended, waived, supplemented, discharged, cancelled or terminated orally or by any course of dealing, or in any manner other than by an agreement in writing, signed by the party to be charged. Notwithstanding the foregoing, Agent may modify this Agreement or any of the Other Documents for the purposes of completing missing content or correcting erroneous content of an administrative nature, without the need for a written amendment, provided that the Agent shall send a copy of any such modification to the Loan Parties and each Lender (which copy may be provided by electronic mail). Each Loan Party acknowledges that it has been advised by counsel in connection with the execution of this Agreement and Other Documents and is not relying upon oral representations or statements inconsistent with the terms and provisions of this Agreement.

(b) Required Lenders, Agent with the consent in writing of Required Lenders, and the applicable Loan Parties may, subject to the provisions of this Section 17.2(b), from time to time enter into written supplemental agreements to this Agreement or the Other Documents executed by the Loan Parties, for the purpose of adding or deleting any provisions or otherwise changing, varying or waiving in any manner the rights of Lenders, Agent or Borrowers thereunder or the conditions, provisions or terms thereof or waiving any Event of Default thereunder, but only to the extent specified in such written agreements; provided, however, that no such supplemental agreement shall:

(i) increase the Revolving Commitment Percentage or Term Loan Commitment Percentage, as applicable, or the maximum Dollar amount of the Revolving Commitment Amount or Term Loan Commitment Amount, as applicable, of any Lender without the consent of such Lender directly affected thereby;

(ii) whether or not any Advances are outstanding, extend the Term or the time for payment of principal or interest of any Advance (excluding the due date of any mandatory prepayment of an Advance), or any fee payable to any Lender, or reduce the principal amount of or the rate of interest borne by any Advances or reduce any fee payable to any Lender, without the consent of each Lender directly affected thereby (except that Required Lenders may elect to waive or rescind any imposition of the Default Rate under Section 3.1 or of default rates of Letter of Credit fees under Section 3.2 (unless imposed by Agent));

(iii) increase the Maximum Revolving Advance Amount without the consent of each Lender directly affected thereby;

(iv) alter the definition of the term Required Lenders or alter, amend or modify this Section 17.2(b) without the consent of all Lenders;

(v) alter, amend or modify the provisions of Section 11.5 without the consent of all Lenders;

(vi) release or subordinate Agent's Lien on any Collateral during any calendar year (other than in accordance with the provisions of this Agreement) having an aggregate value in excess of \$2,000,000 without the consent of all Lenders;

(vii) change the rights and duties of Agent without the consent of all Lenders;

(viii) subject to clause (e) below, permit any Revolving Advance to be made if after giving effect thereto the total of Revolving Advances outstanding hereunder would exceed the Formula Amount for more than sixty (60) consecutive Business Days or exceed one hundred and ten percent (110%) of the Formula Amount without the consent of each Lender directly affected thereby;

(ix) increase the Advance Rates above the Advance Rates in effect on the Closing Date, or otherwise modify the Formula Amount or any component or definition used therein if the effect is to make more credit or Loans available, without the consent of all Lenders holding a Revolving Commitment;

(x) modify or waive Section 11.5, Section 2.6(e), or any other provision of this Agreement requiring the pro rata sharing of payments among Lenders or the order of application of payments without the consent of all Lenders; or

(xi) release any Guarantor from its obligations hereunder or under any Other Document without the consent of all Lenders.

(c) Any such supplemental agreement shall apply equally to each Lender and shall be binding upon Loan Parties, Lenders and Agent and all future holders of the Obligations. In the case of any waiver, Loan Parties, Agent and Lenders shall be restored to their former positions and rights, and any Event of Default waived shall be deemed to be cured and not continuing, but no waiver of a specific Event of Default shall extend to any subsequent Event of Default (whether or not the subsequent Event of Default is the same as the Event of Default which was waived), or impair any right consequent thereon.

(d) In the event that Agent requests the consent of a Lender pursuant to this Section 17.2 and such consent is denied, then Agent may, at its option, require such Lender to assign its interest in the Advances to Agent or to another Lender or to any other Person designated by Agent and acceptable to Borrowing Agent (the "Designated Lender"), for a price equal to (i) the then outstanding principal amount thereof plus (ii) accrued and unpaid interest and fees due such Lender, which interest and fees shall be paid when collected from Loan Parties. In the event Agent elects to require any Lender to assign its interest to Agent or to the Designated Lender, Agent will so notify such Lender in writing within forty-five (45) days following such Lender's denial, and such Lender will assign its interest to Agent or the Designated Lender no later than five (5) days following receipt of such notice pursuant to a Commitment Transfer Supplement executed by such Lender, Agent or the Designated Lender, as appropriate, Borrowing Agent and Agent.

(e) Notwithstanding (i) the existence of a Default or an Event of Default, (ii) that any of the other applicable conditions precedent set forth in Section 8.2 have not been satisfied or the commitments of Lenders to make Revolving Advances hereunder have been terminated for any reason, or (iii) any other contrary provision of this Agreement, Agent may at its discretion and without the consent of any Lender, voluntarily permit the outstanding

Revolving Advances at any time to exceed the Formula Amount by up to ten percent (10.00%) of the Formula Amount up to sixty (60) consecutive Business Days (the "Out-of-Formula Loans"); provided that the aggregate amount of all outstanding Out-of-Formula Loans and Protective Advances shall not exceed the lesser of (x) ten percent (10.00%) of the Formula Amount and (y) the Maximum Revolving Advance Amount. If Agent is willing in its sole and absolute discretion to permit such Out-of-Formula Loans, Lenders holding the Revolving Commitments shall be obligated to fund such Out-of-Formula Loans in accordance with their respective Revolving Commitment Percentages, and such Out-of-Formula Loans shall be payable on demand and shall bear interest at the Default Rate for Revolving Advances consisting of Domestic Rate Loans; provided that, if Agent does permit Out-of-Formula Loans, neither Agent nor Lenders shall be deemed thereby to have changed the limits of Section 2.1(a) nor shall any Lender be obligated to fund Revolving Advances in excess of its Revolving Commitment Amount. For purposes of this paragraph and paragraph (f) below, the discretion granted to Agent hereunder shall not preclude involuntary overadvances that may result from time to time due to the fact that the Formula Amount was unintentionally exceeded for any reason, including, but not limited to, Collateral previously deemed to be either "Eligible Receivables", "Eligible Unbilled Receivables" or "Eligible Inventory", as applicable, becomes ineligible, collections of Receivables applied to reduce outstanding Revolving Advances are thereafter returned for insufficient funds or overadvances are made to protect or preserve the Collateral. In the event Agent involuntarily permits the outstanding Revolving Advances to exceed the Formula Amount by more than ten percent (10.00%), Agent shall use its efforts to have Loan Parties decrease such excess in as expeditious a manner as is practicable under the circumstances and not inconsistent with the reason for such excess. Revolving Advances made after Agent has determined the existence of involuntary overadvances shall be deemed to be involuntary overadvances and shall be decreased in accordance with the preceding sentence. To the extent any Out-of-Formula Loans are not actually funded by the other Lenders as provided for in this Section 17.2(c), Agent may elect in its discretion to fund such Out-of-Formula Loans and any such Out-of-Formula Loans so funded by Agent shall be deemed to be Revolving Advances made by and owing to Agent, and Agent shall be entitled to all rights (including accrual of interest) and remedies of a Lender holding a Revolving Commitment under this Agreement and the Other Documents with respect to such Revolving Advances.

(f) In addition to (and not in substitution of) the discretionary Revolving Advances permitted above in this Section 17.2, Agent is hereby authorized by Loan Parties and Lenders, at any time in Agent's sole discretion, regardless of (i) the existence of a Default or an Event of Default, (ii) whether any of the other applicable conditions precedent set forth in Section 8.2 have not been satisfied or the commitments of Lenders to make Revolving Advances hereunder have been terminated for any reason, or (iii) any other contrary provision of this Agreement, to make Revolving Advances to Loan Parties, subject to Section 2.1(a), on behalf of Lenders which Agent, in its reasonable business judgment, deems necessary or desirable (a) to preserve or protect the Collateral, or any portion thereof, (b) to enhance the likelihood of, or maximize the amount of, repayment of the Advances and other Obligations, or (c) to pay any other amount chargeable to Loan Parties pursuant to the terms of this Agreement (collectively, the "Protective Advances"); provided that the aggregate amount of all outstanding Protective Advances and Out-of-Formula Loans shall not exceed the lesser of (x) ten percent (10.00%) of the Formula Amount and (y) the Maximum Revolving Advance Amount. Lenders holding the Revolving Commitments shall be obligated to fund such Protective Advances and effect a

settlement with Agent therefor upon demand of Agent in accordance with their respective Revolving Commitment Percentages. To the extent any Protective Advances are not actually funded by the other Lenders as provided for in this [Section 17.2\(f\)](#), any such Protective Advances funded by Agent shall be deemed to be Revolving Advances made by and owing to Agent, and Agent shall be entitled to all rights (including accrual of interest) and remedies of a Lender holding a Revolving Commitment under this Agreement and the Other Documents with respect to such Revolving Advances.

17.3 Successors and Assigns; Participations; New Lenders.

(a) This Agreement shall be binding upon and inure to the benefit of Loan Parties, Agent, each Lender, all future holders of the Obligations and their respective successors and assigns, except that no Loan Party may assign or transfer any of its rights or obligations under this Agreement (including, in each case, by way of an LLC Division) without the prior written consent of Agent and each Lender.

(b) Each Loan Party acknowledges that in the regular course of commercial banking business one or more Lenders may at any time and from time to time sell participating interests in the Advances to other Persons (each such transferee or purchaser of a participating interest, a "Participant"). Each Participant may exercise all rights of payment (including rights of set-off) with respect to the portion of such Advances held by it or other Obligations payable hereunder as fully as if such Participant were the direct holder thereof (including, for the avoidance of doubt, rights under [Section 3.10](#)), subject to the same requirements and limitations of a direct holder (including, for the avoidance of doubt, the documentation requirements of [Section 3.10\(e\)](#) (it being understood that the documentation required under [Section 3.10\(c\)](#) shall be delivered to the participating Lender)), provided that (i) Loan Parties shall not be required to pay to any Participant more than the amount which it would have been required to pay to Lender which granted an interest in its Advances or other Obligations payable hereunder to such Participant had such Lender retained such interest in the Advances hereunder or other Obligations payable hereunder unless the sale of the participation to such Participant is made with Loan Parties' prior written consent, and (ii) in no event shall Loan Parties be required to pay any such amount arising from the same circumstances and with respect to the same Advances or other Obligations payable hereunder to both such Lender and such Participant. Upon any such sale, such Lender's obligations under each Other Document shall remain unchanged, such Lender shall remain solely responsible for the performance thereof, such Lender shall remain the holder of any such Loan and all parties hereto shall continue to deal solely and directly with such Lender in connection with the Other Documents. Any agreement pursuant to which any Lender shall sell any such participation shall provide that such Lender shall retain the sole right and responsibility to exercise such Lender's rights and enforce each Secured Party's obligations hereunder, including the right to consent to any amendment, supplement, modification or waiver of any provision of any Other Document, except for those described in clauses (ii), (iv) or (v) of [Section 17.2\(b\)](#). Each Loan Party hereby grants to any Participant a continuing security interest in any deposits, moneys or other property actually or constructively held by such Participant as security for the Participant's interest in the Advances. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement or

Other Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations hereunder or under any Other Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations.

(c) Any Lender, with the consent of Agent may sell, assign or transfer all or any part of its rights and obligations under or relating to Revolving Advances and/or Term Loans under this Agreement and the Other Documents to one or more additional Persons and one or more additional Persons may commit to make Advances hereunder (each a "Purchasing Lender"), in minimum amounts of not less than \$5,000,000, pursuant to a Commitment Transfer Supplement, executed by a Purchasing Lender, the transferor Lender, and Agent and delivered to Agent for recording, provided, however, that each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to each of the Revolving Advances and/or Term Loans under this Agreement in which such Lender has an interest. Upon such execution, delivery, acceptance and recording, from and after the transfer effective date determined pursuant to such Commitment Transfer Supplement, (i) Purchasing Lender thereunder shall be a party hereto and, to the extent provided in such Commitment Transfer Supplement, have the rights and obligations of a Lender thereunder with a Revolving Commitment Percentage and/or Term Loan Commitment Percentage, as applicable as set forth therein, and (ii) the transferor Lender thereunder shall, to the extent provided in such Commitment Transfer Supplement, be released from its obligations under this Agreement, the Commitment Transfer Supplement creating a novation for that purpose. Such Commitment Transfer Supplement shall be deemed to amend this Agreement to the extent, and only to the extent, necessary to reflect the addition of such Purchasing Lender and the resulting adjustment of the Revolving Commitment Percentages and/or Term Loan Commitment Percentages, as applicable arising from the purchase by such Purchasing Lender of all or a portion of the rights and obligations of such transferor Lender under this Agreement and the Other Documents. Each Loan Party hereby consents to the addition of such Purchasing Lender and the resulting adjustment of the Revolving Commitment Percentages and/or Term Loan Commitment Percentages, as applicable, arising from the purchase by such Purchasing Lender of all or a portion of the rights and obligations of such transferor Lender under this Agreement and the Other Documents. Loan Parties shall execute and deliver such further documents and do such further acts and things in order to effectuate the foregoing provided, however, that the consent of Loan Parties (such consent not to be unreasonably withheld, delayed or conditioned) shall be required unless (x) an Event of Default has occurred and is continuing at the time of such assignment or (y) such assignment is to a Permitted Assignee; provided that Loan Parties shall be deemed to have consented to any such assignment unless they shall object thereto by written notice to Agent within five (5) Business Days after having received prior notice thereof.

(d) Any Lender other than PNC, with the consent of Agent and Borrowing Agent, in each case, which shall not be unreasonably withheld or delayed, or PNC in its sole discretion, may directly or indirectly sell, assign or transfer all or any portion of its rights and obligations under or relating to Revolving Advances and/or Term Loans under this Agreement

and the Other Documents to an entity, whether a corporation, partnership, trust, limited liability company or other entity that (i) is engaged in making, purchasing, holding or otherwise investing in bank loans and similar extensions of credit in the ordinary course of its business and (ii) is administered, serviced or managed by the assigning Lender or an Affiliate of such Lender (a "Purchasing CLO" and together with each Participant and Purchasing Lender, each a "Transferee" and collectively the "Transferees"), pursuant to a Commitment Transfer Supplement modified as appropriate to reflect the interest being assigned ("Modified Commitment Transfer Supplement"), executed by any intermediate purchaser, the Purchasing CLO, the transferor Lender, Borrowing Agent and Agent as applicable and delivered to Agent for recording. Upon such execution and delivery, from and after the transfer effective date determined pursuant to such Modified Commitment Transfer Supplement, (i) Purchasing CLO thereunder shall be a party hereto and, to the extent provided in such Modified Commitment Transfer Supplement, have the rights and obligations of a Lender thereunder and (ii) the transferor Lender thereunder shall, to the extent provided in such Modified Commitment Transfer Supplement, be released from its obligations under this Agreement, the Modified Commitment Transfer Supplement creating a novation for that purpose. Such Modified Commitment Transfer Supplement shall be deemed to amend this Agreement to the extent, and only to the extent, necessary to reflect the addition of such Purchasing CLO. Each Loan Party hereby consents to the addition of such Purchasing CLO. Loan Parties shall execute and deliver such further documents and do such further acts and things in order to effectuate the foregoing.

(c) Agent shall maintain at its address a copy of each Commitment Transfer Supplement and Modified Commitment Transfer Supplement delivered to it and a register (the "Register") for the recordation of the names and addresses of each Lender and the outstanding principal, accrued and unpaid interest and other fees due hereunder. The entries in the Register shall be conclusive, in the absence of manifest error, and each Loan Party, Agent and Lenders shall treat each Person whose name is recorded in the Register as the owner of the Advance recorded therein for the purposes of this Agreement. The Register shall be available for inspection by Borrowing Agent or any Lender at any reasonable time and from time to time upon reasonable prior notice. Agent shall receive a fee in the amount of \$3,500 payable by the applicable Purchasing Lender and/or Purchasing CLO upon the effective date of each transfer or assignment (other than to an intermediate purchaser) to such Purchasing Lender and/or Purchasing CLO.

(f) Each Loan Party authorizes each Lender to disclose to any Transferee and any prospective Transferee any and all financial information in such Lender's possession concerning such Loan Party which has been delivered to such Lender by or on behalf of such Loan Party pursuant to this Agreement or in connection with such Lender's credit evaluation of such Loan Party subject to the confidentiality requirements set forth in Section 17.15.

(g) Notwithstanding anything to the contrary contained in this Agreement, any Lender may at any time and from time to time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(h) Notwithstanding anything to the contrary contained in this Agreement, no Lender may assign or transfer any of its rights or obligations under this Agreement to any (i) Borrower or any of any Borrower's Affiliates or Subsidiaries, (ii) Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute a Defaulting Lender or a Subsidiary thereof or (iii) natural person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person).

17.4 Application of Payments. Agent shall have the continuing and exclusive right to apply or reverse and re-apply any payment and any and all proceeds of Collateral to any portion of the Obligations. To the extent that any Loan Party makes a payment or Agent or any Lender receives any payment or proceeds of the Collateral for any Loan Party's benefit, which are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, debtor in possession, receiver, custodian or any other party under any bankruptcy law, common law or equitable cause, then, to such extent, the Obligations or part thereof intended to be satisfied shall be revived and continue as if such payment or proceeds had not been received by Agent or such Lender.

17.5 Indemnity. Each Loan Party shall defend, protect, indemnify, pay and save harmless Agent, Issuer, each Lender and each of their respective officers, directors, Affiliates, attorneys, employees and agents (each an "Indemnified Party") for and from and against any and all claims, demands, liabilities, obligations, losses, damages, penalties, fines, actions, judgments, suits, costs, charges, expenses and disbursements of any kind or nature whatsoever (including fees and disbursements of counsel (limited to one counsel to the Agent and the Issuer and the Lenders, taken as a whole, and, if necessary, of one local counsel in any applicable jurisdiction to such persons, taken as a whole)) (collectively, "Claims") which may be imposed on, incurred by, or asserted against any Indemnified Party in arising out of or in any way relating to or as a consequence, direct or indirect, of: (i) this Agreement, the Other Documents, the Advances and other Obligations and/or the transactions contemplated hereby including the Transactions, (ii) any action or failure to act or action taken only after delay or the satisfaction of any conditions by any Indemnified Party in connection with and/or relating to the negotiation, execution, delivery or administration of the Agreement and the Other Documents, the credit facilities established hereunder and thereunder and/or the transactions contemplated hereby including the Transactions, (iii) any Loan Party's failure to observe, perform or discharge any of its covenants, obligations, agreements or duties under or breach of any of the representations or warranties made in this Agreement and the Other Documents, (iv) the enforcement of any of the rights and remedies of Agent, Issuer or any Lender under the Agreement and the Other Documents, (v) any threatened or actual imposition of fines or penalties, or disgorgement of benefits, for violation of any Anti-Terrorism Law by any Loan Party, any Affiliate or Subsidiary of any Loan Party, and (vi) any claim, litigation, proceeding or investigation instituted or conducted by any Governmental Body or instrumentality, any Borrower, any Affiliate or Subsidiary of any Borrowers, or any Guarantor, or any other Person with respect to any aspect of, or any transaction contemplated by, or referred to in, or any matter related to, this Agreement or the Other Documents, whether or not Agent or any Lender is a party thereto, in each such case except to the extent that any of the foregoing arises out of the gross negligence, bad faith, willful misconduct or fraud of the Indemnified Party (as determined by a court of competent jurisdiction in a final and non-appealable judgment). Without limiting the generality of any of the foregoing,

each Loan Party shall defend, protect, indemnify, pay and save harmless each Indemnified Party from (x) any Claims which may be imposed on, incurred by, or asserted against any Indemnified Party arising out of or in any way relating to or as a consequence, direct or indirect, of the issuance of any Letter of Credit hereunder and (y) any Claims which may be imposed on, incurred by, or asserted against any Indemnified Party under any Environmental Laws with respect to or in connection with the Real Property, any Hazardous Discharge, the presence of any Hazardous Materials affecting the Real Property (whether or not the same originates or emerges from the Real Property or any contiguous real estate), including any Claims consisting of or relating to the imposition or assertion of any Lien on any of the Real Property under any Environmental Laws and any loss of value of the Real Property as a result of the foregoing except to the extent such loss, liability, damage and expense is attributable to any Hazardous Discharge resulting from actions on the part of Agent or any Lender in each such case except to the extent that any of the foregoing arises out of the gross negligence, bad faith or willful misconduct of the Indemnified Party (as determined by a court of competent jurisdiction in a final and non-appealable judgment). Loan Parties' obligations under the prior sentence shall arise upon the discovery of the presence of any Hazardous Materials at the Real Property, whether or not any federal, state, provincial or local environmental agency has taken or threatened any action in connection with the presence of any Hazardous Materials. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, THIS INDEMNITY SHALL EXTEND TO ANY LIABILITIES, OBLIGATIONS, LOSSES, DAMAGES, PENALTIES, ACTIONS, JUDGMENTS, SUITS, COSTS, EXPENSES AND DISBURSEMENTS OF ANY KIND OR NATURE WHATSOEVER (INCLUDING REASONABLE FEES AND DISBURSEMENTS OF COUNSEL) ASSERTED AGAINST OR INCURRED BY ANY OF THE INDEMNIFIED PARTIES BY ANY PERSON UNDER ANY ENVIRONMENTAL LAWS BY REASON OF ANY LOAN PARTY'S FAILURE TO COMPLY WITH ENVIRONMENTAL LAWS, INCLUDING THOSE APPLICABLE TO SOLID OR HAZARDOUS WASTE MATERIALS, INCLUDING HAZARDOUS MATERIALS AND HAZARDOUS WASTE, OR OTHER TOXIC SUBSTANCES. THIS SECTION 17.5 SHALL NOT APPLY WITH RESPECT TO TAXES OTHER THAN ANY TAXES THAT REPRESENT LOSSES, CLAIMS, DAMAGES, ETC. ARISING FROM ANY NON-TAX CLAIM. All amounts due under this Section 17.5 shall be payable not later than ten (10) days after demand therefor.

17.6 Notice. Any notice or request hereunder may be given to Borrowing Agent or any Borrower or to Agent or any Lender at their respective addresses set forth below or at such other address as may hereafter be specified in a notice designated as a notice of change of address under this Section. Any notice, request, demand, direction or other communication (for purposes of this Section 17.6 only, a "Notice") to be given to or made upon any party hereto under any provision of this Agreement shall be given or made by telephone or in writing (which includes by means of electronic transmission (i.e., "e-mail") or facsimile transmission or by setting forth such Notice on a website to which Loan Parties are directed (an "Internet Posting") if Notice of such Internet Posting (including the information necessary to access such site) has previously been delivered to the applicable parties hereto by another means set forth in this Section 17.6) in accordance with this Section 17.6. Any such Notice must be delivered to the applicable parties hereto at the addresses and numbers set forth under their respective names on Section 17.6 or in accordance with any subsequent unrevoked Notice from any such party that is given in accordance with this Section 17.6. Any Notice shall be effective:

(b) If given by mail, four (4) days after such Notice is deposited with the United States Postal Service, with first-class postage prepaid, return receipt requested;

(c) In the case of a telephonic Notice, when a party is contacted by telephone, if delivery of such telephonic Notice is confirmed no later than the next Business Day by hand delivery, a facsimile or electronic transmission, an Internet Posting or an overnight courier delivery of a confirmatory Notice (received at or before noon on such next Business Day);

(d) In the case of a facsimile transmission, when sent to the applicable party's facsimile machine's telephone number, if the party sending such Notice receives confirmation of the delivery thereof from its own facsimile machine;

(e) In the case of electronic transmission, when actually received;

(f) In the case of an Internet Posting, upon delivery of a Notice of such posting (including the information necessary to access such site) by another means set forth in this Section 17.6; and

(g) If given by any other means (including by overnight courier), when actually received.

Any Lender giving a Notice to Borrowing Agent or any Loan Party shall concurrently send a copy thereof to Agent, and Agent shall promptly notify the other Lenders of its receipt of such Notice.

17.7 Survival. The obligations of Loan Parties under Sections 2.2(f), 2.2(g), 2.2(h), 3.7, 3.8, 3.9, 3.10, 17.5 and 17.9 and the obligations of Lenders under Sections 2.2, 2.15(h), 2.16, 2.18, 2.19, 14.8 and 17.5, shall survive termination of this Agreement and the Other Documents and payment in full of the Obligations.

17.8 Severability. If any part of this Agreement is contrary to, prohibited by, or deemed invalid under Applicable Laws, such provision shall be inapplicable and deemed omitted to the extent so contrary, prohibited or invalid, but the remainder hereof shall not be invalidated thereby and shall be given effect so far as possible.

17.9 Expenses. Loan Parties shall pay (i) all out-of-pocket expenses incurred by Agent and its Affiliates (including the reasonable fees, charges and disbursements of counsel for Agent (which shall be limited to (x) a single primary outside counsel and (y) one local counsel required in each applicable jurisdiction)), and shall pay all reasonable and documented out-of-pocket fees and time charges and disbursements for attorneys who may be employees of Agent, in

connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement and the Other Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all out-of-pocket expenses incurred by Issuer in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder, (iii) all out-of-pocket expenses incurred by Agent, any Lender or Issuer (including the reasonable and documented out-of-pocket fees, charges and disbursements of any counsel for Agent, any Lender or Issuer), and shall pay all reasonable and documented fees and time charges for attorneys who may be employees of Agent, any Lender or Issuer, in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the Other Documents, including its rights under this Section, or (B) in connection with the Advances made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit, and (iv) all reasonable out-of-pocket expenses of Agent's regular employees and agents engaged periodically to perform audits of the any Loan Party's or any Loan Party's Affiliate's or Subsidiary's books, records and business properties to the extent payable hereunder.

17.10 Injunctive Relief. Each Loan Party recognizes that, in the event any Loan Party fails to perform, observe or discharge any of its obligations or liabilities under this Agreement, or threatens to fail to perform, observe or discharge such obligations or liabilities, any remedy at law may prove to be inadequate relief to Lenders; therefor, Agent, if Agent so requests, shall be entitled to temporary and permanent injunctive relief in any such case without the necessity of proving that actual damages are not an adequate remedy.

17.11 Consequential Damages. No party hereto, nor any agent or attorney for any of them, shall be liable to any other party hereto (or any Affiliate of any such Person) for indirect, punitive, exemplary or consequential damages arising from any breach of contract, tort or other wrong relating to the establishment, administration or collection of the Obligations or as a result of any transaction contemplated under this Agreement or any Other Document.

17.12 Captions. The captions at various places in this Agreement are intended for convenience only and do not constitute and shall not be interpreted as part of this Agreement.

17.13 Counterparts; Facsimile Signatures. This Agreement may be executed in any number of and by different parties hereto on separate counterparts, all of which, when so executed, shall be deemed an original, but all such counterparts shall constitute one and the same agreement. Any signature delivered by a party by facsimile or electronic transmission (including email transmission of a PDF image) shall be deemed to be an original signature hereto.

17.14 Construction. The parties acknowledge that each party and its counsel have reviewed this Agreement and that the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Agreement or any amendments, schedules or exhibits thereto.

17.15 Confidentiality; Sharing Information. Agent, each Lender and each Transferee shall hold all non-public information obtained by Agent, such Lender or such Transferee pursuant to the requirements of this Agreement in accordance with Agent's, such Lender's and such Transferee's customary procedures for handling confidential information of this nature; provided, however, Agent, each Lender and each Transferee may disclose such confidential information (a) to its Affiliates and its and their examiners, Affiliates, financing sources, directors, officers, partners, employees, agents, outside auditors, counsel and other professional advisors, (b) to Agent, any Lender or to any prospective Transferees, (c) in connection with, and to the extent reasonably necessary for, the exercise of any secured creditor remedy under this Agreement or under any Other Document and (d) as required or requested by any Governmental Body or representative thereof or pursuant to legal process; provided, further that (i) unless specifically prohibited by Applicable Law, Agent, each Lender and each Transferee shall use its reasonable best efforts prior to disclosure thereof, to notify the applicable Loan Party of the applicable request for disclosure of such non-public information (A) by a Governmental Body or representative thereof (other than any such request in connection with an examination of the financial condition of a Lender or a Transferee by such Governmental Body) or (B) pursuant to legal process and (ii) in no event shall Agent, any Lender or any Transferee be obligated to return any materials furnished by any Loan Party other than those documents and instruments in possession of Agent or any Lender in order to perfect its Lien on the Collateral once the Obligations have been paid in full and this Agreement has been terminated. Each Loan Party acknowledges that from time to time financial advisory, investment banking and other services may be offered or provided to such Loan Party or one or more of its Affiliates (in connection with this Agreement) by the Agent or by one or more Subsidiaries or Affiliates of the Agent and each Loan Party hereby authorizes the Agent to share any information delivered to the Agent by such Loan Party and its Subsidiaries pursuant to this Agreement, or in connection with the decision of the Agent if the Borrower agrees to accept any of the offered financial advisory, investment banking or other services to enter into this Agreement, to any such Subsidiary or Affiliate of the Agent, it being understood that any such Subsidiary or Affiliate of the Agent receiving such information shall be bound by the provisions of this Section 17.15 as if it were a Lender hereunder. Such authorization shall survive the repayment of the other Obligations and the termination of this Agreement. Notwithstanding any non-disclosure agreement or similar document executed by Agent in favor of any Loan Party or any of any Loan Party's affiliates, the provisions of this Agreement shall supersede such agreements.

17.16 Publicity. Notwithstanding any provision of any Other Document, the Agent may, with the Borrowing Agent's consent (which consent shall not be unreasonably withheld, conditioned or delayed) (i) disclose a general description of transactions arising under the Other Documents for advertising, marketing or other similar purposes, and (ii) use any Secured Party's name, logo or other indicia germane to such party in connection with such advertising, marketing or other similar purposes.

17.17 Certifications From Banks and Participants: USA PATRIOT Act.

(a) Each Lender or assignee or participant of a Lender that is not incorporated under the Laws of the United States of America or a state thereof (and is not excepted from the certification requirement contained in Section 313 of the USA PATRIOT Act and the applicable regulations because it is both (i) an Affiliate of a depository institution or foreign bank that maintains a physical presence in the United States or foreign country, and (ii) subject to supervision by a banking authority regulating such affiliated depository institution or foreign bank) shall deliver to the Agent the certification, or, if applicable, recertification, certifying that such Lender is not a "shell" and certifying to other matters as required by Section 313 of the USA PATRIOT Act and the applicable regulations: (1) within ten (10) days after the Closing Date, and (2) as such other times as are required under the USA PATRIOT Act.

(b) The USA PATRIOT Act requires all financial institutions to obtain, verify and record certain information that identifies individuals or business entities which open an "account" with such financial institution. Consequently, each Lender may from time to time request, and each Loan Party shall provide to the Lenders, such Loan Party's name, address, tax identification number and/or such other identifying information as shall be necessary for the Lenders to comply with the USA PATRIOT Act and any other Anti-Terrorism Law.

(c) The Loan Parties acknowledge that, pursuant to the *Proceeds of Crime Money Laundering and Terrorist Financing Act* (Canada) and other applicable anti-money laundering, anti-terrorist financing, government sanction and "know your client" laws, under the laws of Canada (collectively, including any guidelines or orders thereunder, "AML Legislation"), the Agent and the Lenders may be required to obtain, verify and record information regarding it, its respective directors, authorized signing officers, direct or indirect shareholders or other Persons in control of it, and the transactions contemplated hereby. Borrowers shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by the Agent and the Lenders, or any prospective assign or participant of the Agent and the Lenders, necessary in order to comply with any applicable AML Legislation, whether now or hereafter in existence.

(d) If the Agent has ascertained the identity of the Loan Parties or any authorized signatories of the Loan Parties for the purposes of applicable AML Legislation, then the Agent:

(i) shall be deemed to have done so as an agent for each Lender, and this Agreement shall constitute a "written agreement" in such regard between each Lender and the Agent within the meaning of applicable AML Legislation; and

(ii) shall provide to each Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness. Notwithstanding the provisions of this Section 17.17 and except as may otherwise be agreed in writing, the Agent and each Lender agrees that neither the Agent nor the Lenders shall have any obligation to ascertain the identity of the Loan Parties or any authorized signatories of the Loan Parties on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from the Loan Parties or any such authorized signatory in doing so.

17.18 Concerning Joint and Several Liability of Borrowers.

(a) Each of Borrowers is accepting joint and several liability hereunder in consideration of the financial accommodations to be provided by Lenders under this Agreement, for the mutual benefit, directly and indirectly, of each of Borrowers and in consideration of the undertakings of each of Borrowers to accept joint and several liability for the obligations of each of them.

(b) Each of Borrowers jointly and severally hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrowers with respect to the payment and performance of all of the Obligations, it being the intention of the parties hereto that all the Obligations shall be the joint and several obligations of each of Borrowers without preferences or distinction among them.

(c) If and to the extent that any of the Borrowers shall fail to make any payment with respect to any of the Obligations as and when due or to perform any of the Obligations in accordance with the terms thereof, then in each such event, the other Borrowers will make such payment with respect to, or perform, such Obligation.

(d) The obligations of each Borrower under the provisions of this Section 17.18 constitute full recourse obligations of such Borrower, enforceable against it to the full extent of its properties and assets, irrespective of the validity, regularity or enforceability of this Agreement or any other circumstances whatsoever.

(e) Except as otherwise expressly provided herein, each Borrower hereby waives notice of acceptance of its joint and several liability, notice of any Advance made under this Agreement, notice of occurrence of any Event of Default, or of any demand for any payment under this Agreement (except as otherwise provided herein), notice of any action at any time taken or omitted by any Lender under or in respect of any of the Obligations, any requirement of diligence and, generally, all demands, notices and other formalities of every kind in connection with this Agreement. Each Borrower hereby assents to, and waives notice of, any extension or postponement of the time for the payment of any of the Obligations, the acceptance of any partial payment thereon, any waiver, consent or other action or acquiescence by any Lender at any time or times in respect of any default by any Borrower in the performance or satisfaction of any term, covenant, condition or provision of this Agreement, any and all other indulgences whatsoever by any Lender in respect of any of the Obligations, and the taking, addition, substitution or release, in whole or in part, at any time or times, of any security for any of the Obligations or in part, at any time or times, of any security for any of the Obligations or the addition, substitution or release, in whole or in part, of any Borrower. Without limiting the generality of the foregoing, each Borrower assents to any other action or delay in acting or failure to act on the part of any Lender, including, without limitation, any failure strictly or diligently to assert any right or to pursue any remedy or to comply fully with the Applicable Laws or regulations thereunder which might, but for the provisions of this Section 17.18, afford grounds for terminating, discharging or relieving such Borrower, in whole or in part, from any of its obligations under this Section 17.18, it being the intention of each Borrower that, so long as any of the Obligations remain unsatisfied, the obligations of such Borrower under this Section 17.18 shall not be discharged except by performance and then only to the extent of such performance or except as otherwise agreed in writing in accordance with Section 17.2. The Obligations of each Borrower under this Section 17.18 shall not be diminished or rendered unenforceable by any winding up, reorganization, arrangement, liquidation, reconstruction or similar proceeding with respect to any Borrower or any Lender. The joint and several liability of Borrowers hereunder shall continue in full force and effect notwithstanding any absorption, merger, amalgamation or any other change whatsoever in the name, membership, constitution or place of formation of any Borrower or any Lender.

(f) The provisions of this Section 17.18 are made for the benefit of the Lenders and their respective successors and assigns, and may be enforced by any such Person from time to time against any of the Borrowers as often as occasion therefor may arise and without requirement on the part of any Lender first to marshal any of its claims or to exercise any of its rights against any of the other Borrowers or to exhaust any remedies available to it against any of the other Borrowers or to resort to any other source or means of obtaining payment of any of the Obligations or to elect any other remedy. The provisions of this Section 17.18 shall remain in effect until all the Obligations shall have been paid in full or otherwise fully satisfied. If at any time, any payment, or any part thereof, made in respect of any of the Obligations, is rescinded or must otherwise be restored or returned by any Lender upon the insolvency, bankruptcy or reorganization of any of the Borrowers, or otherwise, the provisions of this Section 17.18 will forthwith be reinstated in effect, as though such payment had not been made.

(g) Notwithstanding any provision to the contrary contained herein or in any other of the Other Documents, to the extent the joint obligations of a Borrower shall be adjudicated to be invalid or unenforceable for any reason (including, without limitation, because of any applicable state or federal law relating to fraudulent conveyances or transfers) then the obligations of each Borrower hereunder shall be limited to the maximum amount that is permissible under Applicable Law (whether federal or state and including, without limitation, any federal or state bankruptcy laws).

(h) Borrowers hereby agree, as among themselves, that if any Borrower shall become an Excess Funding Borrower (as defined below), each other Borrower shall, on demand of such Excess Funding Borrower (but subject to the next sentence hereof and to clause (B) below), pay to such Excess Funding Borrower an amount equal to such Borrower's Pro Rata Share (as defined below and determined, for this purpose, without reference to the properties, assets, liabilities and debts of such Excess Funding Borrower) of such Excess Payment (as defined below). The payment obligation of any Borrower to any Excess Funding Borrower under this Section 17.18(h) shall be subordinate and subject in right of payment to the prior payment in full of the Obligations of such Borrower under the other provisions of this Agreement, and such Excess Funding Borrower shall not exercise any right or remedy with respect to such excess until payment and satisfaction in full of all of such Obligations. For purposes hereof, (i) "Excess Funding Borrower" shall mean, in respect of any Obligations arising under the other provisions of this Agreement (hereafter, the "Joint Obligations"), a Borrower that has paid an amount in excess of its Pro Rata Share of the Joint Obligations; (ii) "Excess Payment" shall mean, in respect of any Joint Obligations, the amount paid by an Excess Funding Borrower in excess of its Pro Rata Share of such Joint Obligations; and (iii) "Pro Rata Share", for the purposes of this Section 17.18(h), shall mean, for any Borrower, the ratio (expressed as a percentage) of (A) the amount by which the aggregate present fair salable value of all of its assets and properties exceeds the amount of all debts and liabilities of such Borrower (including contingent, subordinated, unmatured, and unliquidated liabilities, but excluding the obligations of such Borrower hereunder) to (B) the amount by which the aggregate present fair salable value of all assets and other properties of such Borrower and all of the other Borrowers exceeds the

amount of all of the debts and liabilities (including contingent, subordinated, unmatured, and unliquidated liabilities, but excluding the obligations of such Borrower and the other Borrowers hereunder) of such Borrower and all of the other Borrowers, all as of the Closing Date (if any Borrower becomes a party hereto subsequent to the Closing Date, then for the purposes of this Section 17.18(h)) such subsequent Borrower shall be deemed to have been a Borrower as of the Closing Date and the information pertaining to, and only pertaining to, such Borrower as of the date such Borrower became a Borrower shall be deemed true as of the Closing Date) notwithstanding the payment obligations imposed on Borrowers in this Section, the failure of a Borrower to make any payment to an Excess Funding Borrower as required under this Section shall not constitute an Event of Default.

17.19 Amendment and Restatement.

(a) The parties hereto acknowledge and agree that (i) this Agreement and the Other Documents, whether executed and delivered in connection herewith or otherwise, do not constitute a novation or repayment and reborrowing of the Advances (as defined in the A&R Credit Agreement) and the other Obligations (as defined in the A&R Credit Agreement) under the A&R Credit Agreement or the Other Documents (as defined in the A&R Credit Agreement) as in effect prior to the Closing Date and which remain outstanding as of the Closing Date, (ii) the Obligations (as defined in the A&R Credit Agreement) under the A&R Credit Agreement and the Other Documents (as defined in the A&R Credit Agreement) are in all respects continuing (as amended and restated and converted hereby and which are in all respects hereafter subject to the terms herein) and (iii) the Liens and security interests as granted under the A&R Credit Agreement and the Other Documents (as defined in the A&R Credit Agreement) securing payment of such Obligations (as defined in the A&R Credit Agreement) are in all respects continuing and in full force and effect and reaffirmed hereby (in each case, as amended and restated hereby and in all respects hereafter subject to the terms herein).

(b) The parties hereto acknowledge and agree that on and after the Closing Date, (i) all references to the Agreement shall be deemed to refer to the A&R Credit Agreement, as amended and restated hereby, (ii) all references to any section (or subsection) of the A&R Credit Agreement shall be amended to become, mutatis mutandis, references to the corresponding provisions of this Agreement and (iii) except as the context otherwise provides, on or after the Closing Date, all references to this Agreement herein (including for purposes of indemnification and reimbursement of fees) shall be deemed to be references to the A&R Credit Agreement, as amended and restated hereby.

(c) The parties hereto acknowledge and agree that this amendment and restatement is limited as written and is not a consent to any other amendment, restatement or waiver or other modification, whether or not similar and, except as expressly provided herein or in any Other Document, all terms and conditions of the A&R Credit Agreement and the Other Documents (as defined in the A&R Credit Agreement) remain in full force and effect unless otherwise specifically amended hereby or by any Other Documents.
